13	Silver Jubilee Alumni Meet	On 06 Dec 2025, the Department of Clinical Psychology, Manipal College of Health Professions (MCHP), celebrated its Silver Jubilee Alumni Meet with great enthusiasm and reverence. The event marked 25 years of the department's remarkable journey in academic excellence, clinical service, and community outreach. Bringing together alumni from various MSc and MPhil batches alongside current faculty and students, the gathering aimed to strengthen connections between the department and its graduates, reflect on their shared journey, and promote future collaborations while commemorating this significant milestone.	06 Dec 2025
14	National Seminar	Department of Clinical Psychology organized one day national seminar "Theme: Access to Services-	07 Dec 2025

Sl No	Activity	Particulars	Date(s)
		Mental Health in Catastrophes and Emergencies" Access to Services – Mental Health in Catastrophes and Emergencies addresses the critical need for integrated, multidisciplinary approaches to mental health care during crises. Disasters and emergencies often expose significant gaps in service accessibility, coordination, and continuity, requiring diverse professional perspectives to effectively respond. This seminar brings together esteemed experts from the immediate response and relief team, clinical psychology, psychiatry, and psychiatric social work to foster interdisciplinary dialogue and shared learning	
Emergency Medical Technology			
1	Emergency Medical Services (EMS) Week (EMS) Week 	Under the theme "WE CARE FOR EVERYONE," the Department of Emergency Medical Technology conducted an early celebration of EMS Week from May 8th to May 10th, 2025, with active participation from undergraduate and postgraduate students and faculty members. The three-day program was designed to integrate learning, skill development, teamwork, and community spirit. Day 1 focused on CPR and Fitness Challenges, reinforcing essential life-saving skills while promoting physical fitness, endurance, and strategic thinking. Mixed student teams were formed to encourage collaboration and inclusivity. Day 2 combined sports and simulation-based learning, with outdoor games fostering teamwork among students and faculty, followed by an EMS-themed quiz and simulation competition that assessed knowledge, decision-making, and practical competence in real-life emergency scenarios. Day 3 featured a Cultural Evening and Farewell Ceremony, celebrating creativity, emotional bonding, and acknowledging the graduating batch. The program strongly aligns with Sustainable Development Goal (SDG) 3: Good Health and Well-being, by promoting emergency preparedness, physical fitness, and lifesaving competencies. It also contributes to SDG 4: Quality Education, through experiential learning, simulation training, and knowledge assessment, and SDG 17: Partnerships for the Goals, by strengthening collaboration between students and faculty.	08 to 10 May 2025
2	Launch of VENOMS Helpline	The VENOMS Helpline Launch Program was jointly organized by the Centre for Wilderness Medicine, Department of Emergency Medicine, Department of Emergency Medical Technology, MCHP, and the District Surveillance Office, Udupi, on 19 Sep 2025, from 10:00 to 11:00 AM at the Sharada Classroom, Department of Emergency Medicine. The program was inaugurated by Dr Nagarathna, District Surveillance Officer, Udupi District, with Dr Sudhakar Kantipudi as the Guest of Honour. The VENOMS Helpline was launched as a dedicated emergency contact to provide prompt guidance in cases of snakebite and other venomous exposures, aiming to improve early decision-making,	19 Sep 2025

		appropriate first aid, and timely referral. The initiative serves as a vital link between community members, wildlife experts, and emergency medical responders, thereby strengthening the envenomation response system at the grassroots level. The program highlighted the critical role of interdisciplinary collaboration involving public health authorities, emergency medicine specialists, and prehospital care providers in reducing morbidity and mortality due to envenomation. Emphasis was placed on early recognition, rapid communication, and timely intervention, which are key determinants of favourable outcomes in venom-related emergencies. This initiative aligns strongly with Sustainable Development Goal (SDG) 3: Good Health and Well-being, by promoting access to emergency guidance and strengthening health response systems, and SDG 17: Partnerships for the Goals, through collaboration between academic institutions, healthcare providers, and government surveillance bodies.	
3	Community Outreach on occasion of International Snakebite Awareness Day 	On the occasion of International Snakebite Awareness Day, the Centre for Wilderness Medicine, in collaboration with the Department of Emergency Medicine, Department of Emergency Medical Technology (EMT), and the District Surveillance Office, Udupi, organized a series of community snakebite awareness programs in high-risk areas with previously reported snakebite fatalities. The outreach activities were conducted with the active involvement of EMT students and faculty, reinforcing the department's commitment to community-oriented emergency care. The programs were held at three locations: Siddapura Bus Stand and Primary Health Centre, Siddapura (22 Sep 2025, 03:00 to 05:00 PM); Primary Health Centre, Kaup (19 Sep 2025, 02:00 to 04:00 PM); and Government High School, Kemmannu (19 Sep 2025, 02:00 to 04:00 PM). These locations were strategically selected to maximize reach among vulnerable populations. The sessions targeted local villagers, autorickshaw drivers, school staff, healthcare workers, and the general public. Key focus areas included snakebite prevention strategies, identification of common local snake species, evidence-based first aid practices, and the importance of early hospital referral. Myths and harmful traditional practices were actively addressed, and participants were encouraged to seek timely medical care. This community engagement initiative aligns with SDG 3: Good Health and Well-being, by promoting prevention and early intervention to reduce snakebite-related morbidity and mortality, and SDG 4: Quality Education, through public health education. It also supports SDG 17: Partnerships for the Goals, highlighting effective collaboration between academic institutions, healthcare systems, and public health authorities.	19 Sep 2025
4	Alumni Lectures session	An Alumni Guest Lecture was organized by the Department of Emergency Medical Technology with Ms Lavanya, an alumnus of the program, as the	01 Dec 2025

		invited speaker. The session was conducted on the topic "Discover, Develop, and Deliver: Career Pathways in Emergency Medical Technology (EMT)", with the objective of guiding students on professional growth and career opportunities within the field. The lecture provided valuable insights into the diverse career pathways available for EMT graduates, including prehospital care, hospital-based emergency services, disaster management, academics, research, and emerging roles in public health and the healthcare system. Ms Lavanya shared her personal academic and professional journey, highlighting key competencies, skill development, and decision-making strategies essential for career advancement.	
Exercise and Sports Sciences			
1	Guest lecture -Helping Athletes Succeed: Essential Skills for Sport and Exercise Professionals	A guest lecture on Sports Psychology was organized featuring a talk from Dr David Tod, an eminent expert with over three decades of experience in the field, on 29 Sep 2025. The lecture provided a comprehensive overview of essential psychological skills and strategies that support athletes in achieving peak performance.	29 Sep 2025
2	Children's day	The Fun-O-Mania was planned to celebrate Children's Day for the students of an aided school, Nittur Higher Secondary School, Kalsanka. It was aimed to encourage and promote the importance of Physical Activity in young lives.	14 Nov 2025
3	Guest lecture -Optimizing Strength and Conditioning Through Wearable Tech and Data-Driven Periodization by Mr Tenzin Choejor Zongpa	Mr Tenzin Choejor Zongpa provided valuable insights into the strategic approach and methodology behind training young athletes, especially those under 19 years of age at the grassroots level. He discussed his experience working with athletes ranging from 10 to 20 years old and emphasized the unique challenges of developing talent at this foundational stage. Special attention was given to the importance of not just athlete training but also educating parents about the necessity of structured physical preparation and effective talent identification.	19 Nov 2025
Health Information Management			
1	Guest Lecture on Health Informatics: Building the Evidence Base	Dr Purkayastha delivered an insightful talk on "Health Informatics: Building the Evidence Base" to the students of the Department of Health Information Management. The session was attended by students from all batches of BSc and MSc HIM programs. His talk covered key aspects of building a strong evidence base in health informatics and effectively leveraging AI in HIM training. The session was highly engaging, and students actively participated by raising questions	09 Jan 2025

		and clarifying their doubts on various aspects of Health Informatics.	
2	HIM Week 2025 	Health Information Management (HIM) Week is a time to celebrate the vital role HIM professionals play in healthcare. This week is packed with exciting activities slogan writing, pick and speak, a fashion show, cooking, and cricket all highlighting the creativity, precision, and teamwork that define HIM. It's our way of honouring the people who keep healthcare organized, accurate, and efficient.	21 to 26 Apr 2025
3	Alumni Webinar titled "A Vision for Health Information Management in the 21st Century" 	Department of Health Information Management, MCHP and AHS, MTMC organized an Alumni Webinar titled "A Vision for Health Information Management in the 21st Century" on 25 Apr 2025. Coordinated by Mrs Dola Saha (MCHP) and Mrs Sonalika Singh (AHS, MTMC), the session featured Mr Nilanjan Bhor, Senior Specialist in HIS Implementation at India Health Action Trust and Expert Member at the HIM Council, NCAHP (MoHFW). Mr Bhor provided a comprehensive overview of the evolution of Health Information Management, tracing its progression from traditional paper-based records to modern Electronic Health Records (EHRs). He also addressed the transformation of HIM professionals' roles in the context of digital health, discussed various health data sources, and examined key challenges in India's fragmented healthcare system. The session concluded with an interactive Q&A segment, reinforcing the critical role of HIM in advancing healthcare delivery in the digital era.	25 Apr 2025
4	Symposium on Health Informatics and Data Analytics 	The Department of Health Information Management organized a one-day symposium featuring a series of expert sessions aimed at enhancing students' understanding of healthcare data analytics, workflow automation, interoperability, and evidence-based research. The event brought together faculty, students, and professionals from diverse disciplines to explore the evolving applications of Health Informatics in modern healthcare.	15 Oct 2025
5	IU-MAHE Pathway programs	The Department of Health Information Management, Manipal College of Health Professions (MCHP), MAHE, Manipal organized an academic session on the IU–MAHE Pathway Program in collaboration with Indiana University (IU) Indianapolis. The session aimed to familiarize students and faculty with international academic pathways, particularly in the domain of Health Informatics, and to highlight opportunities for credit transfer, higher education, and global exposure.	04 Nov 2025

Mr Saurav Das delivered an engaging talk on "Gemstone in Spectral Imaging in CT: A Radiographer's Perspective," sharing his expertise and insights with the attendees. The webinar was well-received, attracting a total of 155 participants, including department alumni, students, research scholars, and faculty members.	
4	Alumni Visit and Interaction 	Mr Srijesh Ram, currently working as a Medical Imaging Application Specialist in Esente Healthcare Pvt Ltd, Bengaluru, Karnataka, visited the Department of Medical Imaging Technology on 03 May 2025. Mr Srijesh Ram is an alumnus of the BSc MIT batch 2020 and interacted with the students, of the Department of Medical Imaging Technology, MCHP, MAHE from 11:30 AM to 12:30 PM in LH1. Mr Srijesh provided insights into potential career opportunities in the role of Application Specialist and collected the résumés of interested students for referring them for the upcoming job opportunities within his organization.	03 May 2025
5	Industry–Academia activities 	As part of the Industry–Academia activities, the Department of Medical Imaging Technology conducted an Internship Evaluation to assess the students' knowledge and skills in both theoretical and practical aspects of their training by using the GE HealthCare RadAspire Skill Assessment Tool on 09 Jun 2025. The results of the evaluation will be used to improve the clinical training program and to enhance students' learning outcomes.	09 Jun 2025
6	Alumni Webinar Lecture (Industry–Academia activities) 	Mr Purna Chander Reddy Nimma who secured his master's degree in Medical Imaging Technology from MCHP, MAHE, Udupi, Karnataka in the year 2011 and is currently working as Associate Manager Clinical Validation Sutherland Healthcare Limited. Mr Purna Chander Reddy Nimma delivered a talk on “Medical Device Design and Development Life Cycle in RandD”, sharing his expertise and insights with the attendees. The webinar was well-received, attracting a total of 121 participants, including department alumni, students, research scholars, and faculty members.	29 Aug 2025
7	Ultrasound Guest Lecture- (Industry–Academia activities) 	Ultrasound Guest Lecture by Mr Karthikeyan, General Manager, Ultrasound National Support, Erbis Engineering Co Ltd, Chennai, Tamil Nadu delivered a talk on Advancements in Ultrasound and AI- assisted Ultrasound advancements on 05 Nov 2025, 02:00 PM, in Smart Classroom, MMMC ground floor, MCHP, Manipal. The event was	05 Nov 2025

		attended by students, research scholars and faculty members from the Department of Medical Imaging Technology. Also, students from the Department of Cardiovascular Technology and the Department of Medical Radiation Therapy, MCHP, MAHE, Manipal. Mr Shailesh Nayak S, Assistant Professor, Department of Medical Imaging Technology, MCHP Manipal welcomed the speaker and proposed a vote of thanks. The total number of attendees was 204. The Guest lecture received good feedback from the participants and all of them expressed interest to attend similar session once again in the future.	
8	World Roentgen Day 2025 	The World Roentgen Day 2025 was organized by the Department of Medical Imaging Technology with the theme of "Empowering healthcare through imaging excellence" on 08 Nov 2025 at Sharada Hall, Ground floor, MCHP, Manipal. Chief Guest for the program was Dr G Arun Maiya, Dean of the Manipal College of Health Professions, MAHE, Manipal and Dr B Reshmi, and Dr John M Solomon, the Associate Deans of the Manipal College of Health Professions, MAHE, Manipal were also present. Also, Dr Rajagopal K V, Professor and Head, Department of Radiodiagnosis and Imaging, KMC, Manipal and Dr Prakashini K, Professor, Department of Radiodiagnosis and Imaging at KMC, Manipal, whom we truly acknowledge the continuous support to the Medical Imaging department for fostering a rich learning environment in clinical practice. Dr Rajagopal KV gave a brief talk on the significance of Roentgen's Day. Dr Poovitha Sruthi Paramashiva, Assistant Professor in the department of yoga, Centre for Integrative Medicine and Research, MAHE was a speaker to give a brief overview on integrative healthcare - "Making the invisible visible: How imaging technologies empower integrative healthcare" - a bridge bridging technology and healthcare. Dr Winniecia Dkhar, Associate Professor and Head of the Department gave a welcome address and overview of the program and Dr Nitika C. Panakkal, an Associate Professor, Department of Medical Imaging Technology was an event coordinator.	08 Nov 2025

The session helped students gain clarity on lens materials, replacement schedules, toric and multifocal lens designs, and the clinical considerations for patient selection	
Perfusion Technology			
1	RAPCON 	The Department of Renal Replacement Therapy, Anaesthesia and operation theatre technology and Perfusion Technology together organized a National Collaboration Conference "RAPCON 2025". The academic sessions featured a series of expert talks focusing on key aspects of patient safety, including team work, adherence to clinical protocols and the integration of emerging technologies in clinical settings.	22 Mar 2025
2	Webinar 	The Perfusion Technology Program at MCHP, MAHE, conducted a guest lecture webinar From Arrest to Assist: Myocardial Protection and ECMO in Modern Practice. The resources for the talk were Ms Grace Evangeline, Clinical Perfusionist, Sparsh Hospitals and Mr Manideepak Yadav Clinical Perfusionist, Sparsh Hospitals. The webinar provided an overview of myocardial protection strategies during cardiac surgery. The speakers explained the principles and clinical applications of ECMO (Extracorporeal Membrane Oxygenation) in modern cardiac practice. Practical insights were shared from their experiences at Sparsh Hospitals, making the session highly relevant for perfusion students and professionals. The interactive discussion helped clarify common doubts and provided exposure to real-world challenges and solutions in the field.	09 Aug 2025
3	Webinar 	Perfusion Technology Program, MCHP, MAHE, conducted a guest lecture webinar on the occasion of World Heart Day, topic “Advances in Organ Preservation Techniques: Role of the Perfusionist”. The resource person for the talk was Mr S Madhan Kumar, Lecturer, Malla Reddy University.	30 Sep 2025
Physician Assistant Practice			
1	National Physician Assistant Day	Celebrating National Physician Assistant Day by honoring healthcare professionals who advance accessible, equitable care and community well-being.	11 Oct 2025

Physiotherapy

1	Adjunct Faculty Lecture	An adjunct faculty lecture on "Culture and Disability" by Dr Suresh Kumar Kamalakannan, Adjunct faculty, Department of Physiotherapy and Associate Professor, Northumbria University, Newcastle, UK was held on 05 Feb 2025. The lecture was attended by VIII semester BPT Disability and Health elective students.	05 Feb 2025
2	Workshop on "Advances in Physiotherapy Skills and Practice"	Department of PT in association with Centre for Podiatry and Diabetic foot care and Research conducted 2 days' Workshop on "Advances in Physiotherapy Skills and Practice" on 24 and 25 Feb 2025 at Smart Classroom, Ground floor, Tower 1, MCHP. The workshop provided participants with updated knowledge, hands-on exposure, and evidence-based approaches to contemporary physiotherapy practice, thereby strengthening professional competencies and improving patient care outcomes.	24 and 25 Feb 2025
3	World Cancer Day Poster presentation	On the occasion of World Cancer day, a poster presentation was held on 01 Mar 2025 at PG lab, II floor, Department of Physiotherapy, MCHP. VIII semester BPT Cancer elective students and II semester MPT Oncology students presented posters related to awareness on cancer.	01 Mar 2025
4	Adjunct faculty lecture	An adjunct faculty lecture on "Strategies and techniques to improve motor recovery" by Dr Kanika Bansal, Assistant Professor, Department of Physical Therapy, University of Mount Union, Alliance, Ohio, USA was held on 13 Mar 2025 from 06:30 PM onwards via MS Teams The lecture was attended by	13 Mar 2025

Sl No	Activity	Particulars	Date(s)
		VI semester BPT Neuro elective students and MPT in Neurosciences.	
5	Adjunct Faculty Lecture 	An adjunct faculty lecture on "Brain injury recovery mechanism and Brain plasticity" by Dr Chitra L K Balasubramanian, Adjunct faculty Department of Physiotherapy and Associate Professor, Brooks College of Health, University of North Florida was held on 20 Mar 2025 at PG Lab, II floor, MCHP. The lecture was attended by VI semester BPT Neuro elective students.	20 Mar 2025
6	Adjunct Faculty Lecture 	An adjunct faculty lecture on "Disordered motor control" by Dr Sandeep Subramanian, Adjunct faculty, Department of Physiotherapy and Associate Professor, Physical Therapy Department, The School of Health Professions, UT Health San Antonio, Texas, USA was held on 25 and 26 Mar 2025. The lecture was attended by VI semester BPT Neuro elective students.	25 and 26 Mar 2025
7	Adjunct Faculty Lecture 	A session on “Physical Activity Guidelines for Clinical Practice” was conducted on 14 Jul 2025 for BPT and EASS students by Dr Ashokan Arumugam, Associate Professor, Department of Physiotherapy, College of Health Sciences, University of Sharjah, UAE, and Adjunct Faculty, Department of Physiotherapy, MCHP. The session provided students with evidence-based guidance on prescribing physical activity, emphasizing its role in prevention, rehabilitation, and overall health promotion across clinical populations.	14 Jul 2025
8	Adjunct Faculty Interactive Session 	An interactive session with BPT interns and Dr Joanne Watson, Adjunct faculty (MCHP, MAHE), Associate Head of School (International), Senior Lecturer in Disability and Inclusion, School of Health and Social Development, Faculty of Health, Deakin University was held on 26 Aug 2025. The session provided interns with insights into disability, inclusion, and best practices in healthcare, fostering professional development and awareness of inclusive approaches in physiotherapy practice.	26 Aug 2025

Sl No	Activity	Particulars	Date(s)
9	World Physiotherapy Day 2025 	On 06 Sep 2025, the Department of Physiotherapy, MCHP, celebrated World Physiotherapy Day with a special focus on the theme of Healthy Aging. The event took place at the Dr TMA Pai Auditorium, III floor, KMC, Manipal, and brought together students, faculty, and healthcare professionals to raise awareness about the critical role physiotherapy plays in promoting mobility, independence, and overall well-being for older adults. As part of the celebrations, a series of exciting and engaging events were held, including the Physio-Theatre Competition, E-Poster Competition, Quiz, and Reels Making. These activities offered a creative platform for students to showcase their knowledge and raise awareness about the importance of physiotherapy in healthy aging.	06 Sep 2025
10	Physiotherapy MCHP Global Alumni webinar 	As part of the Physiotherapy MCHP Global Alumni Webinar Series, the Department of Physiotherapy, MCHP organized a webinar on “Physiotherapy Practice in India – Current Scenario, Challenges and Future Directions” by Dr Pranav Kumar (BPT 1999), Clinical Entrepreneur, on 10 Sep 2025 at 04:00 PM via MS Teams The webinar offered insights into the evolving landscape of physiotherapy in India, addressing current practices, emerging challenges, and potential future opportunities for professionals in clinical and entrepreneurial settings.	10 Sep 2025
11	Hands-on training in "Advancing Stroke Recovery: National Workshop on Motor Rehabilitation" 	On the occasion of World Stroke Day 2025, the Centre for Comprehensive Stroke Rehabilitation and Research (CCSRR) and the Department of Physiotherapy, MCHP, jointly organized a hands-on training Program titled “Advancing Stroke Recovery: National Workshop on Motor Rehabilitation” on 30 and 31 Oct 2025 at Sharada Hall, Ground Floor, MCHP. The workshop featured resource persons who were all alumni of the Department of Physiotherapy and was attended by 64 delegates.	30 and to 31 Oct 2025
12	Webinar on “Interdisciplinary Family-Centred Care: A Best Practice Approach for Childhood Development”	Centre for Rehabilitation of children with Developmental Disabilities and Department of Physiotherapy, MCHP, MAHE, Manipal jointly organized a webinar on “Interdisciplinary Family-Centred Care: A Best Practice Approach for Childhood Development” by Dr Marie Brien, Adjunct	06 Nov 2025

Books/chapters authored by faculty members

Sl. No	Name of the Book	Chapter(s) name (if authored, chapters only)	Faculty members	Publisher	Date
Clinical Psychology					
1	Futuristic Trends in Social Sciences	Frontline Workers' Encounters with Covid-19: With Special Reference To Healthcare Workers, Police Personnel And Sanitation Workers	Dr Navyashree G C	IIP Series	31 Dec 2025
2	Futuristic Trends in Social Sciences	Queer, Old, and Proud: Psychological Well-Being of Lgb Individuals In Late Adulthood	Dr Deepa M Rasquinha	IIP Series	31 Dec 2025
3	Futuristic Trends in Social Sciences	Rehabilitation Revolution: Integrating Clinical and Positive Psychology for Criminal Reformation	Dr Deepa M Rasquinha	IIP Series	31 Dec 2025
4	Post-Traumatic Growth in Indian Context	Shining Through the Darkness: Understanding the Post Traumatic Growth in Indian Context	Dr Shwetha T S	Vridhhi	31 Dec 2025
5	Recent Research Trends in Psychology	Postraumatic Growth: Another Perspective to Psycho Traumatology	Dr Sweta Kulkarni	Integrated Publications	31 Dec 2025

Sl. No	Name of the Book	Chapter(s) name (if authored, chapters only)	Faculty members	Publisher	Date
6	Research Methodologies and Practical Applications in Psychoneuroim-munology	"Psychoneuroimmunology in the Paediatric Population"	Dr Anupama Vijayaraghavan	IGI Global Scientific Publishing	31 Dec 2025
Medical Imaging Technology					
1	Radiodiagnosis in the Era of AI	AI Enhanced Image Analysis and Interpretation (pages 69-100)	Dr Saikiran Pendem, Mr Abhijith S, Ms Tancia Pires, Mr Obhuli Chandran M, Dr Priyanka	IGI Global	17 Jul 2025
Occupational Therapy					
1	Occupational Therapy Practice in Mental health: Models, conditions, intervetions and Recovery	Group Theory and Group Interventions in Occupational Therapy Practice	Mrs Shalini Quadros	Bentham Books in-print	02 Oct 2025
Physiotherapy					
1	Urogynaecology: Foundation and Surgical Practice (ISBN: 9788131271032)	Pelvic floor assessment and training	Dr Preetha R	Elsevier	22 Dec 2025
Speech and Hearing					
1	The Oxford Handbook of of Dravidian Languages	Morphosyntactic Markers of SLI in Kannada	Dr Shivani Tiwari	Oxford University Publishers	23 Jan 2025

Details of Research Grants

Sl No	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)	Date(s)
Administration					
1	Bridging Emotional Distress and Community Support: A Mobile Solution For Suicide Prevention	Dr Vennila J	ICSSR, New Delhi	600,000	25 Sep 2025 to 24 Sep 2026
Clinical Nutrition and Dietetics					
1	Effect of high dietary fiber intake on insulin resistance, body composition and weight, among overweight or obese middle-aged women	Mrs Suvarna Hebbar	ICMR, New Delhi	1,146,457	24 Aug 2023 to 23 Aug 2026
Nuclear Medicine					
1	Targetting endoplasmic reticulum-mitochondrial interplay for possible anticancer therapeutic outcome in bresat cancer	Dr Sanjay Bharati	ICMR	1,688,376	09 Feb 2025 to 08 Feb 2026

Sl No	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)	Date(s)
Occupational Therapy					
1	The Impact of a mobile-based fall education on fall risk factors in older adults	Dr Sebestina Anita D'Souza	ICMR, New Delhi	577,404	15 Oct 2021 to 24 Sep 2025
2	Relationship Between Sensory Modulation and Occupational Participation In Individuals with Schizophrenia	Dr Shalini Quadros	DST, New Delhi	27,250	03 Apr 2024 to 03 Mar 2028
Optometry					
1	Mobile vision enhancement and rehabilitation unit Vision on Wheels, Drishti Chakra	Dr Krithica S	Manipal Foundation	9,448,638	31 Mar 2025
Physiotherapy					
1	The efficacy of a home based exercise intervention to improve balance and quality of life among community dwelling older adults in Coastal Karnataka	Dr Vaishali K	ICMR	1,369,387	25 Sep 2023 to 24 Sep 2027
2	FLOW mediated vasodialation and endothelial function response to heart failure rehabilitation (FlowRehab study)	Dr Abraham Samuel Babu	ANRF	4,617,560	31 Jul 2024 to 30 Jul 2027
3	Short term effect of oxygenated nanobubbles infused drinks vs placebo drinks on performance and fatigue in endurance runners: Pre-post design	Dr G Arun Maiya	IOTA Nanotechnology Pvt Ltd	1,153,000	01 Aug 2024 to 31 Jul 2027
4	Clinical Validation of a Novel Head and Trunk Control Rehabilitation (HATCORE) Device for Children with Cerebral Palsy	Ms Shrist Shakya	Society of Indian Physiotherapists, New Delhi	10,000	07 Nov 2024 to 07 Oct 2025
5	Empowering the Youth of Coastal Karnataka: Assessing Risk Factors and Implementing an Integrated Multi-component Health Promotion Intervention (IMHP)	Dr Vaishali K	ICMR	9,587,224	15 Jan 2025 to 14 Jan 2028
6	Amputation Prevention Program for People with Type-2 Diabetes	Dr G Arun Maiya	CSR Project governed between RailTel Corporation of India Limited (CIN L64202DL2000GOI107905) and Manipal Academy of	734,819	01 Feb 2025 to 31 Jan 2026

Sl No	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)	Date(s)
			Higher Education (MAHE), Manipal.		
7	Effect of i-Coll- collagen particles on wound healing dynamics of chronic leg ulcers	Dr G Arun Maiya	Iwound Global Pvt Ltd	548,050	01 Feb 2025 to 31 Jan 2027
8	HOMER: Home-based robot-assisted upper limb training for stroke in India	Dr John Solomon M	ICMR	1,803,096	25 Feb 2025 to 24 Feb 2028
9	Effectiveness of an Intensive, Functional Gamified Rehabilitation in Improving Sensory-Motor and Cognitive Function Following Chronic Stroke: A Multicenter Randomized Clinical Tria	Dr Senthil Kumaran D	ICMR	2,662,512	01 Mar 2025 to 28 Feb 2028
10	World Physiotheraphy Congress 2025, Japan, held in Tokey, Japan	Mr Prabal Kumar	SERB, New Delhi	120,445	29 to 31 May 2025
Renal Replacement Therapy and Dialysis Technology					
1	Comparison between objective and clinical methods to measure dry wright in the management of blood pressure and hydration ststus in hemodialysis patients: A Randomized Controlled Trial"	Mr Ajith M Nayak	ICMR, New Delhi	402,336	25 Jan 2024 to 24 Jan 2027
Respiratory Therapy					
1	Driving Pressure in ARDS	Dr Pratibha Todur	ICMR	94,621	01 Oct 2021 to 25 Sep 2025
2	Development of screening tool to identify fatal hyperinflammatory subphenotype -2 of acute respiratory distress syndrome with point of care ultrasound, ventilator mechanical power and blood cell count	Co-Investigator: Dr Pratibha Todur	ICMR	1,600,000	30 Apr 2023 to 15 Feb 2025
Speech and Hearing					
1	Linguistic Biomakers in individual with Unipolar Depression, Bipolar Depression and Schizophrenia	Dr Sunila John	DST, New Delhi	269,830	06 Jul 2023 to 05 Jul 2026
2	Translation and Validation of Internet Based Congnitive Behavioural Therapy (Icbt) for Tinnitus in Tamil Nadu	Dr Hari Prakash P	ICMR, New Delhi	1,212,394	15 Jul 2023 to 14 Jul 2026

Sl No	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)	Date(s)
3	Exploring the cortical dynamic underlying age-related hearing loss on listening effort, cognition and efficacy of neurofeedback in cortical retraining	Dr Hari Prakash P	DST, New Delhi	33,790	09 Aug 2023 to 09 Jul 2026
4	Validation of eye gaze screening protocol for early identification of autism	Dr Shivani Tiwari	ICMR, New Delhi	355,314	01 Feb 2024 to 31 Jan 2027
5	Development and archiving of a Digitized Corpus of Child Spoken Samples in Kannada Language	Dr Shivani Tiwari	ICSSR, New Delhi	320,000	15 Feb 2024 to 14 Feb 2026
6	In Dyslexia Care: AI-based Assistive Technology for Dyslexic children in Indic Languages	Dr Venkataraja Aithal U	IIT, Mandi I Hub and Hci Foundation	5,738,600	06 Feb 2025 to 05 Feb 2027

Patent details

Details of Patent Filed

Sl No	Name	Date
1	A customizable Hospital Information System Integrated Electronic Diabetes Diary	30 Jan 2025
2	A Mobility Assistance System and Method for Transportation of Mobility Devices on Retrofit Scooters	09 Mar 2025
3	A System and Method for Evaluating and Training Manual Dexterity among Older Adults	14 Mar 2025
4	PRadio Wipe Gel	21 Mar 2025
5	Electric Powered-Height Adjustable Wheelchair for Assisting Disabled Users and Method Thereof	24 Mar 2025
6	Development and Validation of Survey Questionnaire to assess the kap on Antimicrobial use and resistance among medical and non-medical students in a University	30 May 2025
7	A System and Method for Electronic Diabetes Management	09 Jul 2025
8	A Customizable Diabetes Information Management System and a Method for Enabling Thereof	09 Jul 2025
9	System and Method for Assisting and Monitoring of Rehabilitation Exercises	08 Aug 2025
10	Development of V R Model of Pediatric Airway	24 Oct 2025
11	A Paediatric Physiotherapy Simulation Device for Student and Parent Training and Method Thereof	04 Nov 2025
12	A System and Method for Magnetic Resonance Imaging Using an Open-Face Coil	10 Nov 2025
13	A Device and Method for Dynamic Health Analysis and Real-Time Activity Tracking	04 Dec 2025

Details of Patent Granted

Sl No	Name	Date
1	A Method and Composition for Preparing a Radioactive Decontamination Gel	21 Mar 2025
2	System Method and Device for Treatment and Management of Diabetic Peripheral Neuropathy	26 Mar 2025
3	A Gait Trainer for Pediatric Movement Disorders	22 Apr 2025
4	A System and Method for Automated Home Exercise Assistance with Real-Time Monitoring and Feedback	02 May 2025
5	A System and Method for Employment Matching of a Patient with Mental Illness	02 May 2025
6	A Composite Material for Radiation Shielding and a Method for Preparing the Composite Material	07 May 2025
7	A System for Measuring and Training Upright Posture	30 May 2025

Awards/Recognitions
Institution (including 'The Best Teacher Award' for the year)

Sl No	Name	Details	Date
Clinical Psychology			
1	Ms Anagha Deshmukh	3rd Prize Best Paper Award in Scientific Paper Presentation at Manipal Quest 20 held on 21 Sep 2025	21 Sep 2025
2	Ms Anagha Deshmukh	Best Paper Award Scientific Paper Presentation in International Annual Conference CPSI	06 Nov 2025

Faculty Members

Sl No	Name	Details	Date
Cardiovascular Technology			
1	Dr Jyothi	Invited as a Judge and Speaker at HEARTSCAPE'25, Aa national level conference, organized by Yenepoya University, Mnagalore	11 Jan 2025
2	Dr Sridevi	Presented a clinical case paper titled "Giant Metastatic Sarcoma in the left heart-A case report" during ECHO Karnataka 2025, the 20th State Annual conference held at Bengaluru	09 Mar 2025
3	Ms M Swathi Poojary	Presented a clinical case paper titled "Vegetation involving many valves" report during ECHO Karnataka 2025, the 20th State Annual conference held at Bengaluru	09 Mar 2025

Sl No	Name	Details	Date
4	Dr Krishnananda Nayak	Presented a clinical case paper titled "Obstructive TAPCV" during ECHO Karnataka 2025, the 20th State Annual conference held at Bengaluru	09 Mar 2025
5	Dr Krishnananda Nayak	Invited as a resource person in the Clinical Competency development program organized by the Corporate Relations, MAHE, in association with KMC, Manipal	20 Mar 2025
6	Dr Umesh Pai M	Invited as a resource person in the Clinical Competency development program organized by the Corporate Relations, MAHE, in association with KMC, Manipal	20 Mar 2025
7	Dr Jyothi	Invited as a resource person in the Clinical Competency development program organized by the Corporate Relations, MAHE, in association with KMC, Manipal	30 May 2025
8	Dr Jyothi	Invited Speaker for Career talks in Allied Healthcare Professions on the topic "Cardiac Care Technology" organized by the School of Allied and Healthcare Professions, R V University, Bengaluru	30 Jul 2025
9	Dr Sridevi	Invited as Expert Speaker for "Basic Life Support Session" for Students Immersion Program held at WGSHA, MAHE, Manipal	05 Aug 2025
10	Dr Jyothi	Invited Speaker for Career guidance: "Future in Focus" organized by Employment and Placement Cell in association with Unit of Cardiovascular Technology, Yenepoya University, Mangalore	19 Aug 2025
11	Dr Jyothi	Invited as a resource person in the Community Awareness Program organized by Anaesthesia and Operation Theatre Technology program, Manipal College of Health Professions, MAHE, Manipal, in collaboration with SDM Yoga and Nature Cure Hospital, held in Sowkyavana, Pareeka	09 Sep 2025
12	Ms M Swathi Poojary	Presented a paper titled "Early Detection of Subclinical Left Ventricular Dysfunction in Chronic Liver Disease Patients using Four-Dimensional Auto Left Ventricular Quantification- A Cohort study at ECHO-INDIA 2025, the	18 Sep 2025

Sl No	Name	Details	Date
		Annual Conference of Indian Academy of Echocardiography, held at "Le Meridien", Kochi, Kerala	
13	Ms Nisha Kotian	Presented a clinical case paper titled "Unmasking Intracardiac Masses in a Metastatic Lung Cancer Patient: The Critical Role of Transesophageal Echocardiography" at ECHO-INDIA 2025, the Annual Conference of the Indian Academy of Echocardiography, held at "Le Meridien", Kochi, Kerala	18 Sep 2025
14	Ms Shubha	Presented a clinical case paper titled "Endomyocardial Fibrosis: A Rare Restrictive Cardiomyopathy Unveiled by Echocardiography" at ECHO-INDIA 2025, the Annual Conference of the Indian Academy of Echocardiography, held at "Le Meridien", Kochi, Kerala	18 Sep 2025
15	Ms Reshma	Presented a paper titled "Association of Right ventricular free wall strain with the mortality in people with multiple organ dysfunction syndrome" at ECHO-INDIA 2025, the Annual Conference of the Indian Academy of Echocardiography, held at "Le Meridien", Kochi, Kerala	18 Sep 2025
16	Dr Jyothi	Invited as a resource person in the Manipal Quest 2.0- MAHE Inter Health Sciences National Postgraduate Research Conference, organized by Kasturba Hospital, Manipal	20 Sep 2025
17	Dr Krishnananda Nayak	Invited as Faculty Speaker in the Echo International Conference, organized by the American Society of Echocardiography Foundation and the Indian Academy of Echocardiography at Bengaluru	22 Sep 2025
18	Dr Jyothi	Invited speaker for a Career in the field of Cardiovascular Technology on the occasion of WORLD HEART DAY CELEBRATION - 2025, organized by Sikkim Manipal Institute of Medical Sciences, Sikkim Manipal University.	26 Sep 2025
19	Ms M Swathi Poojary	Presented a paper (Original article) titled "Evaluation of Cardiac Function in Patients with Chronic Liver Disease" at the 16th Manipal Cardiology Update 2025, organized by the Department of Cardiology, Kasturba Medical College, Manipal, and the Department of CVT. MCHP, MAHE, Manipal in association with IAE, Karnataka.	16 Nov 2025

Sl No	Name	Details	Date
Clinical Nutrition and Dietetics			
1	Mrs Suvarna Hebbar	Best Oral Presentation Award at 17th Apollo International Clinical Nutrition Update (AICNU 2025) at Visakhapatnam	03 Aug 2025
Clinical Psychology			
1	Dr Shwetha T S	Has chaired A session in the 5-day International Conference on Therapeutic Philosophy in Global Perspectives (TPGP)	13 Jan 2025
2	Dr Shwetha T S	Participation in the 16th Biennial Conference of the Asian Association of Social Psychology held on 10 to 12 Jul 2025 at Monash University, Malaysia	10 Jul 2025
3	Ms Anagha Deshmukh	Best Paper Award, Scientific Paper Presentation in the International Annual Conference CPSI	21 Sep 2025
4	Ms Anagha Deshmukh	3rd Prize Best Paper Award in Scientific Paper Presentation at Manipal Quest 20 held on 21 Sep 2025	21 Sep 2025
Health Information Management			
1	Dr Sabu K M	Appointed as the President of the Health Information Management and Health Informatics, Professional Council under NCAHP, MoHFW, Government of India	02 Sep 2025
2	Dr B Reshmi	Global Top 2 % Highly Cited Scholars 2024	19 Sep 2025
Medical Imaging Technology			
1	Mr Visakh T	Invited as Guest Speaker and delivered a talk on the "Role of Medical Imaging in Kidney Health Assessment" as part of the Student Development Program organized by the Renal Replacement Therapy and Dialysis Technology, MCHP, Manipal. The session aimed to educate participants on the significance of medical imaging in kidney health assessment and hemodialysis vascular access management, with a focus on modern imaging techniques, their applications, and clinical implications for enhancing patient outcomes.	25 Feb 2025
2	Dr Nitika C Panakkal	Presented an oral poster on the topic “Optimizing contrast volume based on body mass index in low tube voltage CT of abdomen and pelvis” which was among the top-rated poster and given opportunity to present it live onsite in Vienna on the EPOS™ on the GO stages in the European Congress of Radiology (ECR) 2025- Planet Radiology, organized by the European Society of Radiology from 26 Feb to 02 Mar 2025 in Vienna International Centre, Vienna, Austria.	26 Feb 2025
3	Mr Kaushik Nayak	Invited as Guest Speaker for Webinar Series Acharya Rad-Connect 2025 and delivered a talk on the "Low Dose CT: Strategies for Optimizing Image Quality and Safety" organized by the Department of Medical Imaging Technology, Acharya Institute of Allied Health Sciences, Bengaluru, in association with the Indian College of Radiological Technology (ICRT).	13 Mar 2025

Sl No	Name	Details	Date
4	Mr Sharath S	Invited as Guest Speaker for Webinar Series Acharya Rad-Connect 2025 and delivered a talk on the "Elastography in Liver Disease: The Non-Invasive Alternative Biopsy" organized by the Department of Medical Imaging Technology, Acharya Institute of Allied Health Sciences, Bengaluru, in association with the Indian College of Radiological Technology (ICRT).	18 Mar 2025
5	Dr Abhimanyu Pradhan	invited as Guest Speaker for Webinar Series Acharya Rad-Connect 2025 and delivered a talk on the "Ethical and Legal Aspects of Radiation Exposure in Imaging," organized by the Department of Medical Imaging Technology, Acharya Institute of Allied Health Sciences, Bengaluru, in association with the Indian College of Radiological Technology (ICRT)	22 Mar 2025
6	Mr Sharath S	Secured THIRD prize in the MAHE Inter collegiate staff Javelin Throw competition held at MIT, Manipal.	23 Mar 2025
7	Dr Suresh Sukumar	Appointed as a member of the Medical Radiology, Imaging, and Therapeutic Technology Professional Council under the National Commission for Allied and Healthcare Professions	26 Mar 2025
8	Ms Raksha	Delivered a talk on "Energy Efficiency in Imaging Equipment" in Muller Rad 2025-CME on Green Practices in Radiology, organized by the Department of Medical Imaging Technology and the Department of Radio-Diagnosis and Imaging, Father Muller College of Allied Health Sciences, Mangalore.	30 Mar 2025
9	Dr Winniecia Dkhar	Served as an Evaluator in the Health Sciences during the Manipal Research Colloquium 2025, Manipal	28 Apr 2025
10	Dr Winniecia Dkhar	Invited as a judge at MIT Research Conclave 2025	30 Jul 2025
11	Dr Abhimanyu Pradhan	Invited as a judge at MIT Research Conclave 2025	30 Jul 2025
12	Dr Winniecia Dkhar	Invited as a Panelist in the HealthPro Conclave 2025	02 Aug 2025

Sl No	Name	Details	Date
13	Dr Winniecia Dkhar	External member of the Board of Studies for Sikkim Manipal Institute of Medical Sciences, Sikkim Manipal University	10 Sep 2025
14	Dr Suresh Sukumar	Presented a paper titled "Advanced Research on Lifestyle-Associated Health Risks through Medical Imaging" at the National Conference of ISRT, held at Chandragiri on 18 and 19 Sep 2025. During the conference, Dr Suresh Sukumar was felicitated on his appointment as a National Council Member for Radiology and Imaging Technology, recognizing his contributions to the field. Additionally, he had the opportunity to be a panelist in a discussion session, where key topics related to advancements and challenges in radiology and imaging education and practice were deliberated	18 Sep 2025
15	Dr Saikiran P	Presented a paper titled "Investigating the Performance Measures of MRI Based Radiomics Models in Temporal Lobe Epilepsy" in the Malaysian Congress of Radiology (MCOR 2025), organized by the College of Radiology (part of the Academy of Medicine of Malaysia) and the Malaysian Society of Radiologists (MYRAD) at Sunway City, Malaysia, from 19 to 21 Sep 2025	19 Sep 2025
16	Dr Priyanka	Presented a paper titled "Evaluating Performance of MRI-Based Radiomic Models for Differentiating Parkinson's Disease and Progressive Supranuclear Palsy" in the Malaysian Congress of Radiology (MCOR 2025), organized by the College of Radiology (part of the Academy of Medicine of Malaysia) and the Malaysian Society of Radiologists (MYRAD) at Sunway City, Malaysiafrom 19 to 21 Sep 2025	19 Sep 2025
17	Ms Raksha	Presented a scientific poster on the topic "Quantitative Ct Assessment of Residual Pulmonary Function and Structural Alterations In Post Covid-19 Survivors" at the 23rd National Conference of Society of Indian Radiographers- IMAGINE 2025 Conference, Organized by the Department of Radiodiagnosis and Imaging, Kasturba Medical College, Mangalore in association with the Society of Indian Radiographers, the Karnataka Medical Radiographers and Allied Technologists Association, and the Karnataka State Government Radiology Imaging Officers Central Association held at Mangalore.	31 Oct 2025
18	Dr Abhimanyu Pradhan	Presented a scientific poster presentation on the topic "Optimization of Bolus-Tracking Thresholds in cerebral CT Angiography: Impact of patient factors on contrast enhancement and radiation dose" at the 23rd National Conference of Society of Indian Radiographers- IMAGINE 2025 Conference, Organized by the Department of	31 Oct 2025

25	Dr Winniecia Dkhar	Delivered a keynote lecture on "Neuroimaging in MRI" at the 23rd National Conference of Society of Indian Radiographers- IMAGINE 2025 Conference, organized by the Department of Radiodiagnosis and Imaging, Kasturba Medical College, Mangalore in association with the Society of Indian Radiographers, the Karnataka Medical Radiographers and Allied Technologists Association, and the Karnataka State Government Radiology Imaging Officers Central Association held at Mangalore.	31 Oct 2025
Medical Laboratory Technology			
1	Dr Saritha Kamath U	Presented a poster at Skill Development in Healthcare: A Pillar of India's Self -Reliant Vision" held on 04 Mar 2025 at Bhopal, Madhya Pradesh, and has secured 2nd prize.	04 Mar 2025
2	Dr Asha Patil	Presented a poster at Skill Development in Healthcare: A Pillar of India's Self -Reliant Vision" held on 04 Mar 2025 at Bhopal, Madhya Pradesh and has secured 1st prize	04 Mar 2025
3	Dr Kalaivani	Presented at Decon 2025 held on 02 and 03 Aug 2025 at Coimbatore and has secured best paper award	02 Aug 2025
Nuclear Medicine			
1	Dr Shivanand Bhushan	Certificate of recognition as a Founder member of NMPAI	16 Feb 2025
2	Dr Shivanand Bhushan	Winner Best Presentation Award ATOM SYMPO 3.0	02 Mar 2025
3	Dr Shivanand Bhushan	Innovators of the Year Finalist Award	10 Nov 2025

Sl No	Name	Details	Date
4	Dr Sanjay Bharati	Has received the Distinguished Alumni Award at Panjab University	30 Nov 2025
5	Dr Shivanand Bhushan	Appreciation for Patent	05 Dec 2025
Occupational Therapy			
1	Dr Sebestina Anita Dsouza	Won a most enthusiastic faculty award at the 62nd annual national conference of occupational therapists (OTICON) by All India Occupational Therapists Association (AIOTA) was held in Goa from 21 to 23 Feb 2025	23 Feb 2025
2	Mr Pramod Lambor	3rd position is paper presentation at the 11th annual national conference of AIAMSWP held at AIIMS Jodhpur on 31 Oct and 01 Nov 2025	01 Nov 2025
Optometry			
1	Dr Krithica S	Dr Krithica S received NORA 2025 Travel Grant Award	18 Sep 2025
2	Dr Nagarajan T	Dr Nagarajan T received 1st prize in the Oral presentation in ASCON Conference	02 Nov 2025
Physiotherapy			
1	Dr Kavitha Vishal	Dr Kavitha Vishal, Assistant Professor- Selection Grade, Department of Physiotherapy, MCHP, delivered a talk on "Integrating shoulder girdle and breath" as a part of the focused symposium with the theme "Breath and motion" the 9th Annual Conference of Society of Indian Physiotherapists, held from 10 to 12 Jan, 2025 at Hotel Sayaji, Vadodara, Gujarat, India. She had shared the stage with co-presenters Dr Shambovi Mitra, Dr Sudhir Bhatbolan, and Dr Shweta Bhatbolan	10 Jan 2025
2	Mrs Anupama Prabhu B	Mrs Anupama Prabhu B, Assistant Professor- Selection Grade, Department of Physiotherapy, MCHP, MAHE, Manipal, has been appointed as the Editorial Board Member of Pain Management Journal	10 Jan 2025
3	Dr Mukesh Kumar Sinha	Dr Mukesh Kumar Sinha, Assistant Professor- Selection Grade, Department of Physiotherapy, MCHP was invited as a speaker for the session titled “Igniting Passion for Physical	17 Jan 2025

Sl No	Name	Details	Date
		Activity Across Generations: Empowered Through Movement" at the National Conference on Allied Health Sciences 2025 organized by Karnataka Allied and Healthcare Professionals Association (KAPHA) on 17 and 18 Jan 2025 at S- Vyasa University, Kengeri Campus, Bengaluru. He also chaired a scientific session at the conference	
4	Mr Anup Bhat 	Mr Anup Bhat, Assistant Professor- Selection Grade, Department of Physiotherapy, MCHP, was appointed as the Editorial Board Member for a reputed journal on Cardiopulmonary rehabilitation titled "Journal of Cardiopulmonary Rehabilitation and Prevention (JCRP)", a journal of American Association of Cardiovascular and Pulmonary Rehabilitation (AACVPR)	23 Jan 2025
5	Dr Prateek Srivastav	Dr Prateek Srivastav, Assistant Professor- Selection Grade, Department of Physiotherapy, MCHP, was appointed as an Academic Editor of the PLOS ONE journal.	05 Feb 2025
6	Dr John Solomon M	Dr John Solomon M, Associate Dean, MCHP and Professor, Department of Physiotherapy, MCHP, MAHE, Manipal was appointed as the Editorial board member of the Disability and Rehabilitation journal.	17 Mar 2025
7	Dr Prateek Srivastav	Dr Prateek Srivastav, Assistant Professor- Selection Grade, Department of Physiotherapy, MCHP was invited to chair the scientific sessions and judge the poster competitions for KONVERGE 2025, the First National Conference on Physiotherapy, Physical Education, and Sports Sciences, hosted by JAIN University, Bengaluru on 20 and 21 Mar 2025.	20 Mar 2025
8	Dr Abraham Samuel Babu	Dr Abraham Samuel Babu, Additional Professor, Department of Physiotherapy, MCHP, was appointed as a member of the Writing Panel for the World Heart Federation's Roadmap on Cardiac Rehabilitation.	27 Mar 2025
9	Dr Vaishali K	At the International Physiotherapy Conference (KARNATAKA PHYSIOCON 2025) held on 25 and 26 Apr 2025 at Palace Ground, Bengaluru, Dr Vaishali K, Professor, Department of Physiotherapy, MCHP: *Presented a paper on "Understanding Parental Perspectives on Adolescent Physical Activity in Coastal Karnataka: A Qualitative Study". *Chaired a scientific session, contributing to academic leadership and knowledge sharing among physiotherapy professionals	25 Apr 2025

10	Dr Radhika Aditya Jadhav 	Dr Radhika Aditya Jadhav, Assistant Professor, Department of Physiotherapy, MCHP, was appointed as the editorial committee member of • Springer Nature's BMC Sports Science, Medicine, and Rehabilitation Journal • Journal of Diabetes Research • BioMed Research International	08 May 2025
11	Dr G Arun Maiya	Dr G Arun Maiya, Dean, MCHP; Professor, Department of Physiotherapy; and Chief, Centre for Podiatry and Diabetic Foot Care and Research, was appointed as: • a Member of the Board of Studies in Allied Health Sciences, Shri Dharmasthala Manjunatheshwara University, Dharwad; and • a Member of the Board of Studies in Physiotherapy, Shri Dharmasthala Manjunatheshwara University, Dharwad	14 May 2025
12	Dr Apoorva Malavalli Shankaranarayana	Dr Apoorva Malavalli Shankaranarayana, Assistant Professor, Department of Physiotherapy, MCHP, attended the European Stroke Organization Conference held in Helsinki, Finland, from 21 to 23 May 2025 This is an annually held renowned conference for researchers, clinicians, and scientists working with Stroke survivors. - *Poster Presentation: * Dr Apoorva Malavalli Shankaranarayana presented a poster on the study titled “Multimodal strategies to enhance activity levels in the early phase of stroke recovery” and interacted with many researchers across the globe. - *Chaired session: * Dr Apoorva Malavalli Shankaranarayana chaired a session on “Life after stroke – the next big thing /living with the consequences of stroke” and interacted with pioneers in stroke research for an international audience. The conference provided many networking opportunities, learning opportunities from the leading experts, and staying up-to-date on industry trends in the field of stroke research	21 May 2025
13	Dr John Solomon M	Dr John Solomon M, Associate Dean and Professor, Department of Physiotherapy, was invited as faculty to the World Physiotherapy Congress held at Tokyo, Japan, from 29 to 31 May 2025. He delivered a talk on “Implementing Evidence-based practice through CPGs and Low-cost technology in LMICs’ as part of the focused symposium on Exploring excellence in global stroke rehabilitation. He also presented a scientific poster titled “Impact of pandemic on compliance to physical activity program among Indian community-dwelling stroke survivors: A Qualitative study	29 May 2025
14	Dr Manikandan N	Dr Manikandan N, Additional Professor and Head, Department of Physiotherapy, MCHP, attended the World Physiotherapy Congress held in Tokyo, Japan (29 to 31 May 2025), a globally recognized platform for physiotherapy professionals to share advances, innovations, and research. E-Poster Presentation: Dr Manikandan N presented an e-poster titled "Breaking Boundaries – Caregiver-Led Balance	29 May 2025

Sl No	Name	Details	Date
		Assessment in the Era of Telemedicine," which highlighted novel approaches in remote rehabilitation and caregiver engagement in balance assessment for patients with limited access to in-person physiotherapy. The conference offered an enriching academic environment through diverse sessions and expert panels. Dr Manikandan also had the opportunity to reconnect with many MCHP alumni and engage in meaningful discussions with leading researchers in the physiotherapy community. These interactions have opened potential avenues for future academic and research collaborations.	
15	Dr Senthil Kumaran D	Dr Senthil Kumaran D, Additional Professor, Department of Physiotherapy, MCHP, attended the World Physiotherapy Congress in Tokyo, Japan (29 to 31 May 2025), a premier event for physiotherapy professionals worldwide. The gathering brought together experts, clinicians, and researchers from across the globe. *Platform Presentation: Dr Senthil Kumaran D shared insights on the study, "Effects of Game-Based Rehabilitation on Upper Limb Motor Function Within the First Six Months Following Stroke: A Systematic Review and Meta-Analysis, " highlighting the importance of gamified early stroke rehabilitation. *Panel Discussion: Dr Senthil Kumaran D engaged in the panel discussion "Knowledge Translation—The Ongoing Challenge of Getting Research into Practice", exploring strategies to bridge the gap between evidence and implementation. The conference provided informative sessions, stimulating discussions, and valuable networking opportunities.	29 May 2025
16	Dr Preetha R 	"Dr Preetha R, Associate Professor at the Department of Physiotherapy, MCHP, Manipal, presented a scientific poster at the World Physiotherapy Conference 2025, held in Tokyo, Japan, from 29 to 31 May 2025. The conference was held at the Tokyo International Forum, where she presented a scientific poster titled "Factors associated with lumbopelvic dysfunction among pregnant women in the third trimester" on 29 May 2025. She had the opportunity to discuss her work with Musculoskeletal and Women's Health physiotherapists with like-minded interests. Attending the World Physiotherapy Congress provided an opportunity to meet and connect with the Manipal Physiotherapy Alumni practicing across the globe. It was also an arena to connect with eminent Women's health physiotherapists, and network and speak about collaborative projects. She extends her heartfelt gratitude to the Manipal Academy of Higher Education for providing the Faculty fund that supported the travel and registration costs to attend this wonderful World Congress	29 May 2025

1	Matrubhasha divas	The event started at 09:00 with enthusiastic participants starting to showcase their talents through painting and sketching. Later two teams fiercely contested with words, debating the topic "Should emojis be considered as a language?". The victors were awarded certificates by Ms Madhura. Winners- PAINTING - Samar Siddique- DEBATE - Sharin and Mridula	26 Feb 2025
2	Teachers Day	The event started off with a welcome speech from Ms Revathi Suresh and Mr Noel Mathew followed by a harmonic instillation song by Mr Mihir Joshi. Next, Dean sir addressed the gathering which formally started the event. The next event was done by Second year students from the department of physiotherapy then we had an ice breaker where certain cues were read and maximum number of hands raised determined the two teams for the next following games. The first game for the evening was the relay game where the Emcee for the game was Zaara Abraham and the game had 7 tasks where one or more than one member from each team were expected to complete and the team with the fastest time wins.	05 Sep 2025
3	Daan Utsav – Health Checkup Camp	A health camp for hospitality workers was organized with the aim of promoting preventive healthcare and overall well-being among individuals working in the hospitality sector. The event saw an encouraging turnout, with 110 participants benefiting from the various health services and awareness activities provided. The camp featured six stalls managed by different departments and clubs, Cardiovascular Technology (CVT), Medical Laboratory Technology (MLT), Optometry, Clinical Nutrition and Dietetics (CND), FIT MCHP Club, and the Centre for Diabetic Foot Care. Each stall was dedicated to a specific aspect of health assessment and education. The CVT team conducted ECG screenings, helping participants assess their cardiac health and understand the importance of early detection of heart-related issues. The MLT stall performed blood sugar check-ups, facilitating awareness about diabetes and lifestyle-related conditions. The Optometry team carried out eye examinations, identifying vision-related concerns and guiding participants on eye care practices. Meanwhile, the CND stall offered dietary counseling, focusing on balanced nutrition, body fat percentage checkup, and healthy eating habits suitable for demanding work environments. The FIT MCHP Club organized stretching sessions and basic fitness demonstrations, encouraging participants to incorporate simple physical exercises into their daily routine. The FIT MCHP Club was aligned with the aim of the Fit India initiative, promoting physical fitness and encouraging students and the community to adopt a healthy lifestyle. The stall of the Centre for Diabetic Foot Care provided health education and awareness materials, emphasizing the importance of preventive health measures and proper foot care, particularly for individuals at risk of diabetes.	07 Oct 2025
4	Frame the Freedom, Constitution Day	The events provide an engaging platform that nurtures students' creativity, analytical reasoning, and expressive abilities. These	17 Oct 2025

		activities strengthen essential skills such as problem-solving, visual communication, teamwork, and time management, while encouraging students to think critically and convey ideas with clarity and impact. By integrating learning with enjoyment and ensuring active participation for all, the events promote inclusivity and experiential growth. Aligned with SDG 4 (Quality Education), they enrich the educational experience by fostering intellectual curiosity, creative confidence, and holistic development, ultimately preparing learners to become well-rounded individuals equipped for meaningful personal and societal contribution.	
5	Children's Day Celebration 2025	The program was planned by many organizing bodies- the Student Council, Sports Committee, Welfare Committee, and ESS Department. The volunteers from MCHP reached the venue at 09:00 AM and spent a few minutes setting up in the school premises. Around 09:30 AM, the volunteers joined the students and faculty for morning prayers. There were 240 students in total, from 01 to 07 Standards. The students learned the importance of engaging in physical activity from a young age, and quick and efficient warm-up and cool-down methods were taught in a simple and engaging manner to the students. Student participation and response were beyond what we had anticipated. They thoroughly loved all the activities which were planned for them, from painting to games to the D J.	14 Nov 2025
6	Literary Fest	The interdepartmental literature and art competitions successfully enhanced creativity, confidence, and collaboration among students. Through activities such as clay modelling, photography, extempore, and collage making, participants developed communication, critical thinking, and artistic skills. The events fostered interdepartmental unity, encouraged healthy competition, and provided a platform for students to express their ideas and perspectives creatively. They also promoted teamwork, innovation, and appreciation for diverse talents across disciplines. Overall, the event contributed significantly to holistic student development.	24 Nov 2025
7	FLEA MARKET	On 26 Nov, the Flea Market was organized by the Student Council as a fundraising event. The primary aim of the event was to create an engaging campus space where students could set up creative and interactive stalls while contributing to the fundraiser. A diverse range of stalls were set up, including food stalls, face painting and makeup, jewelry, and other creative stalls. The Sports Committee also set up a dedicated Fitness Zone, which included carnival activities such as vertical jump, mini basketball, and stack-the-balloons. A handheld dynamometer was also used at the stall to assess hand grip strength, which is commonly used to evaluate muscle strength and is an indicator of functional capacity. Overall, the Flea Market accomplished its fundraising objective and witnessed enthusiastic participation from students across various courses, making the event both productive and enjoyable."	26 Nov 2025

Brief About the Centre
Vision:
To become a Centre for excellence in Stroke Rehabilitation

Mission:
To conduct high-quality research, training programs, and deliver comprehensive stroke rehabilitation services

Objectives:
- To provide health services for maximizing the recovery of stroke survivors and achieve the best possible outcome through an inter-professional practice
- To foster innovation and to train and mentor students, researchers, and health care providers.
- To conduct short-term training courses and workshops
- To expand the rehabilitation services to community living stroke survivors
- To establish international collaborations for research
- To conduct a certificate program in stroke rehabilitation

Brief About the Centre

The Centre for Podiatry and Diabetic Foot Care and Research (CPDFCR), affiliated with Manipal Academy of Higher Education, is a state-of-the-art podiatry clinic providing comprehensive services for the prevention, evaluation, and management of diabetic foot–related conditions in the Udupi district. Established in 2015, the Centre has received several national and international research and service-delivery grants focused on diabetic foot syndrome. Notably, CPDFCR was awarded a prestigious grant from the World Diabetes Foundation titled "Diabetic Foot Care: Stepping Ahead" (WDF 15-941).

Routine comprehensive clinical evaluation of individuals with diabetes at the Centre includes systematic assessment of peripheral neuropathy, vascular status, and musculoskeletal components of the foot. CPDFCR is well equipped with advanced diagnostic and therapeutic instruments to support evidence-based diabetic foot care. Conservative management strategies available during the early stages of diabetic foot complications include low-level laser therapy, laser shoe therapy, Matrix Therapie®, oxygen therapy to the wound bed, advanced wound dressing, pedicure and debridement procedures, structured exercise prescription, foot care education, counselling, footwear prescription, offloading techniques, and customized insole fabrication.

Vision and Mission: To create a Centre for Advanced Research Training and Clinical Practice and create a Centre of Excellence in Podiatry and Diabetic Foot through international accreditation.

Objectives

- To conduct high-quality research and academic programs to enhance the knowledge of health professionals.
- To offer consultation services to other Centres and hospitals for setting up podiatry and diabetic foot clinics.
- To develop and produce audio-visual/multimedia educational and research-related content.

Brief About the Centre

Vision

To become a globally recognized interdisciplinary hub of excellence in craniofacial and orofacial pain research; to advance scientific understanding; and to develop innovative diagnostics and evidence-based interventions that improve functional health and quality of life of athletes.

Mission

- Advancing high-quality translational research that integrates basic science, clinical science, biomechanics, neuroscience, and psychosocial perspectives in craniofacial and orofacial pain.
- Promoting interdisciplinary collaboration among dentistry, medicine, physiotherapy, neuroscience, psychology, biomedical engineering, and allied health sciences.

Objectives

- To provide comprehensive and holistic management of orofacial and craniofacial pain.
- To foster interdisciplinary research by involving experts in different orofacial and craniofacial pain fields.
- To collaborate with international universities and attract faculty of international repute, actively working in these fields.

Brief About the Centre:
To be a state-of-the-art Centre for the rehabilitation of individuals with long-term disabilities. The Centre will strive to be a hallmark of excellence in advising on quality care and advocating for the rights of individuals with disabilities.

Mission:
The Centre will provide high-quality and cost-effective care for individuals with long-term disabilities. The Centre will aid in the development of programs targeting community integration of individuals with disabilities

Objectives:

- To continually engage with various stakeholders through interactive sessions on problems encountered by individuals with disabilities.
- The Centre will work towards disseminating knowledge gained through research, publications, seminars, and conferences
- To develop and implement best practice guidelines for design modifications and accessing built environment. This Centre will aid in developing policy recommendations and add to the body of research in the field of disability.

Brief About the Centre

Vision: Health and participation of older adults

Mission: Enable people to be healthy, independent, safe, and participate in valued activities as they age

Objectives

a) Promote early identification and management of common age-related health problems.
b) Capacity building of professionals (health, technical, and others) to meet the specific needs of older adults and support healthy ageing
c) Advocate for the elderly, healthy aging, age-friendly cities and communities.
d) Understand and address factors that promote healthy aging in the Indian context through collaborative research pertaining to all aspects of healthy living and aging, including technological solutions.
e) To continually engage with various stakeholders for related activities such as service provision, research activities, dissemination of knowledge, education programs, etc.

Activities at the Centre:

Year of Establishment of the Centre: 15 July 2024

Name of the Coordinator: Dr Rozy Kamal

Members

Dr Sumeet Suresh Malapure, M D
Professor and Head, Nuclear Medicine Unit, Department of Radiotherapy, Kasturba Medical College and Hospital (KMC), MAHE, Manipal

Dr Nandkumar K MPharm, PhD
Professor and Head, Department of Pharmacology, Manipal College of Pharmaceutical Sciences (MCOPS), MAHE

Dr Sanjiban Chakrabarty, MSc, PhD
Associate Professor, Department of Cell and Molecular Biology, Manipal School of Life Sciences (MSLS), MAHE, Manipal

Dr Naresh Kumar Mani, M S, PhD
Associate Professor, Department of Biotechnology, Manipal Institute of Technology (MIT), MAHE, Manipal

Brief About the Centre

Vision: To promote, accelerate, and support the expansion of translational research in the area of radiation sciences for safe and improved health care outcomes

Mission: Dedicated infrastructure to meet regulatory needs; specific research training for manpower needs; accelerated research through international collaborations

Objectives

To accelerate the process of radio-pharmaceutical development, keeping pace with drug discovery through technology innovations and international collaborations

To foster an interdisciplinary research ecosystem in healthcare domains (Nuclear Medicine, multimodality imaging physics, regenerative medicine, and biomedical sciences)

To supplement research infrastructure and skill development needs in translational radiation sciences within the country through academic excellence and skill training programs

Brief About the Centre

Vision

To establish a dedicated centre that delivers high-quality, comprehensive multidisciplinary rehabilitation services—including physical therapy, occupational therapy, speech therapy, and socio-cognitive skill training—for children with developmental disabilities and their families, while serving as a hub for knowledge translation in the field of childhood disability.

Mission

- To deliver holistic, individualized, and evidence-based care for children with developmental disabilities.
- To empower and support families by facilitating access to services, strengthening support networks, and promoting informed participation in care.
- To function as a centre for knowledge translation, capacity building, and dissemination of best practices in childhood disability for healthcare professionals.

Aim: To develop a rehabilitation ecosystem for children with developmental disabilities, improve their quality of life, and help them integrate into society at large.

Objectives

- To establish a rehabilitation team encompassing comprehensive services; including speech, occupational, physical, vision, and psychosocial services.
- To provide rehabilitative services based on a family-centred approach and caregiver training.
- Encourage educational programs that support the overall development of children with disabilities and their families.
- To establish a peripheral outreach centre to conduct community outreach and awareness programs that promote inclusion and support for children with disabilities.
- To develop technology-based outreach rehabilitation programs.
- To develop an industry-academia partnership to enhance the service-delivery process.
- To create a centre of excellence for the rehabilitation of children with developmental disabilities in southern Karnataka.

Conducted an awareness program for nursing students of Ashrith College of Nursing, Kota, in association with the Autism Society of Udupi.

Conducted a parent – teacher training program in association with the Autism Society of Udupi, Dr. A. V. Baliga Memorial Hospital, and Narayana Special School, Kundapura.

On the occasion of International Day of Persons with Disabilities (December 3rd), a special camp was organized in Kundapura on 28, November 2025, in association with One Good Step, Bangalore. The event was conducted under the aegis of Manipal Academy of Higher Education (MAHE), Manipal, Karnataka, bringing together a multidisciplinary team including experts from various fields such as physiotherapy, occupational therapy, speech and hearing, psychology, community medicine, and optometry.

The Centre for Rehabilitation of Children with Developmental Disabilities and the Department of Physiotherapy, MCHP, MAHE, Manipal, jointly organized a webinar on "Interdisciplinary family-centred care: A best practice approach for childhood development". The session was delivered by Dr Marie Brien, Pediatric Physiotherapist, MSc, an experienced academic and researcher from the University of Toronto, Canada. The webinar highlighted the core principles of family-centred care, explored challenges and opportunities in diverse contexts, and provided practical strategies to enhance child and family outcomes through interdisciplinary collaboration.

Medical Instruments, Devices and Allied Services (MIDAS), DST–MAHE HUB

Address: Ground Floor, Manipal Central Research and Instrumentation Facility,
MIT Campus, MAHE, Manipal
Phone Number: +91 820 29 37746
Email (Centre): office.dsthub@manipal.edu **Email (Coordinator):** arun.maiya@manipal.edu

Year of Establishment of the Centre: 2024
Name of the Coordinator: Dr G Arun Maiya
Members: Dr T Lazar Mathew (Senior Advisor)
Dr Jijo Lukose (Deputy Coordinator)
Dr Abhimanyu Pradhan (Deputy Coordinator)
Dr Anushree U (Research Scientist)
Mr Vaishal (Engineer)
Mr Pavan Kumar (Associate)

Brief About the Centre:
The "Medical Instruments Devices and Allied Services (MIDAS) DST-MAHE HUB" established at Manipal Academy of Higher Education, MAHE, Manipal, is a joint venture of the Department of Science and Technology (DST), Government of India, and Manipal Academy of Higher Education. The HUB is a regional Centre of western coastal academic institutions and industries. The Hub is specially meant for design, development, and limited manufacture of medical devices, equipment, and diagnostics, including ethical clearance, clinical trials, obtaining patents, and production of prototypes. The focus of MIDAS-DST-MAHE HUB is to develop prototypes, transfer technology to suitable industries and manufacture locally with necessary clearances and approvals, and reach the product to the market.

Vision:
A regional Hub at MAHE, for design, development, limited manufacturing, and marketing of medical equipment and devices

Mission:
- Provide a platform for individuals, institutions, and industry for the design and development of healthcare products.
- Create an ecosystem for multidisciplinary technical activities such as ideation, innovation, healthcare needs assessment, prototype development, and laboratory validation.

Objectives:
1. To assess the Technology Readiness Level (TRL) of existing R & D work in the West Coast region, with a view to ascertain the feasibility of enhancing the TRL to reach the level of 8 or 9, ready for use in healthcare.
2. To engage with entrepreneurs and MedTech start-ups and industries, to transform innovative ideas into market viable products by:
   a. A conducive ecosystem to innovate, incubate ideas, mentor, validate, accredit, and facilitate the manufacturing of medical devices and instruments.
   b. Mentoring start-ups to access financial and other support for marketing their products.
3. To strengthen and support the biomedical device regulatory process in the country, which is a statutory requirement of the Government of India, by:
   a. Evolving best practices and guidelines for biomedical device regulation and certification process for India.
   b. Training effective human resources to implement and execute regulatory norms of the highest standards.
4. To establish a state-of-the-art R & D Centre with facilities for designing, prototyping, and limited manufacturing of novel medical devices, instruments, and equipment.
5. To provide support for the Project investigators concerned with laboratory validation, animal experiments, ethical clearance, clinical trials, and intellectual property protection for limited manufacturing.
6. To provide allied services related to the manufacture of medical equipment, instruments, and devices, including calibration and technical maintenance.

7. To impart training for researchers who are willing to design, develop, and build prototypes of medical technology products that can be manufactured and marketed.

Activities at the Centre:

1	Workshop on "Patent Drafting for Medical Devices" 	A workshop on "Patent Drafting for Medical Devices" was organized by the Medical Instruments, Devices and Allied Services (MIDAS), DST–MAHE HUB on 17 Jan 2025 at the Board Room, MIDAS DST–MAHE HUB, MAHE, Manipal. The workshop witnessed enthusiastic participation, with over 32 delegates availing the opportunity to enhance their understanding of patent drafting in the medical device domain. The workshop was inaugurated by the Chief Guest, Lt Gen (Dr) M D Venkatesh, Vice Chancellor, MAHE, Manipal. In his inaugural address, he emphasized the importance of intellectual property protection in driving innovation and translating research outcomes into commercially viable medical technologies. The workshop primarily focused on the principles and practical aspects of patent drafting for medical devices. The sessions were conducted by distinguished resource persons, including Dr Joseph L Mathew, Coordinator, DST Hub, PGIMER Chandigarh; Adv Pranav Bhat, Intellectual Property Strategist, Lightspeed Photonics, Singapore, and Partner, Astraea Research, Manipal; and Dr S Varadharajan, Coordinator, Intellectual Property and Technology Transfer Office, MAHE, Manipal. Their expert insights and hands-on approach made the sessions highly engaging and informative. The workshop was successfully concluded with active participation from delegates representing KMC, MIT, DAMP, MCODS MLR, MSIS, MSLS, MCHP, MMMC, NITK, St Aloysius College, Mangalore, and SDM College of Ayurveda and Hospital, Udupi. Participants appreciated the practical guidance and interactive patent drafting exercises. Notably, 17 draft patent applications were submitted by the delegates during the workshop. Feedback received from participants indicated an excellent response, with 94% of delegates rating the workshop as well-organized, interactive, and highly effective.	17 Jan 2025
2	Workshop on "Design and Regulatory Pathways for the Approval of Medical Devices"	Medical Instruments, Devices and Allied Services (MIDAS) DST–MAHE HUB organized a one-day workshop on "Design and Regulatory Pathways for the Approval of Medical Devices" on 16 Jun 2025. The workshop was conducted for faculty members, research scholars, and entrepreneurs from Manipal Academy of Higher Education (MAHE), Manipal, and other institutions across the west coast region of the country. The program aimed to create awareness and build	16 Jun 2025

		capacity in medical device design, regulatory requirements, and commercialization pathways. The inaugural ceremony was presided over by Lt Gen (Dr) M D Venkatesh, Vice Chancellor, Manipal Academy of Higher Education. The workshop was formally inaugurated by the Chief Guest, Prof B Ravi, Director, National Institute of Technology Karnataka, Mangalore. The occasion was further graced by the Guest of Honour, Cdr (Dr) Anil Rana, Director, Manipal Institute of Technology and Dean, MCHP. The inaugural session also witnessed the presence of Dr G Arun Maiya, Principal Coordinator of the MIDAS DST-MAHE HUB, and Dr T Lazar Mathew, Senior Advisor, who emphasized the importance of regulatory compliance in medical device innovation. The workshop featured four expert sessions focusing on different aspects of medical device regulation. Dr Joseph L Mathew, Head, Pediatric Pulmonology and Principal Coordinator, DST-HUB, PGIMER, Chandigarh, delivered the first session on clinical testing and validation of innovative technologies. The second session by Dr Sudesh Sivarasu, Director, Biomedical Engineering Research Centre, University of Cape Town, South Africa, covered regulatory determinants in medical device design and development. Mr Vinayak Nandalike, Founder and CEO, Yostra Labs Pvt Ltd, Bengaluru, discussed regulatory strategies for medical devices. The final session by Mr Janardhan Sarathi, Founder and CEO, Design Roots, Bengaluru, focused on additive manufacturing for the MedTech industry. The session included interactive discussions and case studies on medical device prototypes presented by participants. Overall, the workshop received highly positive feedback and was appreciated for its practical insights and expert guidance.	
3	Workshop on “Body Composition Parameters for Metabolic Health” 	The Centre for Excellence in Podiatry & Diabetic Foot Care and Research at Manipal College of Health Professions (MCHP), MAHE, in collaboration with the DST-supported MIDAS (Medical Instruments, Devices and Allied Services) HUB, successfully hosted a one-day national workshop titled “Body Composition Parameters for Metabolic Health” on Saturday, 26 Jul 2025. Body composition analysis, a critical tool in both clinical and wellness settings, helps assess fat mass, muscle mass, and hydration levels, offering valuable insights into metabolic risks and overall physiological status. The InBody device, a globally recognized solution based on bioelectrical impedance analysis (BIA), was showcased through live demonstrations, illustrating its precision and clinical utility in measuring segmental body composition parameters.	26 Jul 2025

Sl No	Name of the Activity	Particulars	Date
		Aimed at promoting excellence in industry-academia collaboration, as emphasized in MAHE's 2025 vision, the workshop featured a robust mix of theoretical and practical sessions focused on assessing body composition and its implications for metabolic health.	
4	Official Inaugural ceremony of "Medical Instruments, Devices and Allied Services (MIDAS), DST-MAHE HUB", MAHE, Manipal	Manipal Academy of Higher Education (MAHE), an Institution of Eminence Deemed to be University, in collaboration with the Department of Science and Technology (DST), Government of India, launched the *Medical Instruments, Devices and Allied Services (MIDAS) DST–MAHE HUB* on Wednesday, 05 Dec 2025, at the Manipal Campus, Karnataka. This is the first facility of its kind in a self-financed university. Inaugurating the DST-MAHE HUB in the MAHE Manipal campus, **Dr Praveen Roy, Head of Scientific Divisions Technology, Translation, and Innovation (TTI) Division, Department of Science and Technology, Government of India**, highlighted the critical importance of Translational innovation, which *plays a critical role in strengthening India's scientific ecosystem. He said, "We remain committed to supporting all activities of the MIDAS HUB. The DST–MAHE HUB is uniquely positioned, as MAHE's multidisciplinary foundation enables seamless integration across diverse domains. This initiative represents a paradigm shift in our approach to research and innovation, and the Government of India will extend its full support to ensure its success." He also commended MAHE for its strong research ecosystem, which continues to advance impactful scientific progress for society.* **Addressing the occasion, Dr H S Ballal, Pro Chancellor, MAHE,** highlighted MAHE's pivotal role in advancing collaborative, coordinated research and innovation. He emphasized, *"the institution's commitment to strengthening partnerships across academia, industry, and government, positioning MIDAS DST-MAHE HUB as a driving force for impactful scientific progress and societal benefit."* **Speaking at the event, Lt Gen (Dr) M D Venkatesh, VSM (Retd), Vice Chancellor, MAHE,** *expressively spoke about "the HUB's pivotal role in nurturing high-impact research collaborations and cultivating future scientific leaders. He also appreciated the efforts put in by the team in establishing an excellent centre in the form of MIDAS HUB."* The ceremony brought together distinguished leaders from academia, industry, and government. Delivering the welcome address **Dr G Arun Maiya, Principal Coordinator of MIDAS HUB**, presented an overview of HUB's progress in medical device product development. **Dr Lazar Mathew, Senior Advisor, MIDAS HUB,** unveiled the HUB logo and explained its philosophy, built around the theme **"a project for a product."** The event was supported by MAHE's key	05 Dec 2025

		innovation and research entities, including the Directorate of Research, Manipal Universal Technology Business Incubator, Manipal Government of Karnataka, Bioincubator, Innovation Centre, and CAIF. During the event, MAHE launched the *Advanced Certificate Program in Medical Device Technology, Innovation, and Leadership* and released the MIDAS annual report. The HUB also introduced its industry-academia policy, service flyers, and signed multiple MoUs to foster long-term partnerships. Market-ready prototypes, including Laser Shoe, Mbilimeter, Armable Mini, WeCare, FluroAura, RevoCord, Wearable Electrolarynx, and Adrenaline Autoinjector, were showcased, reinforcing the HUB's focus on impactful, deployable innovations. The inauguration highlighted MAHE's commitment to accelerating innovation in medical technology, strengthening industry–academia collaborations, and supporting translational research. MIDAS HUB aims to serve the entire West Coast innovation corridor, from Goa to Trivandrum, through partnerships with IIT Dharwad, IIT Palakkad, NITK Surathkal, Kannur University, Mahatma Gandhi University, BITS Goa, and Many of the Universities located in Mangalore and surrounding regions and leading industry players, including BPL, Philips, InBody, and Sparsh Technologies.

About the Institution/School

The Manipal College of Health Professions, MAHE, was established in 1999 as the first institution in India exclusively dedicated to the education of allied health professionals. The school envisions training healthcare professionals who can create a difference in the quality of life of individuals, both physically and mentally. The seeds of Manipal Hospital's origin were sown as early as 1953 when the founder of the Manipal Education and Medical Group (MEMG), Dr TMA Pai, established the Kasturba Medical College in Manipal, Karnataka. Manipal Hospitals as an entity came into existence in 1991 with the launch of our 650-bed flagship hospital at Old Airport Road, Bangalore. Today, Manipal Hospitals is one of India's leading healthcare groups, with over 10500 beds across 37 hospitals.

1	Valentine's Day Program Hosted at APD- Jeevan Bhima Nagar	This event was hosted on 14 Feb 2025, Valentine's Day, by the 1st year MSc Clinical Psychology students, namely Ms Esha Karthi Raj, Ms Spandana Rao, Mr Darsan Ranjit, Ms Saanya Rajendra, Ms Ananaya Hariprasad, and Ms Inisha Gupta. This event was conducted at the Association for People with Disabilities (APD), Jeevan Bhima Nagar, in collaboration with the Department of Psychology at APD, lasting from 11:00 to 13:00. As part of this event, the beneficiaries and their caregivers were given a short seminar about the importance of maintaining social relationships and building meaningful connections. Then they were given the option to get matching acrylic paint tattoos with their caregivers in accordance with the theme of the day, while they were split into groups of 4-5 to encourage interaction between the beneficiaries. Then, they were given the opportunity to express gratitude and love for one another by giving each other flowers, which encouraged further interaction between all beneficiaries	14 Feb 2025

3	Manomitra conducted in Manipal Hospital-Old Airport Road SDG 3: Good Health and Well-being	As part of Manomitra, an initiative under Continued Nurse Education, we conducted a psychoeducation session at Manipal Hospital to address the mental health challenges faced by nurses. The session focused on understanding and managing secondary traumatic stress (STS), a condition resulting from prolonged exposure to patients' suffering. We discussed the causes, symptoms, and consequences of STS, including emotional exhaustion, anxiety, burnout, and its impact on professional well-being. We psychoeducated the nurses about the meaning of resilience and its importance. To promote resilience, we introduced practical coping strategies such as box breathing, the 5-4-3-2-1 grounding technique, emotional regulation and SMART goal setting.	10 Mar 2025

- MSc Stem Cell Technology and Regenerative Biology
- MSc (Research) in Translational Neuroscience
- MSc (Research) in Translational Immunology
- Advanced Post Graduate Diploma in Stem Cell Technology and Regenerative Biology
- PhD Regenerative Medicine

About the Institution/School:

Manipal Institute of Regenerative Medicine (MIRM) was established in 2007 to generate a trained workforce to cater to the emerging field of Stem Cell Technology. Over the years, MIRM has emerged as an organization amalgamating a strong classroom and laboratory based postgraduate teaching program with an excellent doctoral and postdoctoral research program in Stem Cell Technology and Regenerative Biology. MIRM has good infrastructure for conducting advanced research in the field, using funds from MAHE. MIRM has revised the syllabus for postgraduate students, and the new syllabus has significantly higher content on research project-based education. The field of Tissue Engineering has been included in the curriculum for the first time. MIRM faculty members have broad, interdisciplinary expertise to teach and conduct research in the fields of Developmental Biology, Human Disease Modelling, Neurobiology, Cancer Biology, Immunology, and Tissue Engineering. Postgraduate students are mentored by faculty members on a one-to-one basis to either take up a challenging job in the healthcare sector or pursue further research interests within MIRM (Dr TMA Pai Fellowship PhD Program) or other institutes of national and international repute. The curriculum and grading system of MIRM are recognized by most reputed universities across the globe.

Details of Programs Offered by the Institution

- MSc Clinical Virology
- Doctor of Philosophy (Virology)

About the Institution/School

Manipal Institute of Virology (MIV), a constituent unit of MAHE, is a premier diagnostic, research, and academic institute. It features state-of-the-art infrastructure and biosafety facilities designed to conduct a myriad of projects on infectious diseases. MIV is an ICMR Collaborating Center of Excellence (ICMR-CCoE), a prestigious designation aimed at fostering a sustainable, collaborative ecosystem for multidisciplinary biomedical research in India. As an NABL-accredited laboratory (ISO 15189:2022), MIV signifies the highest quality and competence in medical testing. It is currently the only virus diagnostic laboratory in India with such an extensive range of serological and molecular tests within its scope. MIV is recognized as a Centre of Excellence by the Global Virus Network (GVN) and is a key partner in the WHO Global Outbreak Alert and Response Network (GOARN). Further accolades include its recognition as the NCVBDC Apex Referral Laboratory for Arboviral Diseases (MoHFW, Government of India). Historically, MIV served as a Grade-I Virus Research and Diagnostic Laboratory under ICMR (2010–2019) and a Regional Reference Laboratory for Influenza Virus (2009–2021). It stands as one of the country's first virology diagnostic laboratories established under a Public-Private Partnership (PPP) and is among the few national institutes offering specialized academic programs in the field. MIV provides cutting-edge diagnostic facilities for viral diseases while supporting public health services in disease surveillance and outbreak response, thereby contributing to global health security. The institute conducts research across basic and applied virology, epidemiology, diagnostics, vaccines, and therapeutics. Academically, MIV offers two unique programs: a two-year MSc in Clinical Virology and a three-year PhD in Virology. Additionally, it provides skill-based training and a one-month certificate course in Clinical and Diagnostic Virology for MD Microbiology trainees. As a leading Indian institute, MIV provides a platform for in-depth, cross-cutting research into Influenza, Herpes

Simplex, Enteroviruses, Human Papillomavirus (HPV), and Neglected Tropical Diseases. Research efforts focus on improving clinical diagnosis, infectious disease surveillance (including Hepatitis, Chikungunya, Dengue, and Cervical Cancer), and the molecular epidemiology of emerging viral diseases. Current thrust areas include developing alternative treatment modalities, antiviral testing platforms, immunological profiling, and the innovation of diagnostic kits. MIV actively engages in collaborative research projects funded by esteemed organizations such as DBT-BIRAC, DST-SERB, ICMR, and CCRH.

Institutional Activities/Curricular Activities
New Initiatives

Sl No	Activity	Particulars	Date(s)
1	Introduction of New Virological Testing Panels	MIV Introduction of New Virological Testing Panels with a lower rate as part of our virological testing services to various hospitals	01 Jan to 31 Dec 2025
2	Involvement of Technicians in Research Activities	MIV has implemented a new policy under which two dedicated technicians will be assigned to each faculty member to support research activities. Furthermore, these technicians will be recognized as co-authors on all publications resulting from the research projects to which they contribute	01 Jan to 31 Dec 2025
3	Virology skill-based training programs-2025 	MIV conducted a series of skill-based training programs covering cell culture, virus isolation, entomology, and molecular diagnostic techniques. These programs were designed for a diverse audience, including undergraduate and postgraduate medical students, interns, life sciences students, PhD and MD scholars, postdoctoral researchers, research staff, and junior to mid-level faculty from medical and basic science colleges	01 Jan to 31 Dec 2025
4	Certificate course in clinical and diagnostic virology	MIV successfully conducted a one-month certificate course in Clinical and Diagnostic Virology in September 2025. This program was designed for Postgraduate (MD) Microbiology students and faculty, as well as individuals with MDs in Microbiology, Medicine, or other relevant clinical specialties, DM degrees in Infectious Diseases, and foreign medical graduates.	01 Jan to 31 Dec 2025
5	Weekly Seminar Series by Laboratory Technician	MIV has initiated a weekly seminar series on laboratory practices, led by laboratory technicians.	01 Jan to 31 Dec 2025

All Other Activities in the Department Relating to the Program/Course

Sl No	Activity	Particulars	Date(s)
1	Pathway to PhD in MSc Clinical Virology Program	MIV introduced the Pathway to PhD Option in the MSc Clinical Virology Program for the Academic year 2024-2025 onwards, according to MAHE's Guidelines	01 Jan to 31 Dec 2025

Guest Lectures

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
1	Dr Ingo Schiess	University of Manchester	As part of the university visit (SDG 3, SDG 4, SDG 17)	18 Feb 2025
2	Dr Padma MR	State surveillance unit, Bengaluru	Visited as a guest during the MIV annual day 2025 (SDG 3, SDG 4, SDG 17)	25 Feb 2025
3	Dr Sutapa B Neogi	International Institute of Health Management Research, New Delhi	Visited as a guest during MIV annual day 2025 (SDG 3, SDG 4, SDG 17)	25 Feb 2025
4	Dr Roli Mathur	Academy of Scientific and Innovative Research (AcSIR), Uttar Pradesh	As part of the university visit (SDG 3, SDG 4, SDG 17)	25 Feb 2025
5	Dr Naveen Kumar	ICMR-National Institute of Virology, Pune	Delivered a guest lecture at MIV during the Annual Day 2025 (SDG 3, SDG 4, SDG 17)	26 Feb 2025
6	Dr Siddappa Byrareddy	University of Nebraska, Medical Center, USA	Delivered a guest lecture at MIV during the Annual Day 2025 (SDG 3, SDG 4, SDG 17)	26 Feb 2025
7	Dr Chaitra Rao	Indiana University, Bloomington, USA	Delivered a guest lecture at MIV during the Annual Day 2025 (SDG 3, SDG 4, SDG 17)	26 Feb 2025
8	Dr Rithu Paul Stansilaus	University of Strasbourg, France	Delivered a guest lecture at MIV during the Annual Day 2025 (SDG 3, SDG 4, SDG 17)	26 Feb 2025
9	Dr Sreekumar E	Institute of Advanced Virology (IAV), Thiruvananthapuram, Kerala	Delivered a guest lecture at MIV during the Annual Day 2025 (SDG 3, SDG 4, SDG 17)	26 Feb 2025
10	Dr Kavitha Rani B	Veterinary College, Shivamogga, Karnataka	Delivered a guest lecture at MIV during the Annual Day 2025 (SDG 3, SDG 4, SDG 17)	26 Feb 2025
11	Dr Sweety Samal	Ministry of Science and Technology, Government of India	Delivered a guest lecture at MIV during the Annual Day 2025 (SDG 3, SDG 4, SDG 17)	26 Feb 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
12	Dr Sutapa Bandyopadhyay Neogi	International Institute of Health Management Research (IIHMR), New Delhi	Delivered a guest lecture at MIV during the Annual Day 2025 (SDG 3, SDG 4, SDG 17)	26 Feb 2025
13	Dr Anoop Velayudhan	ICMR, New Delhi	As part of the university visit (SDG 3, SDG 4, SDG 17)	28 Apr 2025
14	Dr Shridhar Narayanan	Foundation for Neglected Disease Research (FNDR), Bengaluru	Visited MIV and delivered a guest lecture (SDG 3, SDG 4, SDG 17)	30 Apr 2025
15	Dr DKK Vamsi	Centre for Excellence in Mathematical Biology (CEMB), Sri Sathya Sai Institute of Higher Learning (SSSIHL), Andhra Pradesh	Visited MIV and delivered a guest lecture (SDG 3, SDG 4, SDG 17)	18 Jun 2025
16	Dr Arvind Ramanathan	Enable Biolabs India Private Limited, Chennai, Tamil Nadu	Visited MIV and delivered a guest lecture (SDG 3, SDG 4, SDG 17)	19 Jul 2025
17	Dr Kavita Singh	Drugs for Neglected Diseases initiative (DNDi), New Delhi	Visited MIV and delivered a guest lecture during the Orientation Program of the MSc Clinical Virology Course (SDG 3, SDG 4, SDG 17)	01 Aug 2025
18	Dr Shwetha Shivaprasad	Jawaharlal Nehru Centre for Advanced Scientific Research, Bangalore	Visited MIV and delivered a guest lecture. (SDG 3, SDG 4, SDG 17)	06 Aug 2025
19	Dr Manjunatha MV	NIMHANS, Bengaluru	Delivered a guest lecture during the certificate course in Clinical and Diagnostic Virology held at MIV (SDG 3, SDG 4, SDG 17)	04 Sep 2025
20	Dr Tanveer Rehman	ICMR-Regional Medical Research Centre, Bhubaneswar	Delivered a guest lecture during the certificate course in Clinical and Diagnostic Virology held at MIV (SDG 3, SDG 4, SDG 17)	09 Sep 2025
21	Dr Ashwini M A	NIMHANS, Bengaluru	Delivered a guest lecture during the certificate course in Clinical and Diagnostic Virology held at MIV (SDG3, SDG4, SDG17)	13 Sep 2025
22	Dr Kaushik Subhash	Central Council for Research in Homoeopathy, Ministry of Ayush, Government of India, New Delhi	Visited MIV as a guest for the Biosafety and Outbreak Simulation Training Program. (SDG 3, SDG 4, SDG 17)	06 and 07 Oct 2025
23	Dr K C Muraleedharan	Central Council for Research in Homoeopathy (CCRH), Ministry of Ayush, Government of India, New Delhi	Visited MIV as a guest for the Biosafety and Outbreak Simulation Training Program (SDG 3, SDG 4, SDG 17)	06 and 07 Oct 2025
24	Dr Victoria Brookes	The University of Sydney	Visited MIV and delivered a guest lecture on One Health. (SDG 3, SDG 4, SDG 17)	11 Nov 2025
25	Prof Henry Falk	Emory University, Georgia	As part of the university visit (SDG 3, SDG 4, SDG 17)	02 Dec 2025

Photo Archive of Important Events

International Women's Day (08 March 2025): MIV commemorated International Women's Day with a dedicated program celebrating the contributions of women in science and healthcare

Medical Entomology Training Program (18 to 22 March 2025): A comprehensive five-day skill-based training program was conducted, focusing on the identification and management of disease vectors

NABL Awareness Session (23 July 2025): MIV hosted a regional session on "NABL Accreditation and Its Benefits for Biobanks." The event, organized by NABL, served medical colleges across the Coastal Karnataka region

Basic Virological Techniques (09 to 13 June 2025): MIV hosted a five-day intensive workshop designed to equip participants with foundational laboratory skills in virology

Clinical and Diagnostic Virology Training Program (01 to 21 September 2025): A three-week Certificate Course was organized for MD Microbiology students from across India, bridging the gap between clinical theory and diagnostic practice

Annual Day 2025 (26 February 2025): MIV celebrated its Annual Day, featuring a series of scientific talks and keynote addresses by distinguished guest speakers

Alumni Meet 2025 (26 February 2025): To foster institutional ties, MIV hosted an Alumni Meet followed by a series of cultural performances and networking events.

Advanced Molecular Diagnostic Techniques Training Program (17 to 22 November 2025): This five-day program provided high-level technical training on the latest advancements in molecular diagnostics

World Encephalitis Day (22 February 2025): In a global collaboration with the Encephalitis Society, UK, MIV spearheaded the "Brain Walk" initiative to raise awareness and support for those affected by encephalitis

Biosafety and Outbreak Simulation training program (06 to 10 October 2025): In partnership with the Central Council for Research in Homoeopathy (CCRH), Ministry of Ayush, MIV conducted specialized training for research scientists on biosafety protocols and emergency outbreak response

- PhD

About the Institution/School

Manipal School of Life Sciences (MSLS) is well established for its prolonged activities in research, education, and diagnostics under the aegis of the Manipal Academy of Higher Education (MAHE), Manipal, with certified approval of its programs from various agencies of the Central and State governments of India. Established in 2002, MSLS has evolved to become the major research hub of MAHE and in the nation. Scientific research being the major thrust area, MSLS strives to create human resources in the field of life sciences, biotechnology, and bioinformatics; and translate its research findings towards helping the community in the area of human health. It conducts Bachelor's (BSc) and Bachelor's (Honours) programs in Biotechnology and Master's programs (MSc) in Bioinformatics, Medical Biotechnology, Systems Biology, Genome Engineering, Tissue Engineering, Molecular Biology and Human Genetics, Research in Life Sciences and Biomolecular Physics. MSLS has eight departments with varying research focus, promoting interdisciplinary research.The research focus includes molecular and cellular biology of cancer; acute, infectious and chronic diseases;

neuroscience; nanobiotechnology; genome analysis; epigenetics; omics analysis; cell signalling; pharmacogenomics in human diseases; cell and molecular biology of medicinal plants; translational studies; molecular radiobiology; experimental oncology; biomedical applications of laser spectroscopy; microbial genome analysis; data science; and bioinformatics. The School also undertakes high-technology diagnostics for several genetic disorders for patients around this region. These activities are undertaken with significant national and international collaborations and are driven by 27 faculty members and a team of over 100 research and PhD scholars, and technical and administrative staff. Genome-based data generation and analysis have resulted in significant international publications, patents, and databases (publicly hosted) over the past decade. MSLS periodically organizes international conferences, symposia, and workshops promoting enthusiasm and interaction among young scientists. It also conducts annual social outreach programs for school and college students toward developing scientific temper. MSLS has collaborations for academic and research purposes with national and international institutions spread around the globe. MSLS is proud of its nearly 1,700 alumni with a global presence, within two decades of its existence. In the field of research, the School has the title of "Centre of Excellence" under Technology Information, Forecasting and Assessment Council (TIFAC), Department of Science & Technology (DST), and the Government of India (GoI) in the field of pharmacogenomics, translational genomics, and radiation dosimetry under Atomic Energy Regulatory Board and program support from Department of Biotechnology (DBT), Government of India.

All other activities in the department relating to the program/course:

Sl No	Activity	Particulars	Date(s)
1	Pre-PhD synopsis	Eleven Pre-PhD Synopsis presentations were conducted at MSLS during the year 2025	1 Jan 2025-31 Dec 2025
2	PhD defence viva	Twenty PhD defence viva were conducted at MSLS during the year 2025	1 Jan 2025-31 Dec 2025
3	Study visit	BSc students from MSLS visited Center for Animal Research Ethics and Training (CARET) developed under the aegis of Central Animal Research Facility (CARF). This was an educational session divided into two batches aimed at familiarizing students with the ethical and scientific practices of laboratory animal management and research.	10 Jan 2025-17 Jan 2025
4	Study visit	Study visit : A total of 28 members including 27 first semester MSc students and a faculty member from Department of Applied Zoology, Mangalore University , Mangalgangotri; visited MSLS and trained in tissue processing and histochemistry techniques.	23 Jan 2025

Sl No	Activity	Particulars	Date(s)
5	Study tour	As part of the curriculum 25 students and 2 teachers from The Yenepoya School, Mangalore; visited MSLS.	1 Feb 2025
6	Study tour	33 students of MSc Biochemistry (3rd semester) and 2 faculty members from Pooja Bhagavat Memorial Mahajana Education Centre, Smt. Bhagyalakshmamma Rattehalli Ramappa Mahajana First Grade College (SBRRMFGC) (Autonomous), Krishna Raja Sagar Road, Metagalli, Mysuru; visited MSLS.	5 Feb 2025
7	Study tour	As part of curriculum 21 BSc students and two faculty members from the Government Arts and Science College, Kulathoor, Neyyattinkara, Trivandrum, Kerala visited MSLS laboratories.	7 Feb 2025
8	Fire safety training	Fire safety training session for first semester BSc, MSc, Research scholars, and staff was conducted by Leslie Joseph D'Souza, Chief Fire Safety Officer, MAHE, at MSLS.	14 Feb 2025
9	Outreach Program	The Manipal OPTICA Optica student chapter organized an outreach program to 100 students in the Government Composite High School, Manipal. The visit aimed to foster an interest in physics among school students by demonstrating fundamental optical concepts through interactive models and activities. The outreach program was attended by a dedicated team of 24 volunteers from the Manipal Optica student chapter, accompanied by the chapter adviser and a faculty member.	15 Feb 2025
10	Delegation from University of Manchester, England	A two-member delegation from the University of Manchester, England, Mr Marc Lamy, Consulate General of France and Ms Vinisha Paiva, Deputy Attaché for Academic and Scientific Cooperation, Embassy of France in India, visited MSLS.	18 Feb 2025
11	Presentation	Presentation title: "rpoS regulation in Lyme disease pathogen, where we are now?" by Dr Sajith, MSLS	21 Feb 2025
12	Sports day	The sports day was organized at the Manipal Institute of Technology (MIT) athletic ground. The staff members and students of MSLS participated in various sports activities conducted at the Institution level.	22 Feb 2025

Sl No	Activity	Particulars	Date(s)
13	Facility tour	Ms Shravanti Rampalli, Chief Executive Officer, Ignite Life Science Foundation; did a tour of MSLS research facilities.	22 Feb 2025
14	Optica science day	On 24 February 2025, the Manipal Optica student chapter organized a small field visit for the students of nearby schools at MSLS. A booth was set up comprising of various experiments that aimed to explain basic optical concepts and physics phenomena to the students. This event was the product of a collaborative effort of 15 volunteers from the Manipal Optica student chapter from both BSc and MSc courses.	24 Feb 2025
15	Science day at MSLS	In connection with the science day program students of Higher Primary and High Schools of the Academy of General Education and Dr. TMA Pai Foundation, Manipal visited MSLS. Students were briefed about blood grouping and cells along with a laser and optics instrument demonstration.	24 Feb 2025
16	Optica Science Day	On 28 February 2025, Manipal OPTICA student chapter participated and set up their booth at the National Science Day exhibition at Kasturba Medical College (KMC) Greens which comprised of various experiments that aimed to explain basic optical concepts and phenomena to the visiting students. This event was the product of a collaborative effort of 12 volunteers from the Manipal Optica student chapter. The booth comprised of experiments such as: Ear model, Infinity well, Polarizer, and Rainbow peephole; through which the students were introduced to key concepts related to light such as reflection, refraction, diffraction, divergence, and convergence. They received comprehensive descriptions about the meaning behind these experiments and took part in engaging discussions with our volunteers.	28 Feb 2025
17	Prof J V Bhat Memorial Oration	MSLS, MAHE organized the 19th annual MAHE Prof JV Bhat Memorial Oration, delivered by Dr Suman Kumar Dhar, Vice Chancellor, TERI-School of Advanced Studies, New Delhi on 3 March 2025 in the presence of Dr Sharath K Rao (Pro Vice Chancellor, Health Sciences, MAHE, Manipal) and Dr B S Satish Rao (Director, MSLS, Manipal). The annual event commemorates the birthday of late Professor Janardhan Venkatesh Bhat for his significant contributions to scientific research in microbiology by awarding an eminent Indian scientist who has excelled in this area of research.	3 Mar 2025
18	Interaction	Interaction and discussion with Dr Suman Kumar Dhar, TERI-SAS, Delhi.	3 Mar 2025

Sl No	Activity	Particulars	Date(s)
19	Road show	Road show and a talk on "Access the full richness of biological complexity with single cell and spatial multiomics" by Dr Benson Lim, GeneX India Bioscience Pvt Ltd Chennai and a Dry Demo was conducted using the chromium instrument.	13 Mar 2025
20	Road show	A roadshow by Shri Siddhivinayaka agency in association with Abdos Lifesciences was held on 18 March 2025.	18 Mar 2025
21	Awareness lecture	Awareness program on making our campus "Nasha Mukt" by Dr Samir Kumar Praharaj, Department of Psychiatry, KMC, Manipal.	18 Mar 2025
22	Baccha Party—OPTICA	On 6 April 2025, the Manipal Optica student chapter organized a small "Baccha Party" for the children of teaching and non-teaching staff at MSLS, MAHE, Manipal. Various fun and engaging activities were arranged for the kids according to their age-groups. This event was a result of the collaborative effort of ten volunteers from Optica. The volunteers welcomed children to capture memories at the photobooth, which was equipped with a variety of fun and engaging props. After an introductory session, various activities followed including an origami session, colouring, cup stacking, and Optical Society of America (OSA) glass refraction experiment. The children were provided with crayons and they coloured the distorted images, which were later viewed through the OSA glass. They unleashed their creative and imaginative side as they tried to figure out what the images were. The second group consisted of older children who appreciated science-based quizzes. The first activity was a quiz of microscopic images; children enjoyed this quiz and were intrigued by the images. They also got to learn briefly about electron microscopes. The next activity was a word quiz using a periodic table. It was a fun and engaging activity where they had to decode words using the periodic table. They were also introduced to morse code and were given a few riddles with answers in morse; which they could decode.	6 Apr 2025
23	Interaction	Faculty interaction with Dr Pravin Nair, Biocon Biologics Limited, Bengaluru.	16 Apr 2025

Sl No	Activity	Particulars	Date(s)
24	Interaction	Interaction of faculty and students with Mr Marc Lamy—Consulate General of France and Ms Vinisha Paiva, Deputy Attaché for Academic and Scientific Cooperation, Embassy of France.	28 Apr 2025
25	Roadshow	Roadshow/marketing by Thermo Fisher Scientific, Bengaluru.	9 May 2025
26	Study tour	Eight MSc Zoology students accompanied by three faculty members from Department of Zoology, IDSG government college, Chikkamagaluru visited MSLS to provide the students with exposure to ongoing research methodologies, laboratory practices, and innovations in the field of biotechnology. Such an experience is highly beneficial in enhancing understanding of modern scientific approaches relevant to zoological studies.	16 May 2025
27	Study visit	25 undergraduate students from Canara College, Mangalore; accompanied by faculty members Ms Madhushree and Ms Sushama, visited MSLS. The visit aimed to expose students to advanced research infrastructure and ongoing scientific projects at MSLS.	21 May 2025
28	World environment day	Faculty and students participated in the celebration of World Environment Day, organized by MAHE on 5 June 2025.	5 Jun 2025
29	Demonstration	Demonstration of the vibrotome machine for MSLS technicians and faculty members.	12 Jun 2025
30	Visit of Shri Hariom Mittal	Shri Hariom Mittal, Scientist-'C' from GoI; visited MSLS and held discussions with the faculty.	18 Jun 2025
31	Webinar by Dr Sanjivan Gautam	Webinar on Tackling solid tumor microenvironment to enhance efficacy of immunotherapies by Dr Sanjivan Gautam, PhD, Director, Cell Therapy, and Immuno-Oncology, Head of T Modulation AstraZeneca, US.	28 Jun 2025

Sl No	Activity	Particulars	Date(s)
32	Webinar by Dr Marc-Antoine Turcotte	Webinar on antisense oligonucleotides targeting RNA structure in Parkinson's disease by Dr Marc-Antoine Turcotte, Post-doctoral fellow, Department of Biochemistry and Functional Genomics, Faculty of medicine and health sciences, Université de Sherbrooke, Canada.	11 Jul 2025
33	BSc orientation day	Orientation was conducted for newly joined BSc Biotechnology program students which included familiarization with MAHE facilities.	16 Jul 2025
34	Interaction	Dr Benu Brata Das, Kolkata interacted and discussed with MSLS faculty members, research scholars, and undergraduate students.	20 –24 Jul 2025
35	International youth day	The launch of the Viksit Bharat Yuva Connect Programme (VBYCP) on the occasion of international youth day (12th August 2025), a student debate was organized by MSLS, MAHE on 5th August 2025, from 11:00 AM to 1:00 PM.	5 Aug 2025
36	MSc orientation day	Orientation was conducted for newly joined MSc program students which included familiarization with MAHE facilities.	7 Aug 2025
37	Short films and documentaries on anti-ragging	Short films and documentaries on anti-ragging from University Grants Commission (UGC) websites were screened for the students. Faculty members also conducted sessions to sensitize students about the harmful impact of ragging and the importance of creating a safe and supportive campus environment. The message that "ragging is crime" was passed to the student community of our college and awareness was made not to indulge in those activities. Students were informed about the anti-ragging committee of the college and provided with the tollfree number (1800-180-5522) and email contact (helpline@antiragging.in) for filing anti-ragging complaints.	13 Aug 2025
38	Oath-taking ceremony	An oath-taking ceremony against substance abuse was conducted on 13th August 2025 at MSLS to raise awareness among students about the harmful effects of drug and substance abuse. The event aimed to encourage individuals to pledge themselves to a healthy, drug-free lifestyle and to promote collective responsibility in combating this growing issue.	13 Aug 2025
39	Awareness lecture	Awareness lecture on "Sensitisation on prevention of sexual harassment at workplace" by Dr Geetha Maiya, Director,	13 Aug 2025

Sl No	Activity	Particulars	Date(s)
		Student Affairs, organized by Peer Support Club and Student Council, MSLS for Ist semester BSc and MSc students.	
40	Fire safety training	Fire safety training session for Ist semester BSc, MSc, Research scholars, teaching and non-teaching staff by Leslie Joseph D'Souza, Chief Fire Safety Officer, MAHE was conducted.	21 Aug 2025
41	Research delegation	Research delegation from Santosh Deemed to be University, Ghaziabad, Uttar Pradesh by Dr Akshay Bhargava, Dean, Faculty of Dentistry; Dr Jyoti Batra, Dean- Research; Dr Lokesh Chandra, Professor of Oral and Maxillofacial Surgery; and Dr Shuvojit Moulik, Scientist; visited MSLS research facilities and discussed with faculty.	21 Aug 2025
42	Interaction	Anusandhan National Research Foundation—Partnerships for Accelerated Innovation and Research (ANRF-PAIR) program on the theme “One Health”— Workshop 1, niversity Representatives from Kuvempu University, Tumkur University, Mysore University, Central University of Kerala and Goa University interacted with MSLS faculty members and discussed about projects and facilities.	22 Aug 2025
43	Interaction	Interaction of MSLS faculty members with Dr Srinivas V Kaveri (Adjunct Faculty), Director of Centre national de la recherche scientifique (CNRS), New Delhi, India, at MSLS.	4 Sep 2025
44	Interaction	Interaction of Director and Associate Directors with Mr Nitin Pai, Co-founder and Director of the Takshashila Institution.	23 Sep 2025
45	Facility tour and faculty interaction	The Delegation from Deakin University, Australia—Ms Janine McBurnie, Head, School of Life and Environment Sciences and Dr Motilal Mathesh, Professor, Biotechnology, School of Life and Environment Sciences; visited MSLS facilities and interacted with faculty members.	25 Sep 2025
46	Toy collection drive	As part of the Volunteer Services Organization (VSO) activity, toy collection boxes were strategically placed across campus to gather pre-loved toys from students and staff, destined for underprivileged children in need. The initiative encouraged generosity and recycling, spreading happiness through thoughtful donations.	1 – 8 Oct 2025
47	Baccha Party	"Baccha Party" event was organized for the children of MAHE employees as part of a joint event between Manipal Optica student chapter and VSO's "Daan Utsav".	5 Oct 2025

Sl No	Activity	Particulars	Date(s)
48	Sanjeevani visit	MSLS students visited the paediatric ward at Sanjeevani, bringing cheer with fun games, crafts, and interactive playtime for hospitalized children. The session aimed to uplift spirits, offering laughter and distraction during their recovery.	6 Oct 2025
49	Facility visit and interaction 	Facility visit and interaction by Dr Robert Taylor, University of Newcastle, UK; Dr Sarah Pickett, University of Newcastle, UK; Dr Robert McFarland, University of Newcastle, UK; Dr Andrew Schaefer, University of Newcastle, UK; Dr David Stroud, University of Melbourne, Australia.	8 Oct 2025
50	Fundraising event	Carnival fundraising event by MSLS student council.	11 Oct 2025
51	Blood donation drive	VSO and MSLS jointly conducted a blood donation drive. Faculty members, research scholars, students, teaching and non-teaching staff voluntarily donated blood.	13 Oct 2025
52	Accessory making for kids	MSLS's creative team spent days designing and crafting colourful, fun accessories like bracelets, hairbands, and ornaments specifically for Project Sanjeevani , KMC Pediatric Ward children. The process was both artistic and fulfilling, sparking enthusiasm among participants.	18 – 28 Oct 2025
53	Outreach program	OPTICA Student Chapter members conducted a outreach program at BM English Medium High School, Parkala. The agenda for the Outreach is to interact with school students and help them to understand the concepts through experiential learning - basic experiments which includes – reflection, refraction, polarisation, etc along with some science quizzes and games	25 Oct 2025
54	Virtual manipal biotech hackathon 2025	Manipal-GoK Bioincubator-BioNEST and its Student Entrepreneurship Cell, in association with MSLS; Department of Biotechnology, MIT, Manipal; and Department of Biotherapeutics Research, MAHE, Manipal organized a virtual Manipal BioTech Hackathon 2025.	1 Nov 2025
55	Study tour	As part of the academic curriculum for Vth semester students of the Department of Botany, Desheeya Vidhyashala Samithi (DVS) College of Arts and Science, Shivamogga, visited MSLS on 6th November 2025 with a group comprising 40 students and four faculty members. The objective of this visit was to provide the students with practical exposure to advanced instrumentation techniques and their scientific applications.	6 Nov 2025

Details of Guest Visit (lectures, collaboration, visitors on campus)

Guest lectures

Sl No	Visitor	Name of the Organization	Purpose of visit	Date of visit
1	Dr Kailash Manda	Scientist-F and Head, Division of Behavioural Neurosciences, Institute of Nuclear Medicine and Allied Sciences, Timarpur	Guest talk titled "Blastwave Neurotrauma: Mitigation and Management."	2 Jan 2025
2	Dr Nitish R Mahapatra	Professor, Department of Biotechnology, Bhupat and Jyoti Mehta School of Biosciences, Indian Institute of Technology, Madras, Chennai	Guest talk titled "Pancreastatin: a novel regulator of cardiometabolic disease."	6 Jan 2025
3	Dr C N Neeraja	Head and Principal Scientist (Plant Biotechnology), Indian Council of Agricultural Research (ICAR)–Indian Institute of Rice Research, Rajendranagar, Hyderabad	Guest talk titled "Cereal biofortification."	16 Jan 2025
4	Dr Kaushita Banerjee	School of Biosciences and Technology, Vellore Institute of Technology, Vellore, India (Current Affiliation - Nanomaterials Research Institute, Advanced Industrial Science and Technology (AIST), Tsukuba, Japan)	DBT-AIST International Laboratory for Advanced Biomedicine (DAILAB) CAFÉ SERIES 98 lecture titled "Biocompatible Alkyl Polyglucoside-stabilized plant oil emulsions: A sustainable approach for antimicrobial, anti-inflammatory, and wound healing applications."	20 Jan 2025
5	Dr Arijit Mukhopadhyay	Reader, School of Science, Engineering and Environment, University of Salford, UK	Guest talk titled "Integrating genomics into healthcare."	24 Jan 2025
6	Dr P Palani	Director and Head, Centre for Advanced Study in Botany, University of Madras, Guindy Campus, Chennai, Tamil Nadu	Guest talk titled "Bacteriophages: A novel biocontrol agent for the control of leaf blight disease in rice."	4 Feb 2025
7	Dr Chandima J Narangoda	Director, Center for Advanced Material Research (CAMR), University of Sri Jayewardenepura, Sri Lanka	Guest talk titled "Bridging chemistry: Materials with purpose."	5 Feb 2025
8	Dr Basappa	Chairman and Associate Professor, Department of Studies in Organic Chemistry, University of Mysore, Manasagangothri, Mysore	Guest talk titled "Chemical Biology of small molecules targeting cancer and infectious disease."	8 Feb 2025
9	Dr Swarupa Panda	European Molecular Biology Organization (EMBO) Long Term Fellow, Department of Molecular Cell Biology, Center for Cancer Biomedicine, Institute for Cancer research, Oslo University Hospital, Montebello, Norway	Guest talk titled "Ferroptosis at the crossroads of infection, inflammation and cancer."	14 Feb 2025
10	Dr Ingo Schiessl	Associate Dean Internationalization for the Faculty of Biology, Medicine and	Guest Talk titled "Pre-clinical models for biomedical research."	18 Feb 2025

Sl No	Visitor	Name of the Organization	Purpose of visit	Date of visit
		Health, University of Manchester, England		
11	Dr Siddabasave Gowda B	Faculty of Health Sciences, Graduate School of Global Food Resources, Hokkaido University, Japan	DAILAB CAFE SERIES 99 lecture titled "Application of lipidomics for food analysis and elucidate the influence of diet on metabolism ."	25 Feb 2025
12	Dr Samir Kumar Praharaj	Department of Psychiatry, KMC, Manipal	Awareness lecture on making Manipal "Nasha Mukt".	18 Mar 2025
13	Dr Seemesh Bhaskar	Carl R Woese Institute for Genomic Biology (IGB) Fellow, University of Illinois, Urbana - Champaign	Guest talk titled "Optics without borders: How light and nanotechnology are reshaping disease diagnostics."	5 Apr 2025
14	Dr Manas Kumar Santra	National Centre for Cell Science (NCCS) Complex, Pune University Campus, Pune	Guest talk titled "The life and death of proteins: life of a cell."	25 Apr 2025
15	Dr Pramod Kumar and Mr Ashish Sharma	Technology, Translation, and Innovation (TTI) Division, Department of Science and Technology, Government of India	Visited MSLS on 22nd May 2025. The purpose of this visit was for DST-Medical Instruments, Devices and Allied Services (MIDAS) hub, MAHE in the context of technology, translation, and innovation.	22 May 2025
16	Dr Ravi Ram Kristipati	Senior Principal Scientist, Environmental Toxicology, Council of Scientific and Industrial Research (CSIR)-Indian Institute of Toxicology Research Lucknow, Uttar Pradesh	Guest talk titled " Estrogen-Related Receptor (ERR) is human: *Drosophila* as a model for male reproductive disruption."	12 Jul 2025
17	Professor Benu Brata Das	Professor, School of Biological Sciences, Indian Association for the Cultivation of Science, Kolkata	Guest talk titled "Decoding disease: How nuclear and mitochondrial DNA breaks lead to genomic instability."	22 Jul 2025
18	Dr Rajesh Kumar Kar	Associate Research Scientist, Deptartment of Hematology / Neurosurgery, Yale School of Medicine	Guest talk titled "Transcription and translation regulation in yeast to human neurodevelopmental disorders and cancer."	5 Aug 2025
19	Dr Charith Raj Adkar	International Faculty	Talk title "Viroids: the simplest RNA model."	8 Aug 2025
20	Dr Varadharajan S	Deputy Director, Intellectual Property (IP) and technology translation, MAHE, Manipal	Talk on Intellectual Property Rights (IPR).	26 Aug 2025
21	Professor Ullas Kolthur-Seetharam	Director, Biotechnology Research and Innovation Council - Centre for DNA Fingerprinting and Diagnostics (BRIC-CDFD), Hyderabad	Guest talk titled "Physiological and molecular plasticity: metabolic diseases and aging."	24 Sep 2025
22	Dr Eswar Shankar P N	Research Assistant Professor, Department of Internal Medicine, Division of Medical Oncology, The Ohio State University Columbus, Ohio, US	Guest talk titled "Combinatorial therapeutic strategies targeting EZH2 in triple-negative breast cancer."	26 Sep 2025

Sl No	Visitor	Name of the Organization	Purpose of visit	Date of visit
23	Dr Sanjeev Kumar Mahto	Associate Professor, School of Biomedical Engineering, Indian Institute of Technology, Banaras Hindu University (IIT (BHU)), Varanasi	Guest talk on future prospects in biotechnology.	6 Nov 2025
24	Dr Sanjeev Kumar Mahto	Associate Professor, School of Biomedical Engineering, IIT (BHU), Varanasi	Scientific talk titled "Tissue engineered medical devices and solutions."	7 Nov 2025
25	Dr Sanjeev Kumar Mahto	Associate Professor, School of Biomedical Engineering, IIT (BHU), Varanasi	Guest talk titled "Tools and techniques in tissue engineering and its future prospects."	8 Nov 2025
26	Dr Mahesha Manjunatha Poojary	Associate Professor, Department of Food Science, University of Copenhagen, Denmark	Guest talk on alternative proteins for the future.	10 Nov 2025
27	Dr Mahesha Manjunatha Poojary	Associate Professor, Department of Food Science, University of Copenhagen, Denmark	Guest talk titled "Alternative proteins for the future."	10 Nov 2025

Books/chapters authored by faculty members

Sl No	Name of the Book	Chapter(s) name (if authored, chapters only)	Faculty members	Publisher	Date
1	Advances in Biogerontology	Chapter 9: Cerium oxide-based redox active antioxidant and anti-inflammatory biomaterial for wound healing applications.	Dr Bhisham Narayan Singh	Academic Press	1 Jan 2025
2	Liver cancer and Phytomedicine: Chemoprevention, Chemo Sensitization, and Chemotherapy Strategies	Chapter 5: Phytochemicals to target Sorafenib resistance pathways in liver cancer.	Dr Shama Prasada Kabekkodu	World Scientific Publishing	1 Mar 2025

Sl No	Name of the Book	Chapter(s) name (if authored, chapters only)	Faculty members	Publisher	Date
3	Preclinical cancer models for translational research and drug development	Chapter 4: In-depth analysis of self-assembly processes in *in vitro* spheroidal and organoid systems mechanisms and drug development.	Dr Shama Prasada Kabekkodu	Springer Nature	14 Mar 2025
4	Biotechnology, Multiple Omics, and Precision Breeding in Medicinal Plants	Chapter 30: Occurrence, functional properties of plant vitamins and biotechnological approaches for their improved production.	Dr Annamalai Muthusamy	Chemical Rubber Company (CRC) Press.	27 Mar 2025
5	Biotechnology, Multiple Omics, and Precision Breeding in Medicinal Plants	Chapter 31: Designer medicinal and aromatic crops: development and characterization of improved bioactive molecules for viral diseases.	Dr Annamalai Muthusamy	CRC Press	27 Mar 2025
6	Epigenetics of Cervical Cancer	Chapter 4: Microbiome and epigenetic interactions in cervical cancer.	Dr Shama Prasada Kabekkodu	Springer Science + Business Media	11 Apr 2025
7	Epigenetics of Cervical Cancer	Chapter 5: Role of DNA methylation in cervical cancer.	Dr Sanjiban Chakrabarty	Springer Science + Business Media	11 Apr 2025
8	Epigenetics of Cervical Cancer	Chapter 7: Role of miRNAs in cervical cancer.	Dr Shama Prasada Kabekkodu	Springer Science + Business Media	11 Apr 2025
9	Epigenetics of Cervical Cancer	Chapter 8: Contribution of long noncoding RNAs and other noncoding RNAs in cervical cancer.	Dr Shama Prasada Kabekkodu	Springer Science + Business Media	11 Apr 2025
10	Epigenetics of Cervical Cancer	Chapter 6: Chromatin remodeling in cervical tumor cells regulates proangiogenic genes.	Dr Manjunath B Joshi	Springer Science + Business Media	11 Apr 2025
11	Epigenetics of Cervical Cancer	Chapter 10: Role of epigenetics in cervical cancer radiotherapy treatment outcomes.	Dr Kamalesh Dattaram Mumbrekar and Dr Shama Prasada Kabekkodu	Springer Science + Business Media	11 Apr 2025
12	Epigenetics of Cervical Cancer	Chapter 2: Epigenetic mechanisms and functions.	Dr Shama Prasada Kabekkodu	Springer Science + Business Media	11 Apr 2025
13	Epigenetics of Cervical Cancer	Chapter 3: HPV as an inducer of epigenetic changes in cervical cancer.	Dr Shama Prasada Kabekkodu	Springer Science + Business Media	11 Apr 2025

Sl No	Name of the Book	Chapter(s) name (if authored, chapters only)	Faculty members	Publisher	Date
14	Recent Advances in Infrared Spectroscopy and Its Applications in Biotechnology	Chapter 6: Fourier transform infrared (FTIR) spectroscopy of biomolecules.	Dr Nirmal Mazumder	Books on Demand	25 Apr 2025
15	Anthraquinones: Bioactive Multifaceted Therapeutic Agents, (Volume 3): Series Title: Bentham Briefs in Biomedicine and Pharmacotherapy	Anthraquinone derivatives as potent anti-cancer agents.	Dr Roopa Nayak	Bentham Books	1 May 2025
16	Nanocarriers in Plant Science and Agriculture	Chapter 14: Potential impact of nanocarriers in prevention and management of plant fungal diseases.	Dr Annamalai Muthusamy	Idea Group Incorporated (IGI) Global Scientific Publishing	1 May 2025
17	Biophysical Techniques in Biosciences: From Fundamentals to Advanced Applications	Chapter 7: Eggshell membrane as biomaterial for tissue engineering.	Dr Bhisham Narayan Singh	CRC Press	8 May 2025
18	Biophysical Techniques in Biosciences: From Fundamentals to Advanced Applications	Chapter 11: Animal models of obsessive-compulsive disorder.	Dr Gireesh Gangadharan	CRC Press	8 May 2025
19	Biophysical Techniques in Biosciences: From Fundamentals to Advanced Applications	Chapter 13: High-performance liquid chromatography (HPLC): Analytical technique for component identification and purification across diverse industries.	Dr Babitha K S	CRC Press	8 May 2025
20	Biophysical Techniques in Biosciences: From Fundamentals to Advanced Applications	Chapter 5: Characterization and identification of novel bacterial exopolysaccharides.	Dr Sudharshan Prabhu	CRC Press	8 May 2025
21	Biophysical Techniques in Biosciences: From Fundamentals to Advanced Applications	Chapter 6: Bioactive glasses: synthesis, characterization and its bioactivity.	Dr Bhisham Narayan Singh	CRC Press	8 May 2025
22	Biophysical Techniques in Biosciences: From Fundamentals to Advanced Applications	Chapter 10: Machine learning approach in nonlinear optical microscopy.	Dr Nirmal Mazumder	CRC Press	8 May 2025
23	Biophysical Techniques in Biosciences: From Fundamentals to Advanced Applications	Chapter 1: Cancer metabolism: Advanced biophysical techniques for diagnosis and research.	Dr Vidhu Sankar Babu	CRC Press	8 May 2025

Sl No	Name of the Book	Chapter(s) name (if authored, chapters only)	Faculty members	Publisher	Date
24	Biophysical Techniques in Biosciences: From Fundamentals to Advanced Applications	Chapter 2: Applications of spectroscopy in biology and medicine.	Dr Krishna Kishore Mahato	CRC Press	8 May 2025
25	Biophysical Techniques in Biosciences: From Fundamentals to Advanced Applications	Chapter 4: Current updates on photoacoustic-based techniques for breast cancer diagnosis.	Dr Krishna Kishore Mahato	CRC Press	8 May 2025
26	Biophysical Techniques in Biosciences: From Fundamentals to Advanced Applications	Chapter 3: Advances and challenges with oral cancer diagnosis.	Dr Krishna Kishore Mahato	CRC Press	8 May 2025
27	Biophysical Techniques in Biosciences: From Fundamentals to Advanced Applications	Chapter 12: Multidimensional high-performance thin-layer chromatography (HPTLC): Instrumentation, techniques and applications.	Dr Babitha K S	CRC Press	8 May 2025
28	Recent Advances in Infrared Spectroscopy and Its Applications in Biotechnology	Chapter 1. Introductory chapter: Introduction to infrared spectroscopy – Biotechnological applications.	Dr Nirmal Mazumder	IntechOpen	21 May 2025
29	Next-Generation Sequencing	Chapter 3: Streamlining next-generation sequencing data analysis with nextflow and nf-core pipelines.	Mr Sandeep Mallya and Dr Bobby Paul	CRC Press	30 May 2025
30	Artificial Intelligence and Biological Sciences	Chapter 1: Overview of artificial intelligence.	Dr Shama Prasada K	CRC Press	17 Jun 2025
31	Handbook of Regenerative Medicine: Stem Cell-based Approach.	Chapter 26: Role of stem cells in diabetes, liver disease, and cancer treatment.	Dr Manash K Paul	CRC Press	3 Jul 2025
32	Advances in Regenerative Medicine and Tissue Engineering	3D-bioprinting for lung and tracheal bioengineering: An overview.	Dr Bhisham Narayan Singh and Dr Manash K Paul	IntechOpen	18 Jul 2025
33	Organoid Technology: Disease Modelling, Drug Discovery, and Personalized Medicine	Chapter 1: Bioengineering organoids for disease modeling and drug discovery.	Dr Manash K Paul	Bentham Science	21 Jul 2025
34	Organoid Technology: Disease Modelling, Drug Discovery, and Personalized Medicine	Chapter 2: Organoid technology: disease modelling, drug discovery, and personalized medicine.	Dr Manash K Paul	Bentham Science	21 Jul 2025
35	Organoid Technology: Disease Modelling, Drug Discovery, and Personalized Medicine	Chapter 8: Current advances in the use of tumor organoids in lung cancer modeling and precision oncology.	Dr Manash K Paul	Bentham Science	21 Jul 2025
36	Metallic Nanoparticles in Cancer Therapy. Synthesis,	Chapter 7: implications of iron and titanium-based	Dr Manash K Paul	CRC Press	23 Sep 2025

Sl No	Name of the Book	Chapter(s) name (if authored, chapters only)	Faculty members	Publisher	Date
	Applications, and Regulatory Considerations	nanoparticles for cancer therapy.			
37	Advances in Regenerative Medicine and Tissue Engineering	Introductory chapter: Advances in regenerative medicine and tissue engineering.	Dr Manash K Paul and Dr Bhisham Narayan Singh	IntechOpen	24 Sep 2025
38	Advanced Biophysical Techniques in Biosciences	Chapter 2: Computational approaches employing biophysical principles for drug discovery and biomolecular interactions.	Dr Budheswar Dehury	Springer	1 Oct 2025
39	Advanced Biophysical Techniques in Biosciences	Chapter 9: Collagen for health.	Dr Nirmal Mazumder and Dr Bharath Prasad A S	Springer	1 Oct 2025
40	Nanodiagnostics to Identify and Detect Microbial Infections and Antimicrobial Resistance. Volume 1 - Nanotheranostics, Microbial Infections, and Antimicrobial Resistance	Chapter 1: Epidemiological coverage and mechanisms of antimicrobial resistance: a globalized view.	Dr Bhisham Narayan Singh	Academic Press	1 Oct 2025
41	Advancements in the Treatment and Prevention of Breast Cancer	Chapter 14 : Multimodal therapies for residual, recurrent, and metastatic breast cancer.	Dr Shama Prasada Kabekkodu	Academic Press	1 Oct 2025
42	Advanced Biophysical Techniques in Biosciences	Chapter 11: Nonlinear optical microscopy for cancer diagnosis.	Dr Nirmal Mazumder	Springer	1 Oct 2025

Details of Research Grants

Sl No	Project name	Principal investigator	Funding agencies	Total grants received (INR)	Date(s)
1	Fellowship on investigating the role of calcium exosomal axis associated signaling pathways in cervical cancer	Ms Sangavi E	Indian Council of Medical Research (ICMR), New Delhi	1,25,855	3 Jan 2025
2	Fellowship under Innovation in Science Pursuit for Inspired Research (INSPIRE) program for Student pursuing full-time doctoral (PhD) program at MAHE	Ms Apoorva B S	DST, New Delhi	5,26,577	16 Jan 2025 - 06 Nov 2025
3	Development of a microfluidics-based diagnostic device for detection of major multi-drug	Dr T S Murali	Scheme for Promotion of Academic and Research	20,14,439	28 Jan 2025 - 20 Dec 2025

Sl No	Project name	Principal investigator	Funding agencies	Total grants received (INR)	Date(s)
	resistant bacteria in diabetic foot ulcers		Collaboration (SPARC), New Delhi		
4	Development of quantum enhanced multimodal nonlinear optical microscope integrated with learning for oral cancer screening and diagnosis	Dr Nirmal Mazumder	ICMR, New Delhi	1,30,17,752	5 Feb 2025 - 31 Dec 2025
5	Elucidating the cryosusceptibility and mitochondrial dynamics of oocytes and embryos under maternal metabolic conditions	Dr Shama Prasad Kabekkodu	ICMR, New Delhi	3,00,668	24 Feb 2025
6	Non-invasive marker for screening of squamous cell carcinoma of a cervix	Dr Shama Prasad Kabekkodu	SPARC, New Delhi	19,70,260	27 Feb 2025 - 20 Dec 2025
7	Establishment biochip-based cell free DNA repair assay for cancer treatment outcome prediction	Dr Kamalesh D Mumbrekar	ICMR, New Delhi	14,90,575	10 Mar 2025
8	Cancer-on-Chip: Developing a state-of-the-art microfluidic diagnostic Organ-on-Chip (OoC) platform to study *ex vivo* chemo radiation sensitivity in breast cancer patients	Dr Sanjiban Chakrabarty	ICMR, New Delhi	32,31,906	31 Mar 2025
9	Association of Southeast Asian Nations (ASEAN) Indian collaborative research project Artificial Intelligence (AI)-enhanced classification and grading of duct al carcinoma using polarization microscopy for early disease intervention	Dr Nirmal Mazumder	SERB, New Delhi	17,85,264	28 Apr 2025
10	Design and development of a machine learning-enabled autofluorescence device for preoperative breast lump diagnosis and intraoperative breast tumour margin assessment	Dr Krishna Kishore Mahato	ICMR, New Delhi	17,10,445	27 May 2025
11	Label-free AGE's fingerprinting in diabetic serum proteome: a clinical study	Dr Krishna Kishore Mahato	ICMR, New Delhi	7,39,726	13 Jun 2025
12	Investigating the role of chromosome 14 miRNA cluster in epithelial cell transformation and its contribution to cervical cancer progression	Dr Shama Prasad Kabekkodu	DBT/Wellcome Trust India Alliance, New Delhi	44,00,493	16 Jul 2025
13	Investigating the role of Tripartite Motif proteins (TRIM) proteins in regulating hypoxia induced mitophagy in tumor model	Dr Bhaskar Saha	Board of Research in Nuclear Sciences	21,91,500	22 Jul 2025

Sl No	Project name	Principal investigator	Funding agencies	Total grants received (INR)	Date(s)
			(BRNS), New Delhi		
14	Fellowship on genetic factor of *Plasmodium falciparum* and *Plasmodium vivax* associated with infection transmission and drug response	Ms Varijakshi Chandrasekharappa,	ICMR, New Delhi	2,85,631	13 Aug 2025
15	Travel grant for attending 2nd European Federation for Medicinal chemistry and Chemical biology (EFMC) international symposium on chemical biology, Switzerland (From 29 to 31 Jan 2025) held in Basel, Switzerland	Ms Padmini Pai	SERB, New Delhi	1,22,728	14 Aug 2025
16	Fellowship development of molecular and metabolite reference library for authentication of medicinal plants	Mr Vinay C M	ICMR, New Delhi	42,809	16 Sep 2025
17	Travel grant for attending "Focus on Microscope (FOM 2025)" conference (From 13 to 16 April 2025–) held in Taipei, Taiwan	Mr Gagan	SERB, New Delhi	87,110	30 Sep 2025
18	Exploring the potential of targeting hypoxia induced mitophagy regulatory functions of TRIM proteins to develop novel anticancer treatment strategies	Dr Bhaskar Saha	SERB, New Delhi	2,71,333	30 Sep 2025 - 31 Dec 2025
19	Generative AI-driven discovery of novel small molecules inhibiting mycobacterial Iron–Sulfur Protein Rv0338c (IspQ)	Dr Budheswar Dehury	SERB, New Delhi	7,86,894	30 Sep 2025 - 31 Dec 2025
20	Exploring the potential of modulating the pro-survival functions oof mitophagy to develop novel anticancer treatment strategies	Dr Bhaskar Saha	DBT, New Delhi	2,98,663	30 Sep 2025 - 31 Dec 2025
21	Delineating the genomic basis of neurodegeneration and mitochondrial disorders associated with defective DNA break repair	Dr Sanjiban Chakrabarty	ICMR, New Delhi	17,87,373	9 Oct 2025
22	Ramanujan fellowship nomination	Dr Bhaskar Saha	SERB, New Delhi	4,67,818	31 Oct 2025 - 31 Dec 2025
23	Neural circuit mechanisum of obsessive-compulsive disorder-like checking behaviour in mice: A study with a special focus on the role of hippocampo-medial prefrontal cortical neuronal circuit	Dr Gireesh G	DBT, New Delhi	1,28,490	31 Oct 2025 - 31 Dec 2025

Sl No	Project name	Principal investigator	Funding agencies	Total grants received (INR)	Date(s)
24	Targeting neutrophils to improve anti-microbial host defense and enhance resolution of inflammation: Implications in maintaining immune homeostasis in Type 2 Diabetes	Dr Manjunath B Joshi	SERB, New Delhi	63,152	31 Oct 2025 - 31 Dec 2025
25	Biological, mechanistic, and functional analysis of extracellular vesicle RNA in diabetic foot ulcer pathogenesis	Dr T S Murali	SERB, New Delhi	1,53,558	31 Oct 2025 - 31 Dec 2025
26	DST Inspire fellowship for student pursuing full-time doctoral (PhD) Program	Mr Shaik Basha	DST, New Delhi	81,400	06 Nov 2025 - 31 Dec 2025
27	Understanding the role of TRIM proteins in hypoxia induced mitophagy in connection to radio-resistance	Dr Bhaskar Saha	VGST, Bangalore	5,00,000	10 Nov 2025
28	Fellowship for project entitled "Cancer Integromics identifying the cancer signature through multi-omis data intergration"	Mr Pradyumna J	ICMR, New Delhi	12,839	13 Nov 2025
29	Fellowship on regulation and biological function of ZNF471 in cancer	Ms Poonam Bhandari	ICMR, New Delhi	5,22,501	19 Nov 2025
30	DBT_Builder- Interdisciplinary Life Science Programme for Advance Research and Education (DB-ILSPARE)	Dr Krishna Kishore Mahato	DBT, New Delhi	9,53,016	24 Nov 2025 - 31 Dec 2025
31	Understanding the mechanisms of fucoidan fractions from brown algae possessing biostimulant and growth-hormone like activity for application in crop plants	Dr Annamalai Muthusamy	Science and Engineering Research Board (SERB), New Delhi	2,78,196	25 Nov 2025 - 31 Dec 2025
32	A molecular understanding of mitochondrial disorder in an Indian patient cohort: a new avenue for molecular diagnosis, therapeutics, and disease management	Dr Sanjiban Chakrabarty	SERB, New Delhi	200.00	25 Nov 2025 - 31 Dec 2025
33	Developing microengineered human non-small cell lung cancer organoids-on-chips (OrgOCs) platform to investigate the role of Wnt/B-catenin signaling on tumor proliferation and tumor-stomal interactions	Dr Manash Kumar Paul	Vision Group on Science and Technology (VGST), Bangalore	1,50,000	26 Nov 2025
34	Travel grant to attend the 8th Venusberg Meeting on neuroinflammation held in Maison du Savoir, Luxembourg	Mr Venkidesh B S	SERB, New Delhi	1,19,258	31 Dec 2025

Sl No	Project name	Principal investigator	Funding agencies	Total grants received (INR)	Date(s)
35	Exploring the therapeutic potential of metformin and acarbose co-administration strategy on improving the functional competence of oocyte, embryo development and fetal development in experimentally induced polycystic ovary syndrome (PCOS) and type II diabetes	Dr Manjunath B Joshi	ICMR, New Delhi	45,974	28 Apr 2026–28 Apr 2025
36	Exploring the potential of modulating the pro-survival functions oof mitophagy to develop novel anticancer treatment strategies	Dr Bhisham Narayan Singh	DBT, New Delhi	4,39,132	31 Oct 2026–31 Dec 2025

Patent details

Details of patent filed

Sl No	Name	Date
1	A method and composition for biosensing using hybrid interface of functionalized graphene and noble.	1 Jan 2025
2	Knee rest device.	28 Jan 2025
3	A method for enhancing fluorescence signal using a customized cuvette with Aluminium coating.	11 Mar 2025
4	System and method for a multi-modal fluidic device to detect heavy metals.	15 Mar 2025
5	Metal-coated cuvette for enhancing the fluorescence signal strength and method of preparation thereof.	18 Mar 2025
6	A method for diagnostic characterization of ischemic stroke subtypes using plasma metabolomic biomarkers.	5 Apr 2025
7	A system and method for portable PCR using thermoplasmonics and microfluidics for rapid diagnostics.	28 Apr 2025
8	An anthocyanin-infused starch-based biopolymer film for real-time food spoilage detection and method.	28 Apr 2025
9	System and method for classification of bacterial and fungal plant diseases from leaf images.	6 May 2025
10	A method and composition of a biodegradable facial cosmetic mask.	8 May 2025
11	A device and method for non-invasive optical detection of bilirubin levels in neonates.	24 May 2025
12	A portable hypoxic device to monitor cellular metabolic changes in biological samples.	12 Jun 2025
13	Compact microvolume photoacoustic cell system for biomolecular fingerprinting and method thereof.	17 Jul 2025
14	System and method for machine learning-assisted identification of nucleosides using photoacoustic spectral fingerprinting.	18 Jul 2025

Sl No	Name	Date
15	Method for detection of bisphenol A (BPA) based on DOC2B (double c2-like domain beta) protein expression.	25 Jul 2025
16	System and method of microphotoacoustic cell for molecular detection of sample.	4 Aug 2025
17	Photoacoustic endoscopic probe device for characterizing tissues based on biomolecular fingerprinting and method thereof.	9 Aug 2025

Details of Patent Granted

Sl No	Name	Date
1	A method of detection of single-nucleotide polymorphism in drug response genes using gold nanoparticles.	29 Jan 2025
2	Method and imaging system for analysing tissue specimen.	29 Oct 2025
3	Apparatus and method for identification of conformational and chemical change in non-enzymatically glycated proteins.	29 Oct 2025

Awards/Recognitions
Faculty members

Sl No	Name	Details	Date
1	Dr ShamaPrasada Kabekkodu and Dr Nirmal Mazumder	They are recognized as top 2% researchers, as published in the August 2025 data-update of the Updated Science-Wide Author Databases of Standardized Citation Indicators (Version 8, DOI: 10.17632/btchxktzyw.8) - Under Single year Category.	31 Aug 2025
2	Dr Nirmal Mazumder	Award for Research Excellence (Best PhD Guide) for the year 2024 under Faculty of Health Sciences, Manipal School of Life Sciences, Manipal on MAHE Research Awards Ceremony, 24th November 2025.	24 Nov 2025
3	Dr Krishna Kishore Mahato	Award for Research Excellence (Overall Researcher) for the year 2024 under Faculty of Health Sciences Presented on MAHE Research Awards Ceremony, 24th November 2025.	24 Nov 2025
4	Dr Nirmal Mazumder	Award for Research Excellence (Overall Researcher) for the year 2024 under Faculty of Health Sciences on MAHE Research Awards Ceremony, 24th November 2025.	24 Nov 2025
5	Dr Nirmal Mazumder	Award for Research Excellence (Publication) for the year 2024 on MAHE Research Awards Ceremony, 24 November 2025.	24 Nov 2025
6	Dr Bhisham Narayan Singh	Award for Research Excellence (Overall Researcher) for the year 2024 under Faculty of Health Sciences Presented on MAHE Research Awards Ceremony, 24 November 2025.	24 Nov 2025
7	Dr Krishna Kishore Mahato	Award for the best research paper under Faculty of Health Sciences for the paper entitled, " Machine learning enabled photoacoustic spectroscopy for noninvasive assessment of breast tumor progression *in vivo*: A preclinical study" by Jackson Rodrigues, Ashwini Amin, Subhash Chandra, Nitufa J Mulla, G Subramanya Nayak, Sharada Rai, Satadru	24 Nov 2025

Sl No	Name	Details	Date
		Ray, and Krishna Kishore Mahato, published in journal titled "ACS Sensors", link—10.1021/acssensors.3c01085.	
8	Dr Krishna Kishore Mahato	Award for Research Excellence (patent granted) for the year 2024 under Faculty of Health Sciences, Presented on MAHE Research Awards Ceremony.	24 Nov 2025
9	Dr Shama K Prasada	Award for Outstanding Research Publications, VGST, Government of Karnataka.	30 Nov 2025
10	Mr Sandeep Mallya	Instrumental in championing the initiative to establish the nodal chapter of International Society for Computational Biology – Student Council Regional Student Group (ISCB-SC RSG) India at MAHE.	31 Dec 2025

Students

Sl No	Name	Details	Date
1	Mr Ayush Khandelwal	Best Oral Presentation award at the international conference on "Cancer Epigenetics: From Laboratory Studies to Precision Medicine" held at MSLS, Manipal, Karnataka, India (22 to 23 Jan 2025.	23 Jan 2025
2	Mrs Manju Thomas	Won second prize-e-poster presentation at Society of Pharmaceutical Education and Research 14th Annual International Conference and Exhibition (SPER 2025), Nitte Gulabi Shetty Memorial Institute of Pharmaceutical Sciences, Nitte (Deemed to be University) Mangalore (24– to 25 Jan 2025).	25 Jan 2025
3	Ms Padmini Pai	SERB International Travel Grant to attend the International Symposium on Chemical Biology. Basel, Switzerland (29 to 31 Jan 2025).	31 Jan 2025
4	Ms Ankitha S, Mr Angel G C, and Ms Gayathri Menon	First place at South Zone Anveshan 2024 student research convention 2024, organized by the Association of Indian Universities (AIU) held at Ramaiah University of Applied Sciences, Bengaluru (20 - 21 Feb 2025)	21 Feb 2025
5	Ms Sreeya Devarakonda	First prize for the poster presentation in "National Laser Symposium-33", held at Medi-caps University, Indore, India (6 to 9 Mar 2025).	9 Mar 2025
6	Ms Shreya Shahapur	BSc Biotechnology, Honors student, secured third prize in AIU Anveshan 2024 International student Research Convention, AIU, held at Chitkara University, Chandigarh (10 to 11 Mar 2025).	11 Mar 2025
7	Ms Swathi S	Won first prize in NanoArt competition, organized by Indian Institute of Sciences (IISc) Bengaluru held on 14 April 2025 and was awarded with 10,000 INR.	14 Apr 2025
8	Dr Padmini Pai	Best poster award for poster presentation at international conference on New Challenges and Innovations in Molecular Medicine (NCIMM-2025) held at the University of Mysore, Manasagangothri, Mysore (28 to 29 May 2025).	29 May 2025
9	Ms Chandni Sachdeva	Received the DBT-Chartered Trust and Estate Planner (CTEP) travel grant to attend the International conference—American Society for Microbiology (ASM) Microbe 2025 conference, held at Los Angeles, US (19 to –23 Jun 2025).	23 Jun 2025
10	Mrs Kausalya Neelavara Makkithaya	Awarded with Council of Scientific and Industrial Research (CSIR) direct senior research fellowship (SRF)	1 Aug 2025

Sl No	Name	Details	Date
11	Ms Ankitha S, Mr Angel G C, and Ms Gayathri Menon	The team OsteoTech from Manipal School of Life Sciences, MAHE, Manipal, was declared as the Winners in the Student Track of the National Bio Entrepreneurship Competition (NBEC) 2025, organized by Centre for Cellular and Molecular Platforms (C-CAMP) at Bengaluru. The award carried a cash prize of 2 lakh INR, sponsored by Accel India, which was presented by Dr Kiran Mazumdar-Shaw, Founder and Executive Chairperson of Biocon, Benhaluru.	23 Aug 2025
12	Ms. Aluru Parithathvi	Received ANRF travel grant to attend the 6th edition of Innovations and State of the Art in Alzheimer's and Dementia (ISAD-2025) conference, held at Berlin, Germany (1 to–2 Oct 2025).	2 Oct 2025
13	Ms Manikanth Karnati and Mr Gagan Raju	Attended the Student Leadership and Frontiers in Optics + Laser Science (FiO+LS) 2025 conference organized by Optica at the Colorado Convention Center in Denver, Colorado, US, from 26–30 Oct 2025. They were among 100 students selected globally for the prestigious Student Leadership Program, which featured specialized workshops on leadership development, effective communication, and international collaboration. Optica graciously supported their participation by providing travel and accommodation. During the conference, both students had the opportunity to present and showcase their research findings to a diverse scientific audience.	30 Oct 2025
14	Ms Gayathri Menon	ES Chemistry and Sustainability Award 2025 at the International Conference on Biomaterials and Healthcare held at IIT Roorkee (27 to 30 Oct 2025.	30 Oct 2025
15	Ms Ankitha S	Received an RCS-IPS James Perkinson and Sukdev Roymahapatra memorial award 2025 for the best poster at Indo-Taiwan international conference on Biomaterials and Health Care 2025 (BioHeal 2025) (27 to 30 Oct 2025).	30 Oct 2025
16	Mrs Debyani Samantray	Best Oral Presentation Award for oral presentation of research at Indian Conference on Bioinformatics 2025 (InBix 2025) held at Netaji Subhash Chandra Bose (NSCB) Medical College, Jabalpur, Madhya Pradesh, India (13 to 15 Nov 2025).	15 Nov 2025
17	Ms Sonam Fathima Mehak	Awarded Trainee Professional Development Award from the Society for Neuroscience, US, for travel and participation at the Society for Neuroscience Annual Meeting (Neuroscience 2025) held at San Diego, US (15 to 19 Nov 2025).	19 Nov 2025
18	Ms Medha Bairy	Best poster award at the International Conference on Advances in Cancer Research: Prevention to Intervention held at Gautham Buddha University, Greater Noida, India (21 to 22 Nov 2025).	22 Nov 2025
19	Ms Ankitha S	Recognized with the prestigious Gandhian Young Technological Innovation (GYTI) Award 2024, instituted by Society for Research and Initiatives for Sustainable Technologies and Institutions (SRISTI)	30 Nov 2025
20	Ms Prerna Hegde, Ms Marnin Ruth Vas, Ms Gargi Joshi, Ms Sanjana Gupta, and Ms Swechha Mahapatra	First-place winners of the Manipal BioTech Hackathon 2025	30 Nov 2025
21	Mr Dhanraj S B	ANRF-International Travel Support award to attend The European Society for Medical Oncology (ESMO) Asia Congress 2025 held at Suntec City, Singapore (5 to 7 Dec 2025).	7 Dec 2025

Sl No	Name	Details	Date
22	Ms Kausalya Neelavara Makkithaya	FirstBest Poster Presentation Award (first prize) at the India Bioimaging Annual Conference and Meeting 2025 held at JSS Academy of Higher Education and Research (JSS AHER), Mysuru, India (11 to 12 Dec 2025).	12 Dec 2025
23	Mr Gagan	Best Poster Presentation Award (second prize) at the India Bioimaging Annual Conference and Meeting 2025 held at JSS AHER, Mysuru, India (11 to 12 Dec 2025).	12 Dec 2025
24	Ms Nandana B	Best Poster Presentation Award (first prize) at the National Conference on Harnessing Life Sciences and Food Technology for Sustainable Nutrition held at Saint Aloysius College, Mangalore, Karnataka, India (11 to 12 Dec 2025).	12 Dec 2025
25	Mr Shimul Biswas	Best Poster Award at Advances and Innovations in Chemical Sciences (AICS)-2025 held at Vedic Village, Kolkata, India (11 to 13 Dec 2025).	13 Dec 2025
26	Ms Ramya Savithri K	Secured a position in the top 5% of the Medicinal Chemistry course offered by National Programme on Technology Enhanced Learning (NPTEL).	31 Dec 2025

Manipal Centre for Ayurveda Biology

Address: Department of Ageing Research, Manipal School of Life Sciences
MAHE, Manipal
Phone Number: 08202922058; 9448682151
Email (Centre/Coordinator Email)**:** guruprasad.kp@manipal.edu

Year of Establishment of the Centre: 2019
Name of the Coordinator: Dr K P Guruprasad
Members: Dr Manjunath B Joshi; Dr Gireesh G; Dr Basavaraj S Hadpad; Dr Sripathy Adiga

Brief About the Centre:
Vision: To undertake cutting-edge research in Ayurveda Biology by using principles of Indian traditional medicine and modern biology approaches, dedicated to the process of healthy ageing.

Mission: Collaboration of Ayurveda and other traditional medicinal systems with modern science to provide proof of concept for improving human health.

Ayurveda, the Indian traditional medicinal system, mainly focuses on the enhancement of the quality of life with its holistic approach. The present research in Ayurveda is dominated by studies on medicinal plants and the development of drugs. However, knowledge of the underlying cellular and molecular mechanisms influencing the Ayurvedic regime and its clinical implications in ameliorating pathological conditions is sparse. The rich heritage of Ayurveda has established its legacy in treating a variety of diseases and simultaneously maintaining wellbeing and quality ageing. Ayurvedic concepts emphasize the importance of maintaining body constitution, tissue rejuvenation, adaptation of body to season, inter alia, and thus sustaining quality ageing by employing multifarious herbal formulations and procedures. In recent years, increased life span has been associated with complex diseases, causing a huge socio-economic burden. Therefore, many efforts are required to investigate the cues that Ayurveda provides in terms of modern biology. This will provide insights into Ayurveda principles governing intricate networks of cellular and biochemical pathways using the 'process of ageing' as a model system.

Objectives: a) To establish a platform facilitating research in Ayurveda Biology following the traditional concepts. b) To evaluate the role of Rasayana on dementia, neurodegenerative diseases, and musculoskeletal disorders. c) To investigate the Prakriti related to human genomics and epigenomics related to human diseases. d) To develop human resources in Ayurveda Biology. e) To promote national and international collaborative research with Ayurveda institutions, modern medical institutions, and industries.

Activities at the Centre: Collaborative research involving traditional practitioners and modern scientists.
Research Activities: Collaborative research

Centre for DNA Repair and Genome Stability

Address: Manipal School of Life Sciences
Phone Number: 9986297508
Email (Coordinator): sanjiban.c@manipal.edu

Year of Establishment of the Centre: 2019
Name of the Coordinator: Dr Sanjiban Chakrabarty

Members
Dr Shama Prasada Kabekkodu, Professor and Head, Department of Cell and Molecular Biology, Manipal School of Life Sciences (MSLS), MAHE, Manipal

Brief About the Centre
Vision: To achieve excellence in research in DNA repair and genome stability, facilitate training through collaborations, and promote translational clinical research.

Mission: To foster focused research collaborations with national and international research groups working on DNA damage response, genome instability, and therapeutics.

Objectives
1. Develop advanced, state-of-the-art research methodologies, tools, and technologies through national and international collaborations.
2. Organize joint workshops and symposiums, develop joint PhD programs, and facilitate mobility with international partners.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1.	Guest lecture by Dr Sanjivan Gautam, Director, Cell Therapy and Immuno-Oncology, Head of T-Modulation, AstraZeneca, USA	"Tackling solid tumor microenvironment to enhance efficacy of immunotherapies."	28 Jun 2025
2.	Guest lecture by Dr Benu Brata Das, Professor, School of Biological Sciences, Indian Association for the Cultivation of Science, Kolkata	Decoding Disease: How Nuclear and Mitochondrial DNA Breaks Lead to Genomic Instability	22 Jul 2025
2.	Workshop on Mitochondrial Bioenergetics using the Agilent Seahorse XF analyser platform	In collaboration with Medispec India Pvt Ltd.	09 Oct 2025

Sl No	Name of the Activity	Particulars	Date
3.	11th Annual Meeting of the Society for Mitochondria Research and Medicine-India (SMRM) and International Conference on Mitochondria in Health, Disease, and Ageing	Convener, Dr Sanjiban Chakrabarty, MSLS, MAHE, Manipal	09-11 Oct 2025
4.	Invited speaker- International conference on cutting-edge research and innovations in cancer towards improving patient outcomes at the Biotechnology Research and Innovation Council-National Centre for Cell Science (BRIC-NCCS), Pune, India, from November 6th to 8th, 2025	Cancer-on-chip: 3D tumor model to study tumor microenvironment and drug response	06-08 Nov 2025
5.	Invited speaker- Micro physiological Systems (MPS) Bootcamp 2025, hosted by NIPER Ahmedabad in collaboration with the Centre for Predictive Human Model Systems, CCMB-Hyderabad.	Microfluidics-based organ-on-chip technology in cancer diagnostics and drug discovery	05-07 Mar 2025

Established: 2017

Details of the Programs Offered by the Institution:

- Master of Public Health (MPH)
- Master of Hospital Administration (MHA)
- Master of Social Work (MSW)
- MSc Biostatistics
- MSc Data Science
- MSc Digital Epidemiology
- MSc Health Technology Assessment
- Certificate Course on Evidence Synthesis
- Certificate Course on Qualitative Research Methods
- Certificate Course in Meditation and Conscious Living
- Certificate course in Research Methodology
- Certificate Course in Scoping Review Methodology
- Certificate Course in Health Technology Assessment
- PhD

About the Institution/School:

The Prasanna School of Public Health (PSPH) at Manipal Academy of Higher Education (MAHE) is a pioneering institution established to address pressing challenges in the field of public health, hospital administration, social work, health technology assessment, and data science. The evolution of PSPH reflects its commitment to academic excellence, research, and innovation in public health education. The journey of PSPH began in 2006 with the establishment of the Department of Statistics, the first University Teaching Department of MAHE. In 2007, the MSc Biostatistics program was introduced, marking the start of specialized education in data science and statistical applications for public health. By 2009, the Department of Public Health was formed, launching the Master of Public Health (MPH) and Master of Social Work (MSW) programs to address critical health and social challenges. Expanding its offerings with an understanding of the growing needs for administrators in the hospital setting, the Department introduced the Master of Hospital Administration (MHA) program in 2010, equipping students for leadership in healthcare management. PSPH was formally established in 2017, uniting various disciplines under one roof to foster interdisciplinary education and research. In 2019, the MSc Data Science program was launched to meet the growing demand for expertise in big data and Artificial Intelligence (AI)-driven public health solutions. The school achieved significant milestones in 2020, including ISO certifications (9001:2015, 14001:2015) and the curriculum of the MPH program

was validated by the Agency for Public Health Education Accreditation (APHEA), ensuring global standards in education. Continuing its trajectory of growth, PSPH introduced the MSc Digital Epidemiology program in 2021, an innovative course addressing the intersection of digital health and epidemiology. In the same year, PSPH gained national recognition, being ranked 4th among emerging MSW colleges and 16th among all MSW colleges in India by the India Today Marketing & Development Research Associates (MDRA) Survey. In 2023, PSPH showcased its global presence by hosting the prestigious G20–T20 event, furthering its reputation for international engagement in global health and public health diplomacy. PSPH redefined academic and research excellence by becoming the first Agency for Public Health Education Accreditation (APHEA)–accredited public health school in Asia and the eleventh globally in 2024. Additionally, PSPH achieved top national rankings, being ranked 1st among emerging MSW colleges and 14th among all MSW colleges in India by the India Today NDRA Survey. These milestones underscore PSPH's unwavering dedication to advancing public health, social work, and healthcare education, positioning itself as a leader in building a healthier and more equitable future. PSPH currently hosts five departments and eleven research centres hosting seven post-graduate programs and doctoral degree programs in part-time and full-time modes apart from six certificate courses.

Institutional Activities/Curricular Activities

New Initiatives:

Sl No	Activity	Particulars	Date(s)
Health Technology and Informatics			
1	Health Technology Assessment India (HTAIn)—Department of Health Research (DHR) Resource Centre	HTAIn –DHR Resource Centre of PSPH, Manipal School of Commerce and Economics (MSCE) and Kasturba Medical College (KMC), MAHE, Manipal was commenced in the first floor, PSPH, Manipal by Dr P Giridhar Kini (Registrar, MAHE, Manipal), in the presence of Dr Anil K Bhat (Dean, KMC, Manipal), Dr Sandeep Shenoy (Incharge Director, MSCE, Manipal), Dr Chythra R Rao (Deputy Director, Research, Health Sciences, MAHE, Manipal), Professor Dr Cherian Varghese (Director, PSPH, Manipal), and Dr Ambigai Rajendran (Associate Professor, MSCE, Manipal). Dr P Giridhar Kini, Dr Anil K Bhat, Dr Sandeep Shenoy, and Professor Dr Cherian Varghese addressed the audience and spoke regarding the importance and objectives of the commencement of the resource centre in Lecture Hall 64, PSPH.	11 Nov 2025

All other activities in the department relating to the program/course :

Sl No	Activity	Particulars	Date(s)
Applied Statistics and Data Science			
1	Workshop on Data Analytics in Health Sciences (WDAHS-2025)	Department of Applied Statistics and Data Science, PSPH, MAHE, Manipal in collaboration with Pfizer Healthcare India Pvt Ltd and The Statistics and Operations Research Chapter of Centre for Advanced Research in Applied Mathematics and Statistics (CARAMS), MAHE, Manipal organized a workshop on "Data Analytics In Health Sciences" (WDAHS-2025) based on the theme of "Applications of Machine Learning/AI".	6 - 10 Jan 2025

Sl No	Activity	Particulars	Date(s)
2	Online workshop titled "Exploring Statistical and Machine Learning Classification Models"	The Department of Applied Statistics and Data Science, PSPH, MAHE, Manipal, organized three-day online workshop titled "Exploring Statistical and Machine Learning Classification Models" via Microsoft Teams, as part of its Industry–Academia Collaboration initiative. The workshop featured Dr Asha Kamath from MAHE and Mr Dayananda U from Microsoft India, who provided a balanced blend of academic insights and industry perspectives.	19 - 21 Feb 2025
3	Certificate Course in Research Methodology	The Department of Applied Statistics and Data Science (DASDS) organized the Certificate Course in Research Methodology in two sessions, each session lasting one week. This Certificate Course was held in Hybrid Mode (On-Campus in MAHE, Manipal; Virtually through Microsoft Teams). Faculty of the DASDS, PSPH, MAHE, Manipal, conducted the Certificate Course.	12 May 2025 - 7 Jun 2025
4	Guest lecture titled "Statistics— A Compass to Guide Journey in Data Science"	The Department of Statistics, St Agnes College, Mangalore, organized a Guest lecture titled "Statistics—A Compass to Guide Journey in Data Science" on the occasion of National Statistics Day 2025 for the Statistics students by the resource person Ms Ashma Dorothy Monteiro (Faculty, ()()()DASDS, PSPH, MAHE, Manipal) at A2, St Agnes College, Mangalore	30 Jun 2025
5	R Programming Certificate Course	The R Programming Module, coordinated by Dr Asha Kamath and supported by PSPH PhD students (Mr Nagarjuna, Mr Nehal, and Ms Varsha) was held for 10 days, aiming to develop foundational to advanced skills in R programming with hands-on applications in data handling, statistical analysis, and predictive modelling.	7 - 18 Jul 2025
6	Career Talk with Students and a Research Collaboration Meeting with Eli Lilly Bangalore Industry team	The Department of Applied Statistics and Data Science organized a Career Talk with Students and a Research Collaboration Meeting in partnership with the Eli Lilly Bangalore Industry team. This event was held at the MAHE Foundation for Advancement of International Medical Education and Research (FAIMER) Classroom, 5th Floor, Health Sciences Library Building, MAHE, Manipal.	21 Jul 2025
7	Guest Lecture and Hands-on Training on "Jamovi for Business Minds: Simplifying Analytics for Smarter Decisions"	Dr Varun Kumar S G (Associate Professor, DASDS, PSPH, MAHE, Manipal), delivered a Guest Lecture and Hands-on Training on "Jamovi for Business Minds: Simplifying Analytics for Smarter Decisions" at Shri Madhwa Vadiraja Institute of Technology and Management (SMVITM) , Udupi. The session was organized by the Department of Business Administration and was attended by around 80 participants.	28 Jul 2025

Sl No	Activity	Particulars	Date(s)
8	Talk on "Career Opportunities in Data Science and Analytics"	The Internal Quality Assurance Cell (IQAC), in association with the Science Association of Dr NSAM First Grade College, Nitte, organized a talk on "Career Opportunities in Data Science and Analytics". The resource person was Dr Satyanarayana (Assistant Professor, DASDS, PSPH, MAHE, Manipal).	22 Aug 2025
9	Industry-Academia Collaborative Talk with Dr Himanshu Pokhriyal	An expert lecture on "Markov Chain Monte Carlo and Gibbs Sampling for Bayesian Approach" was conducted in online mode via Microsoft Teams. The session was delivered by Dr Himanshu Pokhriyal, Senior Principal Biostatistician, Novartis Healthcare Private Limited. The program was attended by 57 participants, comprising Second-year MSc students and Research Scholars of DASDS.	10 Oct 2025
10	Webinar on Career Opportunities in Statistical Research	Dr Satyanarayana (Faculty, DASDS, PSPH, MAHE, Manipal) delivered a session during a Webinar on Career Opportunities in Statistical Research in the Department of Statistics, P C Jabin Science College, Hubballi, Karnataka, India.	13 Oct 2025
11	World Statistics Day Webinar	As part of the World Statistics Day, based on the Theme "Quality Statistics and Data for Everyone", DASDS, PSPH, MAHE, Manipal organized a Webinar on "Quality Statistics and Data for Everyone" virtually through Microsoft Teams. Mr Arthur D'Silva (Vice President, City Corp Services Ltd,	20 Oct 2025

Sl No	Activity	Particulars	Date(s)
		Bangalore) was the resource person (speaker) for the event. He shared valuable insights on the importance of quality statistics, data integrity, and their role in evidence-based decision-making across industries and public systems. The session highlighted how accessible and reliable data contribute to effective governance, business strategy, and societal development.	
12	Tobacco Awareness Skit titled "One Puff – A Lifetime Loss" 	As part of the District Tobacco Control Program, organized by the District Health and Family Welfare Department, a group of enthusiastic Public Health students from PSPH, MAHE, Manipal conducted an awareness skit on the harmful effects of tobacco use at Upendra Pai Memorial College, Udupi. The event was coordinated by Dr Varun Kumar S G (Coordinator, Centre for Regional Development (CRD), PSPH, MAHE, Manipal) and organized under the banner of the CRD, PSPH, MAHE, Manipal in collaboration with the District Surveillance Office (DSO), Udupi.	29 Oct 2025
13	Interaction on Industry Insights and Career Paths 	Department of Applied Statistics and Data Science, PSPH, MAHE, Manipal organized an "Interaction on Industry Insights and Career Paths" at the R A Fisher Hall, DASDS, PSPH. Dr Mahesh Iyer (Head of Global Biometrics and Data Sciences at Bristol Myers Squibb) was the resource person for the event.	8 Nov 2025
14	International Conference on Modelling and Informatics for Public Health 	Dr Asha Kamath (Associate Director, PSPH, Manipal) made a Presentation at The International Conference on Modelling and Informatics for Public Health, held at the Indian Institute of Technology Bombay in Mumbai, India. She was an invited speaker at the conference, and she delivered a talk on "Predicting Antimicrobial Resistance Rate using DeßARMA for data with zeroes or ones".	8 to 11 Dec 2025
15	International Pre conference Workshop on Special Matrices, Graphs, and Applications	Department of Applied Statistics and Data Science, Prasanna School of Public Health , Manipal in collaboration with Centre for Advanced Research in Applied Mathematics and Statistics (CARAMS), MAHE, Manipal and Department of Mathematics, Manipal Institute of Technology (MIT), Manipal organized the International preconference	10/12/2025-16/12/2025

Sl No	Activity	Particulars	Date(s)
		Workshop on Linear Algebra and its Applications (ICLAA 2025) in the KEF Auditorium, MIT, Manipal.	
16	International Conference on Linear Algebra and its Applications 	Department of Applied Statistics and Data Science, Prasanna School of Public Health, Manipal in collaboration with Centre for Advanced Research in Applied Mathematics and Statistics (CARAMS), MAHE, Manipal and Department of Mathematics, Manipal Institute of Technology (MIT), Manipal organized the International Conference on Linear Algebra and its Applications (ICLAA 2025) in the KEF Auditorium, MIT, Manipal.	17 to 20 Dec 2025
Global Public Health Policy and Governance			
1	Workshop on Commercial Determinants of Health. 	Department of Commerce (DoC), MAHE, Manipal in association with the Institute of Public Health, Bengaluru and PSPH, MAHE, Manipal organized a workshop on Commercial Determinants of Health at AB 2, First Floor, MADCM Classroom, DoC, MAHE, Manipal. Dr Upendra Bhojani (Senior Fellow (Professor Grade), Institute of Public Health, Bengaluru) was the resource person for the event.	17 Jan 2025
2	Professor Rajani Prasanna Endowment Lecture Series (Second Edition) on Climate Change and Public Health – Lecture 3 	PSPH, MAHE, Manipal organized Professor Rajani Prasanna Endowment Lecture Series (Second Edition) on Climate Change and Public Health—Lecture 3, virtually through Microsoft Teams. Resource Persons for the event were: Professor Dr Mala Rao (Director of the Ethnicity and Health Unit, Imperial College London, London, United Kingdom) and Dr Nitya Mohan Khemka (Director–PATH, London, United Kingdom).	17 Jan 2025
3	Student Exchange Program— Maastricht Students Visit to PSPH	Master of Global Health Students from Maastricht University, Netherlands, Europe, visited PSPH, MAHE, Manipal as part of the Student Exchange Program. During their time in Manipal,	22 Jan 2025 - 3 May 2025

		they attended academic sessions, research sessions, cultural events, healthcare centre visits, and educational centre visits.	
4	Radio Manipal Program – Awareness Talk by Dr Arathi Rao on the occasion of National Girl Child Day	Dr Arathi Rao (Head of Department (HOD), Department of Global Public Health Policy and Governance, PSPH, MAHE, Manipal) delivered an awareness talk on the occasion of National Girl Child Day which was broadcast by Radio Manipal FM 90.4.	24 Jan 2025
5	Diabetes Conclave	The Indian Institute of Diabetes in association with Kerala Health Service organized Diabetes Conclave 25 in Thiruvananthapuram, Kerala. Dr Cherian Varghese (Director, PSPH, MAHE, Manipal) was the resource person for the session titled "Global Experience in Diabetes Management".	25 Jan 2025
6	Republic Day Celebrations	Manipal College of Pharmaceutical Sciences (MCOPS), MAHE, Manipal hosted the 76th Republic Day Celebrations in Greens, MAHE, Manipal. Students, Staff, Faculty of PSPH and constituent units of MAHE, Manipal participated in the event. Student Contingent Teams from various constituent units of MAHE, Manipal including PSPH participated in the event.	26 Jan 2025

Sl No	Activity	Particulars	Date(s)
7	Special Lecture on Global Health and World Health Organisation at a Crossroads	Department of Geopolitics and International Relations (DGIR), MAHE, Manipal organized a Special Lecture on Global Health and World Health Organisation at a Crossroads at Lecture Hall 7, Second Floor, Old WGSHA Building, Near Fortune Inn Valley View, MAHE, Manipal. Dr Cherian Varghese (Director, PSPH, MAHE, Manipal) was the resource person.	31 Jan 2025
8	Invited Talk on "Global Burden of Disease to Precision Medicine"	Manipal Centre for Biotherapeutics Research (MCBR), MAHE, Manipal organized an Invited Talk on "Global Burden of Disease to Precision Medicine" at the MCBR Multipurpose Hall, MCBR, MAHE, Manipal. Dr Cherian Varghese (Director, PSPH, MAHE, Manipal) was the resource person for the event.	11 Feb 2025
9	Fifth Dr B S Sajjan Endowment Oration	Department of Community Medicine, KMC Mangalore organized the fifth Dr B S Sajjan Endowment Oration at the MEU, AV Hall, KMC, Mangalore. Dr Cherian Varghese (Director, PSPH, MAHE, Manipal) delivered a guest talk regarding Non-Communicable Diseases—"The Silent Tsunami".	14 Feb 2025
10	Students and Faculty from Tampere University, Finland, Europe visited PSPH, MAHE,, Manipal as part of the	This program included field visits and lectures on key public health sites, providing an immersive learning experience. The exchange is part of the ongoing Team Finland Knowledge grant, with Dr Kumar Sumit (PSPH, Manipal) serving as a co-investigator alongside Dr Tarja Kinnunen (Tampere University). This initiative aimed to foster international collaboration and enhance public health education through experiential learning.	22 Feb 2025 - 1 Mar 2025

Sl No	Activity	Particulars	Date(s)
	Student Exchange Program— Team Finland Knowledge Grant		
11	Strategic Planning Workshop on Scaling-Up Non-Communicable Diseases (NCD) Services in Udupi District	PSPH, MAHE, Manipal in collaboration with the District Health and Family Welfare Office, Udupi organized a "Strategic Planning Workshop on Scaling-Up NCD Services in Udupi District" at the Luminaire Hall, Fortune Inn Valley View, MAHE, Manipal.	12 Mar 2025
12	Health Talk for the Women Employees of a Cashew Factory in Perdoor, Udupi	PSPH, MAHE, Manipal organized a Health Talk for the Women Employees of a Cashew Factory in Perdoor, Udupi. Dr Arathi Rao (HOD, Department of Global Public Health Policy and Governance (GPHPG), PSPH, MAHE, Manipal) was the resource person for the event.	15 Mar 2025
13	Interaction Session on "Careers in Public Health For PhD Students"	PSPH, MAHE, Manipal organized an Informal Interaction Session on "Careers in Public Health for PhD Students" at Lecture Hall 1, PSPH, MAHE, Manipal. Dr Vikas Kapil (Visiting International Faculty, PSPH, MAHE, Manipal) was the resource person for this event. Dr Prakash Narayanan (PhD Coordinator, PSPH, MAHE, Manipal) introduced the resource person during the occasion. The resource person Dr Vikas Kapil addressed the audience and spoke regarding his life, his career journey, his experiences in public health; he also spoke regarding the job opportunities for PhD students in public health.	26 Mar 2025
14	Launch of Online Micro credential One Health Approach for Health System Preparedness on MAHE Online Portal (Directorate of Online Education)	The Department of Global Public Health Policy and Governance at PSPH, MAHE, Manipal in collaboration with the District Health and Family Welfare Services of Udupi, successfully launched the online Micro credential on One Health Approach for Health System Preparedness through the MAHE Online Portal (Directorate of Online Education). The initiative is supported by the DA Prasanna Endowment Seed Grant, led by Dr Navya Vyas, Associate Professor, Department of Global Public Health Policy and Governance, PSPH. The modules are designed to provide medical officers,	26 Mar 2025

		veterinary doctors, and Rapid Response team members at the district level with essential knowledge to detect and prevent zoonotic diseases in the field through a collaborative approach along with case scenarios for better comprehension. The event took place at the District Magistrate Office, Manipal. Dr K Vidyakumari, Deputy Commissioner and District Magistrate, Udupi district and Shri Prateek Bayal, Chief Executive Officer, Zilla Panchayath, officially launched the program. Addressing the gathering, Dr Vidyakumari highlighted the importance of health system strengthening and emphasised the significance of the collaboration between the public and private sectors. Shri Prateek Bayal emphasised the significance of one health in the backdrop of the emergence of zoonotic diseases. Other dignitaries who attended the event were Dr Prashant Bhat, District Vector Borne Disease Control Officer, Udupi district, who emphasised the significance of intersectoral coordination in disease prevention and response. Other esteemed speakers included Dr Nagaratna, District Surveillance Officer, Udupi district and Dr Reddappa, Deputy Director of Animal Husbandry and Veterinary Services.	
15	World Health Day 2025 (Healthy Beginnings, Hopeful Futures)—A Multidisciplinary Panel Discussion on Healthy Beginnings	PSPH, MAHE, Manipal organized World Health Day 2025 (Healthy Beginnings, Hopeful Futures) – A Multidisciplinary Panel Discussion on Healthy Beginnings at Lecture Hall 61, PSPH, MAHE, Manipal. The resource persons for the event were: Dr Jyothsna B K (Reproductive and Child Healthcare Officer, Udupi District); Dr Ranjitha S Shetty (Associate Dean–Academics, Additional Professor, Department of Community Medicine, Kasturba Medical College, MAHE, Manipal); Dr Prashanth Adiga (Professor and Head of the Department, Department of Reproductive Medicine, Kasturba Medical College, MAHE, Manipal); Dr Leslie Edward S Lewis (Professor and Head of the Department, Department of Paediatrics, Kasturba Medical College, MAHE, Manipal); Ms Suvarna Hebbar (Assistant Professor and Program Coordinator, Department of Clinical Nutrition and Dietetics, Manipal College of Health Professions, MAHE, Manipal); Ms Mitchelle Shilpa Lewis (Lecturer, Department of Fundamentals of Nursing, Manipal College of Nursing, MAHE, Manipal); Dr Arathi P Rao (HOD, Department of Global Public Health Policy and Governance, PSPH, MAHE, Manipal); and Dr Rithu Sathy (PhD Research Scholar, PSPH, MAHE, Manipal).	7 Apr 2025
16	Webinar on “Enablers and Accelerators for achieving Universal Health Coverage”	PSPH, MAHE, Manipal in collaboration with MSCE, MAHE, Manipal organized a webinar on “Enablers and Accelerators for achieving Universal Health Coverage” in the Hybrid Mode— On-campus at Lecture Hall 3, PSPH, MAHE, Manipal and virtually through Microsoft Teams. Dr K Srinath Reddy (Chair, Centre for Universal Health Coverage; Professor of Health Policy, Indian School of Public Policy; Honorary Distinguished Professor, (Public Health Foundation of India (PHFI))) was the resource person for this event.	14 Apr 2025

17	Beyond Addiction: Mental Health, Social Impact, and Clinical Realities of Substance Abuse—A Panel Discussion	Nasha Mukt Club, PSPH, MAHE, Manipal organized a Panel Discussion on the topic of mental health, social impact, and clinical realities of substance abuse for the PSPH students. It was a thought-provoking discussion on the realities of substance abuse, its impact, and the path to recovery.	15 Apr 2025
18	Global Health Symposium 2025—Bridging Different Worlds	The Global Health Symposium 2025, was an enriching and immersive event. The Symposium brought together students of global and public health from the partner institutions – PSPH, MAHE,, Manipal; Maastricht University (Netherlands), and Thammasat University (Thailand), for two weeks of academic engagement, intercultural exchange, and experiential learning under the theme “Bridging Different Worlds”.	20 Apr 2025 - 2 May 2025
19	World Health Summit Regional Meeting 2025	The World Health Summit Regional Meeting 2025 was held in New Delhi, India. A Panel Discussion was held on “Health Literacy in the AI Era”. The event was organized by the Asian Health Literacy Association (AHLA). Dr Usha Rani (HOD, Department of Hospital and Health Management (DHHM), PSPH, MAHE, Manipal), being one of the resource persons for the event, spoke regarding the Topic "AI: A Powerful Tool for the Development of a Health Literate Society". She spoke on why health literacy matters, the Potential of AI to support health literacy development and better patient-doctor communication, a few initiatives, and the vision forward for a health literate, healthy society. Dr Maria Cristiane Barbosa Galvao (Visiting International Faculty, PSPH, MAHE, Manipal) being one of the resource persons for the event, spoke regarding the Topic "Bond-based Health Literacy and Artificial Intelligence". She spoke on the importance of a	25 - 27 Apr 2025

The Centre conducted a certificate course on Scoping Review Methodology through classroom mode. A total of 54 Faculty, PhD scholars, researchers, and postgraduates from all disciplines attended the course.

Dr Divya, Dr Edlin, Mr Elstin, and Dr Maria were invited to deliver sessions on the Workshop on Scoping Review methodology, conducted by the School of Computer Engineering (SCE) at Manipal Institute of Technology, MAHE, in collaboration with the Centre for Evidence-informed Decision Making, on 07 and 08 November 2025.

The faculty research vertical at Manipal Tata Medical College, Jamshedpur, organized a workshop on 'Systematic Review and Meta-analysis' from 28 and 29 July 2025. Dr Divya Sussana Patil, Dr Edlin Glane Mathias, and Mr Elstin Anbu Raj were the resource persons for the workshop.

The PG Research vertical, MCODS, and KMC Mangalore, in collaboration with Prasanna School of Public Health, conducted a two-day workshop on 'Scoping Review Methodology' at KMC Mangalore campus. Dr Divya Sussana Patil, Dr Edlin Glane Mathias, and Mr Elstin were the resource persons and provided guidance on the typology of reviews, scoping review methodology, formulating a review question, and developing a scoping review protocol.

Dr Edlin Glane Mathias and Mr Elstin Anbu Raj were the resource persons for the 'Research Methodology Course' conducted for the PhD scholars at MAHE.

Dr Divya Sussana Patil was the resource person at a workshop on "Evidence and Gap Map" in collaboration with Utrecht University at the Annual GROW Community event organized by the Dutch Research Council (NWO) on 15 and 16 May 2025, in the Netherlands.

Manipal Health Literacy Unit (MHLU)

Address: Prasanna School of Public Health, Manipal Academy of Higher Education, Manipal, Udupi, Karnataka, India
Phone Number: 0820 29 23157
Email (Centre): mhlu.mahe@manipal.edu
Email (Coordinator): usha.rani@manipal.edu

Year of Establishment of the Centre: 2014
Name of the Coordinator: Dr Usha Rani

Brief About the Centre

The scope of MHLU is to conduct practice and policy-focused multidisciplinary research and development activities, collaborating extensively with national and international institutes to generate robust evidence in health literacy. MHLU aspires to be a hub for research excellence, policy advocacy, and interdisciplinary collaboration, contributing meaningfully to the advancement of health literacy on a global scale. The unit aims to continuously learn, adapt, and engage with communities, fostering a culture of innovation and excellence in health literacy studies.

Vision: To excel in Health Literacy Research, Policy, and Practice.

Mission: To be the most preferred unit for health literacy studies in India

Objectives

1. To carry out practice and policy-focused multi-disciplinary research and development activities in health literacy.
2. To collaborate with national and international institutes to generate evidence on health literacy.

Transdisciplinary Centre for Qualitative Research Methods (TCQM)

Address: Prasanna School of Public Health (PSPH), Manipal Academy of Higher Education (MAHE), Madhav Nagar, Manipal - 576104
Phone Number: 0820 29 22407/ 23157
Email (Centre): tcqm.mu@manipal.edu **Email (Coordinator):** a.bailey@uu.nl

Year of Establishment of the Centre: 01 May 2016
Name of the Coordinator: Prof Ajay Bailey
Members: Dr Selim Jahangir (Co-Coordinator)

Brief About the Centre:

Vision: To educate, facilitate, and promote Transdisciplinary qualitative research for the comprehensive understanding of issues pertaining to public health.

Mission: To provide extensive training on the design, conduct, and analysis of qualitative methods

Objectives:

1. To promote interdisciplinary research in public health.
2. To provide impetus to researchers from across disciplines to share expertise and collaborate.
3. To build the capacities of young scholars in teaching and conducting qualitative research
4. To establish a regional hub for qualitative research in South Asia

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	Certificate course in qualitative research methods during Mar-Jun 2025	TCQM organized a certificate course in Qualitative Research Methods. Dr Selim Jahangir (Course Coordinator, TCQM, PSPH, MAHE, Manipal) conducted the certificate course. The Certificate Course was conducted in Hybrid Mode - On-Campus in Lecture Hall 64, PSPH, MAHE, Manipal; Virtually through Microsoft Teams.	14 Mar - 13 Jun 2025
2	Expert Discussion on Wellbeing, Sustainability, and Care	TCQM organized an Expert Discussion on Wellbeing, Sustainability, and Care from a Planetary Health Perspective at the Medical Education Room, Second Floor, Library Building, MAHE, Manipal. This event was co-organized as part of the Utrecht University 2025 theme 'Healthy Planet'.	02 May 2025
3	Alumni Meet of the Certificate Course in Qualitative Research Methods	The half-day program brought together past participants from diverse backgrounds, facilitating knowledge exchange and professional networking. The event included discussions on upcoming advanced qualitative research methods, which were well-received by attendees.	27 Nov 2025
4	Indo-Dutch Collaborative Meeting	The indoor discussion brought together international experts, researchers, practitioners, and students to explore innovative approaches in welfare technology, healthy ageing, and community-based care for older adults. The session aims to deepen mutual learning, share evidence-based insights, and strengthen our joint commitment to improving the quality of life for older adults through technology-enabled solutions.	28 Nov 2025

Centre for Digital Health, Applied Research and Technologies

Address: Prasanna School of Public Health, Manipal Academy of Higher Education.
Phone Number: 22987 / 70221 73677
Email (Centre): cdht@manipal.edu

Year of Establishment of the Centre: 2023

Name of the Coordinator: Dr Rahul Sheshan Clare

Members: Dr Raghavendra U, Associate Professor, Department of Instrumentation and Control Engineering, Manipal Institute of Technology (MIT), MAHE, Manipal; Dr Rachana, Associate Professor, Department of Emergency Medicine, Kasturba Medical College (KMC), MAHE, Manipal; Department of Artificial Intelligence in Healthcare, KMC, MAHE, Manipal.

Brief About the Centre:

The Centre for Digital Health, Applied Research, and Technologies is distinctive for its unwavering commitment to evidence-based research, robust interdisciplinary collaborations, and steadfast dedication to timely project execution. Established in 2023 at the Prasanna School of Public Health, Manipal Academy of Higher Education, the centre stands out through its promise of delivering quality outputs within specified deadline. By adhering to internationally recognized standards, it continually fosters trust among key stakeholders, both regionally and globally.

A hallmark of this centre is its holistic approach to knowledge creation, ensuring that diverse perspectives inform research projects. Researchers benefit from advanced digital health technologies, positioning them at the forefront of innovation. Furthermore, the centre prioritizes professional development opportunities for students, faculty, and industry partners alike, guaranteeing a dynamic environment where ideas flourish. It actively cultivates strong partnerships with national and international institutions. Its commitment to tackling global health challenges through research-intensive technology-driven solutions positions it as the go-to hub for collaborative endeavours. By uniting academic rigor, timely deliverables, and genuine stakeholder engagement, the Centre for Digital Health, Applied Research, and Technologies sets itself apart as a transformative force in the ever-evolving landscape of public health.

Vision: To be a centre of excellence by 2028.

Mission: To be the trusted, reputed, and commitment-driven centre across MAHE, nationally and globally for collaborative research, with the promise of delivering commitments in high-quality (evidence-based) outputs, two weeks before the deadline, while adhering to the targeted (International), and focal guidelines.

Objective: To be the platform of choice for faculty, researchers (national and international), students, and industry to network and collaborate in research and educational projects.

Centre for Climate Change and Health

Address: Prasanna School of Public Health, Manipal Academy of Higher Education, Manipal- 576 104
Phone Number: +91 820 2922987; +91 70221 73677
Email (Coordinator): vikas.kapil@manipal.edu Co-Coordinator: rahul.clare@manipal.edu

Year of Establishment of the Centre: February 1, 2022.

Name of the Coordinator: Prof (Dr) Vikas Kapil

Co-Coordinator: Dr Rahul Sheshan Clare

Brief About the Centre

Vision

To be a global leader in interdisciplinary education, research, and policy development, addressing the complex and interconnected health challenges posed by climate variability and change, while fostering resilience and sustainability for healthier communities worldwide.

Mission

The Centre for Climate Change and Health is committed to:

1. Empowering education: Developing and delivering innovative, inter-professional educational programs that equip future leaders and professionals with the skills and knowledge to address the health impacts of climate change.
2. Advancing research: Coordinating and fostering national and international collaborations to conduct impactful research that bridges climate science and public health.
3. Influencing policy: Producing actionable policy briefs and recommendations to effectively disseminate research findings, shaping evidence-based strategies and fostering informed decision-making for climate-resilient health systems.

Objectives

1. To develop inter-professional educational modules in climate change and health.
2. To coordinate and collaborate on national and international research in climate change and health.
3. To produce relevant policy papers to ensure the dissemination of research output.

Brief About the Centre:

The Centre for Climate Change and Health (CCPH) aims to build capacity in interdisciplinary education, research, and policy advising to effectively monitor, anticipate, manage, and adapt to the health risks associated with climate variability and change. Its objectives include developing inter-professional educational modules on climate change and health to equip students and professionals with cohesive knowledge on climate-health issues, such as climate-resilient healthcare and environmental epidemiology. Additionally, the centre seeks to coordinate and collaborate on national and international research initiatives, leveraging diverse expertise to address global challenges. Furthermore, the centre emphasizes producing relevant policy papers to ensure the effective dissemination of research outputs, influencing policy frameworks and supporting sustainable development goals related to health and climate. This integrated approach positions the Centre for Climate Change and Health as a critical player in addressing the health challenges posed by climate change.

About the Institution/School:

Manipal Tata Medical College (MTMC) is located at Baridih, Jamshedpur, in the East Singhbhum district of Jharkhand, and is a premier institution for medical education and training. The college was established through

a consortium between Tata Steel and the Manipal Academy of Higher Education (MAHE), Manipal, under the private-private partnership (PPP) model vide the Amendment Gazette Notification Number MCI-34(41)/2019-Med./112859 dated 14 May 2019, issued by the erstwhile Medical Council of India (MCI). This consortium represents the first private–private partnership model in medical education in India.

MTMC is the off-campus institute of MAHE, an Institution of Eminence (IoE) deemed to be university. Jharkhand has ten medical colleges (as on date). MAHE, a pioneer in medical education and health care, will provide high-quality medical education and enhance community health care delivery through the establishment of MTMC.

Under this consortium initiative, MAHE Manipal has developed state-of-the-art infrastructure for the medical college at the Ardeshir Dalal Memorial Hospital (ADMH) campus in Baridih, spanning 20 acres. The college offers 200 MBBS seats annually, and Tata Main Hospital (TMH), Jamshedpur, serves as the teaching hospital.

1	Internal Auditor Training Program on ISO 14001:2015 – EMS	The objective of the Internal Auditor Training Program was to enhance awareness and develop auditing skills among participants for the effective implementation of ISO 14001:2015 – Environmental Management System (EMS) requirements. Program Details The three-day training program was organized from 08 to 10 Sep 2025. The program focused on providing participants with a comprehensive understanding of the principles, procedures, and techniques involved in auditing environmental management systems. The training sessions covered: • Overview of ISO 14001:2015 requirements • Environmental aspects and impacts • Legal and regulatory compliance • EMS documentation and controls • Internal audit planning and execution • Audit reporting and follow-up actions Outcome of the Training Participants gained improved understanding of: • Interpretation of ISO 14001:2015 clauses • Auditing techniques specific to EMS • Conducting effective internal audits within their respective functional areas The program enabled participants to carry out internal audits competently and contribute to continual improvement of the Environmental Management System.	08-10 Sep 2025
2	Second Internal Auditors Training Program	The objective of the Second Internal Auditors Training Program was to enhance the knowledge and competence of internal auditors on ISO 21001:2018 – Educational Organizations Management Systems, with a focus on understanding the standard requirements and effective implementation within the institution. Program Details The three-day training program was conducted from 06 to 08 Nov 2025. The session was led by Mr Bhargava, who provided comprehensive training on various aspects of ISO 21001:2018. The training covered: • Overview and structure of ISO 21001:2018 • Key clauses and requirements of the standard • Risk-based thinking and process approach • Documentation requirements • Implementation strategies in educational institutions • Role and responsibilities of internal auditors • Audit planning, execution, and reporting Outcome of the Training The internal auditors gained a clear understanding of: • Interpretation of ISO 21001:2018 clauses • Practical aspects of implementing the	06-08 Nov 2025

		standard • Conducting effective internal audits in line with ISO requirements The program helped strengthen the internal audit mechanism and prepared the auditors for systematic and compliant auditing practices. Conclusion The Second Internal Auditors Training Program was successfully conducted and met its intended objectives. The training contributed to improving awareness, competence, and confidence of internal auditors in implementing and auditing ISO 21001:2018 within the organization.	
3	Training on 5S Implementation	A structured training session on 5S implementation was conducted for office associates of clinical departments. The session covered the fundamentals of the 5S methodology—Sort, Set in Order, Shine, Standardize, and Sustain—with specific reference to office-based processes and workstations. Key Topics Covered • Introduction to 5S and its importance in office environments • Explanation of each 5S pillar with practical examples • Identification of non-essential items and workplace clutter • Visual management and document organization practices • Sustaining 5S through standard operating practices and regular audits Methodology The training included presentations, interactive discussions, and real-time examples relevant to office activities. Participants were encouraged to share current challenges and identify opportunities for improvement using 5S principles. Outcome of the Training • Improved awareness of 5S concepts among participants • Enhanced understanding of workplace organization and standardization • Positive engagement and readiness to implement 5S practices in daily activities Conclusion The training on 5S implementation was successfully conducted and well received by the office associates. The session is expected to contribute to improved efficiency, cleanliness, and discipline in the office environment. Continuous monitoring and periodic reviews are recommended to sustain the implementation	22 Nov 2025

			webinar proved highly informative and beneficial for both students and professionals in medical imaging.	
2	Mr Nilanjan Bhor	India Health Action Trust	The AHS Department at MTMC organized a webinar titled "A Vision for Health Information Management in the 21st Century" on 25 Apr 2025. Coordinated by Mrs Sonalika Singh, Program Coordinator, the session featured Mr. Nilanjan Bhor, Senior Specialist in HIS Implementation at India Health Action Trust and Expert Member at the HIM Council, NCAHP (MoHFW). Mr Bhor provided a comprehensive overview of the evolution of Health Information Management, tracing its progression from traditional paper-based records to modern Electronic Health Records (EHRs). He also addressed the transformation of HIM professionals' roles in the context of digital health, discussed various health data sources, and examined key challenges in India's fragmented healthcare system. The session concluded with an interactive Q&A segment, reinforcing the critical role of HIM in advancing healthcare delivery in the digital era.	25 Apr 2025
3	Mrs Prathiksha Prabhu Khandige	Ultrasound Specialist in Cardiology from Stade, Germany	The Department of Cardiovascular Technology (CVT), under the Department of Allied Health Sciences, Manipal Tata Medical College, Jamshedpur, organized an academic webinar titled "Echocardiographic Approach to Multivalvular Heart Diseases" on 15 Nov 2025. The online webinar attracted active participation from students, faculty members, and healthcare professionals from within and outside the institution, totalling 154 attendees. The session was delivered by Mrs Prathiksha Prabhu Khandige, an Ultrasound Specialist in Cardiology from Stade, Germany, who shared her extensive clinical experience and international perspectives on echocardiographic assessment. The webinar focused on the role of echocardiography in evaluating multivalvular heart diseases, with emphasis on the practical application of AHA/ACC and ASE guidelines. The interactive discussion enriched participants' understanding of advanced cardiovascular imaging and exposed students to international clinical standards, encouraging further learning in cardiovascular diagnostics.	15 Nov 2025

4	Mr Avinash Chander	Candid Health Systems Consultants Ltd	On 25 Nov 2025, the Department of Allied Health Sciences at Manipal Tata Medical College (MTMC), Jamshedpur, hosted a webinar titled "Digital Health and Health Information Management – Opportunities, Challenges, and Career Pathways." Coordinated by Mrs Sonalika Singh, the session engaged 38 students and faculty members via Microsoft Teams. The keynote speaker, Mr Avinash Chander, Director at Candid Health Systems Consultants Ltd, provided a comprehensive overview of the global digital health revolution. He specifically focused on India's evolving landscape, discussing the integration of Electronic Health Records (EHRs), telemedicine, and national digital initiatives. The session bridges the gap between academic theory and industry practice, offering students clarity on career trajectories and emerging technologies. Through an interactive Q&A, participants explored the practical skills required to navigate the modern healthcare ecosystem. This initiative proved vital for professional grooming, equipping future healthcare professionals with the insights needed to excel in a technology-driven industry.	25 Nov 2025
5	Dr Ajit Singh	Department of Medicine, Kasturba Medical College, Manipal.	The Department of Allied Health Sciences, Manipal Tata Medical College (MTMC), Jamshedpur, organized an online webinar titled "Smart Topic Search and Review Writing" on 26 Nov 2025 under the aegis of the Cardiovascular Technology (CVT) program. The webinar attracted active participation from students and faculty members, as well as from outside the institution. The objective of the webinar was to enhance students' research skills by providing practical guidance on identifying suitable research topics and writing effective review articles. A total of 154 participants attended the session, including 74 students, 3 faculty members, and 77 external participants, reflecting strong academic interest. The session was delivered by Dr Ajit Singh, Research Scientist (ICMR), Department of Medicine, Kasturba Medical College, Manipal. Drawing from his extensive research experience, Dr. Singh provided valuable insights in an engaging and interactive manner. Participants actively participated in discussions and provided positive feedback, appreciating the clarity and practical relevance of the session.	26 Nov 2025

6	Ms Andria Joyce Cutinho	The Royal Melbourne Hospital	On 29 Nov 2025, the Department of Allied Health Sciences at Manipal Tata Medical College (MTMC), Jamshedpur, hosted an online webinar titled "Dialysis Practice in Australia vs India: Key Differences, Challenges and Learnings". Coordinated by Mr Abin Benny, the session featured Ms. Andria Joyce Cutinho, a Senior Clinical Renal Physiologist from The Royal Melbourne Hospital. The webinar provided a comparative analysis of infrastructure, patient care models, and technological integration between the two nations. The discussions included the Exploration of advanced renal technologies and multidisciplinary team roles in Australia. Addressing resource constraints, training gaps, and policy limitations in both regions. Insights into global certification pathways and professional development for Indian RRT professionals. Attended by 73 students and two faculty members, the event concluded with an interactive Q&A and a vote of thanks, broadening students' professional outlook on global dialysis practices.	29 Nov 2025

1	UTSAV 2025	UTSAV 2025, organized by the Cultural Coordination Committee (CCC) at MAHE, was held from 24 to 28 Mar 2025 at the KMC Manipal campus and served as a vibrant platform for cultural, literary, and creative expression. MTMC was represented by 36 students and 3 faculty members, selected through a merit-based process that emphasized excellence in Manifest 2024, academic eligibility, and attendance criteria. Student events commenced on 25 Mar and spanned four days of intensive participation across a wide range of competitions. MTMC students competed in 24 events and achieved significant success by securing five prizes—four in group events and one in a solo category. The contingent won Second Position in the Cultural Parade and Third Positions in Collage, Mad-Ads, Installation, and Stand-up Comedy. These achievements contributed to an overall score of 40 points, placing MTMC 10th on the UTSAV 2025 leaderboard. Overall, UTSAV 2025 was an enriching and competitive experience that showcased students' creativity, teamwork, and versatility across diverse art forms. The event strengthened intercollegiate engagement, enhanced student confidence, and provided valuable learning experiences that will inform and improve future cultural representations of the institution.	28 Mar 2025

Department of Biotherapeutics Research, Manipal

Address: Through MIT Gate Number Four, Near Manipal School of Architecture and Planning (MSAP), MAHE, Manipal - 576104, Karnataka, India
Phone Number: 0820-2928501/28504
Email (Office): mcbr.mahe@manipal.edu **Email (HOD):** kirthanashri.sv@manipal.edu

Name of the HoD: Dr Kirthanashri S V
Established: 2021
Details of the Programs Offered by the Institution:

MSc (Research) in Biotherapeutics: MSc (Research) in Biotherapeutics is a two-year program comprised of one semester of classroom teaching, followed by one semester in-house mini-project and two semesters of research internship. Candidates seeking admission must have a bachelor's degree of a minimum three-year duration with a minimum of 60% aggregated marks from a recognized University. Candidates with Foreign qualifications must submit an equivalency certificate from the Association of Indian Universities (AIU), New Delhi, as per program requirements.

PhD in Biotherapeutics Research: PhD in Biotherapeutics Research is a 3.5 year program, either financially supported by national level examinations (CSIR, ICMR, DBT, DST, etc.) or MAHE-Dr TMA Pai Scholarship program. Candidates seeking admission must have a bachelor's degree of a minimum 4-year duration or a master's degree with a minimum of 60% aggregated marks in related/relevant/allied subjects from a recognized University.

Postdoctoral fellow: DBR, MAHE welcomes applications from eligible candidates across the globe for postdoctoral fellowships with financial support.

About the Institution/School:

Department of Biotherapeutics Research (DBR) carries out innovative research, process, and product development in the area of Biotherapeutics (biologics or biotech drugs) with a broad remit covering various biological products with therapeutic potential in humans, mainly in the areas of cell, gene, protein, nanotechnology, regenerative medicine, and biomaterials. The goal of this Centre is to harbour research programs to innovate, develop, and translate cutting-edge research in the area of biotherapeutics in collaboration with global Biopharma and

biotechnology industries. The Master's and Doctoral program offered by DBR helps the students to fully exploit the potential of these novel and cutting-edge therapeutic avenues through translational research. Core Research Area: Cell and Cell-free Therapy, Molecular Signal Transduction, Biomaterials and 3D bioprinting, Brain Aging and Neurotherapeutics, Nanomedicine and Biomaterials, Microbiome therapeutics

1	DBR Annual Sports Day 2025	The Annual Sports Day Meet 2025 at the Department of Biotherapeutics Research was a thrilling mix of speed, strength,	01 Mar 2025

Sl No	Event	Details	Date(s)
		and sheer fun! The event was inaugurated by the esteemed Chief Guest, Air Commodore Vipul Singh AVSM, Additional Director General Services, MAHE, Manipal. MCBR head, Prof (Dr) Raviraja N S, motivated all to participate in the annual sports event with maximum excitement, enthusiasm, and dedication. All students, research scholars, faculty, and Staff members competed passionately, representing four dynamic teams. From electrifying 100 M and 200 M sprints to the adrenaline-packed 4x100 M relay, shot put, and long jump, our athletes gave it their all! Adding a playful twist, we had Badminton, Kho Kho, 7 Stones, Darts, and the ultimate test of balance—Lemon and Spoon x Book Balance Relay! The event concluded with a valedictory ceremony presided over by Mr H Bharathkumar, Director of Public Relations, Media and Social Media, MAHE Manipal. Winners were felicitated, and the overall champions were honored, making it a memorable day! Overall, MCBR Annual Sports Day 2025 was a great success, and it would not have been possible without the great efforts, help, and support from our beloved associate professor, Dr Abhishek Kumar Singh, and our head Prof (Dr) Raviraj N S

1	Onam Celebrations 	Department of Biotherapeutics Research celebrated Onam 2025 with great enthusiasm, bringing together faculty, staff, and students in a vibrant display of tradition and cultural unity. The celebrations featured a beautifully crafted pookalam with traditional Onam sweets, highlighting the significance of the festival, thereby reflecting the values of harmony, togetherness, and shared joy. These festivals remind us of the importance of community and the strength we draw from celebrating our diversity. We extend our gratitude to the Arture club of DBR for organizing the celebration and to everyone who contributed to making this occasion memorable. At DBR, we believe that the spirit of Onam—unity, collaboration, and renewal—resonates strongly with our mission to advance research and education for the greater good.	03 Sep 2025
2	Teachers Day 	At DBR, we celebrated Teachers' Day with gratitude, laughter, and a touch of friendly competition. Our faculty members took a well-deserved break from mentoring and guiding us and joined in activities designed just for them including a lively treasure hunt and an engaging quiz. It was a day of joy, camaraderie, and appreciation for the mentors who shape our journeys every day. We thank our faculty for their dedication and inspiration, not just today but throughout the year.	05 Sep 2025

3	Navaratri Celebration 	Department of Biotherapeutic Research celebrated the spirit of Navratri with music, dance, and joy. The evening began with a soulful aarti and highlighting the significance of Navaratri, followed by melodious singing, energetic dance performances by faculty, scholars and students of DBR. The highlight was the vibrant garba, where all matched steps in rhythm and in spirit that filled the space with energy and brightness. Festivals remind us that science may be our shared pursuit, but celebration and togetherness are what keep our community thriving.	24 Sep 2025
4	Daan Utsav 	As part of Daan Utsav 2025, the Department of Biotherapeutics Research (DBR) visited the Planet Mars Foundation in Kallianpura on 11 Oct 2025. The visit began with a warm and heartfelt welcome, as the students greeted our team with beautifully handcrafted roses. A brief formal session followed, during which representatives from DBR introduced the department's initiatives, ongoing research, and the spirit behind Daan Utsav. The interaction also included an engaging discussion with the students about the diverse academic and professional opportunities available after pre-university education. The Vice President of the Foundation shared insights into their vision, the challenges they encounter, and their efforts to empower young learners. The visit was a meaningful reminder of the importance of compassion, knowledge sharing, and collective growth values that Daan Utsav embodies.	11 Oct 2025
5	Beach Cleaning 	The Department of Biotherapeutics Research (DBR) - MAHE, under the initiative of the 'Off the Trail Club', spent an inspiring and impactful evening at Hoode Beach, Udupi, on 23 Oct 2025, embodying the true spirit of collective responsibility and learning. In a thoughtful blend of environmental action and team building, students, PhD scholars, faculty, and staff came together for a beach cleaning drive, demonstrating DBR's commitment to sustainability and community welfare.	23 Oct 2025

- The BSc Health Science Program
- BSc Basic Medical Sciences (BSc BMS)

About the Institution/School:

The Department of Basic Medical Sciences is a teaching and research department under MAHE, Manipal. Faculty members of the department cater to the academic/teaching requirements of all health science institutions under MAHE.

The BSc Health Science program offered by International Centre for Health Sciences (ICHS), DBMS, MAHE, Manipal, is a part of the 2 + 2 + 2 program in association with American University of Antigua College of Medicine (AUACOM). It is ideal for students who have completed 12th grade and are committed to pursuing careers in medicine. It is two years, four-semester Premedical program at ICHS, Manipal, followed by basic medical education at Antigua and then Clinical Sciences in the US, Canada, or India. The curriculum develops critical thinking skills and a comprehensive approach to basic medical education. Here, the student will have a unique experience of both curricular and extracurricular activities under the best infrastructure provided by MAHE. Along with prerequisite subjects, students are also exposed to Basic Medical Sciences and research activities through mentored student projects (MSP) and Basic Life Support (BLS) courses.

BSc Basic Medical Sciences (BSc BMS) is an undergraduate program covering the broad aspects of various areas of basic medical sciences to help choose a career in basic medical sciences research and development. The main focus of the program is to

gain basic knowledge in pre-clinical and para-clinical subjects through lectures and hands-on training, culminating in a group research project. After the successful completion of the program, students can pursue either an honours degree in Basic Medical Sciences or a master's in clinical or computational Neurosciences if they meet the eligibility criteria

Name of the HoD: Dr Neetinakumar J Patil
Established: 1980
Details of the Programs Offered by the Institution:

- MSc Yoga Therapy
- Certificate Course in Yoga
- PhD program

About the Institution/School:
The Division of Yoga was started according to the vision and mission of Padma Shree Dr TMA Pai, the main architect of the worldwide famous Manipal Institutions. The Division was established in January 1980 at MAHE, Manipal. The aim of the division is to provide yoga practice to the public to improve health and yoga therapy to the patients who are suffering from various kinds of disorders, along with all modern facilities of treatment available in the hospital. It trains students to develop skills of Yoga Therapy to serve the people of society. It helps to fulfil the need of society to create individuals who are experts in the field. The division started offering MSc in Yoga Therapy in 1998. From 2015 onwards, it was named as Division of Yoga and was working under the Centre for Integrative Medicine & Research (CIMR), MAHE, Manipal. Advantages: It aims to develop the skill to apply Yoga techniques in the treatment of health disorders, along with proper classical knowledge of Yoga, as well as laboratory studies. Students who are trained here may run their Yoga Centres, join hospitals or colleges to work as an expert in Yoga Therapy, or as a lecturer in Yoga Therapy. The course also concentrates on research in the field of Yoga science and Yoga Therapy. Mission: 1) To improve teaching, therapy, and research in the field of yoga. 2) To spread the value-based knowledge of yoga therapy. 3) To propagate the importance of yoga for healthy living. 4) To spread the potentialities of yoga and the contributions of yoga for healthy living. 5) To create public awareness about yoga therapy.

Details of Programs Offered by the Institution:

1. Post Graduate Certificate Course in Panchakarma (PGCPK)

The PGCPK program, which was started to provide Ayurvedic Practical knowledge to BAMS graduates, is now considered one of the best courses of this type. It boosts the confidence level of the students and prepares them aptly to practice Ayurvedic Panchakarma therapy.

This program aims to impart quality education in the field of Ayurveda to bridge the gap between theory and practical application of Panchakarma therapy in clinical practice. The current trend of Global healthcare demands evidence-based practice, and the program intends to offer the same, banking on the abundant documented clinical experience of the department. Thus, the program is a promising ray of quality education in the field of Ayurveda in a very short time.

The duration of the course is six months, which includes four modules of theory with exclusive importance to practical sessions.

Highlights of the Program

- Practical-oriented and evidence-based learning.
- Audiovisuals, bedside clinical examination.
- Hands-on experience with Panchakarma procedures.
- Seminars, group study.
- Theoretical sessions, practical sessions, and intellectual sessions.
- Eligibility: BAMS graduates who have completed one year of compulsory internship.
- Commencement of the Class: The first week of March and September of every year.
- How to apply: Online admissions at www.manipal.edu

2. Certificate course in Panchakarma Technician and Massage Therapist

Panchakarma Technician and Massage Therapist course: Training in the complete range of Ayurvedic

therapies, including all Panchakarma therapies. The students who passed this training have been well-placed in renowned hospitals in India and abroad.
Duration of the program: 1 Year/Regular
Eligibility criteria for admission: Minimum 10+2
Commencement of the Class: The first week of January and July of every year
How to apply: Online admissions at www.manipal.edu

3. Certificate Course in Basic Ayurvedic Wellness

4. Certificate Course in Ayurvedic Dietetics

5. Certificate Course -Introductory Course in Integrative Medicine

About the Institution/School

The Division of Ayurveda, which has been an incredible part of the esteemed Manipal Academy of Higher Education since 1982, proposes and performs to provide value-based, authentic Ayurveda treatment to the public. The Division of Ayurveda has been an integral part of the Centre for Integrative Medicine and Research (CIMR) since 2015 and has a wide stream of patients, referrals from other departments, and collaborations with various National and International Institutions, as it incorporates updates of technical and investigative means. The numerous research activities undertaken have established the wisdom of Ayurveda and opened new horizons in the field. The seminars, CME programs, and workshops have always set an example for others. Learning has always been a pleasure here.

Details of the Programs Offered by the Institution:
Programs

1. One-month Elective Course on Traditional Siddha Medicine

This is the course jointly conducted by Morehouse School of Medicine (Atlanta, USA), Health India Foundation (Chennai), and MAHE for the fourth-year medical graduates of the USA and Canada.

This course is approved under the Global Health International Program, and students matriculated at an LCME-accredited US Medical School are eligible to apply for elective courses at Morehouse School of Medicine (MSM).

2. Postgraduate Certificate Course in Siddha Varmam Therapy (PGC SVT – full-time course)

Siddha Varmam Therapy (Varma Vaidyam) is a unique traditional drugless healing method by manipulating energy (varma) points located along the 12 energy (naadi) channels of the human body.

Ancient Siddhas (Yogi) like Agastyar, Thirumular, Bogar developed this art of healing and authored >120 works of literature. Varma therapy is used in pain management, musculoskeletal-neuronal disorders, chronic diseases, post-trauma, sports injuries, etc.

This course is the first of its kind in India, and trains the healthcare professionals to use this ancient healing technique. Experienced Siddha Varma physicians are going to teach students.

The course includes fundamentals of Siddha Varmam science, identification of important varma points, traumatic sequale of each point, manipulation techniques of each point, health benefits of each point, Siddha Varma external therapies, Siddha Yoga, Varmasanam, spine alignment, treatment protocol for common conditions, etc.

In this six-month course, students need to attend classes from 09:00 am to 05:00 PM, which includes practical sessions and clinical postings.

Eligibility: Any UG health professionals such as MBBS, BDS, BSMS, BAMS, BNYS, BUMS, BHMS, BPT, and other allied Health Sciences, BSc Nursing, Yoga therapy, etc.

3. Postgraduate Certificate Course in Siddha Varmam Therapy (hybrid mode)

This is a one-year course in which students will be attending online classes and in-person practical sessions. The compulsory one-week internship at Manipal is mandatory to complete the course.

Eligibility: Private Practitioners/ PG students/ Faculty members of health professionals with MBBS, BDS, BSMS, BAMS, BNYS, BUMS, BHMS, BPT, BOT, BSc Nursing, BSc/MSc Yoga therapy or any equivalent full-time degrees.

4. Introductory Certificate Course in Siddha Varmam Therapy (open elective course for one semester)

This course is for the MAHE students that carries 3 credits.

5. Introductory Certificate Course in Siddha Varmam Therapy (evening course for 3 months)

This is for the public or anybody who wishes to know the Siddha Varmam Therapy.

6. Introductory Certificate Course in Siddha Varmam Therapy (one-month, full-time)

This course gives an opportunity for healthcare professionals or anybody else who wishes to learn the basics of Siddha Varmam Therapy.

About the Institution/School

Traditional Siddha Medicine is one of the Indian AYUSH medical systems, where S stands for Siddha. There were 18 ancient Indian Yogis (Siddhas), such as Agastya Maharishi, Patanjali, Thirumoolar, Bogar, etc., who developed this medical system. They documented 6,000 medical manuscripts in the palm manuscripts. They have classified diseases into 4,448 based on clinical features, and specific herbal remedies are described for each one. The patient is diagnosed based on naadi (pulse), neikkuri (oil on urine examination), manikkadai nool (wrist thread measurement), abnormality in saram (nasal cycle), etc. With these detailed clinical as well as Siddha examinations, we could diagnose and manage challenging diseases such as AIDS, cancers, dengue, COVID, etc. Siddha advises dietary and lifestyle modifications, home remedies, Siddha yoga practices, and herbal remedies. Varmam (trigger point manipulation therapy), kaayakalpam (anti-ageing therapy), 32 types of external therapies, 32 types of oral formulations, and broad-spectrum drugs are the unique therapies in Siddha. Simplified cleansing (detoxification therapy), balancing thridhoshas, correcting 10 naadis/vaayus are the special methods for preventive care. Every year, the birthday of Agastya Maharishi on the Aayilya Natkashra is celebrated as World Siddha Day. Clinical Services Offered: Psoriasis and eczema; Warts, skin tags; Fungal skin infection; Chronic skin diseases; Sinusitis; Renal stone; Male and female infertility; Women health; Cancers; Joint, muscle and bone diseases; Autoimmune diseases; Spine diseases including disc diseases; Siddha naadi (pulse) examination; Personalized diet therapy; Cleansing therapy o Varma therapy; Siddha Yoga therapy; External therapies; Herbal therapy. Our clinicians are well trained in the integrative approach, hence provide the best care from Siddha without compromising the active conventional treatment. Speciality Integrative Traditional Siddha Medicine OPD (SISMO). This was inaugurated on 16 June 2023 by Dr P Giridhar Kini, Registrar, MAHE, in the presence of Dr Meenakumari, Director, National Institute of Siddha, Ministry of AYUSH, Government of India. The SISMO OPD is functioning every day except Sundays and third Saturdays from 08:30 AM to 05:00 PM. Special focus is given to diabetes and its complications, like foot ulcers, cancers, kidney stones, chronic skin diseases like psoriasis, liver diseases, sinusitis, infertility, back pain, and joint pain. The patient needs to pay 500 INR/- in the first visit and 450 INR/- in the subsequent visits for 15 days of medicines. Whereas senior citizens (= 60 age) will pay 350 INR/- and 315 INR/- in the first and subsequent visits, respectively.

About the Institution/School

About Institution: Manipal Institute of Technology (MIT), Manipal Institute of Technology (MIT), Manipal, established in the year 1957 as one of the first pioneering self-financing engineering colleges in the country. Spread across a sprawling 188-acre, Wi-Fi-enabled campus, MIT became a constituent institution of the Deemed University, Manipal Academy of Higher Education (MAHE), in 2000. with an annual student intake of approximately 3,400 and a current enrolment of 11,400, MIT has a manpower of over 700+ faculty members and over 1200 support staff, the institute maintains an impressive student-to-faculty ratio of 13:1, creating an environment that nurtures holistic student development. Moreover, recruiting professors of practice, research faculty and international faculty in the niche areas takes MIT Manipal to the next level in terms of education and research. Experiential learning is at the heart of MIT, demonstrated through several student-driven major projects that go beyond the classroom and focus on complex problem solving and innovation. MIT Manipal offer 21 undergraduate programs, 31 master's programs, and doctoral degrees in all engineering and science disciplines. Fourteen undergraduate programs are accredited by the National Board of Accreditation (NBA), while 10 undergraduate and 11 postgraduate programs are internationally accredited by the Institution of Engineering and Technology (IET) from U K. MIT fosters a culture of innovation and entrepreneurship among students and faculty with the support of cutting-edge facilities like the Idea Cafe, Innovation Center, Central Advanced Instrumentation Facility (CAIF), Manipal Universal Technology Business Incubator (MUTBI), and Bio Incubator. The institute also hosts a vibrant Entrepreneurship Cell (E-Cell) that nurtures the entrepreneurial pursuits of students. The institute actively engages in sponsored research initiatives funded by agencies such as DST, CSIR, DRDO, AICTE, and various government ministries. Collaborative research projects with leading laboratories and institutions in India and abroad further enhance MIT's academic and research standing. Over 2000 publications, 20 faculty members featuring as top 2 percent researchers globally proves the sustained efforts put for the growth of research. Additionally, the institute houses 20 Centres of Excellence (CoEs), which play a vital role in advancing both research and education. MIT has an excellent alumni network with enrollment of over 70,000 successful professionals worldwide. MIT takes immense pride in its distinguished alumni, who have made significant contributions across the globe in industries, academia, research, and politics.

2	Awareness session on MAHE policies for research	Vertical members delivered a session on briefing the various polices focusing on research, publications and consultancy. The session was held on different dates and time suting to the needs of respective schools during the last week of Aug 2025	25-30 Aug 2025
3	Sensitization talk on "MAHE POLICIES FOR PG STUDENT RESEARCH"	A sensitization talk on "MAHE Policies for PG Student Research" between 29 and 30 Aug 2025 at various venues of MIT, Manipal, for postgraduate students of the institution. The session covered four key policies: the PG to PhD Pathway Program, Seed Funding for Research, Scholarships for Research Publications, and the Student Conference Fund. Details included the PG to PhD Pathway structure, exit options, and application guidelines for research seed funding. Scholarship opportunities for publishing beyond mandatory requirements were discussed, along with funding for conferences, including necessary documents, pre-approval processes, and post-event claims. Additionally, the Article Processing Charge (APC) support process was explained, with a focus on journal quality and documentation requirements.	29-30 Aug 2025
4	Sensitization talk on "MAHE POLICIES FOR UG STUDENT RESEARCH"	A sensitization session on “MAHE Policies for UG Student Research” was conducted on 29 and 30 Aug 2025 across various venues at MIT, Manipal, for undergraduate students of the institution. The session focused on four key policies: Seed Funding for Students’ Research Policy on Student Conference Fund Policy, Affiliation Guidelines, and Incentives for Research Publications Policy. Detailed discussions included application procedures for research seed funding and conference participation, covering required documentation, pre-approval steps, and post-event claim processes. Additionally, the procedure for Article Processing Charge (APC) support was explained, emphasizing journal quality standards and necessary documentation.	29-30 Aug 2025
5	Guest Lecture Title: Securing Grants and Advancing Your Career	Dr Shamaprasad, Deputy Director, Grants and Consultancy, Directorate of Research, MAHE, delivered a session highlighting the importance of securing grants and its importance in an academic career. The session was conducted at the KEF Auditorium, and more than 50 faculty members from MIT, Manipal attended this session.	25 Sep 2025
6	Sensitization talk on MAHE Research policies for PhD Scholars	Explained various MAHE policies on research to the full-time PhD students. The highlights of the points are 1. Affiliation formats. 2. Mandatory publication details for thesis submission. 3. Conference facility for 50,000/- INR. 4. Incentives for publication. 5. Dr TMA Pai Gold model research award, etc.	28-30 Sep 2025

		Humpi Hall, Academic Block 2, MIT Manipal. The session was delivered by Dr S Varadharajan, Deputy Director, Intellectual Property Rights and Technology Transfer Office (IPTTO), Directorate of Research, and Associate Professor, Department of Civil Engineering, Manipal Institute of Technology, Manipal.	
8	A webinar on "Step-by-step process of conducting systematic reviews and literature reviews using Rayyan"	75 PG students attended the webinar session on the step-by-step process of conducting systematic reviews and literature reviews using Rayyan.	30 Sep 2025
9	Training Session on Legal aspects of patent filing to product and commercialization	Advocate Pranav Bhat conducted a training session for students of MIT at the MIT KEF R&D Centre from 02:45 to 04:15 PM. A total of six patent interest forms were collected after the session.	09 Oct 2025
10	Training Session entitled Implications of the National Biodiversity Act on IPR	Advocate Pranav Bhat conducted a training session for students of MIT at the MIT KEF R&D Centre from 02:00 to 02:45 PM. A total of 22 faculty members from different departments of MIT participated in the event.	09 Oct 2025
11	Webinar on "Application of VOS viewer Bibliometric Analysis and PRISMA Guidelines in Research Articles"	The webinar by Dr Namrata Marium Chacko provided a comprehensive walkthrough of PRISMA, bibliometric analysis, and the use of VOS viewer in research. Attended by 123 participants, the session began with an introduction to PRISMA, its two essential components - the checklist of 27 reporting items and the flow diagram that tracks the selection process of studies. She demonstrated how PRISMA ensures transparency, reproducibility, and standardization in systematic reviews, highlighting key steps such as identification, screening, eligibility, and inclusion of research papers. Dr Namrata also introduced Prospero, a tool for registering medical-related systematic reviews to avoid duplication of topics. The session then transitioned to bibliometric analysis, emphasizing its role in evaluating research trends and collaboration patterns. She explained how VOS viewer, a key tool for bibliometric visualization, can be used to extract, clean, and analyze publication data to build network maps of authors, keywords, and citations, thereby adding substantial value to a research paper. She also referred to a case study on sustainable agriculture and IoT as an example, and included interactive	23 Oct 2025

Sl No	Activity	Particulars	Date(s)
		quizzes during the session to reinforce understanding of the PRISMA process and related research tools.	
12	Webinar on "Searching Manuscript using Relevant Key words and Journal Metrics"	The session focused on an essential aspect of research methodology. "How to Search Articles Using Relevant Keywords and Identify Suitable Journals Based on Research Scope and Journal Quality." the webinar was highly informative and aimed to enhance the research skills of postgraduate students and young researchers. Dr Sudhakar Y N began the session by emphasizing the importance of effective literature review in academic research. He elaborated on how to identify relevant keywords using Boolean operators, synonyms, and specific search strategies to retrieve high-quality research papers from credible databases. Participants were guided through practical methods of refining search results and accessing full-text articles efficiently. Dr Sachin Sharma discussed the process of identifying appropriate journals for manuscript submission. He explained how researchers can evaluate the scope and objectives of journals to ensure alignment with their research area. The speakers also provided valuable insights into assessing journal quality using reliable indexing platforms such as Scopus and Web of Science. The webinar further covered important metrics used in evaluating journal reputation, including quartile rankings (Q1–Q4), Cite Score, and the H-index of journals. The speakers demonstrated how to access and interpret this information from Scopus and Web of Science databases. They also discussed common pitfalls researchers should avoid, such as submitting to predatory journals, and provided practical tips for maintaining research integrity.	28 Oct 2025
13	Guest Lecture Title: Grant Proposal Scrutinizing Process	Dr Anitha H, Professor, School of Computer Engineering, MIT, Manipal, delivered a guest lecture on navigating the path to funding success. The session was conducted at the Mechanical Seminar Hall, Academic Block 1, MIT, and more than 40 faculty members from MIT attended this session.	29 Oct 2025
14	International Research Pathway	A session on International Research Pathway was organized for undergraduate students on 29 Oct 2025 at 04:40 PM in the ICT Seminar Hall at Academic Block 5, MIT Manipal. The session was delivered by Dr Ramakrishna M, Assistant Director Alumni, Public Relation and International Relation, Manipal Institute of Technology, Manipal.	29 Oct 2025
15	Webinar on "Reference Management using EndNote and Mendeley"	Dr Vijay Mohan discussed EndNote, a reference management tool from Clarivate Analytics, which is popular among researchers for managing bibliographic data, such as journal articles and books. It has a paid desktop version and a free web version (EndNote Online). Key features include creating personal citation libraries, collaborating with colleagues, and using Cite While You Write for seamless citation integration in Word. Dr Mohan demonstrated how to search academic databases directly from EndNote, organize reference groups,	29 Oct 2025

Sl No	Activity	Particulars	Date(s)
		import citations, and manage duplicates. He showed how to format bibliographies in various styles and emphasized the installation of the Cite While You Write plugin for real-time citation formatting. The session included a Q&A addressing technical aspects of the software. Dr Laxman Kudva presented Mendeley, an Elsevier product that offers reference management and collaboration capabilities. He introduced Mendeley Desktop for organizing references, Mendeley Web Importer for capturing online sources, and Mendeley Cite for citation insertion in Word. Dr Kudva demonstrated how to easily modify citations and generate bibliographies while switching citation styles as needed. Both speakers highlighted that these tools save time, maintain accuracy, and simplify adherence to various journal formats.	
16	Training Program on Intellectual Property Rights	Dr Dhas Namdev Laxmanrao, Assistant Director, IP and Technology Transfer, MAHE, gave a talk to the newly joined research scholars at MIT. About 79 newly joined research scholars participated in the event held at Sir M V Seminar Hall, MIT Manipal, from 02:30 to 03:30 PM.	21 Nov 2025
17	Guest Lecture Title: How to Increase Citations and Integrate SDGs in a Journal Article	Dr Santosh K V, Deputy Director-Technical, Directorate of Research, MAHE, delivered a session highlighting the importance of SDGs in the current scenario and how to increase citations to increase global research views. The session was conducted at the Library Auditorium, MIT, and more than 80 faculty members from MIT attended this session.	24 Nov 2025
18	SDG Linking and how to increase citations.	Talk was arranged with Dr Santhosh K. V, by Director (Technical)-DoR. The first talk was arranged for Basic Sciences and Humanities PhD Scholars. Talk covered the importance of SDGs and demonstrated the SDG linking with title, keywords, and Title + Keywords. It was also explained how the SDG linking with help for highlighting the research papers, and 2.5 times the citation may get improved. 220+ PhD students have attended.	27 Nov 2025

		AI/ML/DL-based analytical frameworks for understanding complex biological data. Current research activities include EEG-based imagined speech analysis and iris image–based substance abuse detection, supported by an ANRF-funded project. The lab integrates physiological data acquisition systems with machine learning and deep learning approaches to enable objective assessment, early diagnosis, and intelligent decision support in healthcare applications.	
Biotechnology			
1	MSc Computational Molecular Sciences	The MSc program in Computational Molecular Sciences is an interdisciplinary course offered in collaboration with the Department of Chemistry. • the flexible curriculum consists of 40 credits of core classes, 24 credits of project work, and 10 credits of electives. Students can work on the degree full-time. The program culminates with a Master's thesis. • A multidisciplinary campus, to facilitate research across all the constituent institutions of MAHE in frontier domains of life, pharmaceutical, and medical sciences. • Access to High Performance facilities like Azure and CDAC, and open source software for modelling and simulations. • Integrated PhD with scholarship in II-year for eligible candidates. • Research incentives for publications and conferences. • Start-up and incubation support.	04 Aug 2025
Civil Engineering			
1	Geology Museum	The Geology Museum was inaugurated on 15 May 2025. This is expected to enhance geoscience education and public engagement in the region. The museum houses a diverse collection of geological specimens such as gemstones, rock-forming minerals, and representative samples of igneous, sedimentary, and metamorphic rocks, along with economically important ore minerals and fossils. A key feature is the digital interactive sandbox, which allows students to simulate and visualize various landforms, thereby deepening their understanding of geomorphic and tectonic processes. Informational posters placed strategically across the museum further enrich the learning experience. This dedicated facility is envisioned as a hub for geoscientific research, experimental learning, and outreach. It is expected to significantly contribute to fostering scientific curiosity, promoting environmental awareness, and encouraging sustainable practices by providing a tangible understanding of earth systems and geological heritage.	15 May 2025

		layer board fabrication, antenna fabrication, and related consultancy services for students, researchers, startups, and R&D institutions, thereby promoting innovation, practical learning, and skill development in electronic manufacturing.	
Electronics and Communication Engineering			
1	Centre for Semiconductor Device Fabrication (CSDF) Facility	The Centre for Semiconductor Device Fabrication (CSDF) is a multidisciplinary hub that bridges academia and industry by providing a complete ecosystem for semiconductor education, research, and innovation. It features a controlled cleanroom and a fabrication workflow—including lithography, thin-film deposition, etching, oxidation, and annealing, supported by tools such as photolithography units, PVD systems, furnaces, and advanced probe stations for I–V, C–V, and pulsed characterization. This enables the fabrication and testing of devices like MOS capacitors, diodes, transistors, TFTs, and sensors. CSDF serves students, researchers, startups, and industry partners, offering hands-on training through integrated modules, process simulation, and micro-credential programs to build practical skills and employability. By providing shared access to advanced fabrication and training otherwise unavailable locally, CSDF strengthens the regional semiconductor ecosystem, fosters collaborative R&D, and supports startup innovation, acting as a vital engine for workforce development and technology advancement.	01 Jan 2025
Mechanical and Industrial Engineering			
1	Intel Unnati Certification Program 	Intel Unnati Certification Program Overview the Intel Unnati initiative at MIT Manipal aims to provide hands-on training in Artificial Intelligence, Machine Learning, and Data-Centric Technologies. Prof Nithesh Naik outlined the program's structure, which includes: 1. Comprehensive courses designed for students and professionals from various engineering disciplines, health sciences, dentistry, and hotel management. 2. Annual Industrial Training Program, providing students with real-world exposure under the mentorship of Intel professionals. 3. Competitions and Hackathons, fostering innovation and practical problem-solving skills among students. Future Prospects and Conclusion: the Intel Unnati Lab and Certification Program mark a significant step toward bridging the academia-industry gap and fostering technological inclusivity. This initiative aligns with MIT Manipal's vision of preparing students for future technological challenges and empowering them with industry-relevant AI and ML expertise. The launch event successfully set the stage for collaborative growth between Intel India and MIT Manipal, ensuring that students and professionals stay ahead in the ever-evolving digital landscape.	24 Jan 2025
2	Centre for Research in Medical Device Technology.	Department of Mechanical and Industrial Engineering, MIT Manipal, in collaboration with Wipro G E Healthcare, inaugurated the Centre for Research in Medical Device	06 May 2025

Sl No	Activity	Particulars	Date(s)
		Technology. This initiative stems from a strategic partnership between Wipro G E Healthcare and MAHE, aligning with MIT Manipal's vision to equip students for future technological challenges and advance industry-relevant research in medical device technology. The formal inauguration took place at the Advanced Material Testing Laboratory within the department. The center was inaugurated by Mr Girish Raghavan, Chief Technology Officer, G E Healthcare. The event was graced by esteemed guests of honour, Dr Narayana Sabhahit, Pro Vice Chancellor (Technical Science), MAHE, and Cdr (Dr) Anil Rana, Director, MIT. The function was presided over by Dr Somashekara Bhat, Joint Director. Prominent attendees included Mr Atanu Ghosh, Senior Engineering Manager, HC-MICT, GE Healthcare, and distinguished alumnus Mr Vishwanath Nayak K, Senior Principal Engineer, CT Hardware Platform, GE Healthcare. The formal vote of thanks was proposed by Prof Vishal Shenoy P, and the program was compered by Prof Augustine Barboza. The event witnessed participation from around 40 faculty members, marking a significant milestone for the Department of Mechanical and Industrial Engineering at MIT Manipal.	
3	MAHE NICO Centre for Nanobubbles Engineering and Technology	This Centre is a testament to the growing synergy between academic research and industrial innovation, and is poised to be a hub of cutting-edge work in nanobubble technology. The function started with an invocation by Dr Subraya Krishna Bhat, followed by the welcome address by Dr Arunachala U Chandavar, HoD, MIE. The overview of the Centre was highlighted by Dr Raghuvir Pai B. The inauguration of the Centre was witnessed with the lighting of the traditional lamp by all the dignitaries. The introduction of the Chief Guest Mr Amit Kapur was rendered by Dr Vijay G S. Mr Amit Kapur introduced his team from the Manipal Unit who played key role in the design and development of the Nanobubbles generator. Mr Amit Kapur then delivered the Chief guest's address. Mr Subraya Krishna introduced Ms Ameeta Nehra to the gathering and invited her to address the gathering. The Pro Vice Chancellor, Dr Narayana Sabhahit delivered his address and appreciated the aims and objectives of the center and was overwhelmed that already 10 projects were initiated. He also expressed happiness that two projects under the health science institutes were also underway. The Joint director addressed the gathering and wished the center all success in its projects and activities. The presidential address was rendered by the Director, Cdr Dr Anil Rana. The formal vote of thanks was delivered by Dr Ganesha A.	04 Aug 2025
4	Additive Manufacturing Shop, MIT Workshop	The Additive Manufacturing Shop now features an impressive portfolio of polymer and metal printing technologies. Among the polymer printers, the Twin Dragon offers a robust build volume of 600×600×600 mm, complemented by the Voltera dual nozzle and additional specialized units equipped	29 Sep 2025

Sl No	Activity	Particulars	Date(s)
		with material dryers to ensure high-quality output. These printers support a wide range of materials including PLA, ABS, CF ABS, PETG, Nylon, and TPU, enabling diverse applications from rapid prototyping to functional manufacturing. The facility also includes the Formlabs SLA printer, globally renowned for its precision and clarity in producing intricate parts. A highlight of the shop is the indigenously developed metal 3D printer utilizing Laser Powder Bed Fusion technology, designed by the Ace Micromatics Group. with a build diameter of 120 mm and a height of 175 mm, this printer is the first of its kind to be installed at an engineering institute in coastal Karnataka. It supports high-performance materials such as stainless steel, aluminum alloys, maraging steels, cobalt, nickel, titanium alloys, and Inconel. The shop proudly showcases technologies developed by MIT alumni, including Mr Harish B of Ace Micromatics and Mr Vijay Varda of Fracktal Works, the latter incubated at MUTBI. A curated display of printed parts was arranged within the facility, demonstrating the quality, versatility, and potential applications of both polymer and metal technologies. The principal objective of the Additive Manufacturing Shop is to empower students and faculty to undertake major academic projects, advance research initiatives, and facilitate medical innovations such as custom implants.	
Mechatronics Engineering			
1	MoU between MIT, MAHE, Manipal, and Orangewood Automation Private Limited, Noida	The MoU facilitates cooperation in academic, training, and research-oriented activities in the domains of robotics and automation. Key components include academic-industry engagement through guest lectures, workshops, and expert talks delivered by Orangewood professionals; collaborative development of value-added robotics curriculum with credit options; and student-centric initiatives such as industrial mentoring and brand ambassador programs. The collaboration promotes practical exposure to robotic systems, encourages interdisciplinary learning, and enables students and faculty to align academic outcomes with industrial needs. The MoU also provides a framework for future definitive agreements covering advanced training programs, research projects, and technology-focused skill development initiatives. The agreement clearly defines intellectual property protection, confidentiality, dispute resolution, and governance under Indian law, ensuring transparent and sustainable collaboration. Overall, the MoU strengthens MIT's industry engagement ecosystem while contributing to workforce readiness and innovation capacity in robotics and automation.	01 Jan 2025 - 31 Dec 2027

1	Two-Day Skill Development Workshop for Non-Teaching Staff	A two-day Skill Development Workshop for Non-Teaching Staff was organized by the Office of Faculty Development and Welfare at MIT Manipal to enhance workplace communication and technical proficiency of the non-teaching staff. The workshop was conducted over two days, from 04 to 05 Mar 2025, at the PSUC Lab, CCF, III Floor, Innovation Centre (AB-4), MIT Manipal. The workshop witnessed the participation of 88 non-teaching staff members from various departments and offices of MIT Manipal. The session-wise activities of the workshop are Day 1: Professional Communication, Day 2: Proficiency development in MS Excel	04-05 Mar 2025
2	NSS Volunteers Lead Beach Cleanup Drive at Mattu	NSS volunteers from MAHE's MIT unit participated in a beach cleaning drive at Mattu Beach as part of the Swachhata Abhiyan initiative on 16 Mar 2025. The event, held in the evening, focused on removing plastic waste and raising awareness about the harmful effects of marine pollution. Volunteers worked along the shoreline collecting plastic bottles, wrappers, and other debris. Equipped with gloves and garbage bags, the team cleared over 20 bags of waste, highlighting the maintenance of the beach's natural environment.	16 Mar 2025
3	Clean Campus Drive on World Environment Day	On 10 Jun 2025, MIT's NSS Units I and II actively participated in a campus-wide cleanliness drive to commemorate World Environment Day. with Dr Balakrishna Maddodi as the guest speaker, the event focused on raising awareness about eliminating single-use plastics. Emphasizing the importance of environmental responsibility, volunteers pledged to support district initiatives and lead by example in making MIT a plastic-free campus and promoting sustainability in the surrounding community.	10 Jun 2025
4	MIT NSS Units Honoured on World Blood Donor Day	On the occasion of World Blood Donor Day, 14 Jun 2025, NSS Units I and II of MIT Manipal were honoured by Kasturba Hospital, Blood Center, for their outstanding contribution to voluntary blood donation. Over the past year, the NSS team, in collaboration with various student bodies and support departments, successfully organized 12 blood donation camps and helped collect over 1000 units of blood. The recognition stands as a testament to the collective spirit and commitment of the NSS volunteers, faculty advisors, and support staff who made this initiative possible.	14 Jun 2025
5	Sahaja Yoga Meditation Session Marks International Yoga Day at MIT	The Office of Faculty Development and Welfare, Manipal Institute of Technology (MIT), Manipal, hosted a special Sahaja Yoga meditation session on 28 Jun 2025 to celebrate International Yoga Day. The session was led by Mr Mayur, Senior Process Engineer at STSI and a dedicated Sahaja Yoga practitioner with more than seven years of experience. The event was graced by Dr Chandrakala C B, Joint Director, MIT Manipal, who emphasized the importance of integrating such	28 Jun 2025

		practices into academic life to build resilience and foster holistic development.	
6	Faculty Development Program on Online training on Creativity, Problem Solving and Innovation (CPI)	The Office of Associate Director (Faculty Development and Welfare) at MIT Manipal organized a four-day online Faculty Development Program (FDP) on Creativity, Problem Solving, and Innovation. The program was specifically designed to prepare faculty members who will be handling sessions for first-year students, equipping them with tools to nurture creativity and innovation from the foundational level. The FDP was inaugurated by Cdr (Dr) Anil Rana, Director, MIT Manipal, who emphasized the growing importance of creativity in the engineering profession. A total of 16 faculty members participated in this intensive training program. The sessions were delivered by experienced resource persons from MIT Manipal.	30 Jun - 03 Jul 2025
7	Workshop for Non-Teaching staff on "Effective Communication and Database Management"	The Office of the Associate Director – Faculty Development and Welfare, MIT Manipal, organized a Staff Development Program (SDP) titled "Effective Communication and Database Management" for non-teaching staff. The program was held from 09:00 AM to 05:00 PM at Computing Lab (CCF-02), Academic Block 1, and the CSE Seminar Hall, Academic Block 5. A total of 80 non-teaching staff members participated, split into two batches of 40 participants per day. The program aimed to enhance communication, workplace professionalism, and digital data handling skills critical to day-to-day institutional functioning. Session 1: Communication Skills • 01 Jul: Dr Satish Kumar • 03 Jul: Prof Sangeetha Pai Session 2: Workplace Etiquette • Speaker: Prof Ravindra Shenoy Session 3: Cross-Departmental Data Management • Speakers: Prof Kishore and Dr Vrinda Bhat Session 4: Daily Data Handling and Security • Speakers: Prof Kishore and Dr Vrinda Bhat	01-03 Jul 2025
8	Faculty Development Program on Problem Solving Using Computers (PSUC)	The Office of the Associate Director, Faculty Development and Welfare, in collaboration with the School of Computer Engineering, MIT Manipal, organized a five-day Faculty Development Program (Train the Trainer Workshop) on Problem Solving Using Computers (PSUC). The sessions took place at Computing Lab 25 (PG Lab), Fifth Floor, Innovation Centre, Academic Block 4. This FDP was conducted to upskill faculty members who will be teaching first-year students, both in theory and laboratory components of the PSUC course. The program aimed to build confidence and consistency in delivering foundational programming concepts through an engaging and hands-on pedagogy.	05-11 Jul 2025
9	Faculty Development Program: Tier 02 on Synergizing Problem and Project-based Learning and Design Thinking	"The Office of the Associate Director – Faculty Development and Welfare, MIT Manipal, organized a Tier-2 International Faculty Development Program titled "Synergizing Problem and Project-Based Learning with Design Thinking for Nurturing Creativity, Innovation, and Entrepreneurship" from 07 to 09 Jul 2025. The event took place at the Seminar Hall, School of Computer Engineering (ICT), 1st Floor, Academic Block 5, and was conducted by Dr Deepak L Waikar, a renowned international expert in innovative education practices. The program was	07-09 Jul 2025

		attended by 30 faculty members from various departments across MIT Manipal, aimed at equipping them with advanced pedagogical strategies to promote learner-centered, innovative, and experiential education.	
10	Faculty Development Program (Tier 01) on Effective Teaching	The Office of the Associate Director – Faculty Development and Welfare, MIT Manipal, organized a Tier-1 Faculty Development Program (FDP) on Effective Teaching from 16 to 18 Jul 2025. The sessions were held at the ECE Seminar Hall, Academic Block 5, MIT Manipal. This FDP was specially curated for 59 newly joined faculty members, aimed at providing them with a foundational orientation to MIT's teaching ecosystem, academic policies, pedagogy frameworks, and institutional values	16-18 Jul 2025
11	Engineers' Day Celebration 2025 and Professor P V Bhandary Memorial Oration	Engineers' Day 2025 was observed at MIT, Manipal with Professor P V Bhandary Memorial Oration to mark the occasion. The memorial oration was delivered by Dr S Unnikrishnan Nair, former Director of the Vikram Sarabhai Space Centre and Founding Director of the Human Space Flight Centre. Dr V S Venkatesan, international faculty in Biomedical Engineering, addressed the audience on the convergence of engineering and life sciences, drawing from his extensive professional experience. A tribute to the late Professor P V Bhandary was offered by Dr Raghuvir Pai, recalling his contributions to MIT and his leadership in shaping its academic culture.	15 Sep 2025
12	Inauguration of MIT BIS Corner	The inauguration of the MIT–BIS Corner was successfully held on 20 Nov 2025 at the Second Floor of the MIT Central Library, MIT Manipal. The event marked an important milestone in strengthening the collaboration between Manipal Institute of Technology (MIT) and the Bureau of Indian Standards (BIS), aiming to promote standardization awareness among students and faculty. The Chief Guest, Dr Meenakshi Ganesan, Deputy Director General, Bureau of Indian Standards (Southern Region), inaugurated the MIT–BIS Corner and addressed the gathering. The event was further graced by Sri P N Murali, Scientist, Director and Head, BIS Hubli Branch Office, who shared insights into BIS initiatives and student engagement programs. As part of the event, certificates were presented to student contributors in recognition of their efforts towards the establishment and activities of the MIT Student Corner under BIS. The program concluded with a sapling plantation ceremony, symbolizing growth, sustainability, and the enduring partnership between MIT Manipal and the Bureau of Indian Standards.	20 Nov 2025

2	The Department of Biomedical Engineering organized an insightful session on Innovation for fourth-semester Biomedical Engineering students on 22 Feb 2025 	The event featured distinguished speakers: Dr Manesh Thomas, CEO, Manipal-Government of Karnataka, GOK Bioincubator – He provided an overview of the innovation ecosystem, highlighting key drivers of creativity, research, and entrepreneurship in biomedical engineering. Dr Raghavendra S Rao, International Faculty, BME, MIT, Manipal. He shared valuable insights from his industrial and international experience in innovation thinking, emphasizing the role of interdisciplinary collaboration, cutting-edge research, and global trends in biomedical innovation.	22 Feb 2025
Biotechnology			
1	FREE Workshop on MSc Computational Molecular Science 	Hybrid mode Free Workshop was conducted on 08 Mar 2025 at KEF Auditorium, MIT, Manipal. The workshop was conducted by Dr Neha S Gandhi, Professor Dr S Md A Fayaz, Associate Professor, Department of Biotechnology. The new MSc program in Computational Molecular Sciences is an interdisciplinary course offered in collaboration with the Department of Chemistry. Topics covered in the new course announcement workshop are: Protein Sequence and Structure Databases, Drug Databases, Microbial Evolution, Genome Analysis, Building Drug-Resistant Proteins, Docking, and Artificial Intelligence in Drug Design.	08 Mar 2025
Chemical Engineering			
1	Schrödinger Material Science Workshop – 3 	The Department of Chemical Engineering had organized a three-day Schrödinger Material Science Workshop – 3, Energy Systems - Molecular Simulations for Energy Systems, Batteries, Supercapacitors from 22 to 24 Apr 2025 at Manipal Institute of Technology (MIT), Manipal.	22-24 Apr 2025
2	Two-day Faculty Development Program – 1 	Department of Chemical Engineering organized a Two-day Faculty Development Program (FDP) titled Foundations of CFD and Simulation for Heat Transfer, Microfluidics, and Chemical Reaction Engineering on 09 and 10th Oct 2025, at MIT, Manipal.	09-10 Oct 2025

4	FDP - 2 - MAHE–COMSOL Multiphysics Faculty Development Programs	Department of Chemical Engineering organized a Three-day Faculty Development Program (FDP) titled Foundations of CFD and Simulation for Electrochemistry, Battery, Corrosion, Fuel Cell, and Electrollyzer" from 12 to 14 Nov 2025, at MIT, Manipal.	12-14 Nov 2025

Electrical and Electronics Engineering (EEE)

1	Felicitation Program to Dr C S Adiga and Mr Krishna Amin	Dr C S Adiga, Professor and Head of the Electrical and Electronics Engineering Department, retired on 31 Dec 2024, after serving MIT for over three and a half decades. A felicitation ceremony was held in his honour by the Electrical and Electronics Department on 05 Jan 2025. Dr Jayalakshmi N S, HoD, shared her reflections on Dr Adiga's remarkable journey, while several faculty members recounted their personal experiences and shared memorable moments with him. Dr Adiga, in turn, shared the rich and invaluable experiences he gathered over the years at MIT/MAHE. The Department of Electrical and Electronics Engineering honoured Mr Krishna Amin, Lab Technician, on 05 Jan 2025, in recognition of his exemplary service spanning over three and a half decades. Dr Jayalakshmi N S, Head of the Department, spoke about Mr Amin's dedication and contributions. Several of his colleagues expressed their heartfelt gratitude to the sincere, silent, and hardworking Mr Amin for the unwavering support he provided throughout his tenure. in his response, Mr Amin expressed his thanks to the entire family for their constant support during his time at MIT.	05 Jan 2025
2	Faculty Development Program -Dr Bhuvaneswari G	The Department of Electrical and Electronics Engineering organized an FDP on "AI in IPR and Research Proposal Writing " on 11 Jan 2025, at the Seminar Hall, KEF R&D Centre. The session on Research proposal writing summarized various funding agencies in India and how to write a good proposal for extramural funding. The resource person for this session was Dr Bhuvaneswari G, Professor, Department of Electrical and Computer Engineering, Mahindra University, Hyderabad, Former Professor, IIT Delhi and Adjunct Professor, Electrical and Electronics, MIT, Manipal. The session on AI in IPR	11 Jan 2025

Sl No	Activity	Particulars	Date(s)
		covered various aspects of Patent filing and discussed the systematic process in detail. The session also discussed the ethics behind using AI tools in this process. The sessions were interactive, and the participants shared their experiences. Dr Varadharajan S, Assistant Professor - Senior Scale, Department of Civil Engineering, MIT, Manipal and Coordinator, IPTTO, MAHE, was the resource person for this session. 41 faculty members and research scholars gained insights into patent filing, funding proposals, and ethical AI use. Dr Bindu S, Mr James Antony Pinto, and Dr Vinay Kumar have coordinated the program.	
3	Alumni Talk - Mr Arjun Bhattacharya	The Department of Electrical and Electronics Engineering has organized an Alumni talk on the topic Challenges and Opportunities in Power System Domain on 14 Jan 2025 by Mr Arjun Bhattacharya, a graduate of 2023 EEE and currently a PhD scholar at the University of Tennessee, US. He shared insights on machine learning applications on power grids and career paths in the US. 68 participants actively engaged in discussions on research, higher studies, and tech. trends. Mr Satyakam coordinated the event.	14 Jan 2025
4	Workshop - Dr G Bhuvaneshwari	The Department of Electrical and Electronics Engineering has organized a Workshop for undergraduate and postgraduate students on the topic "Advances in Power Electronics: Technology and Applications " on 16 Jan 2025 at the Seminar Hall, KEF R&D Centre. A total of 66 participants explored cutting-edge power electronics applications in this workshop. The resource person for the session on 'Advances in Power Electronics' was Dr G Bhuvaneshwari, Professor, Department of Electrical and Computer Engineering, Mahindra University, Hyderabad, Former Professor, IIT Delhi, and Adjunct Professor, Electrical and Electronics, MIT, Manipal. The session on 'Switched Reluctance Motor Drive and its Control for Electric Vehicles' was delivered by Dr Vijay Babu, Associate Professor, Department of Mechatronics Engineering, MIT, Manipal, and the session on 'Isolated bidirectional DC-DC converters' was delivered by Mr Adarsh S, Assistant Professor, Department of Electrical and Electronics, MIT, Manipal. Dr Bindu S and Mr James Antony Pinto coordinated the events.	16 Jan 2025
5	Guest Talk -Mr Kushal Kamal	Mr Kushal Kamal, Associate Director, L&T Semiconductor Technologies, delivered a lecture on "Low Power VLSI Design 'for the Electrical Sciences stream students who aspire to pursue a career in the VLSI domain on 25 Jan 2025. During his delivery, he has covered topics such as Electronic System Design Flow, VLSI Flow, Types of Chip Design from Low Power Design View, Basics of Power Dissipation, Types of Power, Factors that impact various types of Power, and Low Power Techniques. The session was very interactive, and students responded enthusiastically to all the trivia questions. Finally, the session was concluded with a Q&A session. The HoD,	25 Jan 2025

6	Technical Session - Mr Dhinesh Rajagopalan	On 30 Jan 2025, a guest lecture titled "Technical Session on Standardization - Renewable Energy and Transformers " was conducted by Mr Dhinesh Rajagopalan, Scientist D and Joint Director, Bureau of Indian Standards, Chennai Branch Office, as a part of the collaboration between MAHE, Manipal, and Bureau of Indian Standards. The session was attended by both students and faculty members and aimed to enhance the audience's understanding of the critical role of standardization in the fields of renewable energy and transformers. Mr Rajagopalan emphasized the significance of standardization in these sectors to ensure the scalability, efficiency, and safety of energy systems. He explained how standardization enables the reliable performance of renewable energy systems, like solar panels, and ensures compatibility between components. Mr James Antony Pinto organized the event.	30 Jan 2025
7	Technical Session - Mr Kalle Sai Koushik	The Department of Electrical and Electronics, in Collaboration with the Bureau of Indian Standards, organized an engaging interactive session for the current II-year EEE students, featuring Mr Kalle Sai Koushik, Scientist D and Joint Director, Bureau of Indian Standards, on 05 Feb 2025. A total of 25 Electrical and Electronics, enthusiastic students participated in this insightful event. Mr Kalle Sai Koushik delivered an informative presentation on the present-day cables and insulators, materials used, applications with different standards and voltage levels. Dr Shivarudraswamy R and Mr James Antony Pinto organized the event.	05 Feb 2025
8	Technical Session - Mr Jatin Tiwari	On 17 Feb 2025, a technical session was conducted on the standards for electric motors, focusing on both single-phase and three-phase motors. The session was delivered by Mr Jatin Tiwari, Scientist C, ETD, BUREAU OF INDIAN STANDARDS, an expert in the field. The session was attended by 25 participants, including students and faculty members from various departments. The session provided valuable insights into the international and national standards for electric motors, specifically the IEC (International Electrotechnical Commission) and IS (Indian Standards) guidelines. The speaker provided a detailed explanation of the IEC standards, specifically IEC 60034, which covers the performance and testing criteria for electric motors. Similarly, the session covered IS 325, which governs the design, manufacturing, and testing of electric motors in India. Mr James Antony Pinto organized the event.	17 Feb 2025
9	Guest Talk- Dr Ragavan K	The Department of Electrical and Electronics Engineering, MIT, Manipal, organized two guest talks by Dr Ragavan K from IIT Gandhinagar on 11 Mar 2025. The first talk, titled "Operation and Control of BLDC Motor and PMSM for EV Applications," was attended by faculty members, research scholars, undergraduate students, and others interested in advancements in electric vehicle (EV) technologies, with a total	11 Mar 2025

10	Guest Talk - Dr Arjun M 	On 12 Apr 2025, the Department of EEE, MIT Manipal, organized a guest talk by Dr Arjun M, Lead Engineer at Bosch Global Software Technologies, Bengaluru, at Sir M V Seminar Hall, AB2. Attended by 5 faculty members and 80 students, the session focused on current trends in measurements and instrumentation for complex systems like electric vehicles. Dr Arjun discussed their role in manufacturing, safety, testing, deployment, and product performance, highlighting applications in crash tests, troubleshooting, and real-world scenarios, while also exploring career opportunities in this field.	12 Apr 2025
11	Guest Talk - International Faculty - Dr Ajit Kumar Verma 	Dr Ajit Kumar Verma delivered an insightful lecture on "Power System Reliability" on 14 Apr 2025 and graciously shared the supporting material for the benefit of our students and faculty. The session was highly informative and enriching. It covered relevant topics from the 4th semester BTech course, Generation, Transmission, and Distribution. One of the internal assessment components for the students was evaluated based on the content presented during the lecture. We are hopeful that this initiative will inspire greater interest among our students and faculty to explore the subject more deeply.	14 Apr 2025
12	Guest Talk - International Faculty - Dr Ajit Kumar Verma 	On 17 Apr 2025, Dr Ajit Kumar Verma delivered an insightful and interactive lecture titled "Career and Research Opportunities in India and Abroad" for our MTech students. He also generously shared supporting materials for the benefit of the participants. The session was highly informative and enriching. Postgraduate students had the opportunity to present their research work and received valuable feedback and suggestions from Dr Verma.	17 Apr 2025

14	Interactive session with research scholars - International Faculty - Dr Ajit Kumar Verma	On 30 Apr 2025, Dr Ajit Kumar Verma conducted an interactive session with the department's full-time research scholars and their faculty guides. The session proved to be highly informative and enriching. Research scholars presented their ongoing work and received insightful feedback and constructive suggestions from Dr Verma. He recommended possible improvements and shared his expertise on potential collaborations aligned with the research being carried out in the department.	30 Apr 2025
15	Guest Talk - International Faculty - Dr Ajit Kumar Verma "	On 07 May 2025, Dr Ajit Kumar Verma delivered an insightful lecture titled "Reliability for Competitive Advantage" for the benefit of our faculty. He also generously shared supporting materials for the benefit of the participants. The session was highly informative and enriching. We are hopeful that this initiative will inspire greater interest among our faculty to explore the subject more deeply.	07 May 2025
16	Workshop/Hands-on training - International Faculty - Dr Ajit Kumar Verma	Dr Ajit Kumar Verma conducted a workshop on self-management and personal re-engineering through yoga on 27 Jun 2025, based on the theme "Yoga for Physical, Mental, and Emotional Well-being." He provided insightful explanations on various yogic practices, placing special emphasis on the chakras energy centers in the body that play a vital role in physical, mental, and spiritual health. He also discussed specific yogic techniques and explained the internal effects of practicing asanas such as Ustrasana, Matsyasana, Ujjayi Pranayama, and Bhramari, etc. Dr Srividya Verma led a practical session, guiding participants through authentic esoteric practices and Yoga Nidra, highlighting their effectiveness in managing everyday stress.	27 Jun 2025

		and Electronics Engineering Department, organized a Tier-2 International Faculty Development Program on "Synergizing Problem and Project-Based Learning with Design Thinking" from 07 to 09 Jul 2025. Conducted by Dr Deepak L Waikar, the program engaged 30 faculty members in sessions on PBL, Project-Based Learning, and Design Thinking, with debates, group work, and peer reviews. The FDP successfully encouraged faculty to adopt innovative, learner-centered strategies that foster creativity, problem-solving, and entrepreneurship.	
18	Short Term Course on "Power and Energy Management Applications Through Simulation and Software Tools" 	The Department of Electrical and Electronics Engineering, MIT Manipal, in collaboration with MUJ Jaipur and NIT Durgapur, organized a One Week Online Short-Term Course on "Power and Energy Management Applications Through Simulation and Software Tools" from 21 to 25 Jul 2025. Over 220 faculty, researchers, students, and industry professionals participated in sessions on advanced tools such as DigSILENT, MATPOWER, OpenDSS, HOMER, OpenRT, and Typhoon HIL, covering topics from microgrid modeling to AI/ML-based renewable energy analysis. The program offered a balanced blend of theory and hands-on training, enhancing participants' technical skills and fostering academic–industry networking.	21 to 25 Jul 2025
19	Faculty Development Program on "Sustainable Smart Cities through Energy Efficiency 	The Departments of Civil Engineering and Electrical and Electronics Engineering, in association with the Manipal School of Architecture and Planning, organized a two-day Faculty Development Program on "Sustainable Smart Cities through Energy Efficiency" from 28 Jul 2025. Inaugurated by Chief Guest Mr Arun Prabha, GM, Mangalore Smart City Ltd, the event featured expert sessions on smart city planning, sustainable design, smart energy systems, and cybersecurity, along with hands-on demos and lab visits. The program fostered interdisciplinary learning, aligned with global sustainability goals, and received generous in-kind support from the State Bank of India, Manipal Branch.	28 Jul 2025
20	Guest Talk -Dr Deepak L Waikar 	A guest lecture on Sustainable Energy Systems was delivered by Dr Deepak L Waikar, Research Fellow at the Singapore Institute of Technology. He highlighted the global energy scenario, emphasizing the urgent shift from fossil fuels to renewable sources like solar, wind, and bioenergy for long-term energy security and carbon reduction. Dr Waikar discussed technical, economic, and policy challenges while stressing the role of innovation, education, and interdisciplinary collaboration. Engaging the audience with case studies and real-world examples, he concluded with an interactive Q&A session on smart grids and energy storage. The lecture provided valuable insights into building a greener, more resilient energy future.	05 Aug 2025
21	Alumni Talk – Mr Priyanshu Shekhar	The Department of EEE hosted an interactive seminar for II, III, and IV year students featuring alumnus Mr Priyanshu Shekhar (BTech EEE, 2017), a Design Engineer at Samsung	09 Aug 2025

Sl No	Activity	Particulars	Date(s)
		Semiconductor, Bangalore. with over seven years of experience in high-performance semiconductor design, including his tenure at Intel, Priyanshu shared insights on SerDes IP, Autonomous PHY, and Low-Power DDR PHY development. Around 40 students attended, gaining valuable knowledge on chip design stages, essential skills, and career opportunities.	
22	Hands-on Workshop on "Modeling, Control, and Deployment of Systems using MATLAB and Simulink"	The Department of Electrical and Electronics Engineering, MIT Manipal, in collaboration with MathWorks, is organizing a one-day national hands-on workshop for PG students on System Simulation using MATLAB on 09 Oct 2025 at the System Simulation Lab (Room Number 216), Academic Block 1. the workshop will focus on topics such as Electric Vehicle Modelling, Motor Control Design, Hardware Interfacing, and Code Generation. It is convened by Dr Ciji Pearl Kurian and Dr Vijayalaxmi, under the guidance of Dr Jayalakshmi N S, Professor and Head, Department of Electrical and Electronics Engineering.	09 Oct 2025
23	Guest Talk - Dr R Nagaraja	The Department of Electrical and Electronics Engineering organized an online lecture on "Practical Aspects of Power System Studies" by adjunct faculty Dr R Nagaraja at 03:00 PM on 28 Oct 2025. Dr Nagaraja, founder of PRDC Pvt Ltd and a senior IEEE member, shared valuable insights from his vast experience in power system analysis, SCADA, energy management systems, and real-time applications. The session was attended by over 150 participants, including fifth-semester students, Head of the Department Dr Jayalakshmi N S, and faculty members. The program was coordinated by Dr Bindu S, Dr Mala R C, Dr Vinay Kumar J, and Dr Sachin Sharma, and was highly informative and enriching.	28 Oct 2025
Humanities and Management			
1	Three-week Training Program on Corporate Finance	The Department of Humanities and Management, Manipal Institute of Technology (MIT), MAHE, organized a comprehensive three-week Training Program on Corporate Finance in Jan 2025. Tailored for the executives from Mozambique Ports and Railways, Mozambique, the program covered financial statement analysis, capital budgeting, and investment management using interactive lectures, case studies, and Excel-based problem-solving. Sessions ran full days, with accommodation, meals, and local travel provided on campus. The previous edition also successfully hosted	06-26 Jan 2025

		executives from Mozambique Ports and Railways, highlighting MIT's strong track record in executive education for global finance professionals.	
2	Workshop on Data Structures	The Department of Humanities and Management organized a workshop for BTech in CSFT students on advanced data structures. The workshop was coordinated by Prof Lidwin Kenneth Michael and Dr Sumukh S Hungund. Mr Subham Patro and Ms Radhika Kamath from FIS Global, Bengaluru, were invited as resource persons for this workshop. The workshop was held from 15 to 18 Jan 2025 from 06:00 to 08:30 PM. The workshop covered topics such as Trees, Heaps, Hash Tables, and Graphs. The workshop was attended by 73 students.	15-18 Jan 2025
3	FinTech and Entrepreneurship Conclave	The Humanities and Management Department, Manipal Institute of Technology (MIT), MAHE, with FIS, dLabs ISB, and YI Mangalore, organized the second edition of FINENT 25: FinTech and Entrepreneurship Conclave on 04 Apr 2025. The conclave united eminent industry leaders, academic experts, and practitioners to discuss digital payments, AI, blockchain, and entrepreneurial opportunities reshaping India's financial landscape. Keynote speakers included Mr Madhav Nair (Bank of Bahrain and Kuwait), Mr Ramkumar Narayanan (FIS Global), and Dr Varadaraju Janardanan (Flipkart), alongside an interactive fireside chat and expert panel. The event fostered collaboration and spotlighted India's surge as a global fintech innovation hub.	04 Apr 2025
4	Workshop	The Department of Humanities and Management, MIT Manipal, in collaboration with the Centre for Microfluidics, Biomarkers, Photoceutics and Sensors (μBioPS), successfully organized two insightful workshops on R Programming this Jul. Basic Programming with R, 07 to 11 Jul 2025. Advanced Programming with R, 12 to 17 Jul 2025. Ms Aditi Lakshmi Satish, Prime Minister's Research Fellow from IIT Gandhinagar, is the resource person for both sessions. Her expertise and engaging instruction were instrumental in delivering a high-quality learning experience. The response to both workshops was overwhelming. Participants came from a wide range of constituent institutions under Manipal Academy of Higher Education (MAHE).	07-17 Jul 2025
5	An insightful IVI (I-Venture Immersive) Masterclass	The Department of Humanities and Management, Manipal Institute of Technology (MIT), in collaboration with the Indian School of Business (ISB), organized an insightful IVI (I-Venture Immersive) Masterclass titled "the Future of Banking: Risks and Opportunities" on 06 Aug 2025. The session was conducted at Sir M V Seminar Hall, Academic Block 2, from 02:00 to 03:00 PM. The masterclass was delivered by Dr Shashwat Alok, Associate Professor of Finance at ISB, who is widely recognized for his research in financial markets, corporate governance, and behavioral finance. The event witnessed an enthusiastic participation of around 100 attendees, comprising students, faculty members, and research scholars from various disciplines. Dr Alok began the session by exploring the evolving	06 Aug 2025

Sl No	Activity	Particulars	Date(s)
		landscape of global and Indian banking, emphasizing the transformative role of technology, fintech innovations, and regulatory frameworks. He elaborated on how artificial intelligence, blockchain, and data analytics are redefining financial services, while also discussing the potential risks associated with cybersecurity, compliance, and systemic vulnerabilities. The session highlighted the need for adaptability and innovation in the face of rapid digitization and changing customer expectations. Through real-world examples and interactive discussions, Dr Alok illustrated how traditional banking models are giving way to agile, technology-driven ecosystems. He also addressed questions from students on topics such as digital currencies, sustainable finance, and the future of monetary policy in an AI-driven economy. The session concluded with a vote of thanks from the organizing team, acknowledging Dr Alok's valuable insights and the collaboration between ISB and MIT that made the event possible. The audience appreciated the speaker's engaging delivery.	
6	an insightful IVI (I-Venture Immersive) Masterclass	The Department of Humanities and Management, Manipal Institute of Technology (MIT), in collaboration with the Indian School of Business (ISB), I-Venture Immersive (IVI), and XElevate Ventures, organized an exciting entrepreneurship event titled "Pitch to IVI – Manipal Edition" on 06 August 2025. The event took place at Hampi Hall, Academic Block 2, MIT, from 10:00 AM to 05:00 PM, and drew an enthusiastic audience of around 100 students, faculty members, and aspiring entrepreneurs. The session was led by Mr Rohith Vegesna, Founder of Insurge AI and a distinguished IVI Cohort 2 alumnus, who brought valuable insights from his entrepreneurial journey. The event provided a unique platform for students to pitch their bold startup ideas directly to IVI representatives and mentors, with the opportunity to gain mentorship, market access, and funding support of up to 40 Lakhs INR. Mr Vegesna engaged the participants with his talk on innovation, startup resilience, and the realities of building a business from scratch. He emphasized the importance of problem-solving, adaptability, and market validation for early-stage startups. Throughout the day, selected student teams presented their ideas spanning diverse domains such as technology, sustainability, education, and healthcare. Each pitch was followed by constructive feedback from the IVI and XElevate Ventures panels, encouraging students to refine their business models and explore strategic scalability. The interactive nature of the event sparked vibrant discussions on funding strategies, investor relations, and the future of India's startup ecosystem.	06 Aug 2025
7	Guest Lecture	The Alumni Cell, Public and International Relations, in association with the Department of Humanities and Management, Manipal Institute of Technology (MIT), MAHE, organized an insightful guest lecture titled "Negotiation Strategies for Academics" on 12 Aug 2025. The session was	12 Aug 2025

Sl No	Activity	Particulars	Date(s)
		held at Hampi Hall, First Floor, Academic Block 2, MIT, from 04:00 to 05:00 PM. The resource person for the lecture was Dr Regina J Hoffmann, International Faculty, Department of Humanities and Management, MIT, MAHE. Dr Hoffmann shared valuable perspectives on effective negotiation approaches within academic settings, focusing on communication techniques, interest-based negotiation, and professional conduct. The session aimed to equip faculty and academic professionals with strategies to handle institutional discussions, collaborations, and work-related negotiations more confidently. The event witnessed active participation from faculty members across various departments. The interactive session allowed participants to engage in discussions and clarify their queries related to negotiation challenges in academia. The program was graced by Cdr (Dr) Anil Rana, Director; Dr Chandrakala C B, Joint Director; Dr Kanthi M, Associate Director (Alumni Cell, Public and International Relations); and Dr Yogesh Pai, Professor and Head, Department of Humanities and Management."	
8	Guest Lecture	The Department of Humanities and Management at Manipal Institute of Technology (MIT), Manipal organized an engaging and forward-looking guest talk titled “Being Future-Ready for AI-Powered Product Careers.” the event took place on 22 Sep Monday at 11:30 AM in the Sir M V Seminar Hall, Academic Block–2, drawing enthusiastic participation from students and faculty members. The session was delivered by Ms Priyanka Sarkar, Vice President, Global Acceptance Solutions (Emerging Markets) at Mastercard, Pune. an accomplished leader with over two decades of experience in the global payments and product management sector, Ms Sarkar is a proud alumnus of MIT Manipal, having graduated in Electrical Engineering (Batch 2001–05). During her address, Ms Sarkar highlighted the rapid transformation of product careers driven by Artificial Intelligence and digital innovation. She emphasized the increasing need for professionals to develop skills in AI integration, product strategy, and customer-centric design. Drawing from her rich experience at Mastercard, Visa Inc, NPCI, and RBS Software, she offered practical insights into navigating the emerging tech-product landscape. Ms Sarkar also spoke about the importance of continuous learning and inclusive leadership, reflecting on her role as the Lead of the Women’s Leadership Network for Mastercard India. She encouraged students to embrace up-skilling and to stay agile in a rapidly changing industry. The program aligns with UN Sustainable Development Goals by fostering industry–academia collaboration and enhancing student exposure to global career trends.	22 Sep 2025

Mathematics			
1	2nd Mathematics Research Symposium (MaRS25)	The Department of Mathematics at Manipal Institute of Technology, Manipal, successfully organized the 2nd Mathematics Research Symposium (MaRS25) on 07 and 08 Feb 2025, at the Sir M V Seminar Hall, Academic Block 2. This two-day academic event provided a vibrant platform for over 100 participants, including undergraduate and postgraduate students, research scholars, and academicians from various institutions, to present and discuss contemporary research in mathematical sciences. The symposium commenced with an inaugural ceremony featuring addresses by distinguished guests Dr Ambat Vijayakumar (CUSAT) and Dr B R Shankar (NITK), followed by multiple parallel sessions showcasing more than 20 student presentations on diverse topics such as algebra, number theory, topology, optimization, and computational techniques. Invited lectures by Dr K P Deepesh (NIT Calicut) and Dr P Sam Johnson (NITK) enriched the event, encouraging vibrant academic interaction through active Q&A sessions. MSc participants were also awarded a textbook to support their learning. Overall, MaRS25 successfully achieved its objectives of raising awareness about mathematical research, motivating students to innovate, and fostering a strong research culture within the community.	07-08 Feb 2025
2	Women in Mathematics Day 	The 4th edition of Women in Mathematics Day was celebrated on 13 and 14 May 2025, at the KEF R&D Centre, as part of a global initiative honoring the achievements of women mathematicians, coinciding with the international observance of Prof Maryam Mirzakhani's birthday. The event opened with remarks by Dr Shobha M E, highlighting the importance of equitable representation and paying tribute to legends like Dr Hypatia, Dr Emmy Noether, and Dr Maryam Mirzakhani, while recognizing the dedication of contemporary women in the field. Head of Department Dr Kuncham Syam Prasad welcomed the gathering, and guest speaker Dr Chandhini delivered an insightful talk on "Overcoming Gibbs Phenomenon in Fourier Approximation," after which she was felicitated for her contributions. A pre-event quiz on 13 May engaged 10 teams in testing their knowledge of mathematics and women mathematicians, with prizes awarded to Team Zero Math, the Radicals, and Team Variables. The event also featured a screening of a short film on Maryam Mirzakhani, inspiring the audience with her remarkable journey. The program concluded with a vote of thanks by Dr Aarthi Bhat, appreciating the efforts of the organizers and participants. This celebration not only fostered academic engagement but also reinforced the commitment to creating inclusive spaces in mathematical sciences.	13-14 May 2025
Mechanical and Industrial Engineering			
1	Lab view Training by National Instruments	*Day 1: the first session was focused on providing the basic overview of LabVIEW with a major focus on the Indicators, controls, Boolean, and a few basic arithmetic calculations using	07 - 08 Feb 2025

		LabVIEW. Second session was on loops in LabVIEW and creating 1D and 2D arrays, strings, and clusters in LabVIEW *Day 2: Introduction to the sensors and NI data acquisition modules. Basic concepts of signal processing. Integration of Thermocouple, accelerometer, potentiometer, and the differential pressure sensors with the LabVIEW and creating the virtual environment for the data acquisition.	
2	Exploring Entrepreneurial Opportunities for Engineers: MITE Students Visit to MAHE organized by Department of Mechanical and Industrial Engineering in collaboration with Bio-Incubator and MUTBI, MAHE.	The event started with a warm welcome address to students and faculty of MITE, Mangalore, by Dr Rakesh Sharma. At the very first, the visitors were taken to Bio-Incubator where Dr Akshatha Shetty introduced the importance of Bio-Incubator. She facilitated the visit to the Tissue Culture Facility, where students were allowed to see the laboratory and different equipment. The students were also briefed about the dedicated incubation facility and central instrumentation facility. Dr Akshatha Shetty demonstrated sophisticated instruments like a 3D-printing machine, a centrifuge, a PCR machine, and a stability chamber. Students were also informed about Electrophoresis and TGA, where Dr Rakesh Sharma also shared his experience of using TGA. Later, Dr Akshatha Shetty guided the visitors to Bio-Nest, where a clean room facility was shown. She also presented a couple of 3D-printed and laser-cut models. Mr Basavraj also shared his experience of working with 3D printers and their importance compared to conventional methods. Finally, she concluded with a brief talk about how to get connected with the Bio-Incubator of MAHE and follow up with the ongoing activities through Instagram and LinkedIn. She also introduced them to an alumnus from MITE, Mangalore, Mr Likhit Kumar, who himself owns a startup in Bio-incubator. The visitors were taken to the Manipal Universal Technology Business Incubator (MUTBI) where the CEO of MUTBI, Dr Santosha Rao shared awareness about the importance of innovation and entrepreneurship.	25 Feb 2025
3	Two-day workshop on CFD and its Applications	This event was conducted for the Mechanical Engineering students of Shri Madhwa Vadiraja Institute of Technology and Management (SMVITM), Bantakal, Udupi. Dr Arunachala U Chandavar, Professor and Head of the Department of Mechanical and Industrial Engineering, MIT, briefed on the importance of emerging technologies in Mechanical Engineering. Dr Dolfred Vijay Fernandes and Dr Madhwesh N, Associate Professors of the department, were the resource persons. They highlighted the utility of CFD, its fundamentals, and various applications, especially in thermal applications. About 35+ students participated in the workshop. Dr Bharath K. Bhat and Dr Manjunatha S, Assistant Professors of SMVITM, were present during the workshop	06 and 07 Mar 2025

4	Role of Department in NIRF Ranking	The Department of Mechanical and Industrial Engineering, MIT, Manipal, organized a workshop on "Role of Department in NIRF Ranking" on 11 Mar 2025. The session was conducted by Dr Vishwanatha H M, Assistant Director- Quality Assurance, MIT, Manipal, and was attended by 47 faculty members from the department. The session commenced with a welcome address by the Head of the Department, Dr Arunachala U Chandavar, who introduced the speaker and expressed gratitude for his time and effort in conducting the workshop. Dr Vishwanatha H M elaborated on various key factors influencing the NIRF (National Institutional Ranking Framework) ranking and highlighted the crucial role of faculty members in improving the current ranking of MIT.	11 Mar 2025
5	Exploring Entrepreneurial Opportunities at MAHE	The event started with a visit to the Central Analytical Instrumentation Facility (CAIF), various research supporting facilities are shown. Then, the participants were taken to the Planetarium to attend a show related to space exploration, further to the Bio-incubator and MUTBI at MAHE University. The importance of Bio-incubator was shared and participants were taken to 3D Printing facilities, Microfluidics lab, Machining facility, Tissue Culture Facility, dedicated incubation facility. The participants were facilitated to visit the Manipal Universal Technology Business Incubator (MUTBI) where CEO Dr Santosha Rao interacted with students and shared his view on innovation and entrepreneurship. The participants were later taken to SMRUTI Bhavan, where they got a chance to closely follow the life and achievements of Padam Shri Dr TMA Pai, founder of MAHE University. The participants were taken to the MIT Innovation Centre, where they interacted with eminent professor Dr Satish Prabhu. The session concluded with a visit to facilities at MIT Innovation Centre coordinated by Dr Sucheta Kolekar"	12 Mar 2025
6	Workshop on Prototype Development using CNC Machining Technology	The primary objective of the event was to provide hands-on training on programming and operating CNC turning centers. This workshop aimed to enhance the practical skills of the students in CNC machining technology.	13 - 14 Mar 2025
7	Exhibition of Mechanism Models and Kinematic Analysis Diagrams	The Exhibition of Mechanism Models and Kinematic Analysis Diagrams successfully met its objectives of enhancing learning through hands-on application. The enthusiastic participation of students and the guidance provided by faculty contributed to the success of the event. The Department of Mechanical and Industrial Engineering congratulates all participants and extends gratitude to the faculty judges, event coordinators, and	06 Sep 2025

4	Dr Vadiraj S Gopinath	Vachichem International Pvt Ltd, Bengaluru	Guest Lectures	15 Apr 2025
5	Dr Sumesh Eswaran	Anthem Biosciences	Guest talk (online)	15 Oct 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
6	Dr Rajaneesh Misra	Senior Professor, Department of Chemistry Indian Institute of Technology (IIT), Indore	Guest Lecture	24 Oct 2025
7	Dr Namratha B	Department of chemistry, MIT	Guest talk and Alumni Interaction	07 Nov 2025
Civil Engineering				
1	1. Ms Bhavya Das 2. Mr Siddharth Chauhan 3. Mr Sarthak Mathur	Department of Civil Engineering	Alumni Talk Series "Beyond the Blueprint: Diverse Career Paths for Civil Engineering"	14 Jan 2025
2	Dr Sujith Ravi	Earth and Environmental Science, Temple University, Philadelphia, USA	Talk on Combined land use of solar energy and agriculture for environmental and socioeconomic co-benefits	16 Jan 2025
3	Dr Ravindranath BV	Chief Consultant at Ravindranath and Associates, Bengaluru	Guest Lecture Series on the topic Karnataka Professional Civil Engineers Act: A Game Changer for Civil Engineering Professionals	20 Jan 2025
4	Dr Girish Gopinath 	Department of Climate Variability and Aquatic Ecosystem, Kerala University of Fisheries and Ocean Studies (KUFOS), Kochi, Kerala	Talk on Role of Geospatial Technology in Earth Sciences	13 Feb 2025
5	Shri Dwaipayan Bhadra	Scientist 'E' and Head of the Civil Engineering Division, Bureau of Indian Standards (BIS)	Special lecture on Concrete Technology	13 Feb 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
6	Dr S J Desai	Department of Geology, Faculty of Sciences, the Maharaja Sayajirao University of Baroda	Talk on “Spilites and Spilitic Rocks”	25 Feb 2025
7	1. Mr Yeddula Satya 2. Mr Narayana Reddy	YNR Associates, Architects and Engineers, Kurnool	Alumni Talk Series on “Stakeholders’ Involvement in Project Lifecycle"	27 Feb 2025
8	Ms Deepthi Shenoy	TCE Ltd	Alumni Talk Series, Significance of Particle Packing in Concrete Mix Design	04 Mar 2025
9	Ms Deepthi Shenoy	Senior Engineer, Project Management Office, Mining and Metallurgy Business Unit, Tata Consulting Engineers	Alumni Talk Series- From Classroom Concepts to Real-World Project Management: Bridging Theory and Practice	10 Mar 2025
10	Ms Rashi Kishore	Construction manager, Jacobs, USA	Guest talk on Technology impact on safety-Automatic safety checking of construction models and schedules	13 Mar 2025
11	Mr Sidharth	DesignTree Consultants	Guest talk on Designing Multistorey Buildings – Industry Perspective	22 Mar 2025
12	Shivam Tripathi	GeoCon Infra Pvt Ltd	Alumni Talk Series Geotechnical Engineering- Applications in real world	04 May 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
13	Dr Neloy Khare	Advisor and Scientist-G, Ministry of Earth Sciences	Lecture series on “Ocean and Climate Sciences", Talk 1: Blue Economy: he future of sustainability Talk 2: Understanding past climates for natural hazard	04 May 2025
14	Mr Rajendra Kalbavi	Executive Director, Dakshina Kannada Nirmithi Kendra, Surathkal	Alumni Talk Series Beyond Structures: Engineering with Purpose for a Sustainable World	08 May 2025
15	Mr Amit Kapur	Chairman - Founder and Managing Director at IOTA Group Co, NICO Nanobubble India Co, and IOTA Water.	Guest Lecture on Harnessing the Power of Nanobubble - Opportunities and Challenges	08 May 2025
16	Dr Radhakrishna G Pillai	Department of Civil Engineering, IIT Madras	guest lecture on “Technologies for Low-Carbon and Lean Construction”	25 Jul 2025
17	Mr Durgesh Devadiga	Self-Employed, Guru Builders and Developers, Behind Board High School	Alumni Talk Series Application of the Differential Global Positioning System in Surveying	20 Aug 2025
18	Mr Ujwal D’souza	Association of Consulting Civil Engineers (India)	Guest Lecture by Er UJWAL D’SOUZA on the topic Construction Project Management	24 Sep 2025
19	Mr Anil Hegde	Consulting Civil Engineers	Guest Lecture (Techno week series) by Er Anil Hegde Structural Engineering: Industry Viewpoint	25 Sep 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
20	Mr Samarth Garg	DGM, DLF Ltd	Alumni Talk Series My Journey – Road to Success	27 Sep 2025
21	1. Mr Satish Kumar Bhat 2.Mr Guruprasad	Practicing Advocate, Mangalore Assistant Director of Town planning/ATPO Mangalore City Municipality	Guest Lecture Report on "Precautions to be taken while purchasing property" and Principles and preparation of layout and eplan	02 Oct 2025
22	Dr H N Udayashankar	Civil Engineering Department, MIT, Manipal	Guest lecture by Groundwater Exploration and Field Demonstration of Electrical Resistivity Meter	03 Oct 2025
23	Dr Amit Bafana	Senior Principal Scientist, CSIR-NEERI, Nagpur	Talk on "Prevalence of Bioaerosols and their Health Risk Estimation at Landfill site in Nagpur"	23 Oct 2025
24	Dr T V Ramachandra	Principle scientist G-1, Centre for Ecological sciences, IISc, Bangalore	Guest talk on "Bangalore Lakes Information system (BLIS): Sustainable Management of Lakes	24 Oct 2025
25	Dr Ramesh Kumar MR	National Institute of Oceanography	Talk on "How to Prepare a Research Manuscript"	06 Dec 2025
Electrical and Electronics Engineering				
1	Mr Arjun Bhattacharya	PhD Scholar, University of Tennessee, US	Alumni Talk	14 Jan 2025
2	Mr Kushal Kamal	Associate Director, L&T Semiconductor Technologies,	Alumni Talk	25 Jan 2025
3	Mr Dhinesh Rajagopalan L	Scientist 'D' and Joint Director Bureau of Indian Standards Chennai Branch Office	Guest Talk	30 Jan 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
4	Mr Kalle Sai Koushik 	Scientist 'D', Joint Director Bureau of Indian Standards	Guest Talk	05 Feb 2025
5	Mr Jatin Tiwari	Scientist 'C', ETD Bureau of Indian Standards	Guest Talk	17 Feb 2025
6	Dr Ragavan K	Professor, Indian Institute of Technology, Gandhinagar	Guest Talk	11 Mar 2025
7	Dr Arjun M	Lead Engineer, Bosch Global Software Technologies, Bengaluru.	Guest Talk	12 Apr 2025
8	Dr Ajit Kumar Verm	Professor in the Department of Safety, Chemistry, and Biomedical Laboratory Sciences at the Western Norway University of Applied Sciences, Haugesund, Norway	International Faculty Guest Talk	22 Apr-27 Jun 2025
9	Dr Deepak L Waikar	Research Fellow at the Singapore Institute of Technology	Adjunct Faculty	05 Jul 2025
10	Priyanshu Shekhar	Design Engineer and Samsung Semiconductor India Research	Alumni Talk	09 Aug 2025
Electronics and Communication Engineering				
1	Dr Srinivas Talabattula	Professor, Department of ECE, IISc Bengaluru, and Chair of the IEEE Bangalore Section	Expert Guest Talk on "Quantum Information Technology using Photonics"	07 Jan 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
2	Mr Krishnapal Jadeja	Galaxy Eye Space, Bangalore	Industry Connect/Alumni Talk on "Embedded System Design with Case Studies"	08 Feb 2025
3	Mr Shiv Ram Krishna Pande	Founder and Chief Business Officer (CBO) of BitSave Digital Asset Management	Industry Connect/ Alumni Talk on Bitcoin and Blockchain 101	10 Feb 2025
4	Dr Saurav Prakash	Assistant Professor in the Department of Electrical Engineering (EE) at IIT Madras and affiliated with the Center for Responsible AI (CeRAI)	Expert Guest Talk on "Efficient Solutions for Machine Learning at the Edge"	24 Mar 2025
5	Ms Durgesh Nandini Satpathy	Entrepreneur, Technical University of Munich (TUM)	alumni talk on her journey from MIT to ESA and current research on space engineering	30 Jul 2025
6	Mr Dhanesh Pai	Vice President of Engineering at PrimeSoft Solutions	insightful talk to the final-year BTech students of MIT Manipal on the transformative role of Artificial Intelligence in today's technology landscape.	07 Aug 2025
7	Mr Shreyans Toshniwal	Marketing Executive @ MATPLAT	alumni talk on "Higher Studies, Real Stories"	14 Aug 2025
8	Mr Pradyoth	Design Engineer at IBM	alumni talk on "VLSI Design and Verification Challenges in Industry"	14 Aug 2025
9	Mr Prashant Mathur	Senior Director at Tata Electronics	Alumni Talk on "Challenges in Evolving Semiconductor Industry in India"	04 Oct 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
10	Mr Ashwin Singla	Staff Engineer, Micron Technology, Hyderabad	Alumni Talk on "Challenges in Solid-State Drive Technology and Academic Participation"	04 Oct 2025
Humanities and Management				
1	Mr Subham Patro	FIS Global, Bengaluru	Workshop	15-18 Jan 2025
2	Ms Radhika Kamath	FIS Global, Bengaluru	Workshop	15-18 Jan 2025
3	Ms Aditi Lakshmi Satish	Prime Minister's Research Fellow, IIT Gandhinagar	Insightful workshops on R Programming	07-17 Jul 2025
4	Mr Rohith Vegesna	Founder, Insurge AI and a distinguished IVI Cohort 2 alumnus	The Department of Humanities and Management, Manipal Institute of Technology (MIT), in collaboration with the Indian School of Business (ISB), I-Venture Immersive (IVI), and XElevate Ventures, organized an exciting entrepreneurship event titled “Pitch to IVI – Manipal Edition”	06 Aug 2025
5	Dr Shashwat Alok	Associate Professor of Finance at ISB	Guest Lecture	06 Aug 2025
6	Dr Regina J Hoffmann 	International Faculty, Department of Humanities and Management, MIT	Guest Lecture	12 Aug 2025
7	Ms Priyanka Sarkar	Vice President, Global Acceptance Solutions (Emerging Markets) at Mastercard, Pune.	Guest Lecture	22 Aug 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
Instrumentation and Control Engineering				
1	Dr Yogananda Jeppu	Adjunct Faculty, Department of Instrumentation and Control Engineering (ICE), MIT Manipal	Talk on "Model-Based Systems Engineering" for postgraduate students	25 Feb 2025
2	Dr Soumyadip Sett	IIT Gandhinagar	lecture organized by the department on Smart Materials and Surfaces: Enabling Efficient Thermal and Energy Management in Electronics	11 Mar 2025
3	Dr Chandan H R	Jain University	A lecture was organized on Design of materials for electrochemical sensing: from lab to skin	13 Mar 2025
4	Mr Unmesh Deshpande	Hardware-in-the-Loop (HIL) Model-Based Development Engineer	Alumni Talk On 'Instrumentation in the Automotive Industry'	22 Mar 2025
5	Mr Faizan Mohammed	Software Engineer at Enquero	Alumni talk on 'Generative AI and Machine Learning'	27 Mar 2025
6	Prof Ravindra	MIT, Manipal	Delivered a lecture on "Introduction to Machine Learning and Artificial Intelligence"	16 Jun 2025
7	Dr I Thirunavukkarasu	MIT, Manipal	Delivered a lecture on "Introduction to Batch Reactor / NMPC / NARX / CNN-LSTM for modeling and control"	17 Jun 2025
8	Dr P R Venkateswran	MIT, Manipal	Delivered a lecture on "Machine Learning in Industrial Process Control"	21 Jun 2025
Mathematics				
1	Mr Arjun Bhattacharya	The Bredesen Center – the University of Tennessee, Knoxville, US	Talk Session	14 Jan 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
2	Dr Rajeev Singh	IIT (BHU)	Short Course	01 Aug - 01 Oct 2025
3	Mr Jaideep Jagadeeshwar Rao	Strategic Growth Leader, Fernandez Hospitals, Hyderabad	Talk on AI	02 Sep 2025
Mechanical and Industrial Engineering				
1	Dr Shivdarshan Sherugar	Research Associate, University of Bath, United Kingdom	Interaction with MIT faculty	14 Jan 2025
2	Mr Aman Dhanawat	Bureau of Indian Standards (BIS)	BIS Lectures	30 Jan 2025
3	Mr Lokraj Meena	Bureau of Indian Standards (BIS)	BIS Lectures	30 Jan 2025
4	Mr Prasoon Yadav	Bureau of Indian Standards (BIS)	BIS Lectures	30 Jan 2025
5	Dr Ravi Kumar	Professor Department of Mechanical Engineering Indian Institute of Technology Delhi	Technical Talk	31 Jan 2025
6	Mr Elton Nazareth	Technical Engineer, Ontario Power Generation-Canada	Alumni Talk	09 Feb 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
7	Prof George M Pharr	Professor, Texas A&M University, Texas, USA	Technical Talk	18 Mar 2025
8	Mr Chetan Ravi B R	Technical Expert, Siemens Technology and Services Private Limited, Bangalore.	Alumni Talk	18 Mar 2025
9	Dr Prasad Godavarti	Visiting International Faculty, MIT, Manipal	Visiting International Faculty Talk	20 Mar 2025
10	Mr Satyam Chaturvedi	CEO and Co-founder, Cre-AID LABS®	Alumni Talk	28 Mar 2025
11	Mr Amartya Gupta	COO and Co-founder, Cre-AID LABS®	Alumni Talk	28 Mar 2025
12	Mr Sunil Savkar	Consulting Engineer at G E Aerospace.	Technical Talk	16 Apr 2025
13	Dr Manu Hegde	Senior Postdoctoral Researcher, University of Duisberg-Essen, Germany	Alumni Talk	04 May 2025
14	Mr Ajay Prabhu	Managing Director, KVP Solutions	Alumni Talk	25 Jul 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
15	Mr Nikhil Bhargav	Assistant Manager – Supply Planning, ITC Ltd	Alumni Talk	08 Sep 2025
16	Mr Anant Karegaonkar 	Technical Specialist – R andD Forbes Marshall Pvt Ltd.	Guest Lecture	19 Sep 2025
17	Dr Manas Das	Professor Department of Mechanical Engineering Indian Institute of Technology Guwahati	Guest Lecture	19 Sep 2025
18	Dr Shakti S Gupta	Professor Department of Mechanical Engineering Indian Institute of Technology Kanpur	Guest Lecture	19 Sep 2025
19	Mr Gajanan Pai	Co-founder, Amith Cashew Pvt. Ltd.	Alumni Talk	24 Sep 2025
Mechatronics Engineering				
1	Mr Vishnu Kolal	Globus Medical, Pennsylvania, USA	To deliver an invited alumni talk on 'Surgical Robotics', sharing academic and industry experiences in medical robotics, including control systems, microsurgical robotics, and real-world applications of robotic technologies in spine surgery. The visit aimed to expose students and researchers to interdisciplinary aspects of surgical robotics and career pathways in medical technology.	25 Jul 2025
2	Mr Tirthankar Hazarika	Goldman Sachs, Bengaluru	To deliver an Alumni Talk titled "Navigating the World of Consulting", aimed at providing students with insights into the consulting industry, career opportunities, required skill sets, and real-world professional experiences	05 Aug 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
3	Mr Vignesh	Unified Metropolitan Transport Authority (UMTA), Chennai	To deliver a hands-on GeoTwin Workshop focused on Geospatial Data Science and Digital Twin technologies, including spatial analytics using Python, AI-driven urban applications, digital twin modelling, and real-world mobility use cases.	25 Oct 2025
Physics				
1	Dr Albin Antony 	Oxford Instruments Nano Analysis, UK	Alumni talk on 'Scientific Career Development'	04 Jan 2025
2	Prof (Dr) Gopalkrishna Hegde	Centre for Biosystems Science and Engineering, Indian Institute of Science, Bangalore, - India	To deliver a guest talk on "Physics, Chemistry and Engineering in High-Speed Flow Diagnostics"	22 Feb 2025
3	Prof Anushman Dalvi	BITS Pilani	Invited talk titled "All-Solid-State Supercapacitors for Electric Vehicles and Green Future"	01 Mar 2025
4	Dr Seemesh Bhaskar	IGB Fellow at the Grainger College of Engineering, University of Illinois at Urbana-Champaign, USA	Guest lecture	05 Apr 2025
5	Dr Vinayak B Kamble 	Indian Institute of Science Education and Research (IISER), Thiruvananthapuram, Kerala	Guest Lecture on "Machines that Sniff Chemicals"	11 Apr 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
6	Ms Niharika M P	PhD scholar, VIT-AP University, AP, India	Guest Lecture	12 Apr 2025
7	Dr Sanjay Siwach 	Department of Physics, Institute of Physics, Banaras Hindu University, Varanasi	talked on Introduction to Strings, Black Holes and the AdS / CFT correspondence.	25 Oct 2025
8	Mr Vikas S Bhat	Tata Institute of Fundamental Research (TIFR), Mumbai	Guest lecture	03 Nov 2025
9	Dr Manu Patel	Research Associate, Chemistry Department MIT, Manipal	Guest Lecture topic “Journey from Lab: Bridging Research and Industry”	06 Nov 2025
School of Computer Engineering				
1	Dr Shiva Raj Pokhrel	Deakin University	Session was held on Advancing Research Frontiers in Computer Science and Engineering	07 Feb 2025
2	Ms Vaibhavi Salvi	Media.net	Session on an introduction to DevOps and SRE	22 Feb 2025
3	Dr Masaaki Tamagawa	Kyushu Institute of Technology	Potential avenues for research collaboration	11 Mar 2025
4	Mr Sujoy Choudhury	Microsoft	Session on "Business Process Automation"	12 Mar 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
5	Mr Manoj kumar	Schneider Electric	Workshop ping 2.0.2.5 with the theme “Digital Transformation-Intelligent Technology and Sustainability”	28-30 Mar 2025
6	Mr Mohan Singh	Schneider Electric	Workshop ping 2.0.2.5 with the theme “Digital Transformation-Intelligent Technology and Sustainability”	28-30 Mar 2025
7	Mr Vivek Kumar Rai	Schneider Electric	Workshop ping 2.0.2.5 with the theme “Digital Transformation-Intelligent Technology and Sustainability”	28-30 Mar 2025
8	Mr Abhish Kulkarni	Schneider Electric	Workshop ping 2.0.2.5 with the theme “Digital Transformation-Intelligent Technology and Sustainability”	28-30 Mar 2025
9	Mr Vijai Bhaskar S	Schneider Electric	Workshop ping 2.0.2.5 with the theme “Digital Transformation-Intelligent Technology and Sustainability”	28-30 Mar 2025
10	Mr Aditya Gupta	Visa Inc	Session on "Winning with GenAI and Scalability"	05 Apr 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
11	Mr Neelanjan Ghosh	Google	From Classroom to Global Career: A Practical Guide to Software Engineering, Internships, and Graduate Studies	09 Jun 2025
12	Dr Divya Sussana Patil	CIEDeM, Prasanna School of Public Health, MAHE	Scoping Review Methodology	11 Jul - 11 Aug 2025
13	Dr Edlin Glane Mathias	PSPH, MAHE	Scoping Review Methodology	11 Jul - 11 Aug 2025
14	Mr Elstin Anburaj S	CIEDeM, PSPH, MAHE	Scoping Review Methodology	11 Jul - 11 Aug 2025
15	Dr Maria Mathews	CIEDeM, PSPH, MAHE	Scoping Review Methodology	11 Jul - 11 Aug 2025
16	Dr Santosh Rajashekar	IBM	Advances in Cyber Security	14-16 Jul 2025
17	Dr Debojit Sharma Manager	IBM	Advances in Cyber Security	14-16 Jul 2025
18	Dr Dhinesh Dharmaraj	IBM	Advances in Cyber Security	14-16 Jul 2025
19	Dr Siddhish Pandey	IBM	Advances in Cyber Security	14-16 Jul 2025
20	Dr Shiva Pokhrel	Deakin University	Federated Learning: the Ultimate Weapon for Privacy-Preserved AI with Quantum	25 Jul 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
21	Dr Shiva Pokhrel	Deakin University	Quantum Computing	25 Jul 2025
22	Dr John Harrison Kurunathan	CISTER—Research Centre in Real-Time and Embedded Computing Systems, ISEP, Polytechnic Institute of Porto, Portugal	Safety and Security of Autonomous Vehicles	04-06 Aug 2025
23	Mr Ranganath Prabhu	Hewlett Packard Enterprise, Bengaluru	Use of ChatGPT and Co-Pilot in Industry Projects	14 Aug 2025
24	Dr Kumar Rajamani	Cropin Technologies Private Limited	Session on "the Role of AI in the Modern Workforce"	03 Sep 2025
25	Mr Purvabh Surana	Amazon	Session on "Gen AI Hacks"	05 Sep 2025
26	Dr Yousef Emami	Sharif University of Technology, Iran	From Prompts to Flight: in-Context Learning with Large Language Models for UAV Decision Making	24 Oct 2025
27	Mr Sirigiri Vijay Kumar	Team Industry	Software Quality Assurance: Introduction to Tools, Best Practices and Future Trends	25 Oct 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit

Books/chapters authored by faculty members

Sl No	Name of the Book	Chapter(s) name (if authored, chapters only)	Faculty members	Publisher	Date
Biotechnology					
1	Bioprospecting of Multi-tasking Fungi for Therapeutic Applications Volume II	Bioprospecting of Bioactive Compounds from Marine Fungi	Dr Subbalaxmi S	Springer Nature Singapore	31 Mar 2025
Chemical Engineering					
1	Biofuels and Bioenergy	Agricultural residues as a viable source of sustainable biofuel	Dr Ranjeet Kumar Mishra	Elsevier	01 Jan 2025
2	Biofuels Production from Lignocellulosic Materials	Environmental impacts on second-generation biofuel production from lignocellulosic biomass	Dr Ranjeet Kumar Mishra	Woodhead publishing	01 Jan 2025
3	Biofuels and Bioenergy	Integrated biorefinery approach to lignocellulosic and algal biomass fermentation processes	Dr Ranjeet Kumar Mishra	Elsevier	01 Jan 2025

Sl No	Name of the Book	Chapter(s) name (if authored, chapters only)	Faculty members	Publisher	Date
4	Biofuels Production from Lignocellulosic Materials	Key technologies for biofuel production from lignocellulosic biomass	Dr Ranjeet Kumar Mishra	Woodhead publishing	01 Jan 2025
5	Agriculture-Bioenergy Nexus	Agricultural biomass pyrolysis for energy production	Dr Ranjeet Kumar Mishra	Woodhead publishing	12 May 2025
6	Wastewater Treatment Through Nature-Based Solutions	Wastewater Treatment Through Nature-Based Solutions	Dr Ranjeet Kumar Mishra	Springer Singapore	13 Jun 2025
7	Integrated Biotechnological Solutions for the Treatment of Industrial Wastewater	Life cycle assessment of industrial wastes and wastewater	Dr Ranjeet Kumar Mishra	Elsevier	20 Jun 2025
8	Microbial Biofuel	Bioelectricity Generation-Powering the Future with Microbial Fuel Cells	Dr Ranjeet Kumar Mishra	CRC Press	03 Jul 2025
Chemistry					
1	Electrocatalysts and Advanced Materials for Sustainable Energy Storage	Recent Developments in the Energy Storage Applications using Polymer Composites	Dr Sudhakar Yethadka Narahari	Materials Research Forum	22 Oct 2025
2	Smart and Low-Dimensional Materials for Supercapacitor and Solar Cells: Fundamentals and Applications	2D Smart Material-Based Flexible Supercapacitors	Dr Sudhakar Yethadka Narahari and Dr Somashekar Bhat	ACS	14 Nov 2025
Electrical and Electronics Engineering					
1	Hydrogen as Emerging Fuel for De-Fossilizing Transport Sector	Hydrogen Production Technologies: Pathways to a Sustainable and Cleaner Environment	Dr Harshendra N Shet K	Springer, Singapore	09 Jan 2025
Electronics and Communication Engineering					
1	Data Processing and Networking	Multiport Router: Design and Verification for On-Chip Applications	Dr Subramanya G Nayak	Springer Nature	01 Jul 2025
2	Metamaterials Progress, Devices and Applications	Introductory Chapter: Metamaterials – Introduction, Advantages, and Applications	Dr Amit Kumar Goyal	IntechOpen Book Series	23 Jul 2025
Mechanical and Industrial Engineering					
1	Aerospace Materials: Novel Technologies	Casting of aerospace metals	Dr Ramakrishna Vikas and Dr Suhas Y Nayak	Elsevier	17 Jan 2025

Sl No	Name of the Book	Chapter(s) name (if authored, chapters only)	Faculty members	Publisher	Date
	and Practical Applications				
2	Aerospace Materials: Novel Technologies and Practical Applications	Aerospace Materials: Novel Technologies and Practical Applications	Dr Suhas Y Nayak	Elsevier	17 Jan 2025
3	Nanostructured Thin Film Deposition by Sputtering: From Fundamentals to Applications	Introduction to nanostructured thin films and sputtering	Dr Ranjan Kumar Ghadai	Elsevier	11 Jul 2025
4	Applied Artificial Intelligence and Machine Learning Techniques for Engineering Applications	AI-Driven Diagnostic Assistance for the Gastrointestinal Tract Diseases	Dr Nithesh Naik	CRC Press	19 Aug 2025
5	Springer Proceedings in Materials	Fabrication of Martensitic Stainless Steel Using Twin Wire-Arc Additive Manufacturing	Dr Subraya K Bhat and Dr Vishwanatha H M	Springer	11 Nov 2025
Mechatronics Engineering					
1	Recent Trends in Intelligent Computing and Communication	Studies on the impact of origin SVO additive on the emissions of a biodiesel fueled diesel engine	Dr Jibitesh Kumar Panda	CRC Press	01 Jan 2025
2	Engineering Research: Perspectives on Recent Advances	A Root Cause Analysis of Catastrophic Failure of Industrial Discharge Hopper Pipe	Dr Shivashankarayya Hiremath	BP International	18 Feb 2025
3	Process Modeling and Optimization in Modern Manufacturing	Edited Book	Dr Ankur Jaiswal	CRC Press	23 Oct 2025
4	Advanced Materials and Innovative Processing	Fabrication of Martensitic Stainless Steel Using Twin WireArc Additive Manufacturing	Dr Deepak D	Springer Nature	11 Nov 2025
Physics					
1	Diagnostic Biomedical Optics: Fundamentals and applications	Chapter: Diagnostic biomedical imaging-fundamentals	Dr Suchand Sandeep C S	IOP	01 Jul 2025
School of Computer Engineering					
1	Secure Retrieval and Auditing Techniques in Cloud	Co-authored	Dr Raghavendra S	I K International Pvt Ltd.	25 Jan 2025

Sl No	Name of the Book	Chapter(s) name (if authored, chapters only)	Faculty members	Publisher	Date
2	A Primer on Wireless Technology and IoT Basics	Book (Chapter 1 to Chapter 9)	Dr Mamatha Balachandra and Dr Balachandra Muniyal	Bentham Science Publisher	21 Oct 2025

Details of Research Grants

Sl No	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)	Date(s)
Biomedical Engineering					
1	Adaptive Cognitive Training for Indian Defence	Dr Akash K Rao	LSRB, DRDO	350,000	08 Sep 2025 - 08 Sep 2028
Biotechnology					
1	Hospital bedside portable breath analyzer for rapid diagnosis of bacterial pneumonia, characterization of species, and antibiotic resistance profiling	Dr Chiranjit Ghosh	Indian Council of Medical Research (ICMR)	2,100,188	24 Jan 2025 - 14 Feb 2027
Chemical Engineering					
1	Technologies for screening and remediation of colistin and doxycycline from hospital effluents	Dr Nethaji S	Indian Council for Medical Research (ICMR)	4,437,980	01 Jan - 31 Dec 2025
Chemistry					
1	Integrated clean energy material acceleration platform on bioenergy and hydrogen	Dr Murthy Dharmapura	DST	12,500,000	15 Mar 2022 - 31 Mar 2026
2	Ondia-Austria bilateral research grant	Dr Murthy Dharmapura	DST TU Wien	1,200,000	07 Jan 2025 - 31 Jul 2027
3	Next-generation optical sensor materials for detecting ppm-level H2 leaks	Dr Murthy Dharmapura	MNRE	10,000,000	15 May 2025 - 31 Aug 2028
4	Design and Development of Phthalocyanine-Based Electro and Photocatalysts for Environmental Pollutants Detection in Water and Remediation	Dr Fasiulla	Intramural Funding MAHE, Manipal	600,000	26 Jun 2025 - 26 Jun 2028
Civil Engineering					
1	"Understanding the biogeochemical processes and dynamics of pelagic	Dr Anish Kumar Warrier	INCOIS	9,315,000	10 Oct 2023 -

Sl No	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)	Date(s)
	fishery resources off Udupi/Mangalore region: Validation of the PFZ advisory data"				31 Mar 2026
2	Monitoring and assessment of environmental parameters/emerging contaminants around the Indian Antarctic Stations in Antarctica	DR BALAKRISHNA K	NCPOR, Goa	10,000,000	28 Aug 2025 - 28 Aug 2027
3	Microstructural Repository of Larsemann Hills, East Antarctica and its connection with the Eastern segment of the Indian Sub-Continent	DR ADITYA UDAYRAJ JOSHI	NCPOR, Goa	10,000,000.00	28 Aug 2025 - 28 Aug 2027
4	Groundwater Dynamics in Udupi District: an Isotope-Based Approach	Dr Lathashri U A	VGST	4,000,000	28 Oct 2025 - 28 Oct 2027
Electronics and Communication Engineering					
1	InDyslexia Care: AI -based Assistive Technology for Dyslexic Children in Indic Languages	Dr Muralikrishna H (ECE,MIT) and Dr Venkataraja Aithal U (MCHP)	IIT Mandi iHUB	2,292,400	03 Jan 2025 - 28 Feb 2027
Mechanical and Industrial Engineering					
1	Smart Hydrodynamic Fluid Film Journ Bearing for Machine Support Systems	Dr Raghuvir B Pai	DST	4,908,811	17 Nov 2023 - 17 Nov 2026
2	Design and development of open-circuit lower subsonic wind tunnel and testing of plate fin-and-tube compact heat exchangers for heat transfer and flow characterization	Dr Arunachala U Chandavar	Ingersoll Rand	744,572	20 Jun 2024 - 19 Jun 2026
3	Cost-effective Method for Fabricating Durable Features for Detachable Assemblies in Additive Manufactured Thin-wall Parts	Dr Gururaj Bolar	MRB, MAHE	585,000	31 Jul 2024 - 31 Jul 2026
4	Investigating activated hydrochar for CO2 capture applications	Dr Sooraj Mohan	MAHE SEED	95,000	03 Oct 2024 - 10 Feb 2026
5	Cold plasma treatment of Mg alloy for enhanced biocompatibility and corrosion resistance	Dr G Divya Deepak	MAHE SEED	120,000	04 Oct 2024 - 10 Mar 2026

Sl No	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)	Date(s)
6	WIPRO-GE MAHE University Partnership Agreement 2024-2025	Dr Raghuvir B Pai	Wipro GE Healthcare	1,792,000	28 Oct 2024 - 30 Jun 2025
7	Enhancing Multilayer TiN/TiAlN/TiSiAlN Coating Synthesis through Deep Learning Optimized Sputtering Parameters	Dr Ranjan Kumar Ghadai	UGC (DAE-CSR)	135,000	03 Apr 2025 - 02 Apr 2028
8	Development of Nano-Scaled Multilayered Composites via Friction Stir-Based Additive Manufacturing for Lightweight Structural Components	Dr Gajanan Anne	MRB, MAHE	740,000	05 Sep 2025 - 04 Sep 2027
9	Design fabrication and testing of regenerative composite, bio desiccant dehumidifier integrated with Parabolic solar panel heater for food storage plant	Dr Sawan Shetty	MRB, MAHE	510,000	22 Oct 2025 - 21 Oct 2027
Mechatronics Engineering					
1	Bougie-Inspired Bio-degradable and Bio-adaptable Bronchoscope	Dr Ramya S Moorthy	MAHE (Seed Money)	500,000	23 May 2025 - 23 Jul 2027
2	A point of use sensor system for trace detection of antibiotics: nitrofurantoin and chloramphenicol in food and water	Dr Pooja Nag	SERB	350,000	27 Aug - 30 Sep 2025
Physics					
1	ANRF	Dr Poornesh P	ANRF	200,000	04 Jan 2025 - 31 Mar 2026
2	DST-SERB	Dr Dinesh Negi	DST-SERB	1,950,000	20 Feb 2025 - 20 Feb 2026
3	ANRF-PAIR Grant	Dr Suchand Sandeep C S	ANRF	23,300,000	01 Jul 2025 - 30 Jun 2026
4	CSIR	Dr Sudha D Kamath	CSIR	531,500	21 Jul 2025 - 31 Mar 2026
5	ANRF Conference Grant	Dr Nagaraja K.K	ANRF	150,000	12 Aug - 12 Sep 2025
6	ISRO Respond Grant	Dr Suchand Sandeep C S (Co-PI)	ISRO	4,920,000	25 Nov 2025 - 24 Nov 2028

Sl No	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)	Date(s)
School of Computer Engineering					
1	Discourse Integrated Dravidian Language-Dravidian Language Machine Translation	Dr Ashwath Rao B, Prof Musica Supriya	Ministry of Electronics and Information Technology, New Delhi	14,286,595	03 Feb 2022 - 31 Mar 2026
2	Heart disease diagnosis and prediction system development using AI at AI – COE in Health lab	Dr Manjunath K N (Technical), Dr Ganesh Paramasivam (Cardiology, KMC)	Ministry of Education, Government of India.	8,130,000	03 Jan 2024 - 31 Mar 2025
3	Decision Support System for Delivery Management using Fetus Weight Estimation and Maternal Features	Dr Rashmi Naveen Raj	SERB	835,000	17 Jan 2024 - 17 Feb 2027
4	Clinical Decision Supportive Model for Fetal Biometry Measurements	Dr Rashmi Naveen	Anusandhan National Research Foundation	250,000	18 Jan 2024 - 17 Jan 2027
5	Exploratory research in Agile AI model development	Dr Manohara Pai M. M	Schneider	1,450,000	25 Jan 2024 - 31 Dec 2026
6	COIL-D: Centre of Indian Language Data	Dr Muralikrishna SN	Ministry of Electronics and Information Technology (MeitY), Government of India	35,422,000	01 Jun 2024 - 01 Jun 2026
7	Centre of Indian Language Data COILD	Dr Raghavendra Ganiga	Mission Bhashini; MEITY	35,422,000	28 Jun 2024 - 28 Jun 2026
8	Exploratory research in AI for Industrial Technologies	Dr Manohara Pai M M	Schneider Electric Pvt Ltd, D R Manohara Pai /PO 750	1,110,000	22 Apr 2025 - 22 Jul 2027
9	Design and develop a low-cost AI based Automated System to find rice seed adulteration and germination prediction	Dr Sujithra T	DBT	1,399,949	24 Apr 2025 - 24 Apr 2027
10	Exploratory research in AI for Industrial Technologies	Dr Manohara Pai M M	Schneider Electric Pvt Ltd, D R Manohara Pai /PO 750	975,000	02 Jun 2025 - 22 Jul 2027

Patent Details
Details of Patent Filed

Sl No	Name	Date
1	Biodegradable Sanitary Napkin and Method for Preparing the Same	02 Jan 2025
2	One-Step Synthesis of Metal Catalyst Development on NI Foam for the Alkaline Electrolysis Process for Large-Scale Fabrication	05 Jan 2025
3	Electrochemical Method and Electrocatalyst System for Selective Capture and Conversion of Iodide To Iodine	06 Jan 2025
4	Formulation and Method for Preparing Green Synthesized Polyaniline-Based Hybrid Material for Sensor Applications	08 Jan 2025
5	an Air Humidifier	10 Jan 2025
6	A Method and Composition for Targeted Cancer Treatment and Bone Regeneration Using Nanofibers	16 Jan 2025
7	Multi-Resonant Hexagonal Planar Antenna Structure for Millimeter-Wave Applications/ 202541014746 A	23 Jan 2025
8	Switched Capacitor-Based Multi-Gain Multilevel Inverter (Sc-Mgmli) and Methor for Generating 13-Level-Staircase Voltage with the Scmli	28 Jan 2025
9	Antenna Structure for Iot-Based Aerospace Communication/ 202541008076 A	30 Jan 2025
10	Dr Pankaj Kumar A System and Method for Web-Based Smart Electrical Performance Monitoring with Adjustable Protection Parameters	09 Feb 2025
11	Dr Pankaj Kumar - A System and Method for Real Time Emergency Evidence Acquisition and Adaptive Altering Through Cover	12 Feb 2025
12	Security Adhesive Formulation with Embedded Anti- Counterfeiting Features and Method of Preparation Thereof	14 Feb 2025
13	Device for Monitoring Gynaecological Disorders	18 Feb 2025
14	A System and Method for Maintaining Uniform Temperature in A Muffle Furnace for Heat Treatment	19 Feb 2025
15	Millimeter-Wave Printed Antenna for Satellite and Defense Communication/ 202541005587 A	20 Feb 2025
16	Dr Srividya R - Biofeedback Based Virtual Reality System and Method for Stress Management	24 Feb 2025
17	Electric Powered-Height Adjustable Wheelchair for Assisting Disabled Users and Method Thereof	25 Feb 2025
18	A System and Method for Efficient Wordlist Storage and Search Optimization	07 Mar 2025
19	A System and Method for Efficient Wordlist Storage and Search Optimization	07 Mar 2025
20	A Millimeter-Wave Mimo Antenna with Dual-Beam Spatial and Pattern Diversity Structures	07 Mar 2025
21	Dr Srividya R - Biofeedback System and Method for Regulating Parasympathetic Nervous Function	13 Mar 2025
22	A System and Method for an Iot-Enabled Paper-Based Strain Gauge Using Wheatstone Bridge Configuration	14 Mar 2025

Sl No	Name	Date
23	Dr Praveen Kumar Bonthagorla - Device for Battery Thermal Management of Electric Vehicles	17 Mar 2025
24	System and Method for Enhancing Drone Assisted Network Coding Cooperative Communication (Da-Nc-Cc)	19 Mar 2025
25	Transformer-Less Multilevel Inverter for Converting Dc Voltage Into Stepped Ac Voltage and Method Thereof	20 Mar 2025
26	A Lightweight Collapsible Autopsy Table	28 Mar 2025
27	Dr Darshan S, Dr Umme Ayemen, Dr Vinay Kumar Jadoun, Dr Jayalakshmi N S, and Dr Soham Dutta - A System and Method for Energy Generation in Ev's Using Dynamic Motion and Hybrid Storage	30 Mar 2025
28	Dr Darshan S, Dr Sowmya R, Dr Vinay Kumar Jadoun, and Jayalakshmi N. S. - A System and Method for Wireless Energy Transfer for Ev Charging for Thermoelectric Energy Conversion	30 Mar 2025
29	A Hospital Gown-Embedded Temperature Sensor for Real-Time Body Temperature Monitoring and A Method Thereof	31 Mar 2025
30	A Dual-Band Flexible Antenna for Sub-6 Ghz Wearable and Vehicular Applications with High Gain Performance	31 Mar 2025
31	Paper-Based Thin Film Solid-Phase Microextraction Patches for Detection of Pathogen-Specific Metabolites, Their Synthesis, and Applications	02 Apr 2025
32	Mr Pramod Antony Dsa - A System and Method for Automated Temperature Measurement and Regulation in Oil Retention Procedure	10 Apr 2025
33	Cloud-Based System for Differential Diagnosis of Microcytic, Normocytic, and Macrocytic Anemia Using Ensemble Models and Explainable Artificial Intelligence Utilizing Biomarkers with Id: 202541035665	11 Apr 2025
34	A System and Method for Dynamic Estimation of Optimal Pedicle Screw Dimensions and Insertion Angles	11 Apr 2025
35	Dr Sowmya R and Dr Srividya R - Real-Time Heart Disease Prediction System and Method	25 Apr 2025
36	Method for Dynamic Classification of Iot Traffic in Software-Defined Networking (Sdn)	25 Apr 2025
37	Dr Sowmya R and Dr Srividya R - Real-Time Heart Disease Prediction System and Method	25 Apr 2025
38	Mr Ganesh Kudva - A System for Solid-State Switching Operation Using Bjt and Mosfet Transistors	25 Apr 2025
39	Mr Ganesh Kudva - Modular Battery Pack for Seamless Single-Cell Replacement in Energy Storage Systems	30 Apr 2025
40	A System and Method for A Graph-Based Framework for Representing and Analyzing Pedigree Charts	02 May 2025
41	A Method and Composition for Fabricating Immunomodulatory Levan-Gelatin Cryo-Gels for Wound Healing	08 May 2025
42	A Body Mass Index Estimation Device	09 May 2025
43	Mr Pramod Antony Dsa - A Manual Toothbrush with Integrated Countdown Timer and Multimodal Alert Mechanism and A Method Thereof	11 May 2025
44	Mr James Antony Pinto - A Manual Toothbrush with Integrated Countdown Timer and Multimodal Alert Mechanism and A Method Thereof	11 May 2025

Sl No	Name	Date
45	Hydrodynamic Water Jet Focusing Nozzle	12 May 2025
46	Point of Care Sensor and A Method for Detecting Bacterial Siderophores Thereof	13 May 2025
48	Bio-Inspired Amphibious Spider Robot with Hybrid Walking and Swimming Capabilities for Underwater Exploration	15 May 2025
49	Device for Detection of Pesticide Residues in Water and A Method of Fabrication Thereof	20 May 2025
50	Infection Control Barrier Device for Dental Procedures	20 May 2025
51	A Dosa Maker	22 May 2025
52	Dr Prathvi Shenoy - A System for Management of Pain	23 May 2025
53	System and Method of Autonomous Stall Detection and Recovery in an Unmanned Aerial Vehicle (Uav)	28 May 2025
54	A System and Method for Detecting Polysemy in News Articles Using Large Language Models	30 May 2025
55	Dr Shweth V - System and Method for Classification of Bacterial and Fungal Plant Diseases From Leaf Images	05 Jun 2025
56	A System and Method for Cognitive Computing-Integrated Digital Journaling for Mental Health Monitoring	06 Jun 2025
57	Dr Srividya R and Dr Sowmya R - Contactless System and Method for Evaluation of Color of A Sample	06 Jun 2025
58	A System and Method for Dynamic Risk Assessment and Prevention of Gestational Diabetes in Pregnancy	08 Jun 2025
59	A System and Method for Tracing Patients in an Operation Theatre	11 Jun 2025
60	Dr Sowmya R and Dr Srividya R - Led Luminaire System and Method for Enhancing Plant Growth and Metabolite Accumulation in Tinospora Sinensis	13 Jun 2025
61	Dr Anjan N Padmasali - Variable Step Testing System and Method	13 Jun 2025
62	Uav Assisted Wireless Communication System and Method Thereof	16 Jun 2025
63	Uav Assisted Intelligent Reflective Surface-Based Communication Systems and Method Thereof	18 Jun 2025
64	System and Method for Energy Harvesting with Power Splitting Mechanism in Uav Assisted Irs Communication Systems	19 Jun 2025
65	A Composition for Uv-Curable Gelma-Integrated M40 Grade Bio-Concrete and A Method Thereof	19 Jun 2025
66	A Composition for Improving Concrete Ductility with Rice Husk Ash and Gelma, and Method Thereof	19 Jun 2025
67	System and Method for Uav Assisted Wireless Communication with Integrated Energy Harvesting	19 Jun 2025
68	A Composition for Producing Durable Bio-Concrete with Gelma and Recycled Materials, and A Method Thereof	19 Jun 2025

Sl No	Name	Date
69	A System and Method for Batched Network Communication Using Weighted, Time-Controlled Client-Server	19 Jun 2025
70	Dr Arun P Parameswaran - A System and Method for User-Centric Control and Displacement Tracking in Assistive Mobility Device	19 Jun 2025
71	Strong Room Temperature Magnetoelectric Coupling in Lanthanum Substitute Barium Hexaferrite: Potential Material for Magnetoelectric Switching Applications	20 Jun 2025
72	A System and Method for Maritime-Specific Fire and Smoke Detection	26 Jun 2025
73	A System and Method for Integrated Alert and Predictive Modeling System for Maritime Fire Management	26 Jun 2025
74	A System and Method for Color-Based Combustion Smoke Analysis	26 Jun 2025
75	Intelligent Traffic Detection and Monitoring System for Automated Traffic Volume Analysis and Method Thereof	27 Jun 2025
76	Dr R Shivarudraswamy - Solar-Powered Direct Current (Dc) Cooling System	27 Jun 2025
77	Antimicrobial and Breathable Waterproof Dressing Cover and A Method of Preparing the Same Thereof	28 Jun 2025
78	System and Method for Real-Time Monitoring of Human Motion	14 Jul 2025
79	A Method and Composition for Phosphor-Based Sustainable Coating	15 Jul 2025
80	A Method for Developing Areca-Based Composite Materials Suitable in Packaging Industry	22 Jul 2025
81	System and Method for Training Individuals with Neck-Down Paralysis To Control Wheelchair Using Head Gestures	23 Jul 2025
82	A System and Method for Autonomous Grass Cutting, Collection and Seeding with Modular Functionality	24 Jul 2025
83	Phthalocyanine Functionalized Multiwalled Carbon Nanotubes for the Electrochemical Sensing of Bisphenol-A	25 Jul 2025
84	Electrochemical Sensing of Bisphenol-A	27 Jul 2025
85	Dr Srividya R, Dr Ciji Pearl Kurian, Dr Susan G Varghese - System and Method for Evaluating Course and Graduate Performance Among Students	29 Jul 2025
86	A Hybrid Cooling Strategy for Electric Vehicle Li-Ion Battery	31 Jul 2025
87	A Method and Composition for Nickel-Doped Triazine-Based Covalent Organic Polymer Supercapacitor Electrodes	01 Aug 2025
88	Common Rail Direct Injection (Crdi) Engine System for Dual-Fuel Operation and Method Thereof	01 Aug 2025
89	Eco-Friendly Ink Formulation and Method of Preparation Thereof	04 Aug 2025
90	Capacitance-Based Liquid Level Measurement System and Method Thereof	06 Aug 2025
91	A Method for Partial Hydrogenation of Biodiesel for Enhanced Cetane Number and Reduced Nox Emissions	07 Aug 2025

Sl No	Name	Date
92	A System and Method for Prediction and Optimization of Dual-Fuel Crdi Engine Using Hydrogenated Biofuels	08 Aug 2025
93	Dr Shailesh K R - an Automotive Interior Lighting System Having Impact On Driver Vision At Night	08 Aug 2025
94	System and Method for Assisting and Monitoring of Rehabilitation Exercises	08 Aug 2025
95	Mr Pramod Antony Dsa - Single-Phase Synchronous Motor for Fan Applications	09 Aug 2025
96	Apparatus for Turbocharged Crdi Diesel Engine with Hydrogenated Biodiesel and Hydrogen Induction and Method Thereof	09 Aug 2025
97	A System and Method for Enhancing Safety of Autonomous Vehicle Perception Against Adversarial Attacks	13 Aug 2025
98	Multi-Secure Gravure Ink Formulation for Pharmaceutical Blister Foil Strip and Method of Preparation Thereof	14 Aug 2025
99	Packaging System for Pharmaceutical Blister Foil Strips	14 Aug 2025
100	Ultra-Wide Band Antenna Structure for Nanosatellite Wireless Applications/ 202541003783 A	14 Aug 2025
101	Wearable System and Method for Diagnosing Sleep, Respiratory, and Jaw Movement Disorders in Users	18 Aug 2025
102	Wearable System and Method for Diagnosing Sleep, Respiratory, and Jaw Movement Disorders in Users	18 Aug 2025
103	Modular Hand-Held 3d Bioprinting System for in Situ Tissue and Wound Repair and Method Thereof, Having Application No. 202541079030	20 Aug 2025
104	A System and Method for Dual-Stream Spectral and Spatial Based Denoising of Thermal Images	20 Aug 2025
105	Method for Producing A Sulfur, Selenium–Biochar Composite Materials Suitable for Use in Energy Storage Applications	25 Aug 2025
106	Communication System and Method for Unmanned Aerial Vehicle (Uav)-Integrated Intelligent Reflecting Surface	25 Aug 2025
107	Communication System and Method for Unmanned Aerial Vehicle (Uav)-Integrated Intelligent Reflecting Surface	25 Aug 2025
108	Method for Preparing A Gelatin-Based Cryogel Scaffold and Use Thereof, Having Application No. 202541080543	25 Aug 2025
109	Mr Shankaranarayana K - Programmable Nonlinear Analog-To-Digital Converter (Pnladc) with Selectable Transfer Characteristics	09 Sep 2025
110	A System and Method for Breathing, Monitoring and Vocal Assessment	09 Sep 2025
111	A System and Method for Integrity-Verified Secure Shuffling in Distributed Data Aggregation	10 Sep 2025
112	Pta Sensor for Detecting Antibiotics and the Method of Preparation Thereof	11 Sep 2025
113	Apta Sensor for Detecting Antibiotic and Method of Preparation Thereof	11 Sep 2025
114	Dr Sowmya R - A System and Method for Automated Robotic Cleaning of Solar Panels with Obstacle Detection and Removal	12 Sep 2025

Sl No	Name	Date
115	Device and Method for Detecting A Siderophore Secreted By Microorganisms Using Surface-Enhanced Raman Spectroscopy (Sers)	13 Sep 2025
116	Device and Method for Detecting A Siderophore Secreted By Microorganisms Using Surface-Enhanced Raman Spectroscopy (Sers)	13 Sep 2025
117	an Apparatus for an Energy Efficient Butter Blender	22 Sep 2025
118	A Device for Evaporative Cooling of Liquid Containers and A Method for Enabling Thereof	23 Sep 2025
119	A System and Method for Hybrid Neural Architecture-Based Suppression of Emg Artifacts in Eeg Signals	26 Sep 2025
120	A System and Method for Automated Ocular Artifact Removal and Signal Enhancement in Eeg Recordings	26 Sep 2025
121	Nanocomposite Material, Its Process of Preparation and Applications	26 Sep 2025
122	Aircraft Ground-Operation Assist System and Method Thereof	26 Sep 2025
123	A System and Method for Mxene-Based Composite Electrode for Sodium-Ion Batteries	26 Sep 2025
124	A Method and Composition for A Bio-Polyurethane/Graphene Oxide Nanocomposite	26 Sep 2025
125	Nanocomposite Material, Its Process of Preparation and Applications Thereof	26 Sep 2025
126	A Cement–Graphite Intercalation Compound Composite Electrode-Based Supercapacitor with Aqueous Electrolyte and Method Thereof	26 Sep 2025
127	Multifunctional Cement-Based Composites with Graphite and Polyaniline for Enhanced Supercapacitor Performance	26 Sep 2025
128	Nanocomposite Material, Its Process of Preparation and Applications	26 Sep 2025
129	A System and Method of an Abdominal Compression Device for Radiotherapy Treatment Using Dosimeter	01 Oct 2025
130	Capacitive Liquid-Level Sensor Device with Axially Grooved Squircle Apertured Electrodes and Method Thereof	06 Oct 2025
131	Involute-Profiled Soft Pneumatic Finger	09 Oct 2025
132	Dr Anjan N Padmasali - A System and Method for Constant Light Output Maintenance By Led Luminaire Driver	09 Oct 2025
133	A System and Method for Flexible Infrared Sensor Alignment in Switched Reluctance Motor Control	10 Oct 2025
134	Adsorption Column Containing Functionalized Glass Beads for Waster Water Treatment	11 Oct 2025
135	Set of Punch and Dies	11 Oct 2025
136	System and Method for Detecting and Preventing Code Execution in Unauthorized Memory Regions	21 Oct 2025
137	Dr Pankaj Kumar - A Coordinated Control of Grid Forming Inverter and Superconducting Fault Current Limiter and Method Thereof	24 Oct 2025

Sl No	Name	Date
138	System and Method for Providing Personalized Maternal and Baby Care	28 Oct 2025
139	Secure and Efficient Interpretable System and Method for Predicting Soybean Production	30 Oct 2025
140	Secure and Efficient Interpretable System and Method for Predicting Soybean Production	30 Oct 2025
141	System and Method for Solving Cyber Security Challenges	30 Oct 2025
142	A Precursor Catalysed Hybrid Nanocomposite and One Step Method of Preparation Thereof	07 Nov 2025
143	Explainable Ai Framework for an Automated Faculty Performance with Actionable Improvement Guidance	09 Nov 2025
144	Aptasensor for Detecting Antibiotic and Method of Preparation Thereof	09 Nov 2025
145	A Paper-Based Microextraction Device for Detection of Organophosphate Pesticides	10 Nov 2025
146	Adsorption Column Containing Functionalized Glass Beads for Waste Water Treatment	10 Nov 2025
147	Adsorption Column Containing Functionalized Glass Beads for Wastewater Treatment,	10 Nov 2025
148	Capillary Tube Based Natural Convection Cooling of A Lithium-Ion Battery Pack	11 Nov 2025
149	A System and Method for Dual-Mode Hybrid Control of A Switched Reluctance Motor	13 Nov 2025
150	System and Method for Predicting Post-Transplant Complications in Pediatric Patients Undergoing Donor-Derived Bone Marrow Transplantation with Id: 2025411114298	17 Nov 2025
151	A System and Method for Autonomous Uav-Assisted Animal Health Intervention and Monitoring	20 Nov 2025
152	A System and Method for Pantry Inventory Monitoring and Automated Restocking Management	27 Nov 2025
153	Clinical Decision Support System for Pediatric Abdominal Conditions and Method Thereof with Id: 202541118691	28 Nov 2025
154	A Device for Torque Vectoring Using Custom Open Differential and Split Valve for Improved Stability	02 Dec 2025
155	System and Method for Detecting Diabetes Using Blood-Based Markers, Having Application Id: 202541121266	03 Dec 2025
156	Common Rail Direct Injection (Crdi) Diesel Engine System and Method for Optimizing Combustion Performance	05 Dec 2025
157	Magnetically Coupled Mixer Grinder System	05 Dec 2025

Details of Patent Granted

Sl No	Name	Date
1	Capacitance Pressure Sensor	12 Mar 2025
2	Device for Battery Thermal Management for Electric Vehicles	17 Mar 2025

Sl No	Name	Date
3	A Composition for Enhancing Biogas Production During Anaerobic Digestion From Biomass Comprising Animal Waste and Organic Waste	28 Mar 2025
4	System and Method for Monitoring Dermal Condition	03 Apr 2025
5	A Complete Isolated Dc/Dc Multiport	07 Apr 2025
6	Method for Synthesizing A Nanocomposite Coating Having Copper Oxide (Cuo) Nanoparticles	08 Apr 2025
7	A Gait Trainer for Pediatric Movement Disorders	22 Apr 2025
8	An Advanced 3d Model for Analyzing Cognitive Behavior in Rodents	23 Apr 2025
9	An Advanced 3d Model for Analyzing Cognitive Behavior in Rodents	23 Apr 2025
10	A Composite Material for Radiation Shielding and A Method for Preparing the Composite Material	30 Apr 2025
11	A Composite Material for Radiation Shielding and A Method for Preparing the Composite Material	04 May 2025
12	Security Ink Formulation With Rub Enhanced, Excitation Wavelength Dependent and Solvent Sensitive Fluorescence for Anticounterfeiting	17 Jun 2025
13	Active Flow Control Of Axial Flow Compressors Using Synthetic Jet Actuators	18 Jul 2025
14	A Method Facilitating Image Selection in an Image Acquisition System	30 Oct 2025

Awards/Recognitions
Institution (including 'the Best Teacher Award' for the year)

Sl No	Name	Details	Date
Administration			
1	Department of Chemical Engineering	Award for Excellent Research Performance- 2025 Engineering Stream	30 Jul 2025
2	Department of Chemical Engineering	2nd position Department stall awards 2025	31 Jul 2025
3	Department of Mechanical and Industrial Engineering	1st position Department stall awards 2025	31 Jul 2025
Chemical Engineering			
1	Mr Muthukumaran P	The Department of Chemical Engineering, Manipal, has been ranked in the 401–450 band in the QS World University Rankings by Subject 2025	01 Mar 2025
2	Mr Muthukumaran P	Most Admired Teacher Award in memory of Professor R Sampath Kumar, former Head of the Chemical Engineering Department	24 Oct 2025
Physics			
1	Department of Physics	Physics Department Best Research Award of the Institution, MIT	29 Jul 2025

Faculty Members

Sl No	Name	Details	Date
Administration			
1	Dr S Raja Professor, Department of Chemical Engineering"\	Best Researcher Award-2025 Chemical Stream	31 Jul 2025
2	Dr Manjunath K N	Best Researcher Award-2025 Computer Science Stream	31 Jul 2025
3	Dr Narendra Khatri	Best Researcher Award-2025 Electrical Stream	31 Jul 2025
4	Dr Ranjan Kumar Ghadai	Best Researcher Award-2025 Mechanical Stream	31 Jul 2025
5	Dr Ismayil	Best Researcher Award-2025 Science and Humanities and Management Stream	31 Jul 2025
6	Dr S Raja	Best Researcher Award-2025 Overall	31 Jul 2025
Biomedical Engineering			
1	Dr Goutam Thakur	Received the Steve Jobs memorial award, conferred in Bioheal 2025 at IIT Roorkee	29 Oct 2025
Biotechnology			
1	Dr Chiranjit Ghosh	Dr Chiranjit Ghosh, along with the team consisting of KMC doctors, has been selected based on an "Express of Interest" (EOI) call by ICMR on the theme "Clinical Validation studies for Medical Devices and in-Vitro Diagnostics". He is one of the team members constructed for this purpose	12 Feb 2025
2	Dr Narasimhan S	Awarded the second-best oral presentation award at the International Conference, Allahabad	28 Feb 2025
3	Dr Naresh Kumar Mani	MAHE Research Award under the category “Research Excellence: Industry Grant”	24 Nov 2025
Chemical Engineering			
1	Dr Raja S, Professor	Top 2 Percentile researchers by Stanford University, USA, 2025	01 Sep 2025
2	Dr Ramesh V, Professor	Top 2 Percentile researchers by Stanford University, USA, 2025	01 Sep 2025
3	Dr Ranjeet Kumar Mishra, Associate Professor	Top 2 Percentile researchers by Stanford University, USA, 2025	01 Sep 2025
4	Dr Lavanya M, Associate Professor	Top 2 Percentile researchers by Stanford University, USA, 2025	01 Sep 2025
Chemistry			
1	Dr Subrahmanya Bhat K	Elected an Associate Member of the Institute of Physics	01 Apr 2025
2	Dr Subrahmanya Bhat K	Appreciation for Your Valuable Contribution as a Preferred Reviewer for the Journal of Applied Pharmaceutical Science	17 Nov 2025
Civil Engineering			
1	Mr H M Jagadisha	Mr H M Jagadisha has won the Best Paper Award for Development of One-part Slag-Flyash-	06 Feb 2025

		Microsilica-Based Alkali-Activated Ternary Binder Mixes for higher strength, at the 1st International Conference on Artificial Intelligence for Resilient Infrastructure and Sustainable Engineering Materials (AIRISE-2025)	
2	Dr Balakrishna S Maddodi	Kerala Karnataka Kannada Rajyostava Award from Karavali Samskruthika Prathistana, Kasaragod	11 Apr 2025
3	Dr Saurodeep Chatterjee	Dr Saurodeep Chatterjee, Assistant Professor, Department of Civil Engineering, MAHE–MIT, has won the Best Paper Award at the International Conference Down To Earth 2025	13 Nov 2025
4	Dr Anish Kumar Warrier	Best Presenter Award under the faculty category at the two-day National Conference on "Green Business and Blue Revolution: Pathways to Environmental Sustainability", jointly organised by the Departments of Marine Biology and Commerce, Karnatak University, Post-Graduate Campus, Karwar.	12 Dec 2025
Electrical and Electronics Engineering			
1	Arigela Sri Satya Veerendra Babu	The paper authored by Dr Arigela Sri Satya Veerendra Babu, Associate Professor, Department of Electrical and Electronics Engineering, has been awarded the Best Paper Award at the International Conference on Automation and Machine Learning using Robots and Artificial Intelligence Methods (AMLURAIM-2025), Series 1, held on 12 to 13 Feb 2025. The conference was organized by the Department of Mechanical Engineering, National Institute of Technology, Rourkela.	13 Feb 2025
2	Dr Harshendra Shet	Dr Harshendra Shet, Assistant Professor, Senior Scale, Electrical and Electronics Engineering has published an article titled 'Comparative Life Cycle Analysis of Hydrogen Fuel Cell Electric Vehicles and Battery Electric Vehicles: an Indian Perspective' in the International Journal of Hydrogen Energy, which is a Q1 journal with an Impact Factor of 8.1. The paper is co-authored by Prof Vijayanand S Moholkar	17 Feb 2025
3	Dr Jayalakshmi N S	Dr Jayalakshmi N S Professor, Electrical and Electronics Engineering has co-authored a collaborative research article titled "Meta-machine learning framework for robust short-term solar power prediction across different climatic zones" in Engineering Applications of Artificial Intelligence (Elsevier Publisher), which is a Q1, SCIE Journal with an Impact Factor of 7.5	01 May 2025
4	Dr Arun P Parameshwaran and Dr Bindu S	Dr Arun P Parameshwaran and Dr Bindu S, Associate Professor, Department of Electrical and Electronics Engineering has successfully completed the coursework and certification exams for the 'Style analysis -DISC and driving forces' and are therefore	01 Jul 2025

		entitled to the title and designation of Certified Behavior and Mentoring Analyst (CBMA) by Talent Metrix.	
5	Dr Praveen Kumar Bonthagorla	Dr Praveen Kumar Bonthagorla, Assistant Professor, Department of Electrical and Electronics Engineering, MIT, Manipal, was recently recognized in the World's Top 2% Scientists List for 2025 by Stanford University and Elsevier.	22 Sep 2025
6	Dr Chandrika B K	Dr Chandrika B K has successfully completed the AICTE - QIP- PG Certificate Program (18 credits) on "From Semiconductors to Chips: IC Design and Fundamentals" offered by the Indian Institute of Information Technology, Allahabad. This rigorous program was conducted from Jul to Dec 2025, reflecting a strong commitment to professional development and academic excellence.	01 Dec 2025
7	Dr Shwetha V	Dr Chandrika B K has successfully completed the AICTE - QIP- Post-Graduate Certificate Program (18 credits) on "AI-Powered Computer Vision for Smart Agriculture and Healthcare Applications" offered by NIT Warangal. This rigorous program was conducted from Jul to Dec 2025, reflecting a strong commitment to professional development and academic excellence.	01 Dec 2025
Electronics and Communication Engineering			
1	Dr G Subramanya Nayak	As Co-author, recognition during MAHE Research Award for Published Best Research Paper entitled, "Machine Learning Enabled Photoacoustic Spectroscopy for Non-invasive Assessment of Breast Tumor Progression in/Vivo: A Preclinical Study"	24 Nov 2025
Humanities and Management			
1	Dr Nagaraj Kamath	Lifeathon 1, on 18 Jul 2025, in Dr TMA Pai Hall, KMC Manipal. His team had obtained the MAHE seed grant of 10 Lakhs INR, obtained a prize for best business plan in the concluding session of Lifeathon 1 in TAPMI	18 Jul 2025
2	Dr Smith Nayak	Her paper titled "From Values to Action: Examining Attitudinal Determinants of Pro-Environmental Behaviour" has been conferred the "Best Paper Award" at the International Conference on Sustainable Synergies, organized by the Department of Commerce, MAHE, Bengaluru, on 26 and 27 Nov 2025	27 Nov 2025
Instrumentation and Control Engineering			
1	Mr Bipin Krishna	11th International symposium on integrated uncertainty in knowledge modelling and decision making (IUKM 2025)	17 Mar 2025

Sl No	Name	Details	Date

3	Dr Cyril Joseph	11th International symposium on integrated uncertainty in knowledge modelling and decision making (IUKM 2025)	17 Mar 2025
4	Mr Nevin Augustine	11th International symposium on integrated uncertainty in knowledge modelling and decision making (IUKM 2025)	17 Mar 2025
Mathematics			
1	Dr Ankur Jaiswal	Outstanding Teacher Award by Quantpro Global Pvt Ltd, on the Occasion of Teacher's Day, 2025	05 Sep 2025
2	Dr Shobha M E	the National Teachers Award 2025 was awarded by the Hon'ble President of India, Smt Droupadi Murmu, at Vigyan Bhawan, New Delhi, on 05 Sep 2025. Instituted by the Ministry of Education, Government of India, the award carries a silver medal, certificate, and 50,000 INR cash prize. She was one of only three recipients from Karnataka and one of just 21 faculty members selected nationwide under the Higher Education category. She also participated in the Prime Minister's interaction at the Prime Minister's residence on 04 Sep and the felicitation by Union Ministers for Education and Skill Development on 05 evening during a special dinner arranged for awardees at Hotel Ashoka.	05 Sep 2025
3	Dr Jibitesh Kumar Panda	Early Career Award for Participating and Presenting at the Global Conference for Decarbonization of Energy and Materials (2025)	16 Oct 2025
Mechanical and Industrial Engineering			
1	Dr Sanjiv M Sansgiri	Project guide of the Runner-up Team of the Forbes Marshall Outstanding Project Award 2025-26 (Project Title: Integrating Hybrid-Desiccant-Peltier air cooler with ceiling fan)	28 Jun 2025
2	Dr Gajanan Anne	Project guide of the winning team of the Forbes Marshall Outstanding Project Award 2025-26. Project Title: Development of bio-degradable MG-GD based surface nanocomposites through friction stir processing for implant applications	28 Jun 2025
Mechatronics Engineering			
1	Dr Narendra Khatri	Awarded the Best Researcher Award in the Electrical Stream during MIT Research Conclave 2025 for outstanding research contributions made in the calendar year 2024, on 30 and 31 Jul 2025.	30 Jul 2025
2	Dr Nikhil Pachauri	Recognized in the Stanford University and Elsevier Global List of Top 2 percent Most Cited Scientists 2025, published on 19 Sep 2025.	19 Sep 2025

Sl No	Name	Details	Date
3	Dr Narendra Khatri	Awarded Best Paper Award in the 4th International Conference on Robotics, Control, Automation and Artificial Intelligence-2025, organized by Manipal Institute of Technology, MAHE, Manipal and Universidad Nacional Autónoma de México (UNAM), Mexico, from 29 to 31 Oct 2025.	29 Oct 2025
4	Dr Narendra Khatri	Awarded for Research Excellence: Publications (Assistant Professor Category) (Award and a cash prize of 10000 INR) for the year 2024 under the Faculty of Technology and Sciences at the MAHE Research Awards Ceremony, 24 Nov 2025.	24 Nov 2025
5	Dr Jibitesh Kumar Panda	Delivered a lecture on Introduction to Thermodynamics – Refrigeration and Air Conditioning for the training program of Newly Recruited GP 'A' Officers (Probationers) of Military Engineer Services, organized by the CTE Division, Engineering Staff College of India (ESCI), Gachibowli, Hyderabad.	05 Dec 2025
Physics			
1	Dr Ismayil	MIT Research Award	29 Jul 2025
2	Dr Poornesh P	MAHE Research Award-Overall Research	24 Nov 2025
School of Computer Engineering			
1	Dr Raghavendra S	A book titled Secure Retrieval and Auditing Techniques in Cloud, published by TECHSAR	01 Jan 2025
2	Dr Roopalakshmi R	Received Excellence Award for SAMSUNG PRISM worklet during Jan 2025.	01 Jan 2025
3	Manjunath K N	Received best paper award at ISDIA 2025 Conference, Wollongong University, Dubai, UAE	04 Jan 2025
4	Dr Dasharathraj K Shetty	Dr Dasharathraj K Shetty, Associate Professor, Department of Data Science and Computer Applications, delivered a talk on Youth Communication and Gamification at MIT, Manipal on 12 Jan 2025.	12 Jan 2025
5	Dr Dasharathraj K Shetty	Dr Dasharathraj K Shetty had participated as a faculty member in the pre-conference workshop titled "Artificial Intelligence Powered Superfast Research" at IAPCON 2025, the 32nd International Conference of the Indian Association of Palliative Care (IAPC), held at AIIMS, Jammu, from 30 Jan to 02 Feb 2025.	30 Jan 2025
6	Dr Dasharathraj K Shetty	Delivered a seminar on the 'Ethical Use of AI' for the staff and students of WGSHA on account of Research Day 2025	07 Feb 2025
7	Dr Dasharatharaj K Shetty	in Mar 2025, Ms Nikita Panwar received the Best Paper Award at GCISMM2025 under his guideship.	01 Mar 2025

Sl No	Name	Details	Date
8	Dr Rashmi Laxmikant Malghan	Sessional Chair in the international conference on Artificial Intelligence in Healthcare (ICAIH 2025), AIMIT, organized by St Aloysius Mangalore	20 Mar 2025
9	Dr Dasharathraj K Shetty	Dr Dasharathraj K Shetty was Felicitated for over a Decade of Excellence in Service as IMC-RBNQA Examiner. The honour was conferred by Sri Neeraj Bajaj, Chairman of the IMC-RBNQA Award Trust, Chairman of Bajaj Auto Ltd, and Chairman and Managing Director of Mukand Ltd, during a ceremony hosted by the IMC Chamber of Commerce and Industry.	24 Mar 2025
10	Dr Manohar M Pai	Ping 2025 workshop. The annual workshop, Ping 2.0.2.5, focused on Digital Transformation, Intelligent Technology, and Sustainability. The event was convened by Dr Manohara M Pai and brought together academics, industry experts, and students.	28 Mar 2025
11	Dr Vidya Rao	Delivered a technical talk on “From Circuits to Security – Safeguarding IoT Innovation” at Moodlakatte Institute of Technology on 08 May 2025.	08 May 2025
12	Dr Dasharathraj K Shetty	Dr Dasharathraj Shetty Inaugurated National Technology Day 2025 Celebrations at MITE. The event, led by the Department of Computer Science and Engineering, was organized in collaboration with the Computer Society of India (CSI), the Institution’s Innovation Council, a Ministry of Education initiative, and the campus clubs CORE and CRYPTON. He also conducted a workshop on Design Thinking and Product Development.	10 May 2025
13	Dr Dasharathraj K Shetty	At the International Conference of Health Profession Educators and Learners (I-HEAL) 2025, held at Kasturba Medical College (KMC), Mangalore, Dr Dasharathraj K. Shetty delivered a visionary plenary talk titled “Demystifying AI: A Deep Dive into the Fundamentals for Healthcare Profession Educators.” Dr Shetty also led the pre-conference workshop “Unlocking ChatGPT: Write Better, Work Faster, Think Sharper.”	31 May 2025
14	Dr Dasharathraj K Shetty	Delivered a lecture in Calangute, Goa, for over 120 professionals from Emperia Corporation, Mangalore, on the topic "Thriving in an ever-changing business landscape."	31 May 2025
15	Dr Vidya Rao	Invited for ‘Industry-Institution Meet (IIM) -2025’ scheduled on Saturday, 21 Jun 2025, by the Oxford College of Science, Arts, Commerce and Management, HSR Layout, Bangalore	21 Jun 2025
16	Dr Rashmi Laxmikant Malghan	Successfully completed the NPTEL Exam "Introduction to Large Language Models (LLMs)"	01 Jul 2025
17	Mr Mohandas Shenoy P	Successfully completed the NPTEL Exam "Software Engineering" in Topper 1%. Total number of candidates certified in this course: 4458	01 Jul 2025

Sl No	Name	Details	Date
18	Dr Rashmi Laxmikant Malghan	Successfully completed the NPTEL Exam " Introduction to Biostatistics"	01 Jul 2025
19	Dr K Kamaraj	NPTEL 5% TOPPER in Design and Implementation of Human-Computer Interfaces (Total candidates appeared 5421)	01 Jul 2025
20	Dr Anita S Kini	Top Grade in the Artificial Intelligence: Concepts and Techniques examination conducted by the NPTEL (Total candidates appeared 6785)	01 Jul 2025
21	Mr Shanmukharaja M	NPTEL Topper badge in Data Structures and Algorithm Design among the 4313 candidates	01 Jul 2025
22	Dr Ahamad Shafeeq	NPTEL TOPPER in DAA exam conducted for 951 candidates	01 Jul 2025
23	Dr Shwetha Rai	NPTEL TOPPER in the operating system exam conducted	01 Jul 2025
24	Dr Archana H	NPTEL TOPPER in the DBMS exam conducted	01 Jul 2025
25	Dr Diana Olivia	Top Performer in the Database Management Systems (DBMS) examination conducted by NPTEL	01 Jul 2025
26	Dr Kishore B	Authored a book titled Big Data Fundamentals has been published by the Scientific International Publishing House	01 Jul 2025
27	Dr Neelima Reddy	Authored a book titled Big Data Fundamentals has been published by the Scientific International Publishing House	01 Jul 2025
28	Ms Ramyashree	Conferred with the best paper award at the 5th International Conference on Intelligent Systems and Machine Learning for her outstanding research	01 Jul 2025
29	Dr Raghavendra S	Distinguished Alumnus Award in the Academics field at BMS Institute of Technology and Management, Bangalore	01 Jul 2025
30	Dr Raghavendra S	Invitation to serve as a Subject Expert for the Board of Studies (BOS) in Robotics and AI at the national level on 15 Jul 2025.	15 Jul 2025
31	Dr Ramakrishna M	Mr Mohammed Ahmed Mansour, a student from Mansoura National University, Egypt, completed an internship at Alexandria University.	21 Jul 2025
32	Dr Rashmi Laxmikant Malghan	Delivered a talk on “Auto Image Segmentation” along with a hands-on session during the FDP titled “Envisioning the Future: Deep Dive into Advanced Artificial Intelligence and Machine Learning for Society”	22 Jul 2025
33	Dr Dasharathraj K Shetty	Delivered a talk in the seminar on “Prompt Engineering for Digital Marketing” on 29 Jul 2025, organized by the Manipal School of Commerce and Economics. The session provided students with a comprehensive understanding of how generative AI tools, particularly ChatGPT, are revolutionizing marketing strategies and enabling new possibilities in digital communication. in his talk, Dr Shetty	29 Jul 2025

Sl No	Name	Details	Date
		explained how prompt engineering the art of crafting precise and context-aware instructions for AI models is reshaping the way organizations approach content creation, audience targeting, and campaign automation. He illustrated how well-designed prompts can significantly enhance the precision, creativity, and effectiveness of digital marketing initiatives, helping businesses deliver more personalized and impactful customer experiences.	
34	Dr Manjunath K N	Best Researcher Award 2025 in Computer Science and Engineering Stream	31 Jul 2025
35	Ms Ramyashree	conferred with the best paper award at the hybrid XXII Control Instrumentation Systems Conference (CISCON)2025 for her outstanding research	01 Aug 2025
36	Dr P Radha Krishna Reddy	Co-chaired/organized the 10th edition of EMSICC 2025 international workshop held in Istanbul, Turkey, along with the IEEE FiCloud 2025 conference	01 Aug 2025
37	Dr Dasharathraj K Shetty	Dr Dasharathraj K Shetty served as one of the panelists in a discussion on “Impact of AI on Healthcare, Business, Education and Research” at the Manipal Start-Up Expo 2025, held on 25 August 2025 at the Advanced Research Centre, MAHE, Manipal. The event, organized by Manipal Academy of Higher Education (MAHE) in collaboration with the Manipal-GOK Bioincubator, brought together experts from diverse domains to explore how artificial intelligence is transforming multiple sectors.	25 Aug 2025
38	Dr Hareesha K S	Sandra Sony, a full-time research scholar working under the guidance of Dr Hareesha S won the prestigious INDIA AI Research fellowship	26 Aug 2025
39	Dr P Radha Krishna Reddy	Received 600 Euros of funding towards a conference registration from the CISTER Research Centre, Portugal	01 Sep 2025
40	Dr P Radha Krishna Reddy	Received 570 Euros of funding towards a conference paper registration from the CNAM/EMSICC/FiCloud 2025	01 Sep 2025
41	Dr Ashwath Rao B	Selected for the Board of Studies (BoS) of Canara Engineering College, Mangalore, Computer Science and Business Studies Department	01 Sep 2025
42	Dr Deepak Parashar	Has been appointed to the Editorial Board of Scientific Reports, a peer-reviewed open-access journal under the Springer Nature portfolio	08 Sep 2025
43	Dr Abhilash K Pai	Delivered a technical session on "Use of Technology and AI Tools in the Classroom / Education” at 4th Convention of AGE College Teachers held at Sri Mahaveera College, Moodbidri	20 Sep 2025
44	Mr Mohandas Shenoy P	Lead the team of esteemed Faculties and UG, MCA Students of our Institution in successfully organizing	22 Sep 2025

Sl No	Name	Details	Date
		AI and Coding bootcamp at Sri Mahaveera College, Moodbidri, and was the Chief Guest on the final day representing MIT Faculties contributed: Dr Ashwath Rao, Dr Sucharita Shetty, Dr Chitra B, Dr Muralikrishna, Dr Rajashree Krishna	
45	Dr Dasharathraj K Shetty	Inaugurated the Regional Conference on "Empower, Enhance, Evolve: AI and Modern Technologies in Shaping the Future of Health Care" held on 25 Sep 2025 at K Pandyarajah Ballal Nursing Institute, Mangalore. Following the inauguration, Dr Shetty delivered an insightful lecture that explored how AI-driven innovations are redefining the healthcare landscape from clinical diagnostics and patient monitoring to workforce training and system efficiency.	25 Sep 2025
46	Dr Roopalakshmi R	Received Best Paper Award at 8th Int. Conf. ICICC-2025, held at CMR University, Hyderabad, on 26 and 27 Sep 2025	26 Sep 2025
47	Dr ShanmukhaRaja	Received the best paper award from the International Conference on Computational Intelligence and Data Communication in Bali, Indonesia	01 Oct 2025
48	Dr Divya	Received the best paper award from the International Conference on Computational Intelligence and Data Communication in Bali, Indonesia	01 Oct 2025
49	Dr Balachandra Muniyal	A book titled A Primer on Wireless Technology and IoT Basics has been published by Bentham Science	01 Oct 2025
50	Dr Dasharathraj K Shetty	Delivered an invited lecture on "AI-Powered Disaster Management" on 13 Oct 2025 (Monday) during SHIELD 2025 (Safeguarding Humanity through Integrated Emergency Learning and Disaster Risk Reduction), organized by the Centre for Disaster Management, MAHE, Manipal, in collaboration with the Centre for Wilderness Medicine, Department of Community Medicine, Department of Emergency Medicine, and Department of Hospital Administration, Kasturba Medical College, Manipal.	13 Oct 2025
51	Dr Dasharathraj K Shetty	Delivered a lecture on "AI in Healthcare" on 14 Oct 2025 as part of IGNITE 2.0 – AI in Healthcare, organized by MAHE-SRF, MCODS Mangalore, in association with the UG Research Vertical.	14 Oct 2025
52	Dr Rashmi Laxmikant Malghan	the IBM CSR video, produced for IBM India, features Dr Rashmi Laxmikant Malghan in recognition of her excellence as a best teacher and her active engagement as a continuous learner through the IBM Skills Build Program. The Canadian team visited MIT to conduct the video shoot.	22 Oct 2025
53	Mr Mohandas Shenoy P	Successfully conducted an Industry Expert-led online webinar on Software Quality Assurance, Introduction to tools, best practices, and Future	25 Oct 2025

Sl No	Name	Details	Date
		trends. Online Speaker: Mr Sirigir Vijay Kumar. Participants attended: offline: 75 (UG Students), online: 45 (MCA, Post-Graduate Students)	
54	Dr Dasharathraj K Shetty	Inaugurated and delivered an address at AAROHAN'25 at Sahyadri College of Engineering and Management, Mangalore. Sahyadri College of Engineering and Management, Mangalore, hosted AAROHAN'25, the Association Day, Council Inauguration, and Branch Entry Ceremony of the Department of Information Science and Engineering and CSE (Data Science).	31 Oct 2025
55	Dr Dasharathraj K Shetty	A keynote address titled "Speaking the Same Language: How Radiographers and AI Technocrats Can Build Better Solutions Together" was delivered by Dr Dasharathraj K Shetty at the 23rd National Conference of the Society of Indian Radiographers – IMAGINE 2025 – hosted by the Department of Radiodiagnosis and Imaging, Kasturba Medical College, Mangalore, convened professionals, educators, and innovators from across the medical imaging ecosystem to explore the theme, "Advancing Frontiers: Ushering in a New Era of Medical Imaging." the event took place at the Dr TMA Pai International Convention Centre.	31 Oct 2025
56	Dr Manjunath K N	Delivered keynote speech at the Radiology conference Imagine 2025, KMC, Mangalore	31 Oct 2025
57	Dr Muralikrishna S N	Best paper award in the Engineering Data Analytics and Management Conference (EAMCON 2025), Melaka, Malaysia	01 Nov 2025
58	Dr Manjunath K N	Established a MoU with Aditya University, Andhra Pradesh, along with the Electronic and Communication Department	03 Nov 2025
59	Dr Vidya Rao	Trained master students on hands-on IoT at Milagres Degree College, Udupi, on 05 Nov 2025	05 Nov 2025
60	Dr Vidya Rao	Delivered a Cyber awareness talk on "Demo Session on Cybersecurity Awareness Program", at Udupi-Cochin Shipyard Pvt, on 07 Nov 2025	07 Nov 2025
61	Dr Dasharathraj K Shetty	Delivered at SMART RESEARCH START – CME on AI Tools for Prompt Engineering, Protocol Writing and Literature Review organized by Kasturba Medical College, Manipal, in collaboration with Abbott Healthcare.	12 Nov 2025
62	Dr Poornima Panduranga Kundapur	Delivered a technical talk on "From Passwords to Power Grids: Understanding Cybersecurity in the Modern Age" at Moodlakatte Institute of Technology on 25 Nov 2025.	25 Nov 2025
63	Dr Rashmi Laxmikant Malghan	Delivered a talk on "Key Concepts of Reinforcement Learning and the Reinforcement Learning Process," along with a hands-on session on n8n flows, during the FDP titled "Smart Robotics and AI Integration:	25 Nov 2025

Administration			
1	Ms Vasundra N Department of Chemical Engineering	Best Researcher PG Student- 2025	31 Jul 2025
2	Ms Ashwini Amin, School of Computer Engineering	1st position PhD poster awards 2025	31 Jul 2025
3	Mr Madhusudhan B Department of Mechanical and Industrial Engineering	2nd position PhD poster awards 2025	31 Jul 2025
4	Ms Reshma H., Department of Electronics and Communication Engineering	3rd position PhD poster awards 2025	31 Jul 2025
5	Mr Kiran R Department of Physics	Best Research Scholar- 2025	31 Jul 2025
6	Mr Gopal Bharamappa Bekkeri Department of Civil Engineering	Research Scholar Award- 2025 Second Position	31 Jul 2025
Biomedical Engineering			
1	Ms Lavanya Dalmia	Was part of Manipal Biomachines and won the Silver Medal in the Global Open Genetic Engineering Competition (GOGEC) as a team.	23 Feb 2025
2	Ms Chinthana C, Research Scholar, Department of Biomedical Engineering,	Received the Best Paper Award in oral presentation at the International Conference on Emerging Trends in Bio-engineering and Food Technology. ETBFT – 2025, organized by the Department of Food Technology, Guru Nanak Institute of Technology, Kolkata.	18 Mar 2025
3	Mr Arun Krishna Venkatesh	Participated in the CATC/IGC-NSC Camp held at MIT, Manipal, from 25 May to 03 Jun 2025	25 May 2025
4	Ms Sujatha Hariharan	Selected for the International Technical Internship 2025 at Montanuniversität Leoben, Austria, scheduled from 01 Jun 2025 to 31 Jul 2025.	01 Jun 2025
5	Ms Deepali Bhagat	Presented paper at CISCON 2025	02 Aug 2025
6	Ms Deepali Bhagat	Received the "Best Paper Award" at CISCON 2025	02 Aug 2025

Sl No	Name	Details	Date
7	Mr Likhith K, Research Scholar, Department of Biomedical Engineering,	Received the Best Paper Award in oral presentation in the International Conference on Biomedical Engineering and Sustainable Healthcare [ICBMESH-2025] organized by Department of Biomedical Engineering, Manipal Institute of Technology, Manipal.	08 Aug 2025
8	Ms Bhavya Sahithi Velagapudi, Research Scholar, Department of Biomedical Engineering	Received RSC (Royal Society of Chemistry) Best Poster Award at BioHeal - 2025	27 Oct 2025
9	Ms Riddhiman Ganguly	BIS Best Prospective Research Award received at SYNCHRON25.	03 Nov 2025
10	Mr Vytheshwar	Received the Best Oral Presentation Award at ICHTR 2025, organized by MAHE-SRF under the aegis of the Directorate of Research, in collaboration with MCHP, MAHE Manipal	13 Nov 2025
Biotechnology			
1	Ms Samhita Sridhar	Runner's in MAHE Intercollegiate Throwball tournament	15 Feb 2025
2	Ms Harshika	Best Poster presentation at AFMECA-2025, NITK Surathkal, Mangalore	11 May 2025
3	Ms Anantha Sai	Participated in the 2nd Triple Crown Chess tournament-2025 at St Francis De Sales College, Bengaluru.	20 Jul 2025
Chemical Engineering			
1	Ms Santusti Gour and Mr Rishith Khanna	Ms Santusti Gour and Mr Rishith Khanna from the third year, for winning ‘First prize' in the ChemQuiz and Case Study presentation at the "Exergy 2025" event, held at IIT Kanpur, Kanpur, recently. Their idea not only showcased innovation but also won them a total of 20,000 INR cash award.	31 Jan 2025
2	Ms Mahika Pramod Final Year B Tech (Chemical)	Prof P G Krishnamoorthy Memorial Prize to the B Tech student securing the highest combined total marks in the theory courses, Mass Transfer I and Mass Transfer II	24 Oct 2025
3	Ms Vasundra N	Prof PG Krishnamoorthy Memorial prize to the M Tech student securing the highest overall CGPA in the graduating batch of 2025.	24 Oct 2025
4	Mr Gerald Nathan Mathias	Prof PG Krishnamoorthy Memorial prize to the BTech student securing the highest overall CGPA in the graduating batch of 2025.	24 Oct 2025
Chemistry			
1	Ms Anu Antony	Best Poster International Conference on Advances in Soft and Nanomaterials) organized on 10 and 11 Jan 2025 at CENS Bengaluru)	23 Mar 2025
2	Ms Shilpa Shetty	Best Poster (4th International Conference on Optoelectronic and Nanomaterials for Advanced Technology (iCONMAT-2025))	23 Mar 2025
3	Ms Gayathri G	Best Poster	23 Mar 2025
4	Ms Anjali	Best Poster (International Conference of Polymers and Nanomaterials (ICPN 2025), organized by Mahatma	23 Mar 2025

6	Ms Sujana C	Best Poster (International Conference on Materials for Advanced Technologies (ICMAT) 2025, Singapore, organized by MRS-Singapore)	03 Jul 2025
7	Ms Ishanki	Best Poster (ICACSEE 2025: International Conference on Advances in Chemical Sciences for Sustainable Energy and Environment, MIT-WPU, Pune, India)	21 Jul 2025
8	Mr Mohammad Saquib	Best Poster + Oral (International Conference on Advances in Chemical Sciences for Sustainable Energy and Environment. Best oral: International Conference on Functional Materials and Applications)	21 Jul 2025
9	Mr Ashwin Nayak	Best Poster (Conference on Advanced Materials and Characterization-ICAMC 2025)	11 Aug 2025
Civil Engineering			
1	Dr Gopal Bharamappa Bekkeri	Dr Gopal Bekkeri, PhD scholar under the guidance of Dr Kirankumar Shetty (HoD Civil Engineering), for winning the best PhD student Award at MIT Research Conclave 2025	30 Jul 2025
2	Ms Anjali Tamrakar	Best Presenter Award Under the Theme Human Benefits and Impacts at the International Indian Ocean Science Conference Hosted by INCOIS, Hyderabad	01 Dec 2025
3	Ms Lakshmi V	Best Presenter Award under the Student category at the two-day National Conference on “Green Business and Blue Revolution: Pathways to Environmental Sustainability”, jointly organized by the Departments of Marine Biology and Commerce, Karnatak University, PG Campus, Karwar.	12 Dec 2025
Electrical and Electronics Engineering			
1	Mr Abhay Singh Solanki	Abhay Singh Solanki (Electrical and Electronics Engineering, Batch of 2025), along with Mohiet Iqbal (CHE), received a grant of 4,00,000 INR from AICTE through the prestigious AICTE YUKTI Innovation Challenge, supported by the Ministry of Education, Government of India. Their innovation titled “Kraftr Global lyfstyle” stood out among hundreds of submissions nationwide for its technological originality and social relevance.	07 Jan 2025
2	Mr Arin Agarwal, Chithrinesh C V, and Mr Vaibhav Agarwa Aabhaas Kalia, Mr Sumir Balakrishnan, and Mr Pratyush Trivedi	Formula Manipal blazed into 3rd place overall at Formula Bharat 2025, held at Kari Motor Speedway, outpacing 38 electric and 26 combustion teams from across the country, with their first-ever electric race car, designed and built from scratch. Representing the Electrical and Electronics are Arin Agarwal, Chithrinesh C V, and Vaibhav Agarwal from the 6th semester, and Aabhaas Kalia, Sumir Balakrishnan, and Pratyush Trivedi from the 4th semester. The team was the first to clear Mechanical Inspection, the second to clear Accumulator Inspection, and clinched 3rd place in both Cost and Manufacturing and Engineering Design. They also brought home the Best Powertrain Award. Backed by top-tier	22 Jan 2025

		sponsors like Analog Devices, Ador Welding, and Titan Engineering, this marks Formula Manipal's best finish in seven years and a bold leap from combustion to electric.	
3	Mr Utkarsh Singh Sen and Mr Google Singhvi	Team Manipal Racing Electric (TMR-E) made a remarkable mark at SAE INDIA eBAJA 2025 Phase-3 (Physical Events) held at B V Raju Institute of Technology, Narsapur, Telangana, from 20 to 24 Feb 2025. Representing the Electrical and Electronic Department, Utkarsh Singh Sen of the sixth semester and Google Singhvi of the fourth semester were integral members of the electronics subsystem of the team's electric all-terrain vehicle (eATV). TMR-E achieved outstanding results, placing 9th overall among over 88 teams. The team stood out by being the first to clear Technical Inspections and the Brake Test, and secured 1st in Engineering Design, 1st in Sled Pull, 2nd in Maneuverability, 3rd in Overall Dynamics, 4th in Acceleration, 4th in Computer-Aided Engineering (CAE), and won the title of the Lightest 4WD ATV. Their stellar performance reflects a blend of engineering excellence, innovation, and teamwork.	20 Feb 2025
4	Ms Tanushka Singh (Electrical and Electronics Engineering Alumini)	MIT-NCC alumnus Flying Officer Tanushka Singh (Batch 2018–22, Registration Number 180906490, Electrical and Electronics Engineering Department) has made history by becoming the first woman from Mangalore to pilot a Jaguar fighter jet in the Indian Air Force. A proud graduate of MIT, Manipal, she completed her BTech in Electrical and Electronics Engineering in 2022.	25 Feb 2025
5	Mr Shreyas Chaudhary	At the Global Hyperloop Competition 2025, hosted by IIT Madras, LoopMIT emerged as a powerhouse—securing 1st place for Best Pod Demonstration and Best Mechanical Subsystem. Among the minds behind this feat was Electrical and Electronics's Shreyas Chaudhary, who worked on the pod's power distribution, control logic, and sensor integration.	27 Mar 2025
6	Mr Sourav Maity	Sourav Maity has secured 2nd Position in the Utsav Spot Photography Competition held at MAHE, Manipal.	27 Mar 2025
7	Mr Ijiharul Haque Vazhayil	Ijiharul Haque Vazhayil has passed the Certificate 'C' Examination in "A" Grade held in 2025 under the authority of the Ministry of Defence, Government of India.	28 Mar 2025
8	Mr Saidupally Adithya Om	Saidupally Adithya Om has passed the Certificate 'C' Examination in "B" Grade held in 2025 under the authority of the Ministry of Defence, Government of India.	28 Mar 2025
9	Mr Jibin Kuriakose (Research Scholar)	Mr Jibin Kuriakose, Research Scholar, Department of Electrical and Electronics Engineering, has received the Student Travel Award for his paper titled "Wind and Solar Power Generation Forecasting Based on LSTM and XGBoost Models" at the IEEE SeFet 2025 conference at MNIT Jaipur, Rajasthan, India. Dr Vinay Kumar Jadoun, Associate Professor, Dr Jayalakshmi N S, Professor, and Dr Soham Dutta, Assistant Professor, Department of Electrical and Electronics Engineering, were the co-authors of the paper.	09 Jul 2025
10	Ms Reshma V P (research Scholar)	Ms Reshma V P, Research Scholar, Department of Electrical and Electronics Engineering, has received the Student Travel Award for her paper titled "Non-Iterative Performance	09 Jul 2025

1	Summited Mt Kang Yatse II (20600 feet)	Out of two expedition teams comprising 18 members, only three climbers, two Indian nationals and one Australian, successfully summited Mt Kang Yatse (Ladakh) on 06 Jul 2025. The summit push began from base camp at approximately 09:00 PM, with the objective of reaching the summit by early morning to ensure safer snow conditions. During the ascent, conditions deteriorated significantly, resulting in several climbers turning back due to Acute Mountain Sickness (AMS), fatigue, and other factors. Given the presence of multiple crevasses and the risks associated with soft snow after sunrise, a strict nighttime turnaround strategy was followed. Despite extreme physical and mental challenges, the summit was reached at around 07:00 am. with prior mountaineering experience and an A-grade in the Basic Mountaineering Course (BMC), this climb marked the successful achievement of crossing the 20,000 ft altitude milestone before the age of 21.	06 Jul 2025

Centre of Excellence in Avionics and Navigation

Address: 2nd Floor, AB 1, Department of Aeronautical and Automobile, MIT Manipal
Phone Number: 0820 2925482/483
Email (Centre): avionics.mu@manipal.edu **Email (Coordinator):** kamlesh.kumar@manipal.edu; pallavi.mit@manipal.edu; satish.shenoy@manipal.edu

Year of Establishment of the Centre: 25 January 2016
Inception Date 01 February 2016 [Rename by GOI on 17 September 2018]

Name of the Coordinator: Kamlesh Kumar, Dr Pallavi M, and Dr Satish Shenoy B
Members: Kamlesh Kumar, Dr Pallavi M, and Dr Satish Shenoy B

Brief About the Centre
The Centre of Excellence in Avionics and Navigation was established within the Department of Aeronautical and Automobile Engineering at Manipal Institute of Technology (MIT) with substantial backing from Manipal Academy of Higher Education (MAHE) and critical resources from the National Technical Research Organization (NTRO). This centre is dedicated to fostering research, innovation, and technological advancements in the field of avionics.

With a strong emphasis on cutting-edge aerospace technologies, the centre has played a pivotal role in the development, integration, and incubation of advanced avionics systems. Among its key projects are Unmanned Aircraft Systems (UAS), Flight Controllers, Communication Systems, and specialized hardware for UAV Avionics. These initiatives focus on improving UAV capabilities for various applications, including surveillance, reconnaissance, and disaster management.

Several of the centre's developments have been successfully tested in real-world scenarios. Notably, trials have been conducted at DARC Dehradun, a significant hub for defense and research testing, and the centre's UAV technologies have been deployed in flood surveillance operations in Coorg, demonstrating their practical impact. With a vision for continuous growth, the centre is committed to pushing the boundaries of avionics research and innovation.

Vision: Continuously build, integrate, and strengthen technological and incubation capacities in the area of Avionics.

Mission
- To develop technologies and incubation capacities to design and develop, manufacture and deploy indigenous and customized drones.
- To drain a skilled workforce and a critical mass of researchers through continuous and tailored short-term programs and research projects.
- To transmute the centre into an active nodal research centre for Avionics and support national security and development.

Objectives
- Design, Develop, and Deploy the Drones.
- Development of indigenous avionics systems and software to support the nation.
- Incubate experts from industries, institutions, and organizations to support research activities.
- PG Program, Certificate Course, UG Program, Minor Specialization, Training and Capacity Development with the development of Research Facilities.

Activities at the Centre
Centre monitors and provides the research facility, research and development, training, and research publications-conferences/journals/patents under the following labs are the theme of centre progress, activities, and research:

1. Avionics Lab and Avionics System Engineering Lab
2. Automatic Flight Control System Lab
3. Embedded System-Software Safety and Security Lab
4. Antenna Design and Wireless Communication Lab
5. Sensors Data and Handling Lab.
   - Virtual Internship to outside engineering college students [10 students]
   - Facilities access for project execution and laboratory: AeroMIT, MTech
   - Drone Activity for SEVC 2025

Research Activities

- Student access for research facility-Aero MIT
- MTech student academic and research
- Test Rig Design for new academic needs and research purposes in future
- Test Rig Design 01: Electrical, DAQ, Thermal 2
- Test Rig Design 02: RF, EMI/EMC 3
- Test Rig Design 03: Multipurpose- Autonomous System capable of computer vision, flight control, Communication, UAV test Rig, Thermal Data
- Autonomous UAV System design using Composite for Fertilizer Spray and Seed bombing [BTech Project completed]
- Engine Driven Generator Design for UAV [BTech Project completed]
- Training MTech Avionics Students, UG Aeronautical for UAV and Robotics System
- Research facilities upgraded to their associated labs are:
  - Unitree Quadruped Robot Research
  - Multi-domain System Simulation Software (SimulationX)-Training completed in 2025

Brief About the Centre

The education part of the centre will be imparting advanced skills to research scholars, professional engineers, students, and other stakeholders of the construction industry. The centre aims to facilitate researchers and practising civil engineers with state-of-the-art testing facilities for structural members and construction materials, which will help them deliver quality in construction projects efficiently and reliably. This centre is designed to suit the requirements of all the stakeholders involved in the construction industry, with operational activities like planning, construction, procurement, and logistics planning. This centre aims to provide education to students and research scholars on building components that can resist seismic loads, wind loads, and dynamic loads using commercially available software such as STAAD, ETABS, COMSOL, and Bentley BIM.

Availability of a full-scale testing facility, which includes: Servo UTM – 1200 kN capacity; Loading frame – 2000 kN capacity; Electric furnace – 1200 ºC capacity; CTM – 5000 kN capacity; fatigue testing facility; pre-tensioning platform with jack – 30 tonne capacity; and a dedicated casting yard to accommodate production of modern concretes. The facility also houses the Centre for Excellence Design and Consultancy Cell, Civil Department, MIT, MAHE, which, along with the expertise of the faculty, provides consultancy for various public and private organizations. The facility also provides technical support to conduct field visits to schools and colleges, and provides stability reports, which are mandatory for statutory compliance.

Vision: Identifying funding and executing programs necessary to advance the precast industry

Mission: Facilitating research into new products more closely tailored to customer needs and local market requirements

Objectives

1. To enrich the curriculum of the civil engineering and architecture program by introducing in-depth modules on off-site and modular construction, drawing from its veritable experience in the field of smart construction.
2. To provide budding engineers with practical know-how about off-site construction– The future of the global infrastructure and construction industry.

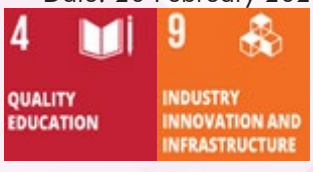
Activities at the Centre

1. International Conference 'New Horizons in Civil Engineering: Sustainable Innovative Materials and Emerging Technologies (NHCE-SIMET)' Date: 30 and 31 October 2025

   Venue: MIT-KEF R&D Centre, MIT, Manipal

2. Workshop titled 'Building Information Modelling (BIM) Fundamentals, Applications, and Use Cases' In partnership with Ar Vijayadurga Koppisetti, CEO, Architude

   Date: 20 February 2025



3. One-Day post Conference Workshop

   Title: One-Day Post Conference Workshop on Material Characterization Techniques in Civil Engineering
   Date: 12 March 2025

Research Activities

The following research activities are currently being conducted by students at our Centre.

The testing facilities at the Structural Engineering Laboratory were utilized for the research work titled "Investigation of Strength and Shrinkage Properties of No Aggregate Concrete."
Outcome: PhD award

The testing facilities at the Concrete and Highway Material Testing Laboratory were utilized for the Research work titled "Durability Properties of No Aggregate Concrete Subjected to Aggressive Environments."
Outcome: PhD award

Ongoing PhD works

1) Production of artificial aggregates using palletization and crushing techniques
2) Use of recycled concrete aggregates in manufacturing sustainable solid masonry concrete blocks
3) Bond strength assessment of alkali-activated material-based concrete under corrosive conditions
4) Symbiotic effects of coffee husk ash incorporated alkali-activated mortar on qualitative, durability, and sustainable characteristics
5) Mechanical, durability, and microstructure properties of self-healing concrete utilizing agro-industrial waste
6) Optimization of mix design for alkali-activated concrete
7) Effect of polypropylene fibers on strength and durability performance of M-sand self-compacting concrete
8) Corrosion of reinforcing bars in RCC structures
9) Synergetic effect of binary, ternary, and quaternary binders on microstructural, mechanical, and durability aspects of EAF aggregate high-performance concrete system
10) Properties of alkali-activated masonry units incorporating Linz-Donawitz steel slag aggregates and Mangalore tile waste.

Center for Marketing Advances

Address: Manipal Institute of Technology, Manipal
Coordinator (Email): smithanayak.v@manipal.edu

Year of Establishment of the Centre: 16 August 2016
Name of the Coordinator: Dr Smitha Nayak

Brief About the Centre:

Vision:
To be a center of excellence in the sphere of knowledge development and knowledge dissemination within the domain of marketing.

Mission:
To promote research, training, and consulting in all aspects of marketing.

Objectives:

1. To serve as an interface between industry and academia, and function for mutual benefit.
2. To develop a strong industry linkage to source sponsored projects.
3. To identify emerging research issues in the field of marketing and provide a focus for such funded research.
4. To facilitate knowledge dissemination among practitioners, educators, and students.

Activities at the Centre:

Sl No	Name of the activity	Particulars	Date
1	Student engagement	Max Pro Simulation	Jul to Nov 2025
2	Knowledge sharing	Resource Person for FDP on strengthening Research Skills •Workshop on undertaking a literature review	24 May 2025

Awards and Recognition:

- Best Paper award for paper titled "Embracing the paradigm shift of sustainable consumption and production practices: A global imperative for a resilient future", presented in an international conference on the theme “Socio-Economic Transformation and its Impact on Business”, organized by the School of Management Studies, Jodh Ishwar Singh University, West Bengal, India, 2024.
- Best Paper award for paper titled “From values to action: examining attitudinal determinants of pro-environmental behaviour”, presented in an international conference on sustainable synergies, organized by the Department of Commerce, MAHE, Bengaluru, on 26 –27 November 2025.

Brief About the Centre

Vision

To excel in civil engineering consultancy and impart skills in civil engineering through teamwork.

Mission

To undertake civil engineering consultancy and conduct courses in Skill Development Training in civil engineering

Objectives

1. To provide civil engineering consultancy services in structural, geotechnical, surveying and transportation, construction and project management, and water resource engineering.
2. To identify and provide skill development training through certificate courses for Practicing engineers, Graduate engineers, working engineers, and final year undergraduate and post-graduate students.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	Consultancy work has been taken up based on the availability of data submitted by the client. Interested faculty members are involved in consultancy jobs such as checking structural designs and drawings, as well as peer reviewing.	Proof checking of the structural design. Checking the stability of existing buildings and issuing reports.	Stability report for School buildings has been issued for 29 schools – revenue generated is around 4.85 lakh INR for the year 2025.

Photo Gallery

The Centre offers engineering design consultancy work in Structural Engineering, Geotechnical Engineering, Surveying, and Water Resources Engineering. The major work carried out to date is in the structural engineering domain, wherein structural stability reports of buildings are issued based on nondestructive testing and site visits, and peer review of the structural design of buildings is done.

Centre for Virtual Reality

Address: Dristi Lab, Third Floor, AB5, MIT Campus, Manipal.
Phone Number: 9481509128
Email (Centre): hareesh.ks@manipal.edu **Email (Coordinator):** hareesh.ks@manipal.edu

Year of Establishment of the Centre: 2017
Name of the Coordinator: Dr Hareesha K S
Members:

- Dr Sampath Kumar, MIT
- Dr Adarsh Kuduva, MCODS, Manipal
- Dr Asavari, MCODS, Mangalore
- Dr Arvind Pandy, KMC
- Dr Vineetha, MCODS
- Dr Shreenidhi Bhat, SCE, MIT
- Dr Asha, SME, MIT

Brief About the Centre

Vision: To establish a multidisciplinary Centre for Virtual Reality through a collaborative initiative of KMC and MIT, Manipal.

Mission: To leverage virtual reality–enabled 3D reconstruction, animation, and simulation of human anatomy to improve medical training, enhance surgical planning, and reduce procedural errors.

Objectives

1. **To support clinicians in preoperative planning and surgical procedures** through immersive visualization and simulation tools.
2. **To develop high-fidelity 3D reconstructions and visualizations of soft tissues and organs** for accurate anatomical understanding and clinical decision-making.
3. **To design and deploy interactive virtual models within a Virtual Reality environment** for training, planning, and simulation purposes.
4. **To create and maintain a comprehensive library of virtual 3D assets and anatomical objects** to enable immersive and experiential learning for medical education.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	Offering an Open Elective for the IV Sem BTech students of MIT	Introduction to Virtual Reality and Augmented Reality	07 Jan 2026
2	Major Student Project – The V-aRise.	34 students in the project	(Ongoing)
3	Offered PhD proposal titled "Design and Development of a Computer-assisted Model for Surgical Wisdom Tooth Extraction"	In collaboration with the Oral and Maxillofacial Department, MCODS, Manipal	Awarded Nov 2025

Sl No	Name of the Activity	Particulars	Date
4	Offered PhD proposal titled "Implementation of Basic Life Support Training Module in a Health Professional setting using Virtual Reality"	MCHP student	Ongoing
5	Workshops and events organized - Introduction to unity - Course on blender	35 students participated 25 students participated	09-10 Oct 2025
6	DICOM Data visualization and interactive platform are tested.	A complete 3D Graphics Pipeline is created to support a VR environment.	
7	Hackathon organized, and 60 students were participated.	During Techtatva, 25 of our project students conducted a successful GameJam with participants from other colleges. GameJam is a five-day online game development hackathon.	08 Oct 2025
8	Journal Paper	Published in IEEE Access(Q1)

MAHE ISAC Center of Excellence for Cybersecurity

Address: Near C-wing MIT Campus, Manipal
Phone Number: 6362147342
Email (Centre): coe.cybersecurty@manipal.edu **Email (Coordinator):** srikanth.prabhu@manipal.edu

Year of Establishment of the Centre: 23 March 2022
Name of the Coordinator: Dr Srikanth Prabhu
Members:

1. Dr Akshay K C
2. Dr Rajesh Mahadeva
3. Dr Vidya Rao
4. Dr Vikas Singh
5. Dr Kishore B
6. Dr Yashwanth
7. Dr Srinivasan
8. Prof Sudhina Kumar G K

Brief About the Centre

The MAHE–ISAC Centre of Excellence (CoE) for Cybersecurity at MIT Manipal is a dedicated facility focused on advancing cybersecurity education, research, and hands-on training. The centre integrates Cyber Physical Systems (CPS), IoT–SCADA security labs, and real-time simulation platforms to provide practical exposure to emerging cyber threats and defense mechanisms. Its unique strength lies in industry-aligned curriculum, live cyber range environments, and scenario-based training modules that bridge the gap between academia and industry requirements. The CoE actively conducts bootcamps, certification programs, research initiatives, and government-supported cybersecurity awareness programs.

Vision: To become a leading academic and research hub in cybersecurity, fostering innovation, resilience, and secure digital transformation.

Mission: To deliver industry-relevant cybersecurity education, promote applied research, and build skilled professionals capable of addressing evolving cyber threats.

Objective: The objective of the MAHE–ISAC CoE for Cybersecurity is to provide hands-on, industry-aligned cybersecurity training through real-world simulation environments and live cyber range platforms.

Activities at the Centre:

Sl No	Name of the Activity	Particulars	Date
1	Evening course basics in IoT security	Every month, the first week	
2	Evening course Handson simulation	Every month, the second week	
3	Internship (1-12 month)		
4	Kambala projects		10 Mar 2025
5	Cybersecurity awareness for KRCL employees		22 Sep 2025
6	Cybersecurity awareness for NSS units I and II		07 Oct 2025
7	Offensive bootcamp		08 Mar 2025
8	Defensive bootcamp		04 Dec 2025

🔐 Cybersecurity Awareness in Action!

As part of National Cybersecurity Awareness Month (October), NSS Units I & II of Manipal Institute of Technology organized an insightful "Cyber Security Experimental Learning Programme" on 7th October 2025 at the MAHE-ISAC CoE for Cybersecurity.

The session, led by Dr.Professor Srikanth Srinivas Prabhu , gave students a hands-on experience with real-world cyber threats and security practices, enhancing their awareness and practical understanding of cybersecurity.

✨ AI meets Healthcare! ✨

An insightful session on "AI in Healthcare" was delivered by Dr. Professor Srikanth Srinivas Prabhu, Professor, School of Computer Science & Engineering, MIT, MAHE for Prasanna School of Public Health at the MAHE-ISAC CoE for Cybersecurity Centre on October 13, 2025.

The talk shed light on how Artificial Intelligence is revolutionizing healthcare — from smarter diagnostics to enhanced patient care and data-driven medical insights.

Centre for Renewable Energy (CRE)

Address: 1st Floor, Central Analytical and Instrumentation Facility (CAIF),
Manipal Institute of Technology (MIT) Campus, MAHE, Manipal
Phone Number: 6363416711
Email (Coordinator): murthy.dharmapura@manipal.edu

Year of Establishment of the Centre: 2022
Name of the Coordinator: Dr Murthy Dharmapura

Different research areas that are being addressed currently.
Team 1: Hydrogen technology and fuel cells (Dr Murthy Dharmapura and Team)
Team 2: Solar cells (Dr Suchand Sandeep and Team)
Team 3: Battery technology (Dr Manu Patel U M and Team)

Brief About the Centre
Vision: To make a transition towards sustainability by innovating alternative green energy technology for society and mitigating the negative effects of global warming.
Mission: To support interdisciplinary research activities between different centres/departments of MAHE with industries, to expedite innovations in the areas related to renewable energy and sustainability.

Objectives
- To develop materials and methods to reduce the overall cost of green hydrogen production and its utilization.
- To examine the efficiency and factors limiting the performance of alternate Li-free electrode materials for next-generation energy storage devices.
- To design cost-effective and solution-processable semiconductors to fabricate devices (solar cells, sensors, LEDs, and detectors).
- To develop materials and catalysts for carbon capture, utilization, and storage (CCUS).
- To facilitate interdisciplinary research activities related to renewable energy technology within MAHE and to train (Undergraduate (UG)/Postgraduate (PG)/ Doctoral (PhD)) students and faculty towards capacity building.

Activities at the Centre
- CRE organized the "International Conference on Advanced Functional Materials and Applications 2025" (ICAFMA 2025), from 2 to 4 January 2025 at MIT Manipal. This was a significant event aimed at internationalisation and advancing research and collaboration in the field of advanced functional materials. ICAFMA 2025 highlighted the most recent developments in physics, chemistry, and engineering of functional materials; including their applications, with a goal to catalyze innovative technological transformations. It provided a platform for researchers, academicians, students, and industry professionals to share knowledge, exchange ideas, and discuss the latest developments in advanced functional materials.
- On 3 February 2025, Professor Tom J Savenije from the Department of Chemical Engineering, Delft University of Technology (TU Delft), The Netherlands, delivered a talk titled "Metal Halide Perovskites for PV Applications" at MIT Manipal.
- On 7 February 2025, a one-day training workshop was conducted for Master of Science (MSc) Chemistry students on electrochemistry and analytical techniques at CRE, MIT Manipal.
- On 4 April 2025, the Ministry of New and Renewable Energy (MNRE) project kick-off meeting was conducted at CRE. During this event, the planning and execution of the approved project on hydrogen sensor development were discussed.
- On 22 April 2025, Researchers from Montana University, Loeben, Austria, visited the CRE and discussed for joint research activities and collaboration.
- On 26 April 2025, on the occasion of World Earth Day celebrations at MIT, Dr Murthy Dharmapura, Associate Professor, delivered a keynote address on emerging technologies and approaches in renewable energy to achieve sustainability, to a diverse audience.
- CRE hosted several dignitaries from national and international forums including the Department of Science and Technology (DST), Government of India, representatives and researchers from across the globe, for a discussion of the centre's research activities.

Awards & Recognition:
- Received a highly competitive research grant from MNRE to conduct advanced research on developing a real-time sensor to detect hydrogen

leaks. The technology developed through this grant will enable the expedition of hydrogen-based infrastructure for safer utilization at different levels in industry/transportation.

- On 9 July 2025, Dr Murthy Dharmapura, Associate Professor, participated as a member of the national Task Force on Future Ready Energy Education, IIT Delhi, New Delhi.
- On 11 September 2025, at MIT Manipal, Dr Murthy Dharmapura, Associate Professor, participated in the 1st Green Hydrogen R&D conference at New Delhi, India and presented the competency of MAHE in the renewable energy sector, particularly hydrogen technology.
- Initiated collaborations and submitted joint proposals with Mangalore Refinery Petrochemicals Ltd (MRPL) and Reliance Industries to the government for funding.

Presented our research activities related to energy to Shri. Dharmendra Pradhan, honorable Minister of Education, Govt. of India

Centre for Outdoor Studies

Address: Centre for Outdoor Studies, MIT Inside Road, Eshwar Nagar, Manipal, Karnataka, 576104
Phone Number: +91 73491 36833
Email (Centre): centreforoutdoorstudies@gmail.com **Email (Coordinator):** nayak.ganesh@manipal.edu

Year of Establishment of the Centre: November 2023
Name of the Coordinator: Ganesh Nayak
Members: Sagarika Bhatia, Alex Jaishvalli

Brief About the Centre

The Centre for Outdoor Studies (COS) represents India's pioneering approach to leadership education through the outdoors. Operating within MAHE's academic ecosystem, the Centre bridges experiential learning with research-driven outcomes and measurable student development.
COS addresses a critical gap in conventional education by cultivating leadership competencies that are difficult to develop in traditional settings: navigating ambiguity, building resilience and adaptability, practising empathy, making decisions under uncertainty, and engaging in collaborative problem solving. These are achieved through carefully structured outdoor curricula, including expeditions, field-based learning, reflective practice, and mentor-led instruction.

A defining strength of the Centre is its commitment to environmental stewardship and knowledge production. Student-led documentation, biodiversity assessment, and field research- ensure that learning extends beyond personal development to contribute substantively to environmental awareness and sustainable practice. The Centre's work aligns directly with multiple United Nations Sustainable Development Goals, particularly those concerning quality education, environmental sustainability, and leadership development.

By synthesizing academic rigour and experiential learning, the Centre for Outdoor Studies prepares students to think critically in ambiguous situations, collaborate effectively across differences, and act decisively under pressure while making tangible contributions to society and the natural environment.

Vision

To be recognized as pioneers in outdoor education in India by leveraging our natural heritage, interdisciplinary research capabilities, and dynamic population of students.

Mission

To enable positive outdoor experiences for young adults by responsibly providing opportunities in the wild to engage, evolve, and embrace change.

Objective

To cultivate a new generation of resourceful leaders by designing and delivering safe, transformative outdoor experiences that promote expertise in wilderness navigation and advocacy for its protection and conservation.

Activities at the Centre:

Sl No	Name of the Activity	Particulars	Date
1	Credit course 4318 (Adventurer 11.1 and 11.2)	A three-week structured cycling-based outdoor leadership program culminating in an expedition through the Western Ghats. Focuses on physical endurance, teamwork, navigation, risk management, ecological awareness, and sustainable outdoor practices.	11.1 18 Aug to 21 Sep 2025 11.2 22 Aug to 02 Oct 2025

Sl No	Name of the Activity	Particulars	Date
2	Payaniga 	Exploring the Western Ghats on foot. Visits to Kavaledurga Fort and Kurinjal Peak emphasized low-impact travel, landscape reading, biodiversity awareness, and group leadership. Payaniga develops adaptability, decision-making, and environmental sensitivity through immersive field experiences.	Kurinjal: 27 Aug 2025 Kavaledurga: 20 Sept 2025
3	Tide and Trail 	A sea kayaking program progressing from a river to the open ocean, covering kayaking fundamentals, paddling techniques, navigation, water rescue, and emergency procedures over three separate batches. Participants paddle through riverine backwaters, coastal waters, and open sea, building endurance, adaptability, and teamwork while learning about marine and coastal ecosystems and sustainable camping practices.	#1 10 to 12 Oct 2025 #2 17 to 19 Oct 2025 #3 22 and 23 Nov 2025 Finale: 30 Nov 2025
4	Adventurer + 	An advanced outdoor leadership program for experienced participants focused on expedition planning, mentoring, leadership under uncertainty, and heightened responsibility in risk assessment and decision-making. During the course, participants completed a cycling expedition from Asnoti to Gokarna, covering approximately 200 km with 2,400+ m of elevation gain, including a 100 km final-day ride.	15 Oct to 02 Nov 2025
5	Himalayas	High-altitude cycling expedition designed to build resilience, leadership, and adaptability in extreme environments, incorporating learning on mountain ecology, cultural sensitivity, and sustainable travel in fragile ecosystems. This year, a 20-day cycling expedition to Spiti Valley covered over 400 km with seven student participants, and included community engagement through volunteering with Spiti Ecosphere in Demul village, where participants supported the construction of check dams for local water conservation.	04 to 20 Jun 2025

Sl No	Name of the Activity	Particulars	Date
6	Ecology 	A campus-based ecological learning program focused on guided bird walks, biodiversity documentation, ethical wildlife engagement, and student-led data collection to build ecological literacy and long-term conservation awareness. During the reporting period, five bird walks engaged 50–60 students and documented 86 avian species across campus, supported by a collaborative birding ethics session with a student ecology club and expanded species records through additional field participation.	5 bird walks throughout the odd semester
7	Open Water Swimming 	An open water swimming initiative focused on endurance, risk assessment, safety protocols, and decision-making in dynamic aquatic environments. This year, COS conducted its first open water swim attempt in the Katpady backwaters, with 3 participants completing a 1.5 km swim under changing current conditions, supported by a safety kayak, contributing to foundational learning on open-water safety, environmental conditions, and program design.	06 Dec 2025
8	Adventure Documentary Film 	A collaborative effort between professionals and students team. This effort aimed at producing India's first sea kayaking documentary. Shot over three days from 29 November to 02 December in dynamic conditions off the Mattu Coast. The project is in post-production.	29 Nov to 02 Dec 2025

High Altitude Himalayan Expedition- Spiti Valley, June 2025

Ecology- MIT Campus Bird Walk

Centre for Microfluidics, Biomarkers, Photoceutics, and Sensors (μBioPS)

Address: Academic Block 2, Manipal Institute of Technology, Manipal
Phone Number: +91 8110028989
Email (Coordinator): naresh.mani@manipal.edu

Year of Establishment of the Centre: 2023
Name of the Coordinator: Dr Naresh Kumar Mani, Professor, Biotechnology, MIT
Joint Coordinators: Dr Praveen Kumar, Assistant–Selection, Biotechnology, MIT
Dr Vijendra Prabhu, Assistant–Selection, Biotechnology, MIT
Dr A S Bharath Prasad, Assistant Professor, MSLS
Dr M Mukhyaprana Prabhu, Professor and HOD, Medicine, KMC Manipal
Dr Raghavendra Upadhya, Assistant Professor, MCBR

Brief About the Centre's

Vision: To be a leader in advancing microfluidic technologies, biomarker discovery, and photoceutic innovations, revolutionizing healthcare diagnostics and therapeutics for a healthier future through interdisciplinary collaboration.

Mission: Drive cutting-edge research in microfluidics, biomarkers, and photoceutics to develop innovative, cost-effective, and accessible solutions for real-world problems. Through interdisciplinary collaboration, state-of-the-art facilities, and translational research, we aim to bridge the gap between scientific discoveries and real-world applications.

Objective: To integrate technology with healthcare, environmental, and food safety, offering a cost-effective solution in the form of an affordable, sensitive, specific, user-friendly, rapid, robust, and equipment-free prototype for the detection of analytes (biomarkers, pollutants, etc.) and pathogens, which is deliverable to end users in resource-constrained settings.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1.	MAHE–IIT Symposium and R Workshop	The symposium facilitated scientific advancement by bringing together students, researchers, faculty, and industry experts—including **Dr Jagadeesh Bayry (IIT Palakkad), Dr Debjani Paul (IIT Bombay), Dr Abhishek Choudhary (Premas Life Sciences), Dr Manjunath S (Cytiva), Dr Krishna Mohan Poluri (IIT Roorkee), Dr Umashankar Singh (IIT Gandhinagar), and Dr Shravanti Rampali (Ignite Life Science Foundation)**—to exchange innovations, foster interdisciplinary collaboration, and highlight emerging areas such as microfluidics and biomarkers in healthcare. It also served as a platform for institutional partnerships and provided participants with foundational training in R programming to strengthen core analytical skills.	21 Feb 2025
2.	27 Publications	**Dr Naresh Kumar Mani** 1. Advancements of paper-based microfluidics and organ-on-a-chip models in cosmetic hazards, **RSC Advances**. 2. 2D MXenes-based electrochemical sensors and supercapacitors for biomedical and energy storage applications – A review. 3. Recent advancements in point-of-care detection of contaminants and biomarkers in human breast milk: A comprehensive review, **Sensors and Actuators Reports**. 4. Microfluidic paper-based analytical extraction devices (μPAEDs): A cost-effective and portable solution for biomarkers, contaminants, and VOC detection, **Microchimica Acta**.	

Sl No	Name of the Activity	Particulars	Date

5. Molecular engineering of a fluorescent probe for highly efficient detection of human serum albumin in biological fluids, **Sensors International**.
6. Hair- and nail-on-chip for bioinspired microfluidic device fabrication and biomarker detection, **Critical Reviews in Analytical Chemistry**.
7. From biomarkers to biosensors: Modern approaches for the detection of matrix metalloproteinases (MMPs), **Biosensors**.
8. Highly sensitive cellulose gauze patch for the detection of morpholine coating on fruits, **Food Analytical Methods**.
9. Distance-based ratiometric assay using thread-based devices for Karaya gum detection in food samples, **Scientific Reports**.
10. Lab-on-paper for point-of-care detection of pesticides: A review, **Microchemical Journal**.
11. What's in my coffee? Do-it-yourself testing for chicory adulteration using particle trapping in stencil-based paper devices, **ACS Omega**.

Dr Praveen Kumar

1. Targeting triple-negative breast cancer: Resistance mechanisms and therapeutic advancements, **Cancer Medicine**.

Dr Vijendra Prabhu

1. Fluorescence in probing the biochemical and conformational changes in non-enzymatically glycated proteins, **Applied Spectroscopy Reviews**.
2. Streptococcus spp. in oral cancer: Host–microbe interactions, mechanistic insights, and diagnostic implications, **Frontiers in Cellular and Infection Microbiology**.

Dr Raghavendra Upadhya

1. Extracellular vesicle-mediated approaches for the diagnosis and therapy of MASLD: Current advances and future prospects, **Lipids in Health and Disease**.
2. Inflammatory priming of mesenchymal stromal cells enhances its secretome potential through secretion of anti-inflammatory and ECM-modulating factors, **Biochemical and Biophysical Research Communications**.
3. Neprilysin regulates the progression of glioblastoma: An in-vitro study using siRNA-mediated gene silencing and HDAC1-mediated upregulation in U87 MG cells, **Molecular and Cellular Biochemistry**.
4. Regulation of chronic neuroinflammation through dietary herbal products, **Frontiers in Nutrition**.
5. Role of flow cytometry in the rapid assessment of organ-specific toxicity, **Flow Cytometry: Applications in Cellular and Molecular Toxicology**.

Dr Bharath Prasad A S

1. Assessment of biocompatibility for citric acid crosslinked starch elastomeric films in cell culture applications, **Scientific Reports**.
2. Characterization of microbiome diversity unveils substantial microbial variations in mangrove soil sediments from coastal regions of Malaysia, **Access Microbiology**.

Sl No	Name of the Activity	Particulars	Date
		3. Fabrication of a disposable microextraction analytical tool for in-vitro detection of Staphylococcus bacterial pathogens using metabolite emission, **RSC Advances**. **Dr Mukhyaprana M Prabhu** 1. A rare case of quadrivalvular infective endocarditis, **Case Reports in Medicine**. 2. Assessment of burnout among healthcare practitioners in India: A survey-based nationwide study, **Journal of the Association of Physicians of India**. 3. Comparative analysis of convolutional neural network and U-Net segmentation models for Alzheimer's disease detection, **IAENG International Journal of Computer Science**. 4. Designing a meditation module to affect etiological and preventative factors in primary hypertensive patients: A pilot study, **Physiological Reports**. 5. Early detection of Alzheimer's disease progression: Comparative evaluation of deep learning models, **Scientific Reports**. 6. Therapeutic yoga: A feasible complementary approach for glycemic control in individuals with impaired fasting glucose and HbA1c, **Contemporary Clinical Trials Communications**.	
3.	Guest Lecture 	A guest lecture titled "Imaging across Scales: Catching Organelle Dynamics in Living Cells and Tissues" was organized by uBioPS in collaboration with the Manipal Centre for Biotherapeutics Research. The lecture was delivered by Dr Senthil Arumugam, EMBL Australia Group Leader and Senior Research Fellow, Monash University, Australia, on 26 September 2025, and highlighted advanced bioimaging approaches for studying organelle dynamics in living systems.	26 Sep 2025
4.	Collaboration 	The centre actively engaged in collaborative research with leading national and international institutions, including CSIR–CGCRI, IIT-ISM Dhanbad, IIT Gandhinagar, NCL Pune, CLRI Chennai, NBIS (Sweden), USM (Malaysia), and IIIT Kalyani. These collaborations resulted in joint research publications and the submission of collaborative funding proposals.	

Awards and Recognition

Sl No	Name of the Awards	Particular	Date
1.	MIT Best Researcher Award	For outstanding research performance demonstrated through high-impact publications, patents, and successful research grants.	05 Jul 2025
2.	MAHE Best Research Award-Industry Excellence	For excellence in securing and executing industry-sponsored research projects as an Associate Professor.	24 Nov 2025
3.	MAHE Research Day-Best Stall Award	For effective dissemination and presentation of research expertise and innovations.	15 Feb 2025

List of ongoing projects/research grants

Sl No	Title	Funding Agency	Name of the PI	Amount (in INR/-)	Date
1.	Development of Hygiene Products	Reckitt Benckiser	Naresh Kumar Mani	1.03 crore	2023-2026
2.	Development and Characterization of Novel Exosome Display Technology Carrying TNFR1 for the Amelioration of Systemic Inflammation in the Treatment of Multiple Sclerosis	ICMR	Raghavendra Upadhya	50.74 lakh	2025-2028
3.	Modulating Inflammation by Photoceutical Approach -Implications in Delayed Wound Repair	ICMR	Dr Vijendra Prabhu, Dr Praveen Kumar	29.16 lakh	2021-2026
4.	Label-freeAGEs fingerprinting in diabatic serum proteomea clinical study	ICMR	Dr Vijendra Prabhu	38.04 lakh	2023-2026
5.	Influence Of Bacterial Proteases In Coagulopathy Among Individuals With Sepsis	ICMR	Dr Bharath Prasad A S	58 lakh	2025-2028

Centre for Creative and Cultural Studies (CCCS)

Address: Humanities and Management Department, MIT
Phone Number: 9880168485
Email (Coordinator): unni.krishnan@manipal.edu

Year of Establishment of the Centre: 01 February 2016

Name of the Coordinator: Dr Unni Krishnan Karikkat

Brief About the Centre

Vision: To be recognized as a specialized Centre for Creative and Cultural Studies.

Mission: To excel in cultural and creative studies specialization.

Objective: To promote creative studies-centric projects, courses, and awareness with a dedicated PhD Centre.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	Centre offers niche courses as Open electives to all institutions of MAHE	3 Credit certificate courses	All semesters

Awards and Recognition

Sl No	Name of the Awards	Date
1	Post Fellowship review at Deakin University, facilitated by the Australia India Institute and the University of Melbourne (AIRSF)	2025-2026

Centre Activities

Centre offers niche courses on creative and cultural studies as open electives to the students of MIT, international students, and to all other institutions of MAHE. Listed are a few of the courses offered:

- Art Appreciation: Culture and Creativity.
- Creative Communication: Art, Media, Culture and Ideas.
- Corporate Communication and Media Management.
- Leadership, Sustainability, and Innovation: Cultural leadership.

Outreach, Awareness Campaigns, and Community Engagements of the Centre

Apart from regular activities of the Centre, such as open electives, conference presentations, and culture literacy awareness programs, our PhD scholars have taken initiatives on community engagement. Wilma Serrao is a PhD scholar of the Centre for Creative and Cultural Studies, CCCS, Humanities and Management Department, MIT, MAHE Manipal. Her PhD "A Study on the Service of Indian FM Radio Stations in the UAE for the Indian Diaspora", focuses on media and culture. Her engagement with Indian diaspora organizations and participation in media-related initiatives in the UAE provide her with unique insights into how Indian FM radio services foster cultural and social integration.

Wilma completed a prestigious fellowship at Deakin University, facilitated by the Australia India Institute and the University of Melbourne. Her research examined the role of Indian radio in promoting diaspora cohesion and cultural representation in Melbourne. The findings were later presented at MAHE-Dubai and MAHE MIT Manipal, offering valuable comparative insights into how radio services

support diaspora communities in different global contexts.

Podcast Initiative by Wilma: WeTube. WeTube, a podcast series featuring prominent radio personalities in the UAE, was launched in March 2024 and continues to date. This initiative explores trends, technological advancements, and audience engagement strategies employed by Indian FM radio stations. The podcast has become a vital component of her research, providing firsthand perspectives on how radio influences cultural and social interactions within the diaspora. It also serves as an educational tool for students and practitioners interested in understanding the evolving dynamics of media consumption in multicultural societies.

Alignment with UN Sustainable Development Goals (SDGs)

- SDG 4 (Quality Education): Courses on culture and creativity.
- SDG 3 (Good Health and Well-being): Promoting community-centric approaches for mental and social well-being through podcast and community engagement projects.
- SDG 9 (Industry, Innovation, and Infrastructure): Emphasizing advancements in media technologies through Podcast interviews and forums.
- SDG 10 (Reduced Inequalities): Highlighting cultural integration and representation for diaspora communities through Podcast programs.
- SDG 11 (Sustainable Cities and Communities): Showcasing media's role in fostering inclusive and culturally vibrant communities through Podcast programs.
- SDG 16 (Peace, Justice, and Strong Institutions): Advocating inclusive communication platforms throughout all of the Podcast programs.
- SDG 17 (Partnerships for the Goals): Promoting international collaboration in research and education through Podcast programs, conferences and media forums.

Intellectual Property Rights and Technology Transfer Office

Address: Advanced Research Centre DOR Office
Phone Number: 08202923447
Email (Centre): techtransfer.mu@manipal.edu **Email (Coordinator):** varadharajan.s@manipal.edu

Year of Establishment of the Centre: 2017
Name of the Coordinator: Dr S Varadharajan
Members: Dr Naveen Salins, Dr S Varadharajan, Dr Namdev Dhas, Ms Akshatha

Brief About the Centre

MAHE's Intellectual Property and Technology Transfer Office (IPTTO) is a one-stop institutional gateway that converts research outcomes into protected, market-ready innovations. Our key strength is end-to-end support—from invention disclosure, prior art and patentability assessment, drafting coordination, filing strategy, prosecution monitoring, and portfolio maintenance, to technology valuation, licensing, and commercialization. IPTTO is built on process discipline and compliance, ensuring inventor-friendly documentation, clear ownership, ethical safeguards, and timely decision-making aligned to institutional and national frameworks.

We offer a researcher-centric experience: rapid guidance, structured templates, awareness programs, and targeted mentoring that help faculty and students translate ideas without disrupting core academic work. IPTTO also enables industry engagement through technology scouting, partner identification, and negotiation support for MoUs, NDAs, MTAs, and licensing terms—strengthening MAHE's innovation pipeline.

With a strong focus on quality, scalability, and impact, IPTTO supports strategic patent portfolio building, improves grant-readiness and translational outcomes, and reinforces MAHE's reputation as a leading innovation-driven university.

Vision: To improve the potential for commercializing research carried out within the Manipal Academy of Higher Education system.
Mission: To support commercialization of research generated after assessing market potential, including potential for securing various forms of Intellectual Property, within Manipal Academy of Higher Education by coordinating with researchers from Health Sciences, Technology, Management and other research disciplines.

Objectives

To support researchers in acquiring various forms of Intellectual Property.
To coordinate with researchers in identifying research for potential commercialization.
To sensitize and create awareness among various stakeholders regarding Intellectual Property and the importance of technology transfer.
To facilitate licensing/know-how through technology transfer.

13. Aliasger Zaki, Undergraduate Student
14. Sharath S S, Undergraduate Student
15. Mukund Kedia, Undergraduate Student

Brief About the Centre

Vision

To establish innovative research in advancements of science and technology, address global challenges such as CO_2 emission, environmental pollution, and greenhouse gases, mainly focusing on CO_2 reduction using solar light and on interdisciplinary collaboration for societal betterment.

Mission

To create an environment for research on photocatalytic reduction of CO_2 for value-added fuel production using green-synthesized nanocomposites, which will help students excel in research, technology development, and skill enhancement by integrating academic excellence and instrumentation.

Objectives

1. To drive research in domains such as photocatalysis, methanol production etc., and generate transformative solutions.
2. To train and mentor researchers, students, and professionals, equipping them with advanced skills and knowledge.
3. To focus on research and innovation aligned with sustainable development goals (SDGs) to create a positive impact on the environment and society.
4. To bridge the gap between laboratory discoveries and real-world applications through the commercialisation of innovative technologies.

Activities at the Centre:

Sl No	Name of the Activity	Particulars	Date
1	Performance testing using a binary nanocomposite for photocatalytic reduction of CO_2 to fuels	Ms Dona Aristo (210903086)	Jan to Jul 2025

Sl No	Name of the Activity	Particulars	Date
2	Performance testing and kinetic modelling of a ternary nanocomposite for photocatalytic reduction of CO_2 to fuels	Ms Batchu Radhika Krishna (210903076)	Jan to Jul 2025
3	Photocatalytic reduction of CO_2 to fuels using bio-based metal organic framework nanocomposite	Mr Noel Abraham Thomas (230949006)	Jul 2024 to Jul 2025
4	Silver incorporated ZIF-8 supported on rGO for photocatalytic reduction of CO_2 to fuels	Mr Dilip Rao (220903016)	Feb to Mar 2025
5	Enhanced photocatalytic activity of Fe-NH_2-MIL-101/ZnS-Type-II heterojunction for CO_2 reduction to solar fuels	Mr Udit Madhusoodan (210903008)	Nov to Dec 2025

MAHE-ARK Centre of Excellence in Cyber Physical Systems

Address: Department of Instrumentation and Control Engineering,
Manipal Institute of Technology (MIT), Manipal.
Email (Coordinator): Santhosh.kv@manipal.edu

Year of Establishment of the Centre: 2018

Name of the Coordinator: Dr Santhosh KV

Brief About the Centre:

Vision: To establish a Cyber Physical Systems (CPS) Hub, specially designed and created to focus on the fields of interdisciplinary research and teaching by integrating embedded systems, networking and communication, sensors, real-time systems and control, as well as domain-specific knowledge to realize and solve global grand engineering challenges.

Mission: Foster curiosity, creativity, and imagination to inculcate skills such as design thinking, algorithm engineering, computational thinking, adaptive learning, physical computing, etc.

Objectives:

To provide certification programs in Certified LabVIEW Associate Developer (CLAD), Certified LabVIEW Developer (CLD) in association with National Instruments India Limited (NI).

To enhance the publication quantity and quality through academic and corporate collaborations.

To provide internships and training to the undergraduate and postgraduate students.

To establish a test rig facility for CPS components within three years of its establishment.

Centre for Climate Studies

Address: Manipal Academy of Higher Education
Email (Coordinator): anish.warrier@manipal.edu/dhanasree.j@manipal.edu

Year of Establishment of the Centre: May 2018
Name of the Coordinator: Dr Anish Kumar Warrier
Co-Coordinator: Dr Dhanasree Jayaram, Manipal Institute of Social Sciences Humanities and Arts (MISHA), MAHE

Brief About the Centre
Vision: To carry out high-resolution studies on past and modern climate and to build region-specific models.

Objectives
- To generate new data on the spatial and temporal climate variability of the Indian sub-continent.
- To develop infrastructural facilities for climate change research pertaining to observational, experimental, analytical, and modelling studies, as well as use them to impart training and develop human resources in climate sciences.
- To conduct research on socio-economic, political, and security implications of climate change in India.
- To build knowledge on the science-policy interface through co-production using a multidisciplinary methodology, aligned with India's National Mission on Strategic Knowledge for Climate Change for multi-scale climate governance.
- To spread the knowledge of climate change to the common man and to make policy makers aware of the principal issues pertaining to climate change by organizing seminars/workshops/exhibitions and generating policy-relevant reports/briefs.
- To provide inputs for India's climate diplomacy at the regional, bilateral, and multilateral levels by identifying entry points for cooperation with the foreign policy stakeholders.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	Guest Talk by Dr Girish Gopinath	The Centre for Climate Studies, in collaboration with the Centre of Excellence for Smart Coastal Sustainability, Manipal Academy of Higher Education, organized a talk titled *"Role of Geospatial Technology in Earth Sciences."* The lecture was delivered by Dr Girish Gopinath, Professor and Head, Department of Climate Variability and Aquatic Ecosystem, Kerala University of Fisheries and Ocean Studies (KUFOS), Kochi, at the MIT-KEF R&D Centre Auditorium, MIT Manipal (Fig 1).	13 Feb 2025
2	Webinar on Antarctic Science and Geopolitics: Indian Perspectives	The Centre for Climate Studies at Manipal Academy of Higher Education organized a session titled "Antarctic Science and Geopolitics: Indian Perspectives." The speakers were Dr Sulagna Chattopadhyay, President of SaGAA and Editor-in-Chief of Geography and You, and Dr Mahesh B S, Project Scientist III at the National Centre for Polar and Ocean Research Goa (Fig 2).	27 Mar 2025

Sl No	Name of the Activity	Particulars	Date
3	Guest Talk by Dr Amit Bafana	The Centre for Climate Studies, in collaboration with the Centre of Excellence for Smart Coastal Sustainability, Manipal Academy of Higher Education, organized a talk titled "Prevalence of Bioaerosols and their Health Risk Estimation at Landfill Sites in Nagpur." The lecture was delivered by Dr Amit Bafana, Senior Principal Scientist, CSIR–NEERI, Nagpur (Fig 3).	23 Oct 2025

Awards and Recognition

Sl No	Name of the Awards	Particular	Date
1	Representative for the Sustainability Researchers from Low- and Middle-Income Countries	Dr Dhanasree Jayaram, elected as representative for the Sustainability Researchers from Low- and Middle-Income Countries in the Governing Council of Future Earth, for the term of 2026 to 2028.	In Dec 2025
2	External Expert to the Departmental Research Committee (DRC)	Dr Anish Kumar Warrier has been appointed as an External Expert to the Departmental Research Committee (DRC) of the Department of Geology, Central University of Kerala, for a period of two years, effective November 2025 onwards.	Nov 2025
3	Best Presentation Award	Dr Anish Kumar Warrier, Professor of Geology and Coordinator, Centre for Climate Studies, received the Best Presenter Award (Oral) in the Faculty category at the National Conference on "Green Business and Blue Revolution: Pathways to Environmental Sustainability" held on 12 and 13 Dec 2025 at Karnatak University, P G Campus, Karwar, for his paper "Are Potential Fishing Zones Microplastic Hotspots? Insights from Water and Pony Fish (Deveximentum insidiator) in the Arabian Sea."	13 Dec 2025

Presentation at Conferences

1. Dhanasree Jayaram, Keynote Address, Session on "Contemporary Challenges and Future Trajectories", International Conference on "Global Engagements: A Historical Perspective from Ancient to Modern Times and Future Prospects," CHRIST (Deemed to be University), 13 and 14 Nov 2025.
2. Dhanasree Jayaram, Invited Expert Speaker, Consultative Workshop and Science-Policy Dialogue on Solar Radiation Modification (SRM), organized by International Science Council (ISC), World Climate Research Programme (WCRP), United Nations Environment Programme (UNEP) and the World Metrological Organization (WMO), Geneva, Switzerland, 19 and 20 May 2025.
3. Dhanasree Jayaram, Suva Dialogue on Security in the Pacific and Asia, 24 and 25 Apr 2025, hosted by Asia-Pacific Leadership Network (APLN), Suva, Fiji: an in-person Track 2 meeting to explore how the Pacific Islands and Asian states can collectively future-proof the region against shared security risks and challenges, including those arising from escalating geopolitical competition, increased militarisation, nuclear policies, and climate change.
4. Dhanasree Jayaram, Paper presentation on "Climate Change Action, Security, and Geopolitics in the Asia-Pacific Region" and Member, Scientific Committee, International Conference on Achieving Peaceful and Sustainable Futures, Network for Education and Research on Peace and Sustainability, Hiroshima University and De La Salle University, Manila, 05 to 07 Mar 2025.
5. Dhanasree Jayaram, Paper presentation, "Green Power Politics in China's Strategic Climate Engagement with the Global South," Two Day International Conference on "The Rise of China and the Maritime Global South", School of International and Area Studies, Goa University and Centre for China Analysis and Strategy (CCAS), New Delhi, on 11 and 12 Mar 2025.
6. Dhanasree Jayaram, Invited Expert Speaker, Kumbh Global Summit on Development and Sustainability, Prayagraj, Uttar Pradesh, India, 21 and 22 Feb 2025.
7. Warrier, A K, Valsan, G, Tamrakar, A, Prabhu, S, Chand, J, Vyshnav, P, and Rangel-Buitrago, N (2025). Subterranean estuaries: An overlooked route for microplastics to enter the oceans. Paper presented at the International Indian Ocean Science Conference (IIOSC-2025), 01 to 05 Dec 2025, INCOIS, Hyderabad, India.
8. Warrier, A K, Tamrakar, A, and Rangel-Buitrago, N (2025). *Are potential fishing zones microplastic hotspots? Insights from water and pony fish (Devexim entum insidiator) in the Arabian Sea*. Paper presented at the National Conference on Green Business and Blue Revolution: Pathways to Environmental Sustainability (GBES-2025), 12 and 13 Dec 2025, P G Campus, Karnatak University, Karwar, India.

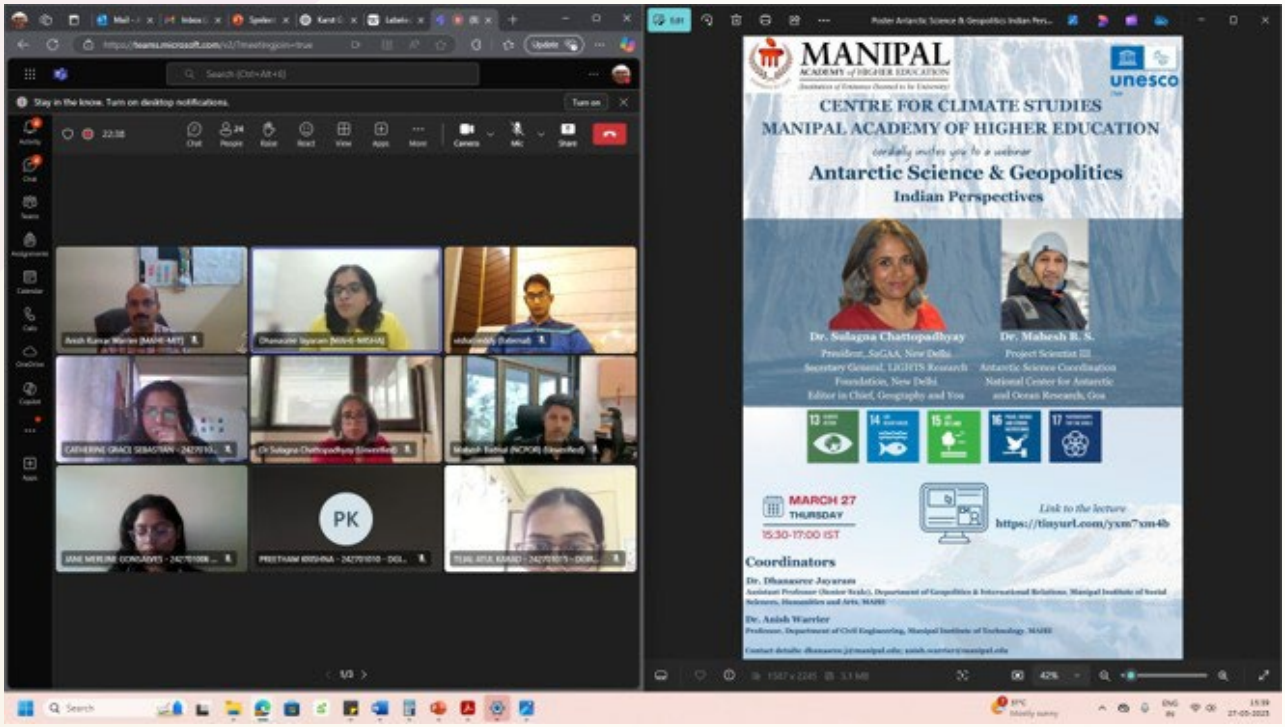
Participants with **Dr Girish Gopinath**, Professor and Head, Department of Climate Variability and Aquatic Ecosystem, Kerala University of Fisheries and Ocean Studies (KUFOS), after the invited lecture *"Role of Geospatial Technology in Earth Sciences"* held at MIT-KEF R&D Centre, Manipal, on **13 Feb 2025**.



Screenshot from the webinar *"Antarctic Science and Geopolitics: Indian Perspectives"* organised by the Centre for Climate Studies, MAHE, on **27 Mar 2025**, featuring talks by **Dr Sulagna Chattopadhyay** and **Dr Mahesh B S**, with participation from students, researchers, and faculty members.

Group photograph of students, research scholars, and faculty members following the invited lecture *"Prevalence of Bioaerosols and their Health Risk Estimation at Landfill Sites in Nagpur"* delivered by **Dr Amit Bafana**, Senior Principal Scientist, CSIR–NEERI, at the MIT-KEF R&D Centre, Manipal, on **23 Oct 2025**.

Centre of Excellence for Smart Coastal Sustainability

Address: Department of Civil Engineering, Manipal Institute of Technology (MIT), Manipal
Phone Number: +91 9448502589
Email (Coordinator): k.balakrishna@manipal.edu

Year of Establishment of the Centre: 2024
Name of the Coordinator: Dr K Balakrishna
Members: There are 31 co-coordinators in this centre.

Brief About the Centre

Vision: A developed coastal India that makes use of its resources sustainably.

Mission: Address the problems faced by the coastal population and encash on the opportunities available for development of coastal community.

Objective: To take up research projects that develop coastal towns and cities of India into clean, green, sustainable, resilient, economically vibrant, and socially inclusive habitats.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	Dr S J Desai delivered a lecture on *Spilites and Spilitic Rocks*, outlining their chemistry, mineral assemblages, and Himalayan occurrences from Pir Panjal to Kumaon. He highlighted the metamorphic setting and the intriguing absence of schistosity despite multiple deformation events. Variolitic and quenched textures, along with emplacement environments, were explained using field examples. Emphasizing their understudied nature, the talk inspired interest and concluded with an engaging discussion. 	Department of Civil Engineering, Academic Block 2, MV Seminar Hall	25 Feb 2025
2	Dr Neloy Khare, Scientist-G, Ministry of Earth Sciences, Government of India, delivered a lecture on "Blue Economy: The Future of Sustainability". He emphasized capacity building in ocean sciences and the urgent need to protect marine ecosystems from anthropogenic impacts. Dr Khare highlighted the role of the blue economy in sustainable development through ocean-based renewable energy such as tidal, wave, and offshore wind. He urged academia to actively engage in marine research and conservation to support the vision of Viksit Bharat 2047. 	Department of Civil Engineering	5 Apr 2025

Sl No	Name of the Activity	Particulars	Date
3	The Centre for Smart Coastal Sustainability organised a one-day interdisciplinary field trip to St Mary's Island, Karnataka, for master's students studying Geopolitics, Security and Environmental Change. The visit enabled students to observe the island's unique columnar basalt geology and understand its origin, linked to the India–Madagascar breakup around 88 million years ago. Geological concepts such as plate tectonics, seafloor spreading, joints, and active rifting were explained through field demonstrations. Students connected these insights to geopolitical themes like territoriality, United Nations Convention on the Law of the Sea (UNCLOS), climate change, and deep-sea mining. The trip fostered meaningful exchange between geology and geopolitics, making it both educational and engaging. 		11 Oct 2025
4	Dr Jyoti Srivastava, Scientist-E at the Birbal Sahni Institute of Palaeosciences (BSIP), Lucknow, interacted with students and research scholars during her visit. She emphasized the importance of a healthy and balanced lifestyle for sustaining a successful research career in geosciences. Dr Jyoti highlighted the physical and mental demands of geoscientific work, stressing the need for fitness, resilience, and well-being alongside technical skills. She also informed students about internship and dissertation opportunities at BSIP, encouraging a strong multidisciplinary foundation. 	Department of Civil Engineering	28 Oct 2025

Awards & recognition

Centre of Excellence for E-Mobility

Address: Ground Floor AB1, Manipal Institute of Technology (MIT), Manipal.
Phone Number: 0820 2925121
Email (Centre): officesee.mit@manipal.edu
Email (Coordinator): adarsh.s@manipal.edu

Year of Establishment of the Centre: 2024
Name of the Coordinator: Dr Adarsh S

Members

- Mentors
- Dr Jayalakshmi N S—Professor, Department of Electrical and Electronics Engineering, MIT Manipal.
- Dr Satish Shenoy B—Professor, Department of Aero and Auto Engineering, MIT Manipal.

Members

- Dr ASS Veerendra Babu—Associate Professor, School of Electrical Engineering, MIT Manipal.
- Dr Mahesh G T—Professor, School of Mechanical Engineering, MIT Manipal.
- Dr Vijay Babu K—Associate Professor, School of Mechanical Engineering, MIT Manipal.

Brief About the Centre

Vision: To lead sustainable e-mobility innovation by advancing clean technologies, intelligent systems, and global impact for a resilient future.

Mission: To advance e-mobility through research, education, innovation, and industry collaboration; delivering sustainable solutions for present and future generations.

Objectives

1) To establish a state-of-the-art research facility catering to young researchers and practising professionals in the e-mobility domain.
2) To identify and solve the real-time key problems in the field of e-mobility by conducting high-quality and focused research.
3) To foster innovation and train/mentor students, researchers, and automotive professionals in this field.
4) To conduct training courses and workshops to benefit students, faculty, and industry personnel.

At the intersection of **cutting-edge research and real-world application**, we are more than just an innovation hub; we are the engine driving the global transition to sustainable transport. Our Unique Selling Proposition lies in a **holistic ecosystem** that bridges the gap between academic excellence and industrial necessity. While others focus solely on technology, we prioritize **comprehensive impact** through three core pillars:

- **State-of-the-art infrastructure:** We provide a world-class research facility designed specifically to empower the next generation of "e-mobility architects"—from aspiring students to seasoned automotive professionals.
- **Problem-first research:** We do not just innovate for the sake of novelty. Our focus is on identifying and solving **real-time, high-stakes challenges** within the e-mobility sector, ensuring our solutions are both viable and immediate.
- **Knowledge multiplication:** Through aggressive industry collaboration, specialized workshops, and intensive mentoring, we translate complex intelligent systems into accessible, scalable expertise.

By integrating **sustainable clean technologies** with a dedicated talent pipeline, we deliver a resilient future for e-mobility. We are not just predicting the future of transport; we are building the tools and training the people to lead it.

Brief About the Centre

The Centre aims to establish itself as a leading hub for Aerospace Science and Technology, leveraging state-of-the-art research and educational facilities. Its mission encompasses advancing experimental aerodynamics, computational analysis, biomimetics, space engineering, artificial intelligence (AI), and machine learning (ML) applications in aerospace. The Centre focuses on cutting-edge topics like experimental aerodynamics, high-fidelity computational techniques, and biomimetic innovations to drive transformative advancements in aerospace technology. Pioneering the use of AI and ML in aerospace applications, the Centre aims to bridge technology gaps and introduce smart, data-driven solutions to complex aerospace challenges. The Centre is equipped with top-tier research facilities, creating an optimal environment for innovation and collaboration among students, researchers, and professionals. It fosters partnerships with industry leaders and academic institutions to enable knowledge exchange and practical applications, ensuring impactful outcomes in aerospace research. The Centre's multidisciplinary approach and emphasis on space engineering promote comprehensive learning and solutions, preparing stakeholders to tackle emerging global challenges in aerospace.

Vision: To develop state-of-the-art research and educational facilities for Aerospace Science and Technology.

Mission: To establish a world-class research and educational Centre that advances Aerospace Science and Technology through innovative research, cutting-edge infrastructure, and collaborative partnerships. The Centre is dedicated to pioneering advancements in experimental aerodynamics, computational analysis, biomimetics, space engineering, and AI and ML applications in aerospace. By fostering collaboration with industry and academia, the Centre aims to bridge the gap between knowledge and practical applications, nurturing a new generation of students and professionals in the field.

Objectives

- To create a hub for advanced research in experimental aerodynamics, high-fidelity computational analysis, biomimetics, space engineering, and AI and ML in Aerospace.
- To develop a world-class research infrastructure for students and professionals.
- To foster collaborations with industry and academic partners for knowledge exchange and practical applications.

MAHE – Forbes Marshall (FM) Centre for Steam Engineering and Energy Conservation

Address: Department of Mechanical and Industrial Engineering, MIT, Manipal.
Email (Coordinator): arun.chandavar@manipal.edu

Year of Establishment of the Centre: 2025
Name of the Coordinator: Dr Arunachala U Chandavar, Professor and Head, Department of Mechanical and Industrial Engineering
Members:
Dr Madhwesh N, Associate Professor, Department of Mechanical and Industrial Engineering
Dr Shanmuga Priya S, Professor, Department of Chemical Engineering
Dr Shivashankarayya Hiremath, Associate Professor, Department of Mechatronics
Dr Sudhakar Y N, Associate Professor, Department of Chemistry

Brief About the Centre:
Vision: To emerge as a Centre of excellence in steam engineering and energy conservation by fostering industry-aligned education, research, and sustainable engineering practices.
Mission: To strengthen academic–industry collaboration with Forbes Marshall by delivering high-quality training, research, and outreach activities in steam systems, thermal engineering, and energy efficiency.

Objective: The MAHE–Forbes Marshall (FM) Centre for Steam Engineering and Energy Conservation was established to bridge the gap between academic learning and industrial practice in steam engineering. The Centre leverages Forbes Marshall's extensive industrial expertise to enhance student and faculty competency through certification courses, guest lectures, industrial visits, and collaborative activities. A key strength of the Centre lies in its focus on practical exposure, sustainability-driven engineering solutions, and alignment with global energy-efficiency goals. The Centre actively contributes to capacity building in steam systems, promotes energy conservation awareness, and supports skill development relevant to process industries. Through structured training programs, industry-led lectures, and experiential learning opportunities, the Centre aims to develop industry-ready graduates and foster long-term academic–industrial partnerships.

MAHE-NICO Centre for Nanobubble Engineering and Technology (CNET)

Address: School of Mechanical Engineering, MIT, Manipal
Phone Number: 9980032104
Email (Centre): mech@manipal.edu **Email (Coordinator):** vijay.gs@manipal.edu

Year of Establishment of Centre: 2025

Name of the Coordinator: Dr Vijay G S, Professor, School of Mechanical Engineering

Members

1. Dr Ganesha A, Associate Professor, School of Mechanical Engineering, MIT Manipal
2. Dr Girish H, Assistant Professor, School of Mechanical Engineering, MIT Manipal
3. Dr Divyashree M S, Associate Professor, School of Civil and Chemical Engineering, MIT Manipal
4. Dr Meghana Navada K, Assistant Professor, School of Basic Sciences, Humanities and Management, MIT Manipal
5. Dr Akshatha R Shetty, Assistant Professor, School of Basic Sciences, Humanities and Management, MIT Manipal
6. Dr Madhusudan Kulkarni, Assistant Professor, School of Electrical Engineering, MIT, Manipal
7. Dr Raghu Chandrashekhar, Head and Professor, Department of Pharmaceutical Biotechnology, Manipal College of Pharmaceutical Sciences, MAHE, Manipal.

Brief About the Centre

Vision: To establish a multidisciplinary research and innovation hub focused on exploring, developing, and applying nanobubble technology for sustainable engineering solutions, industry collaboration, and societal impact.

Mission: To strengthen academic–industry collaboration with Nico – Nanobubble India Co. by delivering high-quality training, research, and outreach activities in Nanobubble Engineering and Technology.

Objectives

- Identify opportunities and address challenges at both fundamental and applied levels in nanobubble generation, characterization, and engineering applications.
- Foster interdisciplinary collaboration across engineering domains to develop innovative and impactful solutions for real-world problems using nanobubble technology.
- Empower students and researchers through hands-on training, research initiatives, and knowledge exchange to promote sustainable and scalable technological advancements.

MAHE–NICO Center for Nanobubble Engineering and Technology (CNET) distinguishes itself through its strong academia–industry integration, multidisciplinary research ecosystem, and focus on translational nanobubble technologies. A key unique selling point of the Centre is its strategic collaboration with Nico–Nanobubble India Co., which enables direct access to industrial-grade nanobubble generation systems, real-world problem statements, and application-driven research outcomes. Unlike conventional research centres, CNET bridges fundamental nanobubble science with engineering-scale validation across diverse domains such as tribology, water-lubricated bearings, energy storage, construction materials, environmental remediation, biotechnology, and electrochemical sensing.

CNET fosters inter-departmental collaboration by integrating expertise from Mechanical, Civil, Chemical, Biotechnology, Electronics, and allied engineering disciplines under a single platform. The availability of dedicated nanobubble infrastructure supports hands-on training, experimental validation, and prototype development for students and researchers. Another key aspect is the centre emphasis on outcome-oriented research through structured project reviews and industry mentorship, ensuring alignment with emerging technological and industrial needs. Leadership support from Mr Amit Kapur, Director of Nico–Nanobubble India Co and an alumnus of MIT Manipal, further strengthens the centre relevance, innovation capability, and industry connect. Collectively, these attributes position MAHE–NICO CNET as a pioneering hub for sustainable, scalable, and application-focused nanobubble engineering solutions.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	Foster interdisciplinary research between departments such as Mechanical Engineering, Chemistry, Biotechnology, Civil and Electronics	Received problem statements suitable for students, research scholars and faculty members in various disciplines of engineering. Eleven project proposals received from faculty members; each project involves faculty members, students/research scholars.	Jan 2025
2.	Establish and inaugurate a MAHE-NICO Center for Nanobubble Engineering and Technology (CNET)	MAHE-NICO Center for Nanobubble Engineering and Technology (CNET) established and inaugurated	04 Aug 2025
3.	Utility of Nanobubble generator at CNET	A nanobubble generator is provided at center by Nico – Nanobubble India Co	02 Aug 2025
4.	Periodically review the progress of running projects	7 review meetings were conducted, and the latest was in Dec	30 Dec 2025
5.	Industrial visit to the NICO facility at Manipal	Coordinators and members visited the NICO facility at MAHE Bio-incubator.	Sep 2025
6.	Include a representative from Nico – Nanobubble India Co for the new curriculum design 2026 and the Industrial Advisory Committee (IAC) 	Mr Amit Kapur, Director, Nico-Nanobubble India Co, is a member of curriculum design 2026 and IAC	Jun to Dec 2025

Details of Programs Offered by the Institution:

- Bachelor of Technology (BTech) Computer Science and Engineering
- BTech Computer Science and Engineering (Artificial Intelligence)
- BTech Computer Science and Engineering (Cyber Security)
- BTech Computer Science and Engineering (Data Science)
- BTech Information Technology
- BTech Electronics and Communication Engineering
- BTech Electronics and Computer Engineering
- BTech Electronics Engineering (Very Large Scale Integration (VLSI) Design and Technology)
- BTech Robotics and Artificial Intelligence
- Master of Technology (MTech) Computer Science and Engineering
- MTech Computer Science and Engineering (Data Science)
- MTech Electronics Engineering (VLSI Design)

About the Institution/School:
The Garden City of India, Bengaluru, is now home to a new engineering institution—"Manipal Institute of Technology, Bengaluru"—the latest constituent unit of the Manipal Academy of Higher Education (MAHE). MAHE is proud to open its doors in the bustling cosmopolitan Information Technology (IT) hub of Bengaluru by establishing its new engineering campus, Manipal Institute of Technology (MIT) Bengaluru. It offers BTech programs, with approval from the All-India Council of Technical Education (AICTE), Ministry of Education, Government of India. MAHE has been recognized as a deemed-to-be university since 1993 and has been accorded the status of Institute of Eminence (IoE) by the MHRD, Government of India. MAHE is accredited with the grade of A++ by NAAC. All BTech courses at the (MIT) have excellent campus placement opportunities. You may choose from a multitude of career paths that

open after a BTech degree, and opt for a technical or managerial job, or pursue a master's degree in technology. The MIT Bengaluru now offers nine BTech programs in streams including Computer Science, Computer Science (AI), Computer Science (Cyber Security), Computer Science (Data Science), Information Technology, Electronics and Communication, Electronics and Computer Engineering, Electronics Engineering (VLSI Design and Technology), Robotics and Artificial Intelligence (AI). The Manipal Institute of Technology (MIT) Bengaluru is offering three MTech programs in Computer Science and Engineering, Computer Science and Engineering (Data Science), and Electronics Engineering (VLSI Design).

Institutional Activities/Curricular Activities
New Initiatives:

Sl No	Activity	Particulars	Date(s)
Computer Science and Engineering			
1	MTech Program in Computer engineering MTech in Data Science International Business Machines Corporation (IBM) SkillsBuild Center of Excellence Gaming and Digital twinning	The School of Computer Science has expanded its academic offerings by launching two new postgraduate programs—MTech in Computer Engineering and MTech in Data Science—during January to December 2025. These programs are designed to meet the growing demand for advanced skills in computing technologies and data-driven research. In addition, the School has established an IBM SkillsBuild Center of Excellence to provide industry-aligned training and certifications, thereby strengthening students' technical competencies and employability. A state-of-the-art Gaming and Digital Twinning Lab has also been initiated to support innovation and hands-on learning in emerging areas such as virtual environments, simulation, and interactive technologies, marking a significant step towards enhancing research and industry collaboration.	1 Jan 2025–1 Dec 2025
Electronics and Communication			
1	The Department of Electronics and Communication Engineering (ECE) launched two major academic programs in 2025 to address evolving industry needs—one at the BTech level and the other at the MTech level—BTech in Robotics and Artificial Intelligence and MTech in Electronics Engineering (VLSI Design)	The Department of ECE introduced two significant academic programs in 2025 to meet emerging industry demands. The BTech in Robotics and Artificial Intelligence aims to equip students with cutting-edge skills in intelligent systems, autonomous machines, and robotic technologies through a blend of theoretical foundations and hands-on learning. The MTech in Electronics Engineering (VLSI Design) focuses on advanced semiconductor design, chip development, and hardware optimization; preparing students for careers in the rapidly growing VLSI and microelectronics sector. Together, these programs strengthen the department's commitment to innovation, research, and industry-oriented education.	1 Jan 2025–31 Dec 2025

All Other Activities in the Department Relating to the Program/Course:

Sl No	Activity	Particulars	Date(s)
Computer Science and Engineering			
1	School of Computer Science and Engineering organized a wide range of academic, industry-oriented, innovative, and research-focused events; including seminars, workshops, conferences, hackathons, and outreach activities. These initiatives contributed significantly to enhancing student learning, strengthening industry collaboration, and fostering a culture of research and innovation. The Sustainable Development Goal (SDG) mapping for each of these events is provided below.	TURINGER 2025—Panel Discussion (17 Jan 2025); Enabled expert interaction and research-oriented discussions (SDG: 4, 9).	
		TURINGER 2025—Research Poster Presentation (19 Jan 2025);Promoted research culture and innovation among students (SDG: 4—Quality Education, 9—Industry, Innovation, and Infrastructure).	1 Jan 2025–1 Dec 2025
2		ACM India Industry Day (22 Feb 2025); Strengthened industry–academia collaboration with national ACM bodies (SDG: 8—Decent Work and Economic Growth, 9).	
3		A Primer on Digital Forensics (26 Mar 2025);Enhanced awareness of cybersecurity and investigation techniques (SDG: 4).	
4		CECAS X ACM Decoding AI (27 Mar2025); Eminent speaker session on advancements in AI (SDG: 4, 9).	
5		HackNite 2025 (29 to 30 Mar 2025); Overnight coding hackathon encouraging creativity and teamwork (SDG: 4, 9).	
6		SDG Awareness Program—"Raising Awareness on Sustainability Goals" (5 Apr 2025); Promoted	

Sl No	Activity	Particulars	Date(s)
		sustainability education and climate consciousness (SDG: 4, 13— Climate Action).	
7		Hyderabad Corporate Week (May–June 2025); Strengthened industry connect and corporate exposure (SDG: 8, 17).	
8		MILAN 2025Recruiters Meet (19 Jul 2025); Enhanced placement opportunities and industry ties (SDG: 8, 17).	
9		IndoSys 2025 Symposium (24 to 26 Jul 2025); National symposium on advanced computer systems research (SDG: 9).	
10		One day Faculty workshop on AR/VR@ LTIMindtree officefor the Faculty of School of Computer Engineering on july 7th 2025	
11		July 25thHACKSKY48-Hour Hackathon (29 to 31 Jul 2025); Encouraged innovation and problem-solving skills (SDG: 4, 9).	
12		CECAS Alumni Event (22 Aug 2025); Strengthened alumni engagement and mentoring (SDG: 17 — Partnerships for the Goals). Elephant Conservation Awareness (12 Aug 2025); Educated students on wildlife protection (SDG: 15— Life on Land).	
13		HackVerse 2025 (28 to 30 Aug 2025); AI-focused hackathon promoting technical excellence (SDG: 4, 9).	
14		HackSpace 2025 (25 to 27 Sep 2025); Provided a platform for creative coding and innovation (SDG: 9).	
15		Organized Expert talk on "Exploring Innovations in Modern AI Research Technique on 25th October 2025	
Department of Science and Humanities			
1	The Department of Science and Humanities organized a series of academic, social, and outreach activities throughout 2025, each aligned with relevant SDGs.	Throughout 2025, the Department organized a series of impactful academic, social, and outreach initiatives, each strategically aligned with relevant SDGs. **The IEEE International Conference on Next Generation Communication and Information Processing** (23 Jan 2025) facilitated research dissemination and collaboration in emerging technologies, supporting SDG 9. **Additionally, the National Science Day Celebration** (28 Feb 2025) fostered scientific curiosity and innovation among students and faculty, contributing to both SDG 4 and SDG 9. **The Two-Day Quantum Mathematics and Computing Workshop QMAC-2025** (21 Mar 2025) provided insights into quantum technologies and applications, strengthening SDG 4 and SDG 9.	1 Jan 2025–1 Dec 2025

Sl No	Activity	Particulars	Date(s)
		The International Women's Day Celebrations (7 Mar 2025) included inspiring sessions by experts on women's health, nutrition, holistic well-being, and the therapeutic role of art; thereby contributing significantly to SDG 5—Gender Equality and SDG 3—Good Health and Well-Being. The **Five-Day Workshop on Computational Fluid Modelling Using COMSOL** (16 to 20 June 2025) enhanced participants' technical skills in scientific modelling, supporting SDG 4—Quality Education and SDG 9—Industry, Innovation, and Infrastructure. **A 2-Day Workshop on Self-Mentoring** (27 Oct 2025) empowered students to strengthen their mental abilities and emotional resilience, aligning with SDG 3. The **One-Day Outreach Program at OSUMUS Lab, IISc Bengaluru** (3 Nov 2025) exposed students to advanced research in materials science and motivated them toward higher studies, contributing to SDG 4 and SDG 9. **Expert sessions such as the Invited Lecture on Linear Congruences** (18 Nov 2025) and the **talk on Electro-Kinetics** (17 Oct 2025) deepened mathematical and scientific understanding, reinforcing SDG 4. **Constitutional Day** (26 Nov 2025) aimed to sensitize students to constitutional values and civic responsibility; supporting SDG 16—Peace, Justice, and Strong Institutions.	

Details of Guest Visit (lectures, collaboration, visitors on campus)

Guest Lectures :

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
Computer Science and Engineering				
1	Mr Alok Mishra	Centre for Artificial Intelligence and Robotics (CAIR), Bengaluru	Webinar/Guest Lecture	28 Feb 2025
2	Mr Sujeet Kumar	Tata Consultancy Services, Bengaluru	Guest Lecture	26 Mar 2025
3	Dr Maja Sarevska	European university Skopje	Guest Talk on "Robustness model of Two-layer Feed Forward Neural Networks"	26 Mar 2025
4	Dr Sunil Vupalla	Data Science, Ericsson R & D Bengaluru	Guest Lecture/ Technical Talk	27 Mar 2025
5	Dhaval Patel, Hemanand Vadivel, S Harish Kumar, Vaibhav Sirohi	Codebasics	Guest Lecture/ Technical Talk	29 Mar 2025
6	Ms Shalini Kapoor	Adobe and Marketing Information Technology (IT), Chief Information Officer,	Guest Lecture	2 Apr 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
		International Business Machines (IBM) India Pvt Ltd		
7	Mr Abhilash Chakkan Thottakath	Senior Principal Engineer, Unisys Campus Connect Team, Unisys India	Guest Lecture	5 Apr 2025
8	Ms Yasha Khandelwal	Chief Executive Officer (CEO) and Cofounder , Tech4biz and SpaceX Researcher	Guest Lecture	16 Apr 2025
9	Dr Sanjeev Shrivastava	Director, Skilling Programs, AI & Robotics Technology Park (ARTPARK), Indian Institute of Science (IISc), Bengaluru	Guest Lecture	22 Apr 2025
10	Dr Maja Sarevska	Dean and Assistant Professor at European University	Guest Lecture	27 Apr 2025
11	Mr Diwakar B S	Founder of Gaja Conservation Trust	Guest Lecture	12 Aug 2025
12	Dr Debanjan Ray	Senior Software Engineer, Microsoft Discovery	Guest Lecture	23 Aug 2025
13	Ms Poornima Dhall	Lead Partner Manager, Academic Alliance—Asia–Pacific (APAC), Celonis	Guest Talk	8 Sep 2025
14	Aleem Shaikh	Microsoft	Guest Lecture	22 Sep 2025
15	Rajat Garg	Google	Guest Lecture	22 Sep 2025
16	Dr Dinesh R	Head of Artificial Intelligence, Samsung Electro-Mechanics	Guest Lecture	25 Oct 2025
Electronics and Communication				
1	Mr K S Sainarayan, Mr Krishna Patil and Mr Shourya Shukla	Marvel Semiconductor Pvt Ltd	Guest Lecture during VLSI Design Workshop	4 Aug 2025
2	Mr Shekar Jha	Analog Devices Pvt Ltd	Guest Lecture during VLSI Design Workshop	5 Aug 2025
3	Mr Ramadas M	Ventana Microsystems	Guest Lecture during VLSI Design Workshop	6 Aug 2025
4	Mr Sitaram Banda	Renesas Electronics	Guest Lecture during VLSI Design Workshop	8 Aug 2025
5	Dr Mohinder Jankiraman	Marine Electricals India Ltd	Guest Lecture during Antenna Workshop	13 Oct 2025
6	Dr Jayprakash Thakur	Intel	Guest Lecture during Antenna Workshop	13 Oct 2025
7	Mr Ajaykumar Vaidyanathan	Intel	Guest Lecture during Antenna Workshop	14 Oct 2025
8	Dr K J Binoy	IISc Bengaluru	Guest Lecture during Antenna Workshop	14 Oct 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
9	Dr V V Raghavendra Sai	Indian Institute of Technology (IIT) Madras	Guest Lecture during Antenna Workshop	15 Oct 2025
10	Dr Varun Raghunathan	IISc Bengaluru	Guest Lecture during Antenna Workshop	16 Oct 2025
11	Dr Vijay Kumar Sutrakar and Dr Ashutosh Kedar	Defence Research and Development Organization (DRDO)	Guest Lecture during Antenna Workshop	17 Oct 2025
12	Dr Gopal Chandra Shit	Jadavpur University	Invited Talk	17 Oct 2025
13	Professor Om Prakash	IIT Patana	Invited talk	18 Nov 2025
14	Mr Ramakrishnan	Texas Instruments	Guest Talk on Semiconductor Industries and Labs	26 Nov 2025

Department of Science and Humanities					
1	Data Science and Exploration in Artificial Intelligence	AgriFriend: A robust approach for crop recommendation system	Dr Rashmi S	Taylor & Francis	25 Jan 2025
2	Data Science and Exploration in Artificial Intelligence	Data Science and Exploration in Artificial Intelligence	Dr Anand Pal	Taylor & Francis	30 Jan 2025
3	Domain-Specific Bodies of Knowledge in Project Management	Chapter 15: Embodied Energy Assessment of Onsite Construction Processes of Concreting Work—Models and Validation	Dr Lairenlakpam Pinky Devi	World Scientific Connects	25 Mar 2025

Details of Research Grants:

Sl No	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)	Date(s)
Computer Science and Engineering					
1	Game based Deep Ocean Knowledge Enrichment through Virtual Reality Simulations and Mission Dives in Indian Sub-Continent Context	Tusar Kranti	Science and Engineering Research Board (SERB) Anusandhan National Research Foundation (ANRF)	7,00,000	7 Mar 2025–7 Mar 2026
2	Automation of Single Cell Image Analysis of Human Stem Cells Using Deep Learning— Based Approaches	Rashmi R	MAHE Seed Grant	7,60,000	1 Oct 2025–31 Oct 2027
Department of Science and Humanities					
1	Understanding the influence of urbanization on morphology and genetic variation in common toads of Bengaluru and surrounding areas	Dr Preeti R Raghvendra Hebba	Intramural funding from MAHE	6,00,000	1 Jun 2025–1 Jun 2028
2	Understanding Evolutionary divergence in *Nyctibatrachus* frogs of the Western Ghats, India using acoustics and Genetics	Dr Preeti R Raghvendra Hebba	ANRF, Government of India	64,40,280	17 Jun 2025–31 Jul 2028

Sl No	Project Name	Principal Investigator	Funding Agencies	Total Grants Received (INR)	Date(s)
Electronics and Communication					
1	Advanced Materials based Emerging FETs for Logic and Health Care Applications	V Bharath Sreenivasulu	ANRF–Advanced Research Grant (ARG)	6,16,620	25 Jul 2025–27 Jul 2027
2	AI-Driven Neonatal ICU Monitoring System: Enhancing Infant care Through Intelligence Automation	Aswini Kumar Samantaray	Indian Council of Medical Research (ICMR)	1,84,00,000.00	16 Oct 2025–16 Oct 2028

Patent details :

Details of Patent Filed:

Sl No	Name	Date
1	Jayita Saha—A system and method for cost-effective indoor localization-based IoT safety device	3 Jan 2025
2	Soundarya B C—A system and method for real-time detection of deepfake medical images using federated learning	4 Jun 2025
3	System and method detecting arterial blockages	23 Jun 2025
4	Capacitance level sensing system and method for precise liquid level detection	27 Jun 2025
5	Madhura K—A system and method for providing multilingual health information on women's hormonal issues	17 Jul 2025
6	Amreen Ayesha—A system and method for expiry detection and inventory management in pharmaceutical products	22 Aug 2025
7	Amreen Ayesha—A system and method for secure IoT-enabled medicine dispensing and inventory management	1 Sep 2025
8	Amreen Ayesha—A system and method for IoT wearables to enable health monitoring of street dogs	27 Sep 2025
9	Capacitive liquid-level sensor device with axially grooved squircle apertured electrodes and method thereof	6 Oct 2025
10	Tusar Kanti Mishra—System and method for manure maturity assessment and automated agricultural application	8 Oct 2025
11	Vishwas G KiniA system and method for computer vision-based sensory-motor stimulation for cerebral palsy	15 Oct 2025

Details of Patent Granted:

Sl No	Name	Date
1	Device and method for indoor air quality management	21 Feb 2025
2	Device and method for air quality enrichment inside a vehicle cabin	21 Mar 2025
3	A system and method for computer vision-based sensory-motor stimulation for cerebral palsy	2 May 2025
4	Portable blood testing system and method for analysis of multiple blood analytes	9 May 2025

Sl No	Name	Date
5	System and method for evaluating and optimizing vastu compliance of an environment	30 May 2025
6	Smart spoon device for monitoring and promoting a balanced diet	25 Jul 2025
7	Smart air purification system and method thereof	15 Aug 2025
8	Apparatus for storing and transporting biological specimens	3 Oct 2025
9	System and method for real-time determination of manure maturity and automated agricultural application	10 Oct 2025
10	Wearable protective device and method thereof	17 Oct 2025

Computer Science and Engineering			
1	Dr Lokesh Singh	Dr Lokesh Singh secured the 2nd prize in badminton in the MAHE Intra-Institute Sports Competition, demonstrating commendable skill and competitive spirit.	1 Jan 2025
2	Badminton Men Intra MAHE	The Men's Badminton Team won the gold medal in the intra-MAHE institute-level sports competition.	2 Sep 2025
3	Football Women's	The MIT Bengaluru Women's Football Team secured first place at the institute-level tournament held as part of FALAK 2025, earning a cash prize of 20,000 INR along with gold medals, and proudly showcasing outstanding talent and team spirit.	8 Oct 2025
Department of science and humanities			
1	Women's Basketball	The MIT Bengaluru Women's Basketball team delivered an exceptional performance at the Intra-MAHE Institute Level Sports Competition, proudly clinching the Gold medal. The team displayed remarkable coordination, endurance, and competitive spirit throughout the tournament, reflecting their dedication and consistent practice. This achievement highlights the growing strength of women's sports at the institute and serves as an inspiration for upcoming athletes.	3 Sep 2025
Electronics and Communication			
1	Women's Badminton	The Women's Badminton Team won the bronze medal in the intra-MAHE institute-level sports competition.	2 Sep 2025
2	Cricket Men's	The MIT Bengaluru Men's Cricket Team secured first place in the institute-level tournament conducted as part of FALAK 2025, earning a cash prize of 40,000 INR along with gold medals, and proudly demonstrating exceptional talent, teamwork, and sporting spirit.	5 Oct 2025
3	Men's Lawn Tennis	The MIT Bengaluru Men's Lawn Tennis Team displayed remarkable skill and determination at the Intra-MAHE Sports Competition securing the Gold medal. Their consistent performance and strategic play throughout the matches highlighted their sporting excellence and commitment. This outstanding achievement adds to the institute's growing stature in competitive sports and encourages greater participation among students.	22 Oct 2025

Outside University:

Sl No	Event	Details	Date(s)
1	Birla Institute of Technology and Science (BITS) Hyderabad Tournament	The MIT Bengaluru Men's Lawn Tennis Team reached the Semi-Finals. The team displayed commendable skill, strategic play, and perseverance throughout the competition, competing strongly against top players from other institutions. The MIT Bengaluru Athletics team secured Gold, Silver, and Bronze medals across multiple events. The athletes demonstrated exceptional speed, stamina, and determination throughout the track and field competitions, competing strongly against participants from various institutions. These remarkable achievements highlight the institute's growing prominence in athletics and the dedication of its students at inter-institutional sporting platforms.	6–9 Feb 2025
2	Christ Kengeri Tournament	The MIT Bengaluru Men's Table Tennis Team, representing MAHE,secured the Bronze medal. The team displayed commendable skill, agility, and determination throughout the matches, competing strongly against teams from various institutions. This achievement reflects the growing excellence of table tennis at the institute and the dedication of our students in inter-institutional competitions.	27 Feb–1 Mar 2025
3	Devadan Cup	The MIT Bengaluru Women's Basketball Team representing MAHE, secured the Gold medal. The team demonstrated outstanding teamwork, skill, and determination throughout the tournament, excelling against strong competition from other institutions. This remarkable achievement reflects the growing strength of women's basketball at the institute and inspires further participation in inter-institutional sports events.	27 Feb–1 Mar 2025
4	Reva University Tournament	The MIT Bengaluru Women's Basketball Team, representing MAHE, secured the Gold medal. The team displayed exceptional teamwork, skill, and competitive spirit throughout the matches, outperforming strong teams from other institutions. This achievement highlights the growing excellence of women's basketball at the institute and motivates continued participation in inter-institutional sports competitions.	10–12 Mar 2025
5	BITS Goa Athletics	The MIT Bengaluru Athletics Team delivered an exceptional performance and secured Gold, Silver, and Bronze medals across various events. The athletes displayed remarkable speed, endurance, and determination in track and field competitions, competing strongly against participants from multiple institutions. The MIT Bengaluru Women's Basketball Team, representing MAHE, secured the Gold medal. The team displayed outstanding coordination, skill, and determination throughout the tournament,	26–30 Mar 2025

Sl No	Event	Details	Date(s)
		competing strongly against top teams from various institutions. This remarkable achievement underscores the growing prominence of women's basketball at the institute and inspires further excellence in inter-institutional sports competitions. These outstanding achievements reflect the institute's growing excellence in athletics and highlight the dedication and talent of our students on a national platform.	
6	PES Infini'25 Tournament	The MIT Bengaluru Chess Team secured the Bronze medal. The players demonstrated excellent strategic thinking, focus, and competitive spirit throughout the matches, competing strongly against top teams from various institutions. This achievement highlights the analytical talent of our students and reinforces the institute's growing presence in inter-institutional mind-sports competitions. The MIT Bengaluru Women's Basketball Team secured the Silver medal. The team displayed excellent teamwork, skilful play, and determination throughout the competition, competing strongly against teams from various institutions. This achievement highlights the growing prominence of women's basketball at the institute and inspires students to excel in inter-institutional sports events. The MIT Bengaluru Men's Badminton Team secured the Silver medal. The team displayed commendable skill, agility, and competitive spirit throughout the championship, successfully competing against strong teams from various institutions. This achievement reflects the growing excellence of badminton at the institute and highlights the potential of our players at inter-institutional platforms.	13–17 Oct 2025
7	CSE Cup'25	The MIT Bengaluru Men's Football Team, representing MAHE, secured the Silver medal. The team demonstrated excellent teamwork, tactical skills, and resilience throughout the tournament, competing strongly against teams from various institutions. This notable achievement reflects the institute's growing prowess in football and inspires students to excel in inter-institutional sports events.	10–12 Nov 2025

Cultural Activities:

In Institution:

Sl No	Event	Details	Date
1	International Women's Day	MIT Bengaluru celebrated International Women's Day on 7 March 2025 at AB5 Auditorium, honouring women's achievements and empowerment. The event, aligned with the theme "For All Girls and Women: Right, Equality, and Empowerment," featured speeches, discussions, and cultural performances.	7 Mar 2025

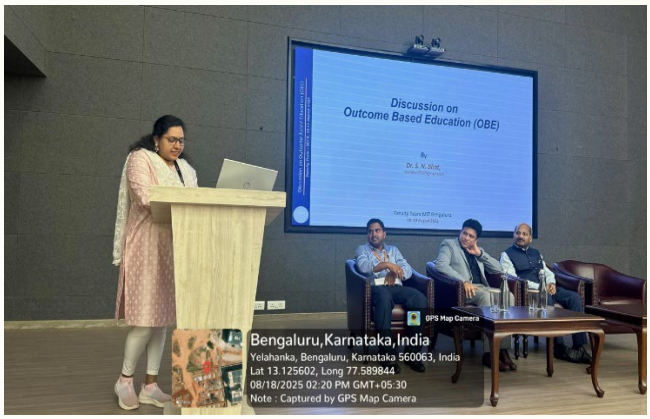
Inter Institution:

Sl No	Event	Details	Date(s)
1	RUBARU 2025	MAHE Bengaluru organized the cultural fest "RUBARU" featuring a vibrant mix of cultural and sports competitions for faculty, staff, and students. The event provided a platform for displaying talent, creativity, and team spirit across various activities, fostering engagement, camaraderie, and a lively campus atmosphere. RUBARU 2025 successfully celebrated the diverse skills and enthusiasm of the MAHE community.	19–22 Feb 2025
2	FALAK 2025	FALAK is the annual flagship Culture and Sports Fest of Manipal Institute of Technology, Bengaluru. Falak'25 was a vibrant platform that brought together creativity, talent, and sportsmanship, displaying the energy and enthusiasm of the student community. With an exciting lineup of cultural performances, competitions, and sporting events, this fest was an unforgettable celebration with various sports and cultural events including a Grand Proshow featuring prominent singer, Mohit Chauhan.	6–12 Oct 2025
3	DEEPAWALI 2025	The Cultural Coordination Committee (CCC) and Human Resources (HR) Team of MAHE Bengaluru organized vibrant Deepawali 2025 celebrations marked as "Ethnic Day". The event featured a Rangoli competition, a photography contest, student dance performances, a lively Dhol session, and departmental exhibitions, engaging both teaching and non-teaching staff. Participants celebrated in their ethnic attire, contributing creativity and enthusiasm, making the festival a joyous and memorable campus-wide occasion.	14 Oct 2025
4	Kannada Rajyotsava celebration	As part of the Kannada Rajyotsava celebrations at MIT Bengaluru, a series of engaging competitions such as Rangoli, Singing, Cooking, were organized exclusively for the faculty members. These activities provided a wonderful opportunity for faculty to display their artistic and creative talents while celebrating the cultural essence of Karnataka. The events fostered a sense of togetherness, fun, and friendly participation among the teaching fraternity, creating a lively and memorable festive atmosphere on campus.	12 Nov 2025

Photo Archive of Important events

MIT Bengaluru hosted the IEEE International Conference on "Next Generation Communication and Information Processing 2025" (INCIP 2025).

The Department of ECE–VLSI Group at MIT Bengaluru conducted a three-day workshop on "VLSI Circuit Design" from 4 to 6 August 2025.



IQAC–MIT Bengaluru organized a two-day workshop on "Outcome-Based Education 2025" (OBE 2025).

MIT Bengaluru celebrated International Women's Day on 7 March 2025.

IQAC–MIT Bengaluru organized a two-day workshop on "Philosophy of NBA and Attainment Calculation 2025".

HACKVERSE 2025 organized by school of Computer Engineering, MIT Bengaluru in association with ACM student chapter with Industry partner IBM SkillsBuild and AWS.

School of Computer Engineering, MIT Bengaluru MAHE organized Expert Talk on "Exploring Innovations in Modern AI Research Techniques" on 25 October 2025.

HackSky 2025, organized by the Department of Computer Engineering, Manipal Institute of Technology, MAHE Bengaluru, in association with MITB ACM Student Chapter.

MIT Bengaluru Team Wins First Prize at ITU FG-AINN Build-a-thon 2025.

One Day Faculty workshop on AR/VR @ LTIMindtree office for the faculty of School of Computer Engineering, MIT Bengaluru on 10 July 2025.

Centre of Excellence in Autonomous Mobility

Address: Ground Floor, AB5, MAHE Bengaluru
Email (Centre): coeam.mitblr@manipal.edu
Email (Coordinator): sravani.vemulapalli@manipal.edu

Year of Establishment of the Centre: December 2024
Name of the Coordinator: Dr V Sravani
Members: Dr Ramasamy, Dr V Sravani, Dr Ashish Sharma, Dr Sowmya R

Brief About the Centre

The Centre of Excellence in Autonomous Vehicle Technology at MIT Bengaluru marks a significant step forward in the institution's commitment to shaping the future of mobility. This state-of-the-art lab is not only a space for technological exploration but also a dynamic platform where cutting-edge ideas will thrive and potentially revolutionize the autonomous systems landscape.

Focusing on pivotal areas such as sensor technologies, algorithm development, and cybersecurity in connected vehicles, the centre is poised to drive advancements in the autonomous vehicle domain. By enhancing the capabilities of the next generation of self-driving vehicles, the lab aims to address current challenges and create new opportunities in mobility.

The centre is equipped with an impressive suite of core sensors, including

- **2D and 3D LiDARs**: These sensors provide the high-definition mapping and environmental perception necessary for autonomous navigation, ensuring vehicles can understand their surroundings with extraordinary accuracy.
- **Radars**: Essential for reliable vehicle operation in adverse weather or visibility conditions, radars contribute significantly to safety features such as collision avoidance and adaptive cruise control.
- **Ultrasonic Sensors**: Perfect for close-range applications like parking assistance, these sensors allow for precise detection of obstacles in a vehicle's immediate environment.
- **Inertial Measurement Units (IMUs)**: By measuring forces and angular rate, IMUs support the vehicle's stability and navigation, particularly in challenging environments where GPS signals may be weak or unreliable.
- **Depth-Sensing Cameras**: These cameras capture the 3D structure of the surroundings, enhancing object detection and enabling more informed decision-making for autonomous systems.
- **Monocular Cameras**: Simple but effective, these cameras serve in tasks like lane detection and traffic sign recognition, offering a cost-efficient solution for autonomous vehicle vision.

This ambitious initiative is set to position MIT Bengaluru as a global leader in advanced technology research and innovation. With a focus on impactful research and fostering strategic partnerships, the Centre is expected to unlock new avenues for progress in the evolving field of autonomous vehicles.

Vision: Excellence in autonomous mobility through research, innovation, and teamwork and fostering the next generation of leaders in autonomous systems.

Mission: To drive advancements in autonomous mobility by fostering a collaborative environment of research, innovation, and teamwork, developing groundbreaking technologies, and empowering students and professionals to lead the future of transportation.

Objectives

a) Promote Cutting-edge Research
b) Foster Industry-Academia Collaboration
c) Develop Skilled Professionals

Bio-inspired Design and Optimization Centre (BIODOC)

Address: Manipal Institute of Technology, Govindapur Village,
Yelahanka, Bengaluru
Phone Number: 9620532297
Email (Centre): biodoc.mitblr@manipal.edu **Email (Coordinator):** patil.arun@manipal.edu

Year of Establishment of the Centre: 2024

Name of the Coordinator: Dr Arun Y Patil

Members: Dr Shrirang A Kulkarni, Dr Tusar Kanti Mishra, Dr Rajshekhar Choudhari, Dr Deepa Prabhu, Dr Roshan Martis, Dr Sanjukta Ghosh (SMI), Dr Manasa Nune (MIRM), Dr Abhilash Tilak, Dr Jayalaxmi Hanni, Dr Sumit Kumar and Dr Jyothi Prasanna (MIRM)

Brief About the Centre

Vision: To be a world-renowned centre for bio-inspired design by fostering multidisciplinary research on cutting-edge technologies.

Mission: To advance the field of bio-inspired design towards building a dynamic ecosystem of creative and bio-inspired thinkers, scientists, technocrats, and designers.

Objectives

- Promote Nature-Inspired Innovation: Develop innovative solutions by studying and applying principles from nature to address modern challenges in engineering, technology, and sustainability.
- Advance Sustainable Development Goals (SDGs): Focus on creating technologies and practices that contribute to SDG 12 (Responsible Consumption and Production), SDG 14 (Life Below Water), and SDG 15 (Life on Land), aligning the centre's goals with global sustainability efforts.
- Create a knowledge hub: Develop an initial version of a digital library by December 2025 of proven bio-inspired designs helpful to researchers and learners.
- Develop a digital twin mechanism to verify and aid in gauging the efficiency and accuracy of existing designs or bio-inspired systems to enhance the features of our products.

Unique Selling Points

The BIODOC Centre stands out as a transdisciplinary bio-inspired design and translation hub that seamlessly integrates engineering, life sciences, design, healthcare, and agriculture to deliver solutions aligned with national priorities and global SDGs. Its strongest USP is the IDEA-to-POC-to-Product pipeline, operationalized through the indigenously developed PRO-SIGMA and 3PM frameworks, enabling structured innovation, TRL mapping, IP creation, and market readiness.

The centre has demonstrated exceptional research convergence and scale, with INR 26+ crore funding proposals under evaluation and ongoing high-impact projects in biomedical diagnostics, sustainable materials, mobility safety, circular economy, and agri-waste valorization. BIODOC's deep industry and institutional linkages—including IIT Ropar, Dassault Systèmes, UAS Bengaluru, and leading global universities—position it as a credible national and international collaboration node.

A defining USP is its nature-inspired problem-solving philosophy, translating biological intelligence (entomology, tissues, worms, soft systems) into deployable engineering and healthcare solutions, directly contributing to SDGs on health, sustainability, climate action, and responsible production. With strong outcomes in Q1 publications, patents, copyrights, FDPs, and curriculum innovation, BIODOC uniquely bridges research excellence, education, innovation, and societal impact within a single, scalable ecosystem.

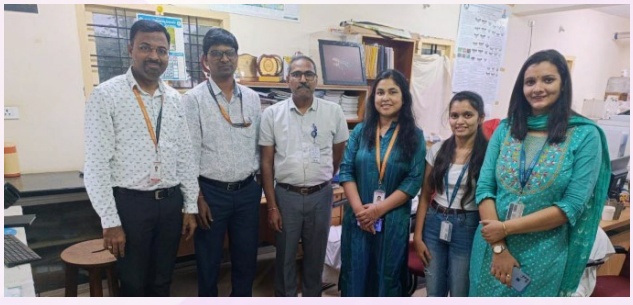
Activities at the Centre

a. The BIODOC core team collaboratively works with Prof Navin Kumar, HOD and Professor from the Department of Mechanical Engineering, IIT Ropar, Punjab, on the hard and soft tissue centre. He visited MIT-BLR on 10 June 2025 and discussed possible areas of collaboration. We have applied for ANRF-COE, ANRF-MAHA AI&SE, and AICTE-RPS funding proposals, with him covering more than INR 23 crore in 2025. Currently, all the proposals are under technical evaluation.

b. Dassault Systèmes, La Fondation CEO Dr Huzefa Salim interacted with all the faculties on upcoming CSR funding options and shared the possible collaboration areas for MIT-BLR faculty to apply for fund proposals.

c. The PRO-SIGMA workshop was conducted for more than 30 faculties of various disciplines, such as SMI, MIRM, MCHP, DOC, MLS, and DLHS to provide the IDEA 2 POC using the bio-inspired design case studies developed at BIODOC. A three-day FDP was organized and conducted by Dr Arun Y Patil along with Mr Varun Gupta and Dr Indranil Saha on 23, 30 August, and 06 of September 2025.

d. Collaboration with Dr Ganiger C Prabhu, Professor in the Department of Entomology in University of Agricultural Science, Bengaluru, with BIODOC project works established. The faculty and research scholar team visited the entomology department on 29 September 2025 to discuss the possible projects to be worked.



e. Open elective course floated to Master of Design students in Srishti Manipal Institute on Bio-inspired

Design from BIODOC with the support of Dr Ganiger C Prabhu, Professor in the Department of Entomology, University of Agricultural Science, Bengaluru.

Dear **Prof. Arun Patil**
This is to inform you that total **7 Master students** (*5 from Design Led Innovation and 2 from Experience Design*) have signed up for "**Bio Inspired Design**" seminar which we are going to offer in the coming **Even Semester** .

Scheduled from **09 to 27-Mar, 2026 , All days**

Credit - 4

Project Based Learning Pedagogy .

Please let me know when we can have a discussion about this .

Warm Regards
Sanjukta

f. In December 2025, MOU focusing on innovation, incubation, and research with the Indian Institute of Technology Ropar, Punjab, will be executed.

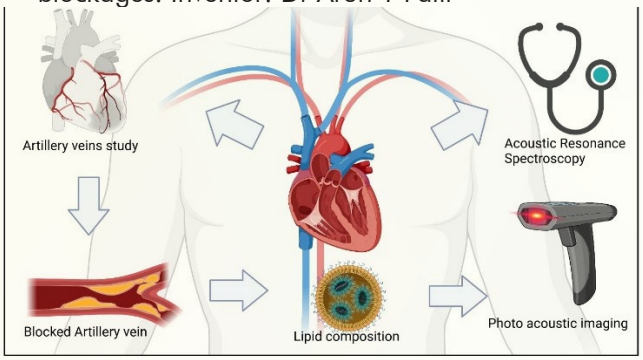
h. Patents Filed and Copyrights

1. Patent: System and method of detecting arterial blockages. Inventor: Dr Arun Y Patil



2. Copyrights (Filed:02)

a. 'Saptah Program' is for freshmen at under graduation level. Currently, the Saptah program is framed to meet the requirements of the entrepreneurship journey for students/faculty. The content initiates with identifying the problem statement, from idea generation to proof of concepts to business model development to pitch deck presentation preparation for all MAHE-BLR institutes.

b. 3PM analysis (P→Patent; P→Publication; P→Product; M→Megatrends)
It is an innovative platform for students and faculty to get engaged in their idea realization. Identifying their problem statements, feasibility of having the market traction potential are the main salient points of it. It also provides complete data pertaining to the level of your concept or proof of concept in terms of Technology Readiness Level (TRL 1-9). The platform will leverage the student/faculty to better connect to the world in terms of the unique and innovative ideas.

Any SDG-related Activities:

Currently centre is working on the following SDGs. Namely,

We have initiated collaboration with the following universities with BIODOC

a. London College of Fashion at UK - Prof Veronika Kapsil, Professor, Bio-inspired Textile Design (Fourth Best Fashion School in the world for 2025)
b. Universität of Rovira at Spain – Dr Sergio Gomez, Professor, Computer Networks and Bio-inspired Algorithms (As per QS Ranking 2025:731-740)
c. Queensland University of Technology, Australia: Dr Mohamed Shahriar, Associate Professor (Area: Biomedical device development and Engineering) (As per QS Ranking 2025:40)
d. Singapore University of Technology and Design, Singapore: Centre Head - Dr Pablo Valdivia y Alvarado, Associate Professor (Area: Bio-inspired design, soft robots and sensors) (As per QS Ranking 2025:519)
e. University of North Carolina at Charlotte, US - Erina B Joyee, PhD, Assistant Professor, Mechanical Engineering and Engineering Science (As per QS Ranking 2024:1001-1200)

6. International Projects

a. Title: Tissue Modeling and Simulation for Low-Intensity Vibration Devices

The work in progress with the Universität of Rovira in Spain by Master of Science student Mr Miguel, working on the feasibility study of the mammary gland study with respect to acoustic and harmonic responses of cells and stacking of the cells. The work is jointly handled with Prof Sergio Gomez, Professor, Computer Networks and Bio-inspired Algorithms, as shown in the figure.

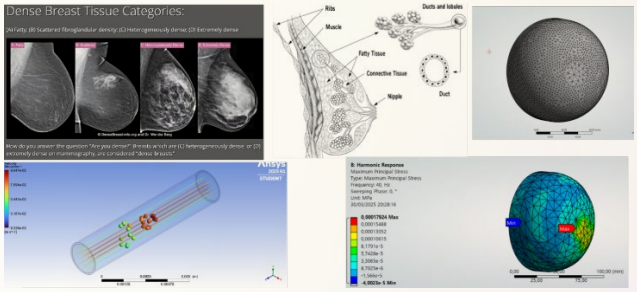

Figure 1. Mammary gland study with respect to the acoustic and harmonic responses of cells

b. Title: Biomimicking the earthworm for artificial vermi compost development

Currently, there is a limitation of biofertilizer, and the government is insisting on switching to organic farming, but the availability of biofertilizer is a constraint, as highlighted in Figure 2. Earthworms are the key promoters for biofertilizer, seeing the requirement, we are working on the biodigester to mimic the earthworm conversion process of biowaste to biofertilizers. This is in collaboration with the University of North Carolina at Charlotte,

US, Dr Erina B Joyee and UAS Bengaluru Dr Muthuraj R, Professor, Department of Microbiology.

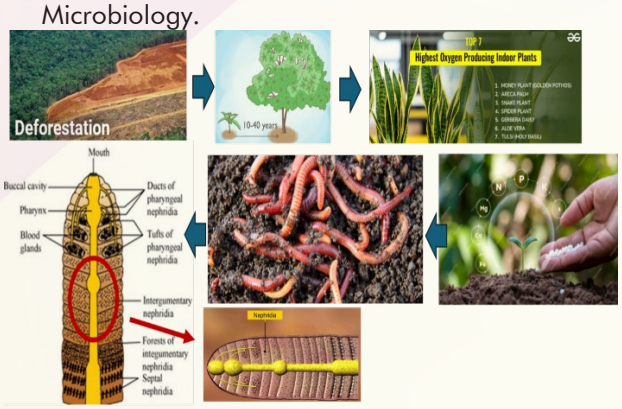

Figure 2. Biomimicking the earthworm digestive system with a biodigester

c. Title: Traffic Jam: Acoustic Noise, Air Pollution, Road Infrastructure, Traffic Violation leading to hazardous health issues

The metropolitan cities around India are heavily subjected to traffic-based congestion, leading to many issues such as acoustic noise, air pollution, road infrastructure, and traffic violations, leading to unnecessary stress and tension in the driver's daily travel routine. The whole project is to study the mental effects and stress-based problems faced by the travellers, as depicted in Figure 3. The Ministry of Road and Transportation is connected, and the data is gathered with respect to mortality and accidents.

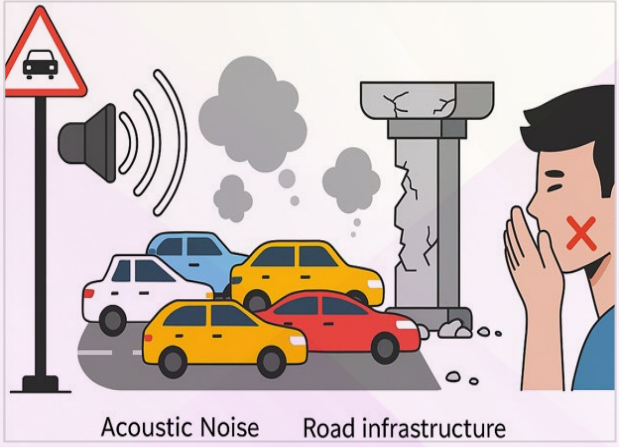

Figure 3. Traffic Jam: acoustic noise, air pollution, road infrastructure, traffic violations

d. *Title: Heart disease risk stratification calculator*

As per the data from the World Health Organization, the heart disease risk stratification score is not tabulated currently in India. Whereas in the USA, UK, and Germany, it has been in use, but the risk factors are supposed to be tabulated authentically by every hospital and testing unit. This data, as per the National Institute of Health, is not available for India. So, to initiate with one primary health centre, work on a large-scale model will be undertaken in the coming days, as shown in Figure

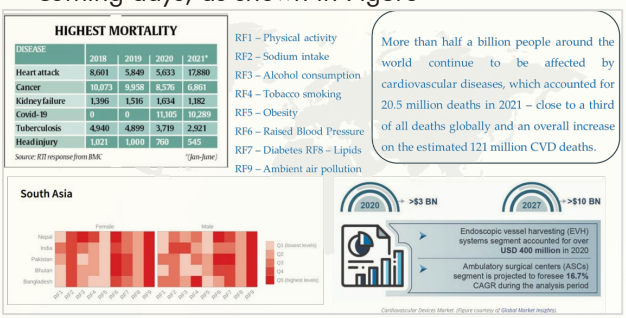

Figure 4. Heart disease risk stratification calculator

d. Title: Agricultural leftover waste to wealth-creating mission

In India, there is a huge amount of agricultural waste generated after every crop harvest. How to convert this into a useful product is the aim of the study highlighted in Figure 5. Currently, we have tied up with the University of Agricultural Science, Bengaluru, Dr Jayashree, Department of Agri Engineering.

Figure 5. Agri as waste to wealth creation

Manipal School of Architecture and Planning, Manipal

Address: Manipal School of Architecture and Planning, Survey Number 94/2, and Others, 80 Badagabettu, MIT Campus, Manipal-576104, Karnataka, India

Phone Number: 820 2924111

Email (Office): office.msap@manipal.edu **Email (Director):** kalyan.mukherjee@manipal.edu

Name of the Director: Dr Kalyan Kumar Mukherjee
Established: 1978

Details of Programs Offered by the Institution:
- Bachelor of Architecture (BArch)
- Master of Architecture (Urban Design and Development) MArch (UDD)
- MDes (Sustainable Design)
- Doctor of Philosophy (PhD)

About the Institution/School:

Manipal School of Architecture and Planning (MSAP) provide high-quality design programs in the domain of architecture in the country. Established in 1978, the school established a pioneering legacy of creative, innovative, and intellectually vibrant learning environments with a global outlook. It strives to establish academic and professional excellence in architecture and design. MSAP is an elite institution with state-of-the-art facilities and infrastructure of design studios, a computer lab employing cutting-edge technology, various supporting labs, and a library with the latest additions of architecture and technology books and journals. Dedicated and experienced faculty members encourage student-centric practices, where learning expands beyond the four walls of the classroom. Preparing students for timeless success in the profession of design is the primary goal of the academic systems at MSAP.

Institutional Activities/Curricular Activities
All Other Activities in the Department Relating to the Program/Course:

Sl No	Activity	Particulars	Date(s)
1	Site visit: Portal Frame construction near MGM College, Udupi, for BArch second year, fourth semester, for the subject: Building	Site Visit near MGM College, Udupi, for BArch second year, fourth semester. Around six faculty members and 121 students participated. The outcome of the program were to understand steel as a building material and the involved construction techniques.	09 Jan 2025

Sl No	Activity	Particulars	Date(s)
	Construction and Materials – IV. 		
2	The One Nature Animal Welfare Club 	"The One Nature Animal Welfare Club was formed under MAHE advisors: The following three students have been nominated to be in the leadership team representing the non-medical institutions, 1. Vyshnavi Narayan, Sixth Semester, A-Section BArch-General Secretary, Student Leadership Committee. 2. Ananya Banerjee and 3. V Madhurima; BArch Second Semester.	10 Jan 2025
3	National Youth Day Campaign 	Experts were 1. Dr Somashekar Bhat, Shri Kishore Alva, Dr Raviraj N S, 2. Cdr (Dr) Anil Rana, Dr Lopamudra Priyadarshini. The event started with a formal introduction to the campaign and its aims. The chief guest emphasized the significance of youth engagement in Nation-building. It was emphasized that unity, awareness, and active participation by the youth can transform society. The program concluded with a motivational call to action, encouraging every youth to take community initiatives and lead by example. The outcomes of the program were awareness spread among Manipal's youth on the importance of collective action toward a better and more sustainable world.	12 Jan 2025
4	Case study at Kinnigoli for BArch first year, second semester 	Residence case study at Kinnigoli for BArch first year, second semester for Subject Architecture Design and Detailing II, led by Ar Prajosh Kumar, ABCD Design Fundamentals, Mangalore, the students and faculties of ADD II Studio visited "Panchajanya," an award-winning residential project by Ar Prajosh Kumar. The project addresses the sustainable issues by using 100 per cent recycled wood in the whole project. Rainwater harvesting and other innovative ideas are implemented in the project. Outcomes of the Program were: 1) An opportunity to study the very well-planned and built residence. 2) Use of timber in construction. Five faculties and 30 students participated.	13 Jan 2025
5	Study Tour for BArch third year and second year at Navi Mumbai and Aurangabad 	Study Tour for BArch 3rd year, 6th semester and second year, fourth semester at Navi Mumbai. The students explored relevant case studies that contributed to their academic learning. In addition to the academic aspect, the trip was an opportunity to explore the rich cultural and historical heritage of the region. The students visited the Ajanta and Ellora Caves, gaining insights into ancient rock-cut architecture, murals, and Buddhist, Jain, and Hindu influences. The Grishneshwar Temple, one of the twelve Jyotirlingas, provided a deep understanding of temple architecture and cultural significance. The visit to Bibi Ka Maqbara, often referred to as the "Taj of the Deccan," helped students appreciate Mughal-era architectural styles. Around 61 students participated, along with three faculty members.	14 - 21 Jan 2025

Sl No	Activity	Particulars	Date(s)
6	Site study to Ananth Nagar for BArch, first year, second semester. 	Ananth Nagar is situated in Manipal, Karnataka, within Udupi Taluk. The site spans approximately 500 square meters and features a flat terrain characterized by rocky and laterite soil. Outcomes of the Program were 1) A comprehensive understanding of the location's context, including its topography, climate, and surrounding infrastructure. 2) To identify opportunities and constraints, such as natural features to integrate or challenges to address, like slope or access. 3) This analysis informs the layout, orientation, and material choices to maximize comfort and energy efficiency. 4) Overall, the study shall ensure the design aligns with the client's needs while respecting the site's unique characteristics and regulatory requirements. Students learnt about the slope, gradient measurements, wind flow on site, and the natural water features. Three faculties and 31 students participated.	15 Jan 2025
7	Study Tour/site visit to Nashik, Maharashtra for BArch second and third year, fourth and sixth semester for Subject-IV and ADD-VI. 	Nashik, one of Maharashtra's most historically and culturally rich cities, served as a field study location for students aiming to explore its heritage, traditions, and urban fabric. Outcomes of the Program were: 1) Architectural Insights: Gained a deeper understanding of Nashik's diverse architectural styles, from ancient temples to colonial-era and modern structures. 2) Observed the adaptive reuse of heritage buildings and the challenges of conservation. Cultural and Religious Understanding. 3) Understood the deep-rooted spiritual significance of Nashik and how it influences urban planning. Analyzed the relationship between religious activities and public spaces. Understood the role of markets and informal economies in shaping urban dynamics. Four faculties and 73 students participated.	15 - 21 Jan 2025
8	Site Visit 	Site Visit to Mulki, for MArch (UDD), Second Semester	15 Jan 2025
9	Site Visit 	Site Visit to Manipal Lake, Udupi for BArch, Second Semester, Section B	15 Jan 2025
10	Study Tour to Coimbatore and Madurai 	Study Tour to Coimbatore and Madurai for BArch, second year, fourth semester, and third year, sixth semester. The study tour was for a duration of seven days. The students had participated by visiting temples and palaces and a heritage walk in Coimbatore. Outcomes of the Program were: 1) To understand the varied architectural styles of Dravidian architecture and subsequently understand the development of settlements along the monuments. Three faculties and 54 students participated.	15 - 21 Jan 2025
11	Site Visit	Site Visit for BArch, Third Semester, Section C for Puttur, Santhekatte, Udupi	16 Jan 2025

19	Dr Lewlyn L R Rodrigues	Professor at the European Global Institute of Innovation and Technology, Malta, Europe	Dr Lewlyn L R Rodrigues, Professor at the European Global Institute of Innovation and Technology, Malta, Europe, conducted an expert lecture on the topic "Research as Exploration: Approaching Dissertation" at Seminar Hall, MSAP, for students BArch, fourth year, eighth semester, MArch in Urban Design and Development, and MDes in Sustainable Design. Dr Rodrigues delivered a thought-provoking and inspiring talk that encouraged students to approach research with clarity, curiosity, and intent. Outcomes of the program enabled BArch students to develop a clearer understanding of dissertation research as an exploratory and purpose-driven process. Helped students identify meaningful research questions, appropriate methodologies, and expected academic outcomes. Encouraged critical thinking, curiosity, and independent inquiry, strengthening students' preparedness for dissertation work. Contributed to building a research-oriented academic culture within the BArch program at MSAP. Around 115 out of 131 students participated.	10 Jul 2025
20	Ar Sharath Nayak	Director, Biome Environmental Solutions Pvt Ltd	Ar Sharath Nayak, Director, Biome Environmental Solutions Pvt Ltd, Bengaluru, conducted an expert lecture on the topic "Designing a Kindergarten" for BArch third semester students.	11 Jul 2025
21	Ar Pushyamithra Londhe	Senior Associate Architect, Hafeez Contractor, Mumbai	Guest lecture on "Connected by Design" at Seminar Hall for BArch fourth year, seventh semester, by Ar Pushyamithra Londhe, an associate of Hafeez Contractor, Senior Associate Architect, Mumbai, Maharashtra. This lecture will help the students of the seventh semester to understand housing as a part of ADD VII. Students developed a contextual approach to high-rise design, working within site constraints. Through case-based exercises, they mapped infrastructure needs at both site and	12 Jul 2025

			building scales. Overall, they left with a broader, more connected perspective on problem-solving. Outcomes of the program were that students learned to understand high-rises in context. They learnt mapping services' needs at the site level. With examples, try to understand services at the building level. Around 12 faculty members and 70 students participated.	
22	Mrs Prathima Manohar	Architect, Entrepreneur in Eco-tourism and Urbanist	Expert lecture for our ninth semester BArch students by Mrs Prathima Manohar, Mumbai, on the topic-Urban Public Spaces for Sustainable Tourism in Coastal Karnataka at MSAP Seminar Hall. Outcomes of the program were that Ar Pratima discussed conserving the natural coastal habitats that enhance tourism potential and Urban Public Spaces, and spoke about responsible infrastructure for sustainable tourism, focusing on the materials, vernacular architecture, and water conservation. She elaborated with examples from her own experience as a tourism and hospitality entrepreneur in Malpe and Kundapur. Around 16 faculty members and 128 students participated.	15 Jul 2025
23	Dr Ranjan Chattopadhyay	Kolkata	Expert lecture for our ninth semester BArch students by Dr Ranjan Chattopadhyay, Kolkata on the topic Urban Development.	18 Jul 2025
24	Ar Shiv Marwaha	Principal Architect and Town Planner, Shiv Marwaha and Associates	Ar Shiv Marwaha, Principal Architect and Town Planner, Shiv Marwaha and Associates (currently at Manipal), conducts an expert lecture on the topic "Design Approach to a Learning Space" for third semester BArch students.	25 Jul 2025
25	Dr Suptendu P Biswas	Partner, VSPB Associates, Chairman, SEARCH	Dr Suptendu P Biswas, Partner, VSPB Associates, Chairman, SEARCH, conducted an expert lecture on the topic "Public Space as Project: Designing for People in Contemporary Cities" for fifth year BArch, section B, students at Seminar Hall, MSAP. He presented a lecture on public spaces and project creation in urban areas. The lecture covered many facets of urban design and planning with real projects and experiences based on the same. The lecture spanned two hours, including a question and answer session, well participated by the students and faculty. The session was enriching in knowledge gained from different case studies presented. Three faculty members	26 Jul 2025

			and 50 students participated. Outcomes of the program were that students had a good understanding about practical approach and on-site issues while designing public spaces. One-to-One student-expert interaction based on the topic and studio-based queries.	
26	Ar Sanjay Mohe	Mindspace Architects, Bengaluru	Ar Sanjay Mohe, Mindspace Architects, Bengaluru, conducted an expert lecture on the topic "Learning from the Context" for third and fourth-year BArch students.	31 Jul 2025
27	Ar Anup Gadgil	Practicing architect, Urban designer, Ochre Design Group, Goa and Visiting Faculty, Department of Urban Design, Goa College of Architecture	Ar Anup Gadgil, a practicing architect, Urban Designer, Ochre Design Group, Goa and Visiting Faculty, Department of Urban Design, Goa College of Architecture for MArch (UDD) Prethesis Internal Review I & II and UDDL – I & III Internal reviews at MSAP. The works of students of MUDD was reviewed and discussed in detail in regard to the urban design thesis proposal as part of their course work – Thesis Preparation Seminar. Outcomes of the program1) Students got a critical review of their urban design thesis proposals and a way forward in terms of clarity and project definition and research. Around 10 faculty members and 12 students participated.	01 Aug 2025
28	Ar Adarsha Kapoor	Principal Urban Designer at Creative Footprints, New Delhi	Ar Adarsha Kapoor, Principal Urban Designer at Creative Footprints, New Delhi conducted expert lecture to BArch, fifth year and MArch (Urban Design and Development) students.	02 Aug 2025
29	Ar Yogish Chandra Dhara	Practicing Architect	Guest lecture: "Why Extimation and Specification Matter"– by Ar Yogish Chandra Dhara, Practicing Architect for third year, fifth semester, section A, B, C at Seminar Hall. The guest lecture provided an integrated understanding of Estimation, Specification, Tenders, and Contracts as essential components of architectural practice. The practicing architect explained how these processes collectively ensure that a design concept can be translated into a feasible, high-quality, and legally compliant built project. Students were encouraged to view these topics not as isolated subjects but as interlinked professional tools vital for project success. Outcomes of the program were that students understood the interrelationship between estimation, specification, tenders, and contracts in	14 Aug 2025

			architectural practice. They gained knowledge about cost planning and control through systematic estimation methods. Students recognized how precise specifications ensure material quality, workmanship standards, and clarity in execution. Three faculty members and 67 students participated.	
30	Ar Saparya Varma	Conservation Architect, Bengaluru	Ar Saparya Varma, Conservation Architect, Bengaluru, conducted an expert lecture on Measured Drawing for BArch third year, fifth semester, at the Seminar Hall, MSAP, MAHE. Six faculty members and 111 students participated. Outcomes of the program were that the students of the fifth semester BArch could understand and learn various tools and techniques to conduct any kind of measured drawing documentation. The lecture could also help the students to understand the value of heritage building structures in our nation and how well they need to be preserved in the long run to ensure that it is in action.	20 Aug 2025
31	Mr. Jinu Kunjumon Varghese	PhD Scholar, MIC from the MIC Department, MAHE	Guest lecture for the BArch fifth semester students as part of the Open Elective – Visual Media in Architecture (ARC 3111) on "Visual Design for Moving Images", to be delivered by Mr Jinu Kunjumon Varghese, PhD Scholar, MIC from the MIC Department, MAHE, who is also a PhD scholar for the BArch fifth semester at MSAP Seminar Hall. The lecture broadened students' understanding of interdisciplinary design thinking, encouraging them to apply visual design strategies in architectural presentations, animations, and digital storytelling. It also inspired critical thinking on the ethical use of AI in creative practices. Outcomes of the program were that students gained practical skills to critically watch films and apply visual design thinking to their own architectural and media projects. Two faculty members and 32 students participated.	21 Aug 2025
32	Er Prashant Bhanware	Director, GKSPL, New Delhi	"MDes SD - third semester, Thesis Seminar Guest Lecture by Er Prashant Bhanware (Director, GKSPL, New Delhi) for MDes SD (third semester, first semester) BArch (ADD, fifth semester)".	29 Aug 2025

		Mechanical Engineering, IIT Bhilai	Mechanical Engineering, IIT Bhilai and Er Prashant Bhanware-Consultant for Energy Efficient and Thermally Comfortable Building Design, Director, GKSPL, New Delhi for third year, fifth semester BArch and MDes SD at Seminar Hall, MSAP. Guest lecture was conducted on the current scenario of green buildings and energy performance in India, and green building case studies proved to be very insightful and helped them acquire knowledge about the current changes and opportunities in the sustainable market in India. Outcomes of the program were enhanced understanding of sustainability in the Indian Context: Students gained deep insights into the current trends, challenges, and opportunities within the Indian green building sector, helping them contextualize global sustainability practices locally. Exposure to Real-world Case Studies: Through detailed case studies, students were able to connect theoretical concepts with practical applications in architecture and sustainable building design. Around 10 faculty members and 107 students participated.	
34	Dr Srikumar Madhav Menon	Associate Professor, School of Humanities, National Institute of Advanced Studies, Indian Institute of Science Campus, Bengaluru	Guest lecture on the topic "The Folk and the Classical in Indian Monumental Architecture" at Seminar Hall for BArch, first year, first semester, by Dr Srikumar Madhav Menon, Associate Professor, School of Humanities, National Institute of Advanced Studies, Indian Institute of Science Campus, Bengaluru. The lecture is titled 'The Folk and the Classical in Indian Monumental Architecture'. It is primarily intended for the Theory of Architecture course in the first year of the BArch program for students. The guest outlined his extensive fieldwork experience in Indian architecture and spoke about the nuances and new perspectives on traditional Indian architecture. Around 10 faculty members and 139 outcomes of the program were: An understanding of Indian traditional architecture through the lens of the Theory of Architecture.	24 Sep 2025
35	Ar Anup Gadgil	Practising architect, Urban designer, Ochre Design Group, Goa and Visiting	Ar Anup Gadgil, a practising architect, Urban Designer, Ochre Design Group, Goa, and a visiting faculty at the Department of Urban Design, Goa College of Architecture, served as an external	26 Sep 2025

Brief About the Centre

Vision

- Develop a Centre of Excellence for research and learning through a socio-architectural approach, enabling sustainable endeavours for societal well-being and community welfare.

Mission

- Enable experiential learning and community engagement to encourage inclusive and sustainable design, incorporating the concept of "Social Architecture" and its practice in architectural design.
- Provide an international platform for interdisciplinary learning and collaborative research.

Objectives

- To become a nodal point towards undertaking research works on various societal issues related to rural and urban structure, health, safety, environment, basic services, and quality of life for vulnerable and minority groups, as well as capacity building of the stakeholders towards community welfare.
- To carry out the practice and policy-focused, multi-disciplinary research, and developmental community outreach activities in line with social sustainability.
- To collaborate with national and international institutes to target inter-disciplinary research addressing areas of societal concerns within the built environment.
- To build a research-based body of knowledge with all realms of the anthropological, socio-cultural, qualitative, and quantitative experimental paradigms; to support the social design process.

Received on: August 02, 2025

Accepted on: September 30, 2025

ABSTRACT

As the cities grows, the challenges to settle proper infrastructure in Tier-II cities in India also grows as most demand and focus lie on Tier-I cities. Solid waste management (SWM) services, being one of the major infrastructural concerns is mostly overlooked in many Tier-II cities in India. Though municipalities have addressed many challenges in SWM services, yet it continues to face issues related to collection, treatment and management. Financial support for SWM services is an important question that needs to be addressed in academic research. This research aims to develop effective circular economy and sustainable solid waste management strategy for Cuttack City, a Tier-II city in India. This study focuses on estimating municipal solid waste (MSW) generation, evaluating existing management systems, identifying opportunities for improvement and formulating a financial model. Primary data was gathered through household surveys to understand waste generation behaviours, segregation practices, and willingness to pay (WTP) for enhanced waste management services. Secondary data, sourced from governmental reports and prior studies, was analysed to estimate waste generation, evaluate current solid waste management practices, and propose improvements. Analysis revealed that 70% of households in Cuttack City are willing to segregate and recycle waste, and an average of 80% of household are willing to pay for daily collection, Odor free services and street cleaning. The revenue generated out of WTP can be further used for investing on transportation of waste, labour wages, composting and recycling, which in turn returns the after-sale value in marketing.

Abstract. Research indicates that colours used in learning environments can influence student performance in terms of creativity. However, the impact of different shades of classroom walls affect students' learning experience regarding creativity and willingness in a design school has not been explored in past research. This study aims to analyse the effects of various colours on students' creativity in a design school based on hue, chroma, and value attributes. The colour of the walls has a unique effect on how successfully college students perform in the classroom. This study built six virtual classrooms with red, blue, and green walls, each with two distinct values and chroma, to determine a good wall colour to encourage creativity. College students' perceptions were also gathered at the same time. According to the subjective survey, the colours green-yellow (105, 131, 130) and blue-green (48, 132, 154) on the walls had a mildly positive effect on the students. In contrast, green-yellow (114, 127, 82) and blue-green (37, 150, 190) positively impacted the student's ability to focus and desire to work. Red (196, 88, 88) and red (231, 49, 69) had a negative effect on the students. These findings highlight the potential of carefully chosen colours to enhance the learning environment and improve student outcomes in design schools.

Keywords: colours, creativity, design school, learning experience, student performance.

Impact of Indoor Fungal Growth on Building Materials in Coastal Karnataka: A Comparative Study of Traditional and Modern Construction

Muskan Ara[1] · Ipsitaa Priyadarsini Das[2] · Ramnath Nayak[3]

Received: 7 June 2025 / Accepted: 23 October 2025
© The Author(s) 2025

Abstract Fungal growth, commonly known as mould, poses a significant challenge in humid tropical climates, especially in coastal regions where moisture retention is high. This study evaluated the extent of fungal colonisation of various building materials used in traditional and modern residential structures across coastal Karnataka. Field investigations were conducted through surveys, visual inspections, and microscopic analyses in locations such as Udupi, Manipal, Kaup and Barkur. This research aimed to identify susceptible materials, characterise dominant fungal species, and assess the health impacts on occupants. In this study, a contrast was observed between modern and traditional constructions: certain materials and architectural features appeared more resistant to moisture-related deterioration. In our sample, occupant-reported symptoms (sneezing, coughing and musty odours) were more frequently reported in buildings finished with cement-based materials. This study underscores the importance of material selection and passive design strategies in mitigating fungal proliferation and promoting healthier indoor environments, while enhancing the durability of buildings in monsoon-affected coastal regions.

Introduction

Fungi such as moulds and yeasts are common in indoor environments and, under favourable conditions, may produce mycotoxins associated with certain building-related health outcomes. *Cladosporium*, *Aspergillus*, *Stachybotrys*, and *Penicillium* are among the genera most frequently associated with indoor contamination and sick building symptoms [1] [2]. Mould growth in building materials is not merely an aesthetic issue; it may pose risks to occupant health and contribute to structural and envelope deterioration [3] [4].

The primary environmental drivers of indoor fungal proliferation are moisture related: water leaks, construction defects, condensation, and high ambient humidity facilitate the colonisation of organic and inorganic substrates [5] [6] [7]. Poor ventilation and inadequate air exchange further can increase the indoor relative humidity, increasing the persistence and spread of fungal spores. Some energy-efficient buildings with insufficient ventilation have been reported to contain a relatively high prevalence of indoor fungi, such as Aspergillus and Penicillium, which have been reported to affect indoor air quality [8] [9]. However, energy efficiency and good ventilation are compatible when ventilation is explicitly designed (via MVHRV, demand- controlled systems, or well- sized operable openings).

Centre for Studies in Allied Design, Built Heritage, and Vernacular Architecture

Address: MSAP, MAHE, Manipal
Phone Number: 7799892428
Email (Centre): sadbhava@manipal.edu
Email (Coordinator): trivikram.tn@manipal.edu

Year of Establishment of the Centre: 2023
Name of the Coordinator: T N Trivikram
Previous Member: Prof M S Vidya

Brief About the Centre

Vision: To create a **Centre of Excellence** in the realm of Allied Design, Built Heritage, and Vernacular Architecture.
Mission: Heritage for All.

Objectives

- To facilitate opportunity and experience the tangible and intangible heritage by **cultural immersion** through field visits and summer schools exploring Karnataka.
- To engage in events that **impart contemporary knowledge** through workshops and online courses aligning with the vision of NEP.
- To **collaborate with statutory authorities and institutes** dealing in culture and heritage.
- To provide **advisory and consultancy services** in the fields of heritage management and conservation.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	Channapatna Toys Workshop	This workshop provided the students with insights into model making and scaling. It also helps in understanding the importance of the traditional art and crafts of India. Especially the Channapatna toys. This workshop was coordinated with Bhaasa Art Gallery, Udupi and artists and craftsmen from Channapatna.	06 Jan 2025

Event Content

Event Overview

The event highlighted both the tangible and intangible dimensions of heritage in the Udupi district. Special attention was given to the historic town of Barkur, noted for its significant built heritage. Additionally, the program showcased Kaavi art, a distinctive mural tradition indigenous to the Konkan coast, thereby foregrounding the region's intangible cultural assets.

Key Takeaways

Participants were afforded opportunities to critically observe the extent of heritage present within their surroundings, often neglected in daily life. The event underscored the necessity of appreciating and perpetuating local heritage traditions. Emphasis was

placed on the relevance of sustaining these traditions and adapting their practice within the context of contemporary, technologically oriented society.

Summary of Each Activity of the Event
Manipal School of Architecture and Planning, MAHE, Manipal, Karnataka.

Session 1
First talk:
Dr Deepika Shetty, Professor, MSAP, MAHE, Manipal.

Topic: Insights from Barkur and its Heritage.
Prof Deepika underscored the significance of the Barkur settlement, emphasizing the critical role of both its tangible heritage, evidenced through the town's evolving built environment and integration with natural features, and its continued intangible practices. The study demonstrated how Barkur's unique adaptation to its historical and environmental context over centuries has contributed to a layered and resilient heritage landscape. Moreover, Prof Deepika highlighted the ongoing vitality of local intangible cultural traditions, reinforcing their relevance alongside physical heritage in the broader discourse of sustainable urban and architectural design.

Session 2
Second Talk:
Dr Janardhana Rao Havanje, Sr Artist and Academician, Udupi.

Title: Kaavi Art/Kaavi Kale of the West Coast of India
Dr Janardha Rao Havanje emphasized the imperative of fostering a collective sense of heritage consciousness among community members. He underscored the importance of engaging students in the study of cultural heritage, encouraging them to identify adaptive strategies that bridge traditional practices with contemporary societal needs. Dr Havanje also presented the ongoing efforts of his team in the systematic identification, documentation, and preservation of Kaavi art along the Konkan coast, illustrating a proactive approach to safeguarding intangible cultural assets within the region.

Panel discussion by Dr Deepika Shetty, Dr Jagadeesh Shetty, Dr Janardhana Rao Havanje
Main points: The panel discussion focused on strategies for safeguarding heritage. Dr Jagadeesh Shetty highlighted the necessity of engaging with the factual history of a place, arguing that heritage preservation must extend beyond the built environment to include a nuanced understanding of social layers often obscured in conventional architectural history studies. Both Dr Deepika and Dr Janardha Rao underscored the vital role of youth in cultivating awareness of India's heritage, emphasizing its enduring significance for future generations.

Overall event summary
Key takeaways:
The event received positive feedback from students and participants, contributing to a broader understanding of heritage as a dynamic and living element rather than a mere remembrance of the past. It underscored the relevance of integrating heritage awareness into everyday practices and emphasized the necessity of sustaining intangible art forms. The event further highlighted the importance of revitalizing these art traditions and promoting their presence in the public domain to ensure their continued recognition and to prevent their decline into obscurity.

Center of Sustainable Built Environment

Address: Manipal School of Architecture and Planning (MSAP), MAHE, Manipal
Phone Number: +91 9652198484
Email (Centre): csbe@manipal.edu
Email (Coordinator): jain.vaibhav@manipal.edu

Year of Establishment of the Centre: 2017
Name of the Coordinator: Ar Vaibhav Jain
Members: Ar Vaibhav Jain, Dr Vipin Tandon

Brief About the Centre:
Mission:

1. To establish an interdisciplinary research and consulting facility and develop it into a centre of excellence.
2. Undertake projects related to energy-efficient planning, design, and construction practices in the built environment.
3. Establish academic industry interface in the Architecture, Engineering, and Construction (AEC) industry.

Objectives:

1. To undertake research related to energy-efficient building design, building energy simulation, building envelope optimization, thermal comfort, and renewable energy.
2. To provide consulting work in the built environment related to the building industry and real estate sector.
3. To foster innovation, such as developing tools and fabricating system prototypes for addressing existing industry requirements.

Details of the Programs Offered by the Institution

SMI offers six different academic programs with varying study durations for students at the undergraduate, postgraduate, and doctoral levels. The programs reflect the breadth of our vision. They cater to the whole spectrum and ecosystem of capabilities. We create opportunities to make a creative impact at various levels of practice through capabilities developed in the areas of law, environment and policy, media arts and sciences, education and development, and business and the humanities. The process of creative impact making is interdisciplinary and draws upon the disciplines of art, design, and technology in a synthetic manner. Our integration of conventional perspectives to sense making, problem-framing, and envisioning are complemented by new methods and approaches that are informed through the intersections of art, design, and technology.

- Bachelor of Design (BDes)—Business service and system design, Creative and Applied Computation, Creative Education, Human Centred Design, Information Arts and Information Design Practices, Spatial Design, Textile Futures, Visual Communication and Strategic Branding, Industrial Arts and Design Practices.
- Bachelor of Fine Arts (BFA)—Contemporary Art Practice, Digital Media Arts, Film.
- One-year postgraduate (PG) diploma.
- Two-year PG program in Design (Master of Design (MDes))—Design-Led Innovation Human-Centred Design, Industrial Arts and Design Practices, Information Arts and Information Design Practices.
- Two-year PG program in Arts (Master of Arts (MA))—Animation, Contemporary Art Practice, Experience Design, Filmmaking.
- Doctoral program in art, design, and transdisciplinary studies.

About the Institution/School

Our mission is to creatively impact and build new ecosystems that produce creative competencies ahead of the curve. Towards this mission, the institution entrusts itself with the role of building capabilities through its professional and vocational research programs and principles that include anticipating emerging needs and opportunities, being future-informed, challenging assumptions, uncovering hidden opportunities, nurturing proactive mindsets, developing an expanded consciousness and holistic development of individuals and communities, and honouring environmentally responsible and sustainable means to achieve our vision.

Institutional Activities/Curricular Activities

New Initiatives

Sl No	Activity	Particulars	Date(s)
1	Natural fibers and dyes	New certificate course in natural fibers and dyes (CoE)	19 Mar 2025
2	MA Comics and Graphic Literature (CGL)	The program is oriented to the Animation, Visual Effects, Gaming, and Comics sector (AVGC). Comics content can work across platforms and is often the material on which animation and gaming sectors are built. The program explores the medium of comics and graphic literature in its broadest sense.	15 Jul 2025

All Other Activities in the Department Relating to the Program/Course

Sl No	Activity	Particulars	Date(s)
1	Designing with the Peripheries 	This project explored how communities across urban alleyways, semi-urban edges, rural villages, and migratory corridors continuously redesign systems of living when formal support structures fall short. Learners investigated everyday ingenuity, sustainability, resilience, adaptability, creativity, and quiet resistance embedded in shared practices. Through a research-through-design process, students represented these systems not as anomalies, but as vital evolving practices influencing social innovation, sustainability, resilience, and alternative systems of living. Visitors experienced visual research artefacts, conceptual systems, field-inspired design proposals, community-based interventions, insights into everyday periphery ingenuity, ethnographic representations, research-driven prototypic possibilities, and design-led sustainability strategies.	26 Aug 2025–21 Dec 2025
2	Public furniture	This pre-thesis project offered three areas of engagement: furniture for compact urban spaces, public seating for the Biocon Hebbagodi Station, and furniture designed through material exploration. Students researched their chosen context and created full-size prototypes that demonstrate methodology, user research, conceptualisation, materials, and manufacturing possibilities. Visitors could see and test the built furniture ideas, touch full-scale prototypes, experience how form responds to real urban space constraints, explore material-led making processes, observe details of seating systems for a transit space, and learn how small spatial design choices influence comfort and belonging publicly.	26 Aug 2025–21 Dec 2025
3	"Prologue : Making Of New Worlds"	2-day SMI "Prologue : Making of New Worlds" PG Works Showcase (7th Semester) at Venkatappa Art Gallery.	1 Sep 2025–20 Dec 2025

Sl No	Activity	Particulars	Date(s)
4	Pre-thesis project titled "Re-shaping District Institutes of Education and Training (DIET): Empowering spaces for creative pedagogies" essentially is about spatial reimagination of DIET, which are teacher training institutes and professional development centres for teachers from government schools (elementary + secondary)	The National Education Policy (NEP) 2020 presents a comprehensive framework to transform India's education system by fostering multidisciplinary and holistic learning, critical thinking, technology integration, and vocational education. Central to realizing this vision is the community of teachers and educators, who serve as a vital link between policymakers and learners. NEP 2020 underscores the importance of teacher quality and competence, which significantly depends on the training and support they receive. DIET, conceptualized under the National Policy on Education 1986 and established in the early 1990s, was created to advance teacher professional development and indirectly support school improvement. Despite the presence of over 700 DIETs across India, many suffer from inadequate infrastructure and uninspiring learning environments, limiting their effectiveness. In recent years, Karnataka has seen significant interest in modernizing and upgrading its educational infrastructure to enhance quality and accessibility. Of the 34 DIETs in the state, many possess ample physical space, yet lack thoughtful spatial utilization. This highlights the need for a context-sensitive, sustainable, and adaptive design approach to unlock their full potential. This pre-thesis project proposed to reimagine existing DIETs as "DIETs of Excellence" through spatial interventions and infrastructural upgrades, enabling dynamic pedagogies, personalized learning, and inclusive education in alignment with the transformative goals of NEP 2020.	26 Aug 2025– 21 Dec 2025
5	Care Craft: Proactive Health by Design Today, the world is dealing with big issues like poor access to healthcare, growing social inequality, difficult work environments, and serious environmental damage. These challenges highlight the need to examine the current systems and services that tackle these issues so that areas that are underserved can be addressed.	In this project, we investigated and created designs to support the wellbeing of individuals, service providers, and communities of people who are in situations or circumstances that need more attention. We need more solutions that are flexible, fair, and strong enough to handle change. By investigating various determinants of health like physical environment, social circumstances, individual behaviours, medical care available, and workplace health and support; we uncovered underserved issues and seemingly invisible challenges. We did this by taking people's own perspective of their agency and relationship towards work, wellbeing, and health seeking behaviours. "Care" is a flexible, multifaceted practice that cab be defined in many ways—ranging from selfless love in theology, gift-like exchange in anthropology, to the dedication people bring to both paid work and parenting. Ethicists of care however emphasize that "good care" can't be defined by universal rules (like justice or rights). Instead, people constantly shape and adapt care in everyday life. "Care" is not one thing. Its meaning shifts depending on context. In this project we used the ethicist's lens of "care" to re-define and	26 Aug 2025– 21 Dec 2025

Sl No	Activity	Particulars	Date(s)
		design care in particular contexts for particular communities of people.	
6	Kidding 	This collaborative project celebrates 30 years of children's storytelling by Tulika Books. It explored how children's picture books become cultural tools for learning, empathy, imagination, and expression. Learners reinterpreted the pedagogic philosophy through storytelling, play, research, and visual curation; creating new worlds that respond to and expand its legacy. The work acted as both tribute and inquiry, inviting audiences of all ages into a public-facing ecosystem of stories that have shaped young learners over generations. Visitors saw illustrated pages, learning kits, research-inspired picture-book reinterpretations, gameful storytelling artefacts, curated story ecosystems, and public-facing visual narratives.	26 Aug 2025–21 Dec 2025
7	Designing Dignity 	This project highlighted mobility challenges faced by accident survivors, amputees, children with birth deformities, and elderly citizens. Learners explored barriers to prosthetic and orthotic access in rural and low-income urban India due to cost, stigma, imported standards, and cultural mismatch. The project proposed inclusive design approaches for modular, low-cost, locally relevant, and dignified mobility support systems inspired by Indian lifestyles, climate, movement habits, and aesthetic sensibilities. Visitors saw assistive design concepts, modular prototypes, visual research displays, orthotic and prosthetic system proposals, locally sensitive aesthetics for devices, stigma-aware narratives around mobility, adaptive prototyping frameworks, and conceptual systems that redefine movement support inclusively.	26 Aug 2025–21 Dec 2025
8	CoE Showcase 	BRIDGE was a three-day exhibition and public outreach event that highlighted ongoing interdisciplinary work at the CoE in natural fibres, biomaterials, urbanism, and select collaborative projects. The showcase also featured short workshops for design students and the public, engaging with themes of heritage practices, urban tools, and creative research methodologies.	7 Nov 2025–9 Nov 2025
9	A Space for Hope 	This project harnessed 3D animation not merely as a visual medium but as a philosophical inquiry into our interconnected lives amid global turbulence. Through Blender's digital possibilities, the project proposed a contemplative aesthetic defined by slowness, fragility, and repetition. The work does not present spectacle; instead, it presents what theorist Jill Bennett calls empathetic vision—an art practice that acknowledges suffering without collapsing into despair while making space for resilience and solidarity. The looping animation, by refusing linear closure, symbolized the persistence of life and the ongoing renewal of commitment to	26 Aug 2025–21 Dec 2025

Sl No	Activity	Particulars	Date(s)
		justice despite recurring hardship. Hope, in this context, is not abstract optimism but rather an activist gesture. It is an embodied stance toward continuity, perseverance, and care. By merging digital creativity with contemplative temporality, the project reoriented animation as more than storytelling; it becomes world-making, crafting a shared site for recognition, mourning, endurance, and forward-looking conviction.	
10	Bee My Guest 	What does urban hospitality look like when the guest is a bee? This project was an invitation to observe, craft, and co-exist with the more-than-human world. There are co-inhabitants in our cities that we often fail to notice. Honeybees are a great example of this. Wings that hum above traffic. Nests built quietly in the cracks of broken bricks and walls. Their invisible labour sustains the food we eat, the flowers we admire, and the natural cycles we rarely think about. Yet, our cities—designed for humans, by humans—forget them. This project was about creating sensitive ecosystems, micro-habitats for those we usually overlook. It was proposed to remind us that architecture can host not just humans but also shelter life. Participants were encouraged to build with natural materials, sculpt with found resources, stitch, carve, code, weave, film, record, or even grow.	24 Nov 2025–19 Dec 2025
11	Life Design: Crafting the Future Self 	In a world marked by ecological fragility, social inequity, and rapid technological shifts; how do young designers' craft meaningful lives and futures for themselves and their communities? This project invited students to approach life as a design project, treating the experience of living as design material. The act of designing in this context is framed as both a critical and creative practice. Participants engaged in hands-on processes of problem solving, prototyping, mapping, and illustrating their personal and collective futures through a series of well-researched and proven exercises from the Stanford Life Design framework —a framework developed by Bill Burnett and Dave Evans, faculty at Stanford University, cofounders of the Stanford Life Design Lab. Students created plans, visualisations, action items, reflections, and other artefacts of prototyping that act as guideposts across different aspects of their lives and at key moments in their future.	24 Nov 2025–19 Dec 2025
12	Pixels of Bangalore 	Cities are living archives of memory, identity, and transformation. Bangalore, with its complex coexistence of rural and urban landscapes, colonial and contemporary architecture, cultural forms, communities, rituals, festivals, flora, fauna, and everyday life; offers a layered site for artistic inquiry. During this project students documented and reinterpreted the city beginning with photographic images and transforming these visual references into expansive charcoal works. Much like pixels constructing an image, the drawings emerged from fragments, textures, and visual narratives, stitched together into a monumental installation that reflected the dynamic identity of Bangalore in contemporary times. The	24 Nov 2025–19 Dec 2025

Sl No	Activity	Particulars	Date(s)
		project aimed to facilitate a critical engagement with Bangalore as a cultural and spatial archive, develop students' abilities in field-based visual documentation through photography, strengthen technical and conceptual skills in large-scale charcoal drawing, and explore processes of fragmentation, layering, and narrative construction in visual art.	
13	Art for the 99% 	This project was designed for those who want to reimagine how art is created and shared. Our focus was to make art which is accessible, affordable and alive. We explored interactive art and accessibility. We addressed barriers in material through a junkyard trip and waste audit, then toured fab labs to develop prototype ideas. We constructed canvases and modular spaces from waste, designing immersive experiences with sound, light, and shadow. We focussed on production, refining aesthetics, and assembling our structures. And finally, we brought our art to life with affordable tech (Arduino) for interactivity and merged our work into a final collective showcase that was sustainable, immersive, and truly accessible to all.	24 Nov 2025–19 Dec 2025
14	Conversations with Trees 	If the trees around you had a voice, what would they say? Would they tell you stories of where they are from? Would they whine about being planted there? Or have a dark (shadowy?) sense of humour? How do we bring the science of trees alive through imaginative, narrative storytelling? How do we create opportunities for communities to become stewards of the ecology around them? This project was an interdisciplinary, immersive audio theatre project that was sensorial, participatory, and experiential. It empowered students and the campus community to co-design audio narratives to reveal the ecological roles and cultural significance of urban trees in the face of climate change. Students explored play as a design process, theatre in education, science communication, sound design, and narrative mapping. Students designed immersive audio theatre pieces; made signages, maps, and interactive touchpoints linking trees, listeners, and stories; conducted data-to-dialogue experiments translating science and sensory data into creative forms; and developed community engagement experiences (Artist—Janet Orl).	24 Nov 2025–19 Dec 2025
15	God of Small Things: a patchwork of urban coexistence 	This project explored the material and aesthetic presence of beetles, butterflies, moths, flies, ants, bees, wasps, etc., amidst rapidly "developing" urban environments. Students attempted to see these smaller beings past the unfair disdain they have been subjected to, possibly because of the popular media and grotesque depictions. The creative inquiry aimed at converging the urban human–insect engagements, by understanding and analyzing the information that emerged and then translated it into mixed media–material artefacts. Materials like textile and paper and techniques like crochet, hand-sewing, appliqué, patchwork, etc that are often equally disregarded, as the insects in the animal world will be used to build meticulous, measured and mindful visual and tactile info-narratives. The participants engaged in field work documenting urban ecologies,	24 Nov 2025–19 Dec 2025

1	HS Sudhira	Gubbi Labs	Science and Society: Taking theory to practice and practice to theory, Science Communication, Spatial data.	4 Mar 2025–5 Mar 2025
2	Dr Claire Cowie	University of Edinburgh	Dr Cowie presented a variationist analysis of "dialect" features of Indian English in commercial Bollywood films in India. Dr Claire Cowie is a sociolinguist at the University of Edinburgh, with a special interest in the effects of contact between English and other languages in India. For the past twenty years, together with students and colleagues she has worked on code-switching with English, English accents and dialects—in real life contexts in India—as well as in fiction, film, television, and other media. She is part of a research community which explores the use of Scots and Scottish English in Edinburgh. At the University of Edinburgh, she teaches Global English, corpus linguistics, History of English Language, pragmatics, and research skills. She particularly enjoys supervising dissertations on diverse media in South and South-east Asia including Bollywood, K-pop and K-drama.	1 Aug 2025
3	Arshia Sattar	SMI	In this session, Arshia Sattar introduced participants to the Sanskrit plays and its poetics, discussing some of the major ones and their narrative structures. She also discussed the major Sanskrit playwrights and their historical contexts. Arshia Sattar is a well-known mythologist, having translated the Indian epics and other Sanskrit texts, especially the Ramayana and Kathasaritsagara. She has recently published a book, Vasanta, which is a selection of abridged versions of some major Sanskrit plays. The session was from	25 Aug 2025

			10 am to 12 pm on 25th August at Rasa 204 and was open to all.	
4	Prakhyipta Akinchit	Artist	This session explored the artistic practice of Prakhyipta Akinchit through a conversation with one of his long-standing interlocutors, the Bangalore-based artist Abhishek Hazra. It traced Akinchit's attempts to inhabit the terrain of ideas and other disciplines through the inadequate modalities of an art-making that is not necessarily beholden to an artefact.	28 Aug 2025
5	Dhiren Borisa	O P Jindal Global University Law School	Dhiren Bhosia presented a lecture titled "Do You Smell the Stench of Our Stories? Dalit Queer Storytelling as Decolonial City-Making". This presentation traced Dalit queer geographies along Delhi's "Sahibi", represented officially as a river on the map but known by those living in its shadows as "Najafgarh nala"; marked by stench, untreated sewage, and the shame of caste. The speaker mapped how queerness negotiates caste-marked spaces through addresses, apps, and fleeting intimacies. Drawing on the project "Across the Nala", which used walking, urgent witnessing, storytelling, and zine-making as methods, the speaker explored how memory—what is shared and what is withheld—functions as a political archive. These stories refuse sanitized cartographies and instead produce insurgent maps that braid desire, stigma, and survival. By reading sexualness and caste not as residues but as infrastructures of urban life, their work framed them as archives of queer urbanisms—lived, fragile, and embodied. Dhiren Borisa is a Dalit queer poet and urban sexual geographer whose work explores queer and anti-caste world-making in Indian cities and diasporic spaces. He teaches Gender and Sexuality Studies at Jindal Global Law School and has held international fellowships at the University of St Andrews, the University of Sheffield, and the University of Leicester. His research combines ethnography, art, and storytelling to map how caste and sexualness shape urban life, producing archives of everyday desires through collaborative projects like, "Across the Nala", a Dalit Bahujan queer zine reimagining Delhi from its margins.	9 Sep 2025
6	Pratyush Gupta	SMI	Pratyush Gupta, a Srishti alumni, presented the journey of the making of his pop-up book, "Master of the 7 Swars", a project that came to life at Srishti in 2012. In this session, Pratyush shared his process, and demonstrated how paper, light, music and storytelling can blend into an immersive learning experience.	15 Sep 2025
7	Tanvi Chowdhary	SMI	Delivered a session titled "Telling Stories with Meaning: From Vision to Pitch". The session explored the deeper intent and purpose behind storytelling choices and examine individuality, relevance, and personal connection in one's work. Screening and discussing three Indian short films and their makers. The introspection not only strengthened one's creative voice but also enhanced the ability to pitch	25 Sep 2025

			effectively for film labs, film festivals, and university applications. Former Srishti film student, Tanvi Chowdhary, is a filmmaker whose films have travelled across the world and won her various accolades for her creative direction and narrative storytelling. She was awarded her Masters in Directing Fiction from the prestigious National Film and Television School, UK. She currently co-runs the production house, Peru and is developing her feature film, "Gulkhanah".	
8	Professor Nicolas Mathevon	University of Saint-Etienne	In his talk titled "The Voices of Nature: How and Why Animals Communicate by Sound", Professor Mathevon introduced the mysteries of animal sound. Wandering from the steamy heat of the Amazon jungle to the icy terrain of the Arctic, Mathevon revealed the amazing variety of animal vocalizations. He described how animals use sound to express emotion, to choose a mate, to mark their territory, to call for help, and much more. What may seem like random chirps, squawks, and cries are actually signals that, like our human words, allow animals to carry on conversations with others. Mathevon explained how the science of bioacoustics works to decipher the ways animals make and hear sounds, what information is encoded in these sound signals, and what this information is used for in daily life. For anybody who has wondered about the meaning behind a bird song or a mouse ultrasonic call, this talk offered a listening guide for the endlessly varied concert of nature. Professor Nicolas Mathevon, is a distinguished professor of Neurosciences and Bioacoustics at the University of Saint-Etienne, Associate Director of Studies at the Ecole Pratique des Hautes Etudes – University Paris Sciences Lettres, Senior Member of the Institut universitaire de France, Member of Academia Europaea, a former visiting Miller Professor at the University of California, Berkeley, and a former visiting professor at Hunter College, City University of New York. He is also a National Geographic Explorer and has been President of the International Bioacoustics Society. Author of over 130 scientific publications in international journals (Nature, Nature Communications, PNAS, Current Biology), Professor Mathevon has been conducting scientific research on animal acoustic communication for over thirty years. Mathevon's book "The Voices of Nature. How and Why Animals Communicate" won the prestigious top prize RR Hawkins Award together with the PROSE Award for Excellence in Biological and Life Sciences from the Association of American Publishers. It was also awarded Library Journal's Best Science and Technology Book of the Year.	30 Sep 2025
9	Dr Christoph Woiwode (PhD)	Leibniz Institute of Ecological Urban and Regional	Delivered a lecture titled 'The Relational Turn in Human-nature Relationships".	22 Sep 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
		Development (IOER)	Abstract: Human-nature relationships are manifold and complex. How humans relate to the world around them has been decisive for the kind of interactions people have with their environment. In recent years, scholars have rediscovered the notion of relationality as a desired way of how humans may connect with their fellow beings. This talk brought to the fore hitherto neglected or marginalized perspectives such as decolonialism and indigenous cosmologies that are seen as challenging or at best complimentary to the predominant positivistic, scientific lens. Core concepts of inner transformation and urban human-nature partnership are introduced and illustrated by a case study of bio-cultural heritage conservation of the *Tamirabarani* river in South India. Dr Christoph Woiwode (PhD) is currently a senior researcher at the Leibniz Institute of Ecological Urban and Regional Development (IOER) in the research area Landscape, Ecosystems and Biodiversity. Christoph was a two-time, long-term Resident Visiting Professor with the Indo-German Centre for Sustainability (IGCS) at the Indian Institute of Technology Madras (2013–2016, 2019–2024). He has accumulated over twenty-five years of experience working in India. Holding a PhD in Planning Studies from the Development Planning Unit, University of London, Christoph graduated in urban and regional planning (TU Berlin) and social anthropology (FU Berlin). Christoph has taught as a Senior Lecturer in Human Geography in the UK (2017-2019), a lecturer at the Faculty of Spatial Planning, TU Dortmund, Germany (2008-2012), and also served as a planning advisor with the German development agency GIZ in Sri Lanka (2005-2007). His cross-disciplinary research areas cover sustainable urbanisation, climate change and disaster risk mitigation, socio-cultural change and transformation to sustainability, theory and practice of urban planning and governance, development studies, India/South Asia.	
10	Mira Brunner	Queer Archive for Memory, Reflection, and Activism (QAMRA)	Delivered a talk titled "The Queer Archive and its Limits: History, Memory, and Representation". In this talk, Mira Brunner introduced the Queer Archive for Memory, Reflection, and Activism (QAMRA) and shared examples from its collections, including material from the T Jayashree Collection. She outlined QAMRA's history and political foundations, as well as its present realities and constraints, to highlight both the possibilities and the challenges of community archives. She also reflected on the intersections of her practice as an artist and archivist; and consider the epistemological limits of the archive—what it can hold, what it excludes, and how these boundaries shape our understanding of the past. Mira Brunner is an archivist at QAMRA and a visual artist by training. She has a BFA (cum laude) from Pratt Institute, New	6 Oct 2025

			York, US, and has worked in artist's archives for the better part of a decade. Her personal and professional interests intersect around ephemera, personal papers, and the cataloguing of unconventional archival items.	
11	Samina Mishra	Creative practitioner, educator, and researcher	Delivered a lecture titled "Being and Becoming: Children's Voice, Art and Education" Samina, a creative practitioner, educator and researcher, described her practice and what a project means to her, how it evolves and takes on a life of its own and permeates between different learning spaces. Based on Samina's work across disciplines as a media practitioner, writer and arts educator, the talk focused on creation, curation, and collaboration with children to enable their voice and agency as well as to create a channel of communication across the adult-child split.	29 Oct 2025
12	M S Prakash Babu	SMI	Delivered a talk titled "Visible-Invisible". M S Prakash Babu is a film director, screenwriter and visual artist, known for his work in the Kannada feature film "Attihannu Mattu Kanaja" (Fig Fruit and The Wasps), which was officially selected in the Competition and nominated for "Tiantan Award" 2015, 5th Beijing International Film Festival. He completed Post-graduation Diploma in Visual arts from Viswa Bharati University, Santiniketan, West Bengal, India. He has worked as an illustrator and Graphic designer at The Times of India, for over 17 years. Currently, he is Professor at SMI, Bengaluru, India since 2017.	29 Oct 2025
13	Ed D'Souza	Winchester School of Art, University of Southampton (UK)	Ed D'Souza is a professor of Critical Practice at Winchester School of Art, University of Southampton (UK). He is co-founder of Electronic Life Research Studio, and has recently collaborated with Tate Britain, the Alan Turing Institute AI and Arts Group and Kochi-Muziris Biennale focusing on the overlapping areas of responsible AI, cultural heritage, and social practice. His books include India's Biennale Effect (2016), Barcelona Masala: Narratives and Interactions in Cultural Space (2013), and Outside India: Dialogues and Documents of Art and Social Change (2012). His work has been exhibited widely including Bergen Kunstall 3,14 (2019), osloBIENNALEN (2019), India Habitat Centre (2019), Tate Exchange, Tate Modern (2018), and Kochi-Muziris Biennale (2014).	4 Nov 2025
14	Madan Meena	Artist	Delivered a talk titled "Textile as Identity", wherein Madan described textiles as an embodied language and how its endangerment leads to loss of identities and civilizational knowledge. Madan Meena is a practicing visual artist and a researcher working extensively with rural, nomadic, and tribal communities. He has designed two important exhibitions in western Rajasthan based on brooms and pottery. He is the recipient of various fellowships to work on the oral traditions	24 Sep 2025

			of Rajasthan, among which Tejaji Ballad is a major one documented in more than one dozen languages. He has been involved in the revival of various craft traditions among the indigenous communities. Presently, he is honorary director of the Adivasi Academy in Gujarat.	
15	Dr M H Bala Subrahmanya	Indian Institute of Science, Bengaluru	M H Bala Subrahmanya is a Professor of Economics at the Department of Management Studies, Indian Institute of Science (IISc), Bangalore. He has been serving in IISc since May 1996. He has won three prestigious fellowships in his career: Commonwealth Fellowship (2000), Japan Foundation Fellowship (2004/05), and Fulbright-Nehru senior Research Fellowship (2009/10). His field of specialization is Industrial Economics. Two of his research works were published as monographs by De Gruyter, Berlin, Germany in 2021, namely, (i) Entrepreneurial Ecosystems for Tech Start-ups in India: Evolution, Structure & Role, and (ii) Technology Business Incubators in India: Structure, Role, and Performance. Abstract: Technology entrepreneurship and entrepreneurial ecosystem for tech startups are attracting the attention of policy makers and empirical researchers alike, across the world. In India, Bengaluru has been getting increased global recognition as a tech start-up hub, and as of now, Bengaluru is the home for the largest number of tech start-ups and unicorns in the country. An important factor which has contributed to this recognition is the emergence of a unique entrepreneurial ecosystem which promotes tech startups. Given this, it is important to understand how a favourable entrepreneurial ecosystem for tech start-ups emerge in Bangalore. What are its major components? What role do these components play in different stages of the life cycle of tech start-ups? What are the lessons to learn?	26 Nov 2025

Photo Archive of Important Events

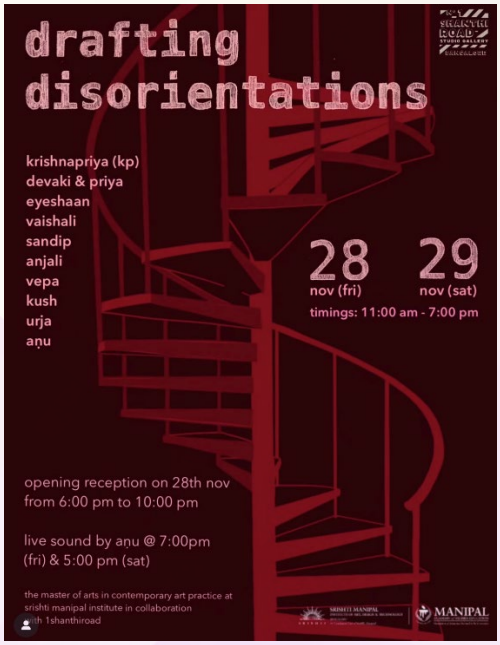
Project "Climate Compass—Finding, Framing, Futuring", inviting visitors to pause, reflect, and be inspired by the beauty and resilience of our planet, in collaboration with Godrej Archives, Mumbai.

"Prologue: Make New Worlds" is an exhibition of works by emerging designers and artists that sow the seeds for New worlds across healthcare, education, sustainability, urban development, and many other diverse creative contexts. The show with artefact, systems, and processes of seventh semester students, is divided into four zones of engagements: The Gallery, Lab, Forum, and Book; at the Venkatappa Art Gallery on 20 to 21 December 2025.

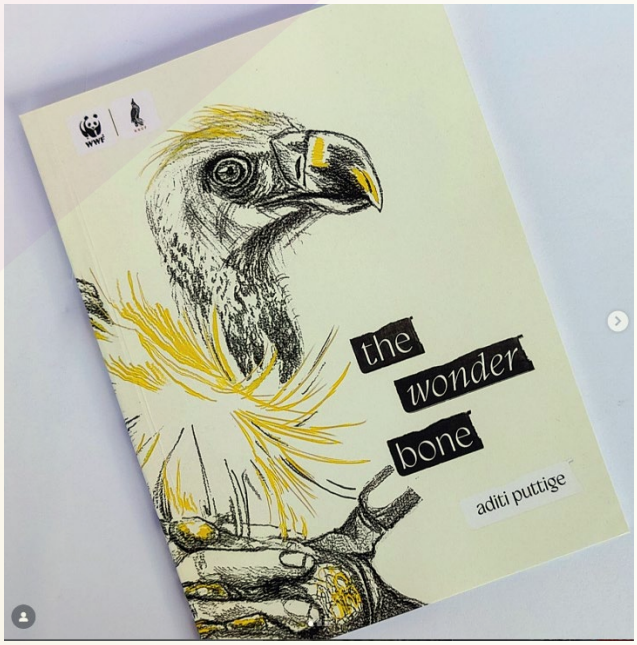
UG Interim Semester work on 18 to 19 December 2025.

Director Dr Arindam Das was part of the panel discussion, "The Next Revolution in Design Education : Human Centred, Tech-Enabled, and Future-Ready" at the 25th Global Design Summit and Exposition 2025 at Hotel Leela Bhartiya City, Bengaluru.

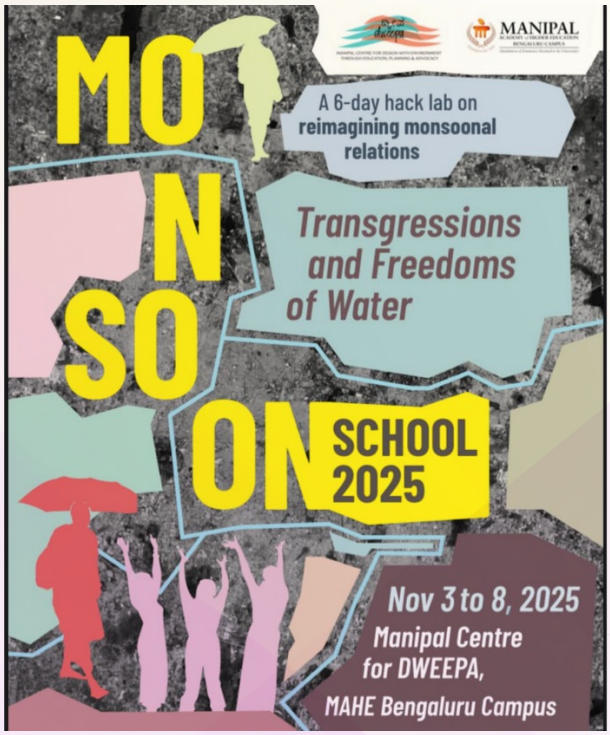
"Practices of Attunement" at Bangalore International Centre (BIC) on 18 to 19 December, 2025.



A two-day show presented by the Year Two MA Contemporary Art Practice students at ShanthiRoad.



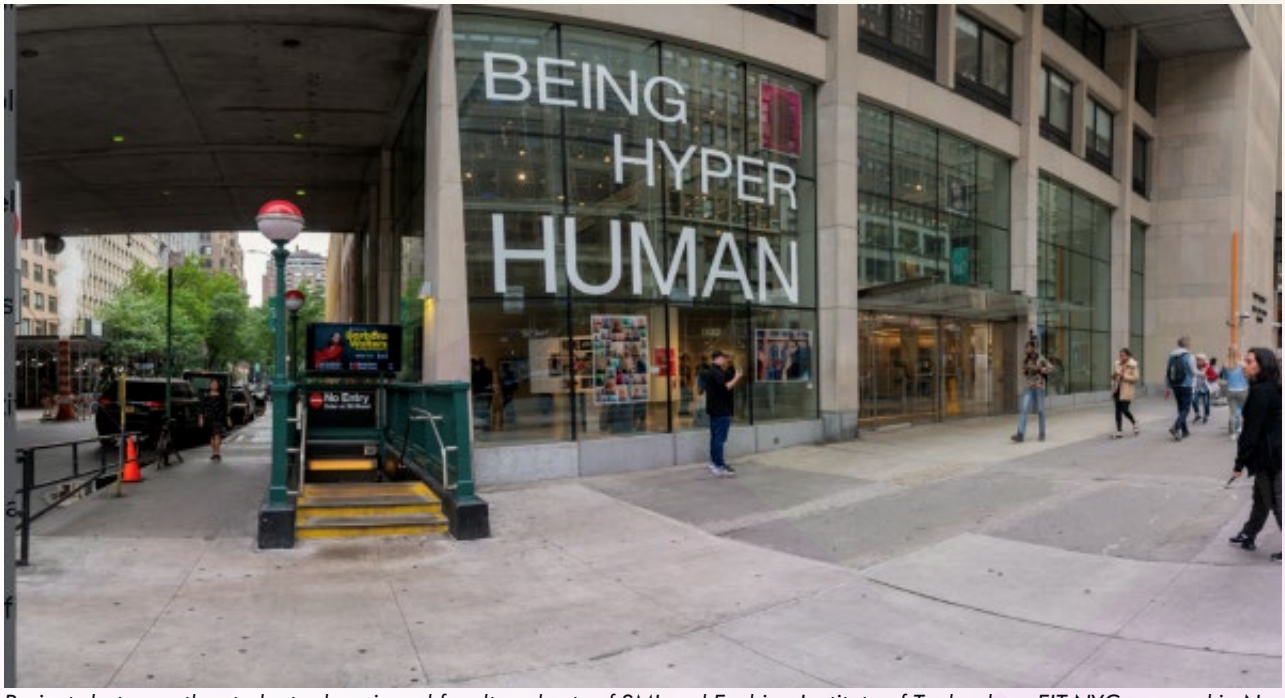
Aditi Puttige, graduated from SMI in 2025 with an undergraduate degree in Information Arts and Information Design Practice. The book she made for her seventh semester pre-thesis project—Wonder Bone—an illustrated book of poems, looking at and beyond, the causes of the rapid decline in the population of vultures in India was published by WWF.



Monsoon School 2025 organized by Manipal Centre for Design with Environment through Education, Planning, and Advocacy (DWEEPA), in collaboration with SMI, MAHE Bengaluru.

Anavadya their India's Best Design Student Awards 2025.

A conversational toolkit designed to help Indian women recognise and dismantle internalised sexism. The project won the iF Design Student Award 2025 under the UN SDG Category of Gender Equality and is one of 100 award winners selected from over 7,000 globally admitted concepts.



Projects between the student, alumni, and faculty cohorts of SMI and Fashion Institute of Technology FIT NYC, opened in New York. A project conceived during the visit of faculty Mahesh Bhat with Prof Brian Emery of FIT in March 2025.

Centre for Emerging Pedagogies and Practices

Address: 507 Rizq, SMI, MAHE, Bengaluru, Govindpura, Bengaluru
Email (Centre): coe.smi@manipal.edu **Email (Coordinator):** pithamber.polsani@manipal.edu

Year of Establishment of the Centre: May 2024
Name of the Coordinator: Dr Pithamber R Polsani
Members: Chairperson - Dr Pithamber R Polsani
Senior Designer - Spatial Design: Siddharth Srivastav
Designer-Textile and Biomaterials: Saumya Singh
Design Assistant -Spatial Design and Modelling: Vikram Ashok Hegde
Design Assistant-Spatial Design: Samyukta Swamy
Design Assistant-Textiles and Materials: Hannah Jaleel

Brief About the Centre

The Centre of Excellence (CoE) for Emerging Pedagogies and Practices is dedicated to developing, advancing, and disseminating innovative pedagogical frameworks and practices across art, design, and other creative disciplines. The centre serves as a platform for rethinking how knowledge is produced, taught, and shared, responding to the evolving educational needs of contemporary and emerging societies.

Vision: To reimagine pedagogy as a dynamic, transdisciplinary, and inclusive force that shapes future-ready creative education and addresses the complex challenges of emerging societies.

Mission

- To foster transdisciplinary research and practice that generates new pedagogical methodologies and conceptual frameworks across creative fields.
- To design accessible, shared learning ecosystems and multidisciplinary curriculum models that are responsive, adaptive, and future-oriented.
- To integrate Indian vernacular and traditional knowledge systems with contemporary, experimental practices and emerging technologies in teaching, research, and scholarship.

Objectives

Interconnected: Practice, Projects, Products, and Pedagogies

Projects often result in tangible outputs such as products, processes, research papers, or new pedagogies. In turn, pedagogies can be developed around the creation of products, where the act of making itself becomes a valuable learning process. Moreover, pedagogical innovations can open new avenues and approaches, eventually evolving into formal degree programs at both undergraduate and postgraduate levels. Practice is deploying assets generated through projects, products, and pedagogies for revenue generation.

- **Pedagogies**: Structured educational experiences, such as workshops or short-term courses, with a clear focus on experimentation and teaching.
- **Products**: Physical or digital creations developed with a clear purpose and designed for immediate application.
- **Projects**: Comprehensive, long-term initiatives focused on research and exploration. Designed to address future-oriented challenges and typically involves deep investigation, iterative experimentation, and strategic planning.
- **Practice**: Involves leveraging specialized expertise to generate revenue by engaging with selected external clients.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1.	*Mann Deshi Kickstart Girls* 	Digital Modules on Financial Literacy for young girls between the ages of 16 to 26	15 Mar 2025
2.	*Mann Deshi Agriculture* 	Animated educational videos of sustainable soil practices for farmers.	01 Jul 2025
3.	*Craft Product Exploration* 	An intervention focusing on developing new innovative craft products using pandanus weaving craft from the Nicobar Islands. This focuses on craft rejuvenation and revival of the Pandanus weaving craft, which is diminishing in practice.	15 Apr 2025
4.	*Certificate Course Launch, 'Introduction to Natural Fibres and Dyes'* 	This six-day immersive workshop is designed for design students and young professionals to explore the world of natural fibres and dyes. Rooted in sustainable and traditional knowledge systems, participants will learn hands-on skills in cleaning, carding, spinning, and dyeing. The workshop encourages understanding and engagement with circular production systems, providing students with the skills to be informed creators and advocates of sustainable textile practices.	07 Jul 2025

Sl No	Name of the Activity	Particulars	Date
5.	*Material Experimentation Lab:*	An initiative focused on the research, development, and prototyping of next-generation materials that are biobased or can be grown using living organisms. These materials would be less resource-intensive and are designed to be biodegradable, providing an alternative to synthetic materials that rely on fossil fuels.	10 May 2025
6.	*Mars Corporation*	Research partner for Bengaluru, a global initiative on the Best Cities for Pets project.	01 Sep 2025
7.	*Pandanus craft workshop course*:	A hands-on pandanus weaving course as part of workshops week at SMI focused on learning through making and failure.	27 Aug 2025
8.	*Hand Spinning for Holistic Education Programme:*	Hand spinning sessions twice a week with the students of SMI as part of the Holistic Education Programme.	21 Jul 2025
9.	*Bridge*:	The first CoE Showcase, entitled Bridge: Between the Past and the Future was held over three days, 07 to 09 November, 2025, at the Samagata Foundation, Church Street, Bengaluru. This event and public outreach initiative exhibited ongoing work at the CoE in urbanism, natural fibres, biomaterials, selected collaborative projects with our partners, and an artistic film installation by the CoE's visiting artist. Additionally, four workshops on spinning with charkhas, urban mapping, and walk-throughs with visiting artists were organized.	07 Nov 2025

Sl No	Name of the Activity	Particulars	Date

The showcase was a resounding success with nearly 700 visitors that included art and design professionals, entrepreneurs, ex-government officials, NGOs, CSR foundations, and the public.

The Bridge consisted of the following exhibits:

Urban Futures: The modern city was born from the machine's rhythm—motion without rest. Factories separated home from work and place of leisure; the movement between the points became a critical element. The street, once a place of encounter, was flattened into a line on tracing paper. In India, this idea meets resistance. Here, the street refuses abstraction. It is rubbed, shaped, and claimed by life—by vendors, walkers, shadows, and sounds. It is not an object but a living process: ever-unfolding uses and improvisations. What planners call encroachment, the city calls habitation. What seems like disorder is a continuous negotiation. Mapping Yelahanka Streets traces this vitality through six visual essays. Each map reads the street as a theatre of everyday life—a dialectic of movement and rest, permanence and flux. Together, they reveal a city built not by design alone, but by gesture, negotiation, and time.

Fibre Commons: In a world saturated with materials that are toxic, polluting, and designed without regard for planetary health, natural fibres offer a way forward. By their very nature, they are grown rather than manufactured, sustaining local economies and supporting systems of processing that cause little or no harm to the environment. Entirely biodegradable, they embody circularity long before the term existed. Our goal is to carry this heritage into the future—balancing ecology, livelihoods, and modern use. Fibre Commons envisions a living bridge between inherited knowledge and contemporary innovation. Fibres Commons is an open repository—a living archive of materials, transformation stages, tools, and techniques—accessible to students, creatives, and entrepreneurs. It will connect contemporary making with inherited knowledge, ensuring that this material heritage continues to evolve, renewing the dialogue between craft, ecology, industry, and design.

Biomaterials: Why do we need materials that outlive us? Can we imagine a future that is decomposable—a material life that ends as gracefully as it begins? Biomaterials explore next-generation substances that are biobased or grown using living organisms. These materials are less resource-intensive, biodegradable, and offer alternatives to fossil-fuel and animal-derived systems. At the Materials Experimentation Lab, we research, design, and prototype these living materials to reimagine how things are made, used, and returned to the earth. By combining biopolymers with local biowaste, we create composites that are both high-performing and ecologically sound. Each experiment aims to shift how we think about material value—from permanence to renewal, from waste to resource. Some prototypes are now being

Sl No	Name of the Activity	Particulars	Date
		refined for potential applications, while others remain provocations that ask: what if decay, too, could be a design principle? Film Sculpture: Gaze that Wants to Give Form to Absence, 2025, Installation. How do the absence of obsolete machinery and the presence of found film reframe our experience of the moving image? When an archive is not only a record of the past but a vessel shaping contemporary imagination, absence itself becomes material. This analogue film installation revisits projection as a spatial act. Using a handmade projector, it embraces entropy—blur, distortion, and light diffusion—image as in-between light and lens. The work questions ways of seeing a film and explores projection as performance, where light, lens, and memory intertwine. Born from the chance discovery of 8 mm films without the means to view them, the project seeks new practices for obsolete media. In doing so, it renews the tactile, unpredictable physicality of analogue film—a medium that resists erasure by continually demanding presence, touch, and reinvention.

Craft Product Exploration, experimenting with different construction styles used in pandanus weaving in Nicobar, traditionally used for making a 'Chatrai' or mat. Later, it also materialized into a workshop for the students as part of the curriculum at SMI.

Urban Futures as part of the CoE Showcase, Bridge: between the past and the future. Visitors viewing the maps designed by architects as part of their urban mapping exercises in Yelahanka New Town, Bengaluru.

Organized a Certificate Course on Introduction to Natural Fibres and Dyes in association with Avani. From understanding the material ecosystem, discovering indigenous brown cotton and learning about Himalayan wool, to spinning, natural dyeing, and hands-on craft activities, the six-day-long course included this and much more.

Biomaterial experiments and material building at the recently established Materials Experimentation Lab, set up as part of the Material Futures research inquiry at The Centers of Excellence. The work done as part of this work package was exhibited as part of 'BRIDGE: between the past and the future'.

Centre for Creative and Cultural Expressions

Address: 507 Rizq, SMI, MAHE, Bengaluru, Govindpura, Bengaluru
Email (Centre): coe.smi@manipal.edu **Email (Coordinator):** pithamber.polsani@manipal.edu

Year of Establishment of the Centre: May 2024
Name of the Coordinator: Dr Pithamber R Polsani
Members:
Chairperson: Dr Pithamber R Polsani
Senior Designer-Spatial Design-Siddharth Srivastav
Designer-Textile and Biomaterials: Saumya Singh
Design Assistant-Spatial Design and Modelling: Vikram Ashok Hegde
Design Assistant-Spatial Design: Samyukta Swamy
Design Assistant-Textiles and Materials: Hannah Jaleel

Brief About the Centre:
The Centre of Excellence (CoE) for Creative and Cultural Expressions positions creativity and culture as critical drivers of economic growth, social well-being, and collective consciousness. Anchored within an Institute of Eminence (IoE), the Centre fosters innovative thinking, nurtures creative practices, and enables sustainable ecosystems that empower creative industries to inspire transformation and shape the future.

Vision: To envision a future where creativity and culture are central to resilient economies, empowered communities, and meaningful responses to the challenges of a rapidly evolving world.

Mission:
- To advance interdisciplinary collaboration that bridges creativity, culture, technology, and society.
- To nurture creative talent and practices through research, pedagogy, and real-world engagement.
- To generate and disseminate transformative ideas that position culture and creativity as catalysts for positive change and lasting impact.

Objectives: Interconnected: Practice, Projects, Products, and Pedagogies
Projects often result in tangible outputs such as products, processes, research papers, or new pedagogies. In turn, pedagogies can be developed around the creation of products, where the act of making itself becomes a valuable learning process. Moreover, pedagogical innovations can open new avenues and approaches, eventually evolving into formal degree programs at both undergraduate and postgraduate levels. Practice is deploying assets generated through projects, products, and pedagogies for revenue generation.

- **Pedagogies**: Structured educational experiences, such as workshops or short-term courses, with a clear focus on experimentation and teaching.
- **Products**: Physical or digital creations developed with a clear purpose and designed for immediate application.
- **Projects**: Comprehensive, long-term initiatives focused on research and exploration. Designed to address future-oriented challenges and typically involves deep investigation, iterative experimentation, and strategic planning.
- **Practice**: Involves leveraging specialized expertise to generate revenue by engaging with selected external clients.

Activities at the Centre:

Sl No	Name of the Activity	Particulars	Date
1.	*'The City of the Future', Exhibition on Sant' Elia:* 	An exhibition about the visionary world of Antonio Sant' Elia, the radical Italian architect who reimagined the city as a machine of speed, power, and progress is for the people between the ages of 16 and 26.	17 May 2025

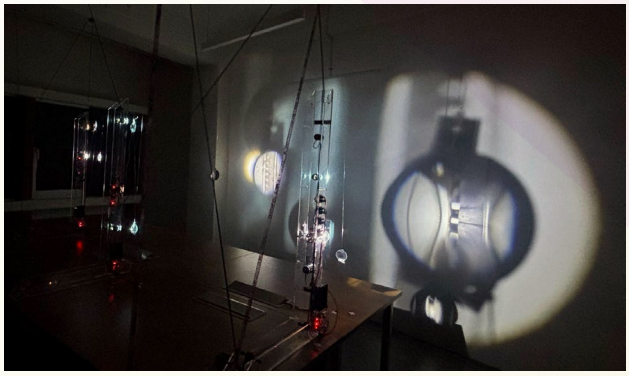
Sl No	Name of the Activity	Particulars	Date
2.	*Musical Bus Museum with Indian Music Experience Museum* 	An ongoing client project to design the musical-experience, interaction, and exterior graphics for a bus museum for rural Karnataka school children.	07 Apr 2025
3.	*Dye Garden*: 	The Dye Garden integrates the cultivation of colour-yielding plants like pomegranate, hibiscus, henna, indigo, turmeric, annatto and Tulsi. This hands-on approach enhances students' understanding of sustainable practices while fostering appreciation for the ecological and cultural significance of natural materials.	26 Mar 2025
4.	*Artist in Residence:* 	Stuti Bansal, a filmmaker and visual artist who works across film, animation, and photography. Stuti has an MA in Animation from the Royal College of Art, London, and has studied at the Friedl Kubelka School for Independent Film (Vienna), the Estonian Academy of Art (Tallinn), and the GLS Institute of Design (India).	01 Jul 2025
5.	*Bridge*: 	The first CoE showcase entitled Bridge: Between the Past and the Future was held over three days, 07 to 09 November 2025, at the Samagata Foundation, Church Street, Bengaluru. This event and public outreach initiative exhibited ongoing work at the CoE in urbanism, natural fibres, biomaterials, selected collaborative projects with our partners and an artistic film installation by the CoE's visiting artist. Additionally, four workshops on spinning with charkhas, urban mapping and walk-through with visiting artists were organized. The showcase was a resounding success with nearly 700 visitors that included art and design professionals, entrepreneurs, ex-government officials, NGOs, CSR foundations, and the public. The Bridge consisted of the following exhibits: Urban Futures: The modern city was born from the machine's rhythm — motion without rest. Factories separated home from work and place of leisure; the movement between the points became a critical element. The street, once a place of encounter, was flattened into a line on a tracing paper. In India, this idea meets resistance. Here, the street refuses abstraction. It is rubbed, shaped, and claimed by life — by vendors, walkers, shadows, and sounds. It is not an object but a living process: ever-unfolding uses and improvisations. What planners call encroachment, the city calls habitation. What seems like disorder is a continuous negotiation.	07 Nov 2025

Sl No	Name of the Activity	Particulars	Date
		Mapping Yelahanka Streets traces this vitality through six visual essays. Each map reads the street as a theatre of everyday life — a dialectic of movement and rest, permanence, and flux. Together, they reveal a city built not by design alone, but by gesture, negotiation, and time. Fibre Commons: In a world saturated with materials that are toxic, polluting, and designed without regard for planetary health, natural fibres offer a way forward. By their very nature, they are grown rather than manufactured, sustaining local economies and supporting systems of processing that cause little or no harm to the environment. Entirely biodegradable, they embody circularity long before the term existed. Our goal is to carry this heritage into the future — balancing ecology, livelihoods, and modern use. Fibre Commons envisions a living bridge between inherited knowledge and contemporary innovation. Fibres Commons is an open repository — a living archive of materials, transformation stages, tools, and techniques — accessible to students, creatives, and entrepreneurs. It will connect contemporary making with inherited knowledge, ensuring that this material heritage continues to evolve, renewing the dialogue between craft, ecology, industry, and design. Biomaterials: Why do we need materials that outlive us? Can we imagine a future that is decomposable — a material life that ends as gracefully as it begins? Biomaterials explore next-generation substances that are biobased or grown using living organisms. These materials are less resource-intensive, biodegradable, and offer alternatives to fossil-fuel and animal-derived systems. At the Materials Experimentation Lab, we research, design, and prototype these living materials to reimagine how things are made, used, and returned to the earth. By combining biopolymers with local biowaste, we create composites that are both high performing and ecologically sound. Each experiment aims to shift how we think about material value — from permanence to renewal, from waste to resource. Some prototypes are now being refined for potential applications, while others remain provocations that ask: What if decay, too, could be a design principle? Film Sculpture: 'Gaze that Wants to Give Form to Absence, 2025, Installation' How do the absence of obsolete machinery and the presence of found film reframe our experience of the moving image? When an archive is not only a record of the past but a vessel shaping contemporary imagination, absence itself becomes material. This analogue film installation revisits projection as a spatial act. Using a handmade projector, it embraces entropy — blur, distortion, and light diffusion — image as in-between light and lens. The work questions ways of seeing a film and explores projection as performance, where light, lens, and memory intertwine. Born from the chance discovery of 8 mm films without the means to view them, the project seeks new practices for obsolete media. In doing so, it renews the tactile, unpredictable physicality of analogue film — a medium that resists erasure by continually demanding presence, touch, and reinvention.	

Photo gallery

Flourishing Annatto plant at the Dye Garden, as seen in the image above. This is an initiative to allow understanding of plant growth as a part of the process.

CoE Showcase-'Bridge-between the past and the future', an event organized at Samagata Foundation on Church Street by the Centres of Excellence, exhibiting the engagements and research done in the last year.



Film Sculptures as part of the CoE Showcase, Bridge: between the past and the future. This section was curated by our Artist in Residence, Stuti Bansal.

'Fibre Commons', an installation to highlight our ongoing efforts on setting up a Natural fibres archive housed at the Centre of Excellence, serving as a repository of knowledge and physical fibre samples, open to access by students, creatives, designers, and other interested individuals.

A mapping workshop was organized as part of 'Bridge, between the past and the future'. The session explored how movement, pauses, gestures, memory, and observations can be transformed into maps that tell the story of a place.

Manipal Centre for DWEEPA

Address: MAHE Bengaluru
Email (Centre): dweepa.maheblr@manipal.edu
Email (Coordinator): deepta.sateesh@manipal.edu

Year of Establishment of the Centre: 2023
Name of the Coordinator: Prof Dr Deepta Sateesh
Co-Coordinator: Dr Meera Baindur
Member: Dr Sunil John

Brief About the Centre

Vision: Manipal Centre for Design with Environment through Education, Planning and Advocacy (DWEEPA) is envisioned to be a world-class space for practice-based research, environmental education, and local action that responds to environmental conflicts through transdisciplinary approaches and situated practices in order to build and restore nature-culture synchronicities. The centre is a pioneer in design research for sustainable and resilient futures, in line with the SDGs, including 3, 4, 6, 8, 10, 11, 12, 13, 14, 15, and 17. The centre will drive change through engagement on the ground through new eco-pedagogies, policy propositions, consultations, and planning and design. The centre will drive change through sustained on-the-ground engagement, the development of new eco-pedagogies, evidence-based policy propositions, structured consultations, and integrated planning and design.

Mission: To be a Centre of Excellence in climate change, environment, sustainability, and knowledge systems and practices. Established in November 2023, the centre will work in the areas of sustainability and resilience, social and ecological justice, and academic thought (to impact planning and policy). Established in November 2023, the Centre aims to be a Centre of Excellence in climate emergency, environment, sustainability, and conventional knowledge systems and practices. The centre would operate at the intersection of sustainability and resilience, social and ecological justice, and academic scholarship. It aims to generate interdisciplinary knowledge that informs planning, governance, and public policy to prepare students to address complex environmental and social challenges through research, critical analysis, and evidence-based decision-making.

Objectives

1. To engage in **context-based transdisciplinary research** in the environment and communities
2. To conduct **education and outreach** work through events and programs with key partners on the ground
3. To participate in **advocacy** and influence environmental policies at the local, regional, and global levels
4. To design and develop new **practice-based creative methodologies** and **methods**
5. To develop and connect with **diverse networks** and build action-oriented collaborations
6. To **communicate findings** to a wide audience, including students, scholars, and society, through multiple practices of research and diverse forms of outputs

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	*Liminal Listening–Whispers of an Amphibious World* (PhD Workshop): Led by Prof Dr Deepta Sateesh, with Dr Corinna Dean (University of Westminster) and Ar Duarte Santo (Cornell University). Guest Faculty: Dr Gururaja KV (SMI) and Dr Srivi Kalyan (SMI)	This was an ecocultural learning platform that bridged art, design, and ecological engagement. It explored the concept of "becoming" within liminal, transitional spaces, emphasising the ethics of coexistence, cultural etiquettes across species and landscapes, material knowledge, and processes of listening with and co-inhabiting with 'others.' Rooted in transdisciplinary practices, it drew from anthropology, post humanist theory, and ecological design to foster a deeper understanding of our shared existence in dynamic ecosystems.	14 - 18 Jan 2025

Sl No	Name of the Activity	Particulars	Date
2	UN World Environment Day 2025 – "Beat Plastic Pollution"	In collaboration with the Indian Economic Trade Organization (IETO) and the Rewilding Task Force, MAHE Bengaluru. Dr Deepta Sateesh, Dr Meera Baindur, and Dr Sunil John anchored the event. Chief guests: His Excellency Fernando Bucheli, Ambassador of the Republic of Ecuador; Prof Dr Rajeev Gowda	30 May 2025
3	Exhibition of Research – "Neerina Ottige", Kundapura (Collaboration under MoU with FSL-India)	The exhibition was a celebration of the rich culture and dynamic nature of the region – a diversity of wetlands (fresh to brackish), while highlighting threats to local livelihoods and the environment of the Kundapura region. It was a moment of sharing research findings of the team with the wider **Kundapura community** in a creative and interactive format, to garner community interest towards action and advocacy for the future of their watery lands.	06 - 09 Jun 2025
4	Master Class at Kautilya School of Public Policy, GITAM, Hyderabad	Dr Deepta Sateesh was invited to deliver a master class to master's students in the course called "The City", sharing ideas, practices, and philosophies around data, representation, and policy.	04 - 05 Sep 2025
5	University of Calicutt, Kerala	Invited plenary talk on "Forest life and Upanishad: Eco-phenomenological perspectives" during the National seminar entitled-*Rethinking Nature: Deep Ecology, Metaphysics, and the Future of Environmental Philosophy.*	14 - 16 Oct 2025

Sl No	Name of the Activity	Particulars	Date
	11 SUSTAINABLE CITIES AND COMMUNITIES 4 QUALITY EDUCATION 13 CLIMATE ACTION		
6	[K]NOTTING: Exhibition of Collaborative Research at the Microscope Gallery, London, UK, with Dr Corinna Dean (University of Westminster) and Ar Duarte Santo (Cornell University) 13 CLIMATE ACTION 11 SUSTAINABLE CITIES AND COMMUNITIES 4 QUALITY EDUCATION	Correspondences take place across three ecologies drawn from collaborative walks, field recordings, and microbial engagements in a lake in Bengaluru, Seneca Landfill, Upstate NY, and Channelsea Island, London. This transcontinental dialogue asks how we can know this world not by looking at it from afar, but by weaving our lives into its very fabric. The work is drawn from collaborative walks, field recordings, and microbial engagements in Bengaluru, Ithaca, New York, and London. They are ephemeral records of an encounter or traces of life lived in active, sensory participation with the world, where walking is a way of listening to the ground, breathing is a continuous exchange with the atmosphere, and knowing is a skilled craft of intimate attention.	23 Oct - 08 Nov 2025

List of Ongoing Projects/Research Grants

Details of Programs Offered by the Institution:

- Master of Engineering (ME) in Electronics Engineering (Very-Large-Scale Integration (VLSI) Design)
- ME in Electronics Engineering (Microelectronics and VLSI Technology)
- ME in Computer Science and Engineering (Embedded Systems)
- ME in Computer Science and Engineering (Artificial Intelligence and Machine Learning)
- ME in Computer Science and Engineering (Big Data Analytics)
- ME in Computer Science and Engineering (Cloud Computing)
- ME in Computer Science and Engineering (Cyber Security)
- ME in Computer Science and Engineering
- MEE in Computer Science and Engineering (Embedded Systems—Dual Degree Program with École Supérieure d'Ingénieur en Génie Électrique(Higher School of Engineering in Electrical Engineering) (ESIGELEC), France)

About the Institution/School:

Manipal School of Information Sciences (MSIS), formerly known as Manipal Centre for Information Science (MCIS), is an ISO 9001:2015 and ISO 14001:2015 certified institute set up in the year 1998. MSIS is an industry-driven, state-of-the-art training institute of excellence initially started with the Master of Science (MS) Medical Software in collaboration with Wipro GE Medical Systems. Since its inception, the institute has been continuously striving for excellence in education, training, and research with a mission of offering value-based education. MSIS has been conducting ME courses in highly specialized areas like VLSI Design, Microelectronics and VLSI Technology, Embedded Systems, Big Data Analytics, Artificial Intelligence (AI) and Machine Learning (ML), Cyber

Security, Cloud Computing, and Computer Science. At MSIS, we create a vibrant atmosphere where creativity and discipline are balanced equally.

New Initiatives:

Institutional Activities/Curricular Activities

Sl No	Activity	Particulars	Date(s)
1	ME in Computer Science Engineering	The batch started from 2025 onwards.	14 Sep 2024
2	ME in Computer Science and Engineering (Embedded Systems)—Dual Degree program with ESIGELEC, France	Restarted the program from the year 2025 onwards.	14 Sep 2024
3	Master of Business Administration—Artificial Intelligence and Data Science	The collaborative program initiated by T A Pai Management Institute, with teaching support provided by MSIS, has been running since 2025 onwards.	14 Sep 2024

All Other Activities in the Department Relating to the Program/Course:

Sl No	Activity	Particulars	Date(s)
1	Workshop on "Windows Device Driver Development and Debugging"	Mr Ganesh Kamath, Advanced Micro Devices (AMD), Bengaluru (Alumnus), was the resource person for this workshop.	7 Jan 2025
2	Workshop on "Wireshark for Network Packet Analysis"	Mr Ganesh Kamath, Advanced Micro Devices, Bengaluru (Alumnus), was the resource person for this workshop.	8 Jan 2025
3	A two-day hands-on training workshop on Static Timing Analysis (STA) and Physical Design (PD) concepts using Cadence software	Mr Sanjay G S, Field Application Engineer, Entuple Technologies, Bengaluru was the resource person for this workshop.	15-16 Jan 2025
4	Workshop on "Penetration Testing"	Mr Vishweshwara Sharma, Senior Product Security Engineer, Mozarc Medical India Private Limited, Bengaluru (Alumnus).	1 Feb 2025
5	Workshop on "Scientific and Technical Article Writing"	Ms Vaishali P, Research Scholar, MSIS was the resource person for this workshop.	13 Jun 2025

Sl No	Activity	Particulars	Date(s)
6	Workshop on "Technical Skill Development—Administration of Linux-based operating systems and support for office data automation"	A workshop was held for the technical staff of MIT, Manipal. Ms Shahswathi, Technical Staff, MSIS and Dr Sreepathy H V, Faculty, MSIS were the resource persons for the workshop.	19-20 Jun 2025
7	Workshop on "Basic Life Support to Save Lives"	Dr Sushma Prabhath, Associate Professor, Department of Anatomy, Kasturba Medical College, MAHE, was the resource person for this workshop. Workshops like these play a vital role in empowering individuals with the confidence and practical skills needed to respond effectively during medical emergencies, potentially saving lives before professional help can arrive.	21 Jul 2025
8	Workshop on "Microsoft Loop"	Mr Errol Joshua D'Souza, Chief Executive Officer (CEO), Tiny Prism Labs Pvt Ltd, Manipal, was the resource person for this workshop.	24 Jul 2025
9	Session on "Connect to Achieve"	Dr Virupaksha Devaramane, A V Baliga Hospital, Udupi, was the resource person for this workshop.	9 Aug 2025
10	Workshop on "VLSI Front End Design Verification using SystemVerilog"	Mr Navaneeth Krishnan Veerachamy, Senior Field Application Engineer at Entuple Technologies Pvt Ltd, was the resource person for this workshop.	15-17 Aug 2025
11	Yoga Camp for Eye Improvement	Conducted Yoga Camp for Eye Improvement by the Department of Yoga, Kasturba Hospital, for the teaching and non-teaching staff, within the age group of 35–60 years.	18 Aug 2025
12	Workshop on "Interpretable Artificial Intelligence/Machine Learning (AI/ML) for Stock Index Prediction"	Professor Sudarsan N S Acharya, Faculty, MSIS was the resource person for this workshop.	1-2 Oct 2025

Sl No	Activity	Particulars	Date(s)
13	Workshop on "Web Application Security Testing—Deep Dive"	Mr Vishweshwara Sharma, Senior Product Security Engineer, Mozarc Medical India Private Limited, Bangalore (Alumnus).	17 Oct 2025
14	Workshop on "Indian Cuisine"	This was conducted in Welcomgroup Graduate School of Hotel Administration (WGSHA) for the Efrei, France students under the Study Abroad Program (SAP) as part of their curriculum.	17 Oct 2025
15	Research Seminar on AI tools for Research Efficiency	Ms Sneha S, our Research Scholar was the resource person.	24 Oct 2025
16	Expert Lecture on Overview of Semiconductor Fabrication Technique for Devices and Sensors	Professor Nimisha, Faculty, MSIS was the resource person.	25 Oct 2025
17	Expert Lecture on Fabrication of Field-Effect Transistor-based (FET) based Sensors	Professor Nimisha, Faculty, MSIS was the resource person.	31 Oct 2025
18	Interactive Hands-on Session on Custom VLSI Layout Design (1)	Mr Pavanraj, Analog Layout Engineer, Karmic Design Pvt Ltd, Manipal, was the resource person for this session.	6 Nov 2025
19	Conference on Scaling up Innovative Cervical Cancer Screening in India (Prevention and Screening Project Towards Elimination of Cervical Cancer (PRESCRIP-TEC) project)	Result of Pan-India implementation research and lessons learnt from PRESCRIP-TEC.	13-14 Nov 2025
20	Interactive Hands-on Session on Custom VLSI Layout Design (2)	Mr Pavanraj, Analog Layout Engineer, Karmic Design Pvt Ltd, Manipal, was the resource person for this session.	18 Nov 2025
21	Mock Interview Placement Drive	The mock interview sessions were conducted for the current batch of students. The session	13-24 Dec 2025

Sl No	Activity	Particulars	Date(s)
		was organized with the support of MSIS alumni, who generously volunteered their time and expertise. It was conducted in both offline (on campus) and online (via virtual platforms) modes. This helped the students gain real-world interview experience, improve confidence, and receive constructive feedback. This initiative provided students with valuable insights into industry expectations and helped them prepare better for upcoming placement opportunities. MSIS alumni Mr N Tarun, Mr Pavan Kumar, Mr Gandheeshwar Reddy, and many more were part of this activity.	
22	Workshop on "Language Modeling, Large Language Models (LLMs), and Agentic AI"	Professor Sudarsan N S Acharya, Faculty, MSIS was the resource person for this workshop.	15-18 Dec 2025

Details of Guest Visit(lectures, collaboration, visitors on campus)

Guest Lectures:

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
1	Mr Sharath H D, Manager - Talent Network (along with his team—Puttaiah Jagadish, Aishwarya Sridhar, Raunak Mathur, Snehith Shenoy)	Infineon Technologies India Pvt Ltd	Infineon Internship Placement Drive	9 - 10 Jan 2025
2	Mr Prashanth Kumar Mattu	Working for the US Government Defense industry in Michigan	Mr Prashanth Kumar Mattu, alumni of MSIS batch of 1999–2001, MS Medical Software, interacted with faculty and students of MSIS.	11 Jan 2025
3	Dr Veena T	Associate Professor and Head of Department, Department of Computer Science and Engineering, National Institute of Technology Goa	To conduct Academic Audit.	25 Jul 2025
4	Mr Satya Narayana Marni 	Senior Director, R&D Solutions Group, Synopsys, Bangalore	Chief Guest for the MSIS Orientation Day held on 28 July 2025. He is an alumnus of MS (VLSI Computer-Aided Design (CAD)), 2000–2001 batch.	28 Jul 2025

Centre for Software Development, MAHE

Address: MSIS, LG 02 ,MIT Campus, Manipal
Phone Number: 0820-2925037
Email (Centre): csd.support@manipal.edu **Email (Coordinator):** Sudhakara.upadya@manipal.edu

Year of Establishment of the Centre: 2015 (started the software consultancy in 2013)

Name of the Coordinator: Sudhakara Upadya P

Members: Director–Manipal School of Information Sciences (MSIS), Staff members, Content Services Division (CSD) Developers, Interns, Trainees, Consultants

Brief About the Centre:
Vision:
Inculcate industry-standard software development practices into relevant academic courses in terms of lectures and practical sessions.
Mission:
Specialize in the development of software solutions to the Information Technology (IT) needs of Manipal Academy of Higher Education (MAHE) for enhanced customer satisfaction.

Objectives:
- Develop software solutions to felt needs of MAHE and health systems.
- Provide internship opportunities for students to work on projects and train faculty on project management skills.
- Market the product outside the MAHE system if such a potential exists.
- Work with the technology transfer office to explore possibilities of outright sale of products.
- Conduct workshops on effective project implementation to budding practitioners of software engineering.

Activities at the Centre:
CSD provides software consultancy services to various functional institutes of MAHE to help in automating their processes or their research workflows. CSD also provides Internships and Trainee positions to students and fresh graduates to train them in software development processes.

Research Activities
Sudhakara Upadya, Coordinator - CSD has applied for a grant as co-investigator with the Indian Council of Medical Research (ICMR) to maintain the Venoms Registry, working with the Emergency Medicine department of Kasturba Medical College (KMC), Manipal.

Rolled out the following projects, along with supporting the ongoing existing software consultancy projects of CSD:
- Hostel Management System
- Performance Appraisal System module added to the Manipal Student/Project Management Portal application of MAHE

- Services portal that acts as a common platform for Consultancy Services offerings from MAHE
- Manipal Hospital Research Centre (MHRC) module developed for the Management of Data and Electronic Management System (MODEMS) application

International Centre for Applied Sciences, Manipal

Address: LG-02, AB-5, MIT CAMPUS, MIT, MANIPAL
Phone number: 0820 2924018, 2924026
Email (Office): office.icas@manipal.edu **Director:** hareesh.ks@manipal.edu

Name of the Director: Dr Hareesha K S
Established: 1994

Details of Programs Offered by the Institution

International Centre for Applied Sciences (ICAS), Manipal, a constituent unit of Manipal Academy of Higher Education (MAHE) started the International Transfer Program in Engineering (full-time, four-year duration) in the year 1994 to provide international education and exposure to Indian students. This program (BSc Applied Sciences in Engineering) has been designed as a perfect launch pad for those who aspire to study and graduate from one of the world's top universities. This is a unique program where the students spend the first two years in ICAS, MAHE, and the following two years in a university abroad, of their choice (the engineering degree is awarded by the foreign university only). This is made possible by adopting the high-quality curriculum, teaching, and evaluation methodologies that are followed by top universities abroad. In the last 32 years, more than 2,500 students have entered more than 100 foreign universities through acceptable credit transfer from ICAS, pursuing their Bachelor's/Master's degrees in Engineering.

About the Institution/School

International transfer: The key highlight of this course is the fact that the students can transfer their credits and graduate with an international engineering degree from some of the top universities in the world.

International placements: Students, on successful completion of the course, participate in the placement activities at the destination university. The annual salary package upon graduation is between 55,000 USD and 85,000 USD.

Face-to-face interactions with foreign university delegates: Delegates from some of the global universities visit Manipal twice a year to address the ICAS students and advise them on the various options available to them.

Institutional Activities/Curricular Activities
All Other Activities in the Department Relating to the Program/Course

Sl No	Activity	Particulars	Date(s)
1	Virginia Commonwealth university visit	Dr Manu Gupta, heads all graduate (Master's level) programs in Business and Engineering. Dr Ashok Iyer is a Senior Professor at the Department of Electrical and Computer Engineering. Prof Shivaprakash Aduvalli Ramaswamy, Indian Co-ordinator for Virginia Commonwealth University, USA, visited ICAS.	07 Jan 2025
2	Alumni visit	Mr Jayanth Voruganti, ICAS student from 2021–23 batch, who continued his studies in University of New South Wales (UNSW), Australia, under the 2+2 degree in engineering, visited ICAS.	27 Jan 2025
3	Artificial Intelligence (AI) affirmation pledge	As per the guidelines of the All India Council for Technical Education (AICTE), ICAS organized the AI Affirmation Pledge on 31 January 2025 at 9:15 AM. The event was conducted to create awareness among students about the responsible, ethical, and sustainable use of AI and to encourage their active participation in India's AI-driven growth. The program began with an introduction to the significance of AI in modern society. Students collectively recited the AI Affirmation Pledge, expressing their commitment to advancing AI responsibly and ethically. The pledge was administered by Dr Nagaraj Naik, Faculty, ICAS, who highlighted the transformative role of AI in shaping the future of technology. He emphasized the responsibility of students in ensuring that AI is used for societal benefit while adhering to ethical principles.	31 Jan 2025
4	Mr Saravanan Nagarathinam, University of Queensland (UQ), Australia visit.	Mr Saravanan Nagarathinam proposed to have dedicated pathway between ICAS and UQ for mutual benefits, wherein publicity and branding of the pathway can happen jointly.	04 Mar 2025
5	Open house	An open house was arranged for the fresher students to give them insights about the program. The first session was held.	19 Mar 2025
6	UNSW International Premier Partner Summit	Dr Hareesha K S, Director, took part in 2025 UNSW International Premier Partner Summit in New Delhi, held for the launch of the UNSW Strategy: Progress for its partners.	14 Apr 2025
7	Engagement activity	Activity conducted with ICAS alumni to discover their journeys, gain insights, and get inspired. Mr Soham Shan, Ms Muskan	16 Jun 2025

Sl No	Activity	Particulars	Date(s)
		Gupta, and Ms Advita Shrivastava helped newly admitted students in clarifying their doubts.	
8	Visit to partner universities of ICAS in the USA.	Dr Hareesha K S, Director, ICAS, visited The State University of New York at Buffalo (Sunny), Virginia Commonwealth University, Drexel University, Philadelphia Rutgers University, University of Wisconsin, Madison Illinois Institute of Technology, University of California, etc.	09 to 24 Jul 2025
9	Orientation program 2025	The 32nd batch of the International Transfer Program in Engineering at the ICAS, MAHE was formally inaugurated at Dr TMA Pai Auditorium, Manipal on 9 August 2025. Lt Gen (Dr) M D Venkatesh, Vice Chancellor, MAHE, Manipal, was the Chief Guest of the function. Mr Carlin Simon Joseph, Alumni, 2021–23 batch, Ms Lasya Madhuri Gundapaneni, Alumni, 2022–24 batch, and Ms Yamini S, Alumni, 2022–24 batch were the guests of honour of the function. After the formal inauguration, the university officials gave a series of short presentations on various topics, including administrative matters, academic matters, student welfare measures, hostel facilities and regulations, library facilities, sports and games facilities, Volunteer Service Organization (VSO), Alumni talk, and ICAS tech club activities. Dr Hareesha K S, Director, ICAS, welcomed the gathering and delivered speech on "Academic and administrative matters". Dr Raghavendra K G, Faculty, ICAS, delivered vote of thanks. Ms Advita Shrivastava and Mr Ojaswi Bharatiya were the masters of the ceremony. Several orientation activities were conducted for the newly joined ICAS students. Eleven foreign university delegates and representatives participated in the orientation function. On the same day, all the new students and their parents got an opportunity to interact with the foreign university delegates, to know better about the credit transfer process and facilities/requirements available at foreign universities.	09 Aug 2025
10	Monash University delegates visit	Ms Athena Bangara, Director, South Asia and Ms Jenny McHendrie, Director, International Marketing and Recruitment, Monash University, Australia, visited ICAS, MAHE, Manipal.	18 Aug 2025
11	Pledge against drugs	As part of the Government of India's Nasha Mukt Bharat Abhiyaan campaign, ICAS students participated in a mass pledge against drugs. All ICAS students actively took part in the pledge, reaffirming their commitment to a drug-free lifestyle and to spreading awareness about the harmful effects of substance abuse.	19 Aug 2025

Sl No	Activity	Particulars	Date(s)
12	Enigma hackathon	Enigma Technical Society, ICAS, successfully hosted its first-ever 36-hour beginner-friendly hackathon with 40 participants across nine teams, working across Research, development, and robotics—showcasing their technical expertise and innovative problem-solving skills. The event spanned four tracks and three checkpoints to track progress and guide teams, project submissions, (reports, GitHub repositories, and demonstrations), and final presentations were conducted on September 1, judged by an esteemed panel consisting of Dr Santhosha Rao and Mr Sudhakar Upadhyay. After thorough evaluation, the top three teams were awarded as follows: 1. DROP TABLE teams: Rituparan Reddy, Arnavjit Sachdeva, Pulavarthy Sai Mohith, and Raunak Khandelwal 2. Error 404: Karthik Reddy, Swastik Das, Jeremiah Prathab Chacko, Bingi Abhinav, and Lakshya Choudhary 3. Elden Bytes: Adved Krishna, Hyndavi Manogna, Sahay Reddy, Ramjaswanth Reddy, and Riteshwar Singh.	30 Aug 2025 to 01 Sep 2025
13	Deakin University visit	Mr Imran S M, Manager—Business Development (South Asia) and Ms Irfa Javed, Manager, Research Engagement (South Asia), Deakin University, Australia, visited ICAS, MAHE, Manipal.	25 Sep 2025
14	Interaction with Global Degrees	Mr Shijomon Yesudhas and team from Global Degrees, Bangalore, interacted with ICAS students from 12 to 4 pm in Conference Room-1, LG-02, AB-5. Destination experts for the USA and Australia were available for personal guidance and counselling on-the-spot application submissions.	31 Oct 2025
15	University of New South Wales visit by the Director 	Dr Hareesha K S, visited UNSW to participate in their International Education Development Week. This exciting event was scheduled from 24–28 Nov 2025, at their Kensington Campus in Sydney.	24 to 28 Nov 2025
16	Delegate visit from Monash University, Australia	Ms Avanti Redkar-Sachdeva, Senior Manager—Transnational Education Strategy and Engagement, Monash University, Australia visited ICAS, MAHE, Manipal and discussed the following points: 1. To organize awareness sessions for the outgoing student batch 2. Strengthen the existing pathway articulation 3. Encourage PhD Co-supervisor and Joint-PhD opportunities	06 Dec 2025

Annual Day and Awards Ceremony

Orientation Program 2025

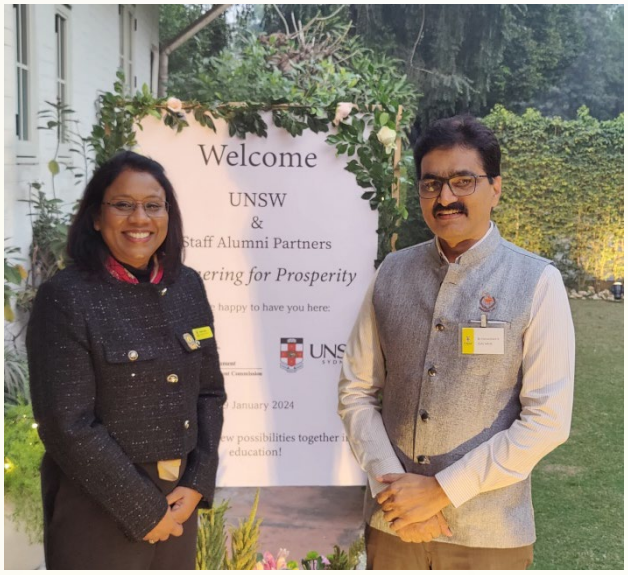
One-on-one interaction with foreign university officials on account of the orientation program 2025.

Mr Sebastian Kuntze, Manager International, University of Technology Sydney, Australia, visited ICAS on 4 March 2025 as a normal practice for admission counselling.

Mr Rakshit C and Ms Sneha Sinha, 2023–25 batch students, won second place in the event, Hult Prize, organized by MIT, Manipal, on 22 February 2025.

ICAS annual athletic meet held on 8 March 2025.

Mr Christopher Connor, Vice Provost for Enrollment Management and Mr Abhyuday Pai, Assistant Dean for Graduate International Recruitment, University at Buffalo, The State University of New York (SUNY), USA, visited ICAS on 12 March, 2025.



Dr Hareesha K S, participated in the UNSW International Premier Partner Summit at New Delhi on 14 April 2025.

Ms Athena Bangara, Director, South Asia and Ms Jenny McHendrie, Director, International Marketing and Recruitment, Monash University, Australia, visited ICAS, MAHE, Manipal on 18 August 2025.

Dr Hareesha K S, took part in UNSW International Education Development Week from 24 to 28 November 2025 organized by UNSW, Australia.

Name of the Director: Dr Sajan Daniel George

Established: 2025

Details of the Programs Offered by the Institution:

- Master of Science (MSc) in Photonics
- MSc in Nanoscience and Technology
- Bachelor of Science (BSc) Honours in Physics
- BSc in Physics

About the Institution/School:

The Manipal Institute of Applied Physics (MIAP) is the flagship interdisciplinary research institute of Manipal Academy of Higher Education (MAHE), dedicated to applying fundamental principles of physics to high-impact basic and translational research at the interface of engineering, healthcare, and the sciences. Established as an independent institute in 2025, MIAP builds on a strong research legacy dating back to 1997, beginning with the Centre for Laser Spectroscopy and later evolving into the Department of Atomic and Molecular Physics in 2008. The institute offers BSc Physics and BSc (Honours) Physics programs in accordance with National Education Policy (NEP) guidelines, along with specialized postgraduate programs in MSc Photonics and MSc Nanoscience and Technology. MIAP's research activities are anchored by two Centres of Excellence—the Centre for Excellence in Biophotonics and the Centre for Applied

Nanosciences—supported under MAHE's Institution of Eminence initiative, and span key areas including applied science and technology, nanoscience and materials science, and medical physics and technology, with focused expertise in photonics and biophotonics, plasmonics, clinical spectroscopy, archeophotonics, nanosensors and medical technologies, the energy–water–environment nexus, structural biology, and bio-inspired surface engineering. The institute is supported by significant government and industry-funded research projects and is recognized under the Department of Science and Technology (DST) FIST (Fund for Improvement of S and T Infrastructure) (DST-FIST) program of the Government of India and as a Centre of Excellence by Vision Group on Science and Technology (VGST), Government of Karnataka, while maintaining active collaborations with leading national and international research institutions.

Institutional Activities/Curricular Activities

New Initiatives:

Sl No	Activity	Particulars	Date(s)
1	Seminar series by research scholars	As a joint activity of MIAP Student Council and MIAP Researchers Forum, a seminar series was conducted. As part of this fortnightly event, each research scholar gives a seminar giving an overview of their research work to the UG and PG students. Three such seminars were held this year, and more are to follow in the coming months.	11 Sep 2025 to 9 Oct 2025

All other activities in the department relating to the program/course:

Sl No	Activity	Particulars	Date(s)
1	Workshop on Advanced Materials for Healthcare	Under the aegis of the Scheme for Promotion of Academic and Research Collaboration (SPARC), Government of India, MIAP organized a one-day Workshop on Advanced Materials for Healthcare at Sir M V Seminar Hall, MIT. The workshop was supported by SPARC funding and provided an effective platform for knowledge exchange and networking among scientists and researchers working in the area of applied nanotechnology for healthcare. The program was inaugurated by Dr Narayana Sabhahit, Pro Vice Chancellor (Technology and Science). Dr Rajesh K Vatsa, Former Head, Bhabha Atomic Research Centre (BARC), Mumbai, graced the occasion as the Guest of Honour. Other delegates included Dr T Govindaraju, Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), Bangalore, Dr Ethayaraja Mani, Indian Institute of Technology (IIT) Madras, Dr Ranjan Ganguly, Jadavpur University, Kolkata, and Dr Soumyadip Sett, IIT Gandhinagar.	10 Mar 2025
2	MIAP Faculty Retreat and Awards Ceremony 2025	A faculty retreat of MIAP was held for providing an opportunity for reflection, interaction, and recognition of academic achievements. The program was graced by the Honourable Pro Vice Chancellor (Technology and Science), Dr Narayana Sabhahit, who interacted with the faculty members and presided over the awards ceremony recognizing outstanding faculty achievements during the year 2024. The following awards were presented in recognition of excellence in teaching, research, innovation, and grants:	24 Mar 2025

Sl No	Activity	Particulars	Date(s)
		1. Award for the Highest Cumulative Impact Factor in 2024 – Dr Sajan D George 2. Award for the Original Research Paper with the Highest Impact Factor in 2024 – Dr Aseefhali Bankapur 3. Award for the Highest Number of Publications in 2024 – Dr Sajan D George 4. Award for the Highest Number of Patents Filed in 2024 – Dr Sajan D George 5. Award for the Patent Granted in 2024 – Dr Ajeetkumar Patil 6. Award for the Highest Grant Amount Sanctioned in 2024 – Dr Unnikrishnan V K 7. Award for the Best Teacher of 2024 – Dr Surya Harikrishnan. The retreat fostered collegial interaction among faculty members while reinforcing MIAP's commitment to excellence in teaching, research, and innovation.	
3	One-day Symposium on Recent Advances in Photonics (RAP) 	This symposium is a flagship annual event of MIAP (formerly the Department of Applied Mathematics and Physics (DAMP)) and has been organized consistently for over fifteen years. In 2025, the symposium was held at the Sir M V Seminar Hall, MIT. The theme of the symposium was "Optical Spectroscopy for Remote Sensing Applications", and the event witnessed participation from more than seventy-five students, researchers, and faculty members. The symposium was inaugurated by the Chief Guest, Honourable Vice Chancellor of MAHE, Lieutenant General (Dr) M D Venkatesh. The Guest of Honour, Dr D Narayana Rao, Raja Ramanna Centre for Advanced Technology (RRCAT), delivered an invited lecture as part of the program. The technical sessions featured invited talks by the following eminent speakers: Professor Soma Venugopal Rao, Senior Professor at the School of Physics and Advanced Centre for Research in High Energy Materials (ACRHEM), Hyderabad; Dr Anoop K K, Assistant Professor, Department of Physics, Cochin University of Science and Technology (CUSAT), Cochin; Dr E Bhoje Gowd, Chief Scientist and Professor (Academy of Scientific and Innovative Research (AcSIR)) Material Sciences and Technology Division, Council of Scientific and Industrial Research – National Institute for Interdisciplinary Science and Technology (CSIR–NIIST), Thiruvananthapuram; Dr G Manoj Kumar, Professor, School of Physics, Hyderabad; and Mr Siddhartha Dhawale, Executive Director, Light Guide Optics Pvt Ltd. The symposium provided a valuable platform for academic interaction, knowledge dissemination, and discussions on recent advances in photonics and remote sensing applications.	14 Jun 2025
4	MIAP–Bhabha Atomic Research Centre (BARC) One-Day Workshop on Material Physics and Spectroscopy of Advanced Nanomaterials	MIAP organized a one-day workshop on "Material Physics and Spectroscopy of Advanced Nanomaterials" in collaboration with the BARC. The workshop focused on advanced nanomaterials, state-of-the-art characterization techniques, and their emerging applications. The event attracted more than 80 researchers, scholars, and students actively engaged in nanomaterials research. The workshop was inaugurated by Dr Narayana Sabhahit, Pro Vice Chancellor (Technology and Science). Dr Arun M Isloor, NITK Surathkal, graced the	18 Jul 2025

Sl No	Activity	Particulars	Date(s)
		occasion as the Guest of Honour. The technical sessions featured invited lectures by the following distinguished speakers: Dr Jatish Kumar, Indian Institute of Science Education and Research (IISER) Tirupati; Dr P M Aneesh, Central University of Kerala, Kasargod; Dr Subramanyan Namboodiri, National Institute of Technology Calicut (NITC), Calicut; Dr Jyoti Prakash, BARC, Mumbai; and Dr Murthy Dharmapura, MIT, MAHE, Manipal. The workshop provided an effective platform for interdisciplinary interaction, fostering academic collaboration and enhancing understanding of recent advances in nanomaterials and spectroscopic techniques.	
5	Rasayan 21	MIAP, in collaboration with the Department of Chemistry and Department of Physics, MIT, organized a two-day International Symposium titled “Science Beyond Boundary: Invention, Discovery, Innovation and Society – Rasayan 21” on behalf of MAHE. The symposium was jointly organized by MAHE and Chirantan Rasayan Sanstha (CRS) and brought together over 200 internationally renowned scientists, researchers, and thought leaders to deliberate on transformative research and innovations addressing critical global challenges. The inauguration ceremony was graced by Honourable Vice-Chancellor, MAHE, Lieutenant General (Dr) M D Venkatesh, who formally inaugurated the symposium. The event was attended by several distinguished dignitaries, including Professor J B Joshi, Chancellor, Institute of Chemical Technology (ICT), Mumbai; Professor Ramgopal Rao, Vice-Chancellor, Birla Institute of Technology and Science (BITS) Pilani; Professor Vudhichai Parasuk, President, Thailand Chemical Society; Professor Sajan D George, Convener of the Symposium and Director, Manipal Institute of Applied Physics; Professor C V Yelamaggad, Secretary, Chirantan Rasayan Sanstha; and Professor Braja Gopal Bag, President, Chirantan Rasayan Sanstha. As a mark of recognition for his contributions to science and academic leadership, Professor Sajan D George was conferred the CRS Silver Medal and was felicitated during the inaugural session. The symposium provided a vibrant international platform for interdisciplinary exchange, fostering collaboration across scientific domains and strengthening the interface between science and society.	1 Aug 2025 to 2 Aug 2025
6	KIRAN 2025	KIRAN is the annual student-run outreach event of the Manipal Institute of Applied Physics (MIAP). This year, continuing its tradition, undergraduate and postgraduate students of MIAP enthusiastically demonstrated 35 experiments covering diverse aspects of Optics and Photonics. The exhibits included experiments on diffraction, polarization, interference, quantum dots, and magneto-optic sensors, along with several engaging and interactive demonstrations such as optical cloaking, laser harp, laser maze, water-drop microscope, Lissajous figures, and other hands-on displays. The event was attended by nearly 180 school students from five different institutions, who benefited from the interactive demonstrations and gained exposure to fundamental and applied concepts in optics and photonics. KIRAN 2025 served as an effective platform for	11 Oct 2025

Sl No	Activity	Particulars	Date(s)
		scientific outreach, fostering curiosity and interest in physics among young learners while providing MIAP students valuable experience in science communication and public engagement.

1	Dr Sajan Daniel George	CRS Silver Medal; Research Excellence: Research Grant, MAHE Research Awards; Editorial Advisory Board Member (Engineering Physics, American Institute of Physics)	1 Jan 2025
2	Dr Abdul Ajees Abdul Salam	Recipient of "Best Research Paper" award at MAHE Research Awards and "Best Research Team" at Innovation Mela conducted by Ministry of Earth Sciences and MIT, Manipal	1 Jan 2025
3	Dr Ajeetkumar Patil	Editor at Scientific Reports, Nature	1 Jan 2025
4	Dr Pragnya Satapathy	"Best Oral Presentation Award" at ICONN 2025, SRM Tamil Nadu	1 Jan 2025
5	Dr Sajan Daniel George	Award for the highest cumulative impact factor in 2024 (MIAP Retreat Award)	24 Mar 2025
6	Dr Aseefhali Bankapur	Award for original research paper with the highest impact factor in 2024 (MIAP Retreat Award)	24 Mar 2025
7	Dr Sajan Daniel George	Award for the highest number of publications in 2024 (MIAP Retreat Award)	24 Mar 2025
8	Dr Sajan D George	Award for the highest number of patents filed in 2024 (MIAP Retreat Award)	24 Mar 2025
9	Dr Ajeetkumar Patil	Award for the patent granted in 2024 (MIAP Retreat Award)	24 Mar 2025
10	Dr Unnikrishnan V K	Award for the highest grant amount sanctioned in 2024 (MIAP Retreat Award)	24 Mar 2025

Sl No	Name	Details	Date
11	Dr Surya Harikrishnan	"Best Teacher" award for the year 2024 (MIAP Retreat Award)	24 Mar 2025

Students

Sl No	Name	Details	Date
1	Megha Sunil	Recipient of "Best Poster Presentation Award" at OSICON 25, "Best Poster Presentation Award" at Micro-Plastics Research Innovations and Sustainable Management (M-PRISM 25), "Best Poster Presentation Award" at Symposium titled "Microplastics in the Environment and Water: Challenges, Research, and Mitigation Strategies" (MP Symposium 2025), and "Singapore Oceanarium Award" at Microplastics Symposium 2025.	1 Jan 2025
2	Harshika M	Recipient of "Organizer's Choice Award" at the 5th international symposium on frontiers in molecular science held at Kyoto University, Kyoto, Japan and "Best Oral Presentation Award" at "Structural and functional insights of plant-derived protein for synthetic dye bioremediation" conference held at BHU, Varanasi, India.	1 Jan 2025
3	Varalakshmi S D	Recipient of "Best Poster Presentation Award" at Rasayan 21 held at MAHE, Manipal and "Vikram Sarabhai Best Poster Award" at SCOPOSIS 2025.	1 Jan 2025
4	Suraj Sunil Joshi	Recipient of "Best Poster Presentation Award" at Rasayan '21, and "Best Poster Presentation Award" (third place) at the conference titled "Innovations, Advances in Material Science for Sustainable Goals 2025".	1 Jan 2025
5	Rohit B Kumbhar	Recipient of "Best Poster Presentation Award" at Micro-Plastics Research Innovations and Sustainable Management (M-PRISM 25).	1 Jan 2025
6	Thripthi N Shenoy	Recipient of "Best Oral Presentation Award" at "Structural and functional insights of plant-derived protein for synthetic dye bioremediation" conference held at BHU, Varanasi, India.	1 Jan 2025
7	Ramesh Bharadwaj	Recipient of "Best Poster Presentation Award" at "Structural and functional insights of plant-derived protein for synthetic dye bioremediation" conference held at BHU, Varanasi, India.	1 Jan 2025
8	Anusha Pillai	Recipient of "Best Poster Presentation Award" at India Bioimaging Annual Conference and Meeting 2025.	1 Jan 2025
9	Sudarshana	Recipient of "Best Poster Presentation Award" at conference titled "Innovations, Advances in Material Science for Sustainable Goals 2025" held at Jaipur Engineering College and Research Centre (JECRC)University, Jaipur, India.	1 Jan 2025
10	Vasudeva M	CSIR- Senior Research Fellowship-SRF Direct, Council of Scientific and Industrial Research Human Resource Development Group.	1 Jan 2025

Centre for Applied Nanosciences

Address: Manipal Institute of Applied Physics
Manipal Academy of Higher Education, Manipal, Karnataka, India, 576104
Phone Number: +91-820-2925071
Email (Coordinator): sajan.george@manipal.edu

Year of Establishment of the Centre: 2016
Name of the Coordinator: Dr Sajan Daniel George
Members:
Coordinator: Dr Sajan Daniel George
Post-Doctoral Fellow: Dr Bharath Bannur

PhD Scholars:
1. Mr Vineeth P
2. Mr Swithin Hanosh
3. Ms Pratheeksha Rao I K
4. Mr Shreyas M S
5. Ms Jyeshta Prabhu
6. Ms Parvathy M R
7. Mr Vivek M
8. Ms Sandhya R
9. Ms Pooja Hirehal

Brief About the Centre:
The Centre for Applied Nanosciences is a premier research Centre advancing nanotechnology for transformative applications. With core expertise in nanoscale surface engineering and laser spectroscopic techniques, the Centre focuses on innovative solutions that bridge science and practical applications. Our research spans wearable sensors, novel therapeutic strategies, and light-assisted particle manipulation, offering cutting-edge advancements in these fields. We also specialize in nature-inspired surface engineering, photothermal techniques, and multimodal spectroscopy, driving progress in healthcare, energy, and materials science. Notable achievements include the development of nanosensors, optical lithographic methods, and novel therapeutic approaches, showcasing our commitment to impactful research. Our multidisciplinary approach and focus on high-impact, real-world solutions set us apart. By leveraging nanotechnology's potential, we aim to address global challenges and redefine possibilities in science and engineering.

Vision: To be a globally renowned Centre of Excellence in the field of Applied Nanosciences

Mission: To undertake applied research in the field of nanoscience through activities ranging across multiple realms of science.

Objectives:
- Development of upconversion/downconversion nanoparticles for *in vivo* bioimaging
- Development of optofluidic technologies for lab-on-a-chip systems
- Fabrication of hierarchical structures for digital microfluidic and wettability control
- Sensing applications utilizing the energy transfer between a donor and an acceptor

Activities at the Centre:

Sl No	Name of the Activity	Particulars	Date
1	Establishment of four new laboratories	(i) Microfluidic 3D Printing Laboratory, (ii) Bacterial Culture Laboratory, (iii) Projection Lithography Laboratory, and (iv) Microwave Therapy Laboratory	14 Aug 2025
2	Workshop on Advanced Materials for Healthcare	SPARC-funded workshop with speakers such as Dr R K Vatsa, ARC Dr T Govindaraju, JNCASR, Bengaluru Dr Ethayaraja Mani, IIT Madras Dr Ranjan Ganguly, Jadavpur University, Kolkata, Dr Soumyadip Sett, IIT Gandhinagar	10 Mar 2025

Sl No	Name of the Activity	Particulars	Date
3	MIAP-BARC One-Day Workshop on Material Physics and Spectroscopy of Advanced Nanomaterials	• Dr Jatish Kumar, IISER Tirupati • Dr P M Aneesh, Central University of Kerala, Kasargod • Dr Subramanyan Namboodiri, NITC, Calicut. • Dr Jyoti Prakash, Bhabha Atomic Research Centre, Mumbai • Dr Murthy Dharmapura, MIT, MAHE, Manipal	18 Jul 2025
4	Rasayan 21	Jointly organized with the Department of Chemistry and the Department of Physics, MIT.	25 - 28 Aug 2025

Awards and Recognition:

Sl No	Name of the Awards	Particular	Date
1	Award for Research Excellence	Research Grant, Manipal Academy of Higher Education	Nov 2025
2	Patent Granted	A Method for Producing Oleophilic, Superhydrophobic, and Superhemophobic Articles, and Uses Thereof Inventors: Sajan Daniel George, Swithin Hanosh	Apr 2025
3	Silver medal, CRS	Silver medal of Chirantan Rasayan Sanstha (CRS) for contributions in applied sciences	Aug 2025
4	Outstanding Research Publication (AORP)	Vision Group on Science and Technology (VGST), Government of Karnataka- Category: Nanoscience and Engineering	May 2025
5	Editorial Advisory Board Member	American Institute of Physics, Engineering Physics	Nov 2025

List of Ongoing Projects/Research Grants:

Sl No	Title	Funding Agency	Name of the PI	Duration
1	Microfluidic channel embedded contact lens for ophthalmic drug delivery and glaucoma treatment	Department of Biotechnology, Government of India	Dr Sajan Daniel George (PI)	2024 - 2027
2	Bioinspired physio-chemically micro-nanostructured surfaces with bactericidal and photonics properties	Indian Council of Medical Research, Government of India	Dr Sajan Daniel George (Co-PI)	2024 to 2027
3	Development and testing the effectiveness of a multi-functional nanotherapeutic to overcome antimicrobial resistance among pathogenic bacteria associated with recalcitrant mastitis infections in dairy cows	SPARC, Ministry of Human Resource and Development, Government of India	Dr Sajan Daniel George (PI)	2023 to 2025

Department of Design

Address: Manipal School of Architecture and Planning (MSAP), Survey Number 94/2 and others, 80 Badagabettu, MIT Campus, Manipal - 576 104, Karnataka, India
Phone Number: 0820 2928604
Email (Office): office.design@manipal.edu **Email (HOD):** veena.rao@manipal.edu

Name of the HOD: Dr Veena Rao
Established: 2012
Details of Programs Offered by the Institution:

- Bachelor of Design (Interior Design)/BDes (ID)
- Bachelor of Design (Fashion Design)/BDes (FD)
- Master of Design (Interior Design)/MDes (ID)
- Master of Design (Product Design)/MDes (PD)
- Master of Arts (Fashion Management)/MA (FM)
- Certificate of Fashion Design
- PhD

About the Institution/School:

The Department of Design (DoD), established in 2012 under the mentorship of the Manipal School of Architecture and Planning (MSAP), offers Fashion Design, Interior Design, and Product Design that fit the array of design education in India. These new programs, offered under UGC regulations and AICTE-approved, are designed to foster design education in India and offer a range of opportunities to design graduates. At our institute, we strive to instill the concept of sustainability and the use of indigenous materials in designing interior and fashion products for contemporary use. The design understanding is encouraged through individual projects given to the students to explore the vibrant fashion/interior industry and the application of the rich heritage of textiles and crafts of our country in their design projects.

Institutional Activities/Curricular Activities
New Initiatives:

Sl No	Activity	Particulars	Date(s)
1	MDes (Design Computation) Course	MDes (Design Computation) Course of II year duration started in July 2025.	01 Jul 2025

All Other Activities in the Department Relating to the Program/Course:

Sl No	Activity	Particulars	Date(s)
1	The One Nature Animal Welfare Club	The One Nature Animal Welfare Club was formed under MAHE advisors Dr Geetha Maiya and Dr Aravind Kumar. Faculty coordinators include Dr Freston Marc, Dr Vrinda Lath, Dr Vidya Rao, and Dr Bryal Dsouza. Three MSAP students were nominated to represent non-medical institutions in the leadership team. They are Vyshnavi Narayan (General Secretary), Ananya Banerjee and V Madhurima (PR Team).	10 Jan 2025
2	National Youth Day Campaign	The National Youth Day Campaign at MIT AB2 MV Seminar Hall featured experts Dr Somashekar Bhat, Shri Kishore Alva, Dr Raviraj N S, Cdr (Dr) Anil Rana and Dr Lopamudra Priyadarshini. Speakers highlighted the role of youth in nation-building, stressing unity, awareness, and active participation. The program concluded with a motivational call urging youth to lead community initiatives and drive positive change. Four students participated, and the event promoted awareness among Manipal's youth on collective action for a sustainable world.	12 Jan 2025
3	Case Study in Goa	A study trip to Goa included Case Studies at Terttulia, Bawri, and SOPO, along with a guest lecture on Commercial Interior Design by Ar Manguesh R Prabhugaonker for BDes (ID), Year II. Students explored how Goan culture blends with contemporary interiors, supplemented by visits to INOX and historic sites for material and colour insights. The trip enriched learning in anthropometry, ergonomics, services, HVAC, furniture, clearances, and NBC-compliant commercial design. With two faculty members and 40 students participating, the experience fostered strong class bonding and a practical understanding of fine-dining and commercial spaces.	12 - 16 Jan 2025
4	Case Study	Case study of Dr Ramdas Pai Hospital for BDes (ID), Sem II	13 Jan 2025
5	visited Calicut, Kerala for Case Study visit as a part of an academic activity of B Des ID course, III Year, VI sem	The Calicut study tour for BDes (ID), Year III, Semester 6, offered hands-on exposure to corporate interiors through visits to Stapati, Malabar HQ, Team Thai Office, Avani Institute, and Vanitha Veed Expo. Students engaged in interactive sessions, including a professional talk by Ar Afnan Mohammed (Humming Tree), gaining insights into integrated design practices and industry workflows. The trip strengthened understanding of workspace design, branding, ergonomics, materials, and real-time corporate projects. With two faculty members and 24 students participating, the program enhanced practical awareness, design thinking, and industry-academia connection.	13 Jan 2025 - 16 Jan 2025

Sl No	Activity	Particulars	Date(s)
6	Industrial Visit to Dogsee Chew Manufactures, Mahadevapura, Design Object Electronicity, Bangalore as a part of an academic activity of M Des PD course of 1st year 2nd Semester M Des PD DOD	MDes (PD) first-year students visited Dogsee Chew and Design Objects to understand real-world product manufacturing. They observed processes like material handling, packaging, production workflows, and quality control. Interactive sessions with founders and design experts provided insights into innovation, sustainability, and user-centric design. With one faculty and five students, the visit enhanced the practical industry	14 - 17 Jan 2025
7	Case study	Case Study to Mandavi, Times Square-Cafeteria for BDes (ID), Semester II, Section A	14 Jan 2025
8	Visited to design Houses and material sourcing in Mumbai for Case Study visit as a part of an academic activity of the BDes FD course	BDes (FD), IIIyear, 6th semester students visited leading design houses and material markets in Mumbai for Fashion Studio VI. They observed industry workflows, creative processes, and current fashion trends while interacting with professionals. The trip also included cultural sightseeing, enriching their creativity and broadening design perspectives. With 1 faculty and 15 students, the visit strengthened industry exposure.	19 - 23 Jan 2025
9	Visited IKEA Bengaluru for Case Study visit as a part of an academic activity of MDes ID course	MDes (ID), 1st year, Semester II students visited IKEA Bangalore as part of Design Studio II to study brand identity and spatial design. The IKEA Interior Design Team guided students through visual merchandising, brand building, and signature spatial strategies. The visit supports exposing students to industry innovation and real-world design infrastructure. With one faculty and 12 students, the program strengthened the understanding of colour psychology and brand-based spatial design for studio application.	21 - 23 Jan 2025
10	Site Visit for Interior Design at Signature by Associate Builders & Construction Near Narayan Guru Sabha Bhavana, Bannanje, Udupi	BDes (ID), III Year, Semester VI students visited the Signature building by Associate Builders and Construction, Udupi, for their Interior Design Corporate studio. The visit supported by giving students real-site exposure to corporate interior requirements. They learned about structural systems, services, circulation, and space planning relevant to corporate interiors. A total of three faculty members and 29 students participated in the site study.	21 Jan 2025
11	visited Tirupur, Tamil Nadu for a case study	BDes (FD), II year students visited Tiruppur for Fashion Studio IV to understand knit fabric manufacturing,	22 - 26 Jan 2025

Sl No	Activity	Particulars	Date(s)
		dyeing, and garment production. They explored factories such as Sri Vinayagar Fabs, Prosper Exports, and Sri Vetrivel Dyeing, gaining insights into knitting, quality checks, pattern making, stitching, printing, finishing, and dyeing processes. Students also sourced fabrics and trims from key textile markets, including Walrus Exports, Ultron Textiles, SV Colony, and Laxmi Nagar. With two faculty members and 25 students participating, the visit strengthened practical knowledge in fabric sourcing and knitwear production workflows.	
12	Republic Day	MSAP students participated in the Republic Day Celebration at MAHE.	26 Jan 2025
13	Site Visit for BDes (ID) at Harsha K M Marg, Udupi. 	BDes (ID), I Year, second semester students visited Harsha K M Marg, Udupi, as part of their Material and Construction course to explore a wide range of interior and construction materials. They examined flooring, wall finishes, ceilings, furniture materials, hardware, tiles, stones, laminates, veneers, wallpapers, glass, fittings, and modular units. The visit helped students understand material properties, applications, durability, sustainability, and selection based on cost and function through guidance from showroom experts. With three faculty members and 32 students participating, the visit strengthened practical material knowledge.	28 Jan 2025
14	Manipal Marathon 2025 	The 7th Manipal Marathon 2025, themed *"Innovation in Motion"*, saw over 20,000 participants, including international runners, and introduced the Manipal Global Virtual 5K Run. Supported by nearly 400 VSO volunteers, the event ensured smooth execution across route management, registration, hydration points, stage coordination, and disability support. Their teamwork created an inclusive, energetic, and well-organized marathon experience for all participants. A total of one faculty member and nine students took part.	09 Feb 2025
15	Bharatiya Bhasha Utsav	The Department of Student Affairs organized *Bharatiya Bhasha Utsav* at KMC Greens under the UGC NEP SAARTHI initiative, with participation from Ananya Narayanan (IV sem BArch) and 20 MSAP volunteers. The event celebrated India's linguistic and cultural diversity through traditional lamp lighting, guest addresses, and performances in dance, music, Yakshagana, and a multicultural fashion show. Food stalls featuring regional cuisines added to the cultural experience, creating a vibrant, festive atmosphere. The program concluded with impactful student performances, leaving the audience with a deeper appreciation of India's rich linguistic and artistic heritage.	01 Mar 2025

Sl No	Activity	Particulars	Date(s)
16	MAHE VSO – KIDATHON 2025 	Kidathon 2025, organized by VSO at the EDU Building, Manipal, promoted fitness and environmental awareness while creating excitement for the upcoming TARANG kite festival. Around 75 volunteers managed games, registration, hydration points, ticket stalls, and the kidathon route, ensuring smooth event coordination. Children participated in a short walk followed by engaging games, creating a joyful and educational experience. With 1 faculty member and 7 students participating, the event highlighted teamwork and sustainability awareness.	02 Mar 2025
17	Case Study Report for BDes (Id) 	BDes (ID), I Year, second semester students visited Signature Udupi and the Sai Radha Corporate Office as part of Material and Construction II. They studied finished interiors at Signature, observing joinery, material layering, final finishes, and functional space planning. At Sai Radha's under-construction site, students learned about false ceilings, partitions, electrical integration, flooring preparation, and construction sequencing. With 3 faculty and 32 students, the visit helped bridge theory and practice, strengthening material understanding.	04 Mar 2025
18	MAHE VSO- TARANG 2025	MAHE VSO- TARANG 2025, The Kite Festival of Manipal at End Point, Manipal	09 Mar 2025
19	Constitutional Awareness Day (Tarang Kite Festival)	Constitutional Awareness Day at Manipal End Point Ground focused on promoting understanding of the Constitution and the Preamble. After the Chief Guest's address, NSS volunteers spread awareness across the ground and campus. They interacted with students and citizens, highlighting constitutional rights and duties. Twelve students participated, helping strengthen constitutional literacy in the community.	09 Mar 2025
20	Fashion Design Council of India (FDCI) X Lakmé Fashion Week (LFW)	Six students of the Department of Design, MSAP, Manipal, participated as volunteers for the Fashion Design Council of India (FDCI) XLakmé Fashion Week (LFW) at Jio Convention Centre in Bandra Kurla Complex, Mumbai.	25 - 31 Mar 2025
21	MAHE VSO- SPARSH 2025 	Sparsh 2025, held at TMA Pai Hall, celebrated the birth anniversary of Dr TMA Pai and showcased VSO's year of impactful volunteer work. The event featured cultural performances, reflections on major projects like Manipal Marathon, Tarang, Kidathon, Daan Utsav, and the Wish Tree initiative. Certificates of appreciation were awarded to faculty, student coordinators, and support staff for their dedicated service. Presided over by Lt Gen (Dr) M D Venkatesh, the event honoured contributors, including Ar Lulwa Khaleel, T Prathiksha Shenoy, and Eshal Anis.	28 Apr 2025

Sl No	Activity	Particulars	Date(s)
22	Finals event of the Solar Decathlon India 2024-25 Net Zero Energy Challenge	MSAP participated in the Solar Decathlon India 2024-25 Finals held at Infosys, Mysuru, competing among 41 shortlisted teams nationwide. Five MSAP teams reached the finals, and three emerged winners: Team Kalpana (Product Design – 1st Prize), Team Nirman (Institutional Building – 1st Prize), and Team Samarpan (Office Division – Runner-up). A total of 38 students and three faculty leads contributed to these award-winning teams. The achievement supports showcasing MSAP's commitment to net-zero and sustainable design innovation.	23 - 25 May 2025
23	Udupi city store visit	Udupi city store visit, BDes (ID)-III V and VII semester section A	04 Jul 2025
24	Site visit to Moodbidri for BDes (ID)	BDes (ID), II Year, Semester three students visited the Savira Kambada Basadi in Moodbidri for cultural and architectural documentation. They explored Jain temple architecture through sketching, photography, material study, and observing spatial planning and symbolism. The visit deepened understanding of heritage conservation, craftsmanship, and Indian temple typologies. With one faculty member and 31 students participating, the activity supported fostering cultural appreciation and experiential learning.	16 Jul 2025
25	Live Case Study (Residential) to Mangalore and Padubidri	BDes (ID), II Year, Semester three students conducted a live residential case study in Mangalore and Padubidri, guided by Guulshan Roy Architects Inc. and Ar Deekshith Raj. They studied real residential interiors through site analysis, space evaluation, material observation, and discussions with practicing architects. The visit strengthened understanding of spatial planning, interior detailing, and client-centric design strategies. With three faculty members and 32 students participating, the activity supported bridging theoretical learning with real-world residential design practice.	22 Jul 2025
26	Industry Visit-Study tour to Mangalore Fabric market at Fabric Market, Mangalore for III Year BDes FD (Fifth Semester)	BDes (FD) V semester, students visited the Mangalore Fabric Market to source materials for their ethnic wear collections. They explored fabrics and trims while studying material qualities, pricing, and vendor interactions. The visit improved their practical sourcing skills and understanding of market requirements. One faculty member and 22 students participated.	25 Jul 2025
27	Industry Visit -Study tour to Mangalore Fabric market for 2nd Year BDes FD (3rd semester)	BDes (FD), III-semester students visited the Mangalore Fabric Market to explore fabrics and trims for their Fashion Studio III ethnic wear concepts. They gained hands-on exposure to material qualities, pricing, vendor interaction, and sourcing processes for	25 Jul 2025

		informed design decisions. One faculty member and 24 students participated.	
28	Site visit – Stores at Nexus Forum Mall, Mangalore 	M A (F M) students visited Nexus Forum Mall, Mangalore, to study visual merchandising elements such as store layout, lighting, fixtures, and menswear categories. They observed VM practices across department stores and brand outlets and learned about product types, garment details, washes, and printing, supported by an alumni talk on merchandise planning. Two faculty members and 8 students participated.	26 Jul 2025
29	Constitutional Awareness Campaign (UGC)- Constitution Awareness Act: Play - We, the People, Samvidhan ki Awaaz	A Constitutional Awareness Campaign play *"We, the People – Samvidhan ki Awaaz"* was performed at the MSAP FF Foyer under the UGC initiative. The performance aimed to spread awareness about the Indian Constitution and was presented by VSO MSAP and NSS MSAP volunteers in collaboration with MSAP Ailaan. It promoted constitutional literacy and student engagement on campus.	01 Aug 2025
30	Site visit at Sai Radha Township, Manipal, for BDes (ID) 	BDes (ID) III semester students visited Sai Radha Township, Manipal, to study real residential interior projects under the guidance of Project Manager Mr Wasim. They observed spatial planning, material application, and on-site design execution through analysis, documentation, and interactions with project representatives. With three faculty members and 30 students, the visit strengthened practical interior design understanding.	05 Aug 2025
31	Interactive meeting with previous SPARC awardees	Prof Rabibrata Mukherjee, Joint National Coordinator of the SPARC program, visited MAHE and conducted an awareness session on the Scheme for Promotion of Academic and Research Collaboration. He highlighted how SPARC fosters high-impact research partnerships between Indian and global institutions, followed by an interactive meeting with previous SPARC awardees. Attendees included Ms Kirti Nishant Nikam, Ms Monisha Kumar, Ms Shanta Pragyan Dash, Mr Rohit Kumar, and Ms Resmi G.	08 Aug 2025
32	Case Study Visit at Hasta Shilpa 	MDes (ID) I semester students visited Hasta Shilpa to study vernacular architecture, heritage documentation, and the relevance of traditional practices in contemporary design. They observed heritage interiors, cultural activities, and adaptive-reuse methods, gaining insights into motivations, challenges, and restoration constraints. With 1 faculty and 6 students participating, the visit	12 Aug 2025

Sl No	Activity	Particulars	Date(s)
		supported promoting heritage-based learning and sustainable preservation practices.	
33	Site visit	Site visit to Taj Vivanta, Manipal for BDes (ID), V Semester, Section A	14 Aug 2025
34	Independence Day	MSAP students participated in the Independence Day Celebration at MAHE.	15 Aug 2025
35	Case Study Visit at Old DC Office Mangalore	MDes (ID) I semester students visited the Old DC Office, Mangalore, to study vernacular heritage, documentation methods, and the relevance of traditional architecture in contemporary design. They learned about heritage interiors, cultural context, and adaptive-reuse practices, including motivations, challenges, and restoration constraints. With one faculty member and five students participating, the visit promoted heritage preservation awareness.	19 Aug 2025
36	Site Visit to Sandur Kushala Kala Kendra, Sandur, Ballari District	BDes (FD), III and IV year, V and VII Semester students visited Sandur Kushala Kala Kendra to document Lambani craft techniques and interact with Lambani artisans for their Craft Documentation course. The visit provided hands-on learning of traditional Lambani embroidery methods and insights into artisan practices. With 1 faculty and 9 students participating.	21 Aug 2025
37	MSAP VSO 6th National Conference on Youth in Social Change	The 6th National Conference on Youth in Social Change at Dr TMA Pai Hall featured national experts discussing "Leading the Green Transition." MSAP students participated through posters, cultural performances, and anchoring, showcasing active youth engagement. With three faculty members and 29 students involved, the event highlighted youth-driven sustainability efforts.	17 Sep 2025
38	Site Visit	Site Visit to K K Hebbar Gallery and Art Centre, Manipal, for MAFM, III semester	18 Sep 2025
39	Meeting with the MAHE Ombudsman	A meeting with the MAHE Ombudsman was attended by the designated MSAP representative, Sridhara (Assistant Professor Senior Scale), as the single point of contact. Student Council members Tia Kulkarni, Sathvika, and Shrija represented the student body with their respective contact details. The meeting was held at the Admissions Hall, 1st Floor, EDU Building.	23 Sep 2025
40	Study Trip to Handloom Weaving Centre, Udupi	BDes (FD), II year, and MA(FM) students visited the Handloom Weaving Centre, Udupi, to study pirn winding, warping, weaving, and yarn-dyeing processes for handloom fabrics. The visit helped them understand key stages of cloth production, including loom sizing and weaving techniques used in traditional saree making. With two faculty members and 27 students participating.	27 Sep 2025

About the Institution/School

Welcomgroup Graduate School of Hotel Administration (WGSHA) is a constituent unit of Manipal Academy of Higher Education, Manipal, and was established in 1986 as a unit of Dr TMA Pai Foundation, in partnership with the Hotels Division of ITC Ltd. Today, WGSHA is India's premier hotel management institute, ranked among the best hotel management schools in India and the world. An institute with excellent brand image, three decades of history, highly successful alumni base, supportive staff, and a welcoming atmosphere. WGSHA is approved by All India Council of Technical Education (AICTE) for BHM and MHM programs. It is partnered with ITC Hotels which supports the institute by lending its expertise in conducting the courses, continuous update of curriculum, assisting in admissions, and providing other support from its hotels. The college is accredited by "Hotel Schools of Distinction", US. WGSHA is the first and only hospitality school in Asia-Pacific region to be accredited by HSD and be certified by Food Safety and Standards Authority of India (FSSAI), as a licensed food business operator. WGSHA offers several international collaborations and flexible pathway options for students. Apart from the university scholarships, the college provides many scholarships as prizes as well as medals and some of them are fully sponsored scholarships by alumni and other partners. WGSHA has launched Industry–Academia Interface Sessions with industry stalwarts from the top hotel brands and faculty members, to share their views and concerns. Celebrity Chef Vikas Khanna, "Distinguished Alumnus" of WGSHA, and 6-time Michelin Starred Indian Chef, has donated a Culinary Museum displaying antique utensils and tools worth 2 million USD. Simulations, Culinary Boot Camps, Food Enthusiasts Programmes, Wine Appreciation Programmes, Expert Sessions, Food Festivals, Indian festivals etc., are conducted frequently to add to the

students' learning and exposure. The college uses Oracle Cloud, Opera Property Management System (PMS), and IDS NEXT Integrated PMS for hands on learning and has subscribed to STR Share Center for hospitality industry data. To enrich students' co-curricular and extra-curricular experiences, the institution has developed a comprehensive Pastoral ecosystem that supports holistic development, well-being, and engagement. As part of this ecosystem, several dynamic societies have been established, including: Gastronomy Society, Sports Society, Lifestyle Society, Sustainability Society, Career Society, Alumni Society, Start-up Society, and Digital Society. These societies organize a wide variety of activities such as events, chapters, meetings, reunions, sessions (dance, drama, music, literary), projects (entrepreneurship, innovation, cottage and cloud), regional and international culinary experiences, patisserie and boulangerie workshops, experiences (photography, movie screenings, gaming, social interactions, art, wine, fashion, luxury), community engagement, outdoor and indoor activities, volunteering, athletics, and marathons. These societies provide opportunities for skill development, networking, and personal growth. It also provides opportunities to foster skill development, networking, leadership, and personal growth.

1	BSc / BSc (Honours) Hospitality and Services Management	The BSc (Honours) in Hospitality and Services Management program with a specialization in Real Estate Management, Retail Management and services sector is a pioneer program in India's hospitality and services management domain. It aims to develop an overall understanding of the business dynamics of the hospitality and selected service industries such as real estate and retail. This program tailors the curriculum to cover business fundamentals while incorporating specific knowledge and skills relevant to the Services Sector employment requirements. Focus: a)To provide students with a foundation in basic concepts that focus on the business and management aspects of the hospitality and selected service industries, b) To offer specialized courses that focus on the unique aspects of the service industries that help students to develop a deeper understanding of the essence of business, c) To enable the application of requisite skills in diverse service domains such as hospitality, retail, and real estate to give a holistic understanding of the business ecosystem, and d) To cultivate management, communication, and leadership skills essential for a successful career in service industries. At the end of the program, the students will be able to get employment at different levels based on the exit option they opt for. Mandatory dual internship opportunities in any of the service industries, such as hotels, retail, real estate, and events, prepare them to join suitable industries based on their choices. Upon completion of an Honors degree, they can also pursue higher studies and research or start their own entrepreneurial venture/s.	3 Aug 2025

26	Field trip to Mangalore 	Final-year students specializing in Accommodation Management embarked on an enriching field trip to Mangalore, exploring various cultural and professional experiences. The group visited Pilikula Guttu Mane, Artisan Village, and Hotel Avatar, Mangalore. At Pilikula Guttu Mane and Artisan Village, the students got a wonderful opportunity to witness traditional arts, crafts, and local heritage. They observed skilled artisans at work, showcasing intricate craftsmanship in weaving, pottery, woodwork, and other traditional art forms. The visit offered valuable insights into the effort, creativity, and precision of preserving these crafts. The trip concluded with a tour of a boutique hotel, Hotel Avatar, where students gained exposure to real-world hospitality operations. They observed sustainable housekeeping practices, design aesthetics, and service standards, connecting their classroom learning with practical applications in the field. Overall, it was a highly informative and inspiring day for the students, blending culture, creativity, and professional growth.	11 Apr 2025
27	Educational field visit 	WGSHA organised an educational field visit for students of the 4th Course of MAIC to Campco Chocolate Factory, Mangalore. Students were exposed to the entire chocolate-making process from sourcing ingredients to production. It was an extremely informative visit, which made students aware of all the standard operating procedures of operating a chocolate factory. Students also visited Artisan Village, Pilikula, where they witnessed the traditional arts of pottery making, blacksmithing, cold pressing of oil, handloom, making of flattened rice, and grain grinding. It was a day filled with learning, joy and an unforgettable experience.	12 Apr 2025

59	Hands-on mocktail workshop titled "Chill Madi – The Mocktail Magic"	The Department of Hotel Administration and Hospitality, WGSHA, MAHE, organized a hands-on mocktail workshop titled "Chill Madi—The Mocktail Magic" at Lavana Restaurant, WGSHA. The session aimed to enhance participants' understanding of mixology, ingredient pairing, and sustainable beverage preparation techniques. The event began with a refreshing welcome drink and an introductory note by Mr Valsaraj P, Faculty In-charge. He introduced the objectives of the workshop and emphasized the importance of creative and sustainable mixology practices. Following the introduction, the lead demonstrators — Mr Vageesh Kelkar, Mr Arjun Hegde, and Mr Manish Devadiga — conducted a series of mocktail-making demonstrations. Each demonstration was followed by a tasting session, allowing participants to experience the flavours and techniques firsthand. The workshop was designed to be interactive and hands-on. During every demo, three participants were invited to prepare their own versions of the showcased drinks under faculty guidance. Later, a special Tepache demonstration was conducted by Mr Valsaraj P, highlighting the fermentation process and its role in beverage innovation. A highlight of the evening was the "Thematic Mixology Showcase", where participants creatively crafted mocktails inspired by the essence and emotions of regional cinema, blending culture, storytelling, and mixology. The session concluded with a thanksgiving ceremony graced by Professor Satish Jayaram, Principal of WGSHA, who appreciated the team's efforts and the engaging learning environment created. Saplings were presented to the guests and resource persons as a token of gratitude and to symbolize sustainability.	25 Oct 2025
60	Self-Defence Session for girl students of UG programs 	Student Affairs–WGSHA successfully organized a Self-Defence Session for girl students of UG programs, led by Ms Fazliy Mariyam (MSc DAN, 2nd Year). The session as organized as a step towards building confidence, awareness, and empowerment among the students.	27 - 29 Oct 2025
61	Poster-Making competition—World Food Day 2025 and International Chef Day 	WGSHA organized a Poster-Making competition for the 15th Course BSc (Culinary Science) students as part of World Food Day 2025 and International Chef Day. The Theme for the World Food Day 2025 poster competition is " Healthy Diets, Sustainable Futures" This theme raised awareness about the fundamental human right to food, encouraging creativity and advocacy while highlighting the importance of food security for a healthier, more sustainable future. Participants explored how access to nutritious food affects health, well-being, and community resilience. Students worked together in teams of five, submitting extremely	27 Oct 2025

1	UG Orientation Program	During the UG Orientation Programme at WGSHA, the Western Band and Eastern Music Band played a key role in creating a warm, engaging, and welcoming atmosphere for the new batch of students. The bands performed live during paid lunch and dinner services at the institute's training restaurants, Ghritha and Lavana, enhancing the dining experience with melodious and lively music. In addition, both bands presented performances at the orientation program held at Dr TMA Pai Hall, contributing to the celebratory tone of the welcome sessions. Complementing the musical performances, the Western and Eastern Dance Groups surprised the newcomers with an energetic flash mob at the WGSHA lobby, designed to break the ice, reduce first-day anxiety, and encourage interaction between senior and junior students. The combined efforts of music and dance successfully fostered inclusivity, comfort, and camaraderie, making the orientation program a memorable and engaging experience for the newly admitted UG students.	30 Jul 2025

2	Janmasthami : Interhouse Cultural Variety Competition	WGSHA celebrated Janmashtami with great enthusiasm and cultural vibrancy through an Interhouse Cultural Variety Competition, organised as part of the institute's annual co-curricular calendar for 2025. The event aimed to foster cultural awareness, teamwork, and creative expression among students while commemorating the birth of Lord Krishna and the values he symbolises devotion, harmony, and righteousness. Students from all houses participated actively, presenting a diverse range of performances that reflected India's rich cultural heritage. The program featured classical and dance performances inspired by Krishna's life, as well as devotional and contemporary musical pieces, thematic skits, solo acts, and creative storytelling. Each performance highlighted not only artistic talent but also strong coordination, discipline, and interpretative skills. The stage was transformed with traditional décor, enhancing the festive atmosphere and immersing the audience in the spirit of Janmashtami.	23 Aug 2025
3	Ganesh Chaturthi	WGSHA celebrated Ganesh Chaturthi with devotion, joy, and vibrant cultural expression through a student-led cultural program in 2025. The celebration reflected the spirit of unity, tradition, and inclusiveness, providing students with an opportunity to engage with India's rich cultural heritage in a meaningful and participatory manner. The program was organised and performed by students, who presented a series of energetic and graceful cultural performances inspired by Maharashtrian traditions. A key highlight of the celebration was the lively Marathi-style dance performances, which captivated the audience with their rhythmic movements, traditional costumes, and expressive storytelling. Complementing the dances was an enthusiastic dhol performance, where students showcased the powerful beats and celebratory rhythms synonymous with Ganesh Chaturthi festivities in Maharashtra. The synchronized drumming created an atmosphere of excitement and devotion, drawing active participation and appreciation from the audience.	30 Aug 2025
4	Onam	WGSHA celebrated Onam, the vibrant harvest festival of Kerala, with great enthusiasm and cultural elegance in 2025 through a student-led cultural program. The celebration highlighted the spirit of unity, prosperity, and cultural inclusiveness that Onam represents, while offering students a meaningful platform to express regional traditions and artistic talents. The program featured a variety of traditional performances curated and performed by students. A major highlight was the graceful presentation of Kerala folk and classical dance forms, including group performances inspired by Thiruvathira, which beautifully reflected the rhythm, aesthetics, and cultural symbolism of the festival. Students adorned themselves in traditional attire, enhancing the authenticity and visual appeal of the performances. The cultural segment was further enriched by melodious music and thematic presentations that narrated the significance of King Mahabali and the values of equality and harmony associated with Onam.	6 Sep 2025
5	Vijaya Dashami : Inter-House Garba competition and Cultural show	WGSHA celebrated Vijaya Dashami with vibrant energy and cultural splendour through an Inter-House Garba Competition and Cultural Show as part of its annual student engagement activities for 2025. The event marked the	27 Sep 2025

		culmination of Navratri celebrations and symbolised the victory of good over evil, aligning tradition with student creativity and collective participation. Students from all houses enthusiastically participated in the Garba competition, presenting well-coordinated group performances inspired by traditional Gujarati folk dance forms. Dressed in colourful and authentic attire, the participants showcased rhythmic footwork, graceful hand movements, and synchronised formations that reflected the festive spirit of Navratri. The performances demonstrated strong teamwork, discipline, and cultural understanding, transforming the campus into a lively celebration space.	
6	Diwali	WGSHA celebrated Diwali 2025 with devotion, creativity, and togetherness through a vibrant cultural program jointly organised and performed by students and faculty members. The celebration reflected the spirit of the festival of lights, emphasising harmony, cultural values, and community bonding within the campus. The program began with a serene Bhajan Sandhya, where students and faculty presented soulful devotional songs. The bhajans created a peaceful and spiritually uplifting atmosphere, reminding everyone of the values of gratitude, inner reflection, and positivity associated with Diwali. The devotional session set a meaningful tone for the celebrations and was deeply appreciated by the audience. This was followed by engaging group dance performances, showcasing a blend of traditional and contemporary styles. Students, along with faculty participation, demonstrated energetic coordination, expressive movements, and cultural elegance. The performances added vibrancy and festive colour to the program, reflecting enthusiasm and collective joy.	25 Oct 2025
7	Fruit- Mixing ceremony	During the Cake Mixing Ceremony, the celebration was further enlivened by vibrant performances from the Eastern and Western Music Teams, adding rhythm and festive energy to the occasion. The Eastern music team presented melodious renditions rooted in Indian musical traditions, creating a warm and culturally rich ambience that resonated with the spirit of the ceremony. Complementing this, the Western music team delivered lively performances featuring contemporary tunes and popular melodies, bringing a modern and energetic touch to the event.	17 Nov 2025

		experience, and highlighted WGSHA's commitment to promoting cultural engagement, creative expression, and holistic student development.	
3	Annual inter-collegiate cultural festival, Utsav 2025.	Students of WGSHA actively participated in Utsav 2025, the annual inter-collegiate cultural festival hosted by Manipal Academy of Higher Education, held at KMC Greens, Manipal. The event provided a vibrant platform for students to showcase their talents across an extensive range of performing and creative arts. In the performing arts segment, students competed in singing and dance events covering Indian classical, Eastern, Western, folk, and contemporary styles, presented in both solo and group formats. Additional stage-based competitions included stand-up comedy, mimicry, mime, street play, Mad Ads, Antakshari, creative jam, and cultural parade, all of which highlighted students' confidence, expressive ability, teamwork, and stage presence. Beyond the stage, students also demonstrated strong creative and visual artistry through participation in collage making, cartooning, painting, rangoli, clay modelling, installation art, and spot photography competitions. These events encouraged innovation, aesthetic sensibility, and conceptual thinking while allowing students to interpret themes with originality and cultural relevance. A major highlight of the festival was the fashion show and entertainment performances, where both students and faculty came together to deliver engaging and energetic presentations, strengthening campus unity and mentor–student bonding. Participation in Utsav 2025 offered students valuable inter-institutional exposure, fostered cultural exchange, and contributed significantly to their holistic development, making it a memorable and enriching experience within WGSHA's annual co-curricular achievements for 2025.	24 - 28 Mar 2025
4	INVICTUS 2025 (Annual Inter-medic Sports and Open Cultural and Literary Fest by KMC, MAHE) 	The Western Band from WGSHA actively participated in the Annual Inter-Medic Sports, Open Cultural and Literary Fest Invictus 2025, organised by KMC, MAHE. The band delivered an energetic and well-coordinated performance, presenting a repertoire of contemporary Western music that showcased strong instrumental skills, vocal harmony, and stage presence. Their performance was well received by a diverse inter-institutional audience, adding vibrancy and entertainment value to the cultural segment of the fest. Participation in Invictus 2025 provided the students with valuable exposure to a competitive cultural platform, enhanced their confidence, and reflected WGSHA's commitment to encouraging artistic excellence and holistic student development through active engagement in university-level events.	8 Apr 2025
5	MAHE's 33rd Convocation	The Eastern and Western Music Teams from WGSHA had the honour of performing at MAHE's 33rd Convocation High Tea Function, where they entertained graduating degree holders and their parents with a lively and engaging musical program. The teams presented a harmonious blend of Eastern melodies and Western compositions, creating a warm and celebratory ambience during the reception. Adding a special and memorable touch to the event, the Principal of WGSHA joined the karaoke session, delighting the audience and	21 Nov 2025

- MBA
- MBA (Banking and Financial Services)
- MBA (Human Resource Management)
- MBA (Marketing Management)
- MBA (International Business)
- MBA (Artificial Intelligence and Data Science)
- Integrated Program in Management (BBA/MBA)

About the Institution/School

T A Pai Management Institute (TAPMI) was founded by Padma Bhushan awardee, late Shri T A Pai, in the year 1980. TAPMI had commenced its first two-year residential PG program in Management in 1984. Currently, TAPMI is a constituent unit of the Manipal Academy of Higher Education (MAHE), an Institute of Eminence deemed to be a university, Manipal, Karnataka. AICTE recognized TAPMI in 1989 with retrospective effect. TAPMI Students have representation from 23 states of India. In 2022, the nomenclature of the program was changed from PGDM to MBA. As of now, more than 7500 PGDM graduates and 500 MBA graduates constitute the TAPMI alumni base. The institute has been ranked amongst the top 40 B-Schools in India by NIRF under the management category. TAPMI is accredited by The Association to Advance Collegiate Schools of Business (AACSB-International), Association of MBAs (AMBA), and NBA. TAPMI is an advanced signatory of the United Nations Principles for Responsible Management Education (UNPRME). TAPMI has been among the UN PRME Champions for the last three cycles. We have also partnered with MIT Sloan for the SOLVE initiative. TAPMI has continuously innovated its pedagogy to encourage experiential learning using simulations, cases, outcome-based learning standards and encouragement for practical experience through assignments. TAPMI offers a course titled 'Students Managed Investment Course (SMIC)' that gives students the unique opportunity to invest in the share market under the mentorship of corporate executives. In addition, TAPMI has introduced industry immersion courses that include the Industry Institute Conclave and CXO guest lectures. An international immersion program is part of the MBA program, where all the

MBA students would spend a week at an international location, understanding the business and local culture of the country. Under the Young Leaders Programme (YLP), select 20 students are sent to leading firms in Corporate India to work as an intern under senior industry leaders. Society, Environment, Values, and Attitudes (SEVA) is a course offered to the students, that introduces students to live projects and functioning NGOs, small enterprises, and individuals creating/attempting to create superior societal/environmental value.

Institutional Activities/Curricular Activities
New Initiatives:

Sl No	Activity	Particulars	Date(s)
1	MBA (Artificial Intelligence and Data Science)	In today's rapidly advancing and evolving digital landscape, businesses across all industries want to stay ahead of the curve by embracing Artificial Intelligence (AI) and Data Science to maintain a significant competitive edge. This growing demand for AI and DS professionals is reshaping industries, fueling innovation, and driving change. TAPMI (70%), in collaboration with the Manipal School of Information Science (30%), has designed an innovative MBA program in AI and Data Science to address this need. A futuristic new age cutting edge program that combines business management concepts with AI and Data Science methodologies and techniques to prepare prospective students for the future challenges and help them gain better professional positions and excel in the corporate world. The program merges advanced technical skill sets with strategic business acumen and knowledge. Prepares the incoming students to lead and manage AI-driven digital transformations in IT or non-IT firms. This is not a Master's degree program in Technology or MS in AI and Data Science or MSc in Machine Learning and Data Science, but an MBA degree program that is deeply thought through and one of its kind being offered in India.	21 Jun 2025 - 31 Mar 2027

All Other Activities in the Department Relating to the Program/Course

Sl No	Activity	Particulars	Date(s)
1	'Good Health and Well Being' Local Collaboration	Local Collaboration Samvedena (CPR Training): Collaborated with KMC doctors to provide cardiopulmonary resuscitation (CSR) training to students and faculty. CPR training has a profound impact on individuals and communities by equipping them with the knowledge and skills needed to save lives during cardiac emergencies. It not only increases survival rates but also promotes a culture of preparedness and compassion within society. CPR training has a profound impact on individuals and communities by equipping them with the knowledge and skills needed to save lives during cardiac emergencies. It not only increases survival rates but also promotes a culture of preparedness and compassion within society. Blood Donation: Conducted a blood donation drive in collaboration with the doctors and staff of KMC Hospital. Blood donation has a profound and far-reaching impact on healthcare, emergency response, and community well-being. It saves lives, improves health outcomes, and strengthens the bonds of solidarity and generosity within society.	01 Aug 2025 - 01 Dec 2025

Sl No	Activity	Particulars	Date(s)
2	4.3.3 - Vocational training events (lifelong learning) Host events at the university that are open to the general public: executive education programs (this refers to short courses for people who are not attending the university; this specifically excludes courses like MBA) and/or vocational training. 4.3.4 - Education outreach activities beyond campus: Undertake educational outreach activities (e.g., tailored lectures or demonstrations) beyond campus in local schools, in the community. This can include voluntary student-run schemes.	4.3.3 - Vocational training events (lifelong learning) EEPs-Training details and Photos Centre for Executive Learning, TAPMI organized several Executive Education Programs. The details are enclosed 4.3.4 - Education outreach activities beyond campus Mindful Mandate: Conducted a three-day stress-buster event to help students cope with the MBA rigour. Art is a stress-relieving therapy; hence, SEG provided a platform where students could enjoy doing zentangles, mandala art, and finger painting. We even put up a nostalgia board where everyone shared their favourite foods, places, celebrities, and memories. And there was an online event on the last day, where we shared pictures and stories of our favourite dishes, celebrating the special places and memories associated with them. Make a wish: The TAPMI community came together to bring holiday joy to the students of APS school. This initiative aimed to fulfill the wishes of the students, spreading happiness and creating memorable experiences during this festive season by being their Santa.	01 Aug 2025 - 01 Dec 2025
3	Gender Equality Scholarship	Scholarship Dr Ramdas Pai Merit Scholarship Category – I Fee Waiver: a. Dr Ramdas Pai Merit Scholarship Category - I involves 30% waiver of the tuition fee. All other Fees (Refundable Caution Deposit, Lifetime Alumni Membership Fee, and Hostel Fees) must be paid by the student. Any other fees declared by the Institute in the Admission Letter also need to be paid by the student. b. Number of Scholarships: Twenty students of the PGP (Batch of 2023-2025) will receive the Dr Ramdas Pai Merit Scholarship Category I. Of the twenty scholarships, a minimum of ten shall be set aside for female candidates. The scholarship is available for the PGP (Batch of 2023-2025) as a whole, and the selection process is agnostic of the number of applicants across programs	01 Aug 2025 - 01 Dec 2025

1	SPEED - Phase 2	"In the first three months of the year, TAPMI hosted its main sports event, SPEED, which brought together students from all sections to compete and enjoy various sports. The event included Basketball, Football, Cricket, Swimming, Athletics, and Badminton. All matches were conducted as per the official rules of each sport, with proper refereeing to ensure fairness. Football and Cricket drew large crowds and showcased great teamwork and strategy. Basketball games were energetic and fast-paced, with excellent coordination among players. Swimming and Athletics highlighted individual talent, with events like sprints, relays, and jumps testing speed, strength, and endurance. Badminton, played in both singles and doubles formats, displayed skill, focus, and agility. Students showed great enthusiasm, whether as players, volunteers, or supporters. The event helped build friendships across sections, promoted sportsmanship, and added excitement to campus life. It also helped us identify talented players who could represent TAPMI in future inter-college competitions."	01 Jan to 31 Mar 2025

1	Farewell	Kabhi Alvida Na Kehna, the formal farewell for the Batch of 2025. "The goal of the event was to create a fun and memorable farewell filled with celebration, nostalgia, and entertainment. The evening began with the Bollywood Character Resemblance contest, where students nominated friends who most closely resembled well-known Bollywood characters. This was followed by lively on-stage performances that added humor and excitement to the atmosphere. The energy continued with the Bollywood Trivia Challenge, which featured movie dialogue rounds, song identification tasks, and fast-paced questions designed to keep the audience engaged. The atmosphere was elevated further by a special Bollywood performance from YTBN, whose dynamic presence infused the event with vigor and enthusiasm. Students also enjoyed a delightful culinary break, thanks to food stalls offering a variety of snacks and desserts that complemented the celebration. As the night	15 Feb 2025

		progressed, students cherished their final moments together. Before saying goodbye to their classmates, they had one last opportunity to dance, celebrate their friendships, and create lasting memories during a lively and emotional DJ Night."	
2	Waves	TAPMI's annual inter-section war, Waves'25, brought all sections together for two days of exciting cultural, artistic, and recreational competitions. The event celebrated talent, creativity, teamwork, and healthy competition. "Wave Warriors, an energetic water-balloon team competition that kicked off Day 1, set a lively tone for the festivities. This was followed by Saregama, a group singing competition where teams performed in harmony and showcased their musical coordination. Later in the day, Chalchitra, a theatre event, allowed participants to demonstrate their acting, directing, and storytelling abilities through short plays based on themes or genres of their choice. Day 2 began with Jhoom, a group dance competition known for its strong choreography, coordinated formations, and vibrant performances. The excitement continued with Hunger Games, a food-based timed challenge that added humor and thrill to the event. Teams competed in fast-eating rounds and completed a variety of entertaining tasks. Waves'25 concluded on a high note with a lively DJ Night, where all sections came together to celebrate their efforts, enjoy music, and create lasting memories."	24 Feb 2025
3	Women's Day	The Cultural Committee honored the outstanding women of the TAPMI community by celebrating Women's Day at the Student Center. The purpose of the event was to recognize the tenacity, fortitude, and consistent contributions of staff, instructors, and students. The celebration began with a heartwarming and upbeat video featuring inspiring tales of empowerment and perseverance. Following the screening, every woman on campus received a heartfelt card and a red rose as a token of appreciation and acknowledgment for her contributions to TAPMI.	08 Mar 2025

1	Namma Santhe 2025—a curated fest at KMC Greens, Manipal	**Namma Sante** is MIC's flagship social responsibility initiative aimed at empowering financially weaker sections of society by providing them with a free platform to sell their products. The third edition, held from 14–16 February 2025 at KMC Greens, Kasturba Medical College (KMC), in collaboration with Udayavani, featured 120 stalls showcasing homemade food, handicrafts, organic products, and other local goods. With a total footfall of 12,508 visitors over the three-day event, Namma Sante not only promoted community entrepreneurship but also encouraged students to actively engage with grassroots sustainability and inclusive development.	14-16 Feb 2025
2	Blood Donation 2025	The Blood Donation Camp, organised on 7 March 2025, in collaboration with the Department of Immunohematology and Blood Transfusion, KMC MAHE Manipal, sought to inculcate the spirit of social responsibility and humanitarian service among students. The objective was to create awareness about the importance of voluntary blood donation and to contribute meaningfully to society's healthcare needs. The drive saw 133 registrations, with 87 units of blood successfully collected, making it a significant gesture of solidarity and lifesaving support from the MIC community.	7 Mar 2025

		lakhs (INR) in revenue, all of which was directed to Namma Bhoomi to support community development initiatives. Its objective was to bridge the gap between rural artisans and urban consumers while instilling in students a deep appreciation of cultural heritage and social entrepreneurship.	
6	An Anti-Ragging Seminar .	As part of the observance of Anti-Ragging Day and the commencement of Anti-Ragging Week, a program was organized to create awareness among students about the harmful effects of ragging and to remind everyone of the importance of maintaining a safe and respectful campus environment. The program began with an inaugural session attended by faculty members, the nodal officer, and student representatives from different departments. Students reported to the venue by 9:45 AM and the formal proceedings started at 10:00 AM. The event was conducted in a serious and attentive atmosphere, reflecting the importance of the topic being addressed. The key session of the seminar was the address delivered by the Superintendent of Police, who was the chief guest for the program. The speaker explained the legal aspects of ragging, the laws in place, and the consequences faced by individuals involved in such activities. Real-life instances were shared to help students understand how ragging affects victims emotionally and mentally, and how it can also negatively impact the future of those who engage in it. Students were encouraged to treat one another with respect and to contribute towards creating a positive and welcoming campus culture. The importance of reporting incidents at an early stage and making use of institutional support systems was also emphasized, assuring students that their safety and well-being are a priority. After the formal session, a seminar on the anti-ragging theme was conducted and continued until 12:15 PM. The discussion focused on building a healthy learning environment where students feel secure and supported.	12 Aug 2025
7	MIC highlights dangers of substance abuse through guest lecture 	MIC hosted a guest lecture of substance abuse awareness, titled “Choices and consequences: Understanding Substance Abuse” on 1st September 2025. This lecture was conducted by Dr Vinod Nayak at the MIC Auditorium. Dr Vinod Nayak is the Professor in the Department of Forensic Medicine, Kasturba Medical College (KMC), Manipal and Associate Dean at KMC. The session lasted for an hour, from 2–3 PM, under the guidance of Dr Shubha H S, Director and Professor at MIC. The event was coordinated by Dr Manjushree Naik and aimed to educate students about the consequences of substances which are harmful to them. Dr Vinod Nayak spoke of the psychological, medical, and legal aspects of substance abuse; relating real life occurrences in order to prove his point. The lecture drew a full audience of Undergraduate students from BA Media Communication and Animation programs. Dr Nayak began by stressing that substances such as drugs, alcohol, and other narcotics can be easy to get addicted to and one should be really careful with any substance that is harmful, since it could lead to serious health issues. He explained that addiction is not sudden, but a gradual process influenced by	1 Sep 2025

		peer pressure, curiosity, and emotional vulnerability. Dr Vinod Nayak gave details on short-term and long term effects of drugs and alcohol on the nervous system. He further discussed the legal frameworks under India's Narcotic Drugs and Psychotropic Substances (NDPS) Act, as well as the effect of peer pressure and family problems causing stress.	
8	Talk on Prevention of Sexual Harassment topic: Talk on Prevention of Sexual Harassment	Dr Geetha Maiya, Director of Student Affairs at MAHE and Chairperson of the Internal Complaints Committee (ICC), delivered a talk on the prevention of sexual harassment at Manipal Institute of Communication on 4th September 2025. In her address, she outlined the different forms of sexual harassment students may encounter, extending beyond physical harassment. Drawing from her experience as ICC Chairperson, Dr Maiya shared real incidents to illustrate the types of complaints addressed by the committee, while also cautioning students against filing false allegations. The session also featured MAHE counsellor, Mrs Karuna Devadige, who engaged with students on the broader challenges of adapting to a new academic environment. Issues such as ragging, anxiety, and stress were discussed, and she encouraged students to reach out to her for guidance and support when needed.	4 Sep 2025
9	Self-awareness and professional identity workshop	MIC organised a workshop on self-awareness and professional identity from 10 to 11 September 2025 at the MIC Auditorium. The session was conducted by Mr Subhash Bangera—a seasoned soft skills facilitator and corporate trainer— and the session was organised by the placement cell for final-year students. The workshop was held in two slots, from 9:30 AM to 12:30 PM and 2:00 PM to 5:00 PM, to ensure active participation from all attendees. The primary objective of the workshop was to prepare students for the corporate world by helping them understand the importance of self-awareness, professional conduct, and essential soft skills required in a workplace environment. The session focused on how individuals are expected to behave in a corporate setup, emphasising communication skills, teamwork, adaptability, and professional etiquette. During the seminar, students were divided into six groups and were engaged in several interactive group activities. These activities were designed to highlight the importance of teamwork, collaboration, and self-expression in a professional setting. One of the most impactful segments involved discussing personal fears related to joining the corporate world. Students were encouraged to openly share their concerns, after which Mr Bangera guided them on practical ways to overcome these fears and build confidence. Overall, the workshop was highly engaging and insightful, equipping students with a clearer understanding of corporate expectations and helping them take a step closer to becoming confident professionals.	10 to 11 Sep 2025

10	Collective Action for a Cleaner Tomorrow—Swachhata Pakhwada 2025 	As part of the Swachhata Pakhwada 2025 initiative, MIC organised a cleanliness and awareness drive on 16th September 2025 under the theme "Collective Action for a Cleaner Tomorrow". The program aimed to promote environmental awareness, encourage responsible waste management, and reinforce the values of cleanliness and sustainability among students. The activity was coordinated by Mr Akhil Raj K V and Dr Manjushree G Naik, with active participation from a large number of students from various batches. Dr Shubha H S, Director of MIC, addressed the gathering, commending the students and faculty members for their enthusiastic participation and for upholding the spirit of Swachh Bharat Abhiyan. Students took part in campus cleaning activities, segregating waste, and ensuring that the surroundings were neat and well-maintained. Awareness messages and slogans promoting cleanliness and eco-friendly practices were also displayed during the event. The initiative fostered a sense of social responsibility and teamwork among the students, reflecting MIC's ongoing commitment to environmental stewardship. The Swachhata Pakhwada 2025 initiative at MIC was a successful and inspiring event that highlighted the importance of collective action towards a cleaner, greener, and healthier environment. The efforts of the faculty coordinators and student volunteers contributed to strengthening the culture of cleanliness and sustainability within the campus community.	16 Sep 2025
11	MAHE Ombudsman Talk Emphasises Structured Grievance Redressal for Students 	MAHE, Manipal, organised an interaction with the MAHE Ombudsman on 23rd September 2025 to familiarise student representatives with the university's grievance redressal framework. The session was conducted at the EDU Building and brought together student leaders and faculty members from various constituent institutes to engage in dialogue on institutional accountability and student welfare. The meeting was convened with the objective of strengthening awareness about the Ombudsman system at MAHE and clarifying the processes students must follow while addressing grievances. Each institute was represented by one faculty member and three members of the student council, ensuring a balanced exchange of perspectives between the administration and the student community.	23 Sep 2025
12	Leadership workshop 	The leadership workshop, organised by the Department of Student Affairs and conducted by the M R Pai Foundation jointly with the Forum of Free Enterprise, sought out to instil a sense of deep retrospection and self-identity amongst the young leaders of MAHE. With Dr P Giridhar Kini as the Chief Guest, the event began with an inauguration ceremony on 26th September 2025 at 9:30 AM. The guests were welcomed with a wonderful rendition of the flute by a council member of MIT. Following this, the students were invited to join their respective group sessions. Through the various interactive activities and thought-provoking sessions, Mr Sachin Kamath and Mr Vivek Patki assisted the students of MAHE's council through a variety of necessary skills, namely public speaking and creating connections, to mention a	26 - 27 Sep 2025

		few. Throughout these sessions, students were provided with material that helped them strategize and streamline their goals. It also gave many students opportunities to put their thoughts forward. As the workshop came to an end, our speakers—Mr Sachin Kamath and Mr Vivek Patki—as well as the organising personnel from the Department of Student Affairs were felicitated for their hardwork and contribution. In conclusion, the entire session ran for two days and provided an opportunity for all the students to work towards their life goals and gave them a chance to interact with the members of the council.	
13	Daan Utsav 2025 	As part of Daan Utsav 2025, Project Tejas was conducted on 4th October 2025 at the KMC Women's and Children's Ward. The session aimed to bring joy and positivity to the children through creative and engaging activities. The volunteers organised painting and drawing sessions, allowing the children to express their imagination through colours and shapes. Some children also participated in puzzle-solving and mental games, making the atmosphere vibrant and interactive. The ward was filled with cheerful energy, laughter, and enthusiasm throughout the activity. All the volunteers actively participated with warmth, patience, and teamwork, ensuring that every child was included and encouraged. Their compassionate approach and dedication made the event meaningful and memorable for everyone involved. Project Tejas was a joyful and impactful initiative that beautifully embodied the spirit of Daan Utsav. The event successfully spread smiles among the children and strengthened the connection between Volunteer Services Organisation (VSO) volunteers and the community. It truly reflected the VSO vision of spreading happiness through service, creativity, and compassion.	4 Oct 2025
14	Project Jonaki 	As part of the VSO initiative to spread joy and compassion through community engagement, Project Jonaki was conducted on 12th October 2025 at Access Life Cancer Shelter, Manipal. The project aimed to create a cheerful and supportive environment for the children residing at the shelter. The session began with an art and colouring activity, where the children enthusiastically expressed their creativity through drawings and colours. This was followed by interactive games such as throw ball and puzzle-solving, which encouraged teamwork, laughter, and active participation. Although the number of children present was fewer, the four volunteers ensured that each child received individual attention and care. Their warmth, enthusiasm, and dedication helped create a lively and joyful atmosphere throughout the session. Project Jonaki was a heartwarming and meaningful experience that beautifully reflected the VSO spirit of spreading light, joy, and togetherness. The volunteers' efforts made the session impactful, leaving smiles and positivity among the children at Access Life Cancer Shelter. Volunteers Present: Mishal, Trupti, Sreshtha, and Leimathoi.	12 Oct 2025
15	Report on Blue Hour Sessions Conducted by the Student Support Centre	The Student Support Centre, MAHE, organized a series of Blue Hour Sessions aimed at promoting mental health awareness and emotional well-being among students. 		professionals, offering students a safe and supportive space to reflect on personal and social concerns. The Blue Hour Session held on 24th October 24 2025, focused on the theme "Understanding Body-image". The session addressed how body image develops over time and its impact on mental health and self-esteem. Students were encouraged to reflect on social influences, self-perception, and acceptance, leading to meaningful discussions and active participation. Another session was conducted on November 21st, 2025, titled "Who are we when we're watched?" This session explored the idea of social masks and the ways in which individuals shape their identities based on social expectations. The discussion helped students better understand authenticity, self-awareness, and emotional responses in social settings. Both sessions were held from 5:30 PM to 7:00 PM and were open to students from various MAHE institutes and departments. They received positive engagement and contributed to greater awareness of mental well-being and self-reflection among students.	
16	NEEM [Network of Eco Explorers Manipal] - Club celebrates "World Food Day" 	MIC's nature club NEEM celebrated "World Food Day" through its "plant an idea initiative". The theme chosen this year was "Go Green, Eat Clean", with a photo-collage exhibit capturing the pulse of culture and tradition of different cities in India, showcasing the diversity of living food customs and value systems. The student event coordinator was Drisya Hari, and the faculty coordinator was Dr Anupa Lewis. Venue: MIC Auditorium.	25 Oct 2025
17	RASA—Creative Communication Art Exhibition 	The art exhibit titled "RASA Palette of Ethnic Art" was organized by the Creative Communication Students of MAMC-III at the Manipal Institute of Communication, presented a rich tapestry of ethnic expression through visual, olfactory, and gustatory impressions. Held on 27th October at the MIC Auditorium, the event was inaugurated at 11:00 AM by Dr Hild Nordal, Lecturer at Volda University, and remained open for viewing until 3:00 PM. The showcase featured a diverse array of installations by students, including works like Millet Earth by Deeksha Karkera, Warli Sweet Hut by Samruddhi Trivedi, Threads of Mehndi by Joannah John, and Pickle Palette (A Stain of Life) by Abdul Samad, among others. Each piece offered a unique sensory experience rooted in cultural memory and tradition. The event was coordinated by Dr Anupa Lewis.	27 Oct 2025

7	Fanatics, the fashion club of MIC 	Presented a cultural showcase during the MAHE Model United Nations. The performance was based on the theme "Echoes of Old History," drawing inspiration from significant figures such as Alauddin Khilji, Malik Kafur, Padmavat, Mastani, Jodha, Akbar and more. Overall, the performance added a meaningful cultural element to MAHE Model United Nations (MUN) 2025 and was appreciated for its thoughtful presentation of historical narratives.	16 Aug 2025
8	Annual freshers—Oxygen 2025 	The Manipal Institute of Communication hosted its annual freshers' cultural event Oxygen 2025 at the MIC Auditorium on 23 August 2025 at 2:30 PM. The event, organized by the Cultural Coordination Committee, opened with an address by Director Dr Shubha H S. and Faculty Coordinators Mr C Manikandan and Ms Kavita Nagasampige. Freshers showcased their talents through Bollywood songs, a rock band performance, dancing, singing, and a fashion ramp walk. All of which showed creativity and confidence among the newcomers. Short films made by freshers were also screened—The Devil's Apple and Voicemail.	23 Aug 2025
9	Teacher's Day celebration 	Cultural Coordination Committee, MIC, organizes the Teachers Day Celebration on Friday, 5 September 2025 at 4 PM.	5 Sep 2025
10	Onam celebration 	Manipal Institute of Communication celebrated Onam on 6 September 2025, with vibrant festivities and cultural splendour. The event was organised by the Cultural Committee, under the guidance of faculty coordinators Mr Manikandan C and Ms Kavita Nagasampige, and was presided over by the Director, Dr Shubha H S. From the grand welcome of King Mahabali, to the electrifying rhythms of Chendamelam, the day was celebrated with great enthusiasm. The MIC dance club, Meraki, brought the stage to life with a spirited performance featuring the traditional Thiruvathirakali, alongside freestyle and kuthu dance numbers. The excitement then carried forward into traditional games, starting with the Tug of War.	6 Sep 2025

Sl No	Event	Details	Date(s)
11	ARTIFEX Chapter 7	ARTIFEX is a flagship creative fest organised by the Department of Animation, MIC, MAHE, Manipal. The event was conducted as a three-day celebration of creativity, visual storytelling, and innovation in the animation and design industry.	17 Sep 2025
12	Dhol Baaje	the occasion of Dhol Baaje, a fundraiser organized by the Rotaract Club and Fanatics, the fashion club of MIC, presented a spirited fashion showcase at the Student Plaza (SP). The event successfully blended cultural celebration with a meaningful cause, as the fundraiser was dedicated to supporting old age homes and orphanages. The theme of the showcase reflected the festive mood of Navaratri, with traditional kurta-pajamas and vibrant lehengas defining the outfits. The colorful attire and styling captured the joy and energy associated with the festival, resonating with the event's lively atmosphere. All the models were newly recruited members of Fanatics, and this performance marked their debut with the club. Their fresh presence, energy, and enthusiasm brought vibrancy to the event and were warmly appreciated by the audience.	18 Sep 2025
13	Article-19, 2025: "Noise to Narrative: Rooted in the Art of Storytelling"	Article-19, 2025 was a vibrant celebration of creativity, storytelling, and media innovation. This year, the festival revolved around the theme "Noise to Narrative: Rooted in the Art of Storytelling", exploring how stories are shaped from chaos into compelling narratives. Vikramjit Roy, an esteemed Executive Producer and Global Co-production architect, delivered the keynote address. This was followed by an address by the Chief Guest, Ms Vineeta Sharma, Director–Marketing, MAHE. The two-day festival brought together students and creative professionals from across India for a series of thought-provoking discussions, collaborative workshops, and cultural showcases. A scripting workshop was conducted by Mr Mejel Xavier, CEO of Soozhal, a pioneering media and entertainment organisation that specializes in creating tailored content solutions for film production houses, Over-the-Top platforms, and gaming companies.	19 Sep 2025
14	Agomoni	Manipal Institute of Communication celebrated Agomoni and Raas Mela on 11th October 2025 with great pomp and splendour. Agomoni, the Bengali festival, marks the joyous arrival of Maa Durga to her parental home and the onset of the festive season. Kalamanch, the drama and theatre club of MIC, presented a powerful rendition of Mahishasura Mardini, depicting Goddess Durga's battle with the demons Mahishasura and the brothers Shumbha and Nishumbha, aided by Goddess Kali. MIC's dance club, Meraki, performed the Dhunuchi Naach, where the performers balance earthen pots with burning incense, coconut husk, and camphor. They also performed Sindoor Khela, a ritual with historical and cultural significance where women apply vermillion powder to each other's foreheads as a symbol of sisterhood and celebration before bidding farewell to Goddess Durga. Raas Mela, celebrating the vibrant dances and fairs during Navaratri, was observed on the same day, emphasising community as people come together through music and dance. Fanatics, the fashion club of MIC, captivated the audience with a showstopping	11 Oct 2025

Sl No	Event	Details	Date(s)
		ethnic fashion walk featuring traditional attire from across India. Meraki, MIC's dance club, then lifted the energy with a spirited Garba performance, celebrating the joy and rhythm of the season. The event was presided over by Dr Shubha H S, the director of Manipal Institute of Communication, and coordinated by Mr C Manikandan and Ms Kavita Nagasampige, the faculty coordinators.	
15	Ethnic day	Manipal Institute of Communication celebrated Ethnic Day on 11 October 2025, with a vibrant and dynamic pageant. The event commenced with the Mister and Miss MIC contest, where participants graced the ramp in the first round, showcasing their traditional attire with elegance and confidence. The second round featured a lively dance segment, allowing contestants to express their personality and charm. Finalists then faced a round of questions posed by the judges, Professors Dr Padmakumar and Ms Shruthi Shetty, who evaluated their spontaneity and presence of mind. Manu Gautham Dileep and Vibha Venkatesan from MA MC II year were crowned Mister and Miss MIC 2025, respectively. The event was presided over by Dr Shubha H S, the director of Manipal Institute of Communication, and coordinated by Mr C Manikandan and Ms Kavita Nagasampige, the faculty coordinators.	11 Oct 2025
16	MAHE MUN Board Transfer	Meraki, the official dance club of MIC, proudly represented MIC at the MAHE MUN Board Transfer held at the Manipal School of Life Sciences. A powerful trio from Meraki presented a mesmerizing Bharatanatyam performance, channelling the strength of the Devi. Through grace, expression and intensity, the piece celebrated femininity, empowerment and inner resilience, leaving the audience deeply moved.	27 Oct 2025
17	Karunadu Nudisiri—Karnataka Rajyotsava	MIC celebrated Karunadu Nudisiri in honour of Karnataka Rajyotsava, which is observed annually on 1st November across the state. The event began with the lighting of the ceremonial lamp and floral tribute by Dr Shubha H S, Director of MIC, the faculty coordinators of the cultural committee, Dr Manikandan C and Ms Kavita Nagasampige, and the student representatives, Tarunn Prakash and Devendra Shenoy. It was accompanied by the rendition of Naada Geethe, the state anthem. Emcees Sanjana Esturi and Vishal G warmly welcomed the audience, after which the Director addressed the gathering, reflecting on the cultural richness of Karnataka and the significance of preserving its language and traditions. The International exchange students of MIC presented a graceful Bharatanatyam performance under the guidance of Adithi Mehendale. The staff and faculty of MIC also came together for a musical presentation. The non-teaching staff were felicitated with gifts in appreciation of their contributions. The institute's music club, UNPLGD, further enlivened the atmosphere with a vibrant performance. To mark the occasion, several competitions were organised, including Cooking Without Fire, the Rajakumara and Rajakumari pageant, and the traditional game of Lagori. Tejaswi S J Rao and Sai Niranjan were crowned Rajakumaras, while Ankitha R was crowned Rajakumari. The Cooking Without Fire competition was won by Senora Dsouza, Chris Joy Kachhap, and Aryan Dinesh Shriyan, with Rekan Kumar and Prasanna Kumar M	8 Nov 2025

2	WAVES 2025 	MIC once again made its mark on the national cultural stage with a spectacular performance at WAVES 2025, the annual cultural fest of Birla Institute of Technology, Goa. After a remarkable run at WAVES 2024, MIC returned stronger this year, securing first place in two major categories—Fashion Parade and Nrithyakala—proving its growing dominance in creative and performing arts. With an enthusiastic contingent of 73 students, MIC showcased excellence across music, dance, theatre, literature, and fashion. The fest, known for drawing some of the finest talents from universities across India, became a stage where MIC's artistic prowess and collaborative spirit shone brightly. The dance club Meraki delivered a breathtaking Nrithyakala performance, mesmerizing the audience and judges alike. Their Bharatanatyam choreography, deeply rooted in rhythm and storytelling, stood out among fierce competition and earned them the first prize, marking a proud milestone for the team. The fashion club, Fanatics, brought glamour and creativity to the runway, clinching first place in the Fashion Parade. Their performance was a perfect blend of concept, style, and presentation, earning wide acclaim for its innovation and execution. Sarah Lobo (BAMC II) won Best Model of WAVES 2025. It was verbally revealed that three of our students—Sarah Lobo, PG Abhiram, and Dev Tehlan—would be models for the upscale clothing brand Westside. The public speaking club, yELL, demonstrated intellectual sharpness through quizzes, short story writing, and literary contests. Vaibhav Koushik (BAMC II) added to the club's achievements by securing 3rd place in Querencia, the short story writing competition.	30 Oct 2025

T A Pai Management Institute (TAPMI), Bengaluru

Address: MAHE Bengaluru Campus (Institution of Eminence Deemed to be University) Govindapura, Yelahanka, Bengaluru 560064, Karnataka, India
Phone Number: (080) 2449 4180
Email (Office): dean.tapmiblr@manipal.edu **Dean:** navaneetha.ks@manipal.edu

Name of the Dean: S Navaneetha Krishnan
Established: 2022
Details of the Programs Offered by the Institution:

- BBA(Honours)
- MBA Technology Management

About the Institution/School:
TAPMI Bengaluru extends the four-decade legacy and outstanding institutional culture of TAPMI Manipal with a holistic learning experience for students, excellent career support, and state-of-the-art infrastructure. TAPMI is among the top 5 per cent of business schools worldwide to have received the illustrious AACSB and AMBA accreditation and is a participant in PRME, demonstrating a commitment to advancing values such as sustainability, responsibility, and ethics in teaching, research, and thought leadership. TAPMI Bengaluru commenced its activities in 2022 and offers two specialized programs: BBA Honours and MBA Technology Management. Situated in the heart of India's tech capital, the institute provides students with unique opportunities to engage with leading corporates and gain real-world insights through industry interactions, internships, and live projects. 1. The Bachelor of Business Administration Honours (BBA Honours) program is a four-year transformative course based on an industry-aligned curriculum and centered around experiential learning to cultivate comprehensive skills and knowledge, fostering the holistic development of students. Additionally, the program offers students the flexibility to exit with a BBA degree after three years. The four-year BBA Honours program is designed to catapult students into outstanding careers: Year 1 – Multidisciplinary foundational courses followed by a social internship; Year 2 – Core business and management courses followed by a sales internship; Year 3 – Specialization courses followed by a corporate internship; Year 4 – Honours Learning Track. TAPMI's four-year program design includes several innovative features. Students can choose from any of the following five tracks in the

fourth year: • Track 1 – Corporate Track: (Functional Specialization): Choose from the following disciplines to specialize in – Marketing, Finance, HR, Operations, Analytics, Strategy, etc. At the end of the fourth year, students may participate in the placement process and secure a corporate role. • Track 2 – Research Track: Students may opt for this track in preparation for doctoral work. • Track 3 – Entrepreneurship Track: Students with the aptitude and ability may pursue this track, leading to the launch of a business start-up. • Track 4 – Higher Education in a Foreign University. 2. The MBA in Technology Management is designed to prepare future leaders for the evolving business landscape, where technology plays a crucial role. This program focuses on Business Management, Technology Management, and Sectoral Specialization, ensuring that students develop a comprehensive understanding of business fundamentals alongside emerging technological trends. The objective is to enhance the application of technology by MBA graduates to improve technological efficiency in companies. This is a two-year program for students with two to seven years of technology experience in leading IT services, product, and platform companies. The curriculum is built on three unique pillars: Pillar 1 – Business Management Fundamentals; Pillar 2 – Technology Management, including the creation, selling, implementation, and adoption of technology; Pillar 3 – Industry vertical specialization, such as FinTech, E-Commerce, Retail, and Healthcare. TAPMI is also at the forefront of research, with its faculty members contributing their intellectual output to the top journals. TAPMI Bangalore has a Centre for Social Empowerment, with a focus on Sustainability and nurturing the social sector.

Institutional Activities/Curricular Activities

New Initiatives:

Sl No	Activity	Particulars	Date(s)
1	The TAPMI Centre for Social Empowerment (CSE) is a key institutional initiative aimed at advancing socially relevant engagement through collaborations among academia, industry, and communities. It actively involves faculty and students at MAHE in projects centered on inclusive development, sustainability, and social impact, particularly within underserved sectors. CSE facilitates partnerships with national and sectoral institutions to address real-world challenges through research, consulting, training, and experiential learning. A notable example is the MoU between TAPMI Bengaluru and the National Cooperative Union of India (NCUI), New Delhi, initiated under CSE's leadership. This collaboration focuses on strengthening the financial sustainability of cooperatives and enhancing youth participation in the cooperative movement in alignment with national development goals. Through its multifaceted activities, CSE fosters meaningful engagement among policymakers, industry experts, faculty, and students, enriching academic experiences while contributing to broader societal progress.	The TAPMI Centre for Social Empowerment (CSE) • Name of the Centre: TAPMI Centre for Social Empowerment(CSE) • Institution: T A Pai Management Institute (TAPMI), Bengaluru • Parent University: Manipal Academy of Higher Education (MAHE), Manipal • Nature of Activity: Social impact, sustainability, and community engagement initiatives • Focus Areas: -Inclusive growth and social empowerment -Sustainable development initiatives -Cooperative sector development -Youth engagement and capacity building • Key Activities: -Research and consulting on socially relevant issues -Capacity building programs and workshops -Faculty and student engagement projects -Industry and institutional collaborations -Guidance and Governance: Led by academic leaders and supported by experienced industry advisors • Outcome Orientation: -Strengthening institutions and communities -Enhancing experiential learning -Promoting responsible management education • Alignment: -National development priorities -United Nations Sustainable Development Goals (SDGs)	31 Jul 2025

Brief About the Centre

TAPMI Centre for Social Empowerment stands apart through its holistic approach that blends inclusive growth, sustainable development, cooperative sector excellence, and purposeful youth engagement.
The centre empowers communities by promoting equitable access to opportunities, designing sustainability-focused interventions, strengthening grassroots cooperatives, and building the next generation of socially conscious leaders through structured training, research, and field-based action.

Vision: The Centre for Social Empowerment (CSE) is dedicated to creating a just, inclusive, and empowered society where every individual—regardless of background or circumstance—has the opportunity, voice, and agency to shape their future and contribute meaningfully to their communities towards a sustainable future.

Mission: The primary mission of the Centre for Social Empowerment (CSE) is to foster inclusive, sustainable growth by empowering the marginalized groups in the underserved geographies with the right knowledge and opportunities to achieve social and economic empowerment and cultural inclusivity.
We are committed to advancing equity, dignity, and active participation through student engagement, knowledge sharing, advocacy, capacity building, and collaborative action.

Objective

The primary objective of the CSE is to generate innovative solutions and data-driven insights for addressing social issues through responsible and sustainable organizational practices and ecosystem strengthening. This will be achieved through a couple of short-term and long-term objectives as follows:

Short-term objectives	Medium-term objectives	Long-term objectives
Objective 1: Execute funded research and consulting projects.	**Objective 1:** Establish a social innovation lab and think tank.	**Objective 1:** Become a Premier Knowledge Hub.
Objective 2: Deepen strategic collaborations with social purpose organizations.	**Objective 2:** Deliver High-Impact Capacity Building.	**Objective 2:** Establish a Partnered Endowment Fund.
Objective 3: Scale student engagement through social immersion projects.	**Objective 3:** Host an annual multi-stakeholder conference.	**Objective 3:** Cultivate a Global Community of Social Innovators.

Details of Programs Offered by the Institution

- Bachelor of Arts (BA)/BA Honours with Majors and Double Majors (Economics/English/ French and Intercultural Studies/ German and Intercultural Studies/ History/ Philosophy/ Psychology/ Sociology).
- Master of Arts (MA) (English/ European Studies/History/ Philosophy/Sociology).
- Master of Arts (MA) Geopolitics and International Relations.
- MA (Research) in Sankrit Studies.
- Doctor of Philosophy (PhD)

About the Institution/School

MISHA adopts a liberal arts approach to a diverse range of disciplines that explore human experiences, knowledge systems, and societies. The academic offerings at MISHA include a flagship BA/BA Honours program with Majors and Minors, several MA

programs in key domains, and a PhD program. The consolidation of these diverse units brings together an incredible range of programs with curated courses that are unique in India. These courses enable students to grasp a range of disciplines, each with diverse methodologies. In a world where conventional career pathways are radically altering, the humanities and social sciences are well-positioned to provide students a broad array of critical transferable skills that can be used in various fields and domains. These include the corporate and social sectors, media and publishing, think-tanks, universities, cultural heritage and art industries, law, and so on. MISHA gives students the widest possible exposure to successful and fulfilling careers.

Institutional Activities/Curricular Activities

New Initiatives

Sl No	Activity	Particulars	Date(s)
1	Proposal for a Centre for Disability Studies and Research (CDSR) to: a) establish a centre where disability will be examined from multiple academic standpoints; namely the socio-cultural, literary, legal, political, and philosophical disciplines. b)*To gain recognition as a leading centre of humanities-based disability research and teaching at the national and international levels.	The Centre for Disability Studies and Research (CDSR) will be the hub of humanities-driven, interdisciplinary research in disability studies at MAHE, Manipal. While MAHE has a robust legacy in medical and rehabilitative care for disabled "patients", it will benefit from developing a strong and sustained cultural approach to these issues from within the humanities. The university, however, has taken some steps in this direction; Professor Jagriti Gangopadhyay and Professor Gayathri Prabhu, two seasoned scholars at Manipal Centre for Humanities, have done important work in allied domains. The centre will undertake teaching, research, and training involving multiple stakeholders from India and abroad, such as academics from the humanities, social and health sciences, legal studies, architecture, and technology including persons with disabilities and their families, students, etc.	15 Oct 2025 - 15 Oct 2027

International Centre for Business Studies

Address: Manipal Centre for European Studies, Manipal Institute of Social Sciences, Humanities and Arts
Email (Coordinator): aatmika.shetty@manipal.edu

Year of Establishment of the Centre: 2015
Name of the Coordinator: Ms Aroor Aatmika Shetty
Members: Ms Aroor Aatmika Shetty

Brief About the Centre:

Vision:
To foster a global campus where through mutual understanding and respect, all MAHE Stakeholders transform and grow together.

Mission:
ICBS is dedicated to fostering a dynamic and collaborative environment that encourages meaningful academic engagement and the exchange of ideas with peers through robust national and international professional networks. The center strives to bridge academia and industry by building strong connections with industry leaders, enabling innovative partnerships that drive growth and success. By cultivating a space for knowledge sharing and professional development, ICBS empowers individuals and organizations to thrive in an ever-evolving global landscape.

Objectives:
- To facilitate cross-cultural communication and understanding through internationalization initiatives, fostering a global mindset among students, faculty, and corporate partners.
- To forge strategic partnerships with multinational corporations and industry leaders to offer experiential learning opportunities, internships, and job placements for students.
- To implement innovative teaching methodologies and technology-driven solutions to enhance the effectiveness and relevance of corporate training programs.

Centre for Education Research (CER)

Address: Manipal Centre for European Studies, Old WGSHA Building, Opposite KMC hospital, Manipal-576104
Email (Centre): cer@manipal.edu **Email (Coordinator):** priya.poojary@manipal.edu

Year of Establishment of the Centre: 2018
Name of the Coordinator: Ms Priya Vijaykumar Poojary
Members: Dr Senthil Kumaran, Dr Animesh Jain, Ms Ida Dsouza

Brief About the Centre:

Vision
Excellence in inclusive, responsible, and quality research and policy dialogue in education.

Mission
Be the most preferred destination for researchers in education with a multidisciplinary approach.

Engage in research and policy advocacy in education nationally with a global outlook.

Objectives
- To promote quality research in education - school education, higher education, and medical education
- To support evidence-based education policy
- To analyze existing policies, publish and disseminate research outcomes
- To generate policy dialogues among stakeholders
- To network with other think tanks and centres of education research

Activities at the Centre:

Sl No	Name of the Activity	Particulars	Date
1.	3-credit certificate course *Higher Education 1-O-1: Research, Policy, and Practice* over four months	The program examined HE's dynamic shifts amid globalization-deglobalization, regionalism, nationalism, conflicts, tech innovations like generative AI, DEI, sustainability, and financing issues. Spanning nine modules, from HE fundamentals and internationalization to decolonization, rankings, digital classrooms, and war's impacts. It aimed to enable students to analyze policies and propose reforms tailored to diverse scales. The first edition of the course had four students registered and successfully completed.	Jan-Apr 2025
2	National Workshop on Bilingual Pedagogy in Early Childhood Care and Education (ECCE).	On 29 and 30 August 2025, Prasanna School of Public Health (PSPH) at Manipal Academy of Higher Education (MAHE), in collaboration with Center for Education Research (CER), MAHE, MISHA (MAHE), and DIET Udupi, hosted an offline international workshop on Bilingual Pedagogy in Early Childhood Care and Education (ECCE). Discussions focused on child language development, curricula, and ECCE practices, aligning with PSPH's academics/research pillars and SDGs 4 (Quality Education), 8 (Decent Work), and 10 (Reduced Inequalities), equipping participants with practical skills for Udupi's Cluster Resource Persons (CRPs) and Block Resource Persons (BRPs).	29-30 Aug 2025

Brief About the Centre

Objectives:

1. To create a Centre of knowledge, information, research, and cooperation on subjects relating to India's engagement with the Indo-Pacific region and India's extended neighbourhood in the region.

2. To provide an institutional foundation for the exchange of students, scholars, and professionals to interact, educate and cooperate on ideas, academic pursuits, and professional practices for the benefit of a larger section of people and stakeholders.

3. To chart a roadmap of events and activities in consonance with the existing organizations, institutions, and forums such as the RIS, IORA, ASEAN, BIMSTEC, SAGAR, MEA-Indo-Pacific Division, etc.

4. To explore, initiate, and stimulate opportunities and policies to interact and collaborate with countries in the larger Indo-Pacific region and those in the ambit of India's extended neighbourhood in the areas of science, technology, medicine, healthcare, academic disciplines classified under Humanities, and any other area of academic and commercial importance.

5. To interact and network with students, faculty, researchers, and institutions to facilitate the exchange of knowledge and experience as part of the capacity-building process.

Dvaita Philosophy Resource Centre

Address: Old WGSHA Building, Udupi- Hebri Road, Near Kasturba Hospital, Manipal-576104
Phone Number: 9986085634
Email (Centre): dprc@manipal.edu
Email (Coordinator): acharya.srinivasan@manipal.edu

Year of Establishment of the Centre: 2010
Name of the Coordinator: Dr Srinivasa Kumar N Acharya

Brief About the Centre:
Vision: The Centre creates academic platforms for philosophical discourse on Dvaita Vedanta. The larger idea is to integrate Indian knowledge systems into the global knowledge system.

Mission: DPRC strives to be the Centre of excellence among Dvaita centres and encourages the academic approach to Dvaita School, offering programs, conducting research, and bringing out publications.

Objectives:
- To preserve the rich philosophical, spiritual, and cultural heritage of India
- To open the doors of Indian philosophy to the scholars of the world
- To bridge the gap between traditional and modern academia with the help of technology
- To mainstream the discourses in philosophy and social sciences with a focus on contemporary relevance

Brief About the Centre:
The Centre for Therapeutic Philosophy (CTP) is committed to advancing holistic well-being by integrating philosophical inquiry with therapeutic practices. While the Centre draws inspiration from India's rich philosophical traditions, it also embraces a global perspective on therapeutic philosophy. Our goal is to demonstrate how philosophy can be a practical and enriching force for life and health, offering more than just theoretical insights, but tangible, actionable pathways to well-being. Our methodological framework involves engaging in concrete philosophical practices able to foster epistemological mindfulness, metaphysical contemplation, and ethical inquiry, to cultivate a deeper understanding of human nature and the workings of the mind, with an eye on the consequences of individual behaviours on the world.

Vision:
Dedicated to exploring therapeutic philosophies from a global perspective, with a particular emphasis on the transformative principles of Indian philosophy.

Mission:
Promoting holistic well-being through the integration of philosophical and therapeutic practices
Objectives:

1. Biennial International Conference of 'Therapeutic Philosophy in Global Perspectives'
2. To offer cutting-edge interdisciplinary courses in the field (in person and online)
3. To promote research collaboration and international networking in the field, leading to publication in outstanding journals

Phone Number: 0820 2923561
Email (Coordinator): jagriti.g@manipal.edu

Year of Establishment of the Centre: 2016

Name of the Coordinator: Dr Jagriti Gangopadhyay

Brief About the Centre

Vision: The Centre for Women's Studies at the Manipal Centre for Humanities, and under the leadership of Manipal Academy of Higher Education (MAHE), was formed with the goal of fostering different gender issues through academic engagement and policy discourse.

Mission: The main aim of this Centre is to focus on key areas of enforcement of women's rights, such as Women, Labour and the Economy, Sexuality, Caste and Gender, Politics of Reproduction, The Domestic Sphere, and Violence and Discrimination.

Objectives

1. To focus on equality and ethical issues related to gender and sexuality.
2. To document, study, and advocate for women's issues in different spheres, such as education, health, the legal system, and policy.
3. To sensitize, educate, and encourage different target groups and stakeholders to address the complex changing demands related to gender in a developing country such as India.
4. To build MAHE's reputation as a gender sensitive organization and collaborate amongst different institutions within MAHE.

K K Hebbar Gallery and Art Centre

Address: K K Hebbar Gallery and Art Centre (HGAC), Manipal Centre for Humanities,
Dr T M A Pai Planetarium Complex, Alevoor Road, Manipal 576104
Phone Number: 0820 29 23561
Email (Coordinator): anusha.r@manipal.edu

Year of Establishment of the Centre: 2016
Name of the Coordinator: Ms Anusha Ravishankar
Members: HGAC Board

Brief About the Centre

The K K Hebbar Gallery and Art Centre (HGAC) at the Manipal Centre for Humanities (MCH) and under the leadership of Manipal Academy of Higher Education (MAHE), was formed with the goal of creating a space that nurtures creative expression and art pedagogy, cross-disciplinary engagement with artists, cultural practitioners, and student communities. The Art Centre houses twenty-six works of K K Hebbar from the Portrait Collection, courtesy of the K K Hebbar Art Foundation. The Art Centre situated on the top floor of the building of the Manipal Centre for Humanities is the first step of the MAHE's initiative to eventually establish a cultural Centre promoting art and performance with special emphasis on the coastal region of Tulu Nadu & South Canara.

Vision: The main aim of this Centre is to ensure inclusive and equitable quality education in the arts and promote lifelong learning opportunities for all. HGAC is committed to its immediate regional community of students and artists, as well as the wider global artistic community, with a focus on creating a space for thinking about and making art.

Mission: Artist-led projects supported by MAHE, and collaborative initiatives across disciplines and departments. HGAC aims to foster an engagement with the arts in the spirit of constructive critical enquiry and act as an enabling space for curious and creative minds, encouraging meaningful kinships in the region.

Objectives

- Curating programs that include workshops and readings, forums and screenings, and a keen interest in engaging with the student community and the artistic community in and around the region of Tulu Nadu and South Canara.
- Invite and host artists and art works from across India and internationally which are accessible to all students and the public.
- Support for artist-led projects and collaborative initiatives that create a strong impetus for engaging with the arts.
- To build Manipal Academy of Higher Education (MAHE) reputation as an arts and culture sensitive organization and collaborate amongst different institutions within Manipal Academy of Higher Education (MAHE)

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	Conducted monthly Open Mic events at the gallery space open to all MAHE students and staff to perform poetry, narrative fiction, dramatic text, and original music in any language to a live audience. 	In a first this year, Dr Ketaki Chowkhani, sociology faculty from MCH, premiered the dramatized reading of her one-woman one-act play 'Keerti K, Spinster', which has since been published. Audiences at HGAC were the first to see it read and performed.	Jan-Dec 2025
2	Conducted the first talk of the series 'Curating the City: Conversations and Interventions', where experienced curators and cultural practitioners are invited to Manipal. They introduce audiences to the practice of curating a city. Participating in the global conversation on how our cities can themselves be seen as	Historian and journalist Yunus Lasania spoke to MAHE students and faculty gathered about curating his beloved city of Hyderabad through the curatorial practice of heritage walks, where the city's historical monuments, old cafes,	7 Feb 2025

	museums holding precious artefacts within them.	buildings, parks, and culinary histories are explored and shared.	
3	Hosted 'Come Eat With Me' - a performance piece by Sri Vamsi Matta that explores the relationship between caste and food while sharing a meal together.	Attended by audiences from across MAHE	14 Feb 2025
4	Student visits and curated tours for MAHE institutions and other national institutions. Art Appreciation workshops to introduce students to modernist paintings and, in particular Hebbar's portraits.	Students learn ways to look at portraits and engage meaningfully with the form, medium, and the artist's exploration of the inner and outer worlds of the subjects.	Jan-Dec 2025
5	MAP Academy (Museum of Art and Photography, Bangalore) conducted a workshop 'Interpreting Contemporary Indian Art' with a special focus on Hebbar's portraits. Conducted by Sneha Sridhar and Krishna Unny.	This workshop equipped students to understand and appreciate Indian artworks from the 19th century to the present. It looked at socio-political changes in modern India and the influence of KK Hebbar's experimentations with traditional and modern art — including his expressive line-drawings on the country's evolving artistic landscape. Through a series of discussions and hands-on activities, students developed tools to appreciate unfamiliar art, and also get a chance to pause and reflect on conversations.	11 Oct 2025

About the Institution/School

The Department of Library and Information Sciences was established on 01 August 2011. The department is situated at the Health Sciences Library of the University. Apart from the classroom learning, students are exposed to practical environments to get acquainted with the organizational structure of various types of libraries through field visits and internships. The Department has developed an updated and employable curriculum. Emphasis has been given to practice-led teaching, practice-supported learning, and hands-on training through online and offline resources. Students will be given exposure to the advanced techniques in the field of librarianship, including computing, internet, and library software training facilities.

Doctoral (PhD) Programs

About Institution/School:

Manipal School of Commerce & Economics (MSCE), formerly known as Department of Commerce (DoC) was established in the year 2007 with the launch of the undergraduate program—BBM—specializing in e-banking and finance. The institute subsequently introduced additional specializations, namely: Financial Markets, Professional, Logistics and Supply Chain Management; Human Resource Management; Marketing Management; Insurance, Family Business Management; Business Analytics; and Economic Studies. The institute also started a MCom program, specializing in Logistics and Supply Chain, Professional, and Banking Technology; BCom program with Professional and Business Process Services specializations; and a one-year Post Graduate Diploma (PGD) in Logistics and Supply Chain. From the academic year 2018, the institute

introduced two more PG programs: MSc Health Economics and MSc Financial Economics. In the year 2019, —MSc in Business Analytics was introduced, followed by MA in Digital and Creative Marketing in 2020 and Master of Sports Management in 2024. Mcom in Banking Technology was replaced with M.com in Fintech and Analytics and MCom in Logistics and Supply Chain Management with MSc in Supply Chain Management from 2025 Academic year onwards. The vision of the institute is to develop into a world-class centre of excellence in education, training, and research. We strive to prepare students not only for examinations but also for life, with industry oriented areas of specialization and competence. MSCE hosts eight centres focused on excellence in their respective domains. They are: Centre for Advanced Learning in Finance and Accounting; Centre for Managing Family Business; Centre for Supply Chain Education and Research; Centre for Consultancy, Training, and Corporate Interface; Centre for Business Analytics; Centre for Economics and Social Networking; Centre for Advanced Research in Financial Inclusion; and Centre for Social Entrepreneurship. MSCE has recorded a consistent improvement in its academic, research, and placement performance. It offers a range of innovatively designed programs whose curricula are constantly updated to meet the changing requirements of the industry and to meet the needs of major stakeholders. We are encouraged to see many industries coming back to our to recruit our students, which reinforces our belief in the effectiveness of our curriculum and its suitability to the dynamic corporate world.

Institutional Activities/Curricular Activities

New Initiatives

Sl No	Activity	Particulars	Date(s)
1	Renaming of Master of Commerce (Banking Technology) as Master of Commerce (Fintech and Analytics)	MSCE entered into a Memorandum of Understanding (MoU) with National Stock Exchange (NSE) Academy through which MSCE will receive academic support from NSE Academy. With the support from NSE Academy, a detailed curriculum revision of Master of Commerce (Banking Technology) was undertaken, and the revised curriculum was introduced from the academic year 2025–26 with new nomenclature for the programme as Master of Commerce (Fintech and Analytics) widening the scope of the programme and industry relevance.	17 Jan 2025
2	Renaming of Master of Commerce (Logistics and Supply Chain Management) as Master of Science (Supply Chain Management)	In alignment with the requirements of the industry—based on the feedback from industry representatives, students, academicians and other stakeholders— MSCE undertook extensive curriculum revision of Master of Commerce (Logistics and Supply Chain Management) and the revised curriculum was introduced from the academic year 2025–26 with new nomenclature for the programme as Master of Science (Supply Chain management) widening the scope of the programme and industry relevance.	17 Jan 2025
3	Introduction of new specialisations in Bachelor of Commerce programme (((1)Fintech and Data Analytics (2) Capital Markets) in collaboration with NSE academy	–MSCE entered into a MoU with NSE Academy through which – MSCE will receive academic support from NSE Academy. With the support from NSE Academy for training, academic delivery, and certifications; MSCE has introduced two new specialisations—1) Fintech and Data Analytics (2) Capital Markets—in the BCom program of the institute from the academic year 2025–26.	17 Jan 2025

Brief About the Centre

Vision

- To be a leading centre of excellence in finance and accounting education, integrating globally recognized certifications, interdisciplinary financial literacy, and cutting-edge research, with the aim of developing future-ready professionals equipped with industry-relevant skills and insights.

Mission

- To offer globally recognized certifications such as US Certified Management Accountant (CMA), Association of Chartered Certified Accountants (ACCA, Chartered Institute of Management Accountants (CIMA), Bloomberg, and stock market-related credentials, enhancing employability and industry readiness.
- To extend financial education to non-finance students, fostering essential life skills in personal finance, budgeting, and wealth management.
- To advance the knowledge frontier in finance and accounting through research in emerging areas such as fintech, sustainable finance, risk management, and behavioural finance.
- To utilize financial data and analytics software in a case-based learning approach, providing practical experience in financial data analysis and decision-making.
- To partner with leading financial institutions, regulatory bodies, and academic organizations to align learning with market trends and evolving industry demands.

Objectives

- Enhance professional competency through globally recognized certification programs that provide industry-relevant knowledge and practical skills, thereby improving employability.
- Promote financial literacy by designing tailored financial education programs for non-finance students, equipping them with essential finance and accounting skills, and contributing to financial inclusion.
- Advance research and innovation in finance and accounting by leveraging real-time financial data and analytical software, while encouraging contributions to academic literature, policy discussions, and industry advancements.
- Strengthen industry and academic partnerships through strategic alliances with financial institutions, regulatory bodies, professional associations, and universities to drive industry-aligned curriculum, guest lectures, internships, research collaborations, and placement opportunities.

Brief about the Centre

The Centre for Economics and Social Networking (CESN) is a research centre based at the Manipal School of Commerce and Economics under Manipal Academy of Higher Education, India. CESN focuses on interdisciplinary research at the intersection of economics, social networks, and data analytics. CESN serves as a dynamic academic platform fostering interdisciplinary research, dialogue, and community engagement in the areas of economics, public policy, and social capital. The Centre integrates theoretical frameworks with real-world applications to promote evidence-based decision-making and socially responsible development.

Vision: To become a leading academic centre promoting research-driven social networking and economic transformation aligned with sustainable development goals.

Mission

- To facilitate research and dialogue in economics and social systems
- To strengthen academic-industry-society linkages
- To promote socially relevant, Impact-oriented initiatives
- To encourage student engagement in research and community development

Objectives

- Conduct seminars, workshops, and research discussions
- Promote SDG-oriented projects and outreach programs
- Encourage collaborative research and policy dialogue
- Enhance student leadership and networking opportunities.

Details of Programs Offered by the Institution

The Department of Commerce (DoC) is a dynamic and integral part of MAHE, Bengaluru Campus. The department is a new-age academic place aiming to set a benchmark in commerce education through a multidisciplinary program that will work at the intersection of commerce, business, analytics, design thinking, and technology. With the untiring efforts of our accomplished faculty and talented students, we will be able to make rapid progress on our path of continuous growth. We are fully committed to creating and nurturing leaders who will empower their organizations in the global economy through trust, transparency, and radical honesty. The department is dedicated to fostering academic excellence and practical knowledge in the field of commerce. The department plays a vital role in preparing students for the challenges of the ever-evolving business world. With a commitment to providing a comprehensive education. Further, DoC strives to equip students with the skills and knowledge necessary to excel in various facets of commerce and business management. Through a focus on core competencies, we prepare our students to thrive in the dynamic and competitive landscape of the commerce sector.

The following programs are offered at DoC

1. BCom (H)
2. MCom
3. PhD

About the Institution/School:

1. Global Professional Integration
    - UG/PG programs are integrated with ACCA (Association of Chartered Certified Accountants), offering nine paper exemptions and professional training for the remaining papers.
    - Additional certifications like US CPA, US CMA, and EA are available, giving students an international edge.

2. Industry-Relevant Specializations

- Cutting-edge specializations in Business Analytics, Banking & Finance, Fintech, and Corporate Accounting prepare students for emerging market needs.

3. Career Readiness & Placement Support

- Comprehensive training for aptitude, interviews, and group discussions ensures strong placement outcomes.
- Multiple internships and financial market training through NSE-certified NISM and NCFM modules.

4. Global Exposure

- International collaborations for student exchange, summer programs, and faculty exchange.
- Global Immersion Programs for international learning experiences.

5. Dynamic Learning Environment

- Experienced faculty and Professors of Practice bring real-world insights.
- Modern infrastructure with a Wi-Fi-enabled campus, advanced labs, and digital resources.

1	SUSTAINNOVATE 2025	The objective is to empower students with sustainable business insights, creative expression, and strategic leadership skills through experiential learning platforms aligned with global sustainability goals. 1. Promote Sustainable Business Thinking • Encourage students to integrate the United Nations Sustainable Development Goals (SDGs) into business strategies. 2. Foster Innovation and Strategic Skills • Through competitive events such as Business Battles—covering Marketing, Finance, HR, Best Manager, and Business Plan Development—students showcased industry knowledge and innovative problem-solving skills. 3. Enhance Creativity and Inclusivity • Cultural programs, including dance performances and fashion walks, provided a platform for artistic expression and promoted inclusivity among participants. 4. Build Teamwork and Competitive Spirit • Sports and gaming activities, such as mobile gaming and football tournaments, emphasized collaboration, resilience, and healthy competition. 5. Provide Experiential Learning • Students gained hands-on exposure to real-world business challenges, sustainability concepts, and leadership roles through event coordination and active participation.	05 - 07 Mar 2025
2	A course on Environmental Studies was included in the curriculum.	As part of the Environmental Studies curriculum, a donation drive was organized in support of Charlie's Animal Rescue Centre (CARE), a local animal shelter. The primary objective of this initiative was to collect essential supplies for the shelter, which provides care for over 300 animals. Additionally, a visit to the facility was undertaken to enhance participants' understanding of animal welfare practices, rescue	23 - 30 Mar 2025

operations, and the ethical responsibility of treating animals with compassion and dignity.

3 International Conference on Sustainable Synergies 2025

1. Promote Sustainable and Resilient Business Practices, address global challenges such as technological disruption, environmental concerns, and social responsibility by implementing sustainable business strategies.
2. Align with the United Nations Sustainable Development Goals (SDGs), encourage research and discussions that integrate SDGs into key areas such as economics, finance, marketing, human resources, supply chain management, and corporate governance.
3. Facilitate Knowledge Exchange between Academia and Industry, create platforms for scholars, industry experts, and policymakers to share insights, innovations, and best practices that strengthen global business resilience.
4. Drive Technological Innovation in Business, explore emerging tools such as FinTech, business analytics, and digital transformation to achieve sustainable growth and maintain a competitive advantage.
5. Foster Collaborative Research and Networking, build international partnerships and interdisciplinary collaborations to advance research and develop practical solutions for sustainability.

27 - 28 Nov 2025

Details of Guest Visit (Lectures, Collaboration, Visitors on Campus)

Guest Lectures

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
1	Mr Sridhar Kubasad	Associate Vice President, ANZ	The guest session was a comprehensive talk covering resume writing, mock interviews, group discussions, digital skills, corporate communication, and more. It was designed to provide students with practical insights and prepare them for future placement activities. The session offered valuable exposure to industry expectations, helping participants gain confidence in interview techniques, professional communication, and overall career readiness.	31 Jan 2025 - 01 Feb 2025
2	Dr Rakesh Pati	Senior Professor, Deakin University, Australia	To equip students and professionals with actionable strategies for navigating hyper-competitive markets by leveraging innovation, differentiation, and agility, while fostering resilience and sustainable growth.	25 Mar 2025
3	Dr Rajesh Kumar	Founder, Vittam Praveena Gurushala	The primary objective of the session was to provide training in data analysis using Jamovi, a free, open-source statistical software that is widely used in academic and applied research. The session offered hands-on experience to help students and research scholars enhance their understanding of data analytics and strengthen their analytical skills.	23 - 24 May 2025
4	Dr Rakesh Pati	Senior Professor, Deakin University, Australia	The primary objective of the guest talk on "Decision Making: The Psychology of Choice" was to provide participants with insights into the cognitive processes, behavioural patterns, and psychological factors that influence decision-making. The session aimed to deepen understanding of how biases, heuristics, and emotional triggers shape choices, while equipping attendees with strategies to make informed, rational, and effective decisions in both personal and professional contexts.	22 Aug 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
5	StepUp Learning Solutions Professionals	StepUp Learning Solutions	The primary objective of this program was to enhance the analytical, verbal, and logical abilities of students, preparing them for campus placements and various competitive examinations. The training covered three major modules of Quantitative Aptitude, Verbal Ability and Reading Comprehension, and Logical Reasoning and Data Interpretation.	28 Aug 2025 - 10 Oct 2025
6	Dr V K Ranjith	Professor, Manipal School of Commerce and Economics	The session's objective was to explore various types of cases used in teaching, including critical incidents, descriptive illustrations, problem-identification cases, and decision-focused stories. They covered application-based cases, contextual issue cases, and cases presented through multimedia and digital formats.	04 - 05 Sep 2025
7	Vishal Agrawal	VP-Operations, Scripbox Wealth Managers	The objective of the session is to highlight the opportunities in the fintech sector, but also to think critically about the evolving financial ecosystem.	18 Sep 2025
8	Shejal Ajmera and Malay Shah	Co-Founders, Crisp Idea	The main objective of the session was to familiarize students with the recruitment process, job expectations, and professional competencies required in the field of equity research and capital markets. The session also aimed to enhance students' understanding of industry demands and help them align their preparation accordingly.	07 Oct 2025
9	Mr Pawan Kuldeep	Head HR, Discover Dollar	The main objective of the session was to familiarize students with the recruitment process, job expectations, and professional competencies required in the field of financial analysis. The session also aimed to enhance students' understanding of industry demands and help them align their preparation accordingly.	07 Oct 2025
10	Nidhi Pant	Lead-Partner Learning, KPMG India	The objective of the session was to highlight modern tools and methods driving skill development, emphasizing the shift toward platforms such as Learning Management Systems (LMS) and Learning Experience Platforms (LXP). LinkedIn Learning was cited as a prime example of an accessible and effective professional development resource.	07 Oct 2025
11	Prof Viraj Kumar	Visiting Professor, Kotak–IISc AI-ML Center, Indian Institute of Science (IISc)	The session addressed a core issue facing modern education: generative AI tools are now widely accessible to students and are becoming ubiquitous in professional workflows. Since these AI tools can create complex artifacts central to many fields, including computing and business domains.	15 Oct 2025
12	Biji Balan	Head HR, Kaufman Rossin	The main objective of the session was to familiarize students with the recruitment process, job expectations, and the professional competencies required in financial analysis. It also aimed to strengthen their understanding of industry demands and guide them in aligning their preparation with key qualities such as analytical thinking, market awareness, financial acumen, and effective communication skills, highly valued by employers.	24 Oct 2025

Cultural Activities In Institution

Sl No	Event	Details	Date(s)
1	RUBARU'25	The Department of Commerce, MAHE-Bengaluru, proudly hosted the Folk Dance competition at RUBARU'25, an event that celebrated India's vibrant cultural diversity. With five enthusiastic teams representing various states like Kerala, Rajasthan, and Karnataka, each performance was an explosion of energy, colours, and authenticity. The stage came alive with Lavani beats, traditional attire, and impeccable synchronization that had the audience cheering from start to end.	19 Feb 2025
2	Freshers' Day	The Department of Commerce at MAHE Bengaluru hosted a vibrant Freshers' Day 2025 to welcome the new batch. The event began with a traditional lamp-lighting ceremony, followed by an introduction of the Student Council and orientations by various clubs, including Extella, Finnova, FlareHaus, Valorous, Oratoria, Under-25, Savi, Sonicbyte, and more. Highlights of the day included: Ms and Mr Fresher Contest–A fun icebreaker with three exciting rounds. Cultural Performances–Music, dance, and ramp walk showcasing talent and diversity. Club Activities and Games–Sports events by Valorous, finance-themed games by Finnova, creative sessions by FlareHaus, and an engaging MUNyverse by Oratoria. Special Moments–a Teacher's Day tribute and cake-cutting added warmth to the celebrations. The event concluded with the announcement of winners: Ms Fresher: Trishla; Mr Fresher: Akshay. Freshers' Day 2025 was a perfect blend of fun, creativity, and camaraderie, setting the tone for an exciting academic year ahead.	09 Sep 2025

- PhD

About the Institution/School:

Manipal Law School (MLS) Bengaluru strives for a paradigm shift in the field of legal education. MLS focuses on enabling students to comprehend multidimensional legal systems with a clear objective of developing their abilities by persuasively enhancing their written and oral skills, anticipating outcomes, and using research and analytical skills in problem-solving. The curricula and pedagogy at MLS aim to be on par with leading law schools, involving contemporary global issues and standard legal practices. MLS fosters a holistic academic environment in a state-of-the-art infrastructure that gives students inclusive access to progressive, adaptive, and innovative legal education. The learning pedagogy consists of theoretical and practical involvement with neighborhood communities. MLS believes in producing lawyers who would excel in their profession and be humane with a strong sense of social justice. A major thrust is given to courses like professional ethics to make students more acclimatized to the practical nuances of the legal career. An excellent learning environment at MLS comprises an eco-sustainable green campus, a wide range of co-curricular and extracurricular activities, legal research centers, diverse departments with multidisciplinary expertise, and Legal Aid clinics to enhance the study of law. The students, under the guidance of our exemplary faculty, endeavor to engage actively in the service to the local, regional, national, and international communities. Our goal is to create a holistic community of teachers and learners in a conducive and sustainable ecosystem. Law programs suited for emerging industry needs. Technology-focused law programs for new age lawyers. Industry interface lectures. Training programs – campus to corporate training. International exposure through in-house faculty & guest faculty.

Institutional Activities/Curricular Activities

All Other Activities in the Department Relating to the Program/Course

Sl No	Activity	Particulars	Date(s)
1	NCLT Bangalore Visit	As part of the Industry-Academia Relationship initiative, Manipal Law School, MAHE, Bengaluru, organized a visit to the National Company Law Tribunal (NCLT), Bengaluru Bench, from 19 to 23 May 2025 for students of the LLB (3 Years) program. The visit provided students with valuable exposure to real-time corporate legal proceedings under the Companies Act and Insolvency and Bankruptcy Code. They observed live hearings, interacted with legal professionals, and gained insights into tribunal procedures.	19-23 May 2025
2	Consumer Court Visit: Bridging Legal Theory and Practice	Students of BA LLB (Honors) and BBA LLB (Honors) at Manipal Law School, Bengaluru, visited the District Consumer Forum at Shantinagar. The forum includes the First, Second, Third, and Fourth (Urban and Rural Bengaluru, Additional Consumer Forums). This immersive learning experience was organized in two batches on 21 and 28 May 2025. To optimize the learning experience, students were divided into four small groups, each assigned to a different court within the complex. They observed live proceedings in their respective courts, gaining firsthand exposure to how consumer protection laws are implemented in real-time. From advocate arguments to the adjudication process under the Consumer Protection Act, 2019, students witnessed the legal system in action. A highlight of the visit was an interactive session with the presiding officers, including Judge Syed Anser Khalim and Judge Ramachandra. These discussions offered valuable insights into the nuances of consumer dispute resolution, effectively bridging the gap between academic learning and courtroom practice. Judge Syed Anser Khalim also extended an internship opportunity. The visit significantly enriched students' understanding of the Consumer Protection Act and offered a rare opportunity to engage directly with judicial officers.	21- 28 May 2025
3	Bangalore Legal Forum	Bangalore Legal Forum is a monthly series of panel discussions hosted at the Bangalore International Centre by Manipal Law School, Bengaluru, in collaboration with National Law School of India University, St Joseph's College of Law, and School of Law, CHRIST (Deemed to be University), Bengaluru. The second panel in the series was organized by Legal Services Clinic, NLSIU, on 23 May 2025. The panel comprising Mr Anind Thomas (Partner at AZB and Partners), Adv Promod Nair (Senior Advocate), Dr Jaya Vasudevan (Professor of Law, Manipal Law School) and Mr Vikas Mahendra (Partner at Keystone Partners) and moderated by Dr Apoorvi Shrivastava (Associate Professor, Manipal Law School) discussed the implications of the recent Supreme Court decision in the Gayatri Balasamy case that allowed the modification of arbitral awards, reforms to the arbitration laws in India and the use of arbitration and ADR as a legal aid tool.	23 May 2025

Sl No	Activity	Particulars	Date(s)
4	MLS Debate and MUN Society – It's Debatable	MLS Debate and MUN Society hosted "It's Debatable", an engaging and intellectually charged event that brought students together to deliberate on contemporary geopolitical and governance issues. Participants debated motions such as Confidence in the Governance of the Trump Administration and The Future of the United Nations Organization. The event was open to both students and faculty and created a dynamic platform for critical thinking and reasoned argumentation.	23 May 2025
5	LLM Cohorts at Aapti Institute, Bengaluru	A knowledge session on "Governance of Health Data Infrastructures" was held at the Aapti Institute, Bengaluru, on 23 May, 2025. The session was part of the LLM capstone policy project for the "Health Technologies and Data Privacy" course. As part of the capstone project, the LLM students drafted policy proposals evaluating the governance of electronic health records, genetic technologies, artificial intelligence, and biobanking.	23 May 2025
6	UG Orientation 2025	Manipal Law School welcomed the fresh cohort of undergraduate students from the BA LLB (Honors), BBA LLB (Honors), and LLM (Honors) programs through a thoughtfully curated Orientation Day. Held on 22 July 2025, the program featured addresses by Prof (Dr) R Venkata Rao, Vice Chancellor of IIULER, Goa, as the Chief Guest and Mr. Karan Singh, founding partner of Trilegal, as the Guest of Honour. The students were also addressed by Dr Raghavendra Prabhu, Additional Registrar and Director Administration, MAHE Bengaluru and Dr Sarasu Esther Thomas, Director, Manipal Law School, who offered insights into the academic life and values of the institution. The day aimed to ease the transition for new students by fostering connections, outlining expectations, and introducing the vibrant learning environment that awaits them at MLS.	22 Jul 2025
7	Faculty Research Seminar Series	The series is aimed at fostering a culture of scholarly exchange and interdisciplinary dialogue among our faculty. MLS conducted the inaugural session of the series with Mr Akshat, Assistant Professor, Manipal Law School, MAHE, and Mr Alind Gupta, Assistant Professor at UPES, Dehradun, presenting their research titled, "Reportability of Judgments: A Conundrum".	13 Aug 2025
8	Bangalore Legal Forum	The third Bangalore Legal Forum panel discussion, organized by Manipal Law School in collaboration with St. Joseph's College of Law, held at the Bangalore International Centre in Domlur, on 28 August 2025, was well attended and appreciated. The topic for discussion was "Litigating Elections in India." The panel of experts included Alok Prasanna Kumar (Co-Founder of Vidhi Centre for Legal Policy), Dr Harish Narasappa (Senior Advocate and Co-founder of Daksh and Samvad Partners), and Senior Advocate B T	28 Aug 2025

Sl No	Activity	Particulars	Date(s)
9	LLM Field Visit	On 03 Sep, the LLM students of the Construction Law and Arbitration program undertook a construction project site visit to Tumkur. The project involves the construction of gravity canals and aqueducts, both at an elevated corridor and on a huge water reservoir. (VJNL's Yettinahole Project, being executed by BSR Infratech India Limited to provide water supply to drought-prone districts near Tumkur) The visit was a vital component of the experiential learning approach followed in this unique postgraduate program.	03 Sep 2025
10	Field Visit	The third and fifth semester students of Manipal Law School had an academic excursion to the Archive at National Centre for Biological Sciences (NCBS) under the guidance and initiative of Dr Sreeparna Chattopadhyay, PhD. The visit was crucial for legal students to understand the ways in which representation matters for marginalized groups. It helped them understand what issues get left out and why, and the importance and effectiveness of mobilizing people to transform societies.	04 Sep 2025
11	Faculty Seminar Series	The series is aimed at fostering a culture of scholarly exchange and interdisciplinary dialogue among our faculty. MLS second session of the series on 03 September 2025 with Ms Neethu Mary Abraham, Assistant Professor, Manipal Law School, Bengaluru, presented her research titled, "Struggles with Gender Neutrality: A Study of Ann Leckie's Ancillary Justice".	05 Sep 2025
12	Teacher's Day	Manipal Law School celebrated Teacher's Day by appreciating all those who contribute towards making the school a roaring success. As a token of appreciation, the Director, Dr Sarasu Esther Thomas, gave gifts and hosted a high tea.	05 Sep 2025
13	Industry Academia Connect – Legal Tech Workshop	Manipal Law School, Bengaluru, successfully concluded the 3-day Legal Tech Workshop on 17 Sep 2025. Manipal Law School hosted industry experts Himanshu Seth and Aryan Singh from DueDraft, who delivered exceptional insights into the intersection of law and technology. Over three intensive days, participants explored cutting-edge topics including document automation, AI-powered legal research, and digital transformation in legal practice. The workshop bridged traditional legal methods with innovative tech solutions, providing our students with practical knowledge for the evolving legal landscape.	15 - 17 Sep 2025
14	Bangalore Legal Forum	The fourth Bangalore Legal Forum panel discussion, organized by Manipal Law School, was held on Saturday, 27 Sep 2025, at the Bangalore International Centre in Domlur. The topic for the discussion was "The Digital Health Revolution: Regulatory Framework for Data Protection.	27 Sep 2025

Sl No	Activity	Particulars	Date(s)
15	Debate and MUN Club – Intra MUN	The Debate and MUN Club successfully conducted the Intra-MUN, featuring spirited debates, diplomacy, and insightful discussions across two committees, UNHRC and DISEC. This event also served as the selection round for the official MLS MUN Team, offering students a platform to demonstrate their research, negotiation, and public speaking skills in preparation for larger inter-university conferences.	13 Oct 2025
16	Workshop Series – Prison Administration and Reform	A comprehensive sensitization workshop was conducted to provide students with critical insights into India's prison system, contemporary reform initiatives, and the role of legal professionals in advancing prisoner rights and institutional transformation, "Prison Administration and Reforms in India: Understanding the Contemporary Challenges and Legal Framework." The sessions were conducted by Advocate Basawa Prasad Kunale, who has been litigating before various courts in Bengaluru for 8 years.	15 Oct 2025
17	Debate and MUN Club – Intra Debate Competition	MLS successfully hosted its Intra-Debate Competition 2025, a platform where intellect met eloquence and ideas clashed to shape powerful discourse. The event featured intense rounds of debate, with participants demonstrating exceptional reasoning, clarity, and persuasive skill on a range of contemporary topics. Serving as the selection round for the official MLS Debate Team, the competition provided an excellent opportunity for students to refine their critical thinking, articulation, and teamwork, key traits for excelling at national-level debate tournaments.	16 Oct 2025
18	Workshop – Filing and Prosecution of Trademarks	Manipal Law School, MAHE, Bengaluru, and Centre for IPR Law and Research, MAHE, organized a one-day workshop on "FILING AND PROSECUTION OF TRADEMARKS". Mr Sourav Dan, Counsel -Khaitan and Co., was the invited resource person.	19 Nov 2025
19	MILANA 2025 – Emerging Trends in Construction Law	Manipal Law School hosted MILANA 2025 – Emerging Trends in Construction Law on 13 Dec 2025, providing a scholarly platform for deliberation on evolving issues in construction law, technology, and dispute resolution. The event witnessed participation from judges, academicians, legal practitioners, engineers, and students, fostering meaningful interdisciplinary engagement.	13 Dec 2025

2	Diwali Celebration and Competition	As part of the Diwali celebrations, 'Deepotsav,' Manipal Law School students participated in the rangoli competition and emerged victorious. The rangoli portrayed the spirit of Diwali, the festival of lights, which signifies the transition from darkness to light, ignorance to enlightenment, and despair to hope, the triumph of light over darkness and good over evil. The dark side of the design symbolizes darkness and portrays the negativities, difficulties, and struggles in life. The other side transitions into bright colours, flower pots, and festive patterns, which indicate light, positivity, and celebration.	15 Oct 2025

Centre for Construction Law Research

Address: Manipal Law School, MAHE, Bengaluru
Phone Number: 73582 68089
Email (Coordinator): rama.venkat@manipal.edu

Year of Establishment of the Centre: 2024
Name of the Coordinator: Prof R Venkataraghavan
Members: Alumni 47 (LLM and PGDCLA 2024-25 batch) and current 47 LLM and PGDCLA cohorts)

Brief About the Centre:
The first and only academic centre in India exclusively dedicated to construction law education, research, and dispute resolution training for lawyers and engineers.

Alternatively

A first-of-its-kind interdisciplinary centre bridging construction engineering, law, and arbitration practice in India.

Vision: To promote construction law as a distinct interdisciplinary field of specialization.

Mission: To provide quality education and training in the field of construction law and dispute resolution related to infrastructure and construction projects.

Objective: To offer a master's degree in construction law and arbitration and a PG Diploma program for working professionals like engineers and surveyors.

CCLR @MLS has commissioned India's FIRST and ONLY LLM program in Construction Law and Arbitration in the year 2024. The inaugural batch cohorts have secured employment with corporates, leading law firms and have established their own consultancy practices.

The construction law master's program is offered to professional engineers as well as a postgraduate diploma. Again, the program is unique and first in India, with senior professionals like general managers, vice presidents, directors, and colonel were cohorts of the inaugural batch. Many of them obtained job promotions, better overseas employment and they are now actively working in arbitration alongside legal counsel.

Centre for AI and Data Privacy Law

Address: Manipal Law School, MAHE
Email (Centre): techcenter.mlsblr@manipal.edu
Email (Coordinator): yashu.bansal@manipal.edu

Year of Establishment of the Centre: 2024
Name of the Coordinator: Ms Yashu Bansal
Members: Ms Sujata Newton

Brief About the Centre:

The Centre for AI and Data Privacy at Manipal Law School sits at the intersection of law, technology, and policy at a pivotal moment for India. As the country prepares to implement the Digital Personal Data Protection Act, 2023, and shape its first comprehensive AI legislation, there is a real need for rigorous, independent research that can inform these frameworks. We are building a space where students, faculty, and practitioners can engage with these questions seriously, not just theoretically, but through work that contributes to actual policy development.

What makes our approach different is the emphasis on collaboration. We are creating opportunities for students to work alongside experts from government, industry, and academia on live research projects. Whether it is analyzing draft regulations, comparing international approaches, or examining how these laws will actually work in practice, the focus is on generating insights that matter. This is not about producing research that sits on shelves, it is about contributing to conversations that will shape how India governs emerging technologies.

As we move forward with this initiative, we are focused on building a sustainable research infrastructure that enhances Manipal Law School's reputation in technology law and regulatory scholarship. The centre aims to position the institution as a key academic voice in India's emerging legal frameworks for AI and data protection, creating opportunities for faculty publications, student engagement, and partnerships with government bodies and industry stakeholders. This work aligns with the university's commitment to research excellence and real-world impact.

Vision: To be India's leading academic hub for technology law, shaping the future of AI governance and data protection through rigorous research, stakeholder collaboration, and evidence-based policy advocacy.

Mission: To establish a platform to bring together relevant stakeholders for the regulation of AI and privacy and contribute to the development of the governance framework and laws in India.

Objectives: To contribute to the development of the new AI laws in India; To contribute to the effective implementation of the Digital Personal Data Protection Act, 2023, and the rules to be introduced soon; To generate quality research and experimentation with the support of grants and projects by the government and regulators; To provide a platform for the interface of industry and academia.

Centre for Intellectual Property Rights (IPR) Law and Research

Address: MLS, Bengaluru
Phone Number: +91-8017692240
Email (Centre): centreipr.mlsblr@manipal.edu **Email (Coordinator):** indranil.saha@manipal.edu

Year of Establishment of the Centre: 15 July 2024

Name of the Coordinator: Dr Indranil Saha

Members: Dr Ella Gorian (Co-Coordinator)

Advisory Committee Members

- Chairperson - Prof (Dr) Pinaki Ghosh, IPR Chair Professor, NUJS, Kolkata
- Board Member (National) - Dr Mohan Dewan, Principal at R K Dewan and Co
- Board Member (National - Dr Amar Desai (General Manager – Global IP, Zydus)
- Board Member (National) - Mr R Lakshminarayanan, Director and Head of IPR and Innovation Management, Samsung Electronics India.
- Board member (National) - Mr Siddharth Karkhanis, Head of IPR, Robert Bosch India.

Brief About the Centre

Intellectual Property Rights (IPR) are significant for higher education institutions as well as industry dealing with products and processes, as they safeguard the Intellectual Property (IP) of stakeholders created through research and development. The importance of IPR in the NIRF ranking and NAAC accreditation process has demonstrated the significance of IPR for universities because the scope of IPR is not just limited to science and technology but to all faculties on the campus, such as a) Humanities, b) Commerce and Management, c) Science and Technology, and d) Interdisciplinary Studies.

Given the above factors, the Centre for IPR Law and Research at MAHE was established for the following reasons in order to drive sustained and broad academic growth of MAHE and Manipal Law School:

(a) Create and encourage IPR awareness and education amongst faculty and students on intellectual property rights (IPRs) so that they are aware of how to safeguard their creative works.
(b) To foster scholarly investigation and academic research concerning intellectual property rights, emerging technologies, and corresponding regulatory policies and reforms in the field of IPR.
(c) Conduct short-term certificate courses in a variety of IPR sectors while taking industry needs into consideration.

Vision

(a) To create and encourage IPR awareness and education amongst faculty and students on intellectual property rights (IPRs) so that they are aware of how to safeguard their creative works.
(b) To promote MAHE and Manipal Law School in the field of IPR in the academic scenario, short-term certificate courses, executive development programs, postgraduate diploma courses, and research activities in a variety of IPR sectors need to be launched and undertaken, all while taking industry needs into consideration.

Mission

(a) The prime aim is to promote, encourage, and conduct academic research in the field of IPR and emerging technologies, policies, and reforms associated with IPR.
(b) A further aim is to conduct and launch IPR-related courses in order to drive sustained and broad academic growth of MAHE and Manipal Law School.
(c) A further aim is to promote IPR awareness among academicians and industry professionals.

Objectives

- *Educational Objectives:*
- Offer at least two short-term certificate courses in the field of IPR.
- *Research Objectives:*
- Undertake research projects that address emerging issues in IPR and the interface of intellectual property and emerging technologies and publish research papers, articles in national and international journals and magazines.

Community Engagement Objectives

- Collaborate with industry stakeholders, government agencies, and non-profit organizations to contribute to IPR awareness, policy discussions and reforms in the field of intellectual property rights, especially in the light of emerging technologies.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	Dr Indranil Saha, Coordinator of the Centre was an invited speaker in the one-day workshop as an expert on the topic of "Fundamentals of IPR and Design in Architecture and Planning", Manipal School of Architecture and Planning, MAHE, in collaboration with Centre for IPR Law and Research, MAHE.	The workshop dealt with legal aspects of the Designs Act 2000 and the Copyright Act 1957, involved in registration and further commercialization of creations in the field of architecture and design engineering.	11 Jan 2025
2	Dr Indranil Saha, Coordinator of the Centre was an invited speaker in the one-day seminar as an expert on the topic of "IPR as a Career Choice", Xavier Law School, St Xavier's University, Newtown, Kolkata, in collaboration with the Centre for IPR Law and Research, MAHE.	The invited lecture in the seminar dealt with the commercial aspects and impact of the subjects involved in intellectual property rights study, like patents, trademarks, copyright and the scope of choosing a career in law in IPR with high prospective returns in the future for law students.	02 Apr 2025
3	Dr Indranil Saha, Coordinator of the Centre was an invited speaker as an expert in a one-day seminar on the topic of "Fundamentals of Technology Transfer", Faculty of Juridical Sciences, JIS University, Kolkata, in collaboration with the Centre for IPR Law and Research, MAHE.	The invited lecture in the seminar dealt with fundamentals of patenting, technology readiness levels, start-ups and MSMEs, funding opportunities and schemes and methods of technology transfer, especially for universities.	04 Apr 2025
4	Dr Indranil Saha, Coordinator of the Centre was an invited speaker as an expert in three days workshop in the area of Artificial Intelligence (AI) and Intellectual Property Rights, on the topic of "AI and IPR Intersection", Reva University, Bengaluru.	The invited lecture in the workshop dealt with legal aspects of emerging technologies in the field of artificial intelligence, both in the healthtech as well as fintech sector and their intersection with intellectual property rights, especially patents and copyright laws. It also dealt with the need to regulate these technologies legally as well as on ethical grounds for the sustainability and betterment of society.	22 Apr 2025
5	Dr Indranil Saha, Coordinator of the Centre was an invited speaker as an expert on the topic of "Blockchain, Cryptocurrencies and Smart	The invited lecture dealt with core aspects of technologies like blockchain and the legality of smart contracts that	25 Apr 2025

Department of Liberal Arts, Humanities & Social Sciences (DLHS), Bengaluru

Address: BSF Campus, Yelahanka, Govindapura, Bengaluru, Karnataka 560064
Phone Number: 080-24494194
Email (Office): dlhs.maheblr@manipal.edu **Email (HOD)**: shilpa.kalyan@manipal.edu

Name of the Head of Department: Dr Shilpa Kalyan
Established:2022

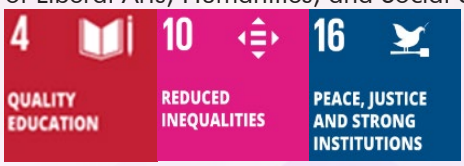
Details of Programs Offered by the Institution
DLHS offers the following academic programs
Single-major Undergraduate (UG) programs leading to the Bachelor of Arts (BA) degree in English, Journalism and Mass Communication, andPsychology

Double-major undergraduate (UG) programs leading to the BA degree with the following combinations History / Political Science / Economics / Sociology

Postgraduate (PG) programs leading to the Master of Arts (MA) / Master of Science (MSc) degree in English Language and Literature, Multimedia and Communication, andApplied Psychology

The department also offers doctoral (PhD) programs in relevant disciplines.

About the Institution/School
DLHS is a constituent unit of the Bengaluru Campus of the Manipal Academy of Higher Education (MAHE). The Department aims to nurture future global citizens with the ability to address prominent social, economic, and structural challenges facing human civilization today. Through a transdisciplinary approach grounded in critical thinking, the department equips students with topical clarity, analytical and introspective abilities, essential life skills, and effective communication skills. Its objective is to develop well-rounded individuals who can take on the world with confidence and contribute meaningfully to making it a better place. DLHS offers a wide range of relevant undergraduate (UG) and postgraduate (PG) programs across various disciplines within the broader domains of Liberal Arts, Humanities, and Social Sciences.



Institutional Activities/Curricular Activities
New Initiatives

Sl No	Activity	Particulars	Date(s)
1	Centre for Gender Education and Research	The Centre for Gender Education and Research under MAHE Manipal was effective from 15 Apr 2025. The Centre aims to foster critical inquiry and academic research on issues at the intersection of gender, sexuality, violence, technology, and development within educational contexts. It seeks to cultivate sensitisation, awareness, and capacity-building among faculty, students, and corporate stakeholders by addressing challenges to achieving gender equality in diverse institutional settings. The Centre also focuses on strengthening pedagogical strategies that promote reflexive education, equal opportunities, and the dismantling of unequal power hierarchies. In addition, it intends to add value to MAHE, DLHS, and the broader scholarly community by offering certificate courses, executive training programs, Prevention of Sexual Harassment (POSH) certification, and diversity and inclusion initiatives aligned with industry needs. Its key objectives include, 1. Educational objectives: Developing certificate courses for professionals at various career stages and creating training modules that sensitise students across Bengaluru to gender-responsive practices; 2. Research objectives: Contributing to national and international scholarship by undertaking research projects on emerging gender issues and publishing in reputable academic platforms; 3. Community Impact and Outreach: Influencing policy and practice through collaborative networks across industry, government, and civil society, while modelling effective gender education interventions within the MAHE Bengaluru campus; and 4. Consultancies and Collaborations: Establishing productive partnerships with corporations and Non-Governmental Organizations (NGO) through Memorandum of Understanding (MOU) to conduct gender audits, deliver mandatory POSH trainings, and design customised inputs for Human Resource (HR) departments to advance diversity and inclusion. The centre aligns its work with key Sustainable Development Goals (SDG)—SDG 5 (Gender Equality), SDG 10 (Reduced Inequalities), and SDG 16 (Peace, Justice, and Strong Institutions)—to promote gender justice.	15 Apr 2025-31 Dec 2025
2	Centre for Digital Humanities	The Centre for Digital Humanities, DLHS, was effective under MAHE Manipal from 1 April 2025. The centre aims to become a world-class hub for research and academic activity in the evolving field of Digital Humanities. It seeks to advance scholarship at the intersection of the humanities and digital technology through interdisciplinary and multidisciplinary collaboration. Its key objectives are to, 1. Encourage creative research and cooperation across disciplines to expand knowledge at the confluence of humanities and digital tools; 2. Provide comprehensive training in digital humanities methodologies and technologies, equipping students, researchers, and professionals with essential digital-era skills; and 3. Promote digital literacy, cultural heritage preservation, and inclusive public engagement through accessible, community-oriented digital humanities initiatives. The centre aligns with SDG 4 (Quality Education) by enhancing digital	14 May 2025-31 Dec 2025

Sl No	Activity	Particulars	Date(s)
		literacy and integrating digital tools into humanities learning; SDG 9 (Industry, Innovation, and Infrastructure) by advancing digital platforms, tools, and innovation within academic and cultural contexts; SDG 10 (Reduced Inequality) by expanding access to digital humanities research and cultural heritage for diverse and underserved communities; SDG 11 (Sustainable Cities and Communities) by digitally preserving cultural heritage and supporting resilient cultural ecosystems; SDG 16 (Peace, Justice, and Strong Institutions) by using historical and cultural analysis to promote transparency, justice, and social understanding; and SDG 17 (Partnerships for the Goals) by building global collaborations with universities, NGOs, and cultural institutions. The centre, through its integrated approach, is positioned to become a pioneering space for digital innovation in the humanities while contributing meaningfully to MAHE's academic and societal commitments.	

All Other Activities in the Department Relating to the Program/Course

Sl No	Activity	Particulars	Date(s)
1	Student Research Colloquium (SRC) 	In the face of growing global challenges—including inequality, climate change, and resource depletion—the SDGs offered a unified roadmap to ensure that no one was left behind. Achieving these goals required global collaboration, partnerships, innovation, and knowledge-sharing. This Student Research Colloquium (SRC) aimed to foster dialogue, encourage interdisciplinary engagement, and inspire collective action toward sustainable solutions. Organized by the Student Research Forum (SRF), arivu (Department Research Committee), and the Institutional Research Committee (IRC) of DLHS, MAHE Bengaluru, the colloquium provided a platform for undergraduate, postgraduate, and PhD students to present original research, case studies, and theoretical discussions related to the SDGs. The 17 SDGs were organised into 10 thematic areas, including poverty and hunger, health and well-being, quality education, gender equality, water and sanitation, energy and economic growth, sustainable cities, climate action, global partnerships, and innovation and technology. The SRC promoted academic growth, critical thinking, and scholarly engagement, enabling students to refine their research skills and contribute meaningfully to the academic community at MAHE Bengaluru. The SDGs adopted by the United Nations in 2015 as part of the 2030 Agenda for Sustainable Development, presented a comprehensive framework of 17 goals and 169 targets aimed at achieving inclusive and sustainable global development. These goals brought together nations across diverse economic and social contexts under a shared vision of prosperity, equity, and environmental responsibility. By integrating economic, social, and environmental dimensions, the SDGs addressed interconnected global challenges such as poverty, hunger, health, education, gender equality, access to clean water, and environmental sustainability.	28 Feb 2025

Sl No	Activity	Particulars	Date(s)
2	Manovaad— Psychology Conclave MAHE-Blr	The inaugural "Manovaad" event successfully fostered a dynamic platform for dialogue between academia, practice, and society; aligning with the theme "The Psychology Nexus: Where Science, Practice, and Society Converge". It inspired participants to recognize the practical relevance of psychological knowledge beyond theoretical study. Dr Manas K Mandal's keynote emphasized the importance of experiential learning and professional growth. The launch of the newsletter "PsychSamvaad" further reinforced the commitment to continuous knowledge sharing. The event strengthened interdisciplinary engagement, motivated students to translate academic insights into societal impact, and set a precedent for future initiatives bridging psychology with real-world challenges.	3 Apr 2025
3	Wavelength 2025— Media Conclave	The inaugural edition of "Wavelength 2025" was a two-day media conclave aimed at bridging academia and industry through meaningful dialogue and collaboration. Featuring eminent speakers from journalism, branding, advertising, filmmaking, public relations, and digital storytelling, the event offered a mix of keynote sessions and lively panel discussions on integrated marketing communication, corporate reputation, journalism in the age of Artificial Intelligence (AI), and hyper-local storytelling on over-the-top (OTT) platforms. These conversations gave students valuable insight into emerging industry trends, ethical challenges, and the future of media technologies. The conclave emphasized credibility, creativity, and inclusivity in communication while providing a platform for students to interact with professionals, ask critical questions, and build networks. Creative showcases—including student short films reviewed by filmmaker Bejoy Nambiar—highlighted collaborative learning beyond the classroom. With strong faculty support and a proactive student-led organizing team, the event embodied the synergy between theory and hands-on practice. From an SDG perspective, the event mapped strongly to SDG 4 (Quality Education) by expanding the horizons of media education through direct industry exposure. Discussions on innovation in communication, AI, and digital transformation resonated with SDG 9 (Industry, Innovation, and Infrastructure). Panels on representation, inclusivity, and regional content addressed SDG 10 (Reduced Inequalities), while the recurring emphasis on ethics and accountability in journalism aligned with SDG 16 (Peace, Justice, and Strong Institutions). Thus, the event not only celebrated camaraderie but also reaffirmed media's role as a driver of sustainable, responsible, and inclusive growth.	10-11 Apr 2025
4	Namma Shakespeare	Namma Shakespeare was organized by the English discipline students of 1st Year BA English, 2nd Year BA English, and 1st Year MA English Language and Literature courses as a celebration of Shakespeare's works and their continued relevance today. The event brought together students from various disciplines to engage with Shakespeare's works in creative and meaningful ways. The online competitions saw enthusiastic submissions, reflecting a strong interest in blending classical literature with contemporary forms of expression. The offline events on the day	23 Apr 2025

Sl No	Activity	Particulars	Date(s)
		of the celebration were met with active participation and audience engagement. Performances and competitions showcased the talent, creativity, and interpretative skills of the students; while the in-house plays offered a variety and depth to the event, giving space for different forms of expression and interpretation. The "Make Your Own Bookmark" stall served as a fun and interactive space, drawing steady participation throughout the day and adding a personal, hands-on element to the celebration. The event succeeded in fostering appreciation for literature and performance, encouraging creative expression, and building a sense of community among students and faculty. It stood out as a vibrant and enriching experience for everyone involved.	
5	Faculty Development Program (FDP) on Developing Art-Integrated Pedagogy 	A Two-day FDP titled *Developing Art-Integrated Pedagogy*, scheduled for 14 and 15 July 2025, was facilitated by the team from Delhi Art Gallery (DAG). The workshop explored innovative and interdisciplinary teaching methods using art and visual culture to enhance student engagement and critical thinking.	14-15 Jul 2025
6	FDP on Navigating the Publishing Process in Psychology: Insights and Best Practices 	This one-day FDP aimed to enhance research and publishing competencies in Psychology by offering practical insights into journal selection, manuscript preparation, peer review, and ethical publishing practices.	16 Jul 2025
7	FDP: Reimagining Pedagogy in the Age of AI 	Faculty Development Program titled "Reimagining Pedagogy in the Age of AI and Digital Narratives", scheduled for 18th July 2025 was facilitated by Dr Dishari Chattaraj and Dr Arya Parakkate Vijayaraghavan where the facilitators explored several topics such as "The evolving role of facilitators in the AI era", "Understanding digital-native students", "Learner-centered pedagogical practices", "Integrating research into everyday teaching". The team's insightful sessions were on contemporary pedagogical strategies, ethical considerations in AI, and learner-centred approaches. The blend of theoretical perspectives and practical strategies you shared was immensely beneficial. The discussions on engaging digital-native learners and integrating classroom-based research have given our faculty valuable insights to enhance their teaching practices.	18 Jul 2025
8	World Suicide Prevention Day 	To mark World Suicide Prevention Day on 15 September, DLHS organised an event of a day of meaningful conversations and reflections. The program brought together diverse voices to raise awareness and foster dialogue on suicide prevention. It solicited the presence of all DLHS faculty and students across programs.	15 Sep 2025

9	alèy Literature Festival 2025 	alèy 2025, literature festival took place on 18 to 19 September at MAHE Bengaluru. This year's theme, "Waves of Solidarity" celebrated the power of literature and storytelling to bring people together. The festival featured competitions, panel discussions, masterclasses, book talks, and performances—each designed to create dialogue, kindle imagination, and honour the sheer possibility of thought.	18-19 Sep 2025
10	Mental Health Week 2025 	Mental Health Week 2025 was organized as a multi-day initiative from 6th to 10th October 2025, consisting of pre-events, expert lectures, a masterclass, and a Mental Health Week Carnival. The programme was designed to promote psychological well-being, emotional expression, community resilience, and awareness on mental health through experiential, academic, and creative modalities. The event aligns with SDG 3 (Good Health and Well-Being), SDG 4 (Quality Education), and SDG 17 (Partnerships for the Goals). By promoting accessible mental health education, fostering collaboration between faculty, students, and clubs, and encouraging psychological resilience, the programme contributed to strengthening mental health literacy and community well-being on campus.	1 Oct 2025
11	Maitri—Dialogues in Social Sciences 	The social sciences festival titled Maitri—Dialogues in Social Sciences was a two-day (16 to 17 October 2025) event that celebrated friendship and solidarity through academic, cultural, and interactive initiatives. The word 'Maitri' is rooted in Buddhist, Ambedkarite and feminist traditions, speaks to fraternity across differences; inspiring conversations on justice, community, and collaboration. The event featured panels, workshops, masterclasses, and student competitions. Maitri explored themes such as Peace and War, Social Sciences and AI, and Environmental Humanities. Anchored in interdisciplinarity, the event aimed to connect academia with practice, while showcasing the work of social science students.	16-17 Oct 2025
12	Reflekta 2025 	Reflekta 2025, the annual media fest organized by the students of BA Journalism and Mass Communication, DLHS, was held on Friday, 24th October 2025. The day began with the Opening Ceremony, graced by Ms. Vidya Iyengar, Chief Editor, City Express – The New Indian Express, as the Chief Guest. With over a decade of experience in journalism and people-centered storytelling, Ms. Iyengar shared her insights on "Off the Record: Inside the Unscripted Newsroom." Throughout the day, the campus came alive with a series of exciting events that celebrated creativity, intellect, and innovation.	24 Oct 2025

Cultural Activities In Institution

Sl No	Event	Details	Date(s)
1	Suggi Habba—Sankranti Cultural Celebration at DLHS	The Cultural Committee of DLHS successfully organised Suggi Habba—A Celebration of the Harvest Season on 17 January 2025 at the AB-2 Ground Floor, bringing together students, faculty, and staff to honour the diverse harvest festivals celebrated across India; including Makar Sankranti, Pongal, Lohri, Bihu, and various regional traditions. The event aimed to foster cultural exchange, community bonding, and appreciation for India's agrarian heritage. The celebrations began with a high-energy surprise flash mob, which set a lively and festive tone for the day. Students arrived in colourful ethnic attire, adding visual vibrancy to the atmosphere. A range of cultural activities—including a Rangoli-making competition, a Mehendi stall, kite-making, a tongue-twister challenge, a JAM session, and a series of mini-games—offered opportunities for creativity, collaboration, and joyful participation. The Rangoli competition showcased exceptional artistic talent, with designs inspired by themes of harvest, nature, and prosperity. The Mehendi stall and kite-making activities highlighted traditional craftsmanship and festive symbolism, while the linguistic games celebrated the diversity of regional languages. The event encouraged community engagement beyond conventional classroom learning, allowing students to experience the spirit of celebration, gratitude, and cultural identity associated with agricultural traditions. Exciting prizes were awarded to winners across various competitions, and the celebrations concluded with collective music and dance, capturing the essence of togetherness and festive cheer.	17 Jun 2025
2	Freshers' 2025	Freshers' Day for the incoming batch, titled "That 2000's Show", was themed around iconic TV shows from the early 2000s. The event featured performances by various clubs, along with music and dance competitions exclusively for the new students. Non-competitive showcases—including group dances and instrumental pieces—added to the celebratory atmosphere. Clubs Questa and Tamasha hosted an interactive quiz, and prizes were awarded to the winners of the competitions. These winners were then nominated for the titles of Star Fresher and Runner-up Star Fresher.	22 Aug 2025
3	Teacher's Day	Teacher's Day was celebrated with a full-day program where students dressed up as the professor of their choice. Each student–professor pair participated in a ramp walk organised by Viella, adding a fun and personal	29 Aug 2025

Sl No	Event	Details	Date(s)
		touch to the event. The celebration also featured music and dance performances by various clubs, making it a vibrant and memorable occasion.	
4	Prakash—Diwali 2025	Prakash—Diwali 2025, an initiative by the Cultural Committee, was a three-day celebration featuring a series of engaging activities. The events included Diya painting, a clothes collection drive, a lively jam session, and an Ethnic Day that brought the community together in festive spirit.	13 Oct 2025
5	Error 666—halloween	The Halloween celebrations at DLHS, organised by the Committee, featured students arriving in creative costumes throughout the day. A running contest for the top three best-dressed participants was hosted on the CC Instagram account, adding to the excitement. The campus was decorated with themed installations and photobooths, creating a festive atmosphere for students to enjoy and capture memorable moments.	29 Oct 2025
6	Resonant Pasts—Mapping Music and Memory	The student exhibition Sonic Worlds in South Asia was held in the AB-2 ground-floor corridor and showcased creative projects exploring sound, memory, and musical traditions. Students worked within three themes—Mapping Song Cultures, Sound Archives, and Instruments, Makers and Music Technology— to examine how music travels, transforms, and is remembered across generations. Many displays highlighted memory as a method of archiving, using interviews, family stories, field recordings, and conversations with instrument makers to trace lullabies, migration songs, labour sounds, and everyday musical practices. Clear visual layouts, thoughtful one-liners, and comment boxes helped audiences engage with the process behind each project. The exhibition also connected to SDG 11 (Sustainable Cities and Communities) through safeguarding intangible cultural heritage, SDG 4 (Quality Education) by promoting creative, research-based learning and SDG 5 (Gender Equality) through work on women's musical traditions and SDG 8 (Decent Work and Economic Growth) by foregrounding artisans and music-making livelihoods.	29 Oct 2025

Inter Institution

Sl No	Event	Details	Date(s)
1	Rubaru 2025	Rubaru 2025 was the second edition of MAHE Bengaluru Inter Institute festival led by the Central Students Office. It was a 4 day long grand event with 34 student competitions, various competitions and programs for staff and other important sessions that included inauguration, prize announcement and distribution, entertainment sessions such as concert, DJ and Tiger Dance. DLHS had organized four of the competition events such as Extempore, Poetry Competition in English, Street Play, and Stand-up Comedy. All the events organized by DLHS were conducted successfully. DLHS students showcased active participation in all the categories of competitions and DLHS team won the position of First Runner Up in the overall Championship at Rubaru 2025.	19 Feb 2025
2	Utsav 2025	Between 24 to 28 March 2025, MAHE organised "Utsav 2025", a pan-campus cultural festival, bringing together students from across all its campuses—the main campus at Manipal (Karnataka), plus its off-campuses in Mangalore, Bengaluru, and Jamshedpur (India), and international campuses in Dubai (UAE).	24 Mar 2025

Sl No	Event	Details	Date(s)

From DLHS, a delegation of 90 students participated, representing the MAHE Bengaluru with enthusiasm and pride. The five-day festival was a vibrant celebration of talent, culture and institutional camaraderie, featuring music, dance, theatre, literary performances, art exhibitions, debates and informal hangouts. Utsav succeeded in fostering a strong sense of institutional identity and inter-campus solidarity. Students mingled across campuses, exchanging ideas, collaborating in team events, and building friendships that went beyond academic departments or geographic location. Performances ranged from traditional dance to contemporary music, from dramatic skits to open-mic poetry, showcasing the diverse cultural roots and creative energies of MAHE's student body. For the DLHS delegation, the festival provided an opportunity to experience a breadth of artistic expressions, share Bengaluru perspectives with peers from Manipal, Mangalore, Dubai and Malaysia, and engage in intercultural dialogue. The event boosted morale, fostered cross-campus networks, and strengthened collective belonging to the larger MAHE community. Overall, Utsav 2025 reinforced the value of collaborative cultural spaces within higher education—as venues for celebration, creative exchange, and forging institutional unity across national and international campuses.

Centre for Digital Humanities

Address: Department of Liberal Arts, Humanities and Social Sciences (DLHS), MAHE-Bengaluru
Phone Number: 8106783000
Email (Centre): cdh.mahe@manipal.edu **Email (Coordinator):** arjuna.sr@manipal.edu

Year of Establishment of the Centre: 01 April 2025
Name of the Coordinator: Dr Arjuna S R
Co-coordinator: Dr Girish N and Dr Swathi Shivanand

Brief About the Centre

The Centre for Digital Humanities, DLHS, was effective under MAHE Manipal from 01 April 2025. The centre aims to become a world-class hub for research and academic activity in the evolving field of Digital Humanities. It seeks to advance scholarships at the intersection of humanities and digital technology through interdisciplinary and multidisciplinary collaboration.

The centre aligns with several Sustainable Development Goals (SDGs), enhancing digital literacy and integrating digital tools into humanities learning. Advancing digital platforms, tools, and innovation within academic and cultural contexts. Expanding access to digital humanities research and cultural heritage for diverse and underserved communities. Digitally preserving cultural heritage and supporting resilient cultural ecosystems. Using historical and cultural analysis to promote transparency, justice, and social understanding. Building global collaborations with universities, NGOs, and cultural institutions. The centre, through its integrated approach, is positioned to become a pioneering space for digital innovation in the humanities while contributing meaningfully to MAHE's academic and societal commitments.

Vision: To become a world-class centre in the field of digital humanities research and academic activities.
Mission: To advance digital humanities through innovative research, interdisciplinary collaboration, academic training, and the application of digital technologies to humanities scholarship.

Objectives

- Encourage creative research and cooperation across disciplines to expand knowledge at the confluence of humanities and digital tools.
- Provide comprehensive training in digital humanities methodologies and technologies, equipping students, researchers, and professionals with essential digital-era skills.
- Promote digital literacy, cultural heritage preservation, and inclusive public engagement through accessible, community-oriented digital humanities initiatives.

Centre for Gender Education and Research

Address: DLHS, MAHE Bengaluru
Phone Number: 9663236537
Email (Coordinator): sumathi.n@manipal.edu

Year of Establishment of the Centre: 01 December 2024
Name of the Coordinator: Dr Sumathi N
Members: Dr Roopa Rathnam

Brief About the Centre

The Centre for Gender Education and Research at MAHE Manipal was established on 01 December 2024. The centre aims to foster critical inquiry and academic research on issues at the intersection of gender, sexuality, violence, technology, and development within educational contexts. It seeks to cultivate sensitization, awareness, and capacity-building among faculty, students, and corporate stakeholders by addressing challenges to achieving gender equality in diverse institutional settings. The centre also focuses on strengthening pedagogical strategies that promote reflexive education, equal opportunities, and the dismantling of unequal power hierarchies. In addition, it intends to add value to MAHE, Department of Liberal Arts, Humanities and Social Sciences (DLHS), and the broader scholarly community by offering certificate courses, executive training programs, POSH certification, and diversity and inclusion initiatives aligned with industry needs. Its key objectives include: 1. Educational Objectives: Developing certificate courses for professionals at various career stages and creating training modules that sensitize students across Bengaluru to gender-responsive practices. 2. Research Objectives: Contributing to national and international scholarship by undertaking research projects on emerging gender issues and publishing in reputable academic platforms. 3. Community Impact and Outreach: Influencing policy and practice through collaborative networks across industry, government, and civil society, while modelling effective gender education interventions within the MAHE Bengaluru campus. 4. Consultancies and Collaborations: Establishing productive partnerships with corporations and NGOs through MOUs to conduct gender audits, deliver mandatory POSH trainings, and design customized inputs for HR departments to advance diversity and inclusion. The centre aligns its work with key Sustainable Development Goals—SDG 5 (Gender Equality), SDG 10 (Reduced Inequalities), and SDG 16 (Peace, Justice, and Strong Institutions)—to promote gender justice.

Vision

- Fostering academic research on the intersection of gender, sexuality, violence, technology, and development in educational contexts.
- Creating and encouraging strong pedagogical strategies for gender relations that address specific apprehensions in HEI about reflexive education, provision of equal opportunities, uncovering unequal power hierarchies.

Mission

- To build on MAHE's core values of fostering cross-disciplinary collaborations within the university's various programs.
- To equip students, academics, and professionals with the analytical tools necessary to critically examine and challenge gender inequalities prevalent in their specific contexts.

Objectivse

- To build a practitioner community by offering certificate courses for professionals at various stages in their careers.
- To sensitize the student community by developing training modules for a wide range of actors within the educational ecosystem in Bengaluru city to promote gender sensitive education.
- To contribute to existing knowledge on gender-related concerns by undertaking research projects that address emerging issues in the context of gender education and publish research papers, articles in national and international journals and magazines.

Activities at the Centre

Sl No	Name of the Activity	Particulars	Date
1	Gender Sensitization Session	The session was conducted for all UG and PG students of DLHS as part of the Centre's objectives.	30 Jan 2025
2	Establishment of the Advisory Board	The advisory board was established in consultation with industry professionals and academicians. This activity, spanning over two months July 2024 – September 2024, has opened up research avenues and enabled the centre to make connections with several notable personalities.

Department of Public Policy (DPP), Bengaluru

Address: MAHE, Bengaluru Campus, Yelahanka, Bengaluru – 560 064
Phone Number: 080-24494198
Email (Office): prashant.choudhary@manipal.edu
Email (HOD): shilpa.kalyan@manipal.edu

Name of the HOD: Dr Shilpa Kalyan
Established: 2022
Details of Programs offered by the Institution:

- MA Public Policy
- PhD (Evidence-based research)

About the Institution/School:

Department of Public Policy (DPP) was established to cater to the growing educational needs of new-age courses in public administration and management, Public Policy in the country. The department was established in August 2022 and began offering the program in Public Policy from August 2023. Current Program offered: 1. MA Public Policy (two years; first year Learning year and second year Practice year). Aim of the Department: DPP within the Manipal Academy of Higher Education (MAHE) family caters to the growing need for comprehensive, new-age education of the social, economic, environmental, regulatory, as well as technological challenges from a policy perspective. Our Vision and Mission statements are as follows: • Our Vision is to develop niche programs in the policymaking domain that foster holistic learning and mainstream practice of Public Policymaking in India. • Our Mission is to provide the academic and research framework for capacity-building through education and skill training for futuristic policymakers in diverse fields. Advantage with the advantage of its open-ended, modular-learning curriculum, and efficient pedagogical framework, DPP offers students unparalleled opportunities to explore the art, science, and technique of policy-making across the domains of their personal as well as professional interests. Students can opt for an exit after completion of the first year to obtain a Post-graduate Diploma in Public Policy.

- PhD
- Integrated MSc PhD- Program

About the Institution/School

Manipal Centre for Natural Sciences (MCNS) was started in the year 2011 under the Manipal Advanced Research Group (MARG). MCNS was conceived as a unique Centre dedicated to the pursuit of fundamental research at the frontiers of the natural sciences. The fledgling MCNS came into its own as a Centre of Excellence under Manipal University in 2012. From its inception, a unique academic program has been initiated and integrated with existing research at leading institutions in India and abroad. Building on its core strength in astronomy, astrophysics, and theoretical physics, MCNS has expanded into specialized areas of Computational chemistry and Evolutionary Biology. MCNS has a vibrant PhD student research program in these areas of Natural Sciences and offers an integrated MSc-PhD program in Physics. The Dr TMA Pai Planetarium housed at MCNS plays a unique and supportive role in conveying the excitement of space and astronomy research to school and college students and the wider public with exciting shows throughout the year.

Institutional Activities/Curricular Activities

New Initiatives

Sl No	Activity	Particulars	Date(s)
1	Sparc School Program	MCNS has organized two SPARC-funded programs on Meeting on High Energy Astronomy - Instrumentation and National level School on "Analysis and statistical modelling of space science data" and "Fundamentals of Space radiation for scientists, engineers, and space entrepreneurs"	07 Jul-24 Sep 2025

All Other Activities in the Department Relating to the Program/Course

Sl No	Activity	Particulars	Date(s)
1	Education and Public Outreach	Public outreach programs using the Dr TMA Pai planetarium shows throughout the year, sky-watch programs, etc., are regularly organized to raise the level of scientific temper among students and the general public. A limited number of Western Ghat biodiversity field trips are also organized for small groups.	01 Jan 2025-31 Dec 2025

Sl No	Activity	Particulars	Date(s)
2	National Science Day	As part of the National Science Day (2025) celebration, school students visited MCNS under the MAHE residential program. The program included an exhibition of models in the foyer, a demonstration of the telescope's workings, and daytime observations of sunspots.	24 Feb 2025
3	Total Lunar Eclipse	As part of outreach activities, MCNS organized a one-day event, 'TOTAL LUNAR ECLIPS' for eclipse viewing.	07 Sep 2025

University Centers XIV

Centre for Kannada and Regional Languages (CKRL)

Address: Department of Languages (DoL), Manipal Institute of Social Sciences, Humanities and Arts (MISHA), MAHE
Phone Number: 8310161723
Email (Centre): ckrl.mahe@manipal.edu **Email (Coordinator):** prithvi.sk@manipal.edu

Year of Establishment of the Centre: 2023
Name of the Coordinator: Dr Prithvirajesh Kumar S K

Brief About the Centre:

Vision:
The Centre was established in February 2023 on the occasion of *mātṛbhāṣā divas* (International Mother Language Day) with the vision of becoming a Centre of Excellence for teaching and research in Kannada and the regional languages of Karnataka. This represents a significant step towards fulfilling the call of the National Education Policy (NEP) 2020 for Indian universities to play an active role in developing multilingual programs, promoting Indian and classical languages, and creating high-quality teaching and learning resources to facilitate knowledge transfer across all levels of education. This endeavour also aligns with the pursuit of United Nations Sustainable Development Goals (UNSDGs) through language and culture.

Mission:
The Centre offers Kannada language classes to students from diverse disciplines such as Health Sciences, Technology, Management, Humanities, and Social Sciences. It is also working towards developing a learner-centric Spoken Kannada course, with a curriculum aligned with pedagogical frameworks such as the Common European Framework of Reference for Languages (CEFR). Besides, the Centre serves as a resource centre by providing translation services and information on local culture and communities.

Objectives

- To emphasize Kannada pedagogy and to develop innovative, modern, and internationally comparable curricular practices.
- To focus on the research on teaching, learning, and assessment of language competencies for Kannada and some regional languages of coastal Karnataka.
- ***māt̄āḍōṇa kannaḍa***
  To design the programs and modules of Kannada for specific purposes.
- ***gaḍiyāce kannaḍa***
  Translating to and from European languages and developing mutual language practices.
- ***ka-space***
  To create and develop a *'Ka Space'* where artists and practitioners of Kannada arts and cultural practices can come together and share ideas.

Activities at the Centre:

Sl No	Name of the Activity	Particulars	Date
1.	A seminar on old Kannada literature was held to explore contemporary approaches to its reading and interpretation, as part of the celebration of International Mother Language Day.	Dr Purushothama Bilimale, Chairperson of the Kannada Development Authority, delivered a lecture on how classical literary texts such as *Pampa Bhārata, Ranna's Sāhasa Bhīma Vijaya*, and *Kumaravyāsa Bhārata* can be re-read and reinterpreted to engage a wider readership in contemporary times.	23 Feb 2025

Sl No	Name of the Activity	Particulars	Date
2.	Panel discussion with language scholars to explore the potential of multilingualism in higher education institutions. 	Dr Peggy Mohan and Dr Purushotham Bilimale shared their ideas on going beyond language barriers and emphasised the importance of mother tongues in higher education institutions, enabling individuals from diverse linguistic backgrounds to actively engage in knowledge exchange.	23 Feb 2025
3.	A field visit to a Koraga settlement to study the Koraga language, listed by UNESCO as an endangered language. 	Students, along with faculty members and the renowned linguist Dr Peggy Mohan, visited a Korga settlement near Padubidri in Udupi District with the objective of undertaking first-hand documentation and linguistic data collection of a tribal language.	6 Mar 2025
4.	A unique lecture–demonstration on local medicine was conducted by Sri Purushotham Adve. 	This workshop was conducted for students of Siddhoushadha enrolled in Kannada classes and was followed by a structured and engaging interactive session. The discussion facilitated a deeper understanding of local medicinal traditions and practices, emphasizing the role of the local language in preserving and transmitting indigenous knowledge.	5 Apr 2025
5.	A panel discussion on the theme *Paad-dana (Tulu Oral Narratives): Tradition and Relevance* was organised in collaboration with Centre for Intercultural Studies and Dialogue (CISD) and other departments at MAHE, inviting local art practitioners as resource persons. 	This marked one of the first occasions where practitioners were brought onto a university platform to share their knowledge, providing valuable insights for researchers in the fields of local art and cultural practices.	13 Aug 2025
6.	A Yakshagana demonstration was presented by renowned Yakshagana artist Sujayeendra Hande, along with Ajith Kumar and Kavya Hande. 	This demonstration helped students studying theatre and performance to understand the local vibrant art form from both theoretical and practical perspectives.	18 Sep 2025

Sl No	Name of the Activity	Particulars	Date
7.	Initiation of a collaboration proposal between the University of Würzburg and MAHE. 	Professor Karin Steiner and Ms Anette Finger Albert from the University of Würzburg, Germany, visited CKRL, MAHE. During this visit, Dr Prithvirajesh Kumar, Coordinator, CKRL, was invited by the Chair of Indology, University of Würzburg, for a short-term lectureship. As part of this engagement, he interacted with faculty and students, delivered lectures, and gained exposure to international academic practices and collaborative opportunities. An interaction to explore potential avenues for collaboration was also held during the visit.	19 - 25 Oct 2025

Photo gallery

Dr Purushothama Bilimale, Chairperson of the Kannada Development Authority, delivered a lecture on the re-reading of Old Kannada literature, highlighting its contemporary relevance and interpretative approaches.

Professor Sujayeendra Hande, Ajith Kumar Ampalapady, and Kavya presented a Yakshagana demonstration for the Theatre and Performance students.

Purushothama Adve delivered a lecture-demonstration on the local medicinal traditions of coastal Karnataka for Siddha Aushadha students.

Dr Prithvirajesh Kumar at Chair of Indology Wurzburg Univesrity. Dr Katharina Holz, Dr Anna Aurelia Esposito, Prof Karin Stiener, Ms Anette Finger-Albert

Dr Ahmad Gualai, a Tunisian human rights activist who plays a prominent role in the Tunisian Human Rights League—an organisation that is part of the Tunisian National Dialogue Quartet, awarded the 2015 Nobel Peace Prize—visited CKRL during his visit to the institute.

Centre for Advanced Research in Applied Mathematics and Statistics (CARAMS)

Address: Level V, Health Sciences Library Building, MAHE, Manipal
Phone Number: 0820 29 22407
Email (Centre): carams@manipal.edu **Email (Coordinator):** km.prasad@manipal.edu

Year of Establishment of Centre: 2018
Name of the Coordinator: Dr K Manjunatha Prasad
Members: All Faculty members of DDS, PSPH, MAHE and DOM, MIT, MAHE.

Brief About the Centre

Centre for Advanced Research in Applied Mathematics and Statistics (CARAMS) was established in September 2018 at MAHE with the objectives of fostering advanced research and training in the area of Mathematics, Statistics, and their applications. It facilitates bridging the gap between Mathematicians /Statisticians and Applied Mathematicians working in the area of Health, Technology, and Social Sciences.

CARAMS consists of several (https://carams.in/chapters/)working in different dimensions of pure and Applied Mathematics. Adjunct faculty of MAHE are associated with CARAMS in promoting research and acting as mentors for CARAMS. Along with the activities promoting research in Mathematics and Statistics, the centre aims at offering advanced (https://carams.in/courses) in the subjects of interest. CARAMS offers positions of JRF, PDF, and visiting scientists to work in the area of CARAMS' research interests. MAHE faculty, adjunct faculty associated with MAHE, and the mentors associated with CARAMS are available as advisors for the conduct of research in the area of focus.

CARAMS organizes (https://carams.in/events/) in the focus area, which helps the promotion of Mathematics and Statistics in the university and also in the region. Also, it organizes a series of events, which are popular in nature, to develop teams with members from different branches of science and to develop multidisciplinary projects.

Vision

Attain and enhance the recognition of MAHE in the area of Mathematics and Statistics

Mission

- To organize national and international workshops and conferences in the focus area
- To organize a series of lectures in pure and Applied Mathematics
- To develop several teams with members from different branches of science
- To develop multidisciplinary projects

Objectives

- To train our students in the advanced topics, and expose young faculty and scholars to the recent developments and research problems in the emerging area of mathematics and statistics, such as Game Theory, Network Theory, Advanced Linear Algebra, and Combinatorics, with a focus on applications in different branches of sciences
- To introduce the researchers working on Technology, Clinical Research, Public Health, Administration, and Economics to the applications of the emerging area of Mathematics.

Activities at the Centre

Sl No	Name of the activity	Particulars	Date
1	One-day symposium on Applied Linear Algebra, Probability, and Statistics (ALAPS 2025)	Padma Vibhushan Professor Calyampudi Radhakrishna Rao is one of the great Indian statisticians who received the 2023 International Prize in Statistics, which is equivalent to the Nobel Prize in Statistics. CRR, a legendary statistician, received this prize for his groundbreaking work entitled 'Information and the Accuracy Attainable in the Estimation of Statistical Parameters' published in the Bulletin of Calcutta Mathematical Society in 1945. C R Rao, born on 10 Sep 1920, at Hoovina Hadagali, Karnataka, lived a long, fruitful life of 102+ years till 22 Aug 2023. Center for Advanced Research in Applied Mathematics and Statistics (CARAMS, MAHE) has been organizing events and special sessions in honor of him since 2020, the year it	13 Sep 2025

Sl No	Name of the activity	Particulars	Date
		celebrated 'CRR Day' marking Rao's 100th birthday. In the same year, CARAMS organized an international conference, ALAPS 2020 (online format), in honor of Rao, where Prof C R Rao arrived on the screen with the help of his daughter Teja Rao, accepted felicitation, and conveyed his best wishes to his disciples, collaborators, and admirers among the participants. In the following year, CARAMS organized an international conference, ICLAA 2021, and an international workshop, IWMS 2021 (hybrid format), with common sessions in honor of Prof. Rao. In 2023, a two-day symposium was organized to pay tribute to Prof. Rao, and on the same occasion, a book-volume published in honor of Prof. Rao and dedicated to ICLAA 2021 and IWMS 2021 was released. CARAMS, MAHE, organized a one-day symposium on 13 Sept 2025, in memory of Prof Rao. On the same occasion, there was a technical talk by Prof M H Suryanarayana, which was a part of the CRR Lecture Series organized by CARAMS, MAHE. Quiz competition, College, and Paper presentation competitions were held for students from surrounding colleges. About 120 students from different colleges and universities in the region actively participated in these student activities.	
2	CRR Lecture Series 	The talk-3 in the CRR Lecture Series was organized by CARAMS, MAHE, on September 13, 2025, in which Prof. M H Suryanarayana, *Member, High Power Committee on Redressal of Regional Imbalances, Government of Karnataka,* delivered a talk on 'Statistics and Public Policy Applications'. Around 120 students from different colleges and universities in the region were present.	13 Sep 2025
3	International Workshop on Special Matrices, Graphs and Applications (IWSMGA 2025) 	Centre for Advanced Research in Applied Mathematics and Statistics, MAHE, organized a preconference workshop, 'International Workshop on Special Matrices, Graphs, and Applications', a week before the conference 'International Conference on Linear Algebra and its Applications (ICLAA 2025)'. The main goal of the workshop was to train young students, scholars, and faculty interested in the focus area of special matrices, graphs, and their applications, and to provide exposure to recent developments, applications, and open research problems in this rapidly advancing and dynamic field. The workshop also aimed to stimulate research and support the interaction among the scientists by creating an environment for the participants to exchange ideas and to initiate collaborations and professional partnerships. The workshop was an excellent opportunity for interested students and researchers to interact with the eminent personalities of the subject. Sessions in the workshop included lectures, tutorials, and discussions on recent research trends in special matrices and graphs by Abraham Berman, Stephen J Kirkland, Simo Puntanen, TES Raghavan, S K Neogy, Sukanta Pati, Sivaramakrishnan Sivasubramanian, and other leading personalities of the subject. The course conducted in the workshop carried a credit of two.	10 - 16 Dec 2025

Sl No	Name of the activity	Particulars	Date
		Around 80 participants were actively involved in the workshop in person.	
4	International Conference on Linear Algebra and its Applications (ICLAA 2025) 	International conference on Linear Algebra and its Applications – ICLAA 2025, sixth in its sequence, following CMTGIM 2012 and ICLAA 2014, ICLAA 2017, ICLAA 2021, and ICLAA 2023, is scheduled on December 17-20, 2025, in Manipal Academy of Higher Education, Manipal. It is endorsed by the International Linear Algebra Society (ILAS) and supported by ANRF through the SERB seminar-symposia scheme. Like its preceding conferences, ICLAA 2025 is also focused on the theory of Linear Algebra and Matrix Theory, and their applications in Statistics, Network Theory, and other branches of science. Study of Covariance Matrices, being part of the Matrix Method in Statistics, has applications in various branches of science. About 208 delegates have registered for ICLAA 2025 alone (31 Invited + 112 Contributory) and are from different countries of the world. Interestingly, 80\% are repeaters of the earlier conference, and the remaining 20\% are young students or scholars. Despite a few dropouts due to unavoidable constraints, it is felt evident that the group of scholars with a focus area of Linear Algebra, Matrix Methods in Statistics, and Matrices and Graphs is not only consolidating but also growing as a society with a strong bond. ICLAA 2025 provided a platform for renowned Mathematicians and Statisticians to come together and discuss research problems. It provided ample time for 95 young scholars to present their contributions before eminent scholars. Having adequate parallel sessions in the conference, every contributory speaker got not less than twenty minutes to present their results. The following publications dedicated to the conference 'International Conference on Linear Algebra and its Applications (ICLAA 2023)' have been published. (i) A special issue in the journal 'Indian Journal of Pure and Applied Mathematics (IJPAM)' dedicated to ICLAA 2023. And the following are in the press. (ii) A special issue in the journal 'AKCE International Journal of Graphs and Combinatorics' dedicated to ICLAA 2023. (iii) A book-volume 'Linear Algebra, Matrices, and their Applications' proposed to be published in AMS Contemporary Mathematics' dedicated to ICLAA 2023. The following publications dedicated to the conference 'International Conference on Linear Algebra and its Applications' are planned. (i) A special issue in the journal 'Journal of Algebra and its Applications' dedicated to ICLAA 2025. (ii) A special issue in the journal 'AKCE International Journal of Graphs and Combinatorics' dedicated to ICLAA 2025.	17-20 Dec 2025

Manipal Centre for Innovation Leadership and Entrepreneurship (MILES)

Address: MILES, MAHE-B'LRU
Phone Number: 9980540738
Email (Centre): miles.maheblr@manipal.edu **Email (Coordinator):** cnraghupathi@manipal.edu

Year of Establishment of the Centre: 2022
Name of the Miles Director: Dr Raghupathi C N
Coordinators: Aparna Pai and Jyothi J

Brief About the Centre

Manipal Centre for Innovation, Leadership and Entrepreneurship (MILES) is an industry-led centre for innovation and entrepreneurship, designed to bridge academic learning with real-world venture creation. Its programs are 100% online, offering flexibility for students and working professionals, and are taught by industry veterans, entrepreneurs, and practitioners. With an application-oriented curriculum, structured academic rigour, and hands-on mentorship, MILES aligns learning to real business contexts. Learners also gain exposure to a strong innovation ecosystem comprising entrepreneurs, incubators, investors, and government-backed platforms, supporting pathways from ideation to venture readiness.

Vision

1. To be the platform of choice in the next 3-5 years for Innovation and Entrepreneurship (IE).
2. Create a strong IE ecosystem within MAHE to geminate more startups.

Mission

Innovation

1. Establish collaborative Centres of Innovation with Industry partners to develop solutions for futuristic problem statements and evangelize new technologies, leveraging the student and faculty pool of the university.
2. Conduct structured academic courses curated by industry leaders on innovation for students and industry professionals.

Entrepreneurship

1. Create a structured program on Entrepreneurship for internal students and external entrepreneurs.
2. Develop alliances with investors, enterprises, and technologists to create a vibrant startup ecosystem.

Objectives

- Build a strong foundation in innovation and entrepreneurship through industry-relevant, application-oriented academic programs.
- Equip learners with practical skills, strategic thinking, and an entrepreneurial mindset to ideate, validate, and develop scalable ventures.
- Deliver structured learning and mentorship led by industry veterans, entrepreneurs, and practitioners.
- Enable pathways for venture creation, incubation readiness, and sustainable growth within and beyond the MAHE ecosystem.

China Study Centre

Address: Old WGSHA Building, Next to Fortune Valley View, Manipal - 576104
Phone Number: 0820 2922996
Email (Centre): anand.v@manipal.edu, geopolitics.mu@manipal.edu
Email (Coordinator): anand.v@manipal.edu

Year of Establishment of the Centre: 2018
Name of the Coordinator: Dr Anand V

Brief About the Centre:
Vision:

1. To establish a university-based study Centre on China of stellar international reputation that would provide objective inputs to the key policy community
2. To create an academic space to discuss, debate, and recommend specific measures on the themes relating to China
3. To link with the rest of the strategic community in the world

Mission:

1. To identify convergences and divergences between India and China and endeavour to study them in depth.
2. To encourage academic traditions in society, an approach adopted by advanced nations in formulating strategies and taking decisions, provide a platform for exchanging information, knowledge, and ideas with similar institutions abroad, establish cooperation with academic institutions, research Centres, and universities at local, regional, and international levels.
3. To create a highly efficient research team that can contribute meaningfully through their keen intellect and analysis, create databases on security and strategic issues for the future and next generation of researchers, and disseminate the research findings based on rigid analytical processes to the decision makers and civil society.
4. To prepare specialized reports for the National Security Establishment on identified and relevant themes impacting India's national security, with a special focus on the problems of peninsular India and the Indian Ocean littoral.

Objectives:

1. To create a bank of knowledge on China from a multi-faceted dimension, with a concentration on Politics, Economics, Commerce, Society, Culture, Science, and Technology.
2. To establish a network of young analysts having holistic knowledge of China.
3. To build capacity on understanding China's intentions, fundamental goals, and behavioural patterns.

Centre for Excellence for Biophotonics

Address: MIAP, AB-5, MIT, Manipal
Phone Number: 0820 2925081 **Cell Phone No:** 9880092297
Email (Centre): biophotonics.manipal@gmail.com
Email (Coordinator): santhosh.cls@manipal.edu

Year of Establishment of the Centre: 2016
Name of the Coordinator: Dr Santhosh Chidangil
Members: Professor: 1, Research Associate: 2, PhD Students: 2.

Brief About the Centre

The Centre of Excellence for Biophotonics at Manipal Academy of Higher Education is a premier hub for translational research in light-based technologies, uniquely bridging fundamental photonics with transformative clinical applications through seamless interdisciplinary collaboration among engineers, physicists, researchers, and clinicians across the Manipal campus, India, and international partner institutions. Its pioneering emphasis on non-invasive, portable, and affordable diagnostics, particularly suited for resource-limited settings, sets it apart and is exemplified by the development of advanced optical devices for oral cancer screening and detection, which are currently undergoing multicentre clinical trials in hospitals. Ongoing cutting-edge research activities further underscore its leadership. These include the standardization of photonics-based methods for detecting endometriosis, as well as oral and renal cancers. The centre is also advancing optical techniques for assessing thiamine levels in blood and plasma and developing liquid biopsy approaches. In addition, research efforts encompass laser speckle imaging for cardiovascular diseases and photoacoustic spectroscopy (PAS) for lung cancer detection via breath analysis. Studies on storage lesions in blood components using optical tweezers integrated with micro-Raman spectroscopy further strengthen these initiatives.

Vision: To become a centre of excellence with a focus on fundamental and applied research in photonics and biophotonics.

Mission: To explore, initiate, and pursue research in the cutting-edge areas of photonics and biophotonics, including other interdisciplinary subjects; to create an environment to promote this endeavour and to shape the future direction of work in the subject.

Objectives

- Multi-centre trial of an oral cancer screening device.
- Investigation of storage lesions in platelets and RBCs using optical tweezers combined with micro-Raman spectroscopy.
- Optical diagnostics for early detection of cardiovascular disease using laser speckle imaging.
- Exploring the feasibility of the existing PAS setup for the screening of lung cancer and the development of a portable device
- The protein profiling of blood plasma and peritoneal fluid for the detection of endometriosis.
- Detection of thiamine deficiency using an HPLC-LED system.
- The synchronous fluorescence spectroscopy for detection of endometriosis from body fluids.

Centre for Intercultural Studies and Dialogue (CISD)

Address: MAHE, Manipal
Phone Number: 9481578358
Email (Centre): cisd@manipal.edu
Email (Coordinator): shetty.praveen@manipal.edu

Year of Establishment of the Centre: 2017
Name of the Coordinator: Dr Praveen K Shetty
Members:

- Mr Nitesh Anchan
- Mr Ganesh B V

Brief About the Centre:
The Centre for Intercultural Studies and Dialogue (CISD), MAHE, is a platform for communication across cultures and promotes a meaningful exchange of knowledge between India and the wider world. It is working on a project, 'Discerning India: Living Cultures of Tulunadu', with a focus on bringing the indigenous knowledge system within the academic ambit. As part of the CISD project, several exciting initiatives have been launched to appreciate and preserve the vibrant heritage of the region Tulunadu (a region in the southern coast of Karnataka, India). In 2022, a self-paced online certificate course, "Living Cultures of Tulunadu," was offered to provide a glimpse into the region's rich traditions. Following this, in November 2023, CISD published a visually captivating book titled Living Cultures of Tulunadu, introducing readers to the prominent living traditions that define the area. Additionally, a compelling series of documentaries exploring various facets of the Tulunadu traditions has been produced and shared within academic circles, further contributing to academic discourse and cultural awareness

Centre for Research in Banking Financial Services and Insurance

Address: Manipal Academy of BFSI, Chokkanahalli, Bengaluru
Phone Number: 9902988862
Coordinator (Email): chetana.bs@manipal.edu

Year of Establishment of the Centre: 2019
Name of the Coordinator: Dr Chetana B S
Members:

- Faculty members from Banking, Insurance, FinTech, Statistics, Management, IT, Behavioral Sciences, and allied disciplines
- Research associates and doctoral scholars (as applicable)

Brief About the Centre

Vision:

To emerge as a recognized Centre of Excellence driving impactful research, thought leadership, and innovation in Banking, Financial Services, and Insurance (BFSI).

Mission:

To foster interdisciplinary and industry-integrated research that addresses emerging challenges in BFSI, enhances policy relevance, and strengthens academia–industry collaboration through evidence-based insights and capacity building.

Objectives:

- Bring actionable research through networking with leaders of the BFSI sector and understand issues and trends through organizing Seminars, Conferences, Symposia, and Expert Talks.
- Promote and facilitate collaborative and/or interdisciplinary research and enhancement of research networking capacity and infrastructure.
- Encourage Research Associates and MAB employees to conduct research in the BFSI domain and thereby facilitate them to do PhD through MAHE.
- Provide thought leadership, best practices, research and cutting-edge training in all facets of the BFSI domain.

Centre for Ocular Nano Medicine

Address: Manipal Academy of Higher Education, Manipal - 576104
Phone Number: 9845264557
Email (Coordinator): sulatha.bhandary@manipal.edu, bharath.guru@manipal.edu

Year of Establishment of the Centre: 2022
Name of the Coordinator: Dr Sulatha V Bhandary, Dr Bharath Raja Guru

Members: Dr Soumya S Nair, Dr Srinivas Mutalik, Mr Nagarajan T, Dr Manjunath Shetty

Brief About the Centre

Vision: To develop a state-of-the-art drug delivery product indigenously, patent it, and take it to clinical trials.

Mission: To advance the field of ocular health by developing innovative nanomedicine solutions for the diagnosis, treatment, and prevention of eye diseases. Through cutting-edge research and interdisciplinary collaboration, we aim to enhance the precision, efficacy, and accessibility of ocular therapies; improving vision outcomes and quality of life for patients worldwide.

Objectives:

- To develop a target nanoparticle Drug Delivery System (DDS) for various ocular diseases.
- To develop animal research models to carry out the nanoparticle drug delivery research.
- To foster innovation and train students, researchers, and health care providers in animal eye research/ nano-ocular drug delivery.
- To apply for patents and take the products to clinical trials.

Activities at the Centre:

Sl No	Name of the Activity	Particulars	Date
1.	Continuing Medical Education (CME) on Translating ocular microbiome research into precision drug delivery for ocular diseases and hands on workshop	110 participants registered for the CME and 50 PhD scholars underwent hands on training in metabolomics, confocal microscopy, and 3D printing. UNSW (University of new south wales) Sydney, Australia Dr Manisha Acharya.Director Cornea services and Eye Banking Dr Shroffs Charity Eye Hospital, Delhi	17 Dec 2025
2.	International preconference workshop on "Exploring the hidden world of microbial diversity: metagenomics uncovered" and hands-on workshop.	80 participants attended the workshop. An international speaker delivered a guest lecture.	13 - 14 Jan 2025

During the reporting period, the Centre strengthened its academic and research profile through doctoral enrolment, scholarly publications, and active student training.

a. **PhD-related work:**
   i. Two PhD scholars were enrolled under the Centre, contributing to the expansion of focused research activities and capacity building.

ii. Ongoing Project 1: Nanoparticle/drug delivery in fungal keratitis
iii. Ongoing Project 2: Nanoparticle/targeted drug delivery in diabetic retinopathy
iv. Ongoing Project 3: Microneedle-based drug delivery in glaucoma

b. Research activity: The Centre currently has two review articles under peer review in reputed journals, reflecting ongoing scholarly output and subject expertise.

Publicaions:

Ocular Delivery of Natamycin in Fungal Keratitis: Barriers, Advanced Drug Delivery Systems, and Translational Challenges – accepted in Journal of Applied Pharmaceutical Science

c. Academic: The Centre actively mentors and trains undergraduate and postgraduate students and PhD scholars in laboratory techniques, research methodology, data analysis, and scientific writing.

List of Ongoing Projects/Research Grants:

Regional Resources Centre for Folk Performing Arts

Address: Mahatma Gandhi Memorial (MGM) College Campus,
Kunjibettu, Udupi 576102
Phone Number: 0820 2524459, 2521159
Email (Centre): rgpaiudupi@gmail.com
Email (Administrative Officers): bjagadeeshshetty@gmail.com

Year of Establishment of the Centre: 1983

Name of the Administrative Officer: Dr B Jagadeesh Shetty

Advisory Committee Members
Prof B A Viveka Rai, President
Dr K Chinnappa Gowda, Member
Dr K L Kundanthaya, Member
Dr Abhay Kumar, Member
Dr Rekha Bannadi, Member

Brief About the Centre

The Regional Resources Centre for Folk Performing Arts (RRC, as popularly known), Udupi, was established as a unit of the Mahatma Gandhi Memorial College, Udupi. It was founded in 1983. This non-governmental, non-profit organization is dedicated to the documentation, dissemination, and preservation (by archiving) of folk performing arts, folk rituals, folk games, and other folk cultural aspects of the Karnataka region. The RRC took giant steps in this direction under the leadership of the late Prof K S Haridasa Bhat, its founder-director. It grew into an institution of high reputation in the field of folklore studies, thanks to the timely and periodical non-recurring grants from the Ford Foundation between the years 1983 and 1995. Now it is under the administrative Control of MAHE.

Activities at the Centre: Publication, documentation, seminars, workshop, etc.

Interview

RRC, in continuation of its documentation program of great personalities interviewed Dr A Sundara, a well-known Archaeologist of International fame in his house in Shimoga on 12 November 2025

Brief About the Centre

School of Yakshagana

Yakshagana Kendra, Udupi (now run by Yaksha Gurukula Shikshana Trust) is one of the cultural wings of MAHE. It was established in 1971. It is a training centre, imparting professional training (free of charge) in the art of Yakshagana (Badagutittu) dance and music to young learners in the traditional Gurukula system. The learners are provided free food and accommodation. The learners here live with their teachers under the same roof and are housed in Shivaprabha, the training complex of the centre, having facilities like classrooms, library, green room, practice hall, study rooms, rest rooms, etc. The complex also includes well-laid-out quarters for the Gurus, in addition to an outdoor auditorium and a museum for the benefit of visitors. The Kendra is managed by a Registered Trust, the Yaksha Gurukula Shikshana Trust.

Activities at the Centre:

Yakshagana Kendra, Indrali, Udupi - 52nd Annual Day *(Date: 08 February 2025)*

The 52nd Annual Day of Yakshagana Kendra, Indrali, and M M Hegde Award presentation ceremony was held on 08 February 2025 at Yakshagana Kendra Indrali. The event was organized by Yakshagana Kendra, Indrali, in collaboration with **Yakshagurukula** Shikshana Trust, Manipal, Academy of Higher Education, and Department of Kannada and Culture, Udupi.

During the program, Yakshagana artist Srinivasa Devadiga from Naguru was honoured with the M M Hegde Award. At the same time, Mr Praveen Koppal, a member of YakshaRanga of Kendra, was also felicitated. Performances included the Yakshagana "Bhishma Vijaya" by students of the Kendra, and "Himmela Vaibhava" by students from outside.

07 June 2025

Year of Establishment of the Centre: 2008
Name of the Administrative Officer: Dr B Jagadeesh Shetty
Advisory Committee Members:

- Prof B A Viveka Rai, President
- Dr A V Navada, Member
- Prof Taltaje Vasantha Kumar, Member
- Dr Mahabaleshwar Rao, Member
- Dr Arun Kumar S R, Member

Brief Information About the Centre:

In 2008, the Government of Karnataka sanctioned a grant of 1 crore INR to the Govind Pai Samshodhana Kendra to undertake research and allied projects in honour of the great Saint Kanakadasa. Study of his devotional songs, poetry, propagation of his work among the masses and the youth, encouraging studies on the works of Kanakadasa, are some of the objectives of the Kanaka Adhyayana and Samshodhana Peetha. The Peetha works in collaboration with Saint poet Kanakadasa and Tatvapadas Study Centre, Bangalore.

The Kanaka Adhyayana and Samshodhana Peetha undertakes diverse programs and projects to encourage not only scholastic and academic study of the songs and literary compositions of the sage Kanakadasa but also to encourage laymen and young people, particularly school children and students, to take to the study of the life of Kanakadasa, understand the significance of his works, and spread his message to the people.

Activities at the Centre:

About the Institution:

The Centre for Distance and Online Education (erstwhile Directorate of Online Education) is a constituent unit of Manipal Academy of Higher Education (MAHE) committed to advancing the United Nations Sustainable Development Goal 4 (SDG 4) of ensuring inclusive and equitable quality education for all. Established in 2019, CDOE strives to revolutionize the field of education by offering high-quality online programs that provide lifelong learning opportunities to individuals worldwide. CDOE takes pride in its diverse range of online programs designed to enhance professional skills and academic knowledge while promoting sustainable development.

CDOE's commitment to inclusive and equitable education extends globally. At present, students from more than 50 countries have enrolled in CDOE's online programs, creating a diverse and inclusive learning environment that fosters cross-cultural understanding and collaboration. This global reach ensures that learners from different backgrounds and regions have access to quality education and the opportunity to contribute to sustainable development in their communities. CDOE-MAHE has signed an agreement with the Ministry of External Affairs (MEA), Government of India, to support education in African countries. Through the MEA's eVidyaBharati eArogyaBharati (eVBAB) Pan-African Network Scholarship Project, CDOE offers its online programs to African learners, empowering them to pursue quality education and contribute to sustainable development in their countries. This transformative initiative has already enrolled over 1000 students from 15 African countries, widening access to education and creating pathways for sustainable development in Africa. By equipping African learners with the knowledge and skills to address local challenges, CDOE-MAHE is playing a vital role in fostering human capital development and promoting sustainable socioeconomic progress across the continent.

21. Dr A Venugopal Shanbhogue participated in a workshop on "Case-Based Teaching" organized by the Directorate of Online Education, MAHE, on 10 Dec 2025.

22. Dr A Venugopal Shanbhogue served as a member of the organizing committee for the workshop on "Case-Based Teaching" conducted by the Directorate of Online Education, MAHE, on 10 Dec 2025.

23. Dr Poornima Shetty participated in a workshop on "Case-Based Teaching" organized by the Directorate of Online Education, MAHE, on 10 December 2025.

24. Prof Gaurav Chandrashekhar Hajare participated in a workshop on "Case-Based Teaching" organized by the Directorate of Online Education, MAHE, on 10 Dec 2025.

25. Dr Nahima Akthar participated in a workshop on "Case-Based Teaching" organized by the Directorate of Online Education, MAHE, on 10 Dec 2025.

26. Prof Shrishma Rao participated in a workshop on "Case-Based Teaching" organized by the Directorate of Online Education, MAHE, on 10 Dec 2025.

27. Dr Archana Nayak Kini participated in a workshop on "Case-Based Teaching" organized by the Directorate of Online Education, MAHE, on 10 Dec 2025.

28. Prof Ujwal MS participated in a workshop on "Case-Based Teaching" organized by the Directorate of Online Education, MAHE, on 10 Dec 2025.

29. Prof Shreevatsa Gudi participated in a workshop on "Case-Based Teaching" organized by the Directorate of Online Education, MAHE, on 10 Dec 2025.

30. Dr Archana Nayak Kini participated in a workshop on 'Plan Lessons That Stick: Boost Retention and Engagement Through Smarter Course Design' by Harvard Business Impact on 11 Dec 2025.

31. Dr Aruna Doreen Manezes completed a Coursera course on GenAI for people and Talent Management on 13 Dec 2025.

32. Dr Nahima Akthar participated in a workshop on "Beginning your AI journey: The Practical Starter for Healthcare Professionals", organized by the Department of AI in Healthcare, KMC Manipal, on 16 Dec 2025.

Conference Presentations and Research Publications:

1. Dr Vishwajeet Singh presented a research paper titled "Evaluating Agricultural Development in Uttar Pradesh using a TOPSIS-Based Factor Analytic Model" at ICAN-OPT NEPAL 2025, Kathmandu University, Nepal (08 to 10 May 2025).

2. Dr Anamika Kumari presented a research paper titled "Utilizing Neutrosophic Stratified Ranked Set Sampling: An Efficient Approach for Estimating Average Relative Humidity in the USA" at ICAN-OPT NEPAL 2025, Kathmandu University, Nepal (08 to 10 May 2025).

3. Prof Gaurav Chandrashekhar Hajare presented a research paper titled "Unveiling Socio-economic Inequalities in Uttar Pradesh: A spatio-temporal Study with Wroclaw Taxonomy and K-means Clustering Techniques" at the International Conference on Non-linear Analysis and Optimization (ICAN-OPT Nepal 2025), organized in collaboration with Tribhuvan University, Nepal Sanskrit University, Nepal (08 to 10 May 2025).

4. Dr Manojkumar Nagasampige presented a research paper titled *"Enhancing Communication Competencies through MOOCs: Insights from a Student Survey"* at the 31st AMIC Annual conference in Mumbai, held from 09 to 11 Oct 2025.

5. Prof Shrishma Rao presented a research paper titled "From Pixels to Words: ResNet-LSTM Based Image Captioning with Greedy and Beam Search" at the 1st Engineering Data Analytics and Management Conference (EAMCON 2025), held on 26 and 27 Nov 2025 at Melaka, Malaysia.

6. Martis, R R, Pai, M S, Mahadeva, R, Mathias, E G, Ramoo, V, Dewi, Y S, Arulappan, J, Nagasampige, M, and U R, R (2025). Enhancing competencies of nursing students in pain management education through artificial intelligence (AI): A narrative review. Pain Management Nursing. Advance online publication.

7. Kamath R et al, Singh V (2025) – Impact of early tracheostomy on resource utilization and patient outcomes in trauma ICU patients – PLoS One (Scopus Q1/SCIE) (Corresponding Author).

8. Kumari A, Singh A, Singh V (2025) – Neutrosophic generalized estimator under stratified ranked set sampling – International Journal of Mathematics and Mathematical Sciences (Scopus Q2).

9. Singh V, Kumari A, Singh R (2025) – Neutrosophic Stratified Ranked Set Sampling for Relative Humidity Estimation – International Journal of Neutrosophic Science (Scopus Q1).

10. Kamath S et al, Singh V (2025) – Out-of-pocket expenditure in India: A systematic review – Frontiers in Public Health (Scopus Q1).

11. Kamath R et al, Singh V (2025) – Ayushman Bharat Digital Mission awareness study – Healthcare (Scopus Q1).

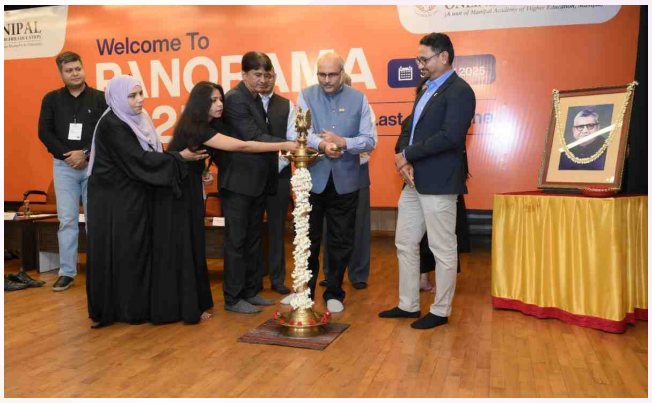
1st Convocation of MAHE Online Education - February 2025

Staff Outbound Training - March 2025

International Women's Day celebration at DOE - March 2025

Yoga Session led by Women for Women and Others - March 2025

DOE Participation in Staff Utsav - March 2025



Panorama -Campus Immersion Programme for MAHE Online Learners - June 2025

Dr Manojkumar Nagasampige participated in a workshop on "Developing Best Practices for Quality Assurance in Open, Distance and Online Learning" organized by the National Assessment and Accreditation Council and Indira Gandhi National Open University (IGNOU) in partnership with The Open University, United Kingdom, held on 25 and 26 August 2025 at New Delhi

Teacher's Day celebration at DOE - September 2025.

Part of 33rd Convocation of MAHE: 2nd Convocation of MAHE Online Education, November 2025.

Dr Manojkumar Nagasampige, Director, Directorate of Online Education, was invited as a speaker at D2L on "Transforming Outcome-Based Education with AI" held on 06 December 2025 for a Round Table meet in Mangalore.

Workshop on "Case-Based Teaching" for the faculty of DOE - December 2025.

Alumni meet- Dr Manojkumar Nagasampige, Director, Directorate of Online Education, with an alumnus of the Directorate of Online Education, Mr Ndikumana Jacques (MSc Data Science-Batch 1) in Kigali, Rwanda.

Offshore Campus XVI

MAHE – Dubai Campus

Address: Manipal Academy of Higher Education, Dubai Campus,
P O. Box 345050, G08, Dubai International Academic City Dubai, UAE

Phone Number: +971 4 429 0777
(Office): admissions@manipaldubai.com **Director:** sudhindra.shamanna@manipaldubai.com

Name of the Director: **Dr Sudhindra Shamanna**
Established: **2003**

Details of Programs Offered by the Institution:

- Bachelor of Architecture
- Bachelor of Arts (Honours)
- Bachelor of Arts in Film Studies and Television Production
- Bachelor of Arts in Media and Communication
- Bachelor of Business Administration
- Bachelor of Business Administration (Honours)
- Bachelor of Commerce (Honours) Professional
- Bachelor of Commerce (Professional)
- Bachelor of Design (Interior Design)
- Bachelor of Science (Honours) in Applied Psychology
- Bachelor of Science (Honours) in Biotechnology
- Bachelor of Science (Honours) in Food and Nutrition Science
- Bachelor of Science in Animation
- Bachelor of Science in Applied Psychology
- Bachelor of Science in Biotechnology
- Bachelor of Science in Food and Nutrition Science
- Bachelor of Science in Information Systems and Management
- Bachelor of Technology (Honours) in Computer Science and Engineering
- Bachelor of Technology (Honours) in Mechanical Engineering
- Bachelor of Technology in Civil Engineering
- Bachelor of Technology in Computer Science and Engineering
- Bachelor of Technology in Computer Science and Financial Technology
- Bachelor of Technology in Data Science and Engineering
- Bachelor of Technology in Electrical and Electronics Engineering
- Bachelor of Technology in Mechanical Engineering
- Bachelor of Technology in Mechatronics
- Doctor of Philosophy in Engineering and IT
- Doctor of Philosophy in Business
- Doctor of Philosophy in Biotechnology
- Master of Arts in Media and Communication
- Master of Business Administration (International Business)
- Master of Design in Interior Design
- Master of Design in Sustainable Design
- Master of Science (Food Science and Safety)

- Master of Science in Applied Psychology
- Master of Science in Information Science
- Master of Science in Medical Biotechnology
- Master of Science in Molecular Biology and Human Genetics
- Master of Science in Nutrition and Dietetics
- Master of Technology in Civil Engineering (Construction Engineering and Management)
- Master of Technology in Computer Science and Engineering (Information Security)
- Master of Technology in Energy Systems and Management
- Master of Technology in Engineering Management
- Master of Technology in Mechanical Engineering (Manufacturing Technology and Automation)
- Post Graduate Diploma in Business Administration
- Post Graduate Diploma in Cyber Security
- Post Graduate Diploma in Data Science
- Post Graduate Diploma in Logistics and Supply Chain
- Certificate Program in Interior Design Foundation

About the Institution/School

MAHE, Dubai Campus proudly holds a prestigious 5-star rating from the Knowledge and Human Development Authority (KHDA) and is licensed by the Ministry of Higher Education and Scientific Research (MoHESR), further establishing itself among the UAE's leading universities. The campus was also the recipient of the Forbes Middle East Higher Education Award for Outstanding Student Support in 2019. MAHE Dubai was also declared a winner for three categories at the Economic Times (ET) Education Excellence Awards 2025 – Middle East: Excellence in Green and Sustainable Campus, Excellence in Career Development and Industry Collaboration, and Excellence in Student Well-being, Support and Inclusion. With over 3100 students and a network of more than 9,500 alumni making significant contributions across industries worldwide, MAHE Dubai's impact extends far beyond its campus walls. MAHE Dubai offers various undergraduate, postgraduate, certificate, foundation, and doctoral programs through its five schools: Business, Engineering and IT, Life Sciences, Design and Architecture, and Liberal Arts. All programs are designed to blend academic rigour with real-world relevance, supporting students in becoming adaptable, industry-ready professionals.

Institutional Activities/Curricular Activities

New Initiatives:

Sl No	Activity	Particulars	Date(s)
1	Centre for ESG	The Centre for ESG launched at MAHE Dubai aims to integrate Environmental, Social, and Governance (ESG) principles into Academics, Research, Campus operations, and Community engagement (ARC). The Centre will embed principles of sustainability, social impact, and ethical leadership amongst students by fostering innovation, building industry-academic collaborations, and empowering them to contribute meaningfully to global and regional sustainable development.	13 Jun 2025
2	SOLS - Student Training Agreement with the Gabriel Registrar	A student training agreement has been signed with Gabriel Registrar, a leading training service provider of ISO certifications and Quality management.	03 Jul 2025

Sl No	Activity	Particulars	Date(s)
3	E-waste Campaign	In partnership with New Era Recycling, MAHE Dubai organized an E-waste Campaign for the campus community to recycle the e-waste	24-25 Sep 2025
4	MILA - Launch of Bachelor of Arts (Honours) Program at MAHE Dubai. The university introduced an interdisciplinary undergraduate program aimed at developing ethical, socially conscious, and globally competent graduates. The initiative focuses on integrating humanities and social sciences with skill-based learning and research orientation. It represents a significant academic expansion aligned with global education standards and emerging career pathways in creative industries, social impact, policy, and communication sectors.	The Bachelor of Arts (Honours) at MAHE Dubai is an interdisciplinary undergraduate program designed to nurture ethical thinkers and global leaders. Students explore multiple disciplines such as English, Sociology, Psychology, Mass Communication, Filmmaking, Gender Studies, Geopolitics and International Relations, and Foreign Languages. The program offers flexible learning pathways including single majors, double majors, and minors. The curriculum emphasizes contemporary global issues, critical inquiry, research, digital literacy, and skill development. It prepares graduates for diverse careers in creative industries, media, public policy, international relations, social sectors, education, and higher studies, while promoting analytical thinking and social responsibility.	30 Sep 2025
5	SOEIT – Launch of a new program in 2025	The School of Engineering and IT (SOEIT) launched the program, Bachelor of Technology in Computer Science and Financial Technology. This course introduces students to the essential mathematical concepts and techniques used in financial analysis, modeling, and decision-making. It covers topics such as time value of money, interest rate calculations, annuities, risk assessment, and optimization methods relevant to financial systems. Emphasis is placed on applying mathematical tools to real-world financial problems, particularly in the context of digital finance, algorithmic trading, and blockchain-based financial technologies.	30 Sep 2025

Sl No	Activity	Particulars	Date(s)
6	Manipal Business School (MBS), MAHE Dubai	A new entity with this name was created to focus on Post Graduate Business Education within MAHE Dubai.	30 Sep 2025
7	SOLS - Strategic MoU with ANANTA group	SOLS has signed a strategic MoU with ANANTA Middle East Scientific Office LLC. A group of health & wellness companies. The MoU covers research cooperation in areas of nutraceuticals, medicine, and food supplements. It also facilitates student internships and workshops.	02 Oct 2025
8	MAHE Dubai Beyond Boundaries Podcast Launch	MAHE Dubai has launched the Beyond Boundaries podcast series to establish itself as a thought leader and a bridge between academia and industry. The series brings together industry leaders, experts, and policymakers for meaningful dialogues designed to inspire students, parents, and the wider community.	13 Nov 2025
9	SOLS - Strategic MoU with Dubai Municipality	The School of Life Sciences (SOLS) has signed a strategic MoU with the Dubai Municipality during the concluding day of the Dubai International Food Safety Conference 2025. The MoU covers cooperation on Research, Student Internships, and Food Safety workshops, campaigns, etc. The MoU was signed by Dr Arif Hussain, Chairperson of the School.	17 Nov 2025
10	Seeding Sustainability Program at Glendale International School	MAHE Dubai's 'Seeding Sustainability' Program, which has received a Verified Impact Project Stamp from MAJRA was conducted for Grade 3 to Grade 5 Students for awareness on water footprint. A survey was conducted to understand choices for students on packaging lunch boxes and overall awareness	03 Dec 2025

All Other Activities in the Department Relating to the Program/Course:

Sl No	Activity	Particulars	Date(s)
1	Minutes of the Chairpersons' Meeting	Commission for Academic Accreditation (CAA) Licensure and Accreditation - The Academic President and the Deputy Registrar will create a template for capturing Course Outline information. The template will then be circulated among all the Chairpersons for comments/suggestions.	03 Jan 2025

Sl No	Activity	Particulars	Date(s)
2	Minutes of the Chairpersons' Meeting	Turnitin Usage - The Academic President asked all the Chairpersons to ensure that all their faculty utilize the tool.	03 Jan 2025
3	Minutes of the Chairpersons' Meeting	Commission for Academic Accreditation (CAA) Licensure and Accreditation - The Academic President mentioned that he has received well-documented reports from most of the Schools regarding course outlines from various CAA-accredited institutions and faculty-course mapping. He emphasized that these reports clarify the following points: 1. The institution cannot retain a faculty member who does not possess a Doctorate or has not yet enrolled in a PhD program. The Academic President urged all Chairpersons to encourage their faculty members to enroll in a PhD program by the end of January 2025. 2. The course outlines specify that Course Learning Outcomes (CLOs) and Program Learning Outcomes (PLOs) are required and must be aligned with the School's mission statement.	03 Jan 2025
4	Minutes of the Chairpersons' Meeting	Commission for Academic Accreditation (CAA) Licensure and Accreditation - The Academic President mentioned that MAHE Dubai will apply for CAA licensure by May 2025 and will work towards obtaining CAA accreditation beginning with the September 2025 intake. He informed the Chairpersons to submit the following early next week: 1. Prepare documentation that outlines the process used to develop the mission statement for the School. This documentation should include the date of creation and must be submitted along with the Minutes of the Meeting (MoM). Additionally, it should clearly explain how the mission statement aligns with the Program Learning Outcomes (PLOs) in a tabular format. 2. Create a mapping of current faculty members to the courses they are qualified to teach. Include a report detailing how many new faculty members are needed. 3. Faculty members must revise their courses to incorporate the Course Learning Outcomes (CLOs) and Program Learning Outcomes (PLOs).	03 Jan 2025
5	Minutes of the Chairpersons' Meeting	Revamping Sports and Cultural Activities - The Academic President is in the process of creating a new framework wherein every student will be required to be part of at least one Student Club and participate in one sports activity. This is to facilitate the holistic development of every student and to provide them with a richer university experience. It can also help alleviate many stress-related issues that can arise from being involved in a high-pressure environment.	03 Jan 2025
6	SODA - Council of Architecture Training and Research Centre (COA TRC) Faculty	In collaboration with the Council of Architecture Training and Research Centre (COA TRC), a five-day online Faculty Development Program on "Dynamics of High-Rise Living" was hosted. The program explored social and environmental perspectives on adaptive planning, smart and efficient technologies, and global residential typologies.	21-30 Jan 2025

Sl No	Activity	Particulars	Date(s)
	Development Program on "Dynamics of High-rise living- Social and environmental perspectives"		
7	SODA - Unbuilt Vision 2025 (Part 1) Bachelor of Design in Interior Design (BDes ID) Graduating batch Thesis exhibition	Unbuilt Visions 2025, the exhibition of students' work, was attended by Ms Shiam Shibl, Associate at DLR Group Middle East; Mr Anirban Bhattacharya, Operations Director at Space Well Interiors LLC; Ms Marta Sowinska, Architect, Head of Department Alef Group, Co-Founder of SOSA, as jury members for the Interior Design graduate thesis presentations. The presentations showcased remarkable creativity, meticulous research, and a refined design sensibility.	29 Jan 2025
8	SODA - BArch year 5 Urban Design studio project showcase and viva day	Mr Safaa Bahrany-Senior Design Manager- Studio 360; Ms Nivedita DLima, Head of Department Planning and Urban Design, Sidara; Mr Jose Quelhas, Head of Dubai Studio, Broadway Maylan; Prof Dr Gisela Lohlein, Founding Partner, Magenta Clover; Mr Matthias Bauer, Urban design and Master planning lead, Jacobs; Mr Apoorva Alankar, Director at Dubai Holding Land Estate; Mr Yogesh Agashe, Associate Director, Group Lead at Jacobs; and Ms Jessica Voorn, Principal Urban Planner at Atkins (MRTPI) were external jury members for the Urban Design Studio 2024-2025 Viva. aligned with Dubai 2040 Urban Master Plan, and our students presented a visionary framework to enhance liveability in shaping Dubai's future urban landscape.	29 Jan 2025
9	SODA - "ARCHITEXTURE 2025"- Sketching competition	"ARCHITEXTURE 2025" was hosted as a national-level inter-university competition celebrating hand-drawn architectural renderings. Students showcased creativity, precision, and storytelling, judged on scale, aesthetics, line quality, rendering techniques, and technical detail, without using digital tools.	06 Feb 2025
10	SOEIT - Confab 360 Degree Conference	The Confab360 Degree Conference featured a panel discussion on "Innovating for Impact" with industry experts, like Mr Muneer Al Wafaa, Mr Naveen Garg, Dr Anna Tarabasz, Mr Senthil Kugan, Mr Naveen Bhardwaj, and Dr Nishu Ayedee, for a panel discussion focusing on how digital technologies are transforming sectors such as public administration, engineering, sustainability, and healthcare. The conference explored how digital technologies are transforming sectors like public administration, engineering, environmental protection, sustainable business, and healthcare.	19 - 20 Feb 2025
11	MSCM - Innovating for Impact: Digital Technologies for Public Administration, Engineering Applications, Environmental Protection,	MAHE Dubai was the co-organizer of the conference. The conference attracted over 175 participants in both offline and online modes from various parts of the world.	19 - 20 Feb 2025

Sl No	Activity	Particulars	Date(s)
	Sustainable Business Operations, and Healthcare		
12	SODA - Royal Institute of British Architects (RIBA) Visit for Part-1 Validation for BArch Program	Royal Institute of British Architects (RIBA) validation was received for the BArch Program in February 2025. Following the visit, the program was officially validated on 25 April 2025, making MAHE Dubai currently the only Indian university to receive this prestigious recognition. This achievement reaffirms MAHE's 25-year legacy of academic excellence in Dubai and sets a new benchmark in architectural education across the region. The RIBA Part-1 validation reflects strong studio culture, commitment to global standards, and a curriculum that integrates creativity, sustainability, and real-world relevance.	25 - 26 Feb 2025
13	SODA - Visit to Quranic Park	The students of Second-year Bachelor of Architecture (BArch) visited The Quranic Park, gaining insights into climate-responsive design, Islamic architecture, and inclusive spatial strategies that promote ecological and cultural responsibility. This visit was part of their Bio-Climatic Design Studio coursework, supporting their academic and practical understanding of sustainable and context-sensitive architecture.	27 Feb 2025
14	MILA - Partnership with CiniInfo	MILA signed an MoU with CiniInfo to bridge academia and the film industry, offering internships, industry projects, workshops, and launching the UAE Filmmakers Hub for creative collaboration.	27 Feb 2025
15	SOEIT - Industrial Visit to Oasis Coils and Coatings (OCC)	The industrial visit, organized by the Indian Society of Heating, Refrigerating and Air Conditioning Engineers (ISHRAE) MAHE Dubai Student Chapter, helped bridge the gap between classroom learning and industry by exposing students to advanced manufacturing processes, including Computer numerical control (CNC) and automated machinery.	27 Feb 2025
16	MILA - Academic Trip to Uzbekistan	MILA students undertook an international academic and cultural immersion trip to Uzbekistan, blending heritage exploration with academic exchange.	28 Feb 2025

Sl No	Activity	Particulars	Date(s)
17	MILA - Visit to XPOSURE Photography Festival	Students explored global photojournalism, sustainability, heritage, and humanitarian storytelling through exhibitions and expert interactions.	28 Feb 2025
18	MILA - Partnership with VPM Mind Weavers UAE	A wellness-focused MoU was signed between MILA and VPM Mind Weavers UAE to provide expert-led counselling, mental health programs, and holistic well-being support.	04 Mar 2025
19	SOEIT - 2nd International Conference on Data Science and Exploration in Artificial Intelligence (CODE-AI 2025)	CODE-AI 2025 brought together global researchers and innovators to bridge research gaps and promote international collaboration. The conference focused on Intelligent Computing and AI applications, covering areas such as optimization algorithms, machine learning, neural networks, quantum computing, biometrics, computer vision, expert systems, speech recognition, and smart robotics, inspiring participants to drive future technological advancements.	07 - 08 Mar 2025
20	SODA - International Women's Day Celebrations by Royal Institute of British Architects (RIBA) Gulf Chapter and American Institute of Architects (AIA) Middle East 	The RIBA Gulf Chapter and AIA Middle East Chapter partnered to host International Women's Day at MAHE Dubai. The event brought together industry leaders, practitioners, and students for an engaging evening of dialogue and celebration. The keynote address was delivered by Dr Pallavi Dean, Founder and Creative Director of Roar. The program also featured PechaKucha presentations on the theme "Empowered Women in Our Industry" by student teams from various universities.	08 Mar 2025
21	MILA - Women's Day Week-long Celebration	Manipal Institute of Liberal Arts (MILA), MAHE Dubai, marked Women's Day 2025 with a finance workshop, Womenomics, creative open mic Canvas, and Through HER Lens with National Geographic photographer Vidhyaa Chandramohan, celebrating women's voices and leadership.	10-13 Mar 2025
22	MILA - Launch of RED TALK Podcast	MILA launched RED TALK, a socio-cultural podcast challenging stereotypes and amplifying unheard voices. A campus social experiment engaged students and staff through discussions on societal assumptions and identity.	13 Mar 2025

Sl No	Activity	Particulars	Date(s)
23	MILA - Career Session with Behaviour Enrichment	A career-oriented session on emotional intelligence and behavioural sciences was conducted by Ms Meera Ramani and Ms Maira Saeed, highlighting internships and career paths in counselling and behavioural analysis.	20 Mar 2025
24	MILA - Career Session with Behaviour Enrichment	A career-oriented session on emotional intelligence and behavioural sciences was conducted by Ms Meera Ramani and Ms Maira Saeed, highlighting internships and career paths in counselling and behavioural analysis.	20 Mar 2025
25	Minutes of the Chairpersons' Meeting	Manipal Education Systems Vice Chancellor's Council (MESVCC) Meeting Update - PhD Candidates: He also informed the Chairpersons to check for candidates pursuing PhD in Manipal for possible employment opportunities. They may seek his support if required	21 Mar 2025
26	Minutes of the Chairpersons' Meeting	Manipal Education Systems Vice Chancellor's Council (MESVCC) Meeting Update: He informed the Chairpersons that he would discuss with them separately regarding incorporating SWAYAM Plus into the curriculum	21 Mar 2025
27	Minutes of the Chairpersons' Meeting	CAA Accreditation - The Academic President informed that program outlines will be submitted to MOHESR through the Knowledge and Human Development Authority (KHDA) next week	21 Mar 2025
28	Minutes of the Chairpersons' Meeting	Additional points - Prof (Dr) Madhu Veeraraghavan, Pro Vice Chancellor, Management, Law, Humanities and Social Sciences, is expected to visit the campus to explore potential collaborations with the Schools	21 Mar 2025
29	Minutes of the Chairpersons' Meeting	Additional points -Dr G K Prabhu, Chief Academic Officer (CAO), MEMG, will be visiting MAHE Dubai between 21 and 27 April, to interact with departments and understand the operational practices followed at international campuses.	21 Mar 2025
30	Minutes of the Chairpersons' Meeting	Additional points: Dr Narayana Sabhahit, Pro Vice Chancellor of Technology and Science at MAHE Manipal, along with Dr Iven Jose, Director of MIT Bengaluru, will be visiting the campus during the second week of April 2025.	21 Mar 2025
31	Minutes of the Chairpersons' Meeting	Manipal Education Systems Vice Chancellor's Council (MESVCC) Meeting Update: The Academic President informed that he gave a presentation on MAHE Dubai's new journey, with its 25 years of completion, MOHESR license acquisition, and the receipt of RIBA accreditation. The Vice Chancellor expressed appreciation for MAHE Dubai's efforts, and the Academic President congratulated everyone for their contributions.	21 Mar 2025
32	Minutes of the Chairpersons' Meeting	Manipal Education Systems Vice Chancellor's Council (MESVCC) Meeting Update - high-performing employees: The institution must cultivate a culture that retains high-performing employees. He urged the Chairpersons to identify such faculty members and the factors contributing to their dissatisfaction and report these issues to him.	21 Mar 2025

Sl No	Activity	Particulars	Date(s)
33	Minutes of the Chairpersons' Meeting	Manipal Education Systems Vice Chancellor's Council (MESVCC) Meeting Update: The Academic President advised Chairpersons to encourage faculty to incorporate the pedagogies they use into their course outlines and Performance Management Systems (PMS). This will ensure that the faculty members follow advanced methods. Capturing this data will also be beneficial for assessments by the MOHESR.	21 Mar 2025
34	Minutes of the Chairpersons' Meeting	Manipal Education Systems Vice Chancellor's Council (MESVCC) Meeting Update – In his discussion regarding the Manipal Research Board (MRB), it became clear that most research is conducted by faculty from the Science and Engineering streams. Faculty members from other disciplines at MAHE Dubai are either not involved in research studies or do not engage in research that requires funding. He encouraged Chairpersons to motivate their faculty to apply for MRB as Co-Investigators and to collaborate with faculty from Manipal University, Jaipur, and MAHE Manipal.	21 Mar 2025
35	Minutes of the Chairpersons' Meeting	UG Students' attendance reporting to Parents - The Academic President stated that program coordinators should reach out to students who miss three consecutive classes. All attendees agreed that both students' academic results and attendance should be reported to parents. Additionally, the Academic President emphasized the importance of all faculty members recording attendance during class. He will discuss with the IT team the need to ensure course configurations are properly set up in the Learning Management System (LMS), which will facilitate attendance tracking by faculty during the first class.	21 Mar 2025
36	Minutes of the Chairpersons' Meeting	Foundation program: The Academic President has instructed the Admissions department to inform students applying for the Foundation program that the program is exclusively for entry into undergraduate programs at MAHE Dubai. Acceptance of this program by other institutions is at their discretion.	21 Mar 2025
37	Minutes of the Chairpersons' Meeting	Foundation program: Additionally, he requested the Chairpersons to address any misconceptions that students travelling to Dubai may have during the Orientation sessions. This includes issues such as quick employment guarantees and transitioning from morning to evening classes. Addressing these topics will help prevent students from making unnecessary assumptions and provide a better student experience.	21 Mar 2025
38	Minutes of the Chairpersons' Meeting	Additional points: The Academic President advised that faculty members should concentrate on highlighting the unique selling points (USPs) of MAHE Dubai to students and parents during Open Houses. Even a small discount offered by competitors can influence parents' decisions. Faculty members should emphasize that students will gain hands-on experience in our Management Lab, Fintech Lab, etc., as these facilities are unavailable with our competitors. Discussions should center on the actual student experience that distinguishes MAHE Dubai from other institutions.	21 Mar 2025
39	Minutes of the Chairpersons' Meeting	Student attendance: The Academic President informed that he has spoken with the IT department regarding the requirement for faculty members to begin marking attendance from the first class of the upcoming semester. All courses and timetables that need to be set up in the system must be submitted to the IT department at least one month in advance. The IT department will ensure that	04 Apr 2025

Sl No	Activity	Particulars	Date(s)
		the Student Lifecycle Management (SLCM) system is configured 15 days before classes start. Additionally, the President mentioned that the part-time budget should also be prepared one month prior to the beginning of classes.	
40	Minutes of the Chairpersons' Meeting	Education Bridge Program: The Academic President has informed that a process needs to be established to formalize the Bridge program. This program will serve as a remedial option for students who do not meet the necessary credits or courses required to join undergraduate programs. Chairpersons can share their input on the content of the remedial courses. The remedial program will run concurrently with regular classes and will consist of approximately 5 credits, with each credit comprising 15 hours of instruction.	04 Apr 2025
41	Minutes of the Chairpersons' Meeting	Mr Vaitheeswaran's campus visit: The Academic President informed that Mr Vaitheeswaran, Vice Chairman, Manipal Edu &Med Group (MEMG), will be visiting the campus from April 29 - 30, 2025. He has requested that the Chairpersons prepare a detailed presentation outlining the strategic initiatives they plan to introduce in the next 3-5years, along with an explanation of the perceived benefits in terms of admissions, student experience etc.	04 Apr 2025
42	Minutes of the Chairpersons' Meeting	Additional points: The Academic President asked the Chairpersons to consult with their counterparts at the parent campus about faculty members who are available to teach a course for 10 days in a modular format. These faculty members will be compensated adequately and treated as full-time faculty for accreditation purposes.	04 Apr 2025
43	SODA - Presentation and visit at West Elm store	The Second-year BDes ID students visited West Elm to explore furniture styles, present design analyses, as part of the furniture design course and gain hands-on experience with contemporary design and merchandising strategies in a real-world retail setting.	07 Apr 2025
44	SOEIT - Visit to 3D Printing site	The visit highlighted advanced 3D concrete printing used for architectural and structural construction, showcasing sustainable and time-efficient methods and offering insights into the future of digital construction technologies.	10 Apr 2025
45	MILA - Editing Workshop – Legacy Series	Alumnus Renith conducted a professional post-production and editing workshop for media students, covering advanced workflows.	15 Apr 2025
46	SODA - Visit to SBJ Technical Works, Dubai Investment Park (DIP) and the Dubai Wood Show at the Dubai World Trade Centre (DWTC)	The first-year Bachelor of Architecture (BArch) students visited SBJ Technical Works in Dubai Investment Park (DIP) and the Dubai Wood Show at the Dubai World Trade Centre (DWTC).	16 Apr 2025

47	SODA - Visit to Ingvar Kamprad Elmtaryd Agunnaryd (IKEA) store	First-year Bachelor of Design in Interior Design (BDes ID) students undertook a curated visit to the Ingvar Kamprad Elmtaryd Agunnaryd (IKEA), gaining hands-on exposure to Scandinavian design principles, branding, visual merchandising, and global user-centric strategies.	22 Apr 2025
48	SOLS - Scientific Conference "Current Trends in Life Sciences" (Annual Event) 	SDG4 Quality Education, SDG17 Partnerships for the Goals - The School of Life Sciences (SOLS) under the aegis of the ASM International student chapter organized the 10th edition of Life Science conference titled "Current Trends in Life Sciences". The event showcased Keynote sessions, invited lectures and Special talks by eminent speakers covering diverse areas of Life Sciences, including Biotechnology, Medicine, Nutrition, Genomics, and Food Science. As part of the student activity, an inter-university student poster competition and an ASM Microbiology Quiz were also organized. The annual conference is the signature event of the School.	23-24 Apr 2025
49	MSCM - ACCA QUIZFEST	The event hosted by Manipal Dubai in collaboration with the Association of Chartered Certified Accountants (ACCA) brought together high school students for a dynamic experience focused on business and finance. Designed to spark passion and test knowledge, the event featured a series of fun and challenging activities that engaged participants throughout the day. Guests from Phoenix joined the event to support and encourage the participants. Scholarships and Cash Awards were presented to the winners, celebrating their outstanding performance.	24 Apr 2025
50	SOEIT - Visit to Precast factory - United Precast	Civil Engineering students visited the United Precast Concrete factory to observe precast manufacturing processes, including casting, curing, and quality control, gaining insights into the speed, precision, and sustainability of modern precast construction practices.	24 Apr 2025
51	SODA - Visit to Jotun Middle East and India (MEIA)	Third-year Bachelor of Design in Interior Design (BDes ID) students attended Jotun Middle East and India (MEIA) Open House, organized by AIA Middle East Chapter, gaining insights into the Natural Color System (NCS), product innovation, and color-driven design.	25 Apr 2025
52	SODA - Session by American Institute of Architects (AIA) Middle East	The American Institute of Architects (AIA) Middle East hosted a session at the Manipal Academy of Higher Education (MAHE) Dubai Career Fair. The session provided students with insights into chapter membership, awards programs, and global architectural opportunities. The dialogue was led by Ms Shahd	25 Apr 2025

53	SODA - Three-Dimensional (3D) Printing Workshop by InSculp 3D and Team Visual Solutions LLC	A two-day computational design workshop was conducted in collaboration with InSculp 3D and Team Visual Solutions LLC, where Bachelor of Architecture (B.Arch.) and Bachelor of Design in Interior Design (BDes ID) students learned three-dimensional (3D) modelling, printing, and post-processing techniques. Participants earned Level 1 Printsmith titles, gaining hands-on experience in advanced additive manufacturing workflows and digital fabrication.	01-02 May 2025
54	MILA - MERAKI – Interschool Media Competition	Media students organized MERAKI, an interschool competition for UAE students covering advertising, journalism, Public Relations, filmmaking, and storytelling. GEMS Millennium School won the overall championship.	07 May 2025
55	Minutes of the Chairpersons' Meeting on 09 May 2025	Supporting Graduates for academic growth - The Academic President emphasized the importance of preparing and supporting our graduates in applying to institutions that are ranked similarly to, or higher than, MAHE. He asked Dr Naushad Rais from the School of Life Sciences to develop a framework and present it to the Chairpersons. The following key activities of the framework were discussed by Dr Naushad: 1. Language Testing: With MAHE Dubai officially established as an International English Language Testing System (IELTS) Training Centre, students of MAHE Dubai will receive a discount when applying for IELTS tests. 2. Awareness Campaign: A campaign will be launched to raise awareness among final-year students. This will involve establishing a Centre at MAHE Dubai that supports students in this endeavour. The Centre will include faculty members and alumni representing all academic Schools. 3. Application Support: This includes assistance with: Recommendation letters, University partnerships and Industry connections	09 May 2025
56	Minutes of the Chairpersons' Meeting	Supporting Graduates for academic growth -The Academic President also proposed a process for matching students with reputable universities based on their grades and suggested setting up peer study groups to share relevant information about Graduate Record Examinations (GRE) study requirements and visa support.	09 May 2025
57	Minutes of the Chairpersons' Meeting	The Academic President mentioned that there has been continuous communication with Monash and Deakin universities regarding potential collaborations. He asked the Chairpersons to review the websites of these universities for programs that can be aligned with our existing offerings, leading to dual degrees for undergraduate, postgraduate, and PhD programs with joint supervision. These collaborations will enhance our current programs and will be seen as valuable additions.	09 May 2025
58	Minutes of the Chairpersons' Meeting	Strategic Plan: The Academic President will present the Vision and Mission to the Vice Chancellor, Pro Vice Chancellor, and the Registrar to gather their feedback. He will also meet with the Head of the Manipal College of Health Professions (MCHP) to	09 May 2025

59	Minutes of the Chairpersons' Meeting	Strategic Plan - The Academic President will present the Vision and Mission to the Vice Chancellor, Pro Vice Chancellor, and the Registrar to gather their feedback. He will also meet with the Head of the Manipal College of Health Professions (MCHP) to understand the regulatory requirements for starting allied health programs at MAHE Dubai next year. Additionally, he will discuss the proposed name change for the School of Life Sciences with the Vice Chancellor.	09 May 2025
60	Minutes of the Chairpersons' Meeting	Academic Calendar: The Deputy Registrar stated that from now on, the Academic Calendar (AC) must be structured according to the requirements of the Ministry of Higher Education, Science, and Research (MOHESR). The Academic President informed the Chairpersons that once the AC is published, it is important to adhere to it carefully and minimize any disruptions.	09 May 2025
61	Minutes of the Chairpersons' Meeting	Inactive students tracking - The Academic President has informed the Chairpersons that students should be marked inactive if they are absent for 3 consecutive weeks. He also mentioned that he will collaborate with the IT department to explore the possibility of automatically flagging attendance. Additionally, he proposed including a category for marking students who are participating in events as "absent with a reason." he emphasized that adjunct faculty must take attendance during class hours and noted that they will be restricted from marking attendance after class has ended.	09 May 2025
62	Minutes of the Chairpersons' Meeting	Strategic Plan: He asked the Chairpersons to seek out PhD scholars from renowned institutions outside the UAE who could potentially be hired as faculty members.	09 May 2025
63	Minutes of the Chairpersons' Meeting	Honours program: Students enrolled in Honours programs can earn extra credits from postgraduate courses or through research activities. The School will determine which option is suitable for them.	09 May 2025
64	SOEIT - MOU with PROKON	MAHE Dubai has entered into a formal software licensing agreement with PROKON, effective from June 2025. The PROKON software will provide students with hands-on experience in industry-standard structural analysis and design, helping them apply theory to real-world problems, enhance project quality, and improve industry readiness and employability.	12 May 2025
65	ISRC 2025- 4th Edition	The 4th edition of the International Student Research Confluence (ISRC) was a research event organized by the MBA students. It brought together students from across the UAE to share their work through paper and poster presentations. 		suggested in the Academic process compliance audit of 2024 as well.	
83	Minutes of the Chairpersons' Meeting	The Academic President emphasized the importance of continuing the Life Skills training program for faculty members and proposed its implementation in two distinct phases. It was recommended that all newly joined faculty members undergo Cultural Competence Training to ensure alignment with the institutional values and diverse student body. For the existing faculty members, the Academic President advised conducting training sessions focusing on note-taking practices and effective classroom behaviors. These skills should subsequently be instilled in students by the faculty as part of classroom management and academic integrity initiatives.	24 Jun 2025
84	Minutes of the Chairpersons' Meeting	Additional points: The Deputy Registrar discussed the events marked on the Academic Calendar in detail and revised the dates wherever suggestions were made. The Academic President advised that any additional event that may rise during the year should be scheduled only after consulting the calendar to ensure maximum student participation and avoid resource crunch. He asked the Heads of Departments and the Chairpersons to account the expenses for the expenses mentioned in the calendar in the next AOP and to send in budget approvals in advance.	24 Jun 2025
85	SOEIT - MOU with Vision Concept Aviation Training Institute (VCATI)	MAHE Dubai signed an MoU with Vision Concept Aviation Training Institute (VCATI) a KHDA-approved and GCAA CAR 147–certified aviation training provider, to provide engineering students with industry-integrated learning in Aviation and Avionics. The partnership includes an on-campus aviation lab and one-month VCATI internships, enhancing practical exposure and industry readiness.	30 Jun 2025
86	SOEIT - AI in Mechanical Engineering Level 1 to Level 3 for School students	The Mechanical Engineering Department conducted AUTOMECHANICA 2025 on "AI in Mechanical Engineering" through the School Connect Program. Level 1 featured online sessions with presentations and quizzes for school students; Level 2 included hands-on activities and interactive games; Level 3 offered a one-month research assistantship for selected students to gain deeper exposure to advanced mechanical engineering and AI topics.	30 Jun - 21 Jul 2025
87	MILA - Portfolio Day 2025	Final-year Media, Communication, and Animation students showcased capstone projects, including films, ads, documentaries, and animation to families, alumni, and industry experts. Awards were presented.	01 Jul 2025

94	SOEIT - Training Session by Rheem Air Conditioners, USA	Students and faculty from Mechanical Engineering, MAHE Dubai attended an online training on "Sustainability in Action – Measuring Impact and Mapping the Future in Manufacturing Industry," conducted by Rheem Air Conditioners, USA.	17 Sep 2025
95	Minutes of the Chairpersons' Meeting	Review of agenda points for BoS by Pro Vice Chancellor: The Pro Vice Chancellor mentioned that the Chairpersons should discuss the points with him before convening the BoS. The BoS should be convened only after receiving his approval for the points. The Deputy Registrar further recommended that existing cohorts continue under their current regulations with minimal disruption, so as not to adversely impact their learning experience.	18 Sep 2025
96	Minutes of the Chairpersons' Meeting	Credit Management: The Pro Vice Chancellor emphasized that, in accordance with the CAA procedures, faculty workload must be documented to reflect both instructional commitments and the hours allocated as research relaxation. He recommended that the workload assigned by HR, based on designation, be recorded alongside the actual workload undertaken. The variance between the two should be explicitly presented as hours apportioned to research and/or administrative responsibilities. Discussions were held on improving student learning experience by including more autonomous learning. Classes can be dedicated for self-learning modules and faculty should be trained to carry out rigorous evaluations to ensure that learning objectives are achieved. Dr. Ramaprasad highlighted the need to ensure alignment of assessments with the Course Learning Outcomes (CLOs).	18 Sep 2025
97	Minutes of the Chairpersons' Meeting	Malpractice: In view of the rising incidents of malpractice despite stringent measures, discussions were held on strategies to minimize occurrences while fostering academic integrity among students. It was agreed that students must be sensitized to the seriousness of malpractice, with clear instructions and penalties displayed on smart screens in examination halls. Further, repetitive offences will attract stricter sanctions, including mandatory re-registration for the course.	18 Sep 2025
98	Minutes of the Chairpersons' Meeting	Micro-credentials: The Pro Vice Chancellor highlighted that, as discussed in the recent MESVCC meeting, students may earn credits beyond classroom hours through micro-credentials. Such courses, preferably industry-led and skill-centric, should provide employability-oriented certifications. Platforms like NPTEL and SWAYAM were recommended, with up to 10% of a program permissible through these avenues. He further emphasized that all selected courses must receive BoS approval.	18 and 19 Sep 2025

Students were able to explore DNA sequencing lab, AI-powered automation facility and precision medicine lab while interacting with experts gaining insights into careers in biotechnology and genomics.	06 - 08 Oct 2025
106	SOLS - Celebrating World Food Day (Annual Event)	Awareness activities on UAE Food Bank and reducing Food wastage. Organized in association with UAE Food Bank-Dubai Municipality, UAE, and Dubai. The theme of the day was "Right to food for a better life and better future"	16 Oct 2025
107	Minutes of Chairpersons' Meeting	CAA Annual Inspection - The Pro Vice Chancellor congratulated the Chairpersons on successfully receiving accreditation for the validated programs. He acknowledged the ongoing efforts and noted that the team is working closely with the Commission for Academic Accreditation (CAA) to secure accreditation for the remaining endorsed programs. He further informed the group that an inspection will be conducted for four programs, and emphasized the importance of preparedness. He urged all Chairpersons to thoroughly review the 11 CAA standards and ensure that each of the four programs is fully compliant with all regulatory requirements.	16 Oct 2025
108	Minutes of Chairpersons' Meeting	Centre for Research and Doctoral Studies: The Pro Vice Chancellor informed the Chairpersons about the establishment of the Centre for Research and Doctoral Studies. The main objectives of the Centre would be to enhance institutional support for research and come up with new initiatives to improve research outcomes and the PhD program. Dr Balamurugan Balusamy, Chairperson, School of Engineering and IT, will serve as the Chair of the Centre. He will be joined by Dr Subburaj Alagarsamy, Assistant Professor, Manipal Business School, who will take on the role of Research Coordinator. Both will hold these roles in addition to their current responsibilities.	16 Oct 2025
109	Minutes of Chairpersons' Meeting	Two-day Faculty retreat on 17 and 18 Nov 2025: The Pro Vice Chancellor proposed to take all the faculty members for a two-day retreat in appreciation of the hard work and commitment invested towards MOHESR accreditation.	16 Oct 2025
110	Minutes of Chairpersons' Meeting	Lancet Commission - The Pro Vice Chancellor has requested the Commission to invite key dignitaries and stakeholders to the event, including: • The Minister of MOHESR • Heads of Dubai Health Authority (DHA), Dubai Development Authority (DDA) • Other relevant government entities	16 Oct 2025

111	Minutes of Chairpersons' Meeting	Social Media Guidelines: Ms Anzuma from the Marketing team presented the Student-Run Social Media Guidelines and agreed to roll them out across Schools/Clubs/Departments. The attendees agreed that the new student pages would send a short proposal and get written approval, use MAHE Dubai branding correctly, keep content respectful/accurate, and discuss adding a disclaimer stating that the page is student-led. Each page would name a Student SPOC. Marketing could ask for changes, do quarterly audits first, and escalate unresolved issues to the Chairperson/Department Heads. The Chairpersons approved the rollout; a central registry would list all pages and SPOCs, and no new page would go live without Marketing's written approval	16 Oct 2025
112	Minutes of Chairpersons' Meeting	Lancet Commission: The Pro Vice Chancellor provided an overview of the World Health Summit (WHS) and its connection with the Lancet Commission. He shared that he had a meeting with WHS representatives on 11 Oct 2025, during which it was announced that the Lancet Commission will be launching a new Commission on Academic Responsibility in Healthcare. Given that MAHE is a member of the WHS Academic Alliance, it was initially proposed that MAHE India would host the kick-off event. However, due to anticipated visa challenges for several Commissioners traveling to India, the Vice Chancellor approached Dr Sudhindra with the suggestion for MAHE Dubai to host the event instead. Recognizing that hosting a collaborative event involving the Lancet Commission and WHS would significantly enhance the academic stature of MAHE Dubai, the inaugural program of the Commission will be hosted by MAHE Dubai in Feb 2026. The kick-off meeting is scheduled for 06 and 07 Feb 2026, preceded by an evening symposium on 05 Feb, centered on the theme of academic responsibility in healthcare. During the symposium, Lancet Commissioners will engage with regional leaders and academic heads to collect inputs and insights relevant to the Commission's agenda.	16 Oct 2025
113	SOLS - Student Workshop	Student awareness workshop on "Basics of Food Safety and AI" by Sweta Gorthi, Founder and CEO Safe Guardian Food Safety Solutions, Abu Dhabi-UAE.	21 Oct 2025
114	MILA - World Mental Health Day Celebration – Labyrinth of Light	MILA celebrated World Mental Health Day through Labyrinth of Light, an immersive experiential event integrating psychology, creativity, and well-being. Guided by psychology students, participants explored emotional resilience using the PERMA model through interactive checkpoints, reflective activities, and themed installations that promoted self-awareness and mental health literacy.	21 Oct 2025
115	SOEIT - Engineers Day Celebrations by Bharat Tech Foundation (BTF)	MAHE Dubai and Bharat Tech Foundation (BTF UAE) hosted the Engineers' Day celebrations with the theme "Deep Tech and Engineering Excellence: Driving India's Techade." The event featured Chief Guest Shri Suresh Prabhu, former Cabinet Minister of India, Mr.Niranjan Jayakumar, CEO Manipal Education MENA Region and Dr Sudhindra Shamanna, Pro Vice Chancellor MAHE Dubai, along with participation from eminent academicians and industry leaders.	23 Oct 2025

116	SOEIT - IMechE Speak out for Engineers (SOFE) Competition	The Speak Out for Engineering (SOFE) competition, hosted by the Institution of Mechanical Engineers (IMechE) chapter of MAHE Dubai, offers young engineers a platform to develop and showcase presentation skills, encouraging them to communicate complex engineering concepts clearly and engagingly to a broader audience.	24 Oct 2025
117	SOEIT - ISHRAE UAE Sub Chapter and HIRA industries Training Session	Selected Mechanical Engineering students at MAHE Dubai attended an on-site training on "Beyond Theory: Achieving Peak Energy Performance in HVAC Design," conducted by Mr Thomas Kulik, Global Technical Marketing Manager, HIRA Industries.	25 Oct 2025
118	SOEIT - IEEEXtreme 18.0- An epic 24-hour coding challenge	The Institute of Electrical and Electronics Engineers (IEEE) Student Branch at MAHE Dubai participated in IEEEXtreme 18.0, a 24-hour global coding competition, enhancing students' problem-solving, programming, and teamwork skills while fostering innovation, resilience, and collaborative learning.	25-26 Oct 2025
119	MILA - PsychED 2024 – Interschool Psychology Competition	The third edition of PsychED witnessed participation from 12 schools across the UAE. The event featured three competitive segments such as Roundtable Conference, Lobotomy (quiz-based psychology challenge), and Just Reel It (reel-making competition). Students showcased critical thinking, creativity, and applied psychological insight through engaging interdisciplinary formats.	29 Oct 2025
120	SODA - Designing Cities of Meaning: Regeneration, Resilience, and Culture	The forum was hosted with industry support partner as FICCI The session featured a dialogue between city leadership, academia, diplomacy, and strategic urban innovation to examine how a city's transformation demonstrates that urban resilience is not only technical, but also social, cultural, and spiritual. The Keynote Address was delivered by Hon'ble Mr Dazesh Mavani, Mayor of Surat, India on 'Regeneration and Resilience – The Surat Model for Future Cities' and Hon'ble Dr Dharm Singh Meena, First Secretary (Economic Affairs) Embassy of India, Abu Dhabi, UAE delivered Keynote on 'Perspective: Cultural Regeneration and Tourism – India's Global Narrative and UAE India' The panel discussion "Where Cities Heal – Designing for Resilience, Culture, and Conscious Living," was led by Ms Misha Mittal, Senior	30 Oct 2025

		Manager, City Advisory, Expo City, Dubai. Ms Radhika Arvind Kheni, Graduating student of the BArch Program, presented her topic, Project Title: Urban Regeneration of Tapi River-Edge: Empowering Growth, Education, and Economy for Local Populace.	
121	SOEIT - Technovanza 2025 (Technical Event)	The 14th edition of TECHNOVANZA was a technology-focused inter and intra-university event in the UAE, bringing together engineering students for technical and non-technical competitions. It featured 14 activities across programs, including two Mechanical Engineering events: Equinox 2025 by the ISHRAE UAE Student Chapter at MAHE Dubai, comprising Home Breeze, Grid Vision, and a quiz, and the Inter-university Hydrojet Competition.	05 - 06 Nov 2025
122	SOEIT - Technovanza Events: Clash of bots and Cypher Punk	A series of exciting mini-games to challenge and entertain participants using mBots. The Cypherpunk Escape Challenge is a dark-themed, techno-inspired game designed exclusively for engineers, blending strategy, speed, and teamwork in an immersive cyberpunk setting by Mechatronics Department.	05-06 Nov 2025
123	Manipal School of Commerce and Management (MSCM), MAHE Dubai - Genesis 2.0	Genesis is a renowned Inter University and Inter-school Management Fest, serving as a vibrant platform for students from universities and schools across the UAE, bringing together bright, innovative minds to participate in a range of business challenges, promoting creativity, critical thinking, and entrepreneurial spirit.	12 Nov 2025
124	SODA - Manipal Academy of Higher Education (MAHE) Dubai student project showcase at Big5 Global	Bachelor of Architecture (BArch) students showcased their innovative academic and studio projects at Big 5 Global 2025, one of the region's largest and most influential events for construction, architecture, and design.	24-27 Nov 2025
125	SODA - Visit to Engineering and Infrastructure Services (EGIS) Office	Bachelor of Design in Interior Design: Year 2 students visited the Engineering and Infrastructure Services (EGIS) Office for an educational exposure session focused on interior services. The visit provided insights into professional interior design practices, service workflows, project coordination, and industry standards.	26 Nov 2025
126	MSCM - 2nd International Conference on Innovating for Impact: Digital Technologies for Public Administration,	The conference brought together distinguished researchers, academicians, and industry professionals to explore technology-enabled solutions across diverse domains, including business transformation, healthcare, environmental monitoring, smart tourism, engineering applications, digital finance, and mobile	10-11 Dec 2025

		received the renewed Chartered Institute of Architectural Technologists (CIAT) accreditation for the next five years.	
133	Minutes of Chairpersons' Meeting	Updates from SODA: The School has launched an alumni mentorship program under which groups of three students are mentored by alumni based across the globe. The mentoring covers both project guidance and career development. The Pro Vice Chancellor commended this initiative as a valuable support system for the student community.	12 Dec 2025
134	Minutes of Chairpersons' Meeting	Update from the Manipal Business School (MBS), MAHE Dubai: Dr Praveen Gupta, Chairperson, MBS mentioned that to enhance the unique value proposition of the MBA IB program at TAPMI Manipal, they have launched a strategic initiative enabling students to pursue their 6th and final term at MAHE. The marketing drive for this initiative will begin in Jan 2026.	12 Dec 2025
135	Minutes of Chairpersons' Meeting	Additional points: Dr Sunitha Prabhuram, Chairperson, Manipal School of Commerce and Management (MSCM), MAHE Dubai, mentioned that, under the guidance of Dr Bhakti and as part of her SMILES program project, she successfully planted the first set of plants in the Community Garden at the MAHE Dubai Campus yesterday. This marks a significant milestone for MAHE Dubai, as it is the first university-led community garden initiative of its kind in the UAE higher education sector.	12 Dec 2025
136	Minutes of Chairpersons' Meeting	Updates from SOEIT: A comprehensive review of laboratory software is in progress, and efforts are being made to procure additional open-source tools.	12 Dec 2025
137	Minutes of Chairpersons' Meeting	Updates from SOEIT: Additionally, a workshop covering important aspects of research is scheduled for all faculty members next week.	12 Dec 2025
138	Minutes of Chairpersons' Meeting	Updates from SODA: The School participated in BIG5 from 25 to 29 Nov exhibiting their significant student projects.	12 Dec 2025
139	Minutes of Chairpersons' Meeting]	Additional points: The Pro Vice Chancellor discussed the possibility of offering short-term courses and requested the Additional Registrar and the Head of Quality Assurance to review the regulatory compliance requirements.	12 Dec 2025
140	Minutes of Chairpersons' Meeting	MAHE Dubai Alumni Meet: The Alumni Meet will be held on 17 Jan 2026 at MAHE Dubai. The Pro Vice Chancellor emphasized that all faculty must attend and actively encourage alumni participation. He shared that during the meet, alumni will be assigned to their respective Schools, as their affiliation plays a pivotal role.	12 Dec 2025

Guest Lectures

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
1	Mr Li Ren, President	American Institute of Architects (AIA) Middle East	Students at the School of Design and Architecture (SoDA), gained expert guidance on crafting impactful portfolios in "Portfolio 101," led by Mr Li Ren, focusing on global standards and presentation strategies	31 Jan 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
2	Dr Snigdha Misra, Associate Professor	Department of Human Nutrition, Monash University- Malaysia	Guest Lecture "Navigating the Nutrition shift: From traditional diets to processed foods- insights for tomorrow's nutritionists and dieticians"	18 Feb 2025
3	Mr Swapnil Joshi, Director and Industry Principal	Infosys	Mr Swapnil Joshi led a thought-provoking session on digital innovation in sustainable architecture, highlighting data-driven tools, smart systems, and resilient design strategies for future-ready built environments	19-20 Feb 2025
4	Mr Johan Du Plessis, Technical Support Manager, PROKON.	PROKON	The workshop introduced students to PROKON, a widely used structural analysis and design software that helps engineers model, analyze, and design structures like beams, columns, and slabs efficiently. Participants explored the software's interface, workflow, and key modules for structural analysis, concrete and steel design, and detailing tools.	20 Feb 2025
5	Ms Sabiha Yusuf, Designer	SODA Alumna	An alumna talk, "Design Stories of a Young Designer," featuring Ms Sabiha Yusuf. She shared her creative journey, design philosophies, and career milestones, inspiring Bachelor of Design in Interior Design (BDes ID).	12 Mar 2025
6	Mr Andrew Cochrane	AWS Solutions Architect and Cloud Expert	The Google Developer Student Chapter hosted an Amazon Web Services (AWS) workshop with guest speaker Andrew Cochrane, introducing students to cloud computing and core AWS services. The session featured real-world applications, hands-on demonstrations, and networking, sparking strong interest in cloud technologies.	12 Mar 2025
7	Mr Anand Thayalaguru, CEO and Mr Subash Subramanian, BIM Project Manager 	Swifterz Creative Engineering Services LLC	Speakers highlighted evolving roles and expanding opportunities for civil and core engineers within the Architecture, Engineering, and Construction (AEC) industry, including careers in project management, structural design,	13 Mar 2025

			sustainability, and digital construction tools such as BIM.	
8	Mr Shikhar Saraswat, Structural Design Engineer	Arkiplan Consulting Architects and Engineers	The session showcased Extended Three-Dimensional Analysis of Building Systems (ETABS) in real-world structural engineering, focusing on multi-storey building analysis and design. Through live demonstrations and case studies, Mr Saraswat explained the workflow from modelling and load analysis to result interpretation for safe, efficient design.	22 Mar 2025
9	Dr Sojan Andrews Zachariah, (Production Engineer in the Department of Operations and Development at Worldwide Oilfield Machine Middle East)	Worldwide Oilfield Machine Middle East	The session covered key concepts such as quality and tolerance, differences between Quality Assurance and Quality Control, inspection stages, and destructive and non-destructive testing methods.	25 Mar 2025
10	Mr Vineeth Nair	Co-founder, VOCCA	Guest lecture	27 Mar 2025
11	Ms Deepthy K B, Senior Director GBCI MENA	Green Business Certification Inc., Middle East and North Africa (GBCI MENA)	SODA organized a session on "Introduction to Leadership in Energy and Environmental Design (LEED)" and "Leadership in Energy and Environmental Design (LEED) Certification" for the Bachelor of Architecture (BArch) and Master of Design (MDes) students, delivered by Ms Deepthy.	27 Mar 2025
12	I Film festival coordinator	I Film festival	To brief MILA students about the workshops and volunteering opportunities during the festival.	08 Apr 2025
13	Mr Rameshkumar, Project manager	PHOENIX CONTACT, Dubai	PHOENIX CONTACT conducted a hands-on PLCnext training for II-year Mechatronics students, offering practical exposure to industrial automation, PLC programming, control systems, and real-time applications.	10 - 24 Apr 2025
14	Mr Renith Sunil, Professional Photographer	And Cut Media	To conduct a session on editing using Adobe Premiere Pro as part of the Legacy Series	10 Apr 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
15	Dr Abdul Ajees, Associate Professor	Manipal Institute of Applied Physics, MAHE India	Guest Lecture and Faculty interaction Research Presentation on "Sustainable Approaches to Wastewater Bioremediation and Cancer Treatment Using Indigenous Plants"	14 Apr 2025
16	Mr Ammar Hussain, Planning Engineer, Alec Engineering and Contracting and Mr Atif Mulla, Marine Structures Engineer, CWP Engineering.	Alec Engineering and Contracting & CWP Engineering.	This session offered students firsthand insights into the transition from campus to career, with alumni sharing their professional journeys, industry experiences, and practical strategies for succeeding in civil engineering. They highlighted the importance of internships, certifications, skill development, networking, and continuous learning, while reflecting on their time at MAHE Dubai.	23 Apr 2025
17	Ms Subbiksha Sugumar, Junior Mechanical Engineer 	9E Global	Mechanical Engineering Department at the School of Engineering and IT, MAHE Dubai, in collaboration with the ASHRAE Falcon Chapter-UAE-AFC, hosted a guest lecture by our esteemed alumni, Ms Subbiksha Sugumar	24 Apr 2025
18	Mr Murtaza Asgar Balasinourwala, Founder 	Build Mode Interiors	Hands-on visit for Bachelor of Design in Interior Design students as part of Furniture Design. Mr Murtaza shared insights on material exploration, reclaimed wood, furniture prototyping, and design detailing	28 Apr 2025
19	Mr Faheem Rashid, Mechanical Engineer	Fluid Codes	Mechanical Engineering department at SOEIT organized a guest lecture on "Innovation through ANSYS simulation" by Mr Faheem Rashid. Students, faculties and staff members attended the event	01 May 2025
20	Karan Mathews Shaji, Electrical Engineer, Joshua Augustine, Mep Engineer	Condor Group DUTCO	The guest lecture "From Campus to Career: Insights from Research, Internships and Growth" guided students on transitioning from academics to the professional world. It highlighted the importance of internships, project-based learning, and practical experience, while	07 May 2025

21	Ms Lathika Joshi and Mr Varun Joshi	Corporate and Soft Skills Trainer	Guest lecture	07 May 2025
22	Mr Yezhil, Asst Director	Freelance	To conduct a session titled Behind the Stream: How Over-The-Top (OTT) Platforms Work	12 - 19 May 2025
23	Ms Anjali Bohra, Creative Head	Colorking UAE	To brief students on a session titled 'Post Processing Images using Adobe Lightroom'	14 May 2025
24	Dr Peng Du, Faculty	Thomas Jefferson University and Council on Tall Buildings and Urban Habitat, Asia. (CTBUH Asia)	Guest lecture for fourth-year Bachelor of Architecture and Bachelor of Design in Interior Design students on innovative, sustainable urbanism and global trends in academic and career specialization	12 Jun 2025
25	Ms Zohra Ameen, Radio Jockey	BigFM	To conduct a professional workshop titled "Behind the Mic: What It Takes to Be a Great Radio Presenter" as part of MILA's Legacy Series, highlighting essential skills and real-world practices in radio broadcasting	22 Sep 2025
26	Mr Shammas Sulaiman BIM Manager United Engineering Construction	United Engineering Construction	The session highlighted the role of Building Information Modeling (BIM) and advanced digital tools in modern construction. The CEO and Founder of BIMelite shared insights on industry advancements and future trends	24 Sep 2025
27	Mr Allan Jonathan David, Founding Partner	The Chaos Company	To conduct a professional development workshop titled "Boss Yourself", aimed at equipping students with foundational skills for freelancing, specialization, and career readiness in creative industries	30 Sep 2025
28	Dr Nina Lazar, Faculty	Vellore Institute of Technology, India	Session on "Adaptive Morphologies" using Grasshopper three-	01 Oct 2025

			dimensional computational design workflows	
29	Dr Lindita Bande, Faculty 	United Arab Emirates University, Al Ain	Served as resource person for the International Joint Studio on "Adaptive Morphologies" using Grasshopper three-dimensional computational design workflows	01 Oct 2025
30	Prof Mohafiz Riyaz, Faculty 	VIT School of Architecture, India	Served as resource person for the International Joint Studio on "Adaptive Morphologies" using Grasshopper three-dimensional computational design workflows	01 Oct 2025
31	Mr Raaghav Naagendran, CEO and Architect	A+R Architects	Delivered a guest session on "Digital Fabrication and three-dimensional Printing in Future Housing," discussing additive manufacturing, prototyping, and smart city design	02 Oct 2025
32	Ms Yamini Mahajan, Founder	YM Studio	To deliver an industry-focused workshop titled "Finding Your Calling in the Media Industry" as part of MILA's Legacy Series, guiding students on navigating early career choices, freelancing pathways, and professional growth in media production	07 Oct 2025
33	MBS - Dr Manish Dhameja	Ex Standard Chartered Banker, Abu Dhabi	Guest lecture to our Day MBA students detailing his three decades of experience in international banking	08 Oct 2025
34	Mr Peter Inbaraj Associate Director	Robert Bird Group (Dubai)	The workshop offered real project examples; students gained a deeper understanding of innovative construction methodologies, design challenges, and the critical role of temporary works in enabling landmark structures	14 Oct 2025
35	Huda Sharif Geotechnical Engineer, Basil Ismail Structural Engineer, Jainey Erum Structural Engineer, Akhil Surendran Structural Engineer	Robert Bird Group, WSP, Mott McDonald, Robert Bird group	The Mola Model workshop offered an enriching learning experience, encouraging active student participation and fostering deeper understanding of structural behaviour through practical demonstration and expert guidance	16 Oct 2025

Sl No	Visitor	Name of the Organization	Purpose of Visit	Date of Visit
36	Ms Lubna Pathan, Head of Marketing	Falcon Eye Drones Services (FEDS) Drone Powered Solutions and The Drone Centre	To conduct a reflective and motivational workshop titled "Beyond the Career" as part of MILA's Legacy Series, focusing on personal growth, professional mindset, and the importance of holistic well-being	21 Oct 2025
37	Mr Bobby Sujansingani, Principal Architect and Partner	Beyond Green Architecture	Delivered a session "Shared Ground: Designing at the Intersections" exploring collaborative creativity across architecture, ecology, and technology	22 Oct 2025
38	DrcVijay Kumar Professor and Risk and Safety Management expert	Freelance	With 25+ years of experience, Dr Vijay delivered a guest lecture on "Risk and Safety Management in Industries," emphasizing proactive safety, hazard prevention, and staff welfare. Key topics included Hazard Identification and Risk Assessment (HIRA), Failure Mode and Effects Analysis (FMEA), control measures, labor roles, and industrial risk strategies	22 Oct 2025
39	Mr Roman Gazine, Export Manager	Vivax-Metrotech, Germany	This workshop on "The Theory of Underground Cable and Pipe Location offered industry professionals and Engineering students a valuable opportunity to gain practical insights into non-intrusive detection methods, promoting safer infrastructure development and improved utility management	30 Oct 2025
40	Dr Tharwat Al-Bataineh	Global Food Regulatory and Halal Compliance Specialist- Ministry of Climate Change and Environment, UAE	Expert Talk for MSc Food Science and Safety students: Federal Law on Food Safety and MOCCAE Quality Standards Guideline	30 Oct 2025
41	Dr Georges Zgheib	Physician, Board-Certified in Aesthetic and Preventive Medicine Sesderma Skin Center, Dubai	Expert Talk for MSc students: Dietary management of Liver and Pancreatic diseases	30 Oct 2025

3	Six-Seater Electric Golf Cart	14 Nov 2025

Awards/Recognitions:

Institution (including 'The Best Teacher Award' for the year)

Sl No	Name	Details	Date
1	Dr Ramaprasad Poojary	Promoted to the role of Head of Quality Assurance and Accreditation Cell (QAAC)	31 Jan 2025
2	Dr Rajani Ramdas	Spot Award	28 Feb 2025
3	Year of Sustainability Seal	The UAE Federal Government presented MAHE Dubai the "Plan to Action: Year of Sustainability's Seal" as part of the 2024 Year of Sustainability Initiative. The seal is attached for your reference. This prestigious recognition celebrates the University's collective efforts in promoting sustainability through impactful initiatives, student-led projects, and community engagement through the activities of the Manipal Environment Conservation Students (MECS) Club and other campus-wide actions aligned with UAE sustainability goals.	05 May 2025
4	Verified Impact Project Stamp from MAJRA	MAHE Dubai received the Verified Impact project stamp for its initiative 'Seeding Sustainability Program' aligned with Sustainable Impact, ESGs and SDGs in the UAE. This innovative program by Water Alliance was delivered by MAHE Dubai's students across schools in the UAE and was selected among the top 20 projects nationwide in MAJRA's (a UAE Federal Government initiative) Sustainable Impact Challenge 2025, earning the program a grant of AED 20,000. The program was implemented in the schools in UAE and directly supports the United Nations Sustainable Development Goals (SDGs) 12 (Responsible Consumption and Production), 13 (Climate Action) and 14 (Life Below Water), as well as furthering the UAE's COP28 climate action legacy.	01 Jun 2025
5	Sustainability Initiative of the Year – Universities – Winner and 'Digital Innovation of the Year – Highly Commended'	MAHE Dubai won the Chartered Institute of Building Services Engineers (CIBSE) MENA – 'Student Design Competition' and 'Sustainability Initiative of the Year' - Universities and Highly Commendable for 'Digital Innovation for the year'- Universities for the CIBSE MENA Awards, in collaboration with CIBSE UAE Region that serve as a platform to recognize excellence in building services engineering, highlighting innovative projects and professionals who are setting new standards in sustainability, safety, and performance.	30 Oct 2025

Sl No	Event	Details	Date(s)
1	Carnival 2025	MAHE Dubai brought together students from 17 universities across the UAE competing in eight categories over two dynamic days during Carnival 2025. Held at multiple venues with industry expert judges, the event featured vibrant student-led stalls, and the celebration wrapped up with an electrifying DJ keeping the energy high and the students dancing.	16 Feb 2025
2	Ramadan Charity Drive 2025	A Ramadan Charity Drive in collaboration with Emirates Red Crescent encouraged students, faculty, and staff to contribute essential items for those in need. The campaign fostered a spirit of compassion and unity on campus, reflecting the values of giving during the holy month.	17 Feb 2025
3	Youth Icon Auditions 2025	The Youth Icon Auditions saw enthusiastic participation from students showcasing their talent, personality, and stage presence. After a competitive round of auditions, Mr Siddarth Menon and Ms Varsha Ajayan were shortlisted to represent MAHE Dubai at the Youth Icon Finale.	28 Feb 2025
4	Youth Icon Finale 2025	The Youth Icon Finale hosted by MAHE Dubai featured 10 competing performances from universities across Dubai. Ms Varsha from MAHE, Dubai and Mr Fares from Amity University, Dubai were declared 'Ms and Mr Youth Icon 2025' after captivating performances. The event also included four special performances by MAHE Dubai, Amity University Dubai, and Symbiosis International University Dubai, showcasing inter-university camaraderie.	18 Mar 2025
5	Eid Celebration 2025	Eid Celebration 2025 at MAHE Dubai was a colorful celebration of culture, with student-led stalls, lively performances, and a whole lot of festive spirit bringing everyone together in joy and unity!	03 Apr 2025
6	Unplugged Evenings	Unplugged Evenings 2025 at MAHE Dubai hit a whole new level of energy! The evening batch lit up the night with soulful tunes, high-voltage dance, and stunning displays of art and photography. It was a creative explosion and the most electrifying Unplugged yet!	07 May 2025
7	Anti-Vaping Campaign	The Anti-Vaping Campaign was a student clubs-led initiative supported by the Office of Student Affairs. Through creative performances, informative sessions, and interactive activities, the campaign aimed to raise awareness about the dangers of vaping and encourage students to choose healthier alternatives.	21 May 2025
8	Africa Day	MAHE Dubai brought the spirit of Africa to campus with a vibrant Africa Day celebration! From colourful traditional attire to rhythmic beats and energetic dance moves, the event was a joyful tribute to the continent's rich diversity. It was all about pride, unity, and soaking in the beauty of African culture - MAHE style!	26 May 2025

Sl No	Event	Details	Date(s)
9	MAHE Jams 2025	A first-of-its-kind dance initiative organized and led by the Dance Club, featuring three invited choreographers who conducted mini dance workshops. The event was open to MAHE students as well as participants from nearby universities, fostering collaboration and creative exchange through dance.	28 May 2025
10	Welcome Back on Campus	A warm and vibrant event to welcome continuing students, faculty, and staff back to campus for the new academic term. This gathering aims to foster a sense of community, celebrate fresh beginnings, and help everyone ease into campus life after the break. The event featured lively student-led performances, fun quiz segments and game stalls to celebrate the spirit of togetherness and showcase student talent. It was a great opportunity for returning students to reconnect, to feel at home, and for everyone to engage in the energy and creativity of our campus community.	25 Aug 2025
11	Week of Welcome	A vibrant orientation week that introduced new students to university life through faculty sessions, code of conduct briefings, club introductions, and cultural activities. The week concluded with fun performances, games, and fresher recognitions.	15 Sep 2025
12	Investiture Ceremony	The academic year kicked off with the Badging Ceremony, celebrating the seamless handover from the outgoing to the new Student Council in the presence of university leaders and staff. It was a proud moment welcoming fresh leadership and honoring commitment.	15 Sep 2025
13	PG Orientation	The orientation welcomed new postgraduate students and introduced them to faculty, support departments, and campus life. It encouraged cross-school networking in a relaxed setting and concluded with a dinner	06 Oct 2025
14	Grad Connect 2025	A special evening event was organized for university students enrolled in evening programs, featuring a variety of engaging activities aimed at fostering interaction among students. The ground floor foyer of the campus hosted interactive game stalls, food stall, and entertainment options including live music and a host of other ice breaker sessions to induce students to actively interact with each other particularly bridging the gap between existing evening students and the evening freshers and get to know the campus more. The event successfully promoted social interaction and student well-being, receiving positive feedback for its inclusive and vibrant atmosphere.	13 Oct 2025
15	Diwali 2025	MAHE Dubai celebrated the festival of Diwali with great enthusiasm and joy. The event showcased the spirit of unity and cultural diversity among students. The celebration included vibrant decorations, traditional music and dance performances, a diya-painting competition, Rangoli competition, Lantern making competition and delicious food stalls. Students dressed in colorful ethnic attire, creating a festive atmosphere filled with laughter, light, and togetherness. The event not only highlighted the significance of Diwali as the "festival of lights" but also strengthened the sense of community and cultural appreciation within the university.	16 Oct 2025
16	Hostel Connect'25	The event began with a Hostel Orientation to familiarize residents with facilities and guidelines, followed by Hostel Connect featuring interactive games and performances. The evening concluded with a dinner, encouraging bonding and a sense of belonging among hostel residents.	18 Oct 2025
17	Pink October	Pinktober is a breast cancer awareness day as a part of AW Rostamani group's initiative in collaboration with Subscribe Me to educate and engage the student community on this critical health issue. The event featured a blend of infotainment activities by various student clubs and an informative session by a medical professional Dr Anitha Sophia, providing valuable insights into breast cancer prevention, early detection, and overall awareness. Students	29 Oct 2025

		actively participated, gaining both knowledge and practical tips, making the event both educational and engaging.	
18	UAE Flag Day '25	A patriotic observance dedicated to honouring the UAE flag as a symbol of national pride, unity, and loyalty, marked by flag hoisting and collective participation by the MAHE Dubai student community, featuring Dance and Musical performances.	03 Nov 2025
19	International Day 2025	International Day is an event dedicated to celebrating diversity, inclusion, and cultural tolerance. The program highlighted the richness of global traditions by representing five regions: Asia, Africa, Europe, the Americas, and the Middle East. The event featured: • Cultural Performances showcasing music, dance, and artistic expressions from each region. • Culinary Experiences with food stalls offering a variety of dishes. • Exhibitions displaying artifacts and cultural items that reflected heritage and craftsmanship. • Interactive Games originating from different regions, encouraging participation and engagement. • Henna, Face Painting, Nail art and Calligraphy Stalls offering traditional designs. • The International Day parade featured students proudly dressed in traditional attire from Asia, Africa, Europe, the Americas, and the Middle East. As they moved around the event area, the parade created a vibrant display of cultural identity and unity. • Student-led Stalls where products creatively crafted by our students were presented and sold. The International Day fostered intercultural understanding and strengthened community bonds within the University. By bringing together diverse traditions under one platform, the event underscored the institution's commitment to promoting global awareness, respect, and unity.	20 Nov 2025
20	UAE National Day	The University commemorated UAE National Day with a vibrant program that reflected the nation's heritage and cultural pride. The celebration featured a variety of activities designed to engage the community and highlight Emirati traditions. Key highlights included: • Henna and Face Painting Stalls offering traditional designs. • Musical Performances with singing and drums that created a lively atmosphere. • Calligraphy Competition showcasing the artistry of Arabic script and encouraging student participation. • Fun Games and Interactive Activities that fostered enjoyment and community spirit. The event successfully combined cultural expression with student involvement, reinforcing the values of unity, pride, and respect for national traditions. It provided an opportunity for the university community to come together in celebration of the UAE's identity and achievements.	27 Nov 2025

Central Library- SEARCH, Manipal

Address: MAHE, Manipal – 576 104
Phone Number: 0820 29 22358; 22293
Email (Library): lib.kmc@manipal.edu **Email (Chief Librarian):** shiva.bhat@manipal.edu

Name of the Chief Librarian: Dr Shivananda Bhat K
Year of Establishment of the Library: 1953

Brief About the Library:
The SEARCH–The Health Sciences Library at Manipal Academy of Higher Education (MAHE), Manipal, is widely regarded as one of India's best Health Sciences libraries. The state-of-the-art library, stretching over 1.5 lakh square feet on five levels, is a domain for information seekers, be they students, faculty, or researchers. It can accommodate 1300 students at a time. Besides the comfortable seating and reading environment, the library is well equipped with modern facilities such as access to the internet and web resources, including online journals and e-books. The library is a central library for numerous institutions/ departments/centres within MAHE, including:

- Kasturba Medical College, Manipal
- Manipal College of Dental Sciences, Manipal
- Manipal College of Nursing, Manipal
- Manipal School of Nursing, Manipal
- Manipal College of Pharmaceutical Sciences, Manipal
- Manipal College of Health Professions, Manipal
- Manipal School of Life Sciences, Manipal
- Prasanna School of Public Health, Manipal
- Manipal Institute of Virology, Manipal
- Department of Library and Information Science, Manipal
- Department of Biotherapeutics Research, Manipal
- Department of Basic Medical Sciences, Manipal
- Centre for Integrative Medicine and Research, Manipal

Designed with various spaces to meet different needs, the library offers reading areas, group study spaces (for UG, PG, and research), private study rooms, a computer lab, internet kiosks, self-service scanning, a self-check-out/in kiosk, a book drop box, accessible spaces for differently-abled users, a cafeteria, a lounge, and an audio-visual room.

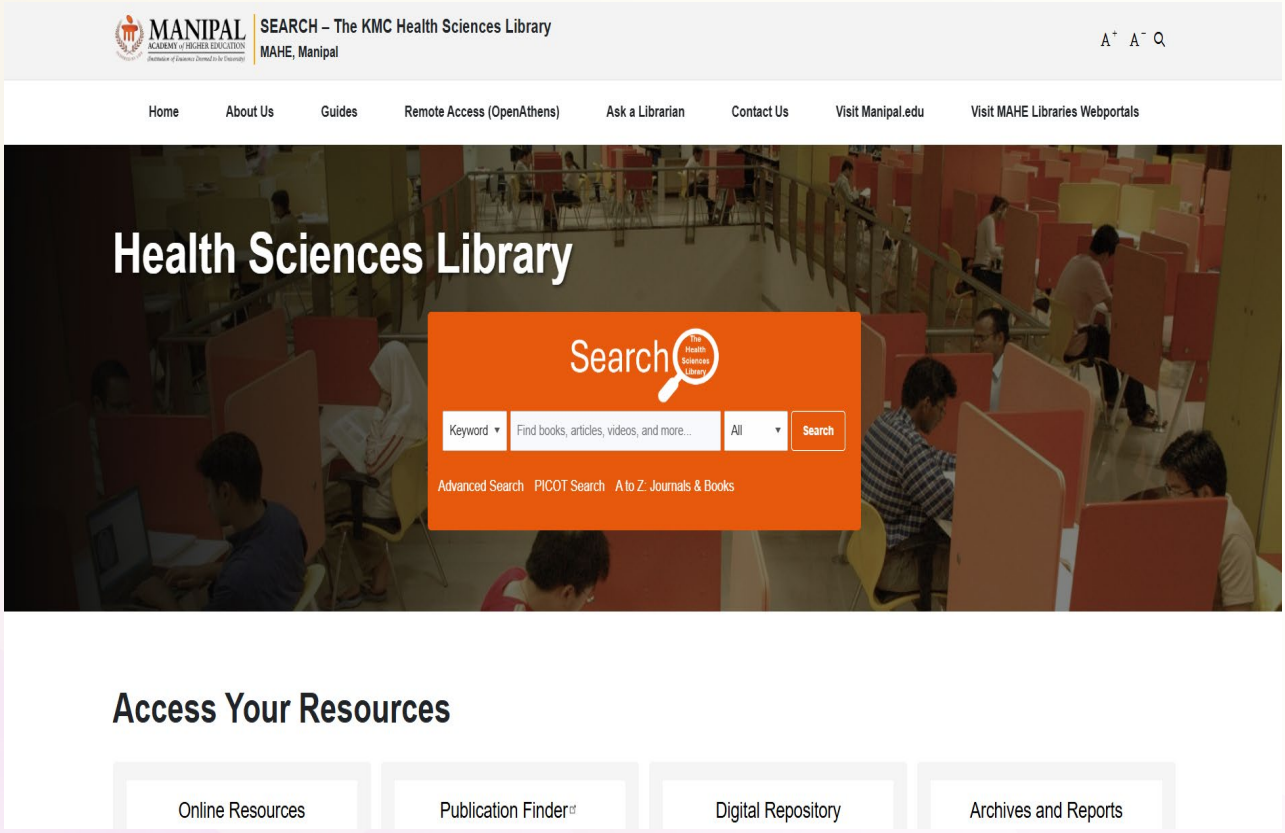
In addition to providing ample seating and a conducive reading environment, the library offers modern facilities like access to online resources, including e-books and online journals. The library is equipped with a growing collection of online databases accessible through the campus network and remotely via OpenAthens Single Sign-On (SSO), using login credentials from Office 365 (learner.manipal.edu or manipal.edu).

All library collections and services are fully automated using Koha library management software, and users can search for print materials such as books, journals, theses, and WHO publications through the Online Public Access Catalogue (OPAC).

The library ensures a secure and efficient environment with state-of-the-art RFID technology, Wi-Fi, and security systems, including CCTV. It also offers research and project support services, such as Turnitin for plagiarism checks, Grammarly for grammar and spelling corrections, AJE for English language editing, author workshops, literature search services, and access to bibliographical and citation tools like Scopus and Web of Science.

The library engages in best practices such as organizing information literacy programs, library workshops and conferences, book exhibitions, and celebrating Librarians' Day and National Library Week. Other services include reference services, current awareness, circulation, photocopying, scanning, inter-library loans, access to question papers from previous years, and training in using e-resources.

The library's Unified Library Services Solution (Library Web Page) integrates Stacks with a Web-Scale Discovery Service, offering a comprehensive search function across all subscribed and open-access resources. All library collections and services are fully automated using Koha library management software, and users can search for print materials such as books, journals, theses, and WHO publications through the Online Public Access Catalogue (OPAC).



The Health Sciences Library is committed to providing world-class information support, ensuring its users have the resources for academic and research success.

Services of the Library

Sl No	Name of the Facility
1	**Accessible Space**: Services for differently-abled individuals include talking screen readers for the blind, walking ramps, tactile flooring, capsule lifts, and wheelchairs.
2	**Author Workshops**: The library organizes workshops with publishers to assist users in publishing articles.
3	**Books Drop Box**: A drop box in the Level I lobby provides an easy way for users to return books.
4	**CD-ROM Access**: The library's CD-ROM collection includes multimedia resources, back volumes of medical journals, and more.
5	**Circulation**: Books are issued to interns, postgraduates, research scholars, and faculty, with journals and multimedia materials for in-house use only.
6	**Computer Services**: A fully equipped computer lab offers internet access, academic database search, and printing facilities.
7	**Current Awareness Service**: The library informs users about new additions through display boards and by publishing updates on the library's webpage.
8	**Grammarly Tool**: An online tool for grammar and spelling checks, available through the library's website to assist users in improving their writing.
9	**Inter-Library Loan/Document Delivery**: The library helps obtain materials from DELNET and other libraries to expand its collection for faculty, students, and researchers.
10	**Internet Access/Wi-Fi**: Dedicated internet browsing sections (computer lab) and Wi-Fi coverage are available across the library's reading halls.
11	**Internet Kiosks**: Located on all five levels, these kiosks offer users access to the internet and to accessing e-resources subscribed by the library.
12	**IP-Based Access to e-Resources (Campus Access)**: Access to subscribed e-resources is available through the campus network for faculty, students, and researchers.
13	**Library Spaces**: Designed to meet various needs, the library offers reading areas, group study spaces for UG, PG, and research students, as well as private study rooms.
14	**OPAC (Online Public Access Catalogue)**: The OPAC allows users to search for all print resources in the library's collection, accessible via the library's webpage.
15	**OpenAthens (SSO – Remote Access to e-Resources)**: Users can access subscribed e-resources remotely through the OpenAthens Single Sign-On (SSO) system using their Office 365 credentials.
16	**Publication Finder (A-Z Resources: Journals, Books, Databases):** The Library provides access to a comprehensive collection of resources, including journals, books, and databases, through the Publication Finder. These resources are available for browsing by subject on the library's webpage, allowing users to explore the full range of subscribed materials easily.
17	**Question Paper Archives**: Users can access previous years' question papers via the library's web page.
18	**Reference Service**: Library staff provides personal assistance in navigating the collection for research and study, helping users locate relevant resources.
19	**RFID/Wi-Fi/CCTV**: The library uses advanced RFID technology, Wi-Fi, and CCTV for security and efficient service.
20	**Self-Service Scanning**: A self-service scanning facility on Level I enables users to digitize documents quickly.
21	**Self-Check-Out and Self Check-In Kiosk**: Located on Level I, this kiosk offers users a convenient way to borrow and return books independently.
22	**Training in Accessing e-Resources**: The library arranges training sessions from time to time for the users to conduct effective literature searches using e-resources.
23	**Turnitin**: A service to check document originality and prevent plagiarism, available upon request through the library.

These services collectively provide a comprehensive, user-friendly experience, supporting academic, research, and personal study needs.

Name of the Librarian: Dr Pooja Bhat

Year of Establishment of the Library: 1953

Brief About the Library

Kasturba Medical College, Mangalore, has a rich and diverse library service. The total area of the Library building is about 4100 sq mt with a seating capacity of 800 people. The library is centrally air-conditioned, Wi-Fi enabled, and well-structured with separate book sections with open access for the undergraduate in the basement and postgraduate/reference section on the ground floor. Separate sections are maintained for the current periodicals, the back volumes, and also for group discussion and reading. There is one more library at the Basic Science Campus. The users can utilize the Central library from 9:00 AM to 11:30 PM and the Basic Science Library from 9:00 AM to 8:30 PM on all weekdays. The library has a collection of around 39,000 print books, 29,000 bound volumes of journals, and a subscription to more than 100 print journals per year. The library also has around 1000 thesis titles for reference. Besides traditional carriers of information such as books and journals, the library is well equipped with online journals/books/databases. The library has subscribed to more than 30 online databases, such as Up-to-date, Clinical Key, Scopus, Web of Science, BMJ, Springer, Cambridge, Oxford, Sage Publications, etc. To facilitate the user for a single-window search, the Ovid Discovery Service (ODS) has been subscribed to, where we can search the contents and topics of all the subscribed databases in a single platform. All these resources can be accessed remotely, outside the campus, beyond the working hours of the library, through OpenAthens, and also through the Library portal at MU Portal. The library is fully automated with library software. The library is enabled with modern best practices such as Access Control Security system, RFID Technology, CC Camera monitoring, etc.

Brief About the Library

The Central Library of Manipal Institute of Technology is located at the heart of the institution and is easily accessible to the students, faculty, and researchers of the institute. The building occupies a total area of about 70,000 sq ft and has three floors with individual and group study halls with 950 seating capacity. The central library provides services not only to MIT but also to MSIS (Manipal School of Information Science), ICAS (International Centre for Applied Science), and MIAP (Manipal School of Applied Physics) having more than 10,000 active users. MIT library subscribes to many electronic resources as a component of the digital library. MIT central library hosts more than 1 lakh twenty-six thousand documents. It subscribes to many e-journals, e-databases, e-books, e-standards, and CD-ROMs. These information resources promote and advance teaching and learning and facilitate improved productivity and qualitative research. The entire library is Wi-Fi enabled, and a security system with CCTV and an RFID security gate is present. The library is fully automated with KOHA software, and collections are RFID tagged. The remote access facility (OpenAthens) is implemented for accessing e-resources from outside the campus. Grammarly, grammar-checking software, and Turnitin, plagiarism-checking software, are the added research support tools available in the library. The library has taken membership of DELNET Online services. Users can get photocopies of articles/books that are not available in the MIT library using inter library loan facility of DELNET. The library has arranged two information literacy programs in the year 2025 for the benefit and effective use of library resources by the users. Open Library works 24x7. The newly opened BIS corner is available for users to refer to the IS codes.

Formal Inauguration of the Constitution of India book case on 08 January 2026

First Handwritten print book of the Constitution of India

General Library

Individual Study area for the students

Manipal School of Commerce and Economics Library, Manipal

Address: 3rd Floor MIT Central Library, MIT Campus, MAHE, Manipal
Phone number: 0820 2925314
Email (Library): librarian.msce@manipal **Email (Librarian):** usha.latha@manipal.edu

Name of the Librarian: Mrs Ushalatha

Year of Establishment of the Library: 1999

Brief About MIT Central Library:

The library and information centre have a vast collection of management books and journals. Apart from printed resources, the library is subscribed to an online database. The centre is fully automated (Koha software), and the resources are made available as an electronic public access system (OPAC). Students also have access to the internet, CD-ROM information retrieval, and photocopying facilities. These information resources promote and advance teaching and learning while also facilitating improved productivity and qualitative research. The library is fully air-conditioned and Wi-Fi enabled. The library is kept under CCTV surveillance. Library e-resources can be browsed through the intranet portal http://muportal.and and remotely accessed through Openathens. The working hours of the library are from 9:00 AM – 8:00 PM on working days (Monday to Saturday). The library is closed on Sunday. During vacation, it is open from 9:00 AM – 5:00 PM. The library has a seating capacity of 60. The total library area is 286 sq m, comprising a reading room of 203 sq m in area and an 83 sq m stack room (carpet area).

Shivalli Village, Manipal 576104, Karnataka, India
Phone Number: 0820 2933320
Email (Library): lib.wgsha@manipal.edu **Librarian:** jyothi.mallya@manipal.edu

Name of the Librarian: Ms Jyothi Mallya
Year of Establishment of the Library: 1986

Brief About the Library:
The College has a well-stocked library with nearly 14146 books on Hospitality and Tourism management and allied subjects. In addition, it subscribes to nearly 52 journals and magazines on general and trade subjects from all over the world. The library also has a large section devoted to general reading, including sports, history, culture, and fine arts. There is a separate library for the BA in Culinary Arts course, currently having around 3,153 books.

Book Bank Facility: Course books prescribed by the college are available in the library and are issued to students at the beginning of the Academic Year.

Students are required to deposit the textbook at the library at the end of the course in good condition. Value of the book in case of non-return or the loss thereof would have to be paid for by the concerned student as per the rule.

E-Resource

1. The library subscribes to an online database called EBSCO Hospitality and Tourism, which covers scholarly research and industry news relating to all areas of Hospitality and Tourism. This collection contains more than 749,000 records, with coverage dating as far back as 1965.

Manipal Centre for Natural Sciences Library, Manipal

Address: Manipal Academy of Higher Education, Manipal
Phone Number: 0820 2923577
Email (Library): lib.mcns@manipal.edu **Email (Librarian):** jessy.a@manipal.edu

Name of the Librarian: Dr Jessy Saadi
Year of Establishment of the Library: 2013

Brief About the Library:

The Manipal Centre for Natural Sciences (MCNS) was conceived as a unique Centre within MAHE with a dedicated library to aid research in Natural Sciences, situated in the right wing of the Dr TMA Pai Planetarium building at Manipal. The air-conditioned library was opened to researchers in 2013. The library is wi-fi enabled and offers a wide range of Science and Technology online resources, textbooks, research books, reference books, and back volumes to support fundamental research in the physical sciences, astronomy and astrophysics, chemistry, evolutionary biology, and computational sciences. The library serves as a comprehensive resource center for scientific outreach, featuring a curated collection of nature books and popular educational audio-video materials. A 30-seater seminar room equipped with video conferencing facilities is available at the Centre. MCNS is a member of the Developing Library Network (DELNET), enabling inter-library loans. The library's fully computerized collection can be accessed via the Online Public Access Catalogue (OPAC). MCNS library digital subscription is available through the MAHE Library's Global Web Portal link, https://mahelibportal.manipal.edu/mcns. To support research activities, the library offers individual user consultancy for accessing online resources and provides originality checks for documents using Turnitin. Orientation programs are conducted for new members to familiarize them with the library's facilities, physical and digital collections, services and accessing digital resources through MU Portal and use of Web OPAC. Library users also benefit from 24/7 remote access to subscribed online resources, enabling uninterrupted research and learning opportunities. In 2025, the MCNS library expanded its infrastructure by adding new facilities, including a computer-enabled reading/reference section, a group discussion area and an interactive research discussion zone, designed to provide natural light and pleasing learning environment for its patrons.

Manipal School of Architecture and Planning, Manipal

Manipal School of Architecture and Planning (MSAP)
Address: Behind 10th Block, MIT Campus, Manipal
Phone Number: 0820 2928611
Email (Library): lib.msap@manipal.edu **Librarian:** shobha.m@manipal.edu

Name of the Librarian: Shobha Mahesh Prabhu
Year of Establishment of the Library: 2019

Brief About the Library:

The Manipal School of Architecture and Planning library has a vast collection of Architecture and Fashion design books and journals. Apart from printed resources, the library is subscribing to an online database and E-Books. The library is fully automated (Koha), and the resources are made available as an Electronic Public Access System (EPAC). Students also have access to the internet, CDROM information retrieval, and off-campus OpenAthens (remote access to e-resources). These information resources promote and advance architecture and design, and facilitate improved quality of research. Wi-Fi enabled. Library e-resources can be browsed through the intranet portal http://muportal. The working hours of the library are as follows: On working days, 09:00 AM – 5:00 PM , Sunday Holiday. The Library's seating capacity is 98, and the area is 4,500 square feet.

Brief About the Library:

Sl No	Name of the Facility
1	**Reference Service:** Reference service is a personal aid provided to the user by the library staff in interpreting library collections for study and research. The library staff assists the user to locate needed information from the available information resources. On the basis of the collection, the library provides a reference service to its users.

Sl No	Name of the Facility
2	**Current Awareness Service:** Currently, the library offers the following current awareness services to the users. • Display of new additions in the library • Publishing of "new acquisition" in library microsite.
3	**Circulation:** The books are issued to undergraduate students, postgraduate students, research scholars, and faculty members. Bound/unbound journals, audio-visual materials, and CDs are for in-house use only.
4	**OPAC (Online Public Access Catalogue):** Users can search all the print resources (books, journals, back volumes of journals, WHO publications, etc.) of the Health Sciences Library and other libraries of MAHE through the Library's online catalogue – the OPAC (Online Public Access Catalogue).
5	**OpenAthens (SSO-Single Sign-on) -** Remote Access to Subscribed e-Resources: Access to the subscribed e-resources of MSAP Library, remotely, is available to all the users (students, researchers, and faculty members) of MSAP, MAHE at the Manipal campus through OpenAthens account. The OpenAthens account is configured with the users' Office 365 Outlook email account (manipal.edu/learner.manipal.edu). The eligible/authorized users' authentication has been done through Office 365 (manipal.edu/learner.manipal.edu) via OpenAthens.
6	**Inter-Library Loan/Document Delivery:** The library helps to obtain photocopies of the references from other library sources. Further, the library augments its collection by acquiring reading materials not available for the use of its faculty members, research scholars, and postgraduate students from several outside sources on an inter-library loan basis.

MTMC Health Sciences library, Jamshedpur

Address: Manipal Tata Medical College, Kadani Road, Baridih, Jamshedpur.
Phone Number: 06572472067, 06572472071
Email (Library): lib.mtmc@manipal.edu **Email (Librarian):** ranjit.hegde@manipal.edu

Name of the Librarian: Ranjit Hegde
Year of Establishment of the Library: 2020

Brief About the Library:
The library serves as a crucial Learning Resource Centre, supporting the academic and research activities of the institution. It continuously enhances its print and digital collections while offering innovative services to improve teaching, learning, and scholarly pursuits.

The MTMC Health Sciences Library of Manipal Tata Medical College (MTMC) in Jamshedpur, established in 2020, functions as a Learning Resource Centre that supports academic, clinical, and research activities. The library is located in a two-story building with an area of 2,500.76 square meters.

It is fully automated using the Koha Library Management Software and provides extensive online resources accessible both on-campus and remotely via OpenAthens. The library is equipped with Wi-Fi, security systems, and CCTV.

Additionally, the MTMC Health Sciences Library offers various research and project support tools and services, such as a Web-Scale Discovery Service (a single-window search tool), access to Turnitin (for plagiarism checking), Grammarly (an online grammar and spelling checker), AJE software (English language editing), literature search services, and access to bibliographical and citation tools like Scopus and Web of Science.

Services of the Library

Sl No	Name of the Facility
1.	**Reference Service -** The library staff assists users in locating needed information from the available information resources. Based on the collection, the library provides reference services to its users.
2.	**Circulation -** Books are issued to undergraduates, interns, postgraduates, research scholars, and faculty with journals and multimedia materials for in-house use only.
3.	**Reprographic-** Through this service, users can get photocopies of articles and other documents.

Sl No	Name of the Facility
4.	**Computer Services -** A fully equipped computer lab offers internet access, academic database search, and other software.
5.	**Turnitin:** A service to check document originality and prevent plagiarism, available upon request through the library.
6.	**Library orientation -** Library orientation is to introduce students and faculty to the library's services and resources, as well as to educate and guide them on how to use the library's services and other resources.
7.	**OpenAthens: Remote access to e-resources -** Users can access subscribed e-resources remotely through the OpenAthens Single Sign-On (SSO) system using their Office 365 credentials.
8.	**WEB OPAC (Online Public Access Catalogue) -** Users can search all the print resources (books, journals, etc.) of the MTMC Health Sciences Library and other libraries of MAHE through the Library's online catalogue – the WEB OPAC (Online Public Access Catalogue).
9.	**American Journal Expert (**AJE) - AJE is an academic author service offering a range of translation, formatting, editing, and peer-review services.
10.	**SPSS (Statistical Data Analysis Software) -** SPSS is a software used to enter, manage, and analyze data. It helps users perform statistical tests, create charts and tables, and interpret results easily, especially for research purposes.
11.	**Unified Library Services Solution (Library Web Page):** The Unified Library Services Solution, accessible through the library's web page, combines Stacks with a Web-Scale Discovery Service. This integrated system enables a comprehensive search across all library materials, including subscribed and open-access resources.
12.	**Publication Finder (A-Z Online Resources):** Journals, Books, Databases: The Library provides access to a comprehensive collection of resources, including journals, books, and databases, through the Publication Finder. These resources are available for browsing by subject on the library's webpage, allowing users to explore the full range of subscribed materials easily.
13.	**IP-Based Access to e-Resources (Campus Access):** Access to subscribed e-resources is available through the campus network for faculty, students, and researchers.
14.	**Question Paper Archives:** The library offers access to question papers from previous years in both print and digital formats to aid students in their examination preparation.

MAHE Bengaluru Central Library

Address: MAHE Bengaluru (BLR) Campus, Govindapura Village, Yelahanka, Bengaluru -560063
Phone Number: 080 24497152
Email (Library): lib.maheblr@manipal.edu **Chief Librarian:** ishappa.bandi@manipal.edu

Name of the Chief Librarian: Dr Ishappa C Bandi
Year of Establishment of the Library: 2022

Brief About the Library:

The year 2025 was very eventful for the Central Library in terms of acquisition of Text books and Reference books, and the Book-Bank system was implemented for the BBA(H) and MBA Tech students. The Book Bank System is the green initiative where the textbooks are issued for one semester and returned after the final exam, and this has helped us to reuse books. This year too, the library played a vital role in providing the most essential resources to support the teaching, learning, and research activities in the university. The Central Library have strengthened both print collection and online resources. The collection development is based on the faculty recommendations. All our faculty members, HODs, HOIs, and Library Committee Members actively supported building the library collection. All our libraries are automated using the integrated Koha LMS with Web-OPAC. We have implemented the inter library books circulation where students, faculty, and researchers can borrow books from any of the MAHE BLR Libraries. This has helped us to achieve the optimum utilization of resources and meet the user requirements.

We continued the use of the OpenAthens remote access facility for all users to access and integrated all online resources subscribed to as Central Subscriptions and also MAHE BLR Campus-specific resources. More than 9000 e-journals and one lakh+ e-books are part of this OpenAthens platform. These initiatives by the library team have culminated in supporting our users to access online resources 24/7 using the OpenAthens facility.

This year, the complete RFID system for the SMI Library was implemented and continued with the MITB library using the RFID system. In addition to what we had, the RFID security gate, Smart Serve Kiosk, Smart Stock, Book Tags, and Staff Station, this year we added the Patron Traffic Controller system for Entry/Exit registration.

Like last year, this year we also organized various events to make users understand and make good use of the online and offline resources and services. The

events like "Know Your Library" monthly online sessions, Library Book Club-Review sessions, Book Exhibitions, Database trainings, competitions, etc., were organized. The extended library hours till 22:00 throughout the Semester has made very significant effect on the Hostel students' library usage and on their academics at large.

The ambitious project of Library Stacks Page and Integrated-Discovery service has been implemented this year. The Central Library-KMC, IT-Manipal have coordinated this initiative, and the MAHE Bengaluru Library Stacks page has been developed (https://mahelibportal.manipal.edu/mahe-library-bengaluru).

The dedicated MAHE BLR- Central library Stacks Page and an EBSCO Discovery Service are planned this year and will be implemented by integrating the Central Subscriptions and Bengaluru Subscriptions with OPAC also. This will strengthen the users' search and research work at the Bengaluru campus.

The first National Conference, National Conference on Modern Library Technologies and Service (NCMLTS) 2025, was successfully organized by the library team. More than 200 librarians and LIS professionals actively participated in the conference. There were 68 papers presented, and we had 10 special talks by the resource persons from IITs, IIMs, NITs, IISc. This was a great occasion to learn good practices from them. An NCMLTS Taylor and Francis Conference Proceedings is going to be published soon.

One more great development at the MAHE Bengaluru Library has happened in this year to develop the new Teaching Department to offer a two-year PG course, Master of Library and Information Science (MLibISc) from the Department of Library and Information Sciences, Bengaluru (DLIS-BLR). This is in addition to

the seven PhD scholars working on various library concepts under the guidance of Dr Ishappa and Dr Harish.

The Central Library, with a total area of 60000 sq ft and a seating capacity of 1500+, is going to be functional soon at MAHE Bengaluru Campus. The Central Library building will be one of the iconic and modern facilities to meet the academic and research needs of the users. This will be a dynamic space and **"One Stop"** for students, researchers and faculty members in the time to come. The strategic location of the Library Building on campus is very convenient and approachable every passing year, the library is making a positive impact on all students, faculty, and researchers.

The Central Library of MAHE BLR Campus has engaged in numerous events and programs throughout the year to connect with the users.

Mahe Blr Library, Central Library Events List -2024

Sl No	Event Name	Event Type	Event Date	Resource Person	No of Attendees
1	The Future of Work and Skilling (Coursera Training)	Workshop	10 Dec 2024	Ms Ramya Srinivasan	34

TAPMI BLR Library

TAPMI Library, Manipal

Address: T A Pai Management Institute, A Constituent Unit of the MAHE
Post Box No 9, Manipal - 576104, Karnataka
Phone Number: 0820 2701105
Email (Library): libservices.tapmi@manipal.edu **Email (Librarian):** librarian.tapmi@manipal.edu

Name of the Librarian: Mr Shankar Nadoor
Year of Establishment of the Library: 1984

Brief About the Library:

The TAPMI Library - **Knowledge Resource Centre** significantly contributes to the Institute's **academic** ecosystem and **research** support systems by ensuring access to comprehensive **print** and **digital** information resources in core areas of management through both **on-campus** and **remote access** platforms. It offers an up-to-date and well-curated collection of knowledge resources and information.

Centrally located, **air-conditioned**, and fully **automated,** the library focuses on core management disciplines and related fields. Spanning an area of **1,115 square meters**, it offers seating for **100 users** and is equipped with **state-of-the-art infrastructure and facilities**.

The library holds a comprehensive **print collection** comprising 39075 **book** volumes representing 33303 titles, along with 97 print **journals**, 40 **magazines**, and subscriptions to prominent **newspapers** in various languages.

The library maintains 6,398 **bound volumes** comprising print periodicals, PhD **theses**, SP/MIP and SMIC **project reports**, brand scan reports, **faculty publications**, and special collections, including **Government of India** reports and the **Sri T A Pai archival collections.**

The TAPMI Library offers an extensive range of **electronic resources** to support teaching, learning, and research. Its digital collection includes 11,750 **e-books**, 5,753 **e-journals**, **e-magazines**, and 13 online **databases**. These provide access to **market and company intelligence platforms** such as Capital Line AWS and NAV India, CMIE Consumer Pyramids, Prowess IP, and CapExDx, CRISIL, Prime Databases : Indian Boards , Financial Results & Environmental, Social & Governance and Statista; **management and business literature** through EBSCO Business Source Ultimate, ScienceDirect, Oxford University Press, Taylor and Francis, SpringerLink, Wiley Online Library,

Cambridge Core, and World Scientific; **citation and bibliographic** tools including Scopus, Web of Science, SciVal, and Journal Citation Reports (JCR); **plagiarism** detection via Turnitin; and key research memberships.

Memberships: The library has obtained **Inter-Library Loan (ILL) membership** with the Developing Library Network (DELNET), New Delhi, and holds **research memberships** with The Case Centre (formerly the European Case Clearing House – ECCH), SSRN (Social Science Research Network), Rochester, NY, Chicago Booth's Kilts Center for Marketing, **Chicago, Illinois, USA**, and Cabells Scholarly Analytics, Blacksburg, Virginia, USA.

Facilities and services:

The fully **automated** library offers extended **working hours**, **barcoded** circulation, overnight borrowing, a dedicated **book** collection, **reprographic** facilities, LAN terminals, and a spacious **reading hall**. Its services include **Inter-Library Loan (ILL)**, the **MAHE - TAPMI Library Global Portal integrated with EBSCO Discovery Service (EDS)**, and an **Online Public Access Catalogue (OPAC)**, all delivered through a modern **digital library** platform. The library also provides 10 internet-enabled **computers** and a **student laptop lounge**, connected to a campus-wide **high-speed (1:1) internet** network and **Wi-Fi**, along with **OpenAthens** for seamless **remote access** to subscribed databases.

Name of the Librarian: Mr Yoganath Manivel
Year of Establishment of the Library: September 2003

Brief About the Library:

The Library enables access to information resources of all kinds and provides innovative, responsive, and effective services to meet the changing needs of the academic community. The Library is equipped with all necessary facilities, making it a pleasant environment for study. It holds literature predominantly related to Business and Management, Finance, Economics, Computer Science and Information Technology, Biotechnology, Interior Design, Architecture, Engineering, and their allied subjects. It aims to develop a comprehensive collection of information resources useful for academic and research purposes. The Library plays a proactive role in ensuring that the information resources are acquired and organized to meet the present and future needs of its users. The Library has utilized Information Technology extensively to ensure that resources are always accessible. The library catalogue is available online, and the availability of the resources can be checked using the same. The Library holds a hybrid collection of printed as well as electronic resources, which include books, journals, databases, audio-visuals, CDs/DVDs, e-books, e-journals, etc.
